Coaches & Staff

Head Coach Ron Cottrell

21st Season at HBU
Alma Mater: Arkansas, 1988
Career Record: 396-255 (.608)
Record at HBU: 396-255 (.608)

Ron Cottrell is in his 21st season as head coach of the Houston Baptist University basketball program. He has led the Huskies back to the NCAA Division I ranks after 16 seasons building a perennial power at the NAIA Division I level. In addition to his coaching duties, Cottrell is the associate director of athletics after spending 15 years as director of athletics at HBU. He was one of the driving forces, working closely with HBU President Robert B. Sloan, in the Huskies' transition to the NCAA.

The Huskies are entering their first year of full NCAA Division I membership since Cottrell resurrected the HBU men's basketball program in 1991. During the NAIA years, the Huskies won nine consecutive Red River Athletic Conference championships and competed in the NAIA national tournament 10 straight years. He built the basketball program into one of national prominence, perennially ranked in the NAIA Top 25, and finishing the season as one of the NAIA's top 10 teams six times.

In 2002-03, Cottrell led the Huskies to a 31-3 record and ended the season as the NAIA's top-ranked team, a ranking the Huskies held onto for the final five weeks of the season. After that history-making season, Cottrell was chosen as the Basketball Times NAIA National Coach of the Year. That season also boasted the Huskies as the national scoring and rebounding leader, scoring 100.4 points per game and bettering their opponents by a margin of 13 rebounds per game. It was the second straight year the Huskies led the NAIA in rebounding and the third time in the previous eight seasons that HBU led the nation in scoring.

HBU again led the nation in rebounding two years later, outrebounding their opponents by 10.2 boards per game in 2004-05. During that 2004-05 season, Cottrell reached another milestone in his successful career, posting his 300th career win.

The Huskies entered a new era during the 2009-10 season, as they began their first season of Great West Conference play. HBU went 9-3 in the league, finishing second during the regular season and advancing to the championship game of the confer-

Gonzalez once again led the Great West in scoring during the 2010-11 season to earn first-team all-conference honors. He averaged 22.9 points per game, the sixth-highest scoring average in the nation and second-highest in HBU history. Michael Moss was named Great West Conference Defensive Player of the Year and was an all-conference honorable mention pick after leading the lead with 2.8 steals per game, which was also the sixth-highest average nationally.

He begins the 2011-12 season with a 396-255 record and has averaged nearly 20 wins per season in his 20-year career. Cottrell is known for his up-tempo offense and pressure defense, a philosophy he learned from his mentor, former Arkansas coach Nolan Richardson. As an assistant to Richardson at Arkansas, Cottrell helped coach the Razorbacks to two Southwest Conference championships and three trips to the NCAA tournament, culminating in the Hogs appearance at the 1990 NCAA Final Four where they lost to Duke in the semifinals. During Cottrell's tenure on the bench at Arkansas, the Razorbacks posted a record of 88-36.

Prior to joining Richardson's staff as an assistant coach, Cottrell spent a year as an assistant at North Dakota State College of Science before returning to Arkansas, his alma mater. Cottrell knows the Houston area, having graduated from Houston's Westbury High School. He returned to his native Arkansas to attain a degree in industrial engineering. While attending the University of Arkansas, Cottrell served as sports director for Fayetteville, Ark., ABC affiliate KTVP-TV before entering the coaching profession.

When Cottrell was hired to lead the HBU program in the fall of 1990, Cottrell spent the second year of the Huskies' self-imposed basketball hiatus putting the program together, recruiting and scheduling before beginning play in the 1991-92 season.

The first season, the Huskies posted a 7-23 record. It was a season of growing pains for Cottrell and his young team. He had formed his base with freshmen, and although they took their lumps, it paid off in the long run. By the time those fresh men were seniors, they had made the playoffs three straight years and fell just three points shy of making it to the NAIA national tournament. After seven-and-a-half years as the HBU coach, Cottrell broke the school's coaching record for wins during the 1998-99 season, a record previously held by Gene Iba after an eight-year tenure. The 1997-98 Huskies had a school record 22-game winning streak and a school-best 26-6 record, only to be exceeded by the 1999-2000 team with a 28-6 record. In 2000-01, the Huskies again rewrote the record books with a 31-5 record.

HBU tied the school record for wins and set a new low for losses with the 2002-03 team's 31-3 mark and broke the record for consecutive wins with 25. In 2003-04, the Huskies saw a 60-game home winning streak come to an end, ending the nation's longest current home winning streak for a men's team. That team went on to finish the year with a 27-6 record.

The Huskies had at least one basketball player receive All-America honors each season during a span of 13 seasons and Cottrell has coached athletes to All-America accolades 20 times, including the 2002-03 Basketball Times NAIA National Player of the Year, Rod Nealy. In addition, the Huskies have had recipients of All-Conference honors 38 times under Cottrell.

