QUICK GLANCE

THE GAME: Idaho heads back to Bozeman looking to avenge the toughest loss of the Jason Eck era, but the Vandals enter the week as healthy as they have been since the season opener. Montana State has won 13 straight games while Idaho has won six straight, two of the longest current win streak in the FCS. In the first match up of the season, Montana State won 38-7, but Idaho's offense failed to find footing without starting quarterback Jack Layne. With Layne back behind center, Idaho has scored at least 31 points in his four start since his return, all wins.

ABOUT IDAHO: Jack Layne is 4-1 in starts this season with his lone loss coming against Oregon, the No. 1 seed in the College Football Playoff. He is coming off of a career-day with 318 yards passing and three TDs. Keyshawn James-Newby is first in the Big Sky with 10.0 sacks through 12 games. Four Vandals have started at running back at some point this season because of injuries. Nate Thomas leads the team with 543 yards and five TDs. Jordan Dwyer has 1,003 receiving yards and Mark Hamper has 950 yards receiving this year. Dwyer has 10 TDs to Hamper's six. Idaho handled Lehigh 34-13 in the second-round game. The 2024 squad became just the third team in program history to earn double-digit wins. Idaho also finished undefeated at home for the first time since 1996.

ABOUT MONTANA STATE: Montana State is 13-0 on the season, the undefeated Big Sky Champions and dominated the Big Sky Individual Awards. Quarterback Tommy Mellott was named the Offensive Player of the Year, Brody Grebe earned Defensive Player of the Year honors, running back Adam Jones was named the Freshman of the Year and head coach Brent Vigen was named the Coach of the Year. The Bobcats earned the top seed in the FCS Playoffs and home field throughout the playoffs. MSU topped UT Martin 49-17. The Bobcats have the best total offense and scoring offense in the FCS and one of the top total and scoring defenses in the FCS.

PICK SIX

1. TOUGH SCHEDULE: According to the Massey Computer rankings, Idaho has played the sixth-toughest schedule in the FCS to date. The Vandals played back-to-back FBS opponents in Oregon and Wyoming before hosting a ranked UAlbany team at the P1FCU Kibbie Dome before traveling to Abilene Christian and UC Davis. Idaho hosted a ranked NAU team before playing on the road at Montana State. The Vandals are 8-3 with one more game to play. Idaho's losses are to teams with a combined 37-2 on the season, including 13-0 Oregon, 13-0 Montana State and 11-2 UC Davis. Montana State handed Davis its first FCS loss of the year.

2. ECK'S VANDALS TOPPLE THE MOUNTAIN WEST, AGAIN: Idaho is now 2-0 in games against Mountain West programs under Jason Eck after topping Wyoming 17-13 in Laramie. The Vandals have given up just 19 total points in two games against Mountain West opponents in the last two seasons and gave up just one touchdown between the two games. Montana State and Idaho both picked up wins against Mountain West teams this season.

3. YOUTH ON OFFENSE: There are 54 offensive players listed on the Idaho roster. One, transfer tight end Mike Martinez, is listed as a senior. Out of the 54, 46 are listed as freshmen or sophomores. The youth movement on the Idaho offense is real, but the talent is there to match after the Vandals put together Top-10 FCS recruiting classes each of the last two years.

4. DRIVING LAYNE: Season opening starting quarterback Jack Layne was injured in the fourth quarter of Idaho's season opener at Oregon. He returned to action against Eastern Washington, throwing for 235 yards and two touchdowns on 17-28 passing, but missed the Portland State game. He returned against Weber State and has thrown for a combined nine touchdowns and 830 yards in the last three games combined. Jack Wagner's performance in the stretch without Layne was good enough to earn him a Jerry Rice Award Watch List nod. He was 6-1 as a starter.

5. EXPERIENCE IN THE TRENCHES: Idaho has replaced starters at nearly every skilled position on offense, both corner positions and two of three linebackers, but the line is a different story. Seven of the 10 offensive linemen on the final depth chart of last season return, including four starters. On defense, six of the eight return, including all four starters from last season. Last year, nine of the 10 players on the O-line depth chart were freshmen or sophomores and while there is still not a single senior on the O-line, the group has the game experience of a much older squad. The experience shows, Idaho has given up nearly a sack less per game and is rushing for more per game, despite running back injuries.

