# THIS IS HOFSTRA UNIVERSITY

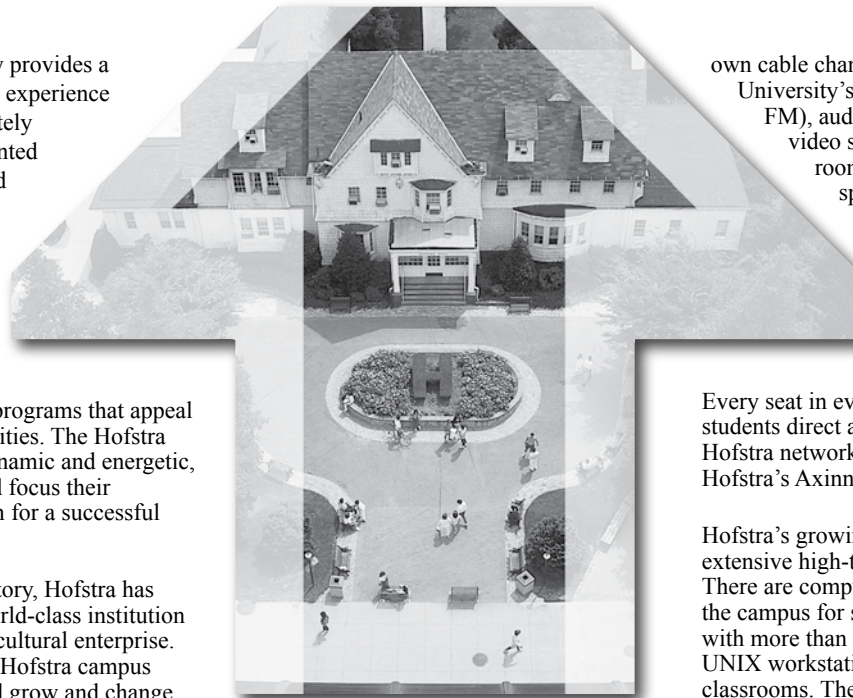

Hofstra University provides a dynamic college experience tailored for innately ambitious, outcome-oriented individuals. Students find their edge at Hofstra, through small classes, a faculty whose primary concern is teaching, cutting edge technology, extensive library resources, internships, and special educational programs that appeal to their interests and abilities. The Hofstra community is driven, dynamic and energetic, helping students find and focus their strengths to prepare them for a successful future.

In its relatively short history, Hofstra has established itself as a world-class institution of higher education and cultural enterprise. Each academic year, the Hofstra campus and the programs offered grow and change to meet the demands of our students and our community.

Hofstra opened in 1935 as a commuter school with all classes and offices housed in one building. Since those early days, Hofstra has evolved into an international institution with a student body hailing from 45 states and 61 countries around the world. The beautiful campus is an accredited arboretum with 113 buildings on 240 acres. There are approximately 4,200 students living on campus, and Hofstra offers them and all students an extensive array of academic and social activities. Additionally, Hofstra's close proximity to Manhattan means that students have easy access to the wondrous cultural, social and career offerings of the city.

What has remained consistent throughout the years, however, is the sense of community on campus, the eagerness of our students to learn and the commitment of the Hofstra faculty and administration to provide a challenging education that encourages the pursuit of lifelong learning.

The Colleges and Schools of the University are: Hofstra College of Liberal Arts and Sciences, Frank G. Zarb School of Business, New College of Hofstra, School of Communication, School of Education and Allied Human Services, School of Law, School for University Studies, University College for Continuing Education, Honors College and Saturday College. Bachelor's degrees are offered in 140 areas of study. Graduate degrees are offered, including Ph.D., Ed.D., Psy.D., Au.D. and J.D. degrees, advanced certificates and professional diplomas, in more than 150 programs of study.

own cable channels. Also located here is the University's radio station (WRHU/88.7-FM), audio production studios, a film/video screening room, film editing rooms, a computer laboratory, a speech performance studio and a large dance studio.

Hofstra's C.V. Starr Hall offers academic facilities that are among the most technologically advanced in the nation.

Every seat in every classroom allows students direct access to the Internet and Hofstra network, including the resources of Hofstra's Axinn Library.

Hofstra's growing computer facilities offer extensive high-tech training opportunities. There are computer terminals throughout the campus for student and faculty use, with more than 750 PC, Macintosh and UNIX workstations available in labs and classrooms. The University was ranked 14th in *Forbes'* list of Most Connected Campuses in 2004, up from 18 in 2003.

Hofstra hosts more than 500 cultural events annually, bringing thousands of scholars, dignitaries and other participants to campus. More than 200 musical and dramatic performances take place on campus each year.

The Hofstra Museum, which houses one of the largest art collections in the metropolitan area, coordinates approximately 12 exhibitions annually and offers exhibition areas and an extensive outdoor sculpture

Recently, the University celebrated the opening of Hagedorn Hall, the new home of our School of Education and Allied Human Services. In 2001 Hofstra University Honors College welcomed its first class. This new division of the University proved to be an immediate success, not only with University faculty and administrators, but among the 93 inaugural students. Every fall since, the number of entering freshmen has increased substantially.

Hofstra's School of Communication is one of the largest, most advanced non-commercial television facilities in the East. Students take classes and work in Dempster Hall, a sophisticated television production/post-production facility with two broadcast-quality studios and control rooms; two advanced online video edit suites; two Avid non-linear digital editing systems and several cuts-only video work stations. Two satellite dishes are available with one dish providing special news feeds for the broadcast journalism room, which also has access to *Associated Press*, *Lexis-Nexis* and *Dow Jones* services. In addition, the facility is capable of broadcasting student-produced programming to the entire campus on our

collection, with more than 65 pieces. The Hofstra Museum is accredited by the American Association of Museums – one of only 94 universities in the nation and one of six in New York to hold that distinction.

Hofstra also has seven theaters, a student newspaper, a lively student center, a recreation center and numerous athletic facilities, including the 15,000-seat James M. Shuart Stadium and the 5,124-seat David S. Mack Sports and Exhibition Complex. Hofstra also has an indoor, Olympic-sized (eight lane, 50-meter) swimming pool, one of the largest such facilities in the New York metropolitan area.

The Hofstra athletic program competes on the NCAA Division I level and is a member of the Colonial Athletic Association and the Atlantic 10 Football Conference. The University sponsors 18 intercollegiate programs – nine men’s sports and nine women’s sports. Hofstra has men’s teams in basketball, football, baseball, lacrosse, golf, tennis, wrestling, soccer and cross country. Women’s sports include basketball, volleyball, softball, tennis, soccer, field hockey, lacrosse, cross country and golf. The 18 men’s and women’s intercollegiate athletic teams compete in more than 150 home contests annually.

Hofstra’s academic programs are accredited by numerous national agencies and the University is one of only 270 schools, out of more than 3,600 colleges and universities nationwide, with a chapter of the national honor society Phi Beta Kappa. Of Hofstra’s 1,246 faculty members, 527 are full time and 91 percent hold the highest degree in their fields. The average undergraduate class size is 25 students, while student-faculty ratio is 14-to-1.

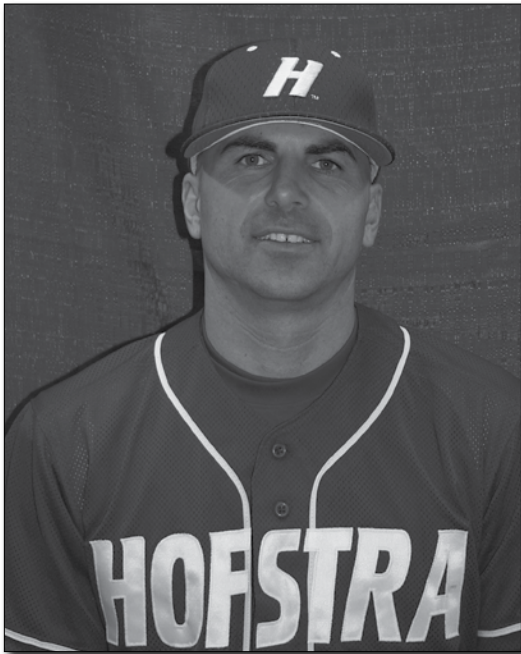

Hofstra University is 100-percent program accessible to persons with disabilities, and has been cited as a national model for this achievement.

# CHRIS DOTOLO HEAD BASEBALL COACH

**C**hris Dotolo is in his sixth season as head coach of the Hofstra Baseball program. Dotolo, the 12th baseball coach in Hofstra history, took over the reigns of the program when Hofstra joined the competitive Colonial Athletic Association in 2002. In his five seasons,

eight team records and tied one other, while eight players set team individual single season records.