In conjunction with the Huskies' on-court success, Cottrell stresses excellence in the classroom as well. He has had six players receive Academic All-America honors and 53 have garnered Academic All-Conference accolades. Cottrell was named Red River Athletic Conference Coach of the Year five times. He also has twice been awarded the Houston Area High School Boys Basketball Coaches' College Coach of the Year and he received what he regards as one of his highest honors in the summer of 2006 when he was selected by USA Basketball to serve as a court coach for the gold-medal winning 18U USA team.

With Cottrell at the helm as Athletics Director, the Huskies won 42 conference championships and had teams compete in national tournaments 35 times. HBU won eight Red River Athletic Conference all-sports awards in the nine-year history of the RRAC. HBU produced 99 All-America honorees, 65 academic All-America athletes and 241 All-Conference performers during his tenure.

He was honored for his leadership as the 2001 recipient of the NAIA Region VI athletic director of the year award. He is a member of the National Association of Basketball Coaches, the Texas Association of Basketball Coaches, the National Association of Collegiate Directors of Athletics and the Division I-AAA Athletics Directors Association.

Cottrell is married to the former Jacque George, who is the director of media relations for the Great West Conference, and they have two daughters, Scottlyn Rose (15) and Sydney-Anne (13). He also serves as a deacon at Sugar Land Baptist Church.

Assistant Coach Steven Key

18th Season at HBU
Alma Mater: HBU, 1995

Steven Key is in his 18th year as assistant basketball coach after serving as a student assistant for three years. Key's duties include scheduling, recruiting, scouting, game preparation, and on-the-floor coaching. He has been with head coach Ron Cottrell since Cottrell came to HBU, first as a manager, then as a student-assistant before assuming his current position. He was a key ingredient in the Huskies' success of nine straight conference championships and 10 consecutive NAIA national tournament appearances. He also was instrumental in the 2002-03 season's history-making success and No. 1 national ranking.

Key served as director of sports information for seven years and was associate director of athletic media relations for one year, before concentrating solely on his basketball duties. In his sports information role, Key created the Huskies' first athletic website in 1997 and received awards from the NAIA for his website expertise.

A three-sport letterman in basketball, baseball and football at Calvary Baptist High School in Savannah, Ga., Key came to HBU from Valdosta State University where he was the head manager for the Blazer basketball team. He has been involved in almost every facet of the athletic department since his arrival in 1991.

A 1995 graduate of Houston Baptist with degrees in history and human kinetics, Key is married to the former Sherry Blakely, a four-year letterwinner for the HBU softball team from 1992-95 and 2006 inductee into HBU's Sports Hall of Honor. They are the proud parents of 4-year-old Eiley Rowan. The Keys' oldest daughter, Emma Claire, passed away May 15, 2010, shortly before her ninth birthday when the family was involved in a car accident while traveling in Louisiana. A special tribute to Emma can be seen on the next page.

Emma Claire Key

2001-2010

On May 15, 2010, while traveling on I-10 through Louisiana, Houston Baptist University assistant basketball coach Steven Key and his family were involved in an accident, which claimed the life of his oldest daughter, Emma Claire Key, shortly before her ninth birthday.

Recognized easily by the matching red hair of her parents, Steven and his wife, Sherry, a former standout third baseman for the Huskies' softball team, Emma touched many lives, including the HBU basketball team and the entire HBU athletic department..

Emma accepted Jesus Christ as her lord and savior early in her life and was excited to share her faith with everyone and devoted herself to love and service.

While Emma's time was short, she made a lasting impact for the Kingdom of God and will not be forgotten.

During the 2010-11 season, the basketball team wore patches on its jerseys and the staff wore pins with the letter "E" in pink, Emma's favorite color. Coach Key now only wears pink ties during games in memory of his beloved daughter.

For more on Emma, the Key family and their effect on the HBU community, read Andy Glockner's follow-up story one year after the accident on SI.com.

"She had an unbelievable impact on people. Sunday school teachers, classroom teachers, her classmates – at a very, very young age – and I can't help but believe that happened because the Lord knew she wasn't going to be around very long."

- HBU Head Basketball Coach Ron Cottrell

Assistant Coach Keith Berard

Fifth Season at HBU
Alma Mater: Southern Utah, 1996

Keith Berard begins his fifth season as assistant basketball coach for HBU. Berard's duties include recruiting, academics, on-the-floor coaching and he serves as camp coordinator for Ron Cottrell's Husky Basketball Camp. He came to HBU after spending five seasons across town at Texas Southern University.

While at Texas Southern, Berard helped coach the Tigers to the Southwestern Athletic Conference tournament title in 2003 and earn an automatic bid to the NCAA Tournament.

