UNIVERSITY PRESIDENT - DR. SHIRLEY C. RAINES

Dr. Shirley C. Raines became the 11th president of the University of Memphis on July 1, 2001. She is the first woman to hold the presidency of the University, which was founded in 1912.

The University is classified by the Carnegie Foundation for the Advancement of Teaching as a high research university, with approximately 23,000 students and 2,500 employees.

Previous to her appointment at the University of Memphis, Dr. Raines was Vice Chancellor for Academic Services and Dean of the College of Education at the University of Kentucky. While at George Mason University in Fairfax, Va., she received the Distinguished Faculty Member award and has received two research awards from the Eastern Educational Research Association. She is the author of 14 books and numerous journal articles and is widely regarded as an expert in teacher education and early childhood education.

During the years of Dr. Raines' tenure at the University of Memphis, some of the following building projects have been completed: the FedEx Institute of Technology, the Kemmons Wilson School of Hospitality and Resort Management, the Student Activities Plaza and fountain, the clock tower, University Services Building with new bookstore, additions to the Carpenter Student Housing Complex, the renovation of Wilder Tower, the University Center, the Living Learning Residence Complex and relocation of the Law School to the historic downtown location on the Mississippi River.

Improvement to athletics facilities have also been a priority with the construction of the Athletic Training Facility, Penny Hardaway Athletics Hall of Fame, Tiger Softball Complex, FedExPark, Frank L. Flautt Golf Center, and upgrades and renovations to the football training facilities, Liberty Bowl Memorial Stadium and the Elma Roane Fieldhouse.

Described in *The Commercial Appeal* as "powerful, prepared and personable," she has become known for her effective work in building productive partnerships on and off the campus. This emphasis has enabled the University to realize significant increases in annual giving to the University. Establishment of the University of Memphis Research Foundation along with the University's focus on engaged scholarship in the community has facilitated an increase of sponsored research grants and contract awards by almost 100 percent. Major focus areas of her work with students include an increased emphasis on the retention of students, expansion of the University's Honors and Emerging Leaders programs, the establishment of a guaranteed internship program for qualified students, living learning residential and curricular learning communities throughout campus, and the establishment of the University of Memphis Lambuth Campus.

Dr. Raines served on the board for the NCAA for five years and chaired the Presiden-

tial Task Force Oversight and Monitoring Group while also serving on the Board of Directors of Conference USA. She chaired C-USA and will become a member of the BIG EAST Governing Board in July of 2013.

Dr. Raines earned her Doctorate in Education and her Master of Science degree from the University of Tennessee in Knoxville. Her Bachelor of Science degree is from the University of Tennessee at Martin. She also completed the Management Development Program from the Harvard Graduate School of Education. She has returned to Harvard for the past five years as a keynote speaker for the Institutes for Higher Education addressing new university presidents and chancellors.

A native of Bells, Tenn., she is married to retired professor, Dr. Robert J. Canady. In his retirement, he is a stained glass artist. Dr. Raines has one son and two grandchildren.

ATHLETICS DIRECTOR - TOM BOWEN

Tom Bowen was named the University of Memphis Director of Athletics in an Apr. 16, 2012, press conference in the Penny Hardaway Athletics Hall of Fame assembly room. Bowen officially started work on the U of M campus in June.

Bowen leads the Athletics Department at the University of Memphis after serving as the Athletics Director at San Jose State University (SJSU) since December 2004.

While at San Jose State, the core of Bowen's mission was building a "Culture of Champions" academically, athletically and in the community. To reach that end, Bowen instilled a greater sense of purpose, commitment and execution from student-athletes, coaches, staff, alumni and friends.

An integral member of the SJSU's presidential staff, Bowen created and implemented short and long-term revenue streams for intercollegiate athletics. He led the Spartan Foundation — the department's fundraising component — through consistently challenging and uncertain economic conditions to unprecedented fiscal heights at the university. The Spartans produced annual budget surpluses four-straight years under his direction and re-invested their gains back into their student-athletes and teams.

In his first four football seasons (2005-08), San Jose State produced the most wins at the school since 1990-93. Last year, the Spartans were one of the most improved teams in the FBS with road wins at Colorado State and Fresno State and a home triumph in their first meeting with Navy. The 2006 through 2008 Spartans were the first three SJSU teams to post consecutive .500 or better records in the Western Athletic Conference football standings. The 2006 Spartans capped their finest season in many years, posting a 9-4 overall record and capturing the New Mexico Bowl championship.

Recent athletics accomplishments add to his "Culture of Champions." Women's golf, women's soccer, baseball and women's swimming were the latest teams to win a Western Athletic Conference championship. Women's water polo is a consistent top-10 national program. Women's swimming finished 2008-09 with the longest dual meet winning streak in Division I. Women's gymnastics is entrenched as a NCAA Regional Championship qualifying team. Men's basketball, men's soccer and men's golf have produced measurable gains, particularly in conference competition.

The Spartans have earned All-America honors in football, women's golf, baseball and women's water polo. San Jose State had its first women's gymnastics individual NCAA Regional champion in 2009. Twelve student-athletes were honored nationally and more than 100 at the conference level for academic achievements in 2009-10.

Bowen's vision for student-athlete success and excellence led to the creation of a Student Success Services component. Academic Progress Rate (APR) scores, as measured by the NCAA, have risen steadily and strikingly under his watch and were at a then university-best in 2009 and were surpassed in the 2010 report.

In 2008, San Jose State was named as one of 12 Division I universities cited for Overall Excellence in Diversity in the most recent national study by Texas A&M University on behalf of the NCAA.

Bowen's proven administrative and managerial record at San Jose State has resulted in meaningful national appointments in college athletics. He served as one of eight Football Bowl Subdivision directors of athletics on the 24-member NCAA Division I Football Issues Committee, an appointment that ended in 2011. In 2009, Bowen was one of 12 named to serve as a mentor to aspiring women and ethnic minority athletics administrators in the NCAA Fellows Leadership Program. He was the Tournament Director for the 2010 NCAA Men's Basketball Division I Championship first and second rounds games played in San Jose.

Bowen joined the staff at San Jose State after serving three years as the Director of Community Affairs and the executive director of the 49ers Foundation for the San Francisco 49ers of the National Football League. He directed all of the team's fundraising activities and was responsible for alumni and current player participation in the community.

His Division I experience at

the collegiate level includes athletics administration positions at the University of California and Saint Mary's College in Moraga, Calif. As an assistant and associate director of athletics at California from July 2000 through September 2002, he was responsible for athletics fundraising. Bowen was credited with developing the first comprehensive planned giving program for the Golden Bears.

At Saint Mary's College, he was the Director of Foundations and Corporate Relations from May 1995 to January 1997, before being appointed to an associate director of athletics position by the president of the college. From January 1997 through April 2000, he managed the athletics department's budget, directed a corporate sponsorship program and interacted with the academic senate, faculty and university personnel on student-athlete issues.