Since his arrival at Hofstra

Dotolo has upgraded all facets of the program. The team plays a rigorous non-conference schedule that has included trips to Auburn, Florida, North Carolina State and the College of Charleston. Dotolo spearheaded a renovation of University Field that resulted in sunken dugouts, a Competition Turf infield, an improved drainage system, bleacher seating behind home plate and a new scoreboard. Dotolo has also increased the talent level of the Pride and in 2004, two of Dotolo's recruits – Mike Walsh and Caputo – were named to the All-CAA first and second teams, respectively, marking the first time that Hofstra had more than a single all-conference selection. The Pride followed that up with four second team selections – Caputo, Josh Stewart, Matt Kougasian and Jeff Denlea – in 2005. Kougasian was also named to the CAA All-Rookie squad.

Dotolo brought an extensive baseball background to the Pride. He had been an assistant coach for seven years, including five on the Division I level, and also played four seasons of professional baseball. Before accepting his current position, he spent two

## CHRIS DOTOLO AT HOFSTRA UNIVERSITY

2002	12-40
2003	12-35
2004	14-36
2005	24-32
2006	24-31-1
<b>Total</b>	<b>86-174-1/5</b>

Dotolo has posted a 86-174-1 record.

The 2006 season saw the Pride post a 24-31-1 record, the second consecutive 24-win campaign in Dotolo's tenure and the first time the Pride has won 24 games in back to back seasons since 1994 and 1995. The Pride also posted 11 conference victories, the most since joining the league in 2002. The 2006 season also saw one of Dotolo's first recruits – third baseman Ricky Caputo – get drafted by the Washington Nationals in the Major League Baseball Draft, marking the first time since 1995 that a Hofstra player has been selected in the MLB Draft (Mike Miller, Detroit Tigers).

In 2005 Dotolo led the Pride to a 24-32 overall record, a 10-14 conference record and the programs first trip to postseason since 1998 – a spot in the six-team Colonial Athletic Association Tournament. The 24 wins marked just the seventh time in 65 years that a Hofstra Baseball team has posted 20+ wins in a season and the teams overall seven game improvement from 2004's 14-36 record ranked 22nd in the nation. In addition, the 2005 squad broke

seasons as an assistant coach at St. John's University in Jamaica, New York. At St. John's, Dotolo worked with the catchers, outfielders and hitters, and served as the recruiting coordinator.

Before arriving at St. John's, Dotolo spent four years (1995-99) as an assistant coach at Dartmouth College

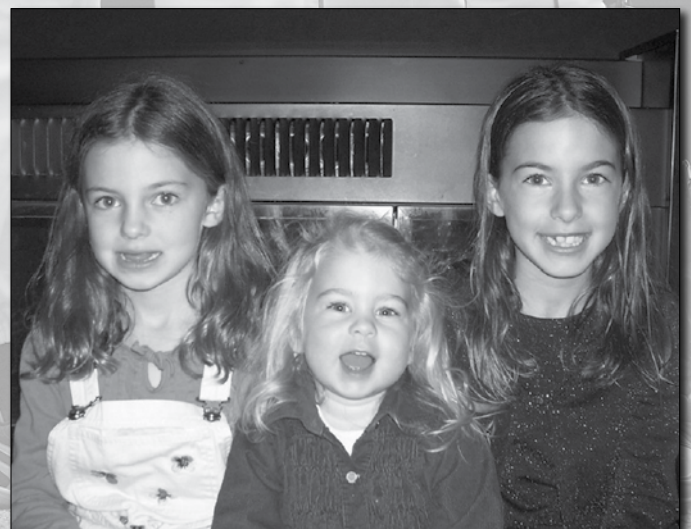

in Hanover, New Hampshire. While with the Big Green, he worked with the infielders and outfielders in addition to coordinating all team travel, organizing practices and overseeing the ordering of equipment and maintenance of the baseball facility.

In addition to his Division I coaching experience, Dotolo served as an assistant coach for one season (1994-95) at Mary Washington College in Fredericksburg, Virginia, and for one season (1995) at The Catholic University of America in Washington, D.C. He has also coached in the prestigious Cape Cod Baseball League, serving as assistant coach with the Harwich Mariners in the summer of 1995.

Prior to joining the coaching ranks, Dotolo played four seasons (1991-94) in the San Francisco Giants (MLB) organization, finishing his career in the Pacific Coast League (AAA) with the Phoenix Firebirds in 1994.

A former two-time all conference selection in the Old Dominion Athletic Conference, Dotolo graduated from Virginia Wesleyan College in Virginia Beach, Virginia, in 1991 with a bachelor's in history. He also spent two years at Virginia Commonwealth University in Richmond, Virginia, and was a member of the 1988 squad that advanced to the NCAA Division I Regionals. Dotolo earned a master's in sports administration from George Mason University in 1997.

Dotolo and his wife, Lily, have three daughters – Gina (9), Savanna (7) and Maria (2).

**Savanna, Maria and Gina Dotolo**

# ASSISTANT COACHES

**ASA GRUNENWALD**  
Assistant Coach

**A**sa Grunenwald, a four-year letterwinner and two-year starter at

St. John's University, is in his fourth season as an assistant coach at Hofstra University and his second as the Pride's lead assistant. Grunenwald coordinates Hofstra's recruiting efforts and will coach the Pride's pitchers and catchers.

Grunenwald played for the Red Storm from 1999 through 2003, was team captain as a senior and was rated the best defensive catcher in the Big East by *Baseball America* and *Collegiate Baseball*. He appeared in 129 games for St. John's, starting 98 and batted .248 for his career with 14 doubles, one triple, four home runs and 46 RBIs. In his career, Grunenwald posted a .974 fielding percentage. During his first two collegiate seasons, Grunenwald was coached by current Hofstra Coach Chris Dotolo.

A solid student, Grunenwald was a four-year member of the Big East Academic All-Star team and was awarded the St. Vincent DePaul Society Scholarship for Academic Excellence.

Prior to joining the Hofstra staff, Grunenwald served as assistant coach of the Vermont Mountaineers of the New England Collegiate Baseball League, as well as serving as the Mountaineer's Baseball Camp director.

In addition to his playing experience at St. John's, Grunenwald has played in the New England Collegiate Baseball League (Manchester Silkworms), the Coastal Plains League (Outer banks Daredevils) and the Northeast Collegiate Baseball League (Wellsville Nitros).

Grunenwald, a native of Boalsburg, Pennsylvania, graduated from St. John's with a degree in mathematics in December 2003.

Grunenwald is single and resides in Forest Hills, New York.

Stewart began his collegiate career at St. John's University in Jamaica, New York, where he batted .284 in 35 games as a freshman in 2001.

After graduating in May 2005 with a degree in psychology, Stewart signed with the Evansville Otters of the independent Frontier League and played in 28 games. Stewart returned to the Otters in 2006 and played in 16 games. Stewart has also played for the Lenoir Oilers of the Southern Collegiate Baseball League and was a 2003 SCBL All-Tournament selection. During the summer of 2004 he played for the Asheboro Copperheads of the Coastal Plain League and batted .298 with 30 runs and a team-high 20 stolen bases.

A native of Bloomsburg, Pennsylvania, Stewart was an honorable mention All-Pennsylvania selection as a senior at Bloomsburg Area High School. He is single and resides in East Meadow, New York.

## **BOBBY CRUZ** Volunteer Assistant Coach

**B**obby Cruz is in his first season as a volunteer assistant coach for the Pride. Cruz joins the Hofstra staff after serving as an assistant coach at St. Francis College in Brooklyn, New York, for the last three seasons until the Terriers disbanded their baseball program at the end of the 2006 season.

Cruz, who was a four-year letterman at St. Francis from 1998 through 2001, coached at his alma mater from 2004 through 2006 and was the recruiting coordinator, as well as the hitting and outfielders coach.

Following graduation from St. Francis, Cruz served a san assistant coach at St. Francis Prep during the 2002 season before becoming head junior varsity coach at St. Dominic's High School in 2003.

Cruz is currently a middle school math teacher and is pursuing a master's degree at St. John's University.

Asa Grunenwald

**JOSH STEWART**  
Assistant Coach

**J**osh Stewart, a three-year letterman for the Pride, is in his second season as an assistant coach

at his alma mater. Stewart will work with the outfielders and assist Coach Dotolo in instructing the Pride's hitters.

Stewart played in 147 games in his Hofstra career, starting 146, and compiled 194 hits, 50 doubles, eight triples, 17 home runs, 146 runs, 83 RBIs, 50 stolen bases and a .333 batting average. His 50 doubles rank second all-time at Hofstra, and he ranks fourth all-time in hits and runs, third in triples and fifth in stolen bases. As a senior, Stewart served as a team captain and led the squad with a .347 average, 60 runs, a school record 77 hits, 23 doubles and 25 stolen bases. He earned second team American Baseball Coaches Association/Rawlings All-East Region and All-Colonial Athletic Association accolades following his senior season.

