To The Media

It is our goal that you find this publication useful while covering Indiana State University's 2009 football team. Every effort has been made to include timely and pertinent information.

Additional requests by accredited media representatives for items such as color photography, electronic highlights, feature material, etc., should be directed to our office. It is our purpose to serve you.

Credentials

Requests for working press, radio, television and photographer passes should be made as early as possible to:

Ace Hunt

Associate Director/Media Relations

Indiana State University

401 N Fourth Street, ISU Arena, Room 101B

Terre Haute, IN 47809

FAX: (812) 237-4913

Credentials may be picked up in the Media Relations office prior to the first game, thereafter they will be left at Memorial Stadium Media Will Call. Credentials must be made visible at all times for proper identification by Indiana State security personnel. Weekly print media and non-reporting radio-TV representatives have least priority to media reservations. Likewise, we are unable to accommodate children, spouses or other nonworkers.

Photo / Sideline Credentials

Follow the same procedure as used in requesting press box credentials. A credential must be designated photo for access to field level.

Media Will Call

The Memorial Stadium Media Will Call is located at the West gate area of the stadium. Credentials may be picked up 90 minutes prior to game time.

Press Box

Entrance: The entrance to the Memorial Stadium press box is via the elevator located on the west side of the stadium, directly across from main gate.

Layout: The Memorial Stadium press box is a single-level facility. The main area is reserved for print media personnel. There are separate booths for radio and television networks, coaches and the official stat crew. Film crews are asked to use the photo deck atop the press box.

Radio Networks: The originating station for each team's radio network is provided a booth from which to broadcast. Phone lines are provided in the visitor's radio booth on a reciprocal basis.

Television: Should a station wish to originate live coverage of a game, a broadcast booth will be provided to the originating network. **All telecasts must have the approval of the Indiana State University Athletics Director.**

Coaches Booth: Home and visiting coaching staffs are provided a booth, seating four persons, from which to work.

Pressbox Roof: An open air photo deck is located on the pressbox roof. Secondary radio broadcasts may also be placed on the roof due to space limitations.

Sideline: Indiana State follows NCAA regulations regarding media representatives on the sidelines. Photographers are not permitted to shoot between the 25-yard lines and must display their credentials at all times. Media may not work inside the team areas at any time. Representatives from the Indiana State Athletics Department will be responsible for sideline control.

Media Parking

New In 2009! There will be a designated media parking area near the main entrance to Memorial Stadium. Media parking passes will be delivered to all credentialed media well in advance of the first home game.

Press Box Services

Statistical and informational materials including pre-game notes, flip cards and gameday programs will be distributed in the press box prior to game time. Two telephone lines are available on a first-come, first-served basis. Play-by-play, complete quarter, halftime and final game statistics and drive charts will be available shortly after the game. A light meal and beverages will be available to accredited media one hour prior to game time. Beverages will be available throughout the game. In-game live statistics will be provided to live electronic

broadcast outlets. The Indiana State football press box is equipped with wireless internet technology, with which users may acquire guest access to the university's broadband internet server while working.

Post-Game Procedure

Prior to the end of the contest, Assistant SID Ace Hunt will collect media requests. Media will be escorted to field level with five (5) minutes remaining on the fourth quarter clock. Coach Miles will be available in the Sycamore media room below the press box on ground level. The opposing coach and two selected players will follow Coach Miles. Selected ISU players will then be escorted to the media room for interview opportunities.

Radio Information

Radio contract requests and information should be directed to the Indiana State Athletics Media Relations Office. Stations designated as "official" by visiting opponents will be provided a courtesy telephone line on press row. All other stations requesting broadcast space must pay a fee of \$50 to Indiana State University and will be accommodated on the press box roof.

Player Interview Policy

All requests for player interviews must be made through the Media Relations office. Players have been instructed to conduct no interviews unless they have been set up in this manner. The interviews generally will be conducted after practice at Memorial Stadium. Players generally are available throughout the week with the exception of game days. Requests for telephone interviews will be handled by players returning phone calls to the media. **No home telephone numbers will be given out.**

Interviews with Coach Trent Miles

Interviews with coach Trent Miles may be arranged through the Athletics Media Relations Office by calling (812) 237-4159. It is best to arrange phone interviews during the morning. If you are unable to speak with coach Miles during the mornings, he is available to talk to the media directly after the conclusion of practice at Memorial Stadium.