6. DOMINANT D-LINE: The Idaho defensive line has shown that it can play with anyone. It faced two strong FBS units and came away with a Big Sky Conference leading seven sacks. Keyshawn James-Newby leads the Big Sky with 10.0 total sacks through 12 games, surpassing his total of five from all of last year. He also has 14.0 TFLs and 13 QB hurries. The Vandals held Oregon to just 24 points, the first time an FCS team has ever held Oregon under 35 points. Malakai Williams has 7.5 tackles for loss, 6.5 sacks. Idaho has held four of 13 opponents under 80 yards rushing.

STATS AND NOTES

HIGH EXPECTATIONS
Idaho is coming off its first FCS Quarterfinal appearance since 1993 and its first back-to-back postseason births since 1994-95. The Vandals have been picked among the favorites by the FCS pollsters, being picked seventh in both the FCS STATS Perform Poll and the FCS AFCA Coaches Poll. The No. 7 ranking is the highest preseason ranking since the Vandals were ranked sixth in the preseason poll ahead of the 1993 season.

NEW TRANSFERS
The Vandals added 11 transfers. Kamari Baker, Corry Thomas Jr., Abraham Williams, K.J. Trujillo and Cruz Hepburn will play defense for the Vandals. Nate Thomas , Mike Martinez and Orion Peters will play offense and Dylan Fischer and Zander Echols will compete at longsnapper. Williams is an All-American at kick returner after returning five kicks for touchdowns over his career.

QB1
Jack Layne started game one and replace former Jerry Rice Award winner Gevani McCoy. Layne returned to action after missing much of the season. Redshirt Freshman Jack Wagner played in 10 games. Redshirt freshman Nick Josifek and true freshman Rocco Koch also saw time for the Vandals.

KEY DEFENSIVE RETURNERS
Dallas Afalava, Keyshawn James Newby, Malakai Williams, Kyrin Beachem and Tommy McCormick all return for the Vandals in 2024. The five players were key members of last seasons' defense which was one of the top units in the Big Sky Conference.

OFFENSIVE LINE
Starters Ayden Knapik, Nate Azzopardi, Layton Vining and Charlie Vliem all return for the Vandal offensive line this year. The Vandals also added three-star recruit Nathan Knapik, brother of Ayden. The group lost just one starter from last season (Abe Christensen) and added eight true freshmen in the recruiting class.

DEFENSIVE LINE
While many of the stats leaders from the linebacker and defensive back position groups left to graduation and the portal in the offseason, the Vandal defensive line returns 81.7% of TFL production and 75.6% of sack production from 2022. Keyshawn James-Newby and Dallas Afalava recorded five sacks a piece and Afalava ended the year with 7.5 TFLs while James-Newby record seven.

NEW LOOK FOR THE PASS CATCHERS
Jermaine Jackson and Hayden Hatten both spent the summer in NFL camps while Terez Traynor entered the transfer portal. Six of the top seven pass catchers for the 2023 season, including the top three are no longer on the roster. The losses equal 81.5% of receptions, 82.7% of yards and 65.4% of receiving touchdowns.

Despite the lost production, Idaho returns a talented group with Jordan Dwyer (20 rec./328 yards/4 TDs) leading the way. Michael Graves returns after a redshirt year and looks to be healthy, he brings 16 career receptions for 195 yards to the table for the Vandals. Tight Ends Alex Moore and Jake Cox also return for the Vandals as does redshirt freshman Mark Hamper who has been impressive in camp.

RETURN OF TURB
Elisha Cummings, known as Turb by his teammates and coaches, returns to the field after redshirting in 2023. He brings experience and production to a running back room that lost Anthony Woods to the portal and Nick Romano to graduation. Cummings had 802 career rushing yards on 156 carries and five career touchdowns. He also has 257 receiving yards and two receiving TDS. He also threw for a touchdown in 2022.

NEW LOOK COACHING STAFF
A victim of his own success, Jason Eck had to replace several members of his staff after they moved on to different jobs at the FBS level. Joining the staff are new Defensive Coordinator and Linebackers Coach Dan Jackson, Defensive Line Coach Loni Fangupo, Outside Linebackers Coach Hunter Hughes, Running Backs Coach Deontae Cooper. Cooper and Fangupo bring NFL Playing experience, Jackson comes from Vanderbilt in the SEC and Hughes has head coaching experience at the DII level.