His first professional leadership appointment in athletics was at De La Salle High School in Concord, Calif. From 1987 through 1995, he held the positions of athletics director and assistant football coach.

The 1983 graduate of the University of Notre Dame majored in theology/sociology and spent six years studying for the priesthood with the Holy Cross Fathers. Bowen went on to earn a master's degree in administration/education from the University of San Francisco in 1990.

Active throughout the entire Bay Area, he was named to the *San Jose Mercury News'* Top-25 Most Powerful Sports Figures in the Bay Area. Bowen served on the board of the San Jose Sports Authority, and he was an adjunct professor at the University of San Francisco School of Sports Management and at San Jose State University's Department of Kinesiology, where he taught sports management classes.

He is a Level 2 certified member of the College Athletic Business Management Association (CABMA) and has memberships in the National Association of Collegiate Directors of Athletics (NACDA) and the Association of Fundraising Professionals.

He and his wife, Mia, are the parents of three children: sons, Andrew and Peter, and daughter, McKenna.

For the past 100 years, the University of Memphis has been a catalyst for progress in the city of Memphis, the state of Tennessee and the surrounding Mid-South region. From its inception in 1912 as a “normal school” dedicated to the education of public school teachers to its role today as an educator of technologically savvy, socially conscious graduates who face a complex world, the U of M has always been an integral component of the greater community.

Exceptional students from 46 states and 99 countries choose the University of Memphis as their collegiate home. Approximately 23,000 students attend the U of M, including more than 2,400 first-time freshmen and 2,700 students who live on campus in university housing.

As a doctoral-granting metropolitan research university, the University is committed to excellence in undergraduate, graduate and professional education; in the discovery and dissemination of knowledge; in engaged scholarship to the metropolitan community, state and nation; and in the preparation of a diverse student population for successful careers and meaningful participation in a global society.

Ever forward looking, the University of Memphis is poised to enter one of its most historic and productive periods. As the university continues to celebrate its 100th anniversary this year, its faculty, staff, alumni and benefactors have never been more willing, able and generous in their efforts to build an academic environment that makes a lifelong impact.

The University’s strategic plan addresses its goals. Foremost among these is the ability to recruit outstanding faculty, enroll motivated students and provide distinctive learning experiences so its students are prepared for successful and meaningful participation in a diverse society.

Currently, the U of M offers 17 bachelor’s degrees in more than 50 areas of study, master’s degrees in 55 subjects and doctoral degrees in 25 disciplines. It also offers a specialist’s degree in education, a juris doctorate in law and 21 graduate certificates. Degree programs at the University of Memphis are divided into 10 colleges and schools – College of Arts and Sciences, Fogelman College of Business and Economics, College of Communication and Fine Arts, College of Education, Health and Human Sciences, Herff College of Engineering, the School of Public Health, University College, Cecil C. Humphreys School of Law, Loewenberg School of Nursing, and the School of Communication Sciences and Disorders.

For academically ambitious and talented students, the Helen Hardin Honors Program at the University of Memphis combines the best of a small liberal arts school with the wide-ranging opportunities of a large, nationally-recognized research university. With more than 1,700 students participating in fall 2011, the honors program, now in its 39th year, is the largest honors program in the state of Tennessee.

In addition to the main campus in the heart of East Memphis, the University of Memphis opened a campus in Jackson, Tenn., in fall 2011 at what was formerly Lambuth University. It also has off-site campuses and teaching sites in Bartlett, Bolivar, Collierville, Cordova, Covington, Dyersburg, Humboldt, Jackson, Millington and Whitehaven.

One of the University’s greatest contributions to the community is its alumni. Many have become nationally and internally renowned in their fields as corporate executives, elected officials, award-winning actors and best-selling authors. More than 64,000 U of M alumni live within a 40-mile radius of Memphis.

As it enters its second century, the University will continue to build strong partnerships with alumni, friends and community leaders so that it may empower the next generation of Dreamers. Thinkers. Doers.

Considered the “Home of the Blues” and the “Birthplace of Rock ‘n Roll,” the city of Memphis’ musical roots run deep. However, music is just a chapter in the history as well as the future of the city located in the heart of Mid-America.

Memphis, named after the capital of ancient Egypt, has big city amenities with a small-town feel. Whether you are a hardcore sports enthusiast, a history buff, a music aficionado, or you just like to relax and watch as boats travel the Mississippi River, Memphis has something for everyone.

Downtown Memphis has continued to grow and thrive, and two of the most visible projects have been the construction of AutoZone Park and FedExForum.

AutoZone Park is the home of the Memphis Redbirds, the St. Louis Cardinals’ Triple-A club. The 14,320-seat stadium includes 1,500 club seats, 48 luxury suites and is located at the corner of Third Street and Union Avenue across from the world-famous Peabody Hotel. The Memphis Tigers baseball team also plays some of its more high-profile opponents in the top-notch facility.

The city’s newest downtown project is FedExForum, an entertainment arena that houses both the Memphis Grizzlies of the National Basketball Association and the University of Memphis men’s basketball team. The \$250 million state-of-the-art arena features a 35,000-square-foot outdoor plaza where fans of all ages can gather before an event. The arena has over 100 points of sale for concession stands and four full-service restaurants. FedExForum is located one block south of Beale Street.

