Meet the Coaches

STEVE JONES
Head Coach

Steve Jones enters his 10th year as HBU head men's soccer coach. Last season, the Huskies stumbled to a 3-11-2 record with a 2-8-0 mark in WAC play. Gustavo Alvarado earned All-Conference honors, while seven Huskies were named Academic All-Conference. In 2013, the Huskies' first season in the WAC, the Huskies went 9-7-2 overall and 4-4-2 in conference play. The Huskies lost to host Air Force in the first round of the conferece playoffs. HBU started the season 7-2-0. HBU had four players named All-Conference: Kristopher Tyrpak, Walter Kromholz, Alvarado, and Tobenna Uzo. In 2012, the Huskies' only season in the Mountain Pacific Sports Federation, HBU went 4-10-2 overall and 2-6-2 in the conference, missing the playoffs. Tyrpak was named Second Team All-Conference while Christian Cruz earned Honorable Mention All-Conference honors.

In 2011, the Huskies went 3-10-3 and 2-2-0 in their final season in the Atlantic Soccer Conference. HBU tied Longwood, 1-1, in the ASC semifinals, but lost in penalty kicks. Four Huskies were named Second Team All-Conference: Tyrpak, Marcos Escobar, Richard Ojeda, and Kromholz.

HBU had its best season in the ASC in 2010, as the Huskies went 7-8-3 overall and 3-0-1 in ASC play to earn a first-round bye in the conference tournament. After defeating Howard in penalty kicks, the Huskies lost to host Adelphi in overtime in the championship match. The Huskies swept the conference awards, as Lorne Cameron was Offensive Player of the Year, Chris Dodd was Defensive Player of the Year and Jones earned his first ASC Coach of the Year award.

In 2009, the Huskies had an overall record of 6-11-0 and a conference mark of 2-2-0. The Huskies won their first two conference matches, but then lost their final three, including an opening round 3-2 setback to host Longwood in the ASC playoffs. Five Huskies earned ASC All-Conference honors. In 2008, Jones' squad finished strong, going 4-1-1 in the final six games to finish the season 10-6-1, with a mark of 3-1 in ASC play. HBU fell to eventual conference tournament champion Longwood in the semifinals of the ASC tournament in a shootout.

In 2007, the first year of transition, Jones led his team to a 10-3-1 record and a 9-0-0 mark on the Huskies' home field. In their first and final year of NAIA competition in 2006, the Huskies, who had not fielded a soccer team in 16 years, posted a record of 10-7-1 and an RRAC tournament runner-up finish. After that successful campaign, six Huskies received All-Conference honors. Jones is now 62-73-15 at HBU.

Jones came to HBU from Texas Wesleyan University where he spent four years and led both the men's and women's teams to the 2005 Red River Athletic Conference championships. At TWU, Jones led the women's team to four playoff appearances and a record of 40-30-2, while coaching the men to a 36-33-3 record and three playoff appearances.

Prior to Texas Wesleyan, he was the head women's coach at Judson College and then the head men's coach at Northwood University. At Northwood University, Jones posted a four-year record of 43-38-2 and led the Knights to two Red River Athletic Conference championships. At Judson, he coached the women's team to a 31-30-2 record over three years, leading his 1997 team to an NCCAA regional championship.

Overall, Jones has coached collegiate teams to 18 playoff appearances, including four conference championships, four NAIA

regional semifinal appearances, the NCCAA regional championship and an NCCAA national tournament appearance. He has been selected as conference coach of the year seven times.

In addition to his collegiate coaching experience, Jones served as assistant coach for the Texas Toros, a semi-professional team in 1998. He also has organized and directed youth soccer camps for over 17 years and has coached several club soccer teams in California, Illinois and Texas, leading two teams to state cup championships.

Jones also played college soccer, beginning his collegiate playing career at Bakersfield College where he was named to the all-conference team in 1990, leading his team in goals and serving as captain.

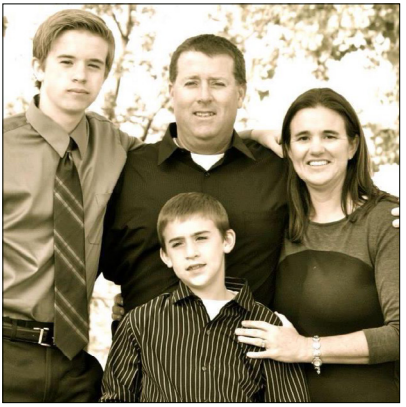

He continued his career at Fresno Pacific University where he was instrumental in winning a conference championship. Jones completed his playing career at Judson College, helping his team to the 1992 NCCAA national championship before earning his bachelor's degree.