**Athletic Trainer:** Adam Kahn

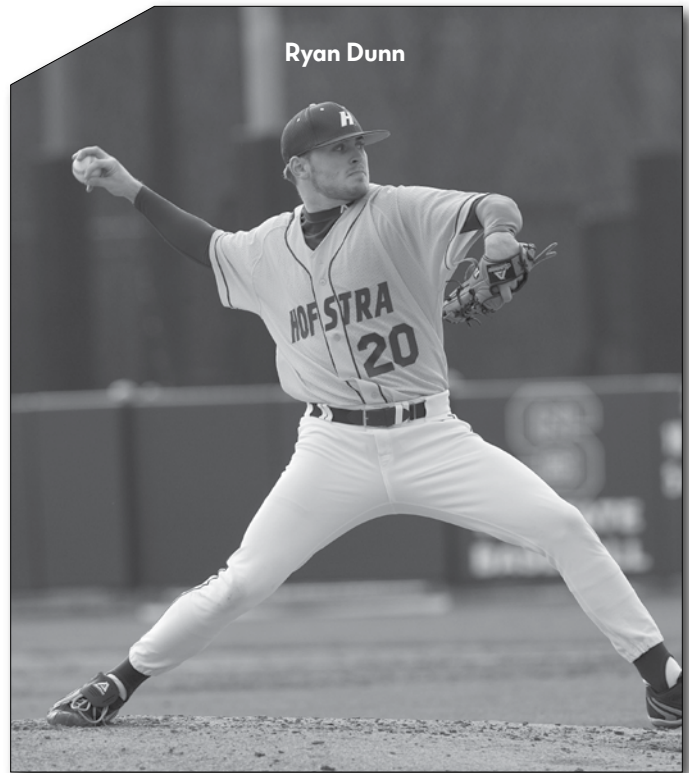

# 2007 HOFSTRA BASEBALL OUTLOOK

The goal of any team is to win, but there is a lot to be said about progress and the Hofstra baseball program has been steadily progressing under Head Coach Chris Dotolo. The 2006 Pride recorded 24 wins for the second consecutive year and their 11 conference victories were the most since joining the Colonial Athletic Association in 2002. The Hofstra pitching staff shaved more than a run off their ERA from 2005, while Hofstra's running game clicked on all cylinders to the tune of a school record 107 stolen bases. The team won its first game over a ranked opponent when it knocked off #15 Old Dominion and proved it could be competitive as 15 of the teams losses came by three runs or less.

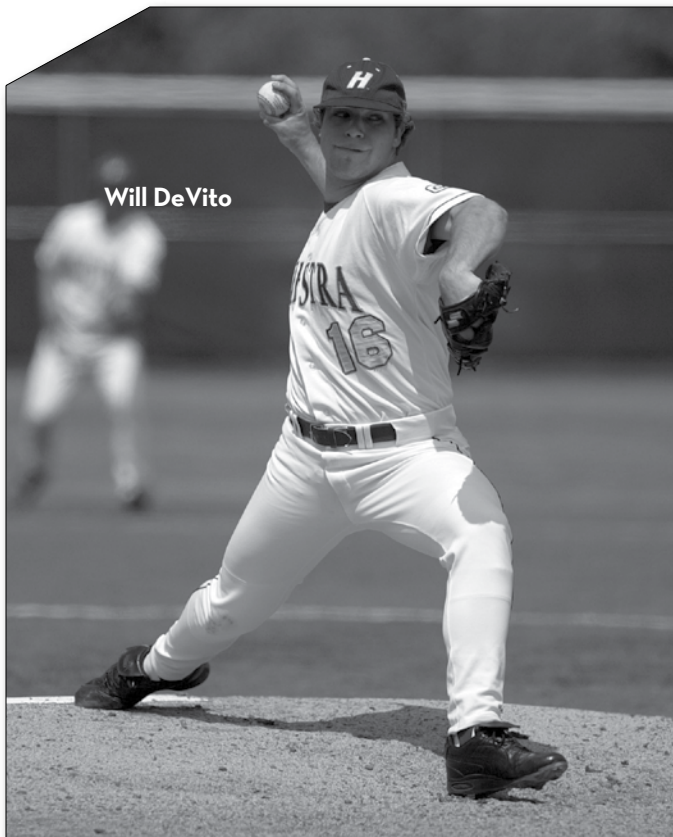

In 2007 the Pride will look to progress a little further and although several key players have been lost to graduation, Coach Dotolo has a solid nucleus to build around and several newcomers who can make an immediate impact. Hofstra returns nearly its entire pitching staff, including the entire starting rotation and the team's primary closer. On the offensive side, the Pride return six players who started at least 30 games in 2006.

## PITCHING

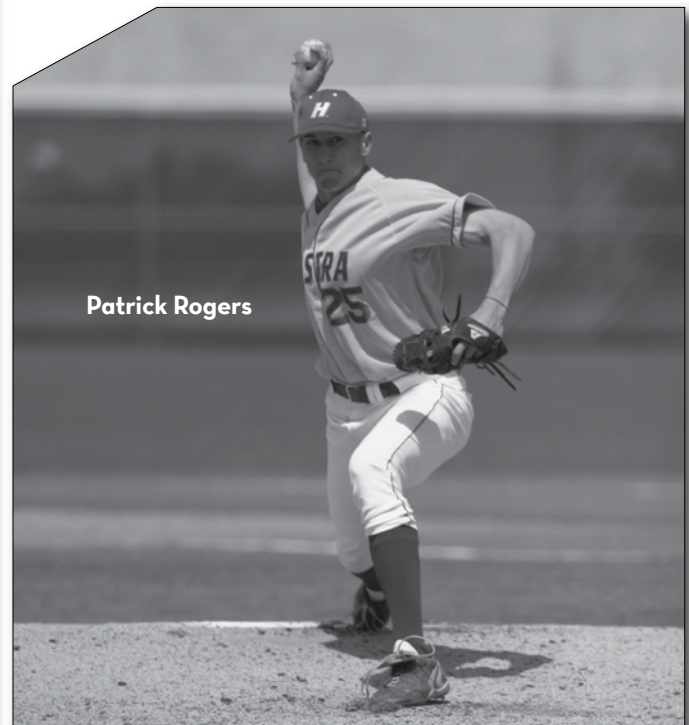

Seniors Patrick Rogers (11), Ryan Dunn (11), Will DeVito (13) and Charlie Frago (9) started 44 of Hofstra's 56 games a year ago and all four return to lead the staff once again. Rogers led the staff in innings pitched (69 1/3) an ERA (3.89) to go along with a 2-3 record. Dunn posted a team-leading five wins (5-4) and added a

5.01 ERA. DeVito started a staff-high 13 games and, although he was 1-9 with a 6.58 ERA, led the team with 43 strikeouts. Frago was 2-3 with a 6.59 ERA.

Senior Jeff Denlea endured a rocky start to his 2006 season, recording three blown saves and giving up 15 runs in his first 11

innings before rebounding to finish with a 3-6 record, five saves and a 5.81 ERA.

Several other pitchers to watch for in 2007 are senior John Fuhrman, juniors Anthony Sarno, Eric Corkery, Brody Fontaine and Dan Lux and sophomores Nick Panzarella, Rob DiFalco and Dan Robl.

Sarno saw action in 12 games on the mound and started three. He was 2-0 and has yet to drop a decision in his two seasons on the squad (5-0). His 3.23 ERA was tops on the staff, but he did not meet the innings requirement (1 IP per team game) as he pitched 30 2/3 on the season. Corkery also started three games out of his eight appearances and was 2-0 with a 3.86 ERA in 21 innings of work. Panzarella made six appearances on the hill with four starts and was 2-0 with a 5.62 ERA.

Fuhrman, Fontaine, Lux, DiFalco and Robl saw action strictly from the pen last season and all should contribute again this year. Fuhrman made 17 appearances out of the bullpen and was 1-1 with a save and a 5.40 ERA. Fontaine was 0-0 with a 5.59 ERA in 12 appearances, while Lux was 0-0 in nine appearances. DiFalco made 13 appearances and was 0-0 with two saves and a 6.75 ERA. Robl pitched one inning last season and did not record a decision.

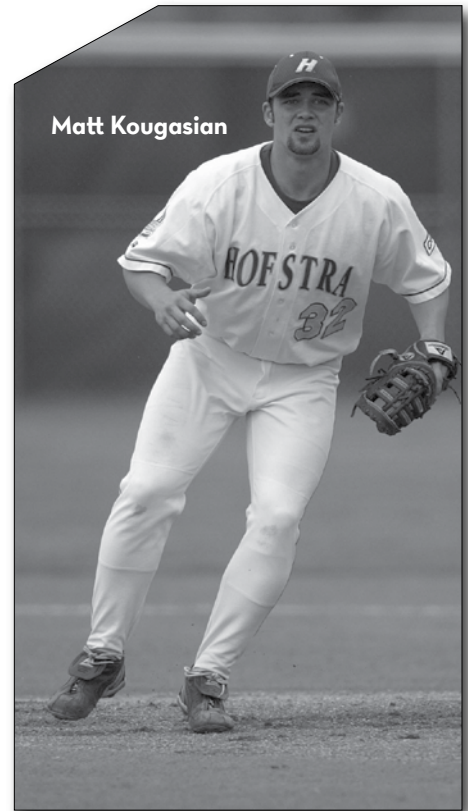

Three freshmen – Andrew Luedtke, Rob Kumbatovic and Ryan Radke – will also vie for time on the mound. Luedtke was an all-area and all-conference selection at Cary-Grove High School in Illinois after leading his team in strikeouts (140) and ERA (2.30) as a senior. Kumbatovic was a two-time all-county and three-time all-conference selection at Hillsborough High School in New Jersey and was a member of Hillsborough's state championship team. Radke

joins the Pride after helping his Lincoln-Way East (IL) squad to a South West Suburban Conference Red Division championship as a senior.

