HINDS ATHLETICS

Werremeyer begins as Hinds AD

Nathan Werremeyer began work July 1 as Hinds Community College Athletic Director, succeeding Gene Murphy, who retired Feb. 28.

A Missouri native, Werremeyer served most recently as Assistant Athletic Director and Compliance Coordinator at Dodge City Community College in Dodge City, Kansas, and at Mineral Area College in Park Hills, Mo., where he served for five years. Prior to that, he served nine years as an athletic trainer for Athletico Physical Therapy in Farmington, Mo.

"After an extensive search, I am pleased that Hinds Community College has selected an athletic director with the experience and knowledge of NJCAA athletics that Mr. Werremeyer brings," said Randall Harris, vice president of Operations and Student Services. "We look forward to having Mr. Werremeyer lead our athletic department along with our fundraising efforts as we move into the next era of Hinds athletics."

At Dodge City, he was responsible for all conference, Region VI and NJCAA compliance, including all paperwork required to establish athletes' eligibility, fiscal management of the athletic scholarship and operational budgets as well as overseeing aspects of business, sports and facility operations for many of the college's 17 sports. This past year, Werremeyer spearheaded the transition to a new Electronic Medical Records (EMR) system as well as helping to establish a new online ticketing system for all games.

He served on numerous health and safety committees through the COVID-19 pandemic that helped develop policies and procedures for a safe return to campus and games last year. Since 2011, he had also served as the college's Division Chair for Health, PE and Recreation while continuing to serve as an adjunct instructor at Mineral Area College, teaching Intro to Sports Management, Principles of Strength Training and Care and Prevention of Athletic Injuries.

"Words can't begin to express the appreciation I have for President Vacik and VP Harris for choosing and entrusting me to lead Hinds Athletics into the next chapter," Werremeyer said. "This is an incredible opportunity and I can't wait to get started!"

He received a bachelor's degree in Athletic Training and Health Education at Central Methodist University in Fayette, Mo., in 2007 and a master's degree in Sport Management at Missouri Baptist University in St. Louis in 2014.

He is a member of a number of professional and civic organizations, including the National Association of Collegiate Directors of Athletics and the National Alliance of Two-Year College Athletic Administrators.

He and his wife Sarah have two sons.

Welcome to Hinds Community College! We hope you enjoy your visit with us.

On behalf of our coaches, new athletic director, faculty and staff, thanks for your interest in and support for Hinds' athletic programs.

As I head into my second year as president — and into our second fall of struggling through the COVID-19 pandemic — I want you to know that our commitment to excellence and high standards in our athletic programs has not wavered. We remain committed to offering the very best programs possible to our students, both inside and outside the classroom.

Despite the challenges of the last few months, our student-athletes have continued to make us proud through good citizenship and athletic achievements. During the 2020-2021 academic year, four athletic teams received recognition for academic excellence from the National Junior College Athletic Association. Individually, 39 student-athletes were recognized for academic excellence from the NJCAA during the year.

These achievements are important to us because we know that athletics is a primary medium to advance learning opportunities and fulfill the educational goals of many of our students. Additionally, our athletic teams remain a force to unite us and give all of us some fun and healthy competition to look forward to.

Thank you for your continued support of Hinds and our athletic programs. Let's go Eagles!

Welcome to Gene Murphy Field at Joe Renfroe Stadium on the beautiful campus of Hinds Community College, the largest community college in the state of Mississippi. We are in a new era of Hinds Athletics and I hope you are as excited as I am to be part of it.

Hinds Community College has a rich and storied tradition of academic and athletic excellence that we are dedicated to continuing for decades to come. We have won the David Halbrook Academic Excellence Award more than any other MACCC institution, which proves our commitment to being a student-first athletic department.

We have many great things planned for the future, so I hope that you will be encouraged to join us on this journey. We welcome everyone to join us Sept. 23 as we honor former head football coach Gene Murphy and his former players as the Eagles take on Mississippi Gulf Coast Community College. Another big night for Hinds is Oct. 7 as we celebrate Thursday Night Lights so please join us for that. And don't forget to join us for homecoming festivities on Oct. 21 against East Central Community College.