He served a year as a high school coach before returning to Judson and becoming the head women's coach. In 1998, he took a college select women's team to China on a mission trip. Jones also served as a scout for the Dallas Burn professional soccer team from 1998-2000.

He and his wife Misty, HBU's women's soccer coach, are the parents of two sons, Brandon, 16, and Trevor, 12.

2015 Opponents

After completing its 53rd year of intercollegiate competition, the Western Athletic Conference continues to evolve and feature some of the nation's best programs. One thing that remains unchanged is the persistent nature of the schools in the WAC to advance their programs to contend at the top levels of the NCAA.

The WAC provides its student-athletes the chance to travel to scenic destinations and gain exposure in some of the nation's most diverse markets and largest metropolitan cities. In addition, the WAC's student-athletes work to achieve the highest levels of success with the academic support of their respective institutions.

In 2014-15, the WAC debuted a new digital network to give fans high quality streaming internet access to many of its regular season games and postseason championships including volleyball, soccer, swimming and diving, basketball, softball and baseball.

The WAC's history traces back to July 27, 1962, when the original six-team league of Arizona, Arizona State, Brigham Young, New Mexico, Utah and Wyoming began competition.

Since 1962, several changes have occurred. UTEP and Colorado State became members in September 1967, while Arizona and Arizona State withdrew on June 30, 1978. The WAC then added San Diego State (1978), Hawai'i (1979) and Air Force (1980). Before 1990, the WAC sponsored championships only in men's sports. However, a merger with the High Country Athletic Conference formed a single conference under one administrative structure, and the 1990-91 athletic year was the first in which both men and women competed under the WAC name. Fresno State was added in 1992, and then in 1996, the women's programs from Air Force and Hawai'i along with six new schools (UNLV, Rice, San Jose State, SMU, TCU and Tulsa) came into the WAC. Air Force, Brigham Young, Colorado State, UNLV, New Mexico, San Diego State, Utah and Wyoming withdrew on June 30, 1999. Nevada (2000), Boise State (2001) and Louisiana Tech (2001) were added while TCU withdrew following the 2000-01 season. In 2005, Idaho, New Mexico State and Utah State joined the WAC after Rice, SMU, UTEP and Tulsa withdrew. Boise State withdrew prior to the 2011-12 season. In 2012, the WAC added Denver, Seattle U, UT Arlington, UTSA and Texas State. In 2013, the WAC added Bakersfield, Chicago State, Grand Canyon, Missouri-Kansas City, Texas-Pan American and Utah Valley to join Idaho, New Mexico State and Seattle U. The new institutions replaced withdrawing members, Denver, Louisiana Tech, San Jose State, Utah State, UT Arlington, UTSA and Texas State. The WAC's current membership includes eight institutions upon Idaho's withdrawal prior to the 2014-15 season.

The WAC has had just six commissioners in its history. Paul Brechler was named the first leader of the conference and held the position from 1962-1968. He was followed by Wiles Hallock (1968-71), Stan Bates (1971-80), Dr. Joe Kearney (1980-94), Karl Benson (1994-2012) and current commissioner Jeff Hurd (2012-present).

Presently, the WAC crowns team and individual champions in 19 sports – nine men's and 10 women's. For the men, there are championships in baseball, basketball, cross country, golf, soccer, swimming and diving, tennis, indoor track and field and outdoor track and field. Championships for women are held in basketball, cross country, golf, soccer, softball, swimming and diving, tennis, indoor track and field, outdoor track and field and volleyball.

The WAC office has been located in the Denver area since the conference's inception with the exception of a two-year stay in Phoenix from 1964-66.

HISTORY

2015 HBU MEN'S SOCCER

2014 SEASON IN REVIEW

Despite having lost ***Kristopher Tyrpak*** to graduation, a player who ended his illustrious career in the Top 10 in points, goals, and game-winning goals, and who became the first MLS draftee in program history, the 2014 campaign looked bright for the Huskies, as they were returning leading scorer ***Tobenna Uzo***, who scored the most points (22) in a single season in five years and was chosen as WAC Preseason Player of the Year.

Unfortunately, the explosive scoring from a season ago didn't return and HBU stumbled to a 3-11-2 mark and a 2-8-0 record in conference play. Senior forward ***Patrick Toh*** led the Huskies with six goals and 15 points, while Uzo followed with nine points on three goals and three assists. Junior forward ***Stefan Lamanna*** and junior midfielder ***Thilo Borgmann*** each had eight points, with the former leading the way with two game-winning tallies. Senior midfielder ***Gustavo Alvarado*** had a team-best five assists. In goal, senior ***Kevin Suarez*** and junior transfer ***Philip Poser*** split time between the pipes. Poser returns in 2015 after posting a 3-4-0 record, a 1.87 goals-against average, a .750 save percentage, and one shutout in his Huskies' debut last season.

