Meet the Coaches

Mary-ellen Hall

Mary-ellen Hall Head Coach/SWA

Mary-ellen Hall enters her 23rd season as head coach of the HBU softball team. This past season, HBU went 15-27 and 6-20 in its first season in the Southland Conference. With a 13-3 win over Central Arkansas on March 19, Hall earned her 700th win. The Huskies were well-recognized with post-season honors from the conference, as Lauren Schwirtlich and Victoria Granchelli earned First Team All-Conference honors, Kirsten Schwirtlich was named to the Second Team, and Melissa Herman was named to the Third Team. The Huskies also earned two of the major awards, as L. Schwirtlich was named Newcomer of the Year and K. Schwirtlich earned Freshman of the Year honors.

In 2012, HBU went 16-33 overall and 2-4 in the conference. The Huskies defeated Nebraska Omaha in the playoffs, defeating Dana Elsasser, who led the nation in ERA, but lost twice to Utah Valley in the double-elimination tournament. Melissa Herman earned First Team All-Conference honors, while Daniella Rodarte, Holly Webb, and Keely Shuler were named Second Team.

In 2011, she led the Huskies to one of the best seasons since their return to NCAA Division I, as HBU went 36-23 and won the Great West Conference championship. She earned GWC Coach of the Year honors, while senior short stop Mollye Mlcak and senior pitcher Jammie Weidert earned GWC Player and Pitcher of the Year honors, respectively. The Huskies got it done in the classroom, as well, as Mlcak was named a CoSIDA Academic All-America and the team earned the fourth-best GPA in all of NCAA Division I, at 3.551.

In 2010, the Huskies went 16-30 in their first season in the Great West Conference, finishing with a 2-4 conference mark. Mlcak and Sara Corcoran were named to the GWC First Team All-Conference, while four others were named to the Second Team. In 2009, HBU went 18-23 which included a third-place finish at the Independent Tournament in Greeley, Colo., and saw Casie Campanello earn All-Independent honors. In 2008, she led the Huskies to an impressive 28-13 record in their return to NCAA Division I.

Since 2009, Hall has been Senior Woman Administrator at HBU, the highest ranking female at the university. Her duties is to coordinate and/or provide support of all woman's sports teams at HBU, attend home and away games and conference championships as appropriate to represent the department,

participate in the hiring and evaluation of sports coaches, disseminate pertinent information to coaches, provide insight and information regarding women's issues and programming at all levels, as well as support for all woman's programs, and represent HBU at Southland Conference and NCAA meetings and conventions.

Prior to taking over the reigns as head coach, Hall served as an assistant coach for three seasons. In her first year as an assistant, which also was the first year of HBU softball, the Huskies competed as a Division I member.

During her tenure as head coach, Hall has led the Huskies to nine NAIA national championship tournament appearances and national rankings, including the team's highest final ranking of second in 2005. Hall holds a career record of 706-380 at HBU and was honored by the university at the National Fastpitch Coaches Association for her 500th career win during the 2006 season. She has had athletes selected All-America 31 times in her 22-year career and Academic All-America 44 times. The Huskies also have been awarded for excellence in the classroom by the NFCA.

Academics is a high priority of Hall's as has been evidenced by 31 softball players receiving a spot on the Red River Athletic Conference All-Academic team for achieving a 3.0 or better grade point average. Last season, she had nine athletes named Academic All-America by the NFCA and senior shortstop Mollye Mlcak was named a CoSIDA Academic All-America. She has an above 90 percent graduation rate in her 22 years at the helm.

Hall led HBU to nine straight Red River Athletic Conference titles with the Huskies having their best record in school history in 2005 with 51 wins and setting a new low for losses with five. She was named RRAC Coach of the Year in each year the Huskies competed in the conference and after the 1999 and 2005 seasons, NFCA honored she, along with assistant coach Roger Willhite, as NAIA Southwest Region Coaching Staff of the Year.

Hall, who received her bachelor's degree from HBU in 1988 and her master's in sport sciences from the United States Sports Academy in 1991, likes to use a positive approach when dealing with her team. She enjoys the instructional aspect of coaching and is considered one of the top recruiters in the sport.

