

# HIGH POINT UNIVERSITY VOLLEYBALL CHAMPIONS CLUB

## MEMBERSHIP TIERS

The Champions Club helps our volleyball student-athletes achieve their best both on and off the court. The primary focus of this organization is providing financial support for the day-to-day operations of the volleyball program. This funding is vital for us to continue to grow our program and to provide our volleyball student-athletes with enhanced resources. This will assist them in achieving their specific goals both academically and athletically.

The Champions Club also serves to promote the HPU Volleyball program and enhance the player/ fan relationship. We want to elevate the game-day atmosphere, build our fan base, engage our volleyball alumni and attract new support for our team. As a member of the Champions Club, you have the opportunity to receive exclusive gear, attend pre-game chalk talk meetings with the coaching staff, receive invitations to the Champions Club events and access the hospitality area in the Millis Center.
