"Their commitment and hard work is a testament to the forethought, conscientiousness and professionalism of the committee. Because of their effort I know, without a doubt, that these 10 players are the best in women's basketball for 2011 and are truly deserving of this great honor.

"The committee's job isn't getting any easier," Bass continued. "And that is a good thing because it means the number of truly outstanding players they must consider each year is increasing. It speaks volumes about where our sport is and where it's going."
