For 30 years, Bankkoh Arena at Stan Sheriff Center has been one of the marquee volleyball venues in the country since its opening in 1994. The Center, named after the man who lobbied for its construction—former UH athletics director Stan Sheriff—has served as the home of the University of Hawai‘i men’s and women’s basketball and volleyball teams and has played host to a number of memorable events in the past.

The SSC also plays host to many non-UH events. High school state championships and musical concerts are regularly held at the UH arena. The Los Angeles Lakers have conducted several preseason camps at the SSC. National television audiences tuned in to see NBA and WNBA stars suit up for Team USA in a stop before the 2000 Summer Olympics. The SSC even drew the attention of international audiences as host of the 1998 Miss Universe Pageant.

The arena can hold 10,300 fans, which makes it the largest fa-

city in the Big West Conference. The arena stands 113 feet tall and is capped by an aluminum dome. The two concourse levels combined covers a total of 187,000 square feet.

In 1998, the SSC saw its first phase of renovations. The renovations included four home locker rooms, three visitor locker rooms, an official’s locker room, a players’ lounge and rest area, a full-size training facility, equipment and laundry rooms, three classrooms, an interview room and a teaching lab. A new state-of-the-art scoreboard was recently installed. The SSC is also home to the Edwin S.N. Wong Hospitality Suite, named after the longtime supporter.

The Alexander C. Waterhouse Physiology, Research and Training Facility is located on the ground-floor level of the SSC. More than 400 student-athletes train in the 10,000-square-foot weight training and conditioning center. The facility was named after Waterhouse, who is considered to be the “Patron Saint” of UH football.