COACHES

LARRY WILLIAMS
Head Coach

Larry Williams, the head coach of the Eagle football program, has been with Hinds since 2013. Williams was the defensive coordinator prior to being named the head coach in 2017. Despite only playing four games in 2020 due to the COVID-19 pandemic, Williams led his squad to a 3-1 record, his third season with a winning record at the helm.

In his third season in 2019, Williams led the Eagles to a final national rank of eighth according to the National Junior College Athletic Association (NJCAA) as they advanced to the Graphic Edge Bowl in Cedar Falls, Iowa. Ten Eagles were recognized for their play on the field by the Mississippi Association of Community and Junior Colleges (MACJC) as well as the NJCAA while 17 Eagles inked with a four-year university on signing day.

In fall 2018, the Eagles were ranked as high as 13th in the NJCAA. Under the tutelage of Williams, 11 Hinds Community College football players were recognized by the MACJC along with NJCAA for outstanding play on the field.

In his first season, Williams led Hinds to a 6-3 overall record and the Eagles' first berth in the MACJC playoffs since 2013, rebounding nicely from a 2-7 finish in 2016.

Five players from his 2017 squad received MACJC First Team All-State honors, including four who were named to the NJCAA All-Region 23 team. Additionally, three players received Second Team MACJC All-State Honors and 14 received honorable mention.

His 2017 team also finished in the top 25 in 19 team statistical categories, including yards per game, first downs, third down conversions, third down conversion percentage, kick return average and red zone percentage.

"My main goal is to continue to build upon the great tradition of this football program and to make Hinds a household name in the state of Mississippi," Williams said.

Williams is no stranger to Mississippi junior college football. As a player, he led the Mississippi Delta Trojans to an undefeated season and the 1993 NJCAA national championship. He made second-team NJCAA All-American in the process. He continued his playing career at Mississippi State University as a defensive end under former head coach Jackie Sherrill, where he led the Bulldogs in sacks in both 1994 and 1995 and was selected as the Bulldogs' Most Valuable Defensive Player in the Peach Bowl. In the game, he collected a sack as well as a forced fumble and fumble recovery against North Carolina State to finish with 12.5 sacks for this career in Starkville.

He earned his bachelor's degree in interdisciplinary studies from Mississippi State after spending time with the NFL's Baltimore Ravens and the Scottish Claymores of the World League of American Football.

After his playing days, Williams returned to MDCC to begin his coaching career. He served as the Trojans' defensive coordinator and defensive line coach from 1997 to 2002. He helped guide Delta to a pair of state runner-up finishes (1997 and 2001). After MDCC, Williams was the defensive coordinator at Hinds from 2003 to 2009, leading the Eagles to a state runner-up finish his first year.

In 2012, he served as defensive coordinator at Copiah-Lincoln Community College, helping lead the Wolfpack to the 2012 MACJC state championship. He had spent the 2010 season as the defensive line coach at East Mississippi Community College. Williams returned to Hinds in 2013 and had an immediate impact on the Hinds defense. In his first season back in Raymond, his defensive unit finished 14th in the nation in total defense

Williams currently resides in Raymond with his wife, Diane.

KELLY MURPHY
Assistant Head Coach/
Offensive Coordinator

Kelly Murphy has been with the Eagle football program since 2008, serving as an assistant coach and offensive coordinator.

Murphy's offenses consistently rate as one of the nation's best. In 2018, the Hinds offense put up more than 3,100 total yards and averaged 345.1 yards per game. His offense also featured one of the best rushing attacks in the National Junior College Athletic Association (NJCAA), averaging 163.7 yards per game.

In 2017, the Eagles finished in the top 25 nationally in eight offensive categories including yards per game, touchdown passes, yards per rush, first downs, third down conversions, rushing yards per game, red zone percentage and time of possession.

Since 2012, his offenses have finished ranked in the top 25 nationally more than 80 times in several categories.

