## AT A GLANCE

### Preseason Poll

The preseason coaches' poll has the Lakers coming in ninth with 36 points. Sacred Heart was picked to take first in the poll, receiving five first place votes. RIT received three first place votes, coming in second in the poll. Holy Cross, AIC, and Niagara all received one first place vote as well. Boris Skalos was a Honorable Mention Preseason All-AHA Selection.

### History

Mercyhurst and RPI have faced each other sparingly over the years, with RPI holding a slight edge in the all-time series 6-1-0. The last meeting between the two programs ended in a 3-2 overtime win for the Engineers back in 2022. The lone win in the series history for the Lakers came at home back in 2013. The Engineers are on a three-game winning streak against the Lakers.

### Laker Outlook

The Lakers come into the weekend with a 2-14-2 overall record and are seeking to bounce back after a tough loss and a tie against Bentley. Dustin Geregach has been a standout for Mercyhurst this season, leading the team in points with 14 (6 goals, 8 assists). Mickey Burns and Riley Fitzgerald have also provided offensive sparks, contributing 12 and 8 points respectively. Defensively, the Lakers will look to improve their penalty kill and limit scoring opportunities for the Engineers. Goaltenders Carter McPhail and Simon Bucheler have split time in net, with McPhail boasting a .916 save percentage through 10 games.

### A Look at RPI

The Engineers enter the series with a 5-8-1 overall record, including a 1-5 mark in conference play. Offensively, they are led by Tyler Hotson, who has tallied 11 points (3 goals, 8 assists), and Will Gilson, who has 10 points (4 goals, 6 assists). RPI averages 2.9 goals per game but has struggled defensively, allowing an average of 3.8 goals per game. In net, Noah Giesbrecht has seen the majority of action, posting a .893 save percentage over 10 starts.

## ABOUT ATLANTIC HOCKEY

After 21 seasons, the Atlantic Hockey Association has rebranded to Atlantic Hockey America. The new era of Atlantic Hockey has both a men's and women's league that features a total of 17 programs across 14 member institutions for the 2024-25 season.

Currently, Atlantic Hockey spans a total of six states, reaching from the Atlantic Ocean to the Rocky Mountains. The conference fields 11 men's programs (American International College, Bentley University, Canisius College, The College of Holy Cross, Mercyhurst University, Niagara University, Rochester Institute of Technology, Robert Morris University, Sacred Heart University, the United State Air Force Academy, and the United States Military Academy), and six women's programs (Lindenwood University, Mercyhurst University, Penn State University, Rochester Institute of Technology, Robert Morris University, and Syracuse University). In 2025-26, Delaware University will join the women's league.

The conference is led by commissioner Michelle Morgan, who joined the AHA in April 2023. She is entering her second season at the helm of Atlantic Hockey America in 2024-25. In her first year, Morgan led the merger between the Atlantic Hockey Association and College Hockey America.

The conference's nine original members - AIC, Army, Bentley, Canisius, Connecticut, Holy Cross, Mercyhurst, Quinnipiac, and Sacred Heart - conceived the concept of a standalone ice hockey conference when it became apparent they needed an organization that represented specific hockey needs.

Together, the teams broke away from the Metro Atlantic Athletic Association (MAAC) and started anew, creating the Atlantic Hockey Association on June 30, 2003. They installed Robert M. DeGregorio, Jr., former Commissioner of Hockey East and Director of Athletics at Merrimack College, as commissioner of the new league.

In August of 2004, Quinnipiac announced that the 2004-05 season would be their last in Atlantic Hockey as they were leaving to join ECAC Hockey. Four months later, Rochester Institute of Technology (RIT) announced that their men's hockey program would be elevating to Division I status from Division III and would be joining Atlantic Hockey in 2006-07. Air Force also accepted an invitation to join Atlantic Hockey in 2006-07, bringing membership up to 10 institutions.

