## MEDIA INFORMATION

**Working Credentials:** Requests for media credentials should be directed to the HBU Athletic Media Relations Office and received no fewer than 48 hours prior to the event. Upon acceptance of application, the appropriate passes will be held for pickup at Husky Stadium Will Call on gamedays or at the HBU Media Relations Office in Sharp Gym prior to gamedays. Working press members will be seated in the press box as space allows and outlets which cover HBU regularly will be given priority. The photographers' work area is located in the weight room across the field in between in the home and visiting locker rooms, so all photographers should utilize that space.

**Radio Broadcasts:** Application for broadcasting permission must be made in writing to the HBU Media Relations Office at least one week prior to each contest and is available on a reciprocal basis. Seating will be provided for no more than four people. Any station other than the designated official station of each visiting institution will be charged a \$100 rights fee.

**Student-Athlete Interviews:** All requests for player interviews, either in person or via phone, must be arranged no less than 24 hours in advance through the HBU Athletic Media Relations Office. No student-athlete interviews will be granted on gamedays until after the contest. HBU student-athletes will be available after games following the NCAA mandatory 10-minute cooling-off period. Mondays, Tuesdays and Wednesdays are the best days for student-athlete interviews, so please contact Assistant AD for Media Relations and Broadcasting Russ Reneau (rreneau@hbu.edu or 281.923.0813) with your request.

**Coach Interviews:** Head coach Vic Shealy will be available in the designated media area following each game after a postgame meeting with the team. Please contact Russ Reneau, for Coach Shealy's availability during the week.

**General:** The HBU Athletics Media Relations Office will accommodate each request to the best of its ability. The more advance notice is given, the easier it will be to provide media outlets with the best access to HBU Athletics as possible.

# HUSKY STADIUM

Construction on Husky Stadium began in 2013 and was completed in time for HBU's first official NCAA contest against McMurry on Sept. 6, 2014.

The facility was made possible due in large part to a donation by Houston Texans owner, the late Bob McNair, and his wife, Janice. McNair Plaza, which features a clock tower at the entrance of the stadium, was dedicated on Sept. 12, 2015.

The Huskies recorded their first win at the stadium and their first Southland Conference victory with a 31-21 Homecoming decision over Nicholls on Oct. 25, 2014.

Home-field advantage played a huge role in the Huskies' breakout 2016 season, as HBU went 3-2 at home. The Huskies posted victories over crosstown rival Texas Southern, an overtime victory over Abilene Christian and its first-ever win over Stephen F. Austin. HBU posted a program-best four wins at home in 2019.

The stadium is located at the intersection of Fondren Road and Beechnut Street on the southeast corner of campus. Husky Stadium seats 5,000 and features a Desso field turf surface. The facility also houses the HBU football locker and equipment rooms, a training room, weight room and visiting locker room, which can also be used for soccer events at the adjacent Sorrells Field.