Prior to TSU, Berard spent three seasons at the College of Eastern Utah and one season at Howard College where he helped the Hawks to a 26-6 overall mark, which included a 14-0 conference record, and a berth into the NJCAA Region V Finals.

A native of Houston, Berard played for Mike Carrabine at St. Thomas High School, leading the Eagles to the state championship in 1990, earning All-District and All-State honors while being named Team MVP. Berard went on to play for former Husky Mark Osina at Weatherford College where he earned Second Team North Texas Junior College Athletic Conference honors and was named the Coyotes' MVP.

Berard then played for Bill Evans at Southern Utah University. A two-year starter, he led the team in minutes played and was the squad's second-leading scorer, shooting 41 percent from behind the arc for his career. Berard still ranks in the Top 10 at SUU in three-point percentage, assists and steals. He led the Thunderbirds to the America West Conference title in 1995 and was named First Team All- Conference and Team MVP. He earned a bachelor's degree in communications with a minor in physical education in 1996 and briefly played in Switzerland in 1997.

Berard and his wife Sabrina have two daughters, Katelyn Dion (9) and Khloe Dion (5).

Assistant Coach Jud Kinne

Second Season at HBU
Alma Mater: Albion, 2003

Jud Kinne is in his second season as assistant coach at HBU, after serving the last three seasons as associate head coach at Central Arizona College.

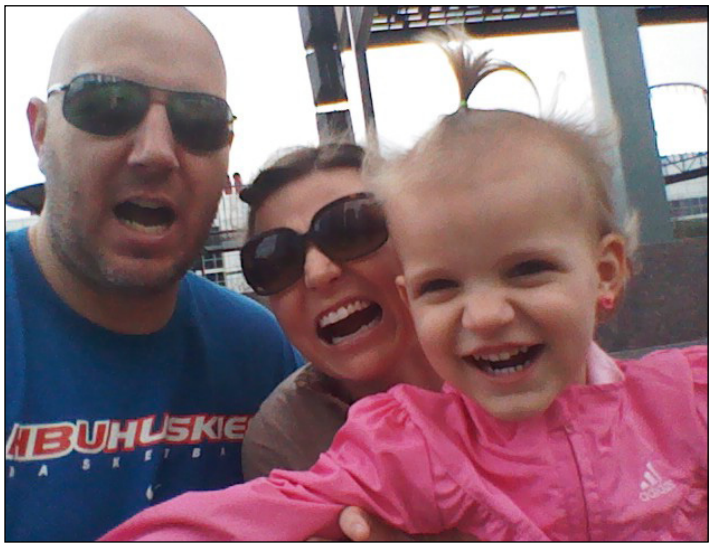

He began his coaching career as a student assistant at Albion College, a highly successful Division III school in Albion, Mich., under Mike Turner, who won 527 games to rank among Division III's all-time leaders.

Kinne was head coach at Marygrove College in Detroit for two years, coaching four all-Americas, before assisting one season at Arizona State. He served under National Coach of the Year, Rob Evans, and was in charge of travel, on-campus recruiting, scouting and film exchange for the Sun Devils. He also spent one season at Centenary.

Kinne has worked camps all over the United States and internationally, including Michigan State, Arizona State, the University of Michigan, the University of San Diego and camps and clinics in China, Greece, the Ivory Coast and the Netherlands.

He and his wife, Amanda, have one daughter, Madilyn (3).

Ben Chase

Director of Basketball Operations
First Season
Emerson, 2008
Boston; M.E., 2011

Ben Chase is in his first year as Director of Basketball Operations at Houston Baptist University. Chase, a Newburyport, Mass., native will handle much of the Huskies' video duties, which will aid the staff in advance scouting, as well as assist with team travel, academic monitoring and game and practice statistical analysis.

PROSPECTIVE STUDENT-ATHLETES

Who is a prospective student-athlete?

A "prospective student-athlete," better know as a "recruit" or "prospect", is a student who has started classes for the ninth grade, with the exception of men's basketball which is a student who has started classes for the seventh grade. In addition, any younger student-athlete who receives any benefits from the institution would be considered a recruit.

Recruiting

Only coaches and athletic department staff may be involved in the recruiting process. Athletics representatives are prohibited from contacting a prospective student-athlete or members of his/her family by telephone, letter, e-mail, or in person for the purpose of encouraging participation in athletics at Houston Baptist University. This prohibition remains in effect even after the prospect signs a National Letter of Intent (scholarship offer).

NCAA Recruiting Definitions

NCAA Recruiting Calendars

Visiting HBU

An "official visit" is a visit paid in whole or in part by the university and cannot exceed 48 hours in length. A prospect can make a total of five official visits, with a limit of only one per university.

Official Visit Checklist (link to .pdf file)

An "unofficial visit" is a visit made at the prospect's own expense. The university may provide (a) three complimentary tickets to an on-campus athletics event in which the university's team is competing and (b) transportation to view off-campus practice and competition sites within a 30-mile radius. Prospects can make as many unofficial visits as they want.