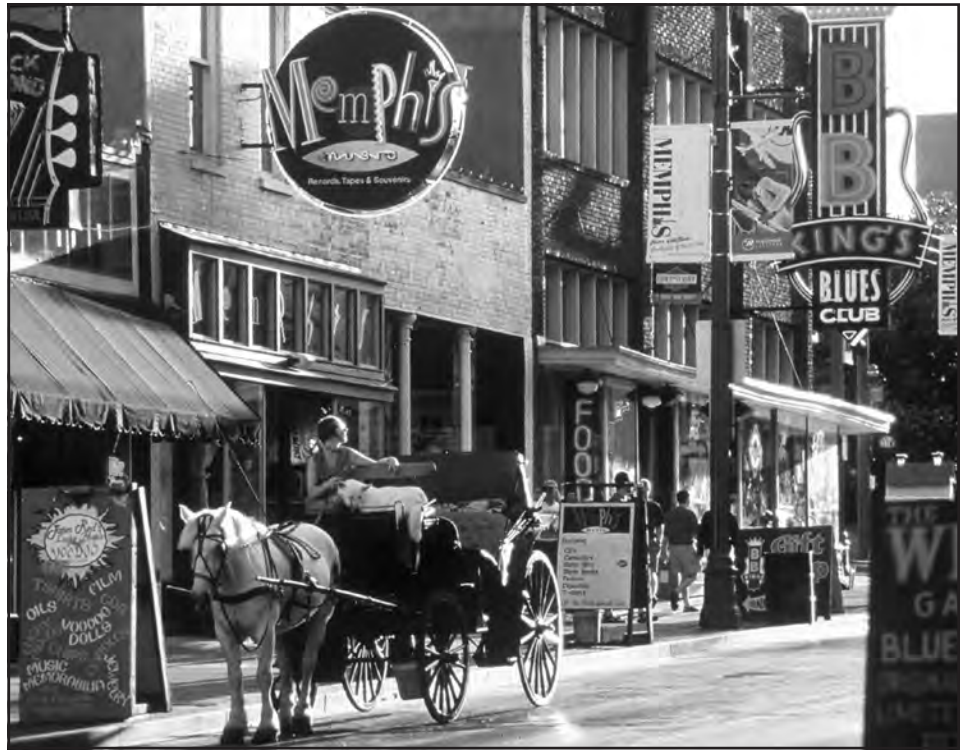

Memphis’ musical roots can be traced to band leader W.C. Handy, who wrote the first blues song here in 1909, a campaign theme for Memphis mayor “Boss” Crump called “Boss Crump Blues” and later published as the “The Memphis Blues.” The sound soon caught on and blues bands filled the clubs along Beale. Young musicians who have performed along Beale include Muddy Waters, Furry Lewis, Albert King, Bobby “Blue” Bland and B.B. King.

Beale Street has rapidly become the entertainment center of Memphis, and visitors and locals alike enjoy the food and music offered in the various nightclubs.

Where Beale Street meets the Mississippi River is Tom Lee Park, site of the annual Beale Street Music Festival. The weekend-long event is just a part of the month-long Memphis in May International Festival, which also includes the World Championship Barbecue Cooking Contest and the Sunset Symphony.

Located within a block of Beale is Gibson Guitar Memphis, which includes factory tours and cultural exhibits. Across the street is the Smithsonian’s Rock ‘n’ Soul Museum located at the FedExForum, which includes artifacts documenting music’s past.

Memphis’ musical roots also include Stax and Hi-Records as well as Sun Records recording

studio. Stax became known for “sweet soul music” through such artists as the MarKeys, Booker T. and the MGs, Otis Redding, Wilson Pickett, Sam and Dave and Isaac Hayes. The Stax Museum reopened on its original location at McLemore and Crump in the summer of 2003 and offers visitors a complete history of “Soulsville USA.”

One of Hi-Records’ premier artists was Al Green. Sun Records’ most famous recording artist was Elvis Presley and also boasted Jerry Lee Lewis, Carl Perkins and Johnny Cash among its recording artists.

Elvis Presley’s Graceland is one of the five most-visited home tours in America and is the most famous home in the United States after the White House. In 1991, Graceland was placed on the National Register of Historical Places. Over 600,000 visitors tour Graceland each year. Also located downtown is the beautiful Orpheum Theater, which serves as a venue for performances by Ballet Memphis, the Memphis Symphony Orchestra and traveling Broadway shows, as well as the Orpheum Classic Movies series and other concerts.

The city’s location makes Memphis a major distribution hub with two interstate highways intersecting the city. Memphis is also home of FedEx, the nation’s largest package carrier which makes Memphis International Airport the world’s busiest cargo airport. Over 500 commercial passenger flights originate from Memphis International each day.

Ranked by *The Sporting News* as one of the “Top 50 Sports Cities In the Country,” the city of Memphis is a large metropolitan city with a hometown feel. From its big-city industry such as FedEx and the Memphis International Airport to

TIGER TRADITIONS

When the University of Memphis first fielded a football team in the fall of 1912, no one had selected a nickname for the squad.

Early references to the football team tabbed them only as the Blue and Gray Warriors of West Tennessee Normal School.

After the final game of the 1914 season, there was a student parade. During this event, several Normal students shouted, "We fight like Tigers." The nickname was born.

More and more the nickname "Tigers" was used, particularly in campus publications. But, it did not catch on with the newspapers downtown. They continued to use "Normals" or the "Blue and Gray" when referring to the University.

In the late 1920s, student publications and downtown newspapers began referring to the football team as the "Teachers" or "Tutors." The Tigers nickname would return, but not until 1939 was it finally adopted as the official nickname for the University of Memphis.

For nearly 40 years, the sideline mascot for the University of Memphis has been a Bengal Tiger named TOM. TOM attends all Tigers football home games, and he can also be found at many other University events throughout the year.

TOM travels in style in a custom-designed, climate-controlled trailer and always with police escort.

As one of only two universities in America with a live tiger mascot, The University of Memphis is unique in its tiger tradition. As a project of the Highland Hundred, no public or University funds are used to provide for TOM's needs, and no University resources are required in his care.

TOM is a powerful and majestic symbol of the University of Memphis, and his presence presents constant opportunities to educate Tigers fans young and old through

the preservation of one of the world's most recognizable endangered species.

The first Tiger, TOM, was procured by the Highland Hundred football boosters in 1972 and served the U of M faithfully for nearly 20 years until passing away in February of 1992. The Highland Hundred officially presented TOM to the University in a ceremony at Liberty Bowl Memorial Stadium on Nov. 11, 1972, during a football game against the University of Cincinnati.

TOM had initially been named 'Shane' at the suggestion of the breeder's daughter. Once in Memphis, though, a contest was held to name the mascot. More than 2,500 entries were submitted. The list was ultimately reduced to two choices, Shane and TOM, which stands for Tigers Of Memphis. TOM won.

In the fall of 1991, the Highland Hundred Tiger Guard received TOM II as a gift from Tom and

Carolyn Atchison of Florence, Ala. TOM II served his university with pride for 17 years through 2008, passing away on Oct. 15 of that year.

Shortly after TOM II's death, the Tiger Guard began the search for a new tiger to serve as TOM III, and a stroke of good luck was realized in a discussion with the Wisconsin Big Cat Rescue & Educational Center in Rock Springs, Wis. Faced with three new cubs born Aug. 31, 2008, after an unexpected pregnancy at their facility, founders Jeff Kozlowski and Jenny Meyer offered to donate one of their young tigers to serve as TOM III.

TOM III was introduced at a press conference on Nov. 17, 2008, and the Tiger Guard officially presented him to the University on Nov. 22 during a football game against the UCF.

U OF M ALMA MATER

Stand Firm, O Alma Mater
Through All The Years To Come;
In Days Of Youth And Beauty
Thy Halls Have Been Our Home.
In Time Of Preparation
Great Lessons Didst Thou Teach
Till Now O Alma Mater,
The Stars We'll Strive To Reach.

Lead On, O Alma Mater
They Sons To Highways,
Give Light And Truth Unto Them
For All Their Coming Days.
To Thee We'll Give All Honor,
Our Hopes Abide In Thee,
For Thou, O Alma Mater,
Hast Made Us Ever Free.

U OF M FIGHT SONG

Go Tigers Go, Go On To Victory,
Be A Winner Thru And Thru;
Fight Tigers, Fight Cause We're
Going All The Way --
Fight, Fight
For The Blue And Gray And Say --

Let's Go Tigers Go,
Go On To Victory.
See Our Colors Bright And True;
It's Fight Now Without A Fear,
Fight Now Let's Shout A Cheer,
Shout For Dear Memphis U.
(Yell)
Go Tigers Go
Go Tigers Go
Yea -- Tiger Go!