MARSHALL BREAKS OUT
During the preseason, transfer DB and returner Abraham Williams received a lot of attention, but a season ending injury put his return ability on hold. Andrew Marshall stepped in to kick return duties to go along with his punt return responsibilities.

Marshall is one of just three players in the FCS to have a punt return touchdown and a kick return touchdown. Bucknell's TJ Cadden has two punt return touchdowns as well as one kick return touchdown. UNI's Sergio Morancy has one of each.

ALL-BIG SKY HONORS
Idaho football players earned fifteen All-Big Sky honors, including seven first-team honorees, two second team winners and six who received honorable mention recognition. The teams are voted on by Big Sky Conference head football coaches.

Junior offensive tackle Ayden Knapik, senior defensive end Keyshawn James-Newby, sophomore defensive tackle Dallas Afalava, sophomore linebacker Jaxton Eck, senior defensive back Tommy McCormick, sophomore cornerback Andrew Marshall and sophomore defensive back and special teams player Dwayne McDougle all earned first team honors.

Sophomore receiver Jordan Dwyer and senior tight end Mike Martinez earned second team recognition while freshman receiver Mark Hamper, junior offensive lineman Nate Azzopardi, junior defensive end Malakai Williams, junior linebacker Isiah King, freshman linebacker Zach Johnson all earned honorable mention recognition, Marshall added kick returner honorable mention recognition to his first-team defensive back honors.

Idaho's 15 honors are the second most of any team, behind undefeated Big Sky champion Montana State

TRACR RANKINGS
Opta Analyst Powered by STATS Perform has introduced its team analyses product called TRACR. (Team Rating Adjusted for Competition and Roster).

Idaho is the ninth-ranked team in the country in fourth-down conversion defense. Including multiple goal-line stands.

Several Vandals are among the nation's leaders in individual statistics. Keyshawn James-Newby leads the Big Sky in sacks with 9.0 total. He is 25th in the FCS in tackles for loss. Mark Hamper is fifth in the FCS and second in the Big Sky in yards per reception at 20.93.

Andrew Marshall is one of just three FCS players with a kick and punt return TD.

Along with the brothers, there is a father-son connection, Jaxton Eck is the son of head coach Jason Eck.

With 6.5 sacks in his first three games, James-Newby surpassed his sack total from 2023.

OFFENSIVE LINE IMPROVEMENT
The Idaho offense is averaging more yards rushing per game than last season(166.5 to 159.8), despite a bevy of injuries in the running back room. The Vandals are giving up nearly a sack less per game (1.50 compared to 2.46 SPG) than last season.

NOTES

- The Vandals are in the playoffs for the 14th time in program history and are making the third consecutive appearance and the second consecutive appearance in the quarterfinals.

- Idaho has played Montana twice in the IAA/FCS Playoffs, but this will be the first playoff game played by Idaho in the Treasure State.

- Saturday's game will be the sixth game against a Big Sky opponent for Idaho in the FCS/IAA playoffs. The winner of the regular-season match up lost the playoff game in four of five of the previous playoff appearances.

- Idaho received a first-round bye for the second time in as many years.

- The Vandals have just one player on the two deep, Jordan Dwyer, who recorded an offensive stat in the quarterfinal game against UAlbany. He caught one pass for 36 yards. He caught two passes for four yards in the second round game.

- Last season, Idaho hosted a second round and a quarterfinal game at the P1FCU Kibbie Dome for the first time since 1993.

- Idaho has played 11 playoff games in the P1FCU Kibbie Dome, racking up a 6-5 record.

- In 2022, the Vandals returned to the playoffs after a 27-year drought, but Idaho was in the FBS from 1996 to 2018 (22 years). During that time, Idaho played in and won three bowl championships. (1998, 2009, 2016).

- Four Vandals scored points for Idaho in the 2023 playoffs. Just one, Jordan Dwyer, is on the 2024 team.

