** In 2022, all individuals nominated for Academic All-District automatically were awarded such distinction. A select number of AAD honorees were then moved to the AAA ballot for consideration. Prior to this, AAD nominees were voted upon to receive AAD honors ... tracking other CC nominees starting in 2022 became irrelevant for comparison purposes.*

Designed to highlight football's unique ability to develop tomorrow's brightest leaders, The NFF Hampshire Honor Society honors the college football players from all divisions of play who each maintain a 3.2 GPA or better during their collegiate careers.

Looking to build on his legacy in promoting the scholar-athlete ideal, John Hanson, the emeritus chairman of the National Football Foundation, endowed in perpetuity the NFF Hampshire Honor Society through his real estate company, The Hampshire Companies, and its charitable arm, The Hampshire Foundation, in 2007

Qualifications for membership in the NFF Hampshire Honor Society include:

- Being a starter or a significant contributor in one's last year of eligibility (or a senior who has declared for the NFL Draft) at an accredited NCAA Football Bowl Subdivision, Football Championship Subdivision, Division II, Division III or an NAIA college or university;
- Achieving a 3.2 cumulative grade point average throughout entire course of undergraduate study; and
- Meeting all NCAA- or NAIA-mandated progress towards degree requirements.