Hall attended Marian Christian High School where she was a four-time All-District softball selection. She was voted her team's Most Valuable Player twice. Hall played on summer softball teams that attended the state tournament five times and finished fifth in the nation in 1980. In addition to softball, Hall played basketball and volleyball for Marian Christian.

After high school, she attended HBU on a volleyball scholarship where she was a two-year letterman for the Huskies. Hall also served as assistant volleyball coach for her high school alma mater while attending HBU.

Hall has enjoyed much success at HBU, building the Huskies into a perennial NAIA national power. She served as chairman of the Red River Athletic Conference and Region VI softball coaches and as a national rater for the NAIA. She also is a past president of the NAIA Softball Coaches Association. She now leads the Huskies as they make a name for themselves at the NCAA Division I level.

Director of Athletics, Steve Moniaci (l) and Associate AD, Ron Cottrell following a ceremony after Hall's 700th career win in 2013.

In an era of considerable change in intercollegiate athletics, the Southland Conference continues to be a model of innovation, stability and consistent achievement as it celebrates a half-century of the academic and athletic accomplishments of its member institutions.

Commemorating its 50th anniversary in 2013, the Southland Conference has transformed itself into a dynamic and respected consortium of 14 member universities in four states. Beginning with a historic meeting of five institutions in Dallas on March 15, 1963, the Southland Conference set on an extraordinary course that has proven successful well into its five decades of existence.

The successful transformation continues, as the Southland Conference welcomed the addition of Oral Roberts University in 2012-13, marking the league's first entry into the state of Oklahoma. Also, on July 1, 2013, the Southland welcomed four additional members: Abilene Christian University, Houston Baptist University, the University of Incarnate Word in San Antonio, and the University of New Orleans.

In addition to its newest members, the Southland Conference also consists of the University of Central Arkansas, Lamar University, McNeese State University, Nicholls State University, Northwestern State University, Sam Houston State University, Southeastern Louisiana University, Stephen F. Austin State University and Texas A&M University-Corpus Christi.

An original Southland member, Abilene Christian rejoins the league as one of the most decorated athletic programs in NCAA history, and the addition of Houston Baptist, Incarnate Word and New Orleans gives the Southland a regular competitive presence in the key metropolitan areas of Houston, San Antonio and New Orleans. Southland cities encompass approximately 14.5 million people, and seven of its television markets rank among the top 100 in the U.S.

All told, the membership of the Southland encompasses nearly 140,000 current students and an alumni base of nearly 800,000.

The Southland sponsors 17 championship sports, all at the NCAA Division I level. The eight men's sports include baseball, basketball, cross country, football, golf, tennis, and indoor and outdoor track and field. The women compete for nine championships in basketball, cross country, golf, soccer, softball, tennis, indoor and outdoor track and field, and volleyball. The conference earns automatic qualification to NCAA championships in baseball, men's and women's basketball, men's and women's cross country, football, men's and women's golf, women's soccer, softball, men's and women's tennis, and volleyball.

Continuing its tradition of innovation, the league launched the Southland Conference Television Network in the fall of 2008 and has broadcast more than 160 events. The network has expanded its reach to roughly 13 million households throughout Texas, Louisiana, Arkansas and Oklahoma in recent years, and has also gained national viewership through ESPN3 and Fox College Sports. In its first five years, the network has received recognition for its work, earning numerous College Sports Media and Telly Awards.

The Southland Conference, in conjunction with the city of Frisco, Texas, and Hunt Sports Group, also serves as the host to the NCAA Division I Football Championship Game in Frisco, which has been home to the conference headquarters since 2006. The game is played at Frisco's FC Dallas Stadium, and after a successful three-year run, the partnership was rewarded with a three-year renewal to serve as the national championship host site through the 2015 season.

Southland Conference softball began in 1983. Louisiana schools won the first five tournament titles, with McNeese State winning the inaugural championship, followed by Louisiana-Lafayette in '84 and '87. Louisiana-Monroe won back-to-back championships in '85 and '86. Texas State has won the most regular season and championship titles with six each.

Softball continues to enjoy success on a national level, beating nationally-ranked opponents every year since 1995, including McNeese State's win at No. 1 Arizona State early in the 2012 season. In 2011, the league had four wins against ranked opponents, including a win by Stephen F. Austin at No. 3 Texas. In 20 years of NCAA tournament competition the Southland has racked up 15 wins. The Southland Conference has repeatedly demonstrated its commitment to the academic and athletic success of its student-athletes.