Since 2010, Murphy has seen 13 of his offensive players receive First Team All-Mississippi Association of Community and Junior Colleges (MACJC) honors and eight offensive players be selected to the All-NCJAA Region 23 team.

Five players Murphy has coached have made National Football League rosters. Those include Javon Wims (Chicago Bears), Norman Price (San Francisco 49ers, Jacksonville Jaguars, Carolina Panthers), Deon Anthony (Kansas City Chiefs), James Summers (Pittsburgh Steelers) and Matt Willis (Cleveland Browns).

Murphy coordinated one of the nation's most explosive offenses in 2010. Running back Matt Willis finished fifth in the country in total rushing yards while quarterback Anthony Sheppard was 10th in the country in individual passing, as well as 18th in total individual offense. Willis was later named to the NJCAA All-American team for his exploits.

Murphy played for Hinds in 1997 and 1998 before spending the 1999 and 2000 seasons as a graduate assistant coach. During his time at Hinds, he was a part of two state championship teams, one in 1997 as a player, and one in 2000 as a graduate assistant coach.

The Central Hinds Academy graduate also was part of the 1999 state runner-up team as a coach. Murphy, who coaches the Eagles quarterbacks, came back to Hinds from Wayne County High School, where he served as the defensive coordinator and linebackers coach for a program that won the 2002 (5A), 2003 and 2006 (4A) State Championships.

Murphy also won a 2A State Championship at Ackerman High School in his lone year at AHS in 2001.

Murphy received a bachelor's degree from Mississippi State University and a master's degree from the University of Southern Mississippi.

He and his wife Katie, a former Hinds cheerleader, live in Madison with their two sons, Thomas and Rhett, and a daughter, Lainey Kate.

JOHN HENDRICK
Defensive Coordinator/ Linebackers Coach

John Hendrick joined the Eagle coaching staff in summer 2021 as the defensive coordinator.

Previously, Hendrick was named the interim head coach at Jackson State University in October 2018, before being named head coach a month later. He also served as the head coach at Benedict College from 2003 to 2006.

For the 2012, 2013 and 2015 seasons, Hendrick spent some time in the Southwestern Athletic Conference (SWAC), serving as the special teams/defensive ends coach at Alabama State University. He also was the special team's coach at the University of Arkansas-Pine Bluff for a short time.

In 2011, Hendrick spent a season at Tulane University as the special teams/defensive line coach. Several years earlier, Hendrick had a similar role at the University of South Florida for the 2008-09 seasons.

His defensive coordinator experience dates back to 2007, when he led the South Carolina State University defense. Hendrick's defense held opposing offenses at bay, intercepting 11 passes, forcing 19 fumbles and recording 17 sacks.

Hendrick coached twice at the professional level in the NFL Fellowship Program beginning in 1991. In his second stint with the NFL Fellowship Program, Hendrick coached with the Philadelphia Eagles. After his NFL coaching days, Hendrick coached at Temple University as the associate head coach/ defensive line coach. He later landed in Starkville at Mississippi State University for eight years, serving as the defensive line/ special teams coach.

In 1999, Hendrick's coaching helped Mississippi State's defense lead the nation in total defense, while allowing 222.5 yards of total offense and 66.9 rushing yards per game. His other experience coaching at the Division I level includes a two-year stint at Texas A&M University in 1987-1988 as the offensive line coach, and two more seasons at LSU as the offensive tackles and tight ends coach.

SEASON PREVIEW

The Hinds Community College football Eagles look to have their third consecutive winning season in 2021. In 2019, Hinds football competed in the Graphic Edge Bowl and finished eighth in the National Junior College Athletic Association (NJCAA) with a 7-3 overall record. In a shortened 2020 season due to the COVID-19 pandemic, the Eagles went 3-1, with their only loss coming against Mississippi Gulf Coast Community College, the 2019 national champions.

"We're excited for another chance to play after the shortened season last year," said head coach Larry Williams. "One thing we are trying to get across to our players is that we need to finish strong every game."

OFFENSE

The Eagle's offense returns seven starters with hopes of having the same offensive success from 2020. In 2020, the Eagle offense had a balanced attack, averaging 231 yards on the ground and nearly 213 through the air.

