## ABOUT ATLANTIC HOCKEY (AHA)

A new chapter in the history of college hockey was ushered into existence when the Atlantic Hockey Association (AHA) became the sixth Division I men's ice hockey conference in 2003. Now in its 20th season of existence in 2022-23, Atlantic Hockey and its members are known throughout the NCAA landscape.

In August of 2004, Quinnipiac announced that the 2004-05 season would be their last in Atlantic Hockey as they were leaving to join ECAC Hockey. Four months later, Rochester Institute of Technology (RIT) announced that their men's hockey program would be elevating to Division I status from Division III and would be joining Atlantic Hockey in 2006-07. Air Force also accepted an invitation to join Atlantic Hockey in 2006-07, bringing membership up to 10 institutions. Membership again grew in 2010-11 to 12 schools, with Robert Morris

and Niagara leaving the now-defunct College Hockey America (CHA) and joining Atlantic Hockey. The AHA remained a 12-team league until the end of the 2013-14 season when UConn left for Hockey East, bringing Atlantic Hockey to 11 teams. The league would stay at 10 teams until Robert Morris University announced it was eliminating its program following the 2020-21 to set the AHA membership at 10 programs for the 2021-22 campaign.

Ten Atlantic Hockey alums have reached the NHL. Former RIT defenseman and 2009-10 Atlantic Hockey Rookie of the Year, Chris Tanev is the longest-tenured alum, having spent his entire nine-year career with the Vancouver Canucks. Atlantic Hockey alumni continue to thrive in the AHL, ECHL, and internationally, including on the Olympic stage. Former Mercyhurst goalie and current Mercyhurst Assistant Coach, Ryan Zapolski was the starting goaltender for Team USA during the 2018 Winter Olympics.

Currently, Atlantic Hockey spans a total of five states, reaching from the Atlantic Ocean to the Rocky Mountains. Members reside in Colorado (Air Force), Connecticut (Sacred Heart), Massachusetts (American International, Bentley, Holy Cross), New York (Army, Canisius, Niagara, RIT), and Pennsylvania (Mercyhurst, Robert Morris).

# 35 YEARS WITH COACH RICK GOTKIN

Rick Gotkin enters his 35th season as head coach of the Mercyhurst University men's hockey team. Since coming to Erie in 1988, Gotkin has spent more than two decades instilling a winning tradition in the men's hockey program.

Gotkin, the only coach in NCAA history to take a team to the NCAA Tournament at all three levels, has guided the Lakers to over 500 wins, six NCAA tournament appearances and five league championships. His teams have averaged 18 wins a season and have made the postseason in 32 of the 34 years he has been at Mercyhurst.

In August of 2017, Gotkin was appointed as a member of the NCAA Men's and Women's Ice Hockey Rules Committee. He will serve a four-year appointment which began on Sept. 1, 2017.

In June of 2015, Gotkin was inducted into the Erie Chapter of the Pennsylvania Sports Hall of Fame. Gotkin coached the Lakers to the Atlantic Hockey regular-season championship in 2017-18. Mercyhurst finished the season with a 21-12-4 record and had non-conference wins over No. 17 Penn State and No. 9 Wisconsin.

In 2015-16, the Lakers had an overall record of 17-15-4 and a conference record of 15-9-4. They defeated out-of-conference Colgate and Ohio State in the process. The Lakers reached the AHA Quarterfinals, before falling to RIT. Gotkin recorded his 500th win during Atlantic Hockey play against Air Force on Saturday November 7. After the season end, three of Gotkin's players signed professional contracts, one being with the Washington Capitals of the NHL. In 2014-15, the Lakers won 19 games and defeated out-of-conference opponents Merrimack and Colgate in the process. Mercyhurst also played to a 2-2 overtime tie against Ohio State in early January at the Erie Insurance Arena. The Lakers reached the championship game of the Atlantic Hockey Conference playoffs before bowing to RIT. After the season, eight of Gotkin's players signed professional contracts while 18 were named to the Atlantic Hockey conference All-Academic Team.

During the 2012-13 season, Gotkin became the 26th coach in NCAA history, at any division, to record 450 career wins when the Lakers defeated Army in game two of the first round of the Atlantic Hockey Association (AHA) playoffs. He guided the Lakers to a 19-17-5 overall record and helped Mercyhurst to the AHA title game for the first time since 2009.

During his tenure, Gotkin has produced seven All Americans, four ECAC Players of the Year, three ECAC Rookies of the Year, five MAAC First-Team selections, an AHA Player-of-the-Year, 24 AHA All-Conference selections, three AHA Rookies of the Year and one AHA Defenseman of the Year. In 2001, Gotkin was also a finalist for the Spencer Penrose Award.

Gotkin has also been a featured speaker at many USA Hockey coaching clinics and symposiums. He has served on the Hobey Baker Award Committee and currently serves on four other national committees: the American Hockey Coaches Association Division I Committee, the US College Hockey Online.com National Poll Committee, the Division I East region advisory committee, and the USA Today/American Hockey Magazine College Hockey Poll.

In 1995, the varsity hockey team won the Sister Rita Panciera Award given annually to the Mercyhurst College group that "best exemplifies the values of mercy". In March of 1998, the team was honored again, this time by the Erie Achievement Center for its work with the disabled.

Gotkin is married to the former Diane Kaminski of Erie, Pa. They are the parents of two children: Lindsey Ann was born September 2, 1991, and Brandon Reed arrived April 1, 1995. Lindsey, a Mercyhurst alum and four-year member of the Laker golf team, earned her law degree at DePaul and is now an attorney in Washington, D.C., while Brandon, a former member of the Laker men's ice hockey team, is now coaching with the Youngstown Phantoms of the USHL.
