HUSKIES BROADCASTS

All HBU basketball games can be heard live through the Legacy Sports Network and can be accessed on HBUHuskies.com. Live statistics are also available for every home game.

KING

Lonnie King is in his third year as the play-by-play voice for HBU basketball and also serves as the play-by-play voice for Huskies football and will call the games for women's basketball during Southland Conference doubleheaders. He is in his fifth year with Legacy Sports Network, and has been broadcasting Houston-area sports for 11 years.

Prior to his work with HBU, King provided play-by-play for LSN's production of high school football broadcasts on Comcast Sportsnet Houston. He has also worked LSN productions for Fox Sports Houston and Fox Sports Southwest of HBU, San Jacinto College and high school sports. He has also previously done work for UIL Radio state tournament broadcasts and ISP/IMG on their University of Houston baseball, Notre Dame University baseball and University of Washington women's basketball broadcasts.

King and his wife, Dawn, have three children: Sarah, Tyler and Hunter.

An aerial architectural rendering of a proposed university campus development. The scene shows a large, multi-story building with a curved facade and arched windows, surrounded by parking lots filled with cars. A wide, multi-lane road runs along the bottom left, with a green median and a sidewalk. In the background, other university buildings and a city skyline are visible under a blue sky with scattered clouds. The overall style is a realistic architectural visualization.

THE FUTURE OF HBU

HBU President Dr. Robert B. Sloan Jr. revealed The Master Plan for the University, including the redevelopment of the 30 acres of HBU-owned land on the corner of U.S. 59 and Fondren. Rather than building out amenities that would exclusively serve the campus community, the plan calls for mixed-use development of retail shops, restaurants, and a hotel and convention center that will serve as a hub of activity for thousands of patrons, such as the 4,200 employees of Memorial Hermann hospital.

A new basketball arena will anchor the space, providing the only entertainment venue in Houston that can cater to audiences of 3,000 to 5,000. This distinction will enable the University to lease the facility for a variety of concerts, conventions and other public events.

E HBU BASKETBALL

SHARP GYM

The Frank and Lucille Sharp Physical Education Building was built in 1963. Later named Sharp Gymnasium, the facility serves as home to the Husky basketball teams and Husky volleyball team. Sharp Gym has also served as the home away from home practice facility for the two-time NBA champion Houston Rockets and the four-time WNBA champion Houston Comets.

Water damage during the summer of 1994 forced HBU to replace the playing floor. Sharp Gymnasium now boasts one of the finest playing floors in the state of Texas. Further renovations included the replacement of bleachers, donated by the President's Development Council.

During the winter of 2011, the stage was removed and replaced with a section of chair-back seats in the endzone, bringing the capacity of the gym to 1,000.

HEAD COACH RON COTTRELL

24th Season at HBU

Alma Mater: Arkansas, 1988

Career Record: 426-317 (.573)

Record at HBU: 426-317 (.573)

Ron Cottrell has the eighth-longest tenure among active NCAA Division I head men's basketball coaches, entering his 24th season at the helm of the HBU basketball program with a record of 426-317 (.573). He led the Huskies back to the NCAA Division I ranks after 16 seasons building a perennial power at the NAIA Division I level and now leads them into their first season in the Southland Conference. In addition to his coaching duties, Cottrell has assumed the role of associate director of athletics, after spending 15 years as director of athletics at HBU. He was one of the driving forces, working closely with HBU President Robert B. Sloan, in the Huskies' transition to the NCAA.

The 2012-13 season was Cottrell's most successful campaign as a Division I head coach, leading the Huskies to a 14-17 record and an appearance in the Great West Conference championship game to close out HBU's affiliation with the league. After starting the season 4-13 with his young roster, Cottrell's squad won 10 of its last 13 games, including an eight-game winning streak from Jan. 22-Feb. 25. Senior forward Art Bernardi earned first-team all-conference honors, senior guard Anthony Hill was named conference Co-Defensive Player of the Year, and freshman guard Rob Lewis was voted the league's Sixth Man of the Year. Lewis, sophomore guard Marcel Smith, and freshman guard Caleb Crayton also earned all-conference honorable mention.