"This year, we have more depth than we have ever had," said offensive coordinator Kelly Murphy. "We have a returning quarterback who was one of the better quarterbacks in the league. We also have a lot of depth and experience at receiver and running back. I'm excited to see what this special group can do for us this year."

Dual-threat quarterback **BeSean McCray** (Orlando, Fla.) will be under center for the Eagles in 2021. McCray will be backed up by freshman **Ruben Lee II** (Moss Point).

In the backfield, the Eagles return sophomore **Cedric Phillips** (Vicksburg), who will be backed up by freshman **Jamarian Samuel** (Ocala, Fla.).

At wide receiver, the Eagles return several experienced players. Among those names are **Tabashi Thomas** (Douglasville, Ga.), **Deontez White** (Jackson), **Jaiden Burns** (Canton) and **Niselbyion Kirk** (Louisville). Other receivers vying for time include **Jeffrey Malone** (Macon), **Cade Shepherd** (Flora), **Kyziah Pruitt** (Macon) and **Kaleb Mosley** (Louisville).

Sophomore **Malik Banks** (Yazoo City) and freshman **Carsson DeYoung** (Clinton) will fight for time at the tight-end/H-back spot for the Eagles in 2021.

The offensive line will be anchored by sophomores **Chris Winston** (Vicksburg), **Jeremiah Brown** (Canton), **Jonquez Roby** (West Point), **Justin Bryant** (Pearl) and **Braidron Hodo** (Greenwood). Sophomore **Jordan Aaron** (Columbia), along with freshmen **Michael Martin Jr.** (Hattiesburg), **Thomas Simmons** (Canton), **Kendall Watkins** (Raymond) and **Melvin Jones** (Jackson), will provide the needed depth in the trenches.

DEFENSE

On the defensive side of the ball, the Eagles look to continue to smother opposing offenses. Through the four games played in 2020, the Eagles forced six fumbles, had 21 tackles for loss and recorded three interceptions.

The defensive line will be led by sophomores **Reginald Shepherd** (Sebastopol), **Reginald Barnes** (Pascagoula), **Jaylan Ware** (Starkville) and **Stefon Smith** (Indianola). These four sophomores combined for 24 tackles and seven tackles for loss. Sophomores **Jaylon Ned** (Lake Charles, La.), **Brandon King** (Ruleville), **Justin Lee** (Columbia), **Isaac Lee** (Petal), along with freshmen **Da'Vonta Jackson** (Greensboro, Ala.), **Desmond Barkley** (Stockbridge, Ga.) and **Tramaine Chism** (Tuscaloosa, Ala.) bring more talent and depth to the defensive line.

Linebackers will be led by sophomores **Thaddeus Bishop** (Jackson) and **Taylor Hunt** (Flowood). Also vying for time at linebacker for the Eagles will be sophomores **Anthony Bullock** (Columbia), **Malik Sims** (Vicksburg) and **Ryan Davis** (Clinton), along with freshmen **Jalen Wells** (Forest) and **Pizzarro Travis Jr.** (Canton).

PLAYER DEVELOPMENT

Our main goal is the overall development of the student-athlete. Each player's development is individualized to meet their specific needs both on and off the field. We make every effort to provide our players with the physical, psychological and spiritual resources to be as well-rounded as possible, resulting in improved performance on the field, in the weight room, in the classroom, and in the community. Since 1980, Hinds has had more than 100 players move on to play in the National Football League. Since 2017, 36 players have moved on to continue their careers at four-year universities. Currently, there are four former Hinds Eagle football players playing in the National Football League.

COMMUNITY

We see it as important that our student-athletes give back to the community. Each year many players make an impact in the community by participating in events such as Read Across America at local elementary schools and races with Ainsley's Angels as well as volunteering at Children's of Mississippi hospital.