THE LOGO

The University of Memphis' official logo was redesigned by Craig Thompson from Disciple Design in Memphis, Tenn.

The original logo was an MSU with a leaping Tiger coming out from behind the letter. The new logo is an "M" with a leaping Tiger coming up over the center of the "M."

SCHOOL COLORS

The University of Memphis' official school colors of Blue and Gray were selected in the early 1900s.

The colors were chosen in an effort to show unity in a nation that was still recovering from the effects of the Civil War. The student body thought that by picking the colors of the North and the South, the school would show a togetherness among all students.

MEDIA INFORMATION

GENERAL POLICY

Media wishing to cover the University of Memphis track and field team should contact Brad Pope, Athletic Media Relations, Room 203 M Athletic Office Building, or by phone at 901-678-5223 or 901-336-8203 to arrange contact with Tiger coaches or athletes.

INTERVIEWS

All U of M track and field practices are closed to the media. However, special arrangements may be made by contacting the Athletic Media Relations Office at least 24 hours prior to the scheduled practice time. All interviews are coordinated with head coach Kevin Robinson through the Athletic Media Relations Office. The office staff can also set up interviews throughout the season with the coaches as well as athletes. Athlete interviews however, must be scheduled around the academic and practice schedules of the individual. Please contact Brad Pope for any further information.

PHOTOGRAPHERS

Photographers must have a working credential for access to the field.

Photographers will be granted a credential through the University of Memphis Athletic Media Relations Office. Photographers are not permitted to sell photos taken at U of M track and field meets without the written consent of the Athletic Media Relations office.

RESULTS/STATISTICS

The U of M Athletic Media Relations staff will have rosters, statistics, weekly notes and media guides available in the Athletic Media Relations Office or at GoTigersGo.com for all members of the media or any others who might require such information. At reporters' requests, complete meet results can be provided to each media member shortly after completion of the event.

COACHING HIGHLIGHTS

- 2007 C-USA Coach of the Year
- 13 All-Americans
- 21 NCAA Championship Participants
- Three NCAA Regional Champions
- 2007 C-USA Men's Outdoor Championship
- 51 C-USA Champions
- 258 All-C-USA Honorees

ATHLETIC EXPERIENCE

- 1993 Great Midwest Conference Newcomer of the Year
- 1994 C-USA Indoor Athlete of the Year
- Seven-time C-USA/GMC Champion
- C-USA hammer champion three years in a row (1996-98)
- Seven-time NCAA Outdoor Qualifier
- Set school records in indoor shot put, indoor weight throw, outdoor shot put and hammer

Since taking over in July of 2006, Kevin Robinson has transformed the Memphis track and field/cross country program into a perennial Conference USA contender and national power. In all, Robinson has seen his student-athletes set more than 40 school records, earn 51 C-USA individual titles and pile up more than 258 All-Conference USA performances in his seven years at the helm.

Under Robinson's tutelage, the men's program has shown tremendous consistency. The Tigers have posted top-five indoor finishes five years and top-five outdoor performances four times. Robinson's 2007 outdoor squad -- his first season as head coach -- won the C-USA Championships crown, the first in the program's history.

On the women's side, Robinson has guided the Lady Tigers to four top-five finishes at the C-USA Indoor Championships. One of those top-five performances was a third-place showing at the 2008 indoors, the highest finish in program history.

The 2011-12 campaign was another successful one for Robin-

son's program. He had 14 NCAA Outdoor East Regional qualifiers for a second-consecutive season, matching the program record set the year before.

Just as impressive last season was the program's accomplishments in the classroom. Both the men's and women's squads received United States Track and Field and Cross Country Coaches Association (USTFCCCA) All-Academic Teams honors, with four student-athletes -- Monica Mason, Laura Toldy, Cyarra Wells, Tom Willcox -- receiving USTFCCCA individual recognition.

The women's squad tallied a cumulative 3.28 grade-point average, which tied for 23rd among the 171 programs that received USTFCCCA All-Academic Team status. The men's team recorded a cumulative 3.14 GPA, which tied for 25th among the 85 schools to make the USTFCCCA list.

Robinson's cross country squads saw similar success in the classroom, receiving 2011 USTFCCCA All-Academic Team honors. The women's and men's teams posted 3.34 and 3.59 GPA, respectively. Of the 147 men's programs to achieve USTFCCCA All-Academic status, the Tigers ranked third.

Robinson returned to his alma mater in 2002 as an assistant and was promoted to head coach in the summer of 2006. In his 10-year coaching association with the program, Robinson has had nine student-athletes compete in 22 NCAA Championships events and has seen his competitors earn 14 All-America citations, with the most recent being Georgio Lynwood (2012) and Richard Lowe (2011).

Last season, Lynwood took gold and All-Conference USA first team honors at the C-USA Indoor Championships with a leap of 2.17m (7-01.50) in the high jump. Lynwood continued to excel during the outdoor campaign, qualifying for the NCAA East Preliminary where he set a new

school-record of 2.19m (7-02.25). Advancing to the NCAA Outdoor Championships, the Jackson, Tenn., native took All-America second team honors with a 13th-place finish at a height of 2.15m (07-00.50).

In 2011, Lowe was named Conference USA's Male Track Athlete of the Year and finished his collegiate career at the NCAA Outdoor Championships, where he finished seventh in a time of 50.99s in the 400m hurdles. Lowe became Robinson's 13th All-American.

Prior to Lynwood and Lowe, Robinson coached quite possibly the program's four top field competitors in Seffen Nerdal, Susan King, Gaute Myklebust and Gail Lee.

Nerdal, who was a teammate of Lowe's, capped his stellar collegiate career with his fourth All-America honor at the 2010 NCAA Outdoor Championships. Nerdal was the NCAA runner-up in the weight throw for a second-straight year (2009, 2010), marking the first time a Tiger student-athlete finished that high in consecutive NCAA Championships appearances.

Earlier that 2010 campaign, Robinson had 16 student-athletes win a total of 27 medals at the C-USA Indoor and Outdoor Championships. Lowe led the Tigers' medal count with four, while Nerdal and Alex Sweet each garnered three.

The previous year (2009), Nerdal made Memphis track and field history, becoming the program's first male indoor All-American. Nerdal, who was the first male athlete to advance to the NCAA Indoors in 25 years, finished second in the weight throw.

In 2008, Robinson coached student-athletes on both the men's and women's teams to All-America distinction. Nerdal claimed his first All-America honor with a fourth-place finish in the hammer throw at the NCAA Outdoor Championships.

