TALON TIDBITS

- Cayla Petree has talked about wanting to have a fast offensive style, and the Eagles are hoping to improve on their 6.1 fast break points per game last season. Their highest total of fast break points in a game in 2020-21 was 22 points against Transylvania.
- First year head coaches at Morehead State are a combined 108-127 in their inaugural seasons. The high water mark for most wins from a first year head coach in program history belongs to Tom Hodges, who won 21 games in the 2010-11 season.
- Tyler Moore returns as the leading three-point shooter from last season for the Eagles. In 2020-21, Moore shot 40 three-pointers and was good for 33% from beyond the arc.
- Tyler Moore recorded seven rebounds against Michigan State, the most rebounds she's had in a game in her time at Morehead State. Moore has only exceeded seven rebounds one time in her collegiate basketball career, where she pulled down eight boards her freshman year at UMBC in December 2016.
- The last matchup between the two regional foes, who used to be OVC rivals, was in 2015 due to a cancellation last season. The game was the highest scoring between the two programs, with the Herd hanging on for a 104-101 victory after watching a 25 point lead nearly evaporate in the final 4:20 of the game.
- Road games at Power Five conference schools and historically difficult for the Eagles, especially under new head coaches, but don't always reflect the season's outcome. The 2010-11 Eagles, under new head coach Tom Hodges, opened the year with lopsided losses at Kentucky and Notre Dame, including a 91-28 outcome against the Fighting Irish, but went on to win 21 games, a record for first year head coaches at Morehead State.

HEAD COACH CAYLA PETREE

Sporting 250-plus career victories, four National Tournament appearances and one Women's Basketball Coaches Association National Coach of the Year honor, Cayla Petree is in her first year leading the Morehead State women's basketball program.

Petree joins the Morehead State program after a single season at Gulf Coast State College (Panama City, Fla.) that culminated in a trip to the National Junior College Athletic Association Women's Basketball National Tournament in Lubbock, Texas. The Commodores earned the No. 15 national seed at the NJCAA National Tournament.

En route to the NJCAA National Tournament, Gulf Coast State finished runner-up in the Florida College System Activities Association/NJCAA Region VIII Championship, knocking off No. 1 seed and eventual National Champion Northwest Florida State in the process with the loss being one of only two suffered by Northwest Florida State on the season.

Under Petree's guidance, the Commodores led NJCAA Region VIII in scoring, averaging 75.0 points per game, exceeding the average in 13 of the team's 22 games on the season. Guard Nia Daniel led Gulf Coast State in scoring in 2020-21, averaging 22.7 points per game to lead NJCAA Region VIII and rank fourth in the NJCAA in scoring, earning Daniel First Team All-American honors.

Prior to her time at Gulf Coast State, Petree led South Plains College (Levelland, Texas) for five seasons, amassing a 127-36 overall record and three NJCAA National Tournament appearances.

Petree's best season at the helm of the Texans program came in her final campaign in 2019-20 as South Plains College wrapped the season with a 32-1 record, including a 26-game win streak to open the year, to earn the No. 2 national seed in the NJCAA National Tournament, prior to the Covid-19 global pandemic. Despite the abrupt end to the campaign, the season culminated in National Coach of the Year honors from the WBCA, NJCAA, and WhoopDirt.com.

The 2018-19 season proved a historic season for South Plains College as the program finished 30-5 and earning an at-large bid and No. 10 overall seed for the NJCAA National Tournament. The season saw Petree garner Western Junior College Athletic Conference Coach of the Year honors, being named a WBCA National Coach of the Year finalist after leading the Texans to the program's first-ever No. 1 national ranking—joined by the 2019-20 club for the program's only two No. 1 national rankings.

Leading the 2018-19 Texans, guard Gabbie Green achieved NJCAA and WBCA All-American status under Petree's tutelage. Green also added NJCAA Region V Player of the Year honors during the season while guiding South Plains College to an NJCAA Elite Eight appearance, averaging 14.4 points per game, including scoring in double figures in 23 games on the season.

Petree's 2016-17 squad made a trip to the NJCAA Sweet Sixteen after earning the No. 9 national seed following a 28-6 season. The season also featured the first of three WBCA National Coach of the Year finalist selections in Petree's South Plains College tenure.

Her first season (2015-16) at the helm of the Texans program saw Petree engineer an 11-win turnaround for the program, claiming the program's first 20-win campaign in two seasons as South Plains College finished 20-11 on the year. In addition to the team's 11-win turnaround, the Texans improved their scoring average by nearly 13 points in Petree's first season.

During the 2013-14 and 2014-15 seasons, Petree helmed the Angelo State University (NCAA Division II; San Angelo, Texas) program, leading the program to a pair of Lone Star Conference Tournament appearances.

Petree spent the 2012-13 season as an assistant at North Texas, helping the Mean Green earn the No. 6 seed in the Sun Belt Conference Tournament—North Texas's final Sun Belt Tournament prior to joining Conference USA. In her lone season with the Mean Green program, Petree tutored 2013 Sun Belt Freshman of the Year and future Women's National Basketball Association draft pick Loryn Goodwin who set the North Texas single-season record for three-pointers made while averaging 13.1 points per game and leading the conference in steals (83).

Petree's head coaching career began at her alma mater, Cisco College (Cisco, Texas), during the 2006-07 season, debuting as one of the youngest head coaches in the NJCAA. Taking over a program that hadn't won a game in two seasons, she engineered a massive turnaround, leading the Wrangler program to three 20-win seasons and three NJCAA Region V Tournament appearances in her six seasons at the helm, guiding the program to 93 wins during her tenure.

Starting her coaching career, Petree was an assistant at New Mexico Junior College (Hobbs, N.M.) during the 2005-06 season.

Prior to her coaching career, Petree played two seasons at Cisco College before playing a single season at Texas Tech with the Red Raiders advancing to the 2003 NCAA Women's Basketball Championship Elite Eight in her lone season in Lubbock, Texas.

Petree earned a Bachelor's of Science Degree in exercise and sport sciences and a Master's of Science Degree in sport management from Texas Tech in 2004 and 2006, respectively.