The Huskies entered a new era during the 2009-10 season, as they began their first season of Great West Conference play. HBU went 9-3 in the league, finishing second during the regular season and advancing to the championship game of the conference tournament. Four players earned all-conference recognition, including first-team selections Gonzalez and Mario Flaherty. Gonzalez was the league's leading scorer and was named Newcomer of the Year.

Gonzalez once again led the Great West in scoring during the 2010-11 season to earn first-team all-conference honors. He averaged 22.9 points per game, the sixth-highest scoring average in the nation and second-highest in HBU history. Michael Moss was named Great West Conference Defensive Player of the Year and was an all-conference honorable mention pick after leading the lead with 2.8 steals per game, which was also the sixth-highest average nationally.

During the 2011-12 season, Cottrell solidified his place as HBU's all-time winningest basketball coach as HBU defeated Campbell, 87-76, on Dec. 14, 2011, for the head coach's 400th career victory. Freshman guard Tyler Russell was named to the Great West All-Newcomer Team and was joined in all-conference honorable mention accolades by seniors Terry Bembry and Joe Latas.

During the NAIA years, the Huskies won nine consecutive Red River Athletic Conference championships and competed in the NAIA national tournament 10 straight years. He built the basketball program into one of national prominence, perennially ranked in the NAIA Top 25, and finishing the season as one of the NAIA's top 10 teams six times.

In 2002-03, Cottrell led the Huskies to a 31-3 record and ended the season as the NAIA's top-ranked team, a ranking the Huskies held onto for the final five weeks of the season. After that history-making season, Cottrell was chosen as the Basketball Times NAIA National Coach of the Year. That season also boasted the Huskies as the national scoring and rebounding leader, scoring 100.4 points per game and bettering their opponents by a margin of 13 rebounds per game. It was the second straight year the Huskies led the NAIA in rebounding and the third time in the previous eight seasons that HBU led the nation in scoring.

HBU again led the nation in rebounding two years later, out-rebounding their opponents by 10.2 boards per game in 2004-05. During that 2004-05 season, Cottrell reached another milestone in his successful career, posting his 300th career win.

Cottrell is known for his up-tempo offense and pressure defense, a philosophy he learned from his mentor, former Arkansas coach Nolan Richardson. As an assistant to Richardson at Arkansas, Cottrell helped coach the Razorbacks to two Southwest Conference championships and three trips to the NCAA tournament, culminating in the Hogs appearance at the 1990 NCAA Final Four where they lost to Duke in the semifinals. During Cottrell's tenure on the bench at Arkansas, the Razorbacks posted a record of 88-36.

Prior to joining Richardson's staff as an assistant coach, Cottrell

spent a year as an assistant at North Dakota State College of Science before returning to Arkansas, his alma mater. Cottrell knows the Houston area, having graduated from Houston's Westbury High School. He returned to his native Arkansas to attain a degree in industrial engineering. While attending the University of Arkansas, Cottrell served as sports director for Fayetteville, Ark., ABC affiliate KTVP-TV before entering the coaching profession.

When Cottrell was hired to lead the HBU program in the fall of 1990, Cottrell spent the second year of the Huskies' self-imposed basketball hiatus putting the program together, recruiting and scheduling before beginning play in the 1991-92 season.

The first season, the Huskies posted a 7-23 record. It was a season of growing pains for Cottrell and his young team. He had formed his base with freshmen, and although they took their lumps, it paid off in the long run. By the time those fresh men were seniors, they had made the playoffs three straight years and fell just three points shy of making it to the NAIA national tournament. After seven-and-a-half years as the HBU coach, Cottrell broke the school's coaching record for wins during the 1998-99 season, a record previously held by Gene Iba after an eight-year tenure. The 1997-98 Huskies had a school record 22-game winning streak and a school-best 26-6 record, only to be exceeded by the 1999-2000 team with a 28-6 record. In 2000-01, the Huskies again rewrote the record books with a 31-5 record.

HBU tied the school record for wins and set a new low for losses with the 2002-03 team's 31-3 mark and broke the record for consecutive wins with 25. In 2003-04, the Huskies saw a 60-game home winning streak come to an end, ending the nation's longest current home winning streak for a men's team. That team went on to finish the year with a 27-6 record.