- In 2021, Idaho went 3-7 against Division I teams, but under third-year coach Jason Eck, Idaho has made back-to-back-to-back appearances in the FCS playoffs for the first time since 1993-1995.

- The 2022 playoff team mirrored the 1982 team that went 3-8 in 1981 before going 9-4 under first-year coach Dennis Erickson and making the field in the FCS Playoffs.

- The Vandals have made five appearances in the quarterfinals and made two semifinal appearances (1988, 1993).

- Coach Jason Eck is the fifth head coach in Vandal history to take his team to the playoffs. John L. Smith has the most wins in school history with three. Eck can match that mark with a win Saturday.

HEAD COACH JASON ECK

Head Coach Jason Eck enters his third season at the helm of Vandal football after guiding the Vandals to back-to-back FCS playoff appearances in the first two seasons. He led the Vandals to a 16-9 record, two trips to the FCS playoffs and a dominant win over FBS Nevada.

Under Eck, Idaho is 6-1 in all three "rivalry" games, splitting with Montana for the Little Brown Stein, while dominating Eastern Washington for the Che-Scow Cup and Idaho State for the Potato State Trophy.

In two years, Vandal players earned 31 All-Big Sky honors and seven have earned All-American honors. In 2022, Gevani McCoy was honored as the Big Sky Conference Freshman of the Year and earned the Jerry Rice Award given annually to the FCS Freshman of the Year as selected by a national panel. Four Vandals earned opportunities in NFL camps ahead of the 2024 season.

The Vandal offense jumped from 25.36 points per game in 2021 to 35.92 in year one under Eck and the Vandal staff while the defense held opponents to 25.42 points per game, compared to 31.55 in the previous season.

Eck and his staff put together a 2023 and 2024 recruiting classes that ranked in the top-10 among FCS schools (247Sports).

Eck was named the 36th head coach in Idaho Vandal History on Dec. 18, 2021.

The 2019 America Football Coaches' Association FCS Assistant Coach of the Year spent six seasons at South Dakota State, where he helped lead SDSU to three semifinal appearances in four seasons and a national championship game appearance during the spring 2021 season. Eck has over two decades of experience as a college coach and returns to Moscow where he began his full-time coaching career.

In three years as the offensive coordinator at SDSU, Eck's teams have averaged 32.5 points per game, including 37.5 this season. The 2021 Jackrabbits are eighth in scoring offense, seventh in team passing efficiency and eighth in rushing offense with the FCS' leading rusher Pierre Strong leading the way.

Eck served as the offensive line coach for the Jackrabbits from 2016-18. During his first season with the Jackrabbits, SDSU featured one of the most prolific offenses in the MVFC and the Football Championship Subdivision, posting averages of 33.2 points and 437.5 yards of total offense per game. In league contests, SDSU ranked second out of 10 teams in allowing only 11 total sacks and ranked first in five different offensive categories.

Before his time at SDSU, Eck was the offensive line coach and run-game coordinator at Montana State in 2015. He was the Offensive Coordinator for the record-setting offense at Minnesota State, Mankato during back-to-back Northern Sun Intercollegiate Conference championships in 2013 and 2014. He also has served coaching stints at Winona State (2007-08), Ball State (2009-10), Hampton (2011) and Western Illinois (2012). His first time as a Vandal came in 2004 when he coached the Vandal offensive line for three seasons. Eck spent two seasons under head coach Nick Holt and one under head coach Dennis Erickson.

A 1999 graduate of Wisconsin, Eck played on the Badgers' 1998 Big Ten championship team which went on to win the Rose Bowl. He began his coaching career as a graduate assistant at Wisconsin under head coach Barry Alvarez and later moved on to Colorado.

Eck is a member of the Andy Talley Bone Marrow Foundation Coaches Council and helped register over 1,000 people to the national bone marrow registry in his first two drives on the Idaho campus.

Eck and his wife Kimberly have five children Quentin, a junior business major at Idaho, Jaxton, a freshman on the Vandal football team, Palmer, Maverick and Lola. Kimberly is a member of the American Football Coaches Wives Association and was formerly a board member.