On the women's side, King earned All-America accolades in the shot put at both the 2008 NCAA Indoor (fourth) and Outdoor (second) Championships. The second-place finish was the highest for a Lady Tiger at the NCAA Outdoors. Charlotte Abrahamsen also represented Memphis at the 2008 NCAA Indoor Championships, competing in the pentathlon. Abrahamsen earned All-America recognition and is the school's first and only multi-sport competitor at the NCAA Indoors.

Following the 2008 campaign, King and Lee represented the Blue and Gray in the shot put at the United States Olympic Trials. Both King (sixth) and Lee (ninth) placed in the top-10 and just missed earning a spot on the U.S. squad.

In only his first season at the helm (2006-07), Robinson guided the men's team to the program's first Conference USA Outdoor Championships crown. The Tigers upset national track and field powerhouse UTEP to win the C-USA title, finishing just a mere 9.5 points ahead of the Miners.

For his efforts, Robinson was named the 2007 Conference USA Coach of the Year. At the C-USA Outdoors, Robinson had four Tigers win at least one individual title and saw nine competitors qualify for NCAA Regionals. Three of Robinson's student-athletes advanced to the NCAA Outdoor Championships, with Nerdal making his first appearance as a freshman. At that year's NCAA Indoors, Lee earned her second All-America honor with a sixth-place performance in the shot put.

Before taking her over Memphis program, Robinson was producing All-Americans as a Tigers assistant. In 2004, Robinson guided Myklebust, a two-time C-USA Male Outdoor Athlete of the Year, to the NCAA Outdoor Championships, where

he received All-America honors with a fourth-place finish in the discus. Myklebust was the program's first All-American in more than 20 years.

The following year (2004-05), Robinson helped Lee to the 2005 NCAA Championships. Lee became the school's first female All-American in nearly 30 years with a 10th-place finish in the shot put.

A 1998 Memphis graduate, Robinson finished his collegiate track and field career as one of the program's most-decorated competitors, exhibiting prowess in the shot put, weight and hammer throws. As a freshman, he claimed the 1994 Great Midwest Conference (GMC) Indoor Championships shot put crown. The following season (1995-96), Memphis moved to Conference USA, and Robinson shined in his C-USA Indoor Championships debut. He was named the C-USA Indoor Athlete of the Year after winning the weight throw title and finishing second in the shot put. In his sophomore and senior campaigns, Robinson won C-USA indoor weight and hammer throws titles.

Overall, Robinson owns six combined Conference USA weight and hammer throws titles and a Great Midwest Conference shot put title. Robinson also is part of an elite C-USA group of only eight male athletes that have won three or more conference outdoor titles in the same event (hammer throw, 1996-98).

Robinson qualified for the 1997 and 1998 NCAA Outdoor Championships in seven combined events. In 1998, he finished 13th in the shot put at the NCAA Outdoor Championships. That same year, Robinson was named the National Strength and Conditioning Association (NSCA) Strength and Conditioning Athlete of the Year and an NSCA All-American. In 2000, Robinson qualified for the Olympic Trials in the shot put and weight lifting.

When Robinson graduated in 1998, he held school records in the indoor and outdoor shot put, 35-pound weight throw and hammer throw. The only record he still holds today is the indoor shot put, a testament to both his coaching and athletic skill.

A native of Perryville, Mo., Robinson earned his degree in exercise and sport science from Memphis in 1998. After graduation, he began his coaching career as an assistant at Southern Illinois, where he worked from 1998-2002.

During his time in Carbondale, Ill., Robinson's student-athletes set three conference records and posted six school marks. Robinson also produced nine NCAA Regional qualifiers, two All-Americans and an Olympic Trials competitor.

In 2003, Robinson gained certification in CPR, AED and as an AFAA professional personal trainer. He has since become an NSCA Certified Strength and Conditioning Specialist (CSCS).

Robinson and his wife, Dawn, have three children: Sebastian, Tristan and Matthias. They reside in Hernando, Miss.

ASSISTANT COACHES

DISTANCE/CROSS COUNTRY COACH DOUG CLARK

The 2012-2013 campaign marks Doug Clark's fourth season in command of the distance runners for the Tigers track and field/cross country program. Clark looks to improve on the teams' successful 2011 campaigns in recent years.

The 2012 cross country season saw the men's and women's squads pick-up team and individual wins at the Rhodes Invitational. At the 2012 Conference USA Cross Country Championships, the men's squad posted its all-time best finish at the event taking fourth place overall.

James Maglasang and Dan Kuhman each took All-C-USA honors at the league championship. Khuman followed that performance by taking All-Region honors in the squad's ninth place finish at the 2012 NCAA South Region Championship.

In 2011, the men's and women's squads had their best showings at the Conference USA Championships in several years.

ATHLETIC EXPERIENCE

- NCAA Qualifier
- 1980 Olympic Marathon Trials Qualifier
- Top Master's Runner in Oklahoma, 1996-00

The Tigers tied the program's best finish at the league's event with a sixth-place performance. The Memphis men's squad also placed sixth at the 2001 and 1998 C-USA Championships. The Tigers won their first meet for the first time since 2001, taking top honors at the 2011 Rhodes Invitational. Memphis also participated in the NCAA South Regional, the program's first regional appearance since 1999.

Tigers sophomore standout James Maglasang won his second career event at the 2011 Rhodes Invitational and placed 15th at the 2011 C-USA Championships. Maglasang's finish earned him All-C-USA third team accolades.

It was the first time a Memphis male performer placed in the top-15 since Mate Nemeth won the 2004 C-USA crown and was named All-C-USA first team.

The Lady Tigers were just as impressive in 2011. The women's team finished seventh at the 2011 C-USA Championships, the program's second-best performance at the league event (6th in 2005). The Lady Tigers won their first meet since 2005, taking the victory at the Rhodes Invitational. The squad also competed in the NCAA South Regional for a second time in Clark's tenure.

Clark joined the Memphis track and field/cross country staff in 2009 with an impressive resume. Overall, Clark has coached All-Americans in cross country, 1500m, mile, 3000m, 3000m steeplechase, 5000m and distance medley relay. He has also coached an NCAA individual champion in the 3000m steeplechase and an Olympian in the 1500m.

Before moving to the Bluff City, Clark spent nine years at Kansas. In his final five seasons with the Jayhawks, Clark coached four cross country All-Americans. Clark's cross country squads posted top-20 finishes at the 2005 (12th) and 2006 (20th) NCAA Championships.

From 2004-06 in Lawrence, Clark coached three-consecutive Big 12 individual champions from (Benson Chensang in 2004-05 and Colby Wissel in 2006). He also guided Charlie Gruber to a second-place finish in the 1500m at the 2004 Olympic Trials, earning the Kansas alum a 1500m spot on the USA Olympic Team.

Prior to Kansas, Clark was an assistant coach at Tulsa from 1994-2000. While at Tulsa, Clark's athletes set school records in the 800m, 1000m, 1500m, mile, 3000m, 3000m steeplechase, 5000m, distance medley relay and 4x800m relay. Clark coached distance runner Dwight Davis, who posted a 3:59.29 mile time

to become the Golden Hurricane's first NCAA All-American.