The Huskies had at least one basketball player receive All-America honors each season during a span of 13 seasons and Cottrell has coached athletes to All-America accolades 20 times, including the 2002-03 Basketball Times NAIA National Player of the Year, Rod Nealy. In addition, the Huskies have had recipients of All-Conference honors 38 times under Cottrell.

In conjunction with the Huskies' on-court success, Cottrell stresses excellence in the classroom as well. He has had six players receive Academic All-America honors and 53 have garnered Academic All-Conference accolades. Cottrell was named Red River Athletic Conference Coach of the Year five times. He also has twice been awarded the Houston Area High School Boys Basketball Coaches' College Coach of the Year and he received what he regards as one of his highest honors in the summer of 2006 when he was selected by USA Basketball to serve as a court coach for the gold-medal winning 18U USA team.

With Cottrell at the helm as Athletics Director, the Huskies won

42 conference championships and had teams compete in national tournaments 35 times. HBU won eight Red River Athletic Conference all-sports awards in the nine-year history of the RRAC. HBU produced 99 All-America honorees, 65 academic All-America athletes and 241 All-Conference performers during his tenure.

He was honored for his leadership as the 2001 recipient of the NAIA Region VI athletic director of the year award. He is a member of the National Association of Basketball Coaches, the Texas Association of Basketball Coaches, the National Association of Collegiate Directors of Athletics and the Division I-AAA Athletics Directors Association.

Cottrell was one of six members of the 2012 HBU Sports Hall of Honor class, recognizing his many contributions to the University as both a coach and administrator.

He is married to the former Jacque George, who served as director of media relations at HBU and also worked in the media relations office at the Great West Conference, Southwest Conference and the sports information office at the University of Arkansas. They have two daughters, Scottlyn Rose, a sophomore manager for the women's basketball program at HBU, and Sydney-Anne. He also serves as a deacon at Sugar Land Baptist Church.

ASSISTANT COACH STEVEN KEY

21st Season at HBU
Alma Mater: HBU, 1996

Steven Key is in his 21st year as assistant basketball coach at HBU, the second-longest tenured assistant coach in NCAA Division I. Key's duties include scheduling, recruiting, scouting, game preparation, and on-the-floor coaching. He has been with head coach Ron Cottrell from the beginning, first as a manager, then as a student-assistant before assuming his current position, marking his 24th season overall with the Huskies.

He was a key ingredient in the Huskies' success of nine straight conference championships and 10 consecutive NAIA national tournament appearances. He also was instrumental in the 2002-03 season's history-making success and No. 1 national ranking.

Key served as director of sports information for seven years and was associate director of athletic media relations for one year, before concentrating solely on his basketball duties. In his sports information role, Key created the Huskies' first athletic website in 1997 and received awards from the NAIA for his website expertise.

A three-sport letterman in basketball, baseball and football at Calvary Baptist High School in Savannah, Ga., Key came to HBU from Valdosta State University where he was the head manager for the Blazer basketball team. He has been involved in almost every facet of the athletic department since his arrival in 1991.

The son and brother of Baptist ministers, Key is very active in his church, Kingland Baptist in Katy. He is a member of Joshua House ABF and also teaches first grade Sunday school.

A 1996 graduate of Houston Baptist with degrees in history and kinesiology/wellness management, Key is married to the former Sherry Blakely, a four-year letterwinner for the HBU softball team from 1992-95 and 2006 inductee into HBU's Sports Hall of Honor. Sherry's No. 6 jersey was retired by the softball team on April 21, 2012, becoming the first student-athlete in HBU history to be so honored. They are the proud parents of 7-year-old Eiley Rowan. The Keys' oldest daughter, Emma Claire, passed away May 15, 2010, shortly before her ninth birthday when the family was involved in a car accident while traveling in Louisiana. A special tribute to Emma can be seen on the next page.

Emma Claire Key

2001-2010

On May 15, 2010, while traveling on I-10 through Louisiana, Houston Baptist University assistant basketball coach Steven Key and his family were involved in an accident, which claimed the life of his oldest daughter, Emma Claire Key, shortly before her ninth birthday.

Recognized easily by the matching red hair of her parents, Steven and his wife, Sherry, a former standout third baseman for the Huskies' softball team, Emma touched many lives, including the HBU basketball team and the entire HBU athletic department.

Emma accepted Jesus Christ as her Lord and Savior early in her life and was excited to share her faith with everyone and devoted herself to love and service.