ACADEMIC EXCELLENCE

It is our ultimate focus to prepare our student-athletes for the future and to make sure they are academically successful and, thus, eligible to transfer to their school of choice. We provide our student-athletes with resources such as private tutors, ample study hall hour, and academic advisors to ensure each individual's success. Each year, the Halbrook Award is given out to the community college and university institutions with the highest graduation or completion rate of student-athletes. We have won the Halbrook Award more times than any other two-year college in the state of Mississippi. DeMichael Harris was the most recent football player to win the Annual Eagle Award for excellence on the athletic field, in the classroom and in the community, for 2017. Additionally, the Eagle football program has had numerous players named Who's Who among American Junior Colleges.

TERRI SHORES BLACK

Basketball and Softball Coach
1980-2015

Jackson native Terri Shores Black came to Hinds in 1980, where she began making a mark on the college's athletic programs that lasts to today.

Following her days at McCluer Academy and playing basketball at Mississippi College and the University of Mississippi, Black became an assistant women's basketball coach under head coach Rene' Warren. She became head coach herself when Warren became athletic director. She directed the team until 1988, when basketball was moved to the Utica Campus. She was named to coach the Mississippi Junior College All-Star team in 1984.

She also stepped in to coach the tennis team for three years in the 1980s and was Health and Physical Education Department Chair from 1988-1992. In 1993, she returned to the basketball team as an assistant to head coach Lester Owens for four years.

Most recently, she was head softball coach from 1998-2005, a time when the sport moved from slow pitch to fast pitch on the national level. In 1999, the Lady Eagles won the Mississippi Association of Community and Junior College and Region 23 championships and finished third in the nation. For her part, she was named MACJC Softball Coach of the Year.

Her record of service is 42 years and counting, as she continues to serve as a part-time instructor in the Health, Physical Education and Recreation Department.

Her work to support the entire college has also continued, having umpired the annual Monster Mash Fundraiser for Blair E. Batson Children's Hospital and played in the Hinds Community College Foundation's Golf Fun Fest each year since its inception in 1987. She initiated the Polly Rabalais Golf Award, named for the former Hinds golf coach and presented each year at the Fun Fest. She has also served several years on the Hinds Sports Hall of Fame Selection Committee.

TYRONE JOHNSON

Football
1981-1982

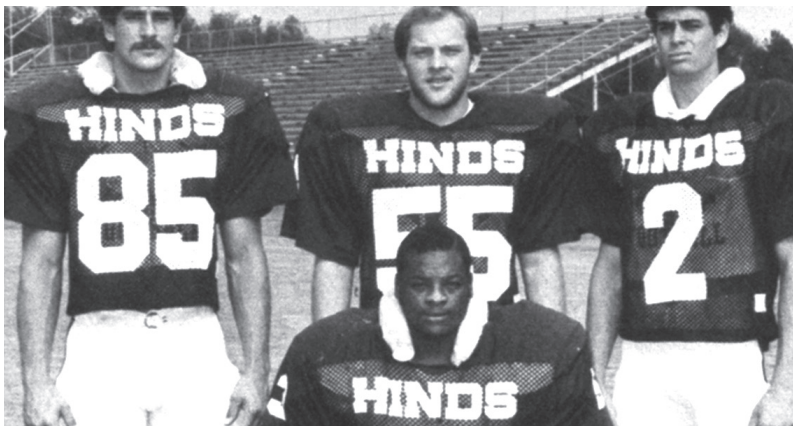

Humble and hardworking are words used to describe Tyrone Johnson by former Hinds assistant football coach Doug Fowler.

Johnson led the Eagles in tackles in both seasons of his career at Hinds. In 1982, he was a Junior College All-American in addition to being First Team All-State and Defensive MVP. He was also selected to the North-South Junior College All-Star Game. He came to Hinds from Vicksburg High School, where he was a two-time First Team All-Area and All-Conference linebacker.

He continued his college football playing career at East Carolina University, where he led the Pirates' defense in tackles and was Defensive Outstanding Newcomer. He was voted team captain in 1984 and was Defensive MVP. Off the field, he attended graduate school at ECU and earned a master's in Education Administration. He also spent time on the coaching staff, as linebackers coach. Among his players was George Koonce, who went on to be an eight-year starter for the Green Bay Packers.