Membership again grew in 2010-11 to 12 schools, with Robert Morris and Niagara joining Atlantic Hockey. The AHA remained a 12-team league until the end of the 2013-14 season when UConn left for Hockey East, bringing Atlantic Hockey to 11 teams. The league would stay at 11 teams until Robert Morris University announced it was eliminating its program following the 2020-21 to set the AHA membership at 10 programs for the 2022-21 campaign.

# 37 SEASONS WITH COACH GOTKIN

Rick Gotkin enters his 37th season as head coach of the Mercyhurst University men's hockey team. Since coming to Erie in 1988, Gotkin has spent more than three decades instilling a winning tradition in the men's hockey program. Gotkin, the only coach in NCAA history to take a team to the NCAA Tournament at all three levels, has guided the Lakers to nearly 600 wins, six NCAA tournament appearances and five league championships. His teams have averaged 18 wins a season and have made the postseason in 33 of the 36 years he has been at Mercyhurst.

In the 2022-23 season, Gotkin recorded his 1200th game behind the bench during a 7-3 win over Army on the road. This success also established Gotkin as the longest-tenured active coach in all of NCAA Hockey.

In August of 2017, Gotkin was appointed as a member of the NCAA Men's and Women's Ice Hockey Rules Committee. Where he served a four-year appointment which began on Sept. 1, 2017.

In June of 2015, Gotkin was inducted into the Erie Chapter of the Pennsylvania Sports Hall of Fame.

Gotkin coached the Lakers to the Atlantic Hockey regular-season championship in 2017-18. Mercyhurst finished the season with a 21-12-4 record and had non-conference wins over No. 17 Penn State and No. 9 Wisconsin.

In 2015-16, the Lakers had an overall record of 17-15-4 and a conference record of 15-9-4. They defeated non-conference Colgate and Ohio State in the process. The Lakers reached the AHA Quarterfinals, before falling to RIT. Gotkin recorded his 500th win during Atlantic Hockey play against Air Force on Saturday November 7. After the season end, three of Gotkin's players signed professional contracts, one being with the Washington Capitals of the NHL. In 2014-15, the Lakers won 19 games and defeated non-conference opponents Merrimack and Colgate in the process. Mercyhurst also played to a 2-2 overtime tie against Ohio State in early January at the Erie Insurance Arena. The Lakers reached the championship game of the Atlantic Hockey Conference playoffs before bowing to RIT. After the season, eight of Gotkin's players signed professional contracts while 18 were named to the Atlantic Hockey conference All-Academic Team.

During the 2012-13 season, Gotkin became the 26th coach in NCAA history, at any division, to record 450 career wins when the Lakers defeated Army in game two of the first round of the Atlantic Hockey Association (AHA) playoffs. He guided the Lakers to a 19-17-5 overall record and helped Mercyhurst to the AHA title game for the first time since 2009.

During his tenure, Gotkin has produced seven All Americans, four ECAC Players of the Year, three ECAC Rookies of the Year, five MAAC First-Team selections, an AHA Player-of-the-Year, 24 AHA All-Conference selections, three AHA Rookies of the Year and one AHA Defenseman of the Year. In 2001, Gotkin was also a finalist for the Spencer Penrose Award.

Gotkin has also been a featured speaker at many USA Hockey coaching clinics and symposiums. He has served on the Hobey Baker Award Committee and currently serves on four other national committees: the American Hockey Coaches Association Division I Committee, the US College Hockey Online.com National Poll Committee, the Division I East region advisory committee, and the USA Today/American Hockey Magazine College Hockey Poll.

In 1995, the varsity hockey team won the Sister Rita Panciera Award given annually to the Mercyhurst College group that "best exemplifies the values of mercy". In March of 1998, the team was honored again, this time by the Erie Achievement Center for its work with the disabled.

Gotkin is married to the former Diane Kaminski of Erie, Pa. They are the parents of two children: Lindsey Ann was born September 2, 1991, and Brandon Reed arrived April 1, 1995. Lindsey, a Mercyhurst alum and four-year member of the Laker golf team, earned her law degree at DePaul and is now an attorney in Washington, D.C., while Brandon, a former member of the Laker men's ice hockey team, is now coaching with the Youngstown Phantoms of the USHL.