Southland Conference football ranks among the best Football Championship Subdivision leagues in the nation, and enjoys an annual expectation of competing for the national championship with multiple teams advancing to the NCAA playoffs each year. In 2011 and 2012, Sam Houston State advanced to the NCAA national championship game. Also, in 2002 and 2003, McNeese State finished the regular season ranked No. 1 in the nation, and advanced to the 2002 national championship contest. The conference has been represented in eight national championship games since the league joined the FCS (formerly I-AA) in 1982. All told, Southland teams have played in 104 Division I playoff games in 31 years, winning 51 of the contests.

Men's basketball has experienced a tremendous amount of success during the Southland's 50 years. The league has sent four teams to the NCAA Sweet Sixteen, as well as a squad to the NIT Final Four. Basketball stars Karl Malone, Joe Dumars, Jeff Foster, Dwight "Bo" Lamar, Andrew Toney and Mike Oliver played in the Southland Conference.

In women's basketball, the Southland also has its share of tradition with former member Louisiana-Monroe advancing to the 1985 NCAA Women's Final Four, and Stephen F. Austin sustaining itself as one of the most successful programs in the history of the sport. In 2008, the Ladyjacks became the eighth program in NCAA Division I history to record more than 800 wins.

With the F.L. McDonald Postgraduate Scholarship Award, the league annually honors one male and one female scholar-athlete with a stipend for postgraduate study. The Scholar-Athlete Award is given to each institution's male and female student-athlete with the highest grade-point average. The Steve McCarty Citizenship Award, initiated in 2005-06 and named after the former Stephen F. Austin athletic director, properly recognizes accomplishments off the court for a male and female student-athlete. Also, student-athletes with grade-point averages above

3.0 are honored on the Southland's annual All-Academic teams and Commissioner's Honor Roll. A record 979 student-athletes appeared on the honor roll following the 2012 spring semester, and total of 1,545 student-athletes earned a spot on the honor roll at the end of the fall and spring semesters during the 2012-13 academic year.

While successful on the fields and courts, the Southland Conference has repeatedly demonstrated its commitment to the academic and athletic success of its student-athletes.

The conference continues to make great strides in the classroom. During the last seven years, no other Division I conference has improved its Academic Progress Rate as well as the Southland Conference has. In fact, in 2009-10, the Southland ranked 10th among the 31 Division I leagues in men's basketball APR. The academic progress the league has shown ultimately leads to higher graduation rates for our student-athletes.

In addition to providing expanding opportunities for student-athletes, the Southland Conference and its member institutions are very involved in various community outreach programs. Many of these programs provide positive life skills training such as academics, citizenship and leadership to school-aged students in Southland communities.

Husky Field

Now in its 22nd season, Husky Field has been a decided home-field advantage for Houston Baptist's softball team.

Located on the southeast corner of the HBU campus adjacent to the Huskies' baseball field, the field was opened with a 2-1 win over St. Mary's (Texas) on April 1, 1993. Over the past 21 seasons, HBU has won 73 percent of its home games (268-97). Included were undefeated seasons in 1996 and 2005.

The symmetrical park measures 200-feet down the foul lines and 218-feet to center field. The outfield is surrounded by a six-foot fence.

History

2013 Season Recap

The HBU softball team was the first team to play a Southland Conference schedule. The Huskies started out strong, winning the first four games a combined score of 38-5, but a mid-season 11-game losing streak turned the season around, as the Huskies finished the season 15-27 overall and 6-20 in the Southland Conference.

HBU won its first Southland Conference series, two games to one, at Texas A&M-Corpus Christi on March 9 and 10. The Huskies also won both games against Stephen F. Austin in late April.

Records were broken in a 16-1 romp over Southern on Feb. 16 on the last day of the McNeese State Cowgirl Classic. Freshman **Kirsten Schwirtlich** set a new single-game record with eight RBI. She hit a grand slam, then later added a three-run homer.

