## MARK FEW

HEAD COACH - 24TH YEAR - 34TH OVERALL AT GONZAGA

Gonzaga University head coach Mark Few has established himself as one of the most successful coaches in NCAA Division I basketball annals in his 23 seasons at the helm, and in the process has made Bulldog basketball a household name across the country. He served as an assistant coach at GU for 10 seasons prior to take the reins of the program.

Few has put together one of the most dominating runs in NCAA history, especially in the West Coast Conference. The Zags have won or shared 21 regular season league titles in his 23 seasons (all but the 1999-2000 and 2011-12 season) and taken home the conference tournament championship 18 times. The Bulldogs won or shared 11 straight West Coast Conference regular-season titles from 2000-11, which was the longest current active streak in the nation at the time and the second-best streak all-time in the NCAA Division I ranks behind UCLA's 13 Pac-10 Conference titles from 1967-79.

Few led Gonzaga to the national championship game in the program's first-ever Final Four in 2017, and again in the second Final Four in 2021. Under Few, GU has appeared in four Elite Eight appearances (2015, 2017, 2019 and 2021) and 11 Sweet 16 appearances (2000, '00, '06, '09, '15, '16, '17, '18, '19, '21, '22). He has coached 21 All-Americans, nine Academic All-Americans, 98 all-conference selections, 16 WCC Players of the Year, 10 league newcomers of the year and nine league defenders of the year. Few has also cultivated NBA talent, including current NBA players in Domantas Sabonis, Kelly Olynyk, Zach Collins, Rui Hachimura, Brandon Clarke, Jalen Suggs, Corey Kispert, Chet Holmgren and Andrew Nembhard. Holmgren became the highest-drafted player in GU history when he was taken No. 2 overall by the Oklahoma City Thunder in 2022. He also helped recruit and develop Dan Dickau, Richie Frahm, Adam Morrison, Jeremy Pargo, Elias Harris, Austin Daye, Rob Sacre and Ronny Turiaf, all NBA players.

For all that Few has accomplished on the court, his achievements off of it are equally impressive. In 2002, Mark and his wife Marcy initiated the Spokane branch of Coaches vs Cancer. The Few's annual event would become the largest Coaches vs Cancer fundraiser across the country. Quietly and without fanfare, Few has created a culture of giving at Gonzaga. In 2007, Gonzaga began hosting the Ronald McDonald House Charities Classic. For six seasons, these annual games helped raise over \$750,000 for Spokane's Ronald McDonald House.

Building on their success with Coaches vs Cancer, the Fews and others in the Spokane region launched the Community Cancer Fund in 2014 to keep more money in the local market while devoting more resources to cancer patients, their families and the local organizations that serve them. In the last six years, the Community Cancer Fund has raised over 17 million dollars bringing the total raised over 18 years between the organizations to well over 25 million dollars.

Among the highlights, the charity established a 3-million-dollar endowment to fund Camp Good Times, a week-long summer camp for kids with cancer. And this year, the Community Cancer Fund worked to increase lodging options for cancer patients and their families traveling to the region for treatment, which included the completion and opening of a 5-million-dollar Hospitality Center at Kootenai Health and a campus expansion of Spokane's Ronald McDonald House.

Few was recognized for his philanthropy in 2020 when he was honored at the Dick Vitale Gala that benefits The V Foundation for Cancer Research, and in 2008, as a recipient of the Nell and John Wooden Coaching Achievement Award by the World Sports Humanitarian Hall of Fame.

The Bulldogs qualified for their 24th straight trip to the NCAA Tournament in 2022, a streak that started when Few was an assistant coach in 1999 and currently ranks the Zags tied for third among current active streaks behind Kansas and Michigan State. When Dan Monson departed for the University of Minnesota following that Elite Eight season, Few was named head coach and has continued the streak the past 23 years. In 2022, Gonzaga won the WCC regular season title for the 10th straight season, before capturing the program's 19th West Coast Conference tournament title. GU appeared in its 25th straight WCC Tournament Championship game, the longest streak of its kind in the nation.

Following the season, Chet Holmgren and Drew Timme were named consensus second team All-Americans. GU led the nation in defensive rebounds per game (32.19), field goal percentage (52.1), scoring margin (21.0) and scoring offense (87.2). The Zags opened the season at No. 1 in the Associated Press poll and spent nine weeks at the top spot.