## CATCHER

Junior Tom Caltabiano will likely see the majority of playing time at catcher. An excellent defensive catcher, Caltabiano played in 19 games last year and started 10, batting .184 with three RBIs. Freshman George Carroll will also see action behind the dish after being named the 2006 CHSAA Catcher of the Year at Holy Cross High School in Flushing, New York.

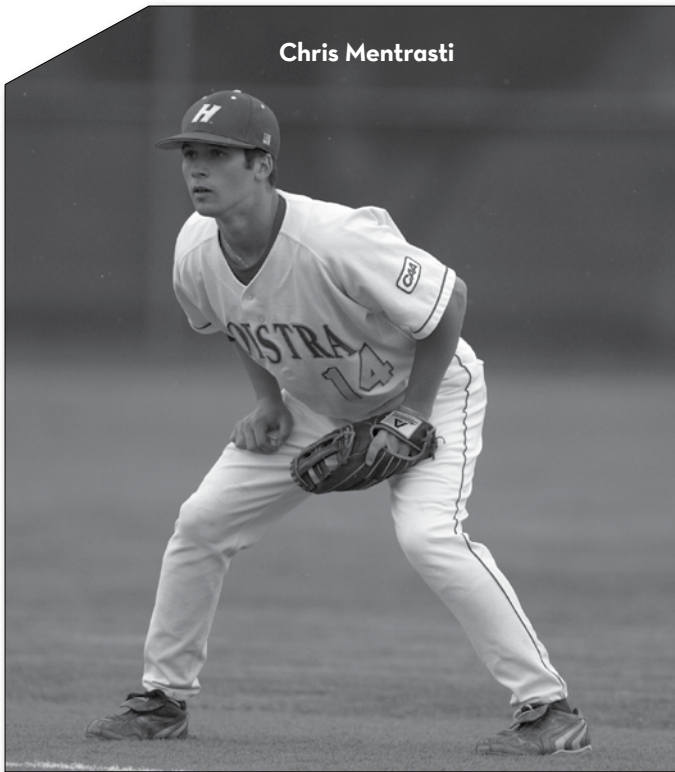

## INFIELD

The Hofstra infield features a mix of experience and youth with senior Andy Campana, juniors Matt Kougasian and Felix Adamkiewicz, sophomores Chris Mentrastrasi and Thomas Legregni, and freshmen Matt Prokopowicz, Joe Trainor and Dion Pouncil ready for action.

Campana started 43 games at second base and hit .301 with 37 runs scored and a team-best 24 steals. A top of the order player, Dotolo will look toward Campana to once again be a catalyst for the Hofstra offense. Kougasian started 38 games last season, seeing action at first and designated hitter, and batted .292 with 11 doubles and 21 RBIs.

Adamkiewicz batted .176 with five RBIs in 25 games last season. Legregni started 17 of 25 games as a freshman and batted .254 with four doubles and 10 RBIs. Mentrastrasi played in 45 games last season, starting 31 and hit .260 with six doubles, 18 RBIs and 11 steals.

Prokopowicz, Pouncil and Trainor will also look for playing time in the infield. Prokopowicz was a two-time All-New York State

Chris Mentrasti

and All-Nassau County selection at Massapequa High School on Long Island and batted .500 with 18 home runs and 102 RBIs in his scholastic career. Pouncil had a stellar career at Simeon High School in Chicago, Illinois, where he batted .454 with 40 steals

David Cole

as a senior en route to all-city and all-conference honors. Trainor was an all-league selection at Massapequa High School.

## OUTFIELD

Hofstra's outfield boasts three returning starters, as well as two other players with significant experience. Junior Anthony Sarno, who also pitches, batted .316 with three doubles, two triples, three home runs and 20 RBIs in 2006. Sophomore Nick Panzarella, who also pitches, batted .255 with five doubles and 16 RBIs as a freshman. Junior David Cole started 40 games last season and hit .224 with eight doubles, 15 RBIs and six stolen bases. Junior Tony Schmitt started 11 of 28 games and batted .283 with eight steals. Senior Patrick Rogers split time between the hill and the field and batted .182 with five steals.

Freshman John Kenny, the 2006 Nassau County batting champion (.615) and an all-county performer, will also see action in the outfield.

## SCHEDULE

Coach Dotolo has once again put together a challenging early-season schedule for the Pride that will see the team on the road throughout February. Hofstra opens up the 2007 season at NCAA participant Oklahoma State for a three-game series and then travel for three-game sets at Auburn and NCAA participant Florida State, before ending the month with three games at Coppin State. Other notable non-conference games include St. John's, Seton Hall and Fordham.

The CAA slate will be rigorous as always with every game being critical in order to qualify for the six-team CAA Championship tournament.

# STUART RABINOWITZ

## PRESIDENT, HOFSTRA UNIVERSITY

Stuart Rabinowitz was chosen by the Hofstra University Board of Trustees to serve as the eighth president of the University on December 20, 2000. Prior to his appointment, he served as dean of Hofstra University School of Law from September 1989 through June 2001. He joined the faculty of the School of Law in 1972. President Rabinowitz currently holds the Andrew M. Boas and Mark L. Claster Distinguished Professorship in Civil Procedure.

President Rabinowitz holds positions with a number of important government and community organizations, including the Judicial Advisory Council of the State of New York Unified Court System - County of Nassau, the Nassau County Health and Welfare Council. He serves on the Board of Directors for the Fair Media Council and the Long Island Technology Network. President Rabinowitz is a former member of the Nassau County Blue Ribbon Financial Review Panel, former Chair of the Nassau County Local Advisory Board, a former trustee of the Commission on Independent Colleges and Universities, and a former member of the Board of Directors of the

Long Island Association. Additionally, President Rabinowitz served as a member of the Nassau County Commission on Government Revision, which was charged with drafting a new charter and a new form of government for the County. He is the recipient of the Martin Luther King Living the Dream Award, EOC; Distinguished Service in the Cause of Justice, Legal Aid Society; UJA Federation Leadership Award; the Bar Association of Nassau County Proclamation for Outstanding Service to both the Legal Profession and the Community; the Community Service Award from the Conference of Jewish Organizations of Nassau County; and the Alumni Association of the City College of New York 2005 Townsend Harris Medal.

President Rabinowitz received a juris doctor, magna cum laude, from Columbia University School of Law, where he was a member of the board of editors of the *Columbia Law Review* and a Harlan Fiske Stone Scholar. He graduated from City College of New York with honors, and is a member of Phi Beta Kappa and the American Law Institute.

# DIRECTOR OF ATHLETICS—JACK HAYES

Jack Hayes is in his third year as director of athletics at Hofstra University in 2006-07. Hayes was appointed by Hofstra President Stuart Rabinowitz as the University's new director of athletics on October 4, 2004. Hayes came to Hofstra after serving as an associate director of athletics at the University of Connecticut for three years.

Hayes, the eighth director of athletics at Hofstra, oversees Hofstra's 18 Division I teams, an athletic administration of more than 70 professional staff, and 430 student-athletes. He also serves on the NCAA Division I Lacrosse committee.

Hayes' proven expertise in enhancing academic and athletic success of student-athletes, strategic planning, fundraising, marketing, university relations, facility enhancement, budgetary management, and NCAA compliance will complement Hofstra University's athletic department in its quest to further enhance its athletic program, and assist Hofstra's student-athletes both on and off the field.

2005-06 was a banner year for Hofstra Athletics as the Pride won Colonial Athletic Association (CAA) championships in men's soccer, women's soccer, wrestling, softball and men's lacrosse and competed in NCAA Tournaments in each sport. In addition, the men and women's basketball teams were selected to play in the National Invitation Tournament (NIT). In his first year (2004-05) as Hofstra's athletics director, the Pride captured three CAA championships and advanced to postseason play in four sports – men's soccer, wrestling and softball took part in the NCAA Tournament, while men's basketball participated in the NIT.