In 1994 at UTEP, Clark assisted the Miners to a third-place team finish at the NCAA Indoor Championships and a national runner-up team performance at the NCAA Outdoor Championships. That same year, Clark coached Jim Svenoy to the 3000m steeplechase crown at the NCAA Outdoor Championships and a runner-up finish in the 3000m at the NCAA Indoor Championships.

Clark began his coaching career at Arkansas as a volunteer assistant coach, before being promoted to a full-time assistant in 1991. With Clark on staff, the Razorbacks swept the nine NCAA Championships in cross country (three), indoor track (three) and outdoor track (three) — commonly referred to as the "NCAA Triple Crown" — in the 1991-92, 1992-93 and 1993-94 academic years.

As the Arkansas recruiting coordinator, Clark helped assemble one of the most dominant programs in the history of collegiate track and field/cross country, producing more than two dozen All-Americans.

A 1981 graduate of Central Missouri State University, Clark was an NCAA cross country qualifier. He also was a 1980 Olympic Marathon Trials qualifier, posting a time of 2:17:40. Clark was the top Master's runner in Oklahoma from 1996-2000, recording times of 14:58/5k, 25:45/8k and 31:41/10k.

Entering her fourth season with the Memphis Track and Field Program, Chrissie Feldmann has been instrumental in the program's recent success in the jumping events. In 2012, the Sycamore, Ill., native saw two of her high jumpers qualify for the NCAA East Preliminary and one became the program's first All-American in the high jump.

Under Feldmann's tutelage, Darius Lynwood won gold in the high jump (2.17m, 7'1.5") at the 2012 Conference USA Indoor Championships and earned All-C-USA first team honors. Lynwood's success continued into the outdoor season, where he qualified for his first NCAA East Preliminary and took All-C-USA second team honors after winning silver at the C-USA Outdoor Championships.

At the NCAA East Preliminary, Lynwood broke the program's 34-year-old high jump record with a leap of 2.19m (7'2.5"), qualifying for the NCAA Outdoor Championships. At the NCAA Championships, Lynwood finished 13th-overall at a height

of 2.15m (7'5"), attaining All-America second team honors.

Also in 2012, Laura Toldy took the bronze medal in the high jump (1.76m, 5'9.25") at the C-USA outdoor Championships and earned All-C-USA third team honors. Her bronze medal performance qualified Toldy for her first NCAA East Preliminary.

During the 2011 outdoor season, Jerome Leslie and Kirsten Berding were tabbed all-conference selections and were NCAA Regional qualifiers in the triple jump and high jump, respectively. Additionally, as a freshman, Darius Lynwood achieved second place at the Conference USA Outdoor Championships in the high jump, picking up All-C-USA Second team honors.

In 2010, Leslie made his way to a third-place finish at the

Conference USA Outdoor Championships in the high jump and qualified for the NCAA Regionals, while Desiree Blow just missed becoming an all-conference performer in the heptathlon.

As a collegiate athlete, Feldmann competed three years as a jumper and one year in multi-events at Marquette University. Feldmann graduated from

Marquette in the spring of 2009 with a bachelor's degree in exercise science and obtained her master's degree in exercise and sport science at the University of Memphis in May of 2011.

SPRINTS COACH NIC FORTENBERRY

COACHING HIGHLIGHTS

- Nine NCAA Qualifiers
- 27 NCAA Regional Qualifiers
- 14 C-USA Champions

ATHLETIC EXPERIENCE

- Member of the LSU Track team, 1993-1995
- Four-year letterwinner and three-time state qualifier at Tylertown High School

ACADEMIC BACKGROUND

Bachelor's Degree
Industrial Education, 1996

Nic Fortenberry is in his seventh season at the U of M. He has established a contingent of sprinters and hurdlers that can contend in the conference and nation for years to come. In all, Fortenberry has coached 27 regional qualifiers, nine NCAA qualifiers and 14 Conference USA champions.

During the 2012 campaign, Fortenberry guided seven athletes (Robert Jackson, Brandon Williams, Tyrell Forde, Maya Williamson, Kala Funderburk, Keyona Neal, and Monica Mason) to the NCAA East Preliminary for the second year in a row. It also marked the sixth consecutive year he sent athletes to the NCAA post season.

Senior Robert Jackson won two C-USA titles in the 60m hurdles (indoor) and 110m hurdles (outdoor) and made his third straight post season appear-

ance. Teammate Brandon Williams continued to impress in the 400m hurdles, taking silver at the C-USA Outdoor Championships and punching his second ticket to the post season. The 2012 season also saw the emergence of Tyrell Forde, with the freshman picking up a win at the Memphis Invitational and qualifying for his first NCAA East Preliminary.

He continued to grow the Tigers' female sprinter/hurdler program with breakout performances by Maya Williamson and Kala Funderburk, both of whom qualified for the NCAA East Pre-

liminary. Funderburk took three titles in outdoor competition in the 400m and set school-record at the Memphis Invitational, clocking in at 53.76. Competing in the 400m hurdles, Williamson qualified for the USA Junior Outdoor Championships, where she took bronze and set a program record of 58.97.

Williamson and Funderburk, along with teammates Monica Mason and Keyona Neal, broke more records and took All-C-USA second team honors competing in the 4 x 400m relay. The group broke the school record and took first place at the Vanderbilt Black and Gold Invitational with a time of 3:46.14. The squad would break their own record four more times during the outdoor season, with the fourth time coming at the NCAA East Preliminary where they finished 13th overall with time of 3:37.45.

Breaking program records is nothing new for Fortenberry's athletes. In his time working with Memphis sprinters/hurdlers (and assisting with jumpers up until 2011), a total of 12 school records have been broken. Included in Fortenberry's list of record holders are: Tayan Simpson (60m hurdles, 100m hurdles), Lashundra Kernshaw (60m), Inger Anne Froyse (indoor high jump), Chen Edri (outdoor high jump), Aaron Evans (800m), Richard Lowe (400m hurdles), and Aaron Whetstone (triple jump).

In 2011, Fortenberry qualified seven athletes for the NCAA Regionals (Robert Jackson, Richard Lowe, Nick Harold, Brandon Williams, Tayanna Simpson and LaShundra Kershaw). Fortenberry saw senior Richard Lowe qual-

ify for the NCAA Outdoor Championships, making him the only representative from C-USA in the 400m hurdles at the event. Lowe went on to earn First-Team All-America status, and was named the C-USA Male Athlete of the year.

Under Fortenberry's tutelage in 2010, Richard Lowe and Robert Jackson each made it to the NCAA Outdoor Championships in hurdles. That same year, Fortenberry coached LaShundra Kershaw to a trip NCAA Regionals in the 100 and 200-meter sprints in 2010.