That began a successful run in coaching, starting at Chowan College, in Murfreesboro, N.C., then at Beddingfield High School, in his current home city of Wilson, N.C. He served as head coach there for 21 years, claiming 17 playoff berths and winning six conference titles and five conference Coach of the Year honors.

JOHN MILLER

Soccer
1993-1994

John Miller was already a prolific goal-scorer on the soccer field with Wingfield High School upon entering Hinds in 1993 as one of the first scholarship varsity soccer players.

Miller set the school record with 31 goals for an 11-3 squad his senior year. At Hinds, he duplicated the honor, setting the college's single-season record with 15 goals in just 14 games in 1994. At the same time, he scored goals in 32 straight games with the Southwest Jackson Soccer League. His team, the Sting, was the Under-19 state champion.

He moved on to Mississippi State University, where he captained a club team that in 1996 finished third in the Club National Championship tournament in Tempe, Ariz. The team returned to the tournament again in 1997 as he played semipro soccer with the Jackson Chargers.

In recent years, he has been a success on the coaching circuit in Starkville. His Under-12 boys team won the Elite Cup in 2019. That same year, he was the Mississippi Soccer Association Competitive Coach of the Year.

Currently, he is a director of operations for Quality Restaurant Concepts, a franchise of Applebee's. He has remained active in youth soccer the past eight years, as a select soccer coach in Starkville with IFC (Impact Futbol Club).

GENE MURPHY

Football Coach
1987-2021

Gene Murphy was an integral part of the Hinds Community College family for 34 years as head football coach and athletic director.

During his tenure and until retiring as head coach in 2017, Murphy had been the winningest active coach in the National Junior College Athletic Association. Football teams under his tenure won a number of state and regional titles. Beginning in 1987, the Eagles under Coach Murphy played for nine state championships in 14 years. He retired as athletic director in 2021.

Murphy's teams went 172-76-5 in his two tenures as head coach, from 1987-2003 and 2009-2017. He guided teams to the state playoffs 14 times and eight junior college bowl games.

During that stretch, numerous former Eagles have gone on to notable careers at four-year universities and more than 50 have played in the NFL. One of his former players, Brad Banks, was a Heisman Trophy runner-up in 2002.

Marks of success both on the football field and off are evident in the 15 times the college won the David Halbrook Award since 1987. The award is given to the community or junior college with the highest percentage of graduates or completers in its athletic programs district-wide. In 2017, the field at Joe Renfroe Stadium was renamed Gene Murphy Field in his honor. He is also a member of East Mississippi Community College's Sports Hall of Fame, as a player in 1972-1973.

DONNA ELAINE STAMPS

Softball
1983-1986

Donna Elaine Stamps was a key member of two Lady Eagle softball teams that advanced in the state and region tournaments, bringing home a title with the second trip.

Stamps, of Edwards, was a graduate of Hinds Agricultural High School, where she finished fifth in her class. At Hinds Junior College, her quickness and speed behind the plate and in the outfield helped the team to a 31-14 record in 1984 as a member of the Women's Varsity Slow Pitch team.

The following season, the Lady Eagles went 24-19 and won the state and Region 23 titles by defeating Meridian Junior College, 9-8, and Stamps was among three players voted All-State. She had four RBIs in a semifinal win over Mississippi Gulf Coast Junior College. Her final batting average for 1985 was .320.

After Hinds, she continued her education at Jackson State University and remained involved in softball for more than 20 years after her college playing days. She played summer league ball for Soops Ladies Softball Team, with 12 league championships from 1986 to 2004. In 1997, she was part of the USSSA Black American World Championship squad.

Professionally, she was an assistant junior high basketball coach in Hinds County and worked 12 years as Delphi. Currently, she is a 10-year employee of Nissan in Canton.

YOUNG ALUMNUS OF THE YEAR

BRAD BURLESON (2004) credits his current success in business to a mastery of three key concepts he learned as a Hinds student – networks, relationships and service.