While Emma's time was short, she made a lasting impact for the Kingdom of God and will not be forgotten. In 2014, the HBU Alumni Association commissioned the Emma Claire Key Faithful Servant Award to be given annually to the HBU student who best displays the selfless, giving spirit and bold witness for Christ that Emma embodied. Steven and Sherry Key were named the award's first recipients.

During the 2010-11 season, the basketball team wore patches on its jerseys and the staff wore pins with the letter "E" in pink, Emma's favorite color. Coach Key now only wears pink ties during games in memory of his beloved daughter.

For more on Emma, the Key family and their effect on the HBU community, read Andy Glockner's follow-up story one year after the accident on SI.com.

"She had an unbelievable impact on people; Sunday school teachers, classroom teachers, her classmates – at a very, very young age – and I can't help but believe that happened because the Lord knew she wasn't going to be around very long."

- HBU Head Basketball Coach Ron Cottrell

ASSISTANT COACH JUD KINNE

He served under National Coach of the Year, Rob Evans, and was in charge of travel, on-campus recruiting, scouting and film exchange for the Sun Devils. He also spent one season at Centenary.

He and his wife, Amanda, have one daughter, Madilyn.

ASSISTANT COACH JEREMY CASE

He was also a member of four Big 12 regular-season and three tournament championship teams. During his career, the Jayhawks made three appearances in the NCAA Tournament Elite Eight, including their title run.

Now in its sixth decade of service, the Southland Conference continues to be a model of innovation, stability and consistent achievement as it celebrates the academic and athletic accomplishments of its member institutions.

Having commemorated its 50th anniversary in 2013, the Southland Conference has transformed itself into a dynamic and respected consortium of 13 member universities in three states. Beginning with a historic meeting of five institutions in Dallas on March 15, 1963, the Southland Conference set on an extraordinary course that has proven successful well into its five decades of existence.

The successful transformation continues, as the Southland Conference welcomed four additional members in 2013: Abilene Christian University, Houston Baptist University, the University of Incarnate Word in San Antonio, and the University of New Orleans.

In addition to its newest members, the Southland also consists of the University of Central Arkansas, Lamar University, McNeese State University, Nicholls State University, Northwestern State University, Sam Houston State University, Southeastern Louisiana University, Stephen F. Austin State University and Texas A&M University-Corpus Christi.

An original Southland member from 1963-73, Abilene Christian rejoined the league as one of the most decorated athletic programs in NCAA history, and the addition of Houston Baptist, UIW and New Orleans gives the Southland a regular competitive presence in the key metropolitan areas of Houston, San Antonio and New Orleans. Southland cities encompass approximately 14 million people, and six of its television markets rank among the top 100 in the U.S.

All told, the membership of the Southland encompasses nearly 140,000 current students and an alumni base of nearly 800,000. Famous alumni from current Southland Conference schools include former CBS news anchor Dan Rather (Sam Houston State), NBA executive Joe Dumars (McNeese State), ABC news anchor Robin Roberts (Southeastern Louisiana), Major League Baseball star Wade Miley (Southeastern Louisiana), NBA legend Scottie Pippen (Central

Arkansas), and track and field Olympians Kenta Bell (Northwestern State), and Bobby Morrow and Billy Olson (both Abilene Christian).

The Southland sponsors 17 championship sports, all at the NCAA Division I level. The eight men's sports include baseball, basketball, cross country, football, golf, tennis, and indoor and outdoor track and field. The women compete for nine championships in basketball, cross country, golf, soccer, softball, tennis, indoor and outdoor track and field, and volleyball. The conference earns automatic qualification to NCAA championships in baseball, men's and women's basketball, men's and women's cross country, football, men's and women's golf, women's soccer, softball, men's and women's tennis, and volleyball.

Continuing its tradition of innovation, the league launched the Southland Conference Television Network in the fall of 2008 and has broadcast more than 160 events. The network has expanded its reach to roughly 13 million households throughout Texas, Louisiana, Arkansas and Oklahoma in recent years, and has also gained national viewership through ESPN3 and Fox College Sports. In its first six years, the network has received recognition for its work, earning numerous College Sports Media and Telly Awards.