In 2020-21, Few was named the Naismith National Coach of the Year and NABC National Coach of the Year after guiding Gonzaga to the national championship game. The Zags entered the national final in Indianapolis, winners of winners of 35 straight games, the second best in WCC history. GU's 93-90 overtime thriller against UCLA in the

were all tabbed First Team All-WCC. Williams-Goss was selected All-American and Academic All-American. Karnowski also received Senior CLASS All-American honors.

Gonzaga ended the 2015-16 season with a 28-8 record in the program's seventh Sweet 16 appearance. The Zags shared the West Coast Conference regular season title, before winning the WCC Tournament for the 15th time in program history. Kyle Wiltjer and Domantas Sabonis were both named First Team All-WCC, while Eric McClellan was tabbed the league's Defender of the Year. Wiltjer and Sabonis were named honorable mention All-Americans by the Associated Press. Wiltjer also received a Senior CLASS All-American honor.

In 2015, Gonzaga took full advantage of its 17th consecutive trip to the NCAA Tournament, making a run to the Elite Eight, before falling to eventual national champion Duke. The Zags won a school-record 35 games last season, including a record 22-game win streak, and WCC regular season and tournament titles. Few was named WCC Coach of the Year in a sweep of league individual awards -- Kevin Pangos, Player of the Year; Gary Bell Jr., Defender of the Year, Kyle Wiltjer Newcomer of the Year. In addition, Pangos and Wiltjer each earned multiple All-America honors, including Third Team accolades from the Associated Press. Following the season, Few also threw out the first pitch at a Seattle Mariners game on June 6, and coached the USA Team that earned a bronze medal at the Pan-Am Games.

In 2013-14, Few's Bulldogs again reigned supreme in the West Coast Conference, sweeping the WCC regular season and conference tournament titles for the 11th time in his tenure. GU put together a record of 29-7, including a 15-3 league mark on the way to the NCAA Tournament. In the NCAAs, the eighth-seeded Bulldogs took down ninth-seeded Oklahoma State before falling to top-seeded Arizona in the Round of 32. The 2013-14 campaign saw the Bulldogs advance to the WCC Tournament title game for the 17th consecutive year, ahead of Kentucky for the all-time lead as the Wildcats advanced to 14 successive SEC Tournament title games from 1939-52.

Gonzaga finished the 2012-13 season 32-3, hitting the 30-win plateau for the first time in school history, and marking the 11th time in Few's 13 years as head coach the Bulldogs had single-digit losses. The Bulldogs finished the regular season ranked No. 1 in the Associated Press and USA Today Top 25. GU received its inaugural No. 1 seed into the NCAA Tournament and defeated Southern University in the Second Round, the 11th time in Few's head coaching tenure the Bulldogs have won at least one game in the tourney. The Bulldogs also won the Old Spice Classic for the second time.

All of that came on the heels of a 2012 season that saw the Bulldogs go 26-7 overall, advance to the WCC Tournament title game and earn a 14th straight trip to the NCAA Tournament, beating West Virginia in the Second Round. Along the way, the Zags played at the University of Illinois and Xavier University; hosted the University of Notre Dame, Michigan State and Butler, and faced the University of Arizona in the Battle in Seattle.

While it's never easy, the 2011 road to the NCAA Tournament was a little bumpier than normal for the Bulldogs. A 4-5 record early in the non-conference season had people buzzing about Gonzaga's WCC and post-season fortunes. And a 3-3 start in WCC play had naysayers predicting Gonzaga's dominance was about to end. But Few and success go hand-in-hand and he rallied the Bulldogs to eight straight WCC wins down the stretch to claim the regular-season title, then won the WCC Tournament with victories over San Francisco and Saint Mary's to punch their March Madness ticket for a 13th straight season. Of those five early-season non-conference losses, three were to nationally-ranked teams, but a win over ninth-ranked Baylor help propel the Bulldogs to nine straight wins, including three straight victories to open WCC play. 11th-seeded Bulldogs downed No. 6 seed St. John's in the NCAA Second Round (the NCAA went to a new format with First Round play-in games) and finished the season 25-10.

The 2010 season saw the Bulldogs make their mark early by winning the EA Sports Maui Invitational. The 27-7 season was capped with a No. 22 Associated press ranking and No. 23 ESPN/USA Today finish in the final polls.

Few guided the Bulldogs to the Sweet 16 of the NCAA Tournament in 2009, the fourth time in his head coaching tenure the Bulldogs advanced to the Sweet 16. He was an assistant on the 1999 squad that made it to the Elite Eight. Along the way, the Bulldogs ran the table in the West Coast Conference with their third 14-0 campaign since 2004. The Bulldogs finished the 2009 season with a 28-6 overall record and ranked 10th in the final Associated Press Top 25 in 2009.