"I learned how to network with people when I was in Hinds Connection," said Burleson, this year's Young Alumnus of the Year, referring to his time with the college's student-based public relations and recruiting team. "The relationships made at Hinds are ones I carry to this day. And my passion in life is serving others, with real estate being just the vehicle that lets me do that."

Burleson, a Raymond native, had attended Hillcrest Christian School before coming to Hinds on a tennis scholarship. He joined Connection, where he was an outstanding member, and excelled on the men's tennis team before moving on to Mississippi College in 2006 with a marketing degree.

He worked in sales in the telecommunications, furniture and pharmaceutical industries before starting his own real estate business, Ulist Realty, in 2013. The real estate site has helped sell more than $60 million in residential property and helped him become the top Realtor among single agents in central Mississippi for three years running. Most recently, the site has now been franchised to other states.

"When I sit down to talk to clients, it involves the largest asset an individual has – their home," he said. "It's a purchase they make that involves several hundred thousand dollars, typically. They have to rely on my advice for what its value is and whether the location is somewhere they'd want to raise their families. I take that very seriously."

Brad and his wife, Leann, live in Brandon and are members of Pinelake Church. He spends much of his free time managing his daughter's soccer team.

ALUMNUS OF THE YEAR

MARTIN PACE

The success Martin Pace (1978) has had as a law enforcement official stems from his deep ties to Hinds Community College.

"I come from a Hinds Community College family," Pace said. "All of my older cousins, my brother and my sister attended Hinds before I did. There was no real decision to make coming to Hinds – it was just understood that's where I would start."

In his seventh term as Warren County sheriff, the college's 2021 Alumnus of the Year hasn't stopped educating himself. Even with a full career in law enforcement, he still attends continuing education seminars with the FBI and graduated in 2004 from the agency's National Academy in Quantico, Va.

However, Warren County's top cop hasn't forgotten his first few classes at Hinds despite the passage of time.

"My first college class was freshman English Comp, with instructor Jerry Carr," he said. "And my first criminal justice instructor was Mr. Buff Oliver. Hinds was the stepping stone for me to my career, and I have nothing but fond memories of being a student."

After Hinds, Pace moved on to the University of Southern Mississippi where he earned a bachelor's degree in criminal justice. He began his law enforcement career in 1979, as a state park ranger at Paul B. Johnson State Park near Hattiesburg. In 1981, he was hired as a sheriff's deputy in his native Warren County, serving roles including civil process server, court deputy, uniform patrol deputy, interstate drug interdiction officer and major crimes investigator. In 1996, Pace was elected to his first term as sheriff.

His public service has meant more than just catching the bad guys. Where Hinds is concerned, it has meant steering at-risk youth to a life of education instead of crime.

"A lot of young people only need a direction and a little encouragement," he said. "I take no credit for the success of any of the young people I've aimed toward Hinds. Their accomplishments are their own.

"During my three years on the Hinds Community College Foundation board, there were any number of young people receiving scholarships who otherwise would never have been able to attend college, with some of them being the first in their family to go to college. It's rewarding to see young people make positive decisions in their lives, then enter the workforce trained and ready to work."

His modesty is part of the reason he's this year's Alumnus of the Year, said Jackie Granberry, executive director of the Foundation.

"Sheriff Pace was one of the best Foundation board members we have ever had," Granberry said. "He attended everything — from Foundation meetings to Employee Appreciation and other college events.

"Also, he is always recommending students to us whom he knows have potential but need the financial help to attend college. We're honoring him for his service to Hinds and for his unselfish dedication to Warren County and its citizens," she said.

ALUMNI SERVICE AWARD

BOB DUNAWAY

Anyone who has ever gone to the annual Heritage Fishing Rodeo at Raymond Lake has had a chance to win a unique trophy made by this year's Alumni Service Award winner, retired Art Department chairman Bob Dunaway.

As much fun as the trophies are, however, his most lasting legacy to Hinds Community College is the Heritage Scholarship, which grew out of Dunaway's leadership of the Faculty/Staff Alumni Chapter. The scholarship fund for children and grandchildren of Hinds employees who contribute $250 to support it is now principally endowed with $135,000. Eligible students receive a $500 per semester award, or double their parents' or grandparents' original investment in the program.