The Southland Conference, in conjunction with the city of Frisco, Texas, and Hunt Sports Group, also serves as the host to the NCAA Division I Football Championship Game in Frisco, which has been home to the conference headquarters since 2006. The game is played at Frisco's Toyota Stadium, and after a successful three-year run, the partnership was rewarded with a three-year renewal to serve as the national championship host site through the 2015 season.

Southland Conference football ranks among the best Football Championship Subdivision leagues in the nation, and enjoys an annual expectation of competing for the national championship with multiple teams advancing to the NCAA playoffs each year. In 2013, three Southland teams – Southeastern Louisiana, McNeese State and Sam Houston State – all qualified for the NCAA Division I Football Championship, and in 2011 and 2012, Sam Houston advanced to the

national championship game. Also, in 2002 and 2003, McNeese State finished the regular season ranked No. 1 in the nation, and advanced to the 2002 national championship contest. The conference has been represented in eight national championship games since the league joined the FCS (formerly I-AA) in 1982. All told, Southland teams have played in 109 Division I playoff games in 32 years, winning 53 of the contests.

In addition to football, the Southland Conference can point to a number of accomplishments in all sports.

Men's basketball has experienced a tremendous amount of success during the Southland's 50 years. The league has sent four teams to the NCAA Sweet Sixteen, as well as a squad to the NIT Final Four. Basketball stars Karl Malone, Joe Dumars, Jeff Foster, Dwight "Bo" Lamar, Andrew Toney and Mike Oliver played in the Southland Conference.

In 2013-14, Stephen F. Austin set numerous Southland records, including marks for victories in a season (32) and consecutive wins overall (29 straight) and in Conference play (23 in a row), and playing as a 12th seed, knocked off fifth-seeded Virginia Commonwealth, 77-75, in the NCAA's Second Round.

Coaches such as Billy Tubbs, Mike Vining, Scotty Robertson, Jack Martin, Andy Russo, Bob Marlin, Danny Kaspar, Mike McConathy, Bobby Paschal and Pat Foster have led very successful teams in the Southland.

In women's basketball, the Southland also has its share of tradition with former member Louisiana-Monroe advancing to the 1985 NCAA Women's Final Four, and Stephen F. Austin sustaining itself as one of the most successful programs in the history of the sport. In 2014, the Ladyjacks became the fifth program in NCAA Division I history to record more than 950 wins.

Baseball has emerged as a constant Southland Conference strength with the league earning numerous national rankings and NCAA tournament berths. The Southland consistently ranks among the top-10 conferences in the country. In 2011, 50 of the league's 150 non-conference victories came against the Big 12, Conference USA, Sun Belt and SEC. Major leaguers such as Wade Miley, Paul Goldschmidt, Ben Sheets, Micah Hoffpauir, Hunter Pence, David Segui, Brian Lawrence, Ben Broussard, Chuck Finley, Jerald Clark, and Terry Matthews once played in the Southland.

Softball continues to enjoy success on a national level, beating nationally-ranked opponents every year since 1995, including McNeese State's win at No. 1 Arizona State early in the 2012 season. In 2013, the league had six wins against ranked opponents, including wins by McNeese State at No. 7 Alabama and No. 8 Texas A&M. In NCAA tournament competition, the Southland has racked up 15 wins.

The Southland also has a proud history in volleyball with former member Texas-Arlington representing the conference numerous times in the NCAA tournament, including a run to the NCAA Volleyball Final Four in 1989.

Track and field has also served as a proud asset for the Southland Conference as the league has produced numerous national champions and Olympic medalists. The Southland boasts 28 men and three women student-athletes who have won NCAA track and field national championships. In the indoor circuit, the

Southland boasts 66 unique all-time All-Americans that have won a combined 11 national championships. Likewise, in the outdoor season, the league has seen 158 different All-Americans, including 128 men and 30 women, who have combined to win 21 national championships.

Golf has traditionally been a strong Southland sport as exemplified by Lamar men's golfer Chris Stroud, who finished third individually at the 2003 NCAA National Championship and has 21 top ten PGA finishes since joining pro tour in 2007. Another Lamar alum, Shawn Stefani, had a pair of top seven finishes on the 2013 PGA tour. The league has sent multiple teams into postseason play on numerous occasions, including in 2012 when three Southland teams – Lamar, Southeastern Louisiana and Texas-Arlington – competed in the NCAA tournament.