HBU defeated conference rival CSU Bakersfield for the first time in program history and ended the season with Alvarado earning Second Team All-WAC honors. Seven Huskies were recognized for their academics by the WAC at the conclusion of the season: Alvarado, junior midfielder ***Alex Baez***, Borgmann, sophomore forward ***Jordan Gregory***, junior defender ***Sebastian Henke***, junior defender ***George Kelley***, and Poser. As a team, the Huskies were recognized for their studies by the National Soccer Coaches Association of American (NSCAA), as they posted a 3.17 cumulative GPA. ***John McDuffee*** earned a perfect 4.0 GPA in the fall semester, while Borgmann and Kelley achieved the feat in both the fall and spring semesters.

The compliance office strives to be proactive with education along with having monitoring systems in place that are effective and user friendly. HBU compliance embraces open communication with faculty, staff, student-athletes and the community at large. It is compliance office's position that all questions and requests for rules interpretations shall be answered in a friendly and timely manner. In addition, it should be known that no rules violation is too minor to be reported. In responding to rule violations, the compliance office will determine whether the violation was incidental or intentional and to what effect the violation will have on the involved coach, student-athlete or administrator.

PROSPECTIVE STUDENT-ATHLETES

Who is a prospective student-athlete?

A "prospective student-athlete," better know as a "recruit" or "prospect", is a student who has started classes for the ninth grade, with the exception of men's basketball which is a student who has started classes for the seventh grade. In addition, any younger student-athlete who receives any benefits from the institution would be considered a recruit.

Recruiting

Only coaches and athletic department staff may be involved in the recruiting process. Athletics representatives are prohibited from contacting a prospective student-athlete or members of his/her family by telephone, letter, e-mail, or in person for the purpose of encouraging participation in athletics at Houston Baptist University. This prohibition remains in effect even after the prospect signs a National Letter of Intent (scholarship offer).
NCAA Recruiting Definitions
NCAA Recruiting Calendars

Visiting HBU

An "official visit" is a visit paid in whole or in part by the university and cannot exceed 48 hours in length. A prospect can make a total of five official visits, with a limit of only one per university.
Official Visit Checklist (link to .pdf file)

An "unofficial visit" is a visit made at the prospect's own expense. The university may provide (a) three complimentary tickets to an on-campus athletics event in which the university's team is competing and (b) transportation to view off-campus practice and competition sites within a 30-mile radius. Prospects can make as many unofficial visits as they want.

National Letter of Intent

The National Letter of Intent (NLI) is a binding agreement between a prospective student-athlete and an institution in which the institution agrees to provide a prospective student-athlete who is admitted to the institution and is eligible for financial aid under NCAA rules athletics aid for one academic year in exchange for the prospect's agreement to attend the institution for one academic year. All colleges and universities that participate in the NLI program agree to not recruit a prospective student-athlete once he/she signs an NLI with another college or university. Therefore, a prospective student-athlete who signs an NLI should no longer receive recruiting contacts and calls and is ensured an athletics scholarship for one academic year. The NLI must be accompanied by an institutional financial aid agreement. If the student-athlete does not enroll at that institution for a full academic year, he/she may be subject to specific penalties, including loss of a season of eligibility and a mandatory residence requirement.

Who is a "Representative of Athletic Interests?"
A "representative of the institution's athletics interests" or Booster can be an individual, independent agency, corporate entity or other organization

BOOSTERS
- Have ever made financial contributions to the athletic department, or a specific team.

Have contacted, in any manner, students in grades 9-12 regarding Husky athletic programs.
- Be assisting or to have assisted in providing benefits to enrolled student-athletes or their families.
- Have provided or arranged summer employment for student-athletes.
- Have provided benefits to a student-athlete and or their parents
- Are or ever have been a Husky season ticket holder (NCAA bylaw 13.02.13)
- According to NCAA rules, once an individual has been identified as an institutional "representative of athletic interests" the individual IS A BOOSTER FOR LIFE!
- Houston Baptist University is ultimately responsible for the acts of all "representatives of athletic interests" in relation to NCAA rules and regulations.

Important Reminders
- Boosters cannot be involved in the recruiting process.
- Only HBU staff members may be involved in the recruiting process. Boosters who are not employed by HBU may not contact a prospect in any way.
- Boosters my not have any involvement with a prospect during an official or unofficial visit to the HBU campus.
- Boosters may continue to maintain pre-existing relationships with neighbors and friends who have prospect age children as long as you do not encourage participation in HBU athletics.
- You may not contact an enrolled student-athlete at another institution for the purpose of encouraging transfer to HBU and participation in our athletic program.
- Boosters may not provide benefits of any kind to prospects or their families.