Hayes has placed a significant emphasis on fundraising during his first two years. Pride Club membership reached all-time highs, both in terms of the number of contributors and funds raised. Resources generated through fundraising efforts have been used to enhance programs and facilities available to student-athletes. Recent initiatives include the renovation

of the study lab in Margiotta Hall and a new academic study area in the Physical Fitness Center.

Hayes came to Hofstra University with more than 14 years of athletic administration experience, including management positions at four Division I institutions. The three years prior to taking his current position were highlighted by leading the University of Connecticut Division of Athletics fundraising efforts, where his responsibilities included managing the operations of the UConn Athletic Development Fund, implementing policies and procedures

for the annual giving program, assisting with the cultivation and solicitation of major gift prospects, coordinating capital project campaigns, overseeing special events, and managing the athletic ticketing operation. While at UConn, he served as a senior staff member for a \$40 million program that supports 24 sports and 650 student-athletes.

From 1998 to 2001 Hayes served as director of athletic administration at Fordham University, where he was responsible for the comprehensive internal operations of the athletic department, including fiscal management, facilities management, staff training and development, ticket operations, and NCAA compliance initiatives.

Prior to his tenure at Fordham, Hayes served as assistant director of athletics at St. John's University, where he managed the fiscal operations of the athletic department and supervised the business office. Hayes began his professional career in college athletics at Fairfield University, where he served as assistant director of athletics. He oversaw the addition of four sports programs at Fairfield – football, women's rowing, women's lacrosse and women's golf.

Hayes received a master's degree in education in 1992 with a concentration in sport management from the University of Connecticut. He holds a bachelor's degree (1989) from Providence College, where he was a member of Providence's lacrosse team. He was also awarded a certificate of completion in 2001 from the Sports Management Institute, Consortium of the Universities of Michigan and Texas.

A native of Providence, Rhode Island, Hayes graduated from the Providence Country Day School where he lettered in football, basketball and lacrosse. He was inducted, as a member of his high school basketball team, into the Providence Country Day Athletic Hall of Fame in October 2004. He resides in East Northport, New York, with his wife Bridget, daughter Katie (4) and son Matt (1).

# HOFSTRA SYMBOLS AND HERITAGE

## The Symbols of Hofstra University

### The Shield Logo

In 2005 Hofstra introduced a new logo as part of a University-wide re-imaging. Both the University's logo as well as the Pride logo were designed by advertising agency Powell New York, a full-service branding and marketing agency, noted as one of the ten firms to watch in 2005 in Advertising Age.

The new University logo features an "H" within a shield design. Hofstra University has always been known for both a tradition of academic excellence and a willingness to evolve to meet the needs of students and the greater society. This shield represents the University's commitment to our heritage and a tradition of academic excellence, while the dynamic representation of the H within the shield embodies the evolutionary, changing nature of the University. Hofstra University has both honored its traditions and heritage while embracing changing disciplines, using new technology and remaining relevant to scholarly pursuits and the demands of industry.

### The Seal

The Hofstra seal was designed from the royal Dutch emblem by art instructor Constant Van de Wall. The seal is modeled on the coat of arms of the House of Orange-Nassau. The round seal includes the coat of arms, flanked by lions on either side. A lion also stands in the center of the coat of arms, holding a sword in its right claw and a bundle of seven arrows, which represent the seven provinces of Holland, in its left. The seal also carries the motto of the House of Orange-Nassau in Old French: "Je maintiendray" (I stand steadfast). In 1988 one of the two lions on the seal was officially replaced with a lioness. The Hofstra seal is still in use today, though not as a logo. The seal will be affixed to formal documents, and used for official purposes such as commencement, convocations, and official University functions.

### The Pride

As of July 1, 2005, our athletic teams are officially known as the Pride, providing our teams with a strong, consistent image that resonates with the Hofstra community. The new Hofstra Athletics logo consists of a graphic mark of a male and female lion in powerful, synchronized motion with the word mark of the Hofstra Pride or the specific sports team. This logo will be the only one used by Hofstra Athletics.

The Hofstra Pride refers to a pack of lions, male and female, which work together towards a common goal and symbolize determination and strength. The Pride conveys both the teamwork and togetherness that is a trait of lions living in prides, who have a close bond and work together for the good of the entire group. The teamwork evident in prides is a trait of Hofstra's student-athletes, who support each other in furtherance of a common goal, while working tirelessly to represent their teams and, in turn, the University. Lions also possess speed, tenacity, and agility, and are relentless in their pursuit of a goal, which are traits our student-athletes demonstrate both on and off the field.

The first consistent use of the word "Pride" relating to athletics was in 1989 when the University's athletic booster club was founded and called itself The Pride Club, which at the time simply referred to the pride that alumni and fans had for our teams. The Pride identity has progressed over the past decade in a more specific fashion than just the expression of a feeling. After one lion on the Hofstra seal was changed into a lioness to symbolize gender equity, the University mascots -- Kate and Willie Pride, a lioness and lion -- were introduced.

## Hofstra's Dutch Heritage

The idea for a college came from Truesdel Peck Calkins, former Hempstead superintendent of schools, who was then with New York University.

He suggested that NYU might offer extension courses on the Hofstra property.

Hofstra opened in September 1935, as a two-year extension

branch of NYU; its official name was

“Nassau College – Hofstra

Memorial of New York University at Hempstead, Long Island.”

When the doors opened, the sole building on campus was

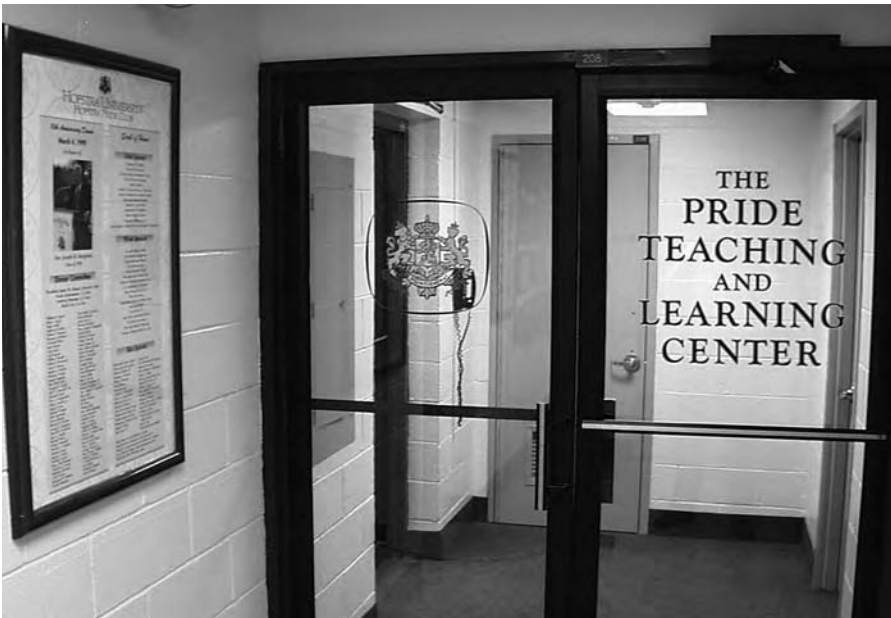

Hofstra’s mansion, which he had affectionately named the Netherlands

after his homeland, and all classes were held there. The mansion, which houses

administrative offices, is now the center of Hofstra’s 240-acre campus, and has been renamed Hofstra Hall.

**T**ies to Dutch heritage and the Netherlands began with William S. Hofstra, after whom the school is named and on whose property the University was started. William Hofstra died in 1932 and when his wife, Kate, died 16 months later, her will provided that their house, 15-acre estate, and bulk of her inheritance were to be used for a “public, charitable, benevolent, or scientific purpose” as a memorial to her husband.

# ACADEMIC SUPPORT

Hofstra University is committed to the pursuit of academic and athletic excellence. The University views participation in intercollegiate athletics as benefiting the student-athlete in an educationally enhancing experience beyond any other opportunity available. Hofstra also realizes the time commitment made by student-athletes and has committed the facilities and resources to support all students.

The University Tutorial Program (UTP) provides free tutoring in every subject area to any Hofstra student. Students are able to obtain up to 1 1/2 hours of individual tutorial assistance per week for each subject. They are also able to utilize the various help labs on campus, which specialize in providing assistance in writing, business and QM, and biology and chemistry. In addition to this service, student-athletes are assigned an academic advisor who helps address the various needs of student-athletes. The academic advisor emphasizes four areas in their efforts to ensure the academic success of Hofstra's student-athletes.

Area one is academic counseling. Services are provided in the areas of academic planning, career planning, personal counseling, and campus and community referrals.

The counselor also meets with prospective student-athletes, at the coach's request, to share the many benefits of a Hofstra University education.