The conference has increased sponsorship and championship opportunities for female student-athletes in recent years, adding women's golf and soccer as league sports.

In women's soccer, Stephen F. Austin midfielder Kylie Louw became the first player in conference history to earn All-America honors, when she earned third-team mention by the National Soccer Coaches Association of America.

In women's golf, the Southland sent two teams to 2012 NCAA regional play for the first time since the league added the sport in 2002. Lamar has a league-best five Southland championships during that span.

The Southland Conference has repeatedly demonstrated its commitment to the academic and athletic success of its student-athletes. With the F.L. McDonald Postgraduate Scholarship Award, the league annually honors one male and one female scholar-athlete with a stipend for postgraduate study. The Scholar-Athlete Award is given to each institution's male and female student-athlete with the highest grade-point average. The Steve McCarty Citizenship Award, initiated in 2005-06 and named after the former Stephen F. Austin athletic director, properly recognizes accomplishments off the court for a male and female student-athlete. Also, student-athletes with grade-point averages above 3.0 are honored on the Southland's annual All-Academic teams and Commissioner's Honor Roll. A total of 856 student-athletes appeared on the honor roll following the 2013 spring semester, and total of 1,553 student-athletes earned a spot on the honor roll at the end of the fall and spring semesters during the 2012-13 academic year.

While successful on the fields and courts, the Southland Conference has repeatedly demonstrated its commitment to the academic and athletic success of its student-athletes. During the last seven years, no other Division I conference has improved its Academic Progress Rate as well as the Southland Conference has. In fact, in 2009-10, the Southland ranked 10th among the 31 Division I leagues in men's basketball APR. The academic progress the league has shown ultimately leads to higher graduation rates for our student-athletes.

In addition to providing expanding opportunities for student-athletes, the Southland Conference and its member institutions are very involved in various community outreach programs. Many of these programs provide positive life skills training such as academics, citizenship and leadership to school-aged students in Southland communities.

COMPLIANCE

The goal of the Athletics Compliance Office is to educate, monitor, and verify NCAA rules compliance with regard to each sport and component within the Athletics Department. The compliance office strives to be proactive with education along with having monitoring systems in place that are effective and user friendly. HBU compliance embraces open communication with faculty, staff, student-athletes and the community at large. It is compliance office's position that all questions and requests for rules interpretations shall be answered in a friendly and timely manner. In addition, it should be known that no rules violation is too minor to be reported. In responding to rule violations, the compliance office will determine whether the violation was incidental or intentional and to what effect the violation will have on the involved coach, student-athlete or administrator.

The compliance office maintains an open-door policy and is designed to be student-athlete friendly. The compliance office functions as an office within the Department of Intercollegiate Athletics at Houston Baptist University. It is the mission of the compliance office to provide a service to HBU which is in alignment with the overall mission of the University.

Mission Statement

The HBU Athletics Compliance Office is committed to creating and fostering an atmosphere of compliance throughout the HBU community. Operating with integrity and accountability, the Athletics Compliance Office will educate, monitor and promote all aspects of rules compliance in accordance with NCAA, Great West Conference, and HBU rules and regulations.

Rules & Regulations

Effective institutional management and integrity in intercollegiate athletics through compliance with, and enforcement of, the rules and regulations of Houston Baptist University the NCAA, the Great West Conference, and the standards of fair play and appropriate conduct for student-athletes and institutional representatives.

Amateur Sportsmanship

The call to honesty, integrity, commitment, hard work and social responsibility resounds from the Department's administrators, coaches and student-athletes. Through participation in athletics, student-athletes are provided opportunities to develop essential life skills in leadership, teamwork, discipline, goal setting, respect for self and respect for others, as demonstrated both on and off the field of play.

HBU's Commitment to Rules Compliance

Houston Baptist University has made the commitment to operate and support a Division I athletics program. Along with this commitment is the pledge that the program is administered and operated with the highest level of integrity, respect and regard for all rules and regulations that govern its operation. It is every coach and staff member's responsibility to operate his/her program in full compliance with all NCAA, Great West Conference and Institutional rules and regulations. Ignorance of these regulations cannot be used as an excuse for failure to comply.

