On behalf of the entire Illinois College community, I extend a warm welcome to the athletes, their families and the fans who are attending this exciting Midwest Conference sports competition.

Illinois College is committed to the fullest development of the minds, characters and athletic skills of all of its students. This is accomplished in the classroom, in co-curricular programs and through the rigors of high-quality intercollegiate and intramural sports. In that spirit, we applaud the outstanding athletes on all teams competing today. They are among the finest student-athletes in our region of the country.

I thank the families and friends with us today for supporting their student-athletes with enthusiasm and with respect for all competitors. I want to wish all of the athletes the very best of luck!

Axel D. Steuer, President
Illinois College

Welcome to Illinois College for today's athletic contest. Illinois College is dedicated to providing an environment that allows student-athletes to participate in a competitive Division III athletics program, while also receiving an education in habits of health and recreation, and the ideals of good sportsmanship and self-discipline. Illinois College offers the distinct opportunity for students to achieve personal fulfillment, strengthen leadership and teamwork skills, and achieve success – both in the classroom and on the playing field.

Illinois College student-athletes have achieved great successes in recent years. Senior Missy Norville has won three national championships in track and field over the past two years. Recent graduate Jacob Tucker won the 2011 Denny's College Slam Dunk Contest in Houston, Texas. The 2011 Illinois College football team made Illinois College's first-ever appearance in the NCAA Division III football playoffs.

We are proud of the accomplishments of our current and former student-athletes and are determined to continue that success as we enter yet another exciting athletic campaign.

IC FIGHT SONG

Here come the brave Blueboys from old IC
See how they thunder on to victory,
Forever adding glory to her name,
See how they fight, fight, fight
To always bring her fame!
The cherished sons of dauntless varsity
Will conquer foes opposing old IC
With voices cheering for the blue and white
Old Illinois will show her might, fight!

IC ALMA MATER

Words by Ruth Badger Pixley '18, Music by A. Boyd Pixley

Illinois, dear Alma Mater,
Ivy'd Beecher, Sturtevant.
Here we sing thy loving praises,
Here renew our covenant.

Chorus:

Hail forever, Alma Mater,
May thy children bring thee fame.
Hail forever, Illinois,
In our hearts shall live thy name.

Treasur'd hilltop, ancient grove,
Held in mem'ry ever dear,
Winding walks and cherished campus,
Old and new united here.

Chorus

May thy years increase by hundreds,
Proud as those already gone.
May the lamp thy founders lighted
Lead thee e'er to heights beyond.

MIDWEST CONFERENCE

The Midwest Conference incorporated in November of 2012 as member institution presidents were seated on the Board of Directors to formalize and oversee league operations, but the league's rich history extends over 90 years. As it appears now, the modern-era Midwest Conference was created in the spring of 1994 with the merger of the Midwest Collegiate Athletic Conference, which had been sponsoring men's championships since 1921, and the Midwest Athletic Conference for Women, which was formed to conduct women's championship competition in 1977.

Stated intent of the union was to preserve both groups' tradition while enhancing administration efficiency and fostering equity between men's and women's sports.

The MWC provides championship intercollegiate competition for 11 liberal arts schools located in Illinois, Iowa and Wisconsin. Member schools are Beloit, Carroll, Cornell, Grinnell, Illinois College, Knox, Lake Forest, Lawrence, Monmouth, Ripon and St. Norbert.

Teams play a nine-game, modified league schedule in football that features one non-conference game while volleyball and men's and women's soccer feature a single round robin schedule. In 2012, they will play a modified 18 game round-robin schedule in men's and women's basketball. The top four teams advance to a tournament in men's and women's basketball and men's and women's soccer.

The football championship is determined without a playoff. Division play is used in men's and women's tennis, baseball and softball. Beloit, Carroll, Lawrence, Ripon and St. Norbert compete in the North Division, with Cornell, Grinnell, Illinois College, Knox, Lake Forest and Monmouth comprising the South Division in all sports but men's tennis where Lake Forest competes in the North Division.

In men's soccer, women's soccer, men's basketball, women's basketball and volleyball teams use their respective schedules to determine seeding for a 4-team tournament to decide the conference's automatic NCAA Tournament qualifier. In baseball, men's tennis, women's tennis and

softball, the top two teams in each division advance to a championship tournament.

Championships in the MWC's 10 other sports — men's and women's cross country, indoor and outdoor track, golf, tennis and swimming — are determined at a conference meet. The league also determines men's and women's "All-Sports" team champions based on overall performance throughout the academic year and designates an "Academic All-Conference Team" at the end of each academic year.

The purpose of the conference since its formation has been to "maintain athletic activities on a plane in keeping with the dignity and high purpose of liberal education." Competitive sports are regarded as a valuable part of the educational experience and are maintained for the benefit of student-athletes.

Organization of the MCAC was conceived at a meeting at Coe College on May 12, 1921. Charter members were Beloit, Carleton, Coe, Cornell, Knox and Lawrence. Competition began that same spring with a track and field meet.

Hamline and Millikin joined the league in December 1921, but later withdrew. Lawrence, Coe and Millikin topped the initial football standings in 1922, and Beloit won the first basketball championship in 1922-23.

Cross country was added in 1929, tennis in 1931, golf in 1934, swimming in 1936, wrestling in 1938, baseball in 1953, soccer in 1971 and indoor track (which previously had an informal champion) in 1977. Championships in volleyball, women's tennis, women's swimming, softball and women's outdoor track were instituted during the 1978-79 academic year. Women's indoor track was added in 1984 and women's soccer in 1986. Knox became the first official women's golf champion in 1996.

Ripon joined the conference in 1923, Monmouth in 1924, Grinnell in 1940 and Lake Forest in 1974. Illinois College and St. Norbert joined in 1982 and Carroll followed in 1992. Carleton withdrew following the 1982-83 academic year. St. Olaf also competed in the conference from 1952-74, as did the University of Chicago from 1976-87. Coe and Cornell withdrew following the 1996-97 academic year with Cornell rejoining the league starting in the 2012-13 year.

Conference Commissioner Chris Graham began working for the conference in 1999 and assumed his role as the first full-time league Commissioner in 2003. Cory Weibel became the third full-time conference Sports Information Director in April of 2010.