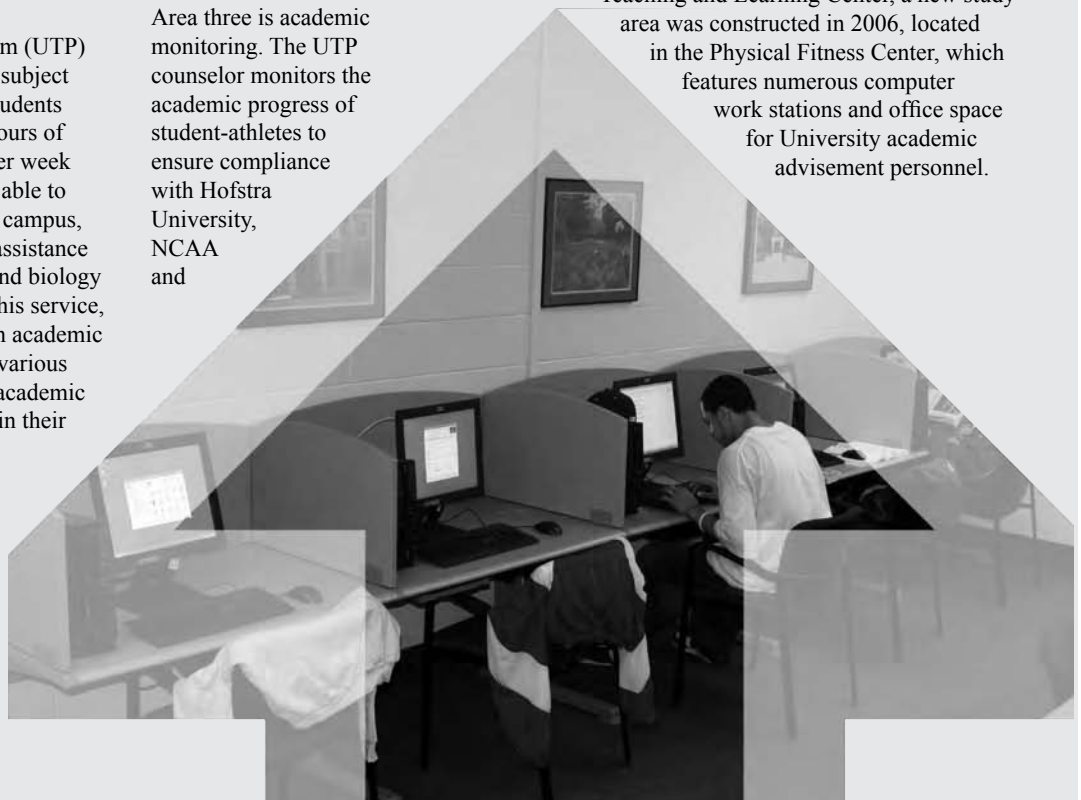

Area two is academic advising. In an effort to ease the demand on the Office of Advisement, the academic advisor also advises first-year and undecided student-athletes.

Area three is academic monitoring. The UTP counselor monitors the academic progress of student-athletes to ensure compliance with Hofstra University, NCAA and

conference regulations. The counselor's regular communication with the faculty and coaches provide an opportunity for early intervention should academic difficulties arise.

Area four is study halls. The University Tutorial Program provides all athletic study halls with tutors in various subjects and assesses the needs of individual student-athletes to provide the most effective study environment. The assessment tool administered by the UTP is also used to provide various enrichment seminars for the student-athletes such as time management, writing skills, campus resources, and surviving the college transition.

In the fall of 1999, the Pride Teaching and Learning Center opened on the second floor of Margiotta Hall. Funded in part by proceeds from the Joe Gardi Golf Open, the state-of-the-art computer lab and learning center features a projection system and 18 computer workstations, which are connected to the University network for easy research access to the Internet. The Pride Teaching and Learning Center was refurbished in 2005 with new furniture and computers. In addition to the Teaching and Learning Center, a new study area was constructed in 2006, located in the Physical Fitness Center, which features numerous computer work stations and office space for University academic advisement personnel.

# SPORTS MEDICINE/ATHLETIC TRAINING

**T**hrough a comprehensive athletic training program, Hofstra University student-athletes are provided excellent health care during their attendance at the University. A coordinated effort between the University Health and Wellness Center, the Athletic Department and outside health care providers ensures every student-athlete the best medical attention possible.

University student-athletes have direct access to a myriad of health care services. Managing the coverage of every practice and competition event is Hofstra University's athletic training staff, which is led by third-year Head Athletic Trainer Evan Malings and features nine full-time athletic trainers and numerous student athletic trainers. The athletic trainers provide injury management, rehabilitation and treatment to the entire Athletic program. Utilizing three state-of-the-art athletic training rooms, these professionals work tirelessly to ensure the safe participation of Hofstra's student-athletes and to return injured athletes to play quickly and safely.

Supporting the athletic trainers is team physician Dr. Damion Martins. Dr. Martins, a physician with Pro Health Care, Inc. in Lake Success, New York, is in his fourth year on Hofstra's medical team. Martins experience in the sports medicine field includes serving as team physician for the University of Maryland, University of Maryland-Baltimore County and Coppin State athletic departments. He was also on the medical staff of the National Football League's Baltimore Ravens.

Hofstra University sponsors a fully accredited, highly competitive undergraduate degree program for athletic training majors, in which Hofstra student athletic trainers participate in all aspects of the health care system.

# LONG ISLAND AND NEW YORK CITY

## About Long Island...

**L**ong Island has a rich history as an active, vibrant community, a summer playground, and home to some of New York's most prominent families.

Five distinct regions make up Long Island:

- North Shore, otherwise known as the Gold Coast, with dozens of historic sites dating back to colonial days and Gatsby-era mansions.
- South Shore, the Island's spectator sports and entertainment center, with world-famous Jones and Fire Island Beaches, and home to the New York Islanders.
- Central Suffolk, with beautiful forests and natural inlets, the world's largest factory outlet center and a huge water park.
- North Fork, with an array of vineyards, waterfront ports and farm stands.
- South Fork, widely known as "The Hamptons," with its pristine beaches and exclusive villages.

You can catch a Hofstra shuttle bus to Jones Beach – a state park with six miles of gorgeous coastline, a boardwalk, swimming pools, golf and outdoor concerts.

With everything from museums, historical sites and lighthouses, to sophisticated malls, designer outlets and shopping villages, to wineries and farm stands, to family fun parks, aquariums and zoos, there is plenty to do on Long Island.

## About New York City...

**H**ofstra is located only 30 miles from New York City – the capital of culture and finance. You can visit Carnegie Hall, South Street Seaport, Hard Rock Café, Grand Central Station, Central Park, NBC Studios in Rockefeller Center, Little Italy or Chinatown.

Study the world's finest sculptures and paintings at the Metropolitan Museum of Art.

Go and cheer along with capacity crowds at a Yankees, Mets, Rangers or Knicks game.

Wave at the TV cameras in the street-level studios of FOX, CNN, NBC or ABC's "Good Morning America."

Walk through the financial capital of the world at the New York Stock Exchange on Wall Street.

Take the subway to Coney Island for a Nathan's hot dog and a ride on the Cyclone, the last of the great wooden rollercoaster's.

Get half-priced tickets to Broadway's finest shows at the TKTS booth in a new, glittering Times Square.

# ATHLETIC FACILITIES

## UNIVERSITY FIELD

The Pride call University Field, located on Hofstra's North Campus, their home. University Field is centrally located between two of the most frequented sites on campus, the Hofstra Recreation Center and the Hofstra University Arena. It is also just 25 yards from the Colonial Square residential complex.

University Field has undergone major renovations in recent years. The infield was skinned and a new drainage system was installed. This was followed by the installation of "Competition Turf" by Edel Grass. The artificial grass surface, which is similar to what is used at Veterans Stadium in Philadelphia, Pennsylvania, was installed by Landtek of Amityville, New York. The new surface gives the Pride greater  
included leveling the berm that was located behind the backstop, moving the backstop back 10 feet and installing new bleachers behind home p

right centerfield. In 2002-03 the existing dugouts were replaced with sunken dugouts, measuring 70 feet in length, with protective fencing. During the summer of 2004, the outfield warning track was resurfaced with crushed gravel for better playability and drainage.

The recent renovations weren't the first done to University Field. In 1990 extensive outfield repair was done, including the installation of a wooden fence. In 1991 dugouts were constructed, new fencing was installed in foul territory and the bullpen areas were also enclosed with fencing.

University Field has dimensions of 331 feet down the left field line, 380 to center field and 340 down the right field line. There is ample parking adjacent to the field.

## **HOFSTRA ARENA WEIGHT ROOM**

The team also has the use of a state-of-the-art weight training facility. Located in the Hofstra Arena, the weight room is outfitted with the most advanced strength training and cardiovascular equipment available.

## **HOFSTRA PHYSICAL FITNESS CENTER/ NEW YORK JETS PRACTICE BUBBLE**

Hofstra can avoid inclement weather by using the indoor Physical Fitness Center, which is equipped with pitching machines and batting cages. The Pride also has use of the New York Jets indoor practice bubble. The 50-yard turf field gives Hofstra a unique practice environment. The practice bubble is located on the North Campus, near Hofstra Arena.