Coaches and staff members have an affirmative duty to the following: Knowledge of all NCAA and Great West Conference regulations and policies including but not limited to, recruiting, eligibility, amateur status and sporting behavior, as well as all rules interpretations, observance of all NCAA and Conference regulations and HBU policies. Self-reporting of all known or potential violations to the Assistant Athletic Director Compliance or the Athletic Director. Full cooperation with NCAA, Conference and HBU in all investigations and provision of any of these entities with truthful and com-

plete information concerning involvement in or knowledge of any violation of NCAA, Conference and regulations.

As a member of the NCAA, Houston Baptist University is accountable for the actions of its boosters and fans. Even the best-intentioned action on a fan's part may be a violation of NCAA rules. Please contact the HBU Athletics Compliance Office if you have any questions concerning what is permissible.

If you have any questions or concerns please feel free to contact the compliance office at 281-649-3342.

PROSPECTIVE STUDENT-ATHLETES

Who is a prospective student-athlete?

A "prospective student-athlete," better known as a "recruit" or "prospect", is a student who has started classes for the ninth grade, with the exception of men's basketball which is a student who has started classes for the seventh grade. In addition, any younger student-athlete who receives any benefits from the institution would be considered a recruit.

Recruiting

Only coaches and athletic department staff may be involved in the recruiting process. Athletics representatives are prohibited from contacting a prospective student-athlete or members of his/her family by telephone, letter, e-mail, or in person for the purpose of encouraging participation in athletics at Houston Baptist University. This prohibition remains in effect even after the prospect signs a National Letter of Intent (scholarship offer).

NCAA Recruiting Definitions

NCAA Recruiting Calendars

Visiting HBU

An "official visit" is a visit paid in whole or in part by the university and cannot exceed 48 hours in length. A prospect can make a total of five official visits, with a limit of only one per university.

Official Visit Checklist (link to .pdf file)

An "unofficial visit" is a visit made at the prospect's own expense. The university may provide (a) three complimentary tickets to an on-campus athletics event in which the university's team is competing and (b) transportation to view off-campus practice and competition sites within a 30-mile radius. Prospects can make as many unofficial visits as they want.

National Letter of Intent

The National Letter of Intent (NLI) is a binding agreement between a prospective student-athlete and an institution in which the institution agrees to provide a prospective student-athlete who is admitted to the institution and is eligible for financial aid under NCAA rules athletics aid for one academic year in exchange for the prospect's agreement to attend the institution for one academic year. All colleges and universities that participate in the NLI program agree to not recruit a prospective student-athlete once he/she signs an NLI with another college or university. Therefore, a prospective student-athlete who signs an NLI should no longer receive recruiting contacts and calls and is ensured an athletics scholarship for one academic year. The NLI must be accompanied by an institutional financial aid agreement. If the student-athlete does not enroll at that institution for a full academic year, he/she may be subject to specific penalties, including loss of a season of eligibility and a mandatory residence requirement.

Who is a "Representative of Athletic Interests?"

A "representative of the institution's athletics interests" or Booster can be an individual, independent agency, corporate entity or other organization

BOOSTERS

- ♦ Have ever made financial contributions to the athletic department, or a specific team.

Have contacted, in any manner, students in grades 9-12 regarding Husky athletic programs.

- ♦ Be assisting or to have assisted in providing benefits to enrolled student-athletes or their families.
- ♦ Have provided or arranged summer employment for student-athletes.
- ♦ Have provided benefits to a student-athlete and or their parents
- ♦ Are or ever have been a Husky season ticket holder (NCAA bylaw 13.02.13)
- ♦ According to NCAA rules, once an individual has been identified as an institutional "representative of athletic interests" the individual IS A BOOSTER FOR LIFE!
- ♦ Houston Baptist University is ultimately responsible for the acts of all "representatives of athletic interests" in relation to NCAA rules and regulations.

Important Reminders

- ♦ Boosters cannot be involved in the recruiting process.
- ♦ Only HBU staff members may be involved in the recruiting process. Boosters who are not employed by HBU may not contact a prospect in any way.
- ♦ Boosters may not have any involvement with a prospect during an official or unofficial visit to the HBU campus.
- ♦ Boosters may continue to maintain pre-existing relationships with neighbors and friends who have prospect age children as long as you do not encourage participation in HBU athletics.
- ♦ You may not contact an enrolled student-athlete at another institution for the purpose of encouraging transfer to HBU and participation in our athletic program.
- ♦ Boosters may not provide benefits of any kind to prospects or their families.

