The Georgetown Gridiron Club is an organization of alumni, parents, and friends of Georgetown Football whose primary purpose is to promote a heightened awareness of and an active interest in the Georgetown University football program.

The Gridiron Club was established in 1974 and, since then, members have been actively involved in raising funds to supplement the budget of the football program through annual donations.

In addition, members of the Gridiron Club receive email updates, and invitations to club events each year, including home and away game receptions, the annual Awards Banquet and a special reception in New York City.

The Gridiron Club is completely volunteer driven and needs your help! If you are interested in helping the football program through the Gridiron Club, please contact Hoyas Unlimited at 202-687-7159 or email [hoyasunlimited@georgetown.edu](mailto:hoyasunlimited@georgetown.edu).