\*Colonial Athletic Association game

# THE COLONIAL ATHLETIC ASSOCIATION

Coming off one of the most successful seasons in its 21-year history, the Colonial Athletic Association continues to enhance its reputation as one of the nation's top collegiate conferences.

With a geographic footprint that stretches from Boston to Atlanta, the CAA encompasses five of the nation's nine largest metropolitan areas. On the playing field, the conference has produced 16 national team champions in five different sports, 33 individual national champions, 12 national players of the year, 11 national coaches of the year and 12 Honda Award winners. Even more impressive, however, are the honors accumulated away from competition, which include five Rhodes Scholars and 19 NCAA post-graduate scholars. In 2005-06, the CAA had 11 ESPN The Magazine Academic All-Americans and more than 1,500 of our 4,000 student-athletes posted at least a 3.2 grade point average while lettering in a varsity sport and received the CAA Commissioner's Academic Award.

The landscape of the conference stretches along the majority of the East Coast, and includes six of the nation's top 25 media markets – New York (1), Philadelphia (4), Boston (5), Washington, D.C. (8), Atlanta (9) and Baltimore (23). The number of television homes in the CAA market exceeds 19 million.

The CAA conducts championships in 21 sports. Male athletes compete for championships in baseball, basketball, cross country, golf, lacrosse, soccer, swimming & diving, tennis, track & field and wrestling. Female athletes battle for conference titles in basketball, cross country, field hockey, golf, lacrosse, soccer, softball, swimming & diving, tennis, track & field and volleyball. The CAA will also begin sponsorship of a 12-team Division I-AA football league in the fall of 2007.

The conference made its presence known nationally in men's basketball, with four teams advancing to post-season play for the second year in a row. George Mason became the first mid-major program since 1979 to reach the Final Four, knocking off powerhouses Michigan State, North Carolina, Wichita State and Connecticut along the way. The Patriots were ranked

#8 in the final ESPN/USA Today Top 25 poll, which was the highest ever for a CAA team. UNC Wilmington claimed its third league title in the past five years before dropping an overtime decision in the NCAA Tournament. Old Dominion became the first conference team to reach the final four of the NIT, defeating league member Hofstra in the quarterfinals. Drexel was the first CAA squad to make the final four of the NIT Pre-Season Tip-Off Tournament, where it dropped close decisions to national powers Duke and UCLA. The CAA was ranked eighth out of 31 conferences in the final RPI with six teams among the top 88 in the country.

In women's basketball, the CAA had a league-record four teams earn post-season berths and was ranked #8 in the final RPI. Perennial power Old Dominion, which claimed its 15th consecutive conference title, has a storied history that includes three national championships (1979, 1980, 1985) and a national runner-up finish in 1997. Delaware, James Madison and Hofstra received berths in the 2006 WNIT.

The conference also excels in many other sports. CAA squads have won 10 field hockey national titles since the championship began in 1981 and Old Dominion advanced to the national semifinals in 2005. In baseball, James Madison's Kellen Kulbacki was chosen as the Co-National Player of the Year and the league had 28 players chosen in the 2006 Major League Baseball draft. The CAA is annually ranked among the nation's top 10 conferences in men's and women's soccer, and traditionally sends multiple teams to the NCAA Tournament. Hofstra's men's lacrosse team was ranked #2 in the nation last season and tied an NCAA record with 17 victories while CAA women's tennis players Megan Moulton-Levy of William & Mary and Tatsiana Uvarova of VCU both earned All-America honors after facing off in the quarterfinals of the NCAA Championship. In 2005-06, 21 league teams earned NCAA Tournament berths in 16 sports. There were 37 CAA student-athletes who earned All-America honors.

CAA member institutions are committed to excellence in the classroom. The Colonial Academic Alliance was created in 2002 by the league's presidents with a goal of expanding their partnership

to all aspects of university life outside of intercollegiate athletics. Among the programs already established are an undergraduate research conference, coordination of study abroad programs and granting visiting academic status to student-athletes traveling to an away contest so that they have access to libraries, academic resource centers and computer labs.

In 2002, two faculty members from CAA institutions were awarded academia's most coveted distinction – the Nobel Prize. John B. Fenn, a research professor in the Department of Chemistry at Virginia Commonwealth University, received the Nobel Prize for chemistry, and Vernon Smith, a professor of economics and law at George Mason University, shared the Nobel Prize in economic sciences.

Commissioner Thomas E. Yeager has guided the CAA since its inception. Long-time members George Mason University, James Madison University, the University of North Carolina at Wilmington, Old Dominion University, Virginia Commonwealth University and the College of William & Mary were joined by the University of Delaware, Drexel University, Hofstra University and Towson University in 2001. Georgia State University and Northeastern University became members of the conference on July 1, 2005.

The CAA traces its roots back to 1983 when three of its current members—George Mason, James Madison, and William and Mary—were aligned with East Carolina University, the United States Naval Academy and the University of Richmond as a basketball league (ECAC South). During the next two years, the league added 11 sports, acquired two new members (UNC Wilmington and American University) and decided to form a new association. The transformation from ECAC South to CAA took place on June 6, 1985. Old Dominion became a member of the CAA in 1991-92 and VCU joined the conference prior to the 1995-96 season.

From all-star athletes to Nobel Prize winning faculty, the CAA takes great pride in producing performers who stand out both on the playing field and in the classroom.

# 2007 MEDIA INFORMATION

The Hofstra University Office of Athletic Communications welcomes the members of the media covering the 2007 Pride Baseball team. If we can be of any assistance to you throughout the year, please do not hesitate to contact us. We hope the following items will help you during your visits to Hofstra University. Enjoy the season.

**Office of Athletic Communications**  
230 Hofstra University - PFC-232  
Hempstead, NY 11549  
(516) 463-2907 - Beth Romano's Office  
(516) 463-5033 - Fax

**Jim Sheehan**  
Associate Director of Athletics for Communications

**Jeremy Kniffin**  
Senior Assistant Director of Athletic Communications

**Stephen Gorchov**  
Assistant Director of Athletic Communications

**Beth Romano**  
**(Baseball Contact)**  
Athletic Communications  
Graduate Assistant

**Len Skoros**  
Director of Athletic Publications

**Press Seating:** University Field press seating is located behind the backstop, on the first and third base sides of home plate. Radio stations will broadcast from the third base side. Print journalists can sit at the tables on the first base side, or if radio is not present, along the third base side.

**Credential Requests:** All members of the press should contact the **Office of Athletic Communications** at least 48 hours before each game to request credentials.

**Game Services:** Game notes, statistics and lineups are available at the scorer's table, located behind the backstop on the first base side of home plate.

**Radio:** The Hofstra Office of Athletic Communications will provide a touch-tone digital phone line for the opponent's commercial and student radio stations. Visiting teams will need to give the Athletic Communications Office two weeks notice of their intention to broadcast. All calls must be made collect or direct dial from the radio station to University Field.

**Postgame Interviews:** Hofstra players and coaches will be available for postgame interviews, upon request, after a 10-minute cooling off period. Contact Beth Romano with your request.

**Player Interviews:** All requests for student-athlete interviews during the week should be made at least one day in advance with the Office of Athletic Communications. If you are requesting a phone interview, we will have the student-athlete return your call at a mutually convenient time. **Player home phone numbers will not be distributed.** In-person interviews may be conducted in a number of locations in and around the Hofstra Physical Fitness Center. However, interviews may not be conducted in the locker room or the training room.

# GETTING TO HOFSTRA/CAMPUS MAP

## From Southern New Jersey, Southeastern Pennsylvania, Maryland, Washington, D.C. and Virginia:

Take the New Jersey Turnpike to Exit 13. Cross the Goethals Bridge and continue on Route 278 to the Verrazano-Narrows Bridge. Stay in the left lane of the Bridge and take the Belt Parkway-East. The Belt Parkway becomes the Southern State Parkway at the Nassau County line. Take the Southern State Parkway to the Meadowbrook Parkway North (Exit 22). Exit the Meadowbrook Parkway at Exit M4 (Hempstead Turnpike Route 24). Head west to Hofstra (approximately 1 mile).

## From Northwestern New Jersey, Northern Pennsylvania and the Middle States:

Take Interstate 78, Interstate 80, U.S. Route 22, New Jersey Route 4 or New Jersey Route 17 to the George Washington Bridge. Proceed over the bridge to the Cross Bronx Expressway. Take the Cross Bronx Expressway to the Throgs Neck Bridge. Follow directions from the Throgs Neck Bridge from this point.