Junior **Lauren Schwirtlich** led HBU on the season with a .418 batting average and seven triples. She went 9-for-9 in stolen bases. K. Schwirtlich was next with a .366 average, while leading the team with 10 home runs. Sophomore **Melissa Herman** hit .325 with seven doubles and two home runs. Junior **Rebecca Rademacher** was named the NCAA statistical champion for sacrifice hits, as she finished with 18. The softball team was also recognized by the NCAA for triples per game. HBU had 18 triples in 2013, the most since 11 in 2009.

Senior **Sarah Shotton** led a quartet in the circle with a 2.90 earned run average. She had eight complete games and two shutouts, as she struck out a team-best 78 batters and walked 22. Three of the four pitchers are lost in 2014 due to graduation, leaving only **Kendall Stiefel**, who went 5-6 with a 3.61 ERA. She struck out 41 batters and walked 25.

The Huskies were well-represented with post-season honors by the conference: L. Schwirtlich and sophomore **Victoria Granchelli** were each named First Team All-Conference, while L. Schwirtlich was named Newcomer of the Year. K. Schwirtlich was named Second Team All-Conference and Freshman of the Year, while Herman earned Third Team All-Conference honors. V. Granchelli and Herman were later named Academic All-Conference as voted on by the league coaches.

The Huskies earned accolades for their performances in the classroom, as 14 were named to the Southland Conference Spring Honor Roll: seniors **Mac Christensen, Lori Earl, and Keely Shuler**; juniors Herman, **Daniella Rodarte**, L. Schwirtlich, Stiefel, and **Holly Webb**; sophomores **Michaela Granchelli** and V. Granchelli; and freshmen **Hailey Harris, Shay Orsak, Lauren Powers**, and K. Schwirtlich. Eleven student-athletes were also named National Fastpitch Coaches' Association (NFCA) All-America Scholar Athletes: seniors Earl, **Kate Maddock**, and Shuler; juniors Herman and Stiefel; sophomores M. Granchelli, V. Granchelli, and Webb; and freshmen Harris, Orsak, and K. Schwirtlich.

HBU

*I believe
there's nothing better
than playing in the rain.*

*I believe
in making
my own mistakes.*

*I believe we're always in between
needing help
being ^{or} needed.*

*I believe
with faith
I'm never lost.*

At Houston Baptist University our foundation is simple. Belief isn't a mindset it's an action. We teach our students that values, faith, and a Christian world view can guide them beyond the classroom. And our mission is to empower our students, so their beliefs can fuel their lives.