Boosters CANNOT:

- ♦ Provide cash or loans in any amount.
- ♦ Sign off or co-sign a note with an outside agency to arrange a loan.
- ♦ Employ relatives or friends of a prospect as an inducement for the enrollment of the prospect at HBU.
- ♦ Provide gifts of any kind (e.g. birthday) or free services (airline tickets, laundry, meals in restaurants).
- ♦ Provide discounts for goods or services.
- ♦ Provide use of an automobile.
- ♦ Provide hospitality or lodging in your home.
- ♦ Provide them transportation within or outside of the campus area. (e.g. from campus to your home, from the airport to campus, to summer job, etc.)
- ♦ Entertain or contact a prospect or prospect's parents on or off campus.

Boosters CAN:

- ♦ Attend high school and junior college athletic events assuming no attempt is made to contact the prospect or his/her coaches.
- ♦ You May attend a public event (high school awards banquet) at which prospects are in attendance. No attempt should be made to recruit the prospect.
- ♦ You May discuss summer employment arrangements with a prospect AFTER he/she has signed a National Letter of Intent.

- ♦ You are permitted to play "pick up" basketball or softball games, continue neighborhood picnics or backyard barbecues and engage in your normal activities with the prospect and their family and friends. Again, you simply are not permitted to discuss the athletic program.
- ♦ Reminders regarding relationships with currently enrolled HBU student-athletes:

DO NOT employ or arrange employment for a prospective or enrolled student-athlete without checking first with the HBU Athletic Department. The department is permitted to make arrangements for summer employment for prospects prior to enrollment as freshmen and to enrolled student-athletes during the summer and semester breaks. Stringent rules apply in these instances and written records must be kept regarding employment.

DO NOT provide transportation for prospects or student-athletes in your employ unless transportation is provided for all employees.

DO NOT provide employment for student-athletes during the academic year without contacting the HBU Athletic Department first. The NCAA has strict rules about the amount and source of outside funds during the academic year.

DO NOT provide a student-athlete or friend discounted clothing, reduced rent, or any other benefits. The NCAA considers these extra benefits and they are specifically prohibited.

DO NOT provide room and/or board or any type of transportation during the summers for a student-athlete with eligibility remaining.

DO NOT provide any payment, expense or loan of an automobile for student-athlete to return home or to any location for ANY reason.

DO NOT provide lodging or transportation costs incurred by friends or family of an enrolled student-athlete to visit campus or attend an away athletic contest.

DO NOT expend funds to entertain student-athletes, their friends or relatives. You are not even permitted to buy soda or a cup of coffee for them.

DO NOT use the name or picture of an enrolled student-athlete to directly advertise, recommend or promote sales or use of a commercial product or service of any kind. Even the sale of a picture of an enrolled student-athlete would jeopardize his/her eligibility.

DO NOT provide awards or gifts to a student-athlete for his or her athletic performance. All awards must conform to NCAA regulations and must be approved by HBU.

DO NOT allow a student-athlete, his/her friends or relatives to use your telephone to make long distance calls even if it is a free call. THIS INCLUDES CELL PHONES!

DO feel free to invite an HBU team for dinner or to meet with a group of alumni in a city where they are competing. The NCAA permits student-athletes, AS A TEAM, to receive special benefits not permitted as individuals. Arrangements for such events can be made in advance with the head coach or Athletic Department.

DR. ROBERT B. SLOAN JR.

University President

Dr. Robert B. Sloan Jr. is in his eighth year as President of Houston Baptist University, the third president in the school's history. He came to HBU from Baylor University, where he served as both Chancellor and President.

HBU has seen tremendous growth in Sloan's first seven years as President. Enrollment has increased, building is happening all over campus and the Huskies have moved back to NCAA Division I. This is all part of Sloan's vision to make HBU one of the premier Christian institutions in the country.

Born in Coleman, Sloan grew up in Abilene before attending Baylor and earning a bachelor of arts degree cum laude, graduating "With Distinction." In his freshman year, Sloan was a member of Baylor's baseball team.