Boosters CANNOT:
- Provide cash or loans in any amount.
- Sign off or co-sign a note with an outside agency to arrange a loan.
- Employ relatives or friends of a prospect as an inducement for the enrollment of the prospect at HBU.
- Provide gifts of any kind (e.g. birthday) or free services (airline tickets, laundry, meals in restaurants).
- Provide discounts for goods or services.
- Provide use of an automobile.
- Provide hospitality or lodging in your home.
- Provide them transportation within or outside of the campus area. (e.g. from campus to your home, from the airport to campus, to summer job, etc.)
- Entertain or contact a prospect or prospect's parents on or off campus.

Boosters CAN:
- Attend high school and junior college athletic events assuming no attempt is made to contact the prospect or his/her coaches.
- You May attend a public event (high school awards banquet) at which prospects are in attendance. No attempt should be made to recruit the prospect.
- You May discuss summer employment arrangements with a prospect AFTER he/she has signed a National Letter of Intent.
- You are permitted to play "pick up" basketball or softball games, continue neighborhood picnics or backyard barbecues and engage in your normal activities with the prospect and their family and friends. Again, you simply are not permitted to discuss the athletic program.
- Reminders regarding relationships with currently enrolled HBU student-athletes:

DO NOT employ or arrange employment for a prospective or enrolled student-athlete without checking first with the HBU Athletic Department. The department is permitted to make arrangements for summer employment for prospects prior to enrollment as freshmen and to enrolled student-athletes during the summer and semester breaks. Stringent rules apply in these instances and written records must be kept regarding employment.

DO NOT provide transportation for prospects or student-athletes in your employ unless transportation is provided for all employees.

DO NOT provide employment for student-athletes during the academic year without contacting the HBU Athletic Department first. The NCAA has strict rules about the amount and source of outside funds during the academic year.

DO NOT provide a student-athlete or friend discounted clothing, reduced rent, or any other benefits. The NCAA considers these extra benefits and they are specifically prohibited.

DO NOT provide room and/or board or any type of transportation during the summers for a student-athlete with eligibility remaining.

DO NOT provide any payment, expense or loan of an automobile for student-athlete to return home or to any location for ANY reason.

DO NOT provide lodging or transportation costs incurred by friends or family of an enrolled student-athlete to visit campus or attend an away athletic contest.

DO NOT expend funds to entertain student-athletes, their friends or relatives. You are not even permitted to buy soda or a cup of coffee for them.

DO NOT use the name or picture of an enrolled student-athlete to directly advertise, recommend or promote sales or use of a commercial product or service of any kind. Even the sale of a picture of an enrolled student-athlete would jeopardize his/her eligibility.

DO NOT provide awards or gifts to a student-athlete for his or her athletic performance. All awards must conform to NCAA regulations and must be approved by HBU.

DO NOT allow a student-athlete, his/her friends or relatives to use your telephone to make long distance calls even if it is a free call. THIS INCLUDES CELL PHONES!

DO feel free to invite an HBU team for dinner or to meet with a group of alumni in a city where they are competing. The NCAA permits student-athletes, AS A TEAM, to receive special benefits not permitted as individuals. Arrangements for such events can be made in advance with the head coach or Athletic Department.

Dr. Robert B. Sloan Jr.

University President

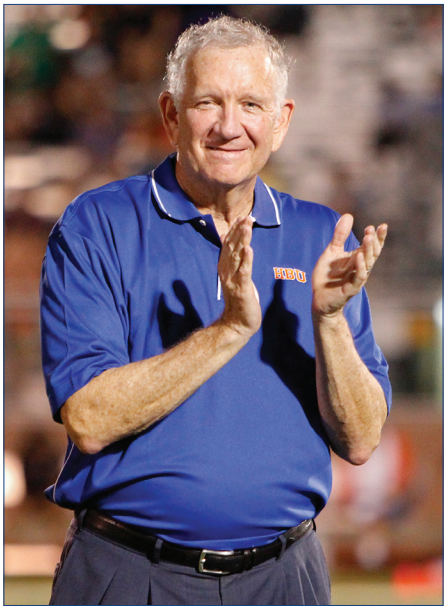

Dr. Robert B. Sloan Jr. is in his ninth year as President of Houston Baptist University, the third president in the school's history. He came to HBU from Baylor University, where he served as both Chancellor and President.