ABOUT HBU

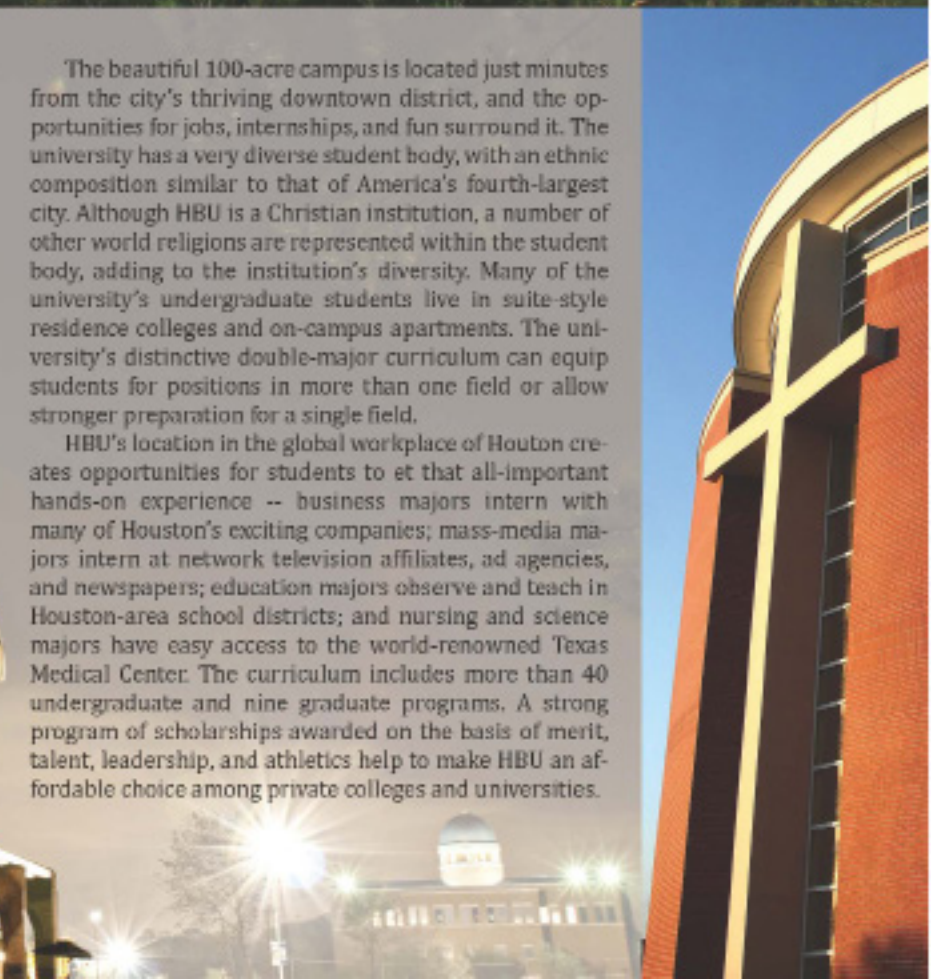

Houston Baptist University offers an intimate college environment in the heart of one of the most vibrant and diverse cities in the United States -- Houston, Texas.

Coming to HBU as a student is more than books, tests and lectures. It is about stepping into a community where each person is recognized as a distinct individual. HBU strives to not only develop each student academically but fiscally, physically, spiritually and relationally as well. With a student to faculty ratio of 12:1, the more than 2,500 students at HBU get the personal attention they want and need.

The beautiful 100-acre campus is located just minutes from the city's thriving downtown district, and the opportunities for jobs, internships, and fun surround it. The university has a very diverse student body, with an ethnic composition similar to that of America's fourth-largest city. Although HBU is a Christian institution, a number of other world religions are represented within the student body, adding to the institution's diversity. Many of the university's undergraduate students live in suite-style residence colleges and on-campus apartments. The university's distinctive double-major curriculum can equip students for positions in more than one field or allow stronger preparation for a single field.

HBU's location in the global workplace of Houston creates opportunities for students to get that all-important hands-on experience -- business majors intern with many of Houston's exciting companies; mass-media majors intern at network television affiliates, ad agencies, and newspapers; education majors observe and teach in Houston-area school districts; and nursing and science majors have easy access to the world-renowned Texas Medical Center. The curriculum includes more than 40 undergraduate and nine graduate programs. A strong program of scholarships awarded on the basis of merit, talent, leadership, and athletics help to make HBU an affordable choice among private colleges and universities.

The scroll is light-colored and appears to have some text or markings on it, though they are not legible. The hand is dark-skinned and is gripping the scroll firmly. The background is a clear, bright blue sky.

PROSPECTIVE STUDENT-ATHLETES

Who is a prospective student-athlete?

A "prospective student-athlete," better know as a "recruit" or "prospect", is a student who has started classes for the ninth grade, with the exception of men's basketball which is a student who has started classes for the seventh grade. In addition, any younger student-athlete who receives any benefits from the institution would be considered a recruit.

Recruiting

Only coaches and athletic department staff may be involved in the recruiting process. Athletics representatives are prohibited from contacting a prospective student-athlete or members of his/her family by telephone, letter, e-mail, or in person for the purpose of encouraging participation in athletics at Houston Baptist University. This prohibition remains in effect even after the prospect signs a National Letter of Intent (scholarship offer).

NCAA Recruiting Definitions

NCAA Recruiting Calendars

Visiting HBU

An "official visit" is a visit paid in whole or in part by the university and cannot exceed 48 hours in length. A prospect can make a total of five official visits, with a limit of only one per university.

Official Visit Checklist (link to .pdf file)

An "unofficial visit" is a visit made at the prospect's own expense. The university may provide (a) three complimentary tickets to an on-campus athletics event in which the university's team is competing and (b) transportation to view off-campus practice and competition sites within a 30-mile radius. Prospects can make as many unofficial visits as they want.