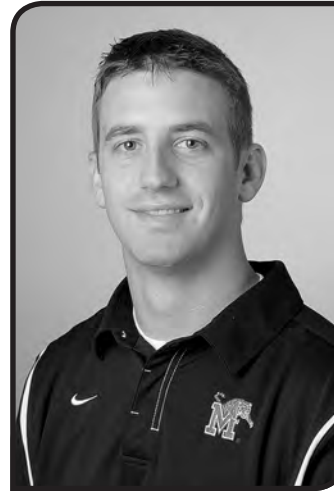

In 2009, five Tigers qualified for the MidEast Regionals and two of the athletes advanced to the finals of the Regionals. Three of Fortenberry's athletes qualified for the 2008 NCAA MidEast Regionals, with all of them winning individual crowns at the C-USA Outdoor Championships.

In Fortenberry's first season (2007), the Tiger sprinters, hurdlers and jumpers played a pivotal role in the men's C-USA Outdoor Championship, scoring a total of 56 points. In the title run, Willie Green (100m) Amaechi Oselukwue (110m hurdles) and Brandon Winbush (long jump, triple jump) each won individual championships. Additionally, he had five athletes from that championship squad qualify for the NCAA postseason (Willie Green, Amaechi Oselukwue, Stephon Greenlee, Larry Harris and Brandon Winbush).

A graduate of Tylertown High School in 1992, he was a valued member of the track and field team. His next educational stop was LSU where he received a degree in industrial education and construction management.

Prior to joining the University of Memphis staff, Fortenberry had a successful stint as a high school coach here in the Memphis-area.

POLE VAULT COACH TYLER FRAIZER

Another former U of M field athlete, Tyler Fraizer is quickly establishing a pattern of success as a pole vault coach.

In 2012, Fraizer guided Karlis Pujats and Austin Crenshaw to Conference USA titles. Pujats was named the indoor champion with a mark of 5.23m (17-01.75) while Crenshaw took bronze at the conference meet. Fraizer also helped Sabrina Hochreuther claim points for the Tigers at the C-USA Indoor meet. At the outdoor championships, Crenshaw was victorious as he finished with a height of 5.23m (17-01.75) while Pujats grabbed silver.

Because of their high marks during the outdoor season, Crenshaw and Pujats advanced to the NCAA East Preliminary Rounds in Jacksonville, Fla. In the preliminary rounds, Fraizer coached Crenshaw to a record-setting performance as he set a new school record with a mark of 5.27 meters (17-03.50).

In 2011, under Fraizer's supervision, Karlis Pujats won gold at the C-USA Indoor Championships. Pujats also broke the

program's indoor pole vault record at the McCravey Memorial Meet clearing 5.36m. The mark qualified the Latvia native for the NCAA Indoor Championships where he became the first Tiger pole vaulter to attain NCAA All-America status.

Additionally, Pujats and Crenshaw earned a bid to the NCAA East Regional during the outdoor season. That summer, Fraizer helped Crenshaw qualify for the 2011 USA Junior Championships in Eugene, Ore., with a mark of 5.14m (16-10.25).

In 2010, vaulters under Fraizer's tutelage established new heights with Pujats setting

the school's highest mark outdoor pole vault mark at 5.20m, while freshman Lauren Gale earned her first two all-C-USA nods in the pole vault.

In 2009, Fraizer helped Ashton Baldwin, Whitney Bolton, Britany Brewster and Brian Prackett to all-Conference USA pole vault performances. Fraizer also coached javelin at the time, guiding Inger Anne Froyedal and Christian McDonald to all-conference honors.

The 2007-08 season was Fraizer's first as a coach, but he had an immediate impact. Javelin thrower Christian McDonald had another impressive season, qualifying for the second time for the NCAA MidEast Regionals, where he set a personal-best throw of 64.90m (212-11).

Additionally, under Fraizer's direction, Baldwin and Bolton both grabbed All-C-USA marks at the indoor and outdoor championships in 2008. Both vaulters tied their own indoor school record with a height of 3.75m (12-03.50). Baldwin also broke an outdoor pole vault school record at the Arkansas John McDonnell Invitational with a mark of 3.70m (12-01.5).

Before Fraizer joined the Tiger track and field coaching staff in Fall 2007, he was a member of the Memphis men's track and field team from 2005-07. While an athlete at Memphis, he was part of the 2007 C-USA Conference Outdoor Championship team, finishing fourth in the javelin at the C-USA Championships. Following the completion of his track and field career at the University of Memphis, Fraizer has taken his extensive knowledge and expertise of several field events to the coaching arena and has become an integral part of the Memphis Tiger's coaching

staff.

Prior to his time as an athlete at the University of Memphis, Fraizer spent time at Hutchinson Community College, where he earned All-American honors as a sophomore. He was a two-time qualifier for the NJCAA National Championships in the javelin in his freshman and sophomore campaign at Hutchinson and a Junior Olympic qualifier.

Fraizer graduated with a bachelor's degree in interdisciplinary studies, from the University of Memphis in 2007. He is married to Victoria Fraizer and is a native of Wichita, Kansas, where he attended Bishop Carroll Catholic high school.

2012: SEASON IN REVIEW

A RECORD SETTING 2012 CAMPAIGN

The 2012 season saw the Tigers break a combined 12 program-records in competition. During the indoor season, new program bests were set in the women's 400m dash (Kala Funderburk; 55.02), mile run (Louisa Lingley; 4:54.44), 4 x 400m relay (Funderburk, Monica Mason, Keyona Neal, Maya Williamson; 3:45.40), distance medley (Lingley, Mason, Jasmine Darden, Nandia Taylor; 11:49.49) and in the men's pentathlon (Marc Klaschka; 4,103 points).

In outdoor competition, the women's 400m hurdles (Maya Williamson; 58.97), 400m dash (Kala Funderburk; 53.76), 4 x 400m relay (Funderburk, Mason, Neal, Williamson; 3:37.45), heptathlon (Xenia Rahn; 5,325 points) school-records all fell. On the men's side the high jump (Georgio Lynwood; 2.19m/7'2.25"), pole vault (Austin Crenshaw; 5.27m/17'3.5") and javelin (Kyle Bynum; 70.27m/230'6") program-bests all had new marks established.

C-USA INDOOR CHAMPIONSHIPS

At the 2012 Conference USA Indoor Track and Field Championships, the men's and women's squads each took fourth-place overall team finishes with four individual championships.

Senior Robert Jackson repeated as C-USA Indoor Champion in the men's 60-meter hurdles netting 10 overall points for the men. The hurdler took gold with a time of 7.88. Jackson's mark was a new personal-best in the event, eclipsing his previous best of 7.96 set in his gold medal performance at the 2011 C-USA Indoor Championships. The mark was just shy of the program record of 7.84 held by former Tiger and Olympian Daniel Kiss.

Fellow senior Karlis Pujats scored 10 points for the men and repeated as the C-USA Indoor Champion in the pole vault. Pujats took gold with a height of 5.23m (17-01.75). The senior bested his 2011 C-USA Indoor Championship performance of 5.20m (17-05.75), and recorded his second best vault

of the 2012 indoor season.