## From Upstate New York:

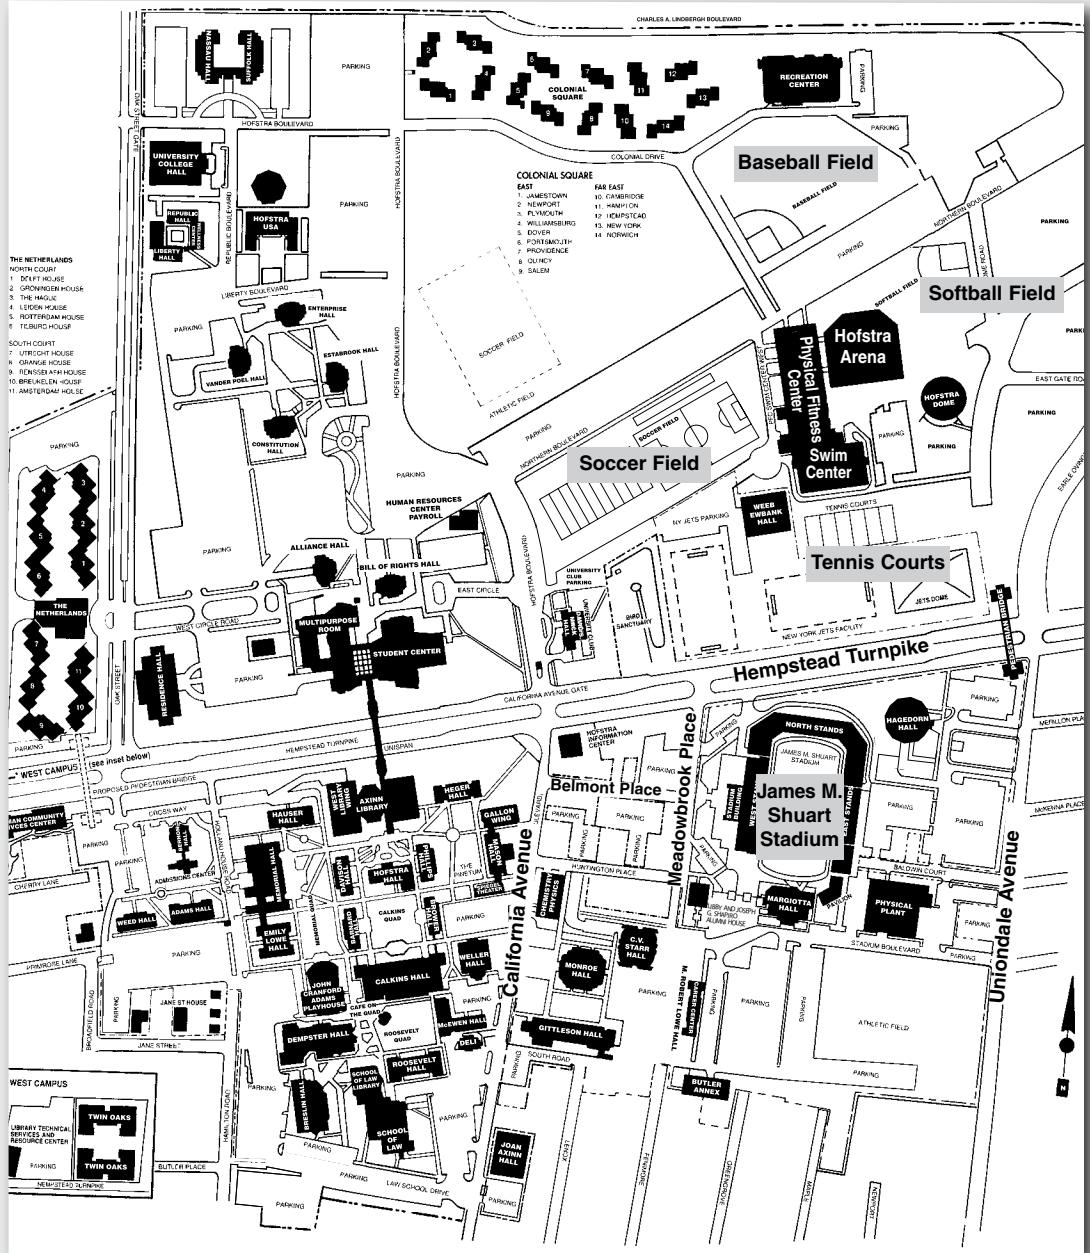

Take New York Thruway over the Tappan Zee Bridge to Cross Westchester Expressway (Interstate 287). Stay on the Expressway to the New England Thruway (Interstate 95). Proceed south on the Thruway to the Throgs Neck Bridge. Follow directions from the Throgs Neck Bridge from this point.

## From the Throgs Neck Bridge:

Follow signs for Eastern Long Island. Take the Cross Island Parkway to the Grand Central Parkway-East. The Grand Central becomes the Northern State Parkway at the Nassau County line. Take the Northern State Parkway-East to the Meadowbrook Parkway-South (exit 31A). Take the Meadowbrook Parkway-South to Exit M4 West (Hempstead Turnpike Route 24). Follow Hempstead Turnpike West to Hofstra (approximately 1 mile).

## For Team Travel Via Bus:

Commercial buses are not allowed on New York City (Belt, Grand Central or Cross Island) or Long Island (Southern State or Northern State) Parkways. Team buses should take the Brooklyn-Queens Expressway from the south, and the Clearview Expressway from the north, to get to the Long Island Expressway for the trip to Hofstra. Once on the Long Island Expressway (I-495), buses should proceed to Glen Cove Road-South (exit 39). Head south on

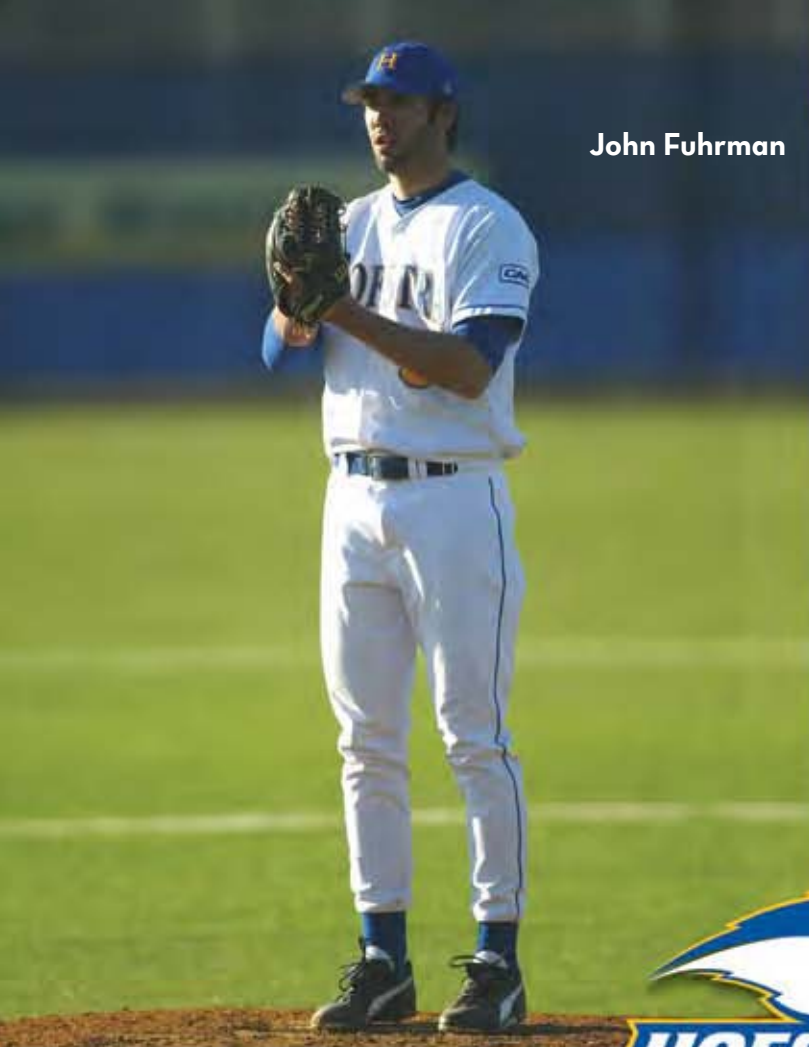

Glen Cove Road for approximately eight miles to Hempstead Turnpike/Fulton Avenue and turn left (east). Hofstra University is approximately two miles east on Hempstead Turnpike.

## Public Transportation from Airport:

If a visitor arrives at either La Guardia or Kennedy Airport, the most direct means of reaching the University is by one of three limousine companies that service both airports and the Hofstra University area. Larry's Taxi Service (516) 483-3333; Transport Limousine Service (800) 654-1164 (out of state) (800) 832-5466 (in New York state); Winston Limousine Service (800) 4-AIRPORT.

## Railroads:

AMTRAK services Pennsylvania Station in Manhattan, approximately 30 miles from the Hofstra campus. To get to Hofstra from Penn Station, take the Long Island Rail Road to the Hempstead station. The Hofstra University Courtesy Bus and taxi services are available there. Hofstra is approximately 1.5 miles from the station.