National Letter of Intent

The National Letter of Intent (NLI) is a binding agreement between a prospective student-athlete and an institution in which the institution agrees to provide a prospective student-athlete who is admitted to the institution and is eligible for financial aid under NCAA rules athletics aid for one academic year in exchange for the prospect's agreement to attend the institution for one academic year. All colleges and universities that participate in the NLI program agree to not recruit a prospective student-athlete once he/she signs an NLI with another college or university. Therefore, a prospective student-athlete who signs an NLI should no longer receive recruiting contacts and calls and is ensured an athletics scholarship for one academic year. The NLI must be accompanied by an institutional financial aid agreement. If the student-athlete does not enroll at that institution for a full academic year, he/she may be subject to specific penalties, including loss of a season of eligibility and a mandatory residence requirement.

Who is a “Representative of Athletic Interests?”

A “representative of the institution’s athletics interests” or Booster can be an individual, independent agency, corporate entity or other organization

BOOSTERS

- ◆ Houston Baptist University is ultimately responsible for the acts of all “representatives of athletic interests” in relation to NCAA rules and regulations.

Important Reminders

- ◆ Boosters cannot be involved in the recruiting process.
- ◆ Only HBU staff members may be involved in the recruiting process. Boosters who are not employed by HBU may not contact a prospect in any way.
- ◆ Boosters may not have any involvement with a prospect during an official or unofficial visit to the HBU campus.
- ◆ Boosters may continue to maintain pre-existing relationships with neighbors and friends who have prospect age children as long as you do not encourage participation in HBU athletics.
- ◆ You may not contact an enrolled student-athlete at another institution for the purpose of encouraging transfer to HBU and participation in our athletic program.
- ◆ Boosters may not provide benefits of any kind to prospects or their families.

Boosters CANNOT:

- ◆ Provide cash or loans in any amount.
- ◆ Sign off or co-sign a note with an outside agency to arrange a loan.
- ◆ Employ relatives or friends of a prospect as an inducement for the enrollment of the prospect at HBU.
- ◆ Provide gifts of any kind (e.g. birthday) or free services (airline tickets, laundry, meals in restaurants).

Boosters CAN:

- ◆ You May discuss summer employment arrangements with a prospect AFTER he/she has signed a National Letter of Intent.
- ◆ You are permitted to play “pick up” basketball or softball games, continue neighborhood picnics or backyard barbecues and engage in your normal activities with the prospect and their family and friends. Again, you simply are not permitted to discuss the athletic program.
- ◆ Reminders regarding relationships with currently enrolled HBU student-athletes:

DO NOT employ or arrange employment for a prospective or enrolled student-athlete without checking first with the HBU Athletic Department. The department is permitted to make arrangements for summer employment for prospects prior to enrollment as freshmen and to enrolled student-athletes during the summer and semester breaks. Stringent rules apply in these instances and written records must be kept regarding employment.

DO NOT provide transportation for prospects or student-athletes in your employ unless transportation is provided for all employees.

DO NOT provide employment for student-athletes during the academic year without contacting the HBU Athletic Department first. The NCAA has strict rules about the amount and source of outside funds during the academic year.

DO NOT provide a student-athlete or friend discounted clothing, reduced rent, or any other benefits. The NCAA considers these extra benefits and they are specifically prohibited.

DO NOT provide room and/or board or any type of transportation during the summers for a student-athlete with eligibility remaining.

DO NOT provide any payment, expense or loan of an automobile for student-athlete to return home or to any location for ANY reason.

DO NOT provide lodging or transportation costs incurred by friends or family of an enrolled student-athlete to visit campus or attend an away athletic contest.

DO NOT expend funds to entertain student-athletes, their friends or relatives. You are not even permitted to buy soda or a cup of coffee for them.

DO NOT use the name or picture of an enrolled student-athlete to directly advertise, recommend or promote sales or use of a commercial product or service of any kind. Even the sale of a picture of an enrolled student-athlete would jeopardize his/her eligibility.

DO NOT provide awards or gifts to a student-athlete for his or her athletic performance. All awards must conform to NCAA regulations and must be approved by HBU.

DO NOT allow a student-athlete, his/her friends or relatives to use your telephone to make long distance calls even if it is a free call. THIS INCLUDES CELL PHONES!

DO feel free to invite an HBU team for dinner or to meet with a group of alumni in a city where they are competing. The NCAA permits student-athletes, AS A TEAM, to receive special benefits not permitted as individuals. Arrangements for such events can be made in advance with the head coach or Athletic Department.