"I'm honored to get the Alumni Service award, but there's so many other folks I can think of who would be a better candidate than I am to receive it, including the folks I started the Heritage Scholarship with," he said.

Dunaway, 88, a Marion County native, came to Hinds in 1971 as chair of the Art Department. He quickly set out to organize and celebrate art on the Raymond Campus. Among other things, he named the Marie Hull Art Gallery and put in place a system to maintain the college's art collection.

Many of his own art pieces have been donated to the Hinds Permanent Art Collection and others have found their way into offices and homes. His watercolor portraits, sculptures and even his silhouette creations have honored instructors, dignitaries, famous actors and more.

He jumpstarted the Heritage Scholarship fund by donating and raffling off an old car intended as a vehicle for fishing plus creating and selling small bronze cast statues of Eudora Welty, which she sat for, said Jackie Granberry, executive director of the Hinds Community College Foundation.

For more than 30 years, he has created some of the most unique fishing rodeo trophies in the Southeast, which are presented to winners in the annual Heritage Fishing Rodeo at Raymond Lake that supports the Heritage Scholarship. Sporting names such as most fish, biggest fish, smallest fish and even the ugliest fish, the trophies have helped spread the fun for parents and children.

After spring 2022, he plans to stop producing his handmade creations for rodeo winners because of his eyesight, he said. Those who've worked alongside him during each event say the keepsakes are priceless.

"There is no way to put a monetary value on the trophies he has created," Granberry said. "He has purchased all the materials and does all the work – which takes hours of tedious attention to detail."

In 2003, a portion of Reeves Hall on the Raymond Campus was named in Dunaway's honor. In 2017, he was named among the college's 100 People Passionate About Hinds, which was part of the institution's Centennial year celebration. He still credits Katherine Denton, whom he succeeded as chair of the Art Department, for the vitality of the program today. "Hinds was one of the few among the state's community colleges with an art department back then, and she built it," he said.

MACJC
SPORTS HALL OF FAME

CHAD BRADFORD INDUCTED INTO MACJC SHOF

Hinds alumnus Chad Bradford (1995) was inducted into the Mississippi Community and Junior College Sports Hall of Fame on April 27.

Bradford pitched for Hinds in 1994 and 1995 and led the Eagles to back-to-back appearances in the National Junior College Athletic Association Division II World Series in Millington, Tenn.

The sidearm righty holds or shares several Hinds records, including games started (17 season, 30 career), complete games, (15 season, 22 career), innings pitched (125 season, 206 career), strikeouts (117 season, 181 career) and most wins in a single season, with 13.

He signed with the Chicago White Sox in 1996 after his junior season at the University of Southern Mississippi and made his MLB debut with the Sox in 1998. He later pitched for the Oakland Athletics, Boston Red Sox, New York Mets, Baltimore Orioles and Tampa Bay Rays over the course of a 12-year career, one that included seven trips to the playoffs and a World Series appearance in 2008. His career record was 36-28 with an ERA of 3.26.

In 2011, Bradford was portrayed in the movie version of the 2003 book "Moneyball: The Art of Winning an Unfair Game." The book and film centered on the approach taken to building a roster by the Athletics, where Bradford spent four seasons.

Hinds President Dr. Stephen Vacik and Chad Bradford

After his baseball career, he turned to coaching. He was pitching coach at Central Hinds Academy (CHA) from 2010-12, then returned to Hinds in the same capacity. In three seasons with Bradford in the dugout, the Eagles were NJCAA World Series runner-up and won the state championship the following year. Also, he coached 20 pitchers at Hinds who advanced to the next level.

In 2016, he returned to CHA, again as pitching coach. In his second year back, the Cougars secured a spot in the state championship game.

He lives in Raymond with his wife, Jenny. His son, Keller, is a former assistant baseball coach at Hinds. His daughter, Lanie, attends the University of Southern Mississippi. He currently coaches the Little League team his son Walker, 11, plays on.
