## CHRISTINA PROTEAU (SPENCE) WOMEN'S GOLF (2007-08)

**Christina Proteau (Spence)** becomes the first golfer inducted into the Sports Hall of Fame. The Port Alberni product spent two seasons with the Vikes and dominated every step of the way. In 2007, she carded a 298 to win the individual champion at the Canadian University/College Golf Championship by five strokes, as the Vikes finished second in the team category. She defended her individual championship the following year when she shot a 297 to win by 12 strokes and her performance was enough to earn the Vikes their first national team title at the Cordova Bay Golf Course. Whenever Proteau wasn't on the driving range, she was working her way through the UVic Faculty of Law. Later, Proteau embarked on an amateur career that has been highlighted by nine provincial and five national championships. She even appeared in United States Women's Open Championship in 2011, along with seven other U.S. Women's Mid-Amateur Championships.

## TRISH WELLMANN-FOUGNER WOMEN'S CROSS COUNTRY & TRACK (1982-88)

**Trish Wellmann-Fougner** amassed 13 Canada West championships, set eight conference records and earned six national titles. She was inducted two years ago with the 1987 cross country team. In 1983, Wellmann-Fougner helped cross country win gold in Canada West and bronze at the CIAU meet. She set a conference record in the 1,000m, won gold in the 1,500m and was named Outstanding Female Performer. She also was the UVic Rookie of the Year. In 1984, she helped cross country add another Canada West crown. She later broke her conference record in the 1,000m and also won gold in the 4x800m relay. At the CIAU meet, she won the 1,000m and the 4x800m. In 1985, she set a new record in the 4x800m at the Canada West meet and won bronze in the 1,000m. The next cross country season won gold at the Canada West and CIAU championships. Her 1987-88 cross country record team occupied the top seven spots at the Canada West. They dominated at CIAUs, where all the Vikes finished in the top 10 with a record 15 points. She added two more track records in the 1,000m and in the 4x800m by five seconds.