Sophomore Darius Lynwood took gold and scored 10 team points in the men's high jump leaping a new personal-best of 2.17m (07-01.50). Fellow sophomore Cyarra Wells scored 10 points for the women taking gold in the weight throw with new personal-best toss of 19.33m (63-05.00).

C-USA OUTDOOR CHAMPIONSHIPS

The Tigers wrapped up the 2012 Conference USA Outdoor Track and Field Championships winning a combined four individual titles with the men's squad taking fifth overall and women placing eighth. Two of the gold medal performances resulted in new Memphis program-records.

Kyle Bynum took gold and netted the men's squad 10 points in the javelin with a school-record throw of 70.27m (230'6"). The record setting performance surpassed the school's previous mark set by Christian McDonald in 2008 of 64.90m (212'11"). Bynum's throw also qualifies the freshman for the U. S. Olympic Trials and NCAA East Preliminary.

Xenia Rahn tallied a score of 5,325 points in her gold medal performance in the women's heptathlon. Rahn broke her own school-record in the heptathlon set earlier in the season at the Mississippi Open of 5,047 points. The freshman's record setting performance was the first C-USA women's outdoor heptathlon title in the programs' history and scored 10 overall team points for the women.

Senior Robert Jackson won his third straight C-USA men's 110m hurdle title taking gold with a time of 14.06, collecting 10 team points. Sophomore Austin Crenshaw also took gold with a new personal-record clearing 5.23m (17'1.75") in the men's pole vault picking up 10 team points.

14 TIGERS QUALIFY FOR THE NCAA EAST PRELIMINARY

Memphis track and field qualified 14 athletes for the NCAA East Preliminary for the second-straight year. The Tigers tied the program record for qualifiers with a group

that included six freshman, five sophomores, one junior and two seniors.

Kala Funderburk (400m hurdles, 4 x 400m), Maya Williamson (400m hurdles, 4 x 400m), Monica Mason (4 x 400m), Keyona Neal (4 x 400m) and Laura Toldy (high jump) represented the Blue and Gray for the women. For the Tiger men, Fabian Fiege (800m), Robert Jackson (110m hurdles), Tyrell Forde (110m hurdles), Brandon Williams (400m hurdles), Georgio Lynwood (high jump), Karlis Pujats (pole vault), Austin Crenshaw (pole vault), Will Hubber (hammer throw), and Kyle Bynum (javelin throw) represented Memphis in the preliminary.

Sophomore high jumper Darius Lynwood set a new school-record and qualified for the NCAA Outdoor Track and Field Championships. Lynwood finished tied for eighth in the semifinal round clearing the bar at 2.19m (7'2.25"). The sophomore broke Lary Jenkins' 34-year-old program best of 2.18m (7'1.75"). Lynwood previously tied Jenkins' mark at the Mississippi Open earlier in the year.

In the men's pole vault semifinals, sophomore Austin Crenshaw set a new school-record clearing 5.27m (17'3.5"), while senior Karlis Pujats finished at a height of 5.02m (16'5.5"). Unfortunately neither vaulter could secure a top-12 finish to advance to the national finals.

The women's 4 x 400m relay team of Funderburk, Mason, Neal and Williamson set a new program-record with time of 3:37.45. The group just missed qualifying for the NCAA Outdoor Track and Field Championships by .61 seconds. It was the fourth time the team had broken the school's 4 x 400m outdoor relay record during the 2012 campaign.

LYNWOOD BECOMES MEMPHIS' FIRST ALL-AMERICAN HIGH JUMPER

Memphis high jumper Georgio Lynwood placed 13th at the NCAA Outdoor Track and Field Championships hosted by Drake University. The sophomore cleared a height of 2.15m (7'0.50") earning

Second-Team All-America honors, making him the first high jumper in the modern era to attain All-America status.

The honor capped off a breakout season that saw, Lynwood won gold at the Conference USA Indoor Championships and took All-C-USA first-team honors with a leap of 2.17m (7'1.5"). He later took silver and All-C-USA second-team honors at the C-USA Outdoor Championships clearing 2.14m (7'0.25"). In earning his way to the NCAA Outdoor Championships, Lynwood broke the school's high jump record clearing 2.19m (7'2.25") at the NCAA East Preliminary.

THREE TIGERS QUALIFY FOR USA JR. OUTDOOR CHAMPIONSHIPS

Bronte' Smith (women's 110m hurdles), Maya Williamson (women's 400m hurdles) and Kyle Bynum (men's javelin) qualified for the 2012 USA Jr. Outdoor Track and Field Championships. The three freshmen each earned the honor after a stellar rookie season.

Bynum took ninth overall in the men's javelin with a throw of 61.50m. The Pearl, Miss., native's top-ten finish capped off a freshman campaign in which the Tiger thrower won his first C-USA Outdoor Championship, and competed in his first NCAA East Preliminary.

Williamson broke her own school record taking third place in the women's 400m hurdles. Williamson crossed the line at 58.97, shattering her previous school record of 59.30 set at the C-USA Outdoor Championships.

Smith suffered an injury in the 100m hurdles preliminary round. Despite the setback she fought to the finish line with a time of 15.12.

WELCOME TO MEMPHIS BIRTHPLACE OF ROCK 'N ROLL

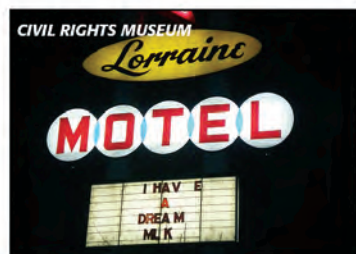

Ranked by *The Sporting News* as one of the "Top 50 Sports Cities in the Country," the city of Memphis is a large metropolitan city with a hometown feel. From its big-city industry such as FedEx and the Memphis International Airport to its small town family recreation areas such as Shelby Farms and the Memphis Zoo, our city boasts all the amenities you would expect in a city with over 1 million residents, while retaining the charm and down-to-earth feel of a small town. Considered the "Home of the Blues" and the "Birthplace of Rock 'n Roll," the city of Memphis' musical roots run deep.

BEALE STREET

LIBERTY BOWL MEMORIAL STADIUM

BEALE STREET

Located in the heart of downtown, Beale Street has rapidly become the entertainment center of Memphis and visitors and locals enjoy the food and music offered in its establishments.

MEMPHIS IN MAY Where Beale Street meets the Mississippi River is Tom Lee Park, site of the annual Beale Street Music Festival. The weekend-long event is just part of the month-long Memphis in May Festival.

SUN STUDIO

GRACELAND

MUSICAL ROOTS Memphis has many must-see music-themed attractions including: Beale Street Historic District, Graceland, Gibson Guitar Factory, Memphis Rock 'n' Soul Museum, Stax Museum and Sun Studio.