BIG SKY PEDIGREE

Idaho made its return to the Big Sky Conference in 2018. The Vandals were charter members of the Big Sky in 1963, competing in the league through 1995. Idaho won eight conference titles during that time and advanced to the FCS (then Division I-AA) Playoffs 11 of its final 14 years in the league. Idaho's first conference game as a member of the Big Sky since 1995 was Sept. 22, 2018, at UC Davis. The first home conference game was a 20-7 win against Portland State (Sept. 29).

THE P1FCU KIBBIE DOME

The P1FCU Kibbie Dome is one of the most unique facilities in all of the NCAA.

The P1FCU Kibbie Dome has been the home of Vandal athletics since 1975, when the barrel-arch roof was completed. In 1976, the building earned the award for America's Outstanding Structural Engineering Achievement. In 2023, Northwest-based credit Union P1FCU, partnered with UI as part of a 10-year naming rights deal that also includes financial education opportunities for student-athletes and through Idaho's extension offices around the state.

It took nearly seven years to complete the 14-story-tall structure, which is tall enough that Idaho's Theophilus Tower dormitory would fit inside. Construction began in 1969 on the site of the former Neale Stadium, which had been partially destroyed by fire. The field and stands were completed in 1971, but it took four more years to finish the unique roof. The east end addition, which includes the athletic department offices, locker rooms, training rooms and a weight room, was completed in 1982.

In 2004, the facility began its next phase of improvement, as enhanced academic and athletic support facilities were added for student-athletes. The Norm and Becky Iverson Speed and Strength Center was added to more than double the size of the previous weight room to 7,000 square feet. Locker rooms were also expanded to more than 14,000 square feet.

Team meeting rooms, two student-athlete computer labs and study rooms and expanded academic support areas have also been added. In 2010, the athletic training and equipment rooms were expanded and upgraded to nearly double their respective work areas.

In 2010 and 2011, the old plywood end walls were replaced with state-of-the-art KalWall translucent panels as part of a major renovation to bring the building up to code. In conjunction with the end-wall replacement and fire-safety measures, the Litehouse Center, Bud and June Ford Club and expanded premium seating, suites and loge boxes were added and the Bob Curtis Press Box was completely rebuilt on the North side of the facility. Those improvements were privately funded.

The Kibbie Dome serves as both a training and competition facility for many of Idaho's 16 varsity athletic teams, including football, basketball, track & field, tennis and starting in 2017 soccer. The facility has a capacity of more than 16,000. When the fans get excited, the Kibbie Dome crowd noise can be deafening and intimidating to opposing teams.

Beneath the football field, which is rolled up and stored at season's end, is a premier indoor track & field facility, as well as a full indoor tennis facility. The Cowan Spectrum, where Idaho men's and women's basketball play their home games, is also a part of the Kibbie Dome floor. With 93,000 square feet of floor, there is plenty of room for each team to practice at the same time.

Vandal track & field athletes can practice year-round in the facility. The track is a 290-meter flat circular with eight lanes in the straightaway. It also has two long jump pits, two pole vault pits and two throwing circles. The spacious floor area also gives the Kibbie Dome enough space to host indoor discus and javelin competitions, a boast few other indoor facilities in the nation can make.

The Idaho men's and women's tennis programs use the facility to train and compete during the winter and in times of inclement weather conditions. The floor can be cleared for action on up to nine courts at once.

The Kibbie Dome is for more than just Vandal Athletics, too. The facility has been used to host a multitude of different events, including Idaho high school football playoffs, concerts, student activities, intramural sports, community events and graduations. The facility is also used by students and staff as a workout venue.

The internationally-renowned Lionel Hampton International Jazz Festival also calls the Kibbie Dome its home. One of the banner accomplishments of the University of Idaho, the festival was recently awarded the National Medal of Arts, the nation's most prestigious arts honor. The festival dates back to 1967 and during its history, it has featured some of the best jazz musicians to ever play, including Ella Fitzgerald, Gerry Mulligan, Dizzy Gillespie, Dianne Reeves, Stan Getz, Carmen McRae, Diana Krall, Wynton Marsalis and Sarah Vaughan and of course, Lionel Hampton and his New York Big Band.

Every year, thousands of high-school, middle-school and elementary-school students from hundreds of schools all around the United States and Canada make the pilgrimage to Moscow to take part in adjudicated performances, workshops and concerts.