HBU has seen tremendous growth in Sloan's first eighth years as President. Enrollment has increased, building is happening all over campus and the Huskies have moved back to NCAA Division I. This is all part of Sloan's vision to make HBU one of the premier Christian institutions in the country.

Born in Coleman, Sloan grew up in Abilene before attending Baylor and earning a bachelor of arts degree cum laude, graduating "With Distinction." In his freshman year, Sloan was a member of Baylor's baseball team. He then earned a master of divinity degree magna cum laude from Princeton Theological Seminary before conducting postbaccalaureate research in church history at the University of Bristol, England, and earned the Doktor der Theologie degree insigni cum laude from the University of Basel, Switzerland.

Before returning to Baylor to join the faculty of the Department of Religion, he taught at Southwestern Baptist Theological Seminary and adjunctively at Hardin-Simmons University. He was the first to hold the position of chair of the George

W. Truett School of Evangelism at Baylor and became founding Dean of Truett Seminary in 1993. Two years later, Sloan was named President of Baylor University. Ten years later, in 2005, Sloan was named Chancellor.

While holding a full-time academic position, Sloan served as interim pastor of more than 20 churches throughout Texas and Oklahoma. He has also authored two books, edited several and published more than 50 articles during his career.

Sloan has held memberships in many professional societies and learned organizations. He has held numerous civic positions in the Waco area and has served on the board of Independent Colleges and Universities of Texas, the American Association of Presidents of Independent Colleges and Universities, the Big 12 Athletic Conference Board of Directors, and the Group of 6 (six major athletic conferences). He was inducted into the Little League Hall of Excellence in 1996.

Married to the former Sue Collier, the Sloans have seven children, a daughter-in-law and three sons-in-law: Charissa, Bryan and Amy, Eraina and Bryan, Michael, Alathea and Justin, Sophia and Mac, and Paul.

They are also the proud grandparents of seven grandchildren.

Steve Moniaci

Director of Athletics

Steve Moniaci was named the Director of Athletics at HBU on Feb. 1, 2010 after serving as interim director since May 2009. In his role, he oversees the day-to-day operations of the athletic department and its 17 NCAA Division I sport programs. He came to HBU in January of 2007 as the associate director of athletics, after 26 years across town at Rice University.

During his five-plus years as director of athletics, HBU has successfully transitioned back to NCAA Division I membership status, joined the Southland Conference, and started a football program, which competes in the Football Championship Subdivision (FCS). Moniaci was pivotal in the construction of HBU's new 5,000-seat on-campus football venue, Husky Stadium, which debuted on Sept. 6, 2014, as HBU hosted McMurry in the season opener.

As members of the Great West Conference, HBU won four-straight women's golf titles and also won championships in volleyball, women's soccer, indoor track and field, softball and baseball. "MONTY": HBU LEGEND

Colin Montgomerie solidified himself as the most recognizeable figure in HBU athletics as he was inducted into the World Golf Hall of Fame in 2013.

He played golf for the Huskies from 1983-87, earning All-America honors in 1986 and 1987, Trans America Athletic All-Conference honors in 1985, 1986 and 1987, and TAAC Player of the Year in 1985. He led the Huskies to the TAAC team championship in 1984, 1985 and 1986, and won the 1985 TAAC individual title with a tournament-record score of 11-under par 205. HBU made three-straight NCAA Championship appearances with Montgomerie from 1985-87.

After his collegiate career at HBU, Montgomerie became a professional on the European Tour in 1987 and was named the 1988 Sir Henry Cotton Rookie of the Year. He then went on to win a record eight European Tour Order of Merit titles from, seven-straight from 1993-99, then again in 2005. Montgomerie earned European Tour Player of the Year honors in 1995, 1996, 1997 and 1999. He was named Order of the British Empire officer in 2005.

The Glasgow, Scotland, native had a distinguished career as a member of eight European Ryder Cup teams, compiling a 20-9-7 record and never losing a singles a match. His 23.5 points in Ryder Cup play rank third, only 1.5 points behind the all-time leader. Montgomerie was named captain of the European squad for 2010 and led them to a 14.5-13.5 victory at Celtic Manor in Newport, South Wales.

After recording 45 total victories on tour, which included 31 wins on the European Tour, Montgomerie has posted six victories on the Champions Tour and European Seniors Tour. In 2014, he captured a pair of major titles, winning the Senior PGA Championship by four strokes over Tom Watson and the U.S. Senior Open in a playoff. In his victory at the Travis Perkins Masters in August 2014, former HBU teammate Tim Thelen finished as the runner-up. Already in 2015, he has added another Senior PGA Championship to his resume.