Few has evolved the Bulldogs basketball into an annual participant in the NCAA Tournament and into one of the elite programs on the West Coast as well as nationally. Since 1992 -- his first year as a fulltime assistant coach with the Bulldogs -- Gonzaga has posted an 859-206 record for a .807 winning percentage.

But success has been his trademark since taking over the head reigns for the 2000 season. With Few at the helm, the 2006 season was one of the best in the 100-plus year history of Bulldog basketball, the squad rolling to a 29-4 record, including a second 14-0 WCC campaign in three seasons. With national Player of the Year candidate Adam Morrison leading the nation in scoring, Few and the Bulldogs finished fifth in the final Associated Press Top 25 in '06, claimed a No. 3 seed into the NCAA Tournament and advanced to the Sweet 16 for the third time under Few. All of that came following the 2005 season in which Few guided the Bulldogs to 10th in the final AP Top 25.

He is one of only two coaches to lead a team into the Sweet 16 in their first two years as a head coach since the bracket was expanded to 64 teams in 1985. While Few continued Gonzaga's string of postseason success, there are some individual player honors he looks to with pride.

Morrison became the first Bulldog since Frank Burgess in 1961 to lead the nation in scoring at 28.1 ppg. Morrison was a household name across the country and he was up for every major Player of the Year award in the country. Morrison shared the Oscar Robertson Trophy with Duke University's J.J. Redick, was named the CBS Chevrolet Player of the Year and was a close runner-up to Redick in the Associated Press, Naismith Award and John R. Wooden Award balloting for Player of the Year. He was a unanimous All-America selection on the AP first team. Morrison was taken as the third pick in the 2006 NBA Draft by the Charlotte Bobcats, making Morrison the highest Gonzaga player ever drafted at the time and validating the job Few and his staff did in developing Morrison's skills.

Few has also accomplished plenty of "firsts" since taking over the reins for the 1999-2000 season. Dan Dickau became Gonzaga's inaugural selection to the Associated Press All-America first team in 2002, and also was tabbed Gonzaga's first John R. Wooden Award Top Five All-American.

The Bulldogs also cracked the Top 10 in the national polls for the first time in school history in 2002, finishing the season ranked sixth in the Associated Press Top 25. Gonzaga's 29-4 record also set a single-season mark for victories, which was matched in 2006, then broke in 2013 when the Zags went 32-3, eventually shattered in 2017 during GU's 37-2 run to the national championships.

A 10-year Gonzaga assistant head coach, Few was named head coach on July 26, 1999, following Monson's departure for the University

of Minnesota. Few originally joined the Bulldogs for the 1989-90 season as a graduate assistant under former head coach Dan Fitzgerald, then was promoted to a fulltime assistant for the 1991-92 season. He was named associate head coach in April of 1999 following a season in which the Bulldogs became the basketball darlings of the nation with their March run that came within a few ticks of the clock of advancing to the Final Four. A loss to eventual national champion University of Connecticut in the West Regional Finals in Phoenix, Ariz., ended the Cinderella story that captured basketball fans from coast to coast.

Former Gonzaga University President Robert J. Spitzer, S.J., and former director of athletics Mike Roth didn't hesitate in rewarding Few for his long loyalty to Gonzaga.

"Mark is an integral part of Gonzaga's success the last decade," Roth said at the time. "I think that speaks well for the program when you can say your last two head coaches were promoted from within. It displays the loyalty they have had as assistants. We didn't give Mark the job, he earned it. He's continued to raise the bar every season as head coach."

"When a young man enters the Bulldog basketball program, I believe it is our responsibility as coaches to help them reach their potential in every facet of their lives," Few said. "Our commitment to the players will always go far beyond the basketball court with a goal of producing the complete individual, one that Gonzaga University will be proud of long after their playing days."

Few and Marcy, married in 1994, became parents with the arrival of Austin James (A.J.) (2000); followed by the arrival of Joseph Dillon (2002), Julia Ann Elizabeth (2006) and Colt Walker Norman (2009). The Few's wedding was more special because Rev. Norm Few, father of the groom, officiated.

\* Starting with the 2004 NCAA Tournament, Regional sites were designated by host city and not region of the country. In 2002 the NCAA also started to have the top four seeds in each region play the first and second rounds at a site closest to the higher seeded teams location. Teams then advance to their pre-selected regional site for the Sweet Sixteen and Elite Eight.