National Letter of Intent

The National Letter of Intent (NLI) is a binding agreement between a prospective student-athlete and an institution in which the institution agrees to provide a prospective student-athlete who is admitted to the institution and is eligible for financial aid under NCAA rules athletics aid for one academic year in exchange for the prospect's agreement to attend the institution for one academic year. All colleges and universities that participate in the NLI program agree to not recruit a prospective student-athlete once he/she signs an NLI with another college or university. Therefore, a prospective student-athlete who signs an NLI should no longer receive recruiting contacts and calls and is ensured an athletics scholarship for one academic year. The NLI must be accompanied by an institutional financial aid agreement. If the student-athlete does not enroll at that institution for a full academic year, he/she may be subject to specific penalties, including loss of a season of eligibility and a mandatory residence requirement.

DO NOT provide awards or gifts to a student-athlete for his or her athletic performance. All awards must conform to NCAA regulations and must be approved by HBU.

DO NOT allow a student-athlete, his/her friends or relatives to use your telephone to make long distance calls even if it is a free call. THIS INCLUDES CELL PHONES!

DO feel free to invite an HBU team for dinner or to meet with a group of alumni in a city where they are competing. Evarist Akujobi is in his first season as director of strength and conditioning at Houston Baptist University.

In addition to serving as the strength and conditioning graduate assistant at St. Johns, Akujobi also assisted the strength and conditioning programs at Georgetown University and Bucknell University while pursuing his master's. He has spent the last two years overseas training professional basketball teams in Seoul, South Korea, and Beijing, China. He also worked in San Antonio, serving as Director of Strength and Conditioning for the ABA's Texas Fuel, as well as interning with the NBA's San Antonio Spurs and consulting for the St. Mary's (Texas) University men's basketball program.

Akujobi received a bachelor's of sports science from the University of Houston, and during his undergraduate studies, he assisted with All Sports Speed and Conditioning in San Antonio and with the Texas Copperheads of the Arena Football League in Houston.

He and his fiancé, Ebony, will be married in the summer of 2012. He is a member of the National Strength and Conditioning Association.

The Frank and Lucille Sharp Physical Education Building was built in 1963. Later named Sharp Gymnasium, the facility serves as home to the Husky basketball teams and Husky volleyball team. Sharp Gym has also served as the home away from home practice facility for the two-time NBA champion Houston Rockets and the four-time WNBA champion Houston Comets.

Water damage during the summer of 1994 forced HBU to replace the playing floor. Sharp Gymnasium now boasts one of the finest playing floors in the state of Texas. Further renovations included the replacement of bleachers, donated by the President's Development Council, making the seating capacity in the "new" gym 1,000.

GREAT WEST CONFERENCE

Houston Baptist University is a member of the Great West Conference. The Great West Conference, which had been a football-only league since its inception in 2004, expanded into an all-sports conference and HBU is one of its seven members.

The Huskies, who compete in 15 NCAA Division I sports, began Great West Conference competition in 2008-09 in men's and women's cross country, men's and women's golf and men's and women's indoor and outdoor track and field, with baseball, softball, volleyball and men's and women's basketball following the next year. HBU men's soccer competes in the Atlantic Soccer Conference, but will join the Mountain Pacific Sports Federation in 2012, while men's golf competes in the America Sky Conference after one year in the Great West.

HBU has captured Great West Conference team titles in men's golf (2009), women's soccer (2010), back-to-back championships in women's golf (2010 and 2011) and softball (2011).

The Great West Conference includes Chicago State University, NJIT, University of North Dakota, University of Texas-Pan American and Utah Valley University. These six schools join football-only members Cal Poly, University of California-Davis and Southern Utah University to make up the nine-member Great West Conference.

SOUTHLAND CONFERENCE

In the Fall of 2011, Houston Baptist University was extended and accepted an invitation to join the Southland Conference, beginning July 1, 2013.

All of the Huskies' athletic programs, except for men's soccer, will begin competing in the Southland and be eligible for the league's automatic bids to the NCAA Championships during the 2013-14 academic year. The men's soccer program will join the Mountain Pacific Sports Federation in the summer of 2012, since the Southland doesn't sponsor a championship in the sport.

HBU also announced it will be starting a football program that will begin competing in the Southland in 2014.

The Houston area is home to more than 90,000 Southland alumni, making it the largest concentration of conference alums in the country. The Houston area also sends more than 20,000 students to Southland schools each year and is home to the league's postseason basketball championships.

The Huskies will join Texas A&M-Corpus Christi, Sam Houston State, Stephen F. Austin State, Lamar, McNeese State, Northwestern State, Southeastern Louisiana, Nicholls State, Central Arkansas and recently admitted Oral Roberts.
