SCOUTING THE GUSTIES

The Gustavus Adolphus College Golden Gusties start the season on the road for the first time since 2022. In the 2024 season, the Gusties finished 5-5, going 4-4 in the Minnesota Intercollegiate Athletic Conference. This will be a season of new faces for the Gusties, who lose nine defensive starters along with four MIAC All-Conference members. Coach Haugen said in an interview with KEYC, "A lot of these guys out here that are going to be getting their first opportunities, they're guys that have been playing behind older players, so I'm really excited about the new leadership". The Gusties move into MIAC play after this week, following the new adjusted MIAC football schedule format, meaning the team plays each of the other nine members.

SCOUTING THE PIRATES

The Whitworth University Pirates start their season at home, the Whitworth Pine Bowl. During the 2024 season, the Pirates went 5-1 at home and 10-2 overall, going to the second round in the NCAA Tournament. The Pirates lost a lot of players to graduation, including starting quarterback Ryan Blair and 10 of their top 11 tacklers on defense. As for returning players, the running back core all returns where rushing yards accounted for roughly 34% of the Pirates' offensive yards last season. Whitworth rarely plays common opponents as the Gusties; the last time these teams played a common opponent in the same season was in 2018, when Whitworth lost to Saint John's, 24-45, in the second round of the NCAA Tournament.

STORYLINES

Unfinished Business

Gustavus started last season against the Whitworth Pirates, as well. The matchup was the first time the two teams had played, resulting in a 7-40 loss for the Gusties. A pair of field goals and a pair of touchdowns put the home team down 20-0 early in the third quarter, when George Sandven '25 found Jake Pavlek in the end zone for the Gusties sole touchdown of the game. A trio of touchdowns in the fourth quarter put the game out of reach and the Gusties will look to return the favor in the reverse matchup.

New Season, New Faces

This season calls for a lot of change for the Gusties. Because of the COVID-19 pandemic, players who were on the team in the fall of 2020 were granted an extra season of eligibility by the NCAA. Now, all of those players have come and gone, resulting in 28 players leaving the program after last season. This includes nine defensive starters for the Gusties along with former Gagliardi Trophy finalist Jake Breitbach, quarterback George Sandven, and three starting offensive linemen.

Flying High

The trek to Washington is a rare one for the Gustavus Football program. For the first time since 2008, the Gusties will take a trip outside of the Midwest, flying just under 2,000 miles to Spokane, Washington for this week's game against Whitworth University. The 2008 game was against Pacific Lutheran University, where the Gusties won 24-14. Upon return home, the Gusties get a week off, taking their bye before starting the MIAC season by hosting #12 Bethel University.
