GOOD "NEWS" AT INDIANA STATE UNIVERSITY

Two "major" developments in the ISU scene highlight the beginning of the Sycamores' 1976 football season:

- 1) Indiana State has been reclassified Division I by the NCAA, effective THIS season.
- 2) The University was admitted to the Missouri Valley Conference on March 9, 1976. ISU may compete for the loop's football title as soon as 1977. Five other sports will be in championship contention this year and MVC basketball will begin here in 1977-78.

ON THE COVER—Indiana State, newest football-playing member of the Missouri Valley Conference, is determined to "put it together" this fall on the gridiron. Helping to do so include O.B. Barnett (33), Dennis Wilkerson (lower left) and Bruce Montagner (lower right).

SYCAMORES NEWEST FOOTBALL-PLAYING MEMBER OF THE MISSOURI VALLEY CONFERENCE

Founded in 1907, the Missouri Valley Conference was the first intercollegiate athletic organization west of the Mississippi River. The objectives of the conference are to provide intercollegiate athletics a proper role in education; establish friendly relationships and high standards of competitive performance; and establish an organization to manage and control intercollegiate athletics within the conference.

Alan M. "Mickey" Holmes is in his fourth year as commissioner of the MVC. Prior to joining the conference in 1972, Holmes had been assistant commissioner and director of the service bureau for the Big Eight Conference. Assisting Holmes in the conference office are Gary Griffith, the MVC's director of public relations, and Bobby Scott, the league's supervisor of officials.

Tulsa has evolved into the football power in the Missouri Valley Conference. The Golden Hurricane were undefeated in Valley play last year and sported an overall mark of 8-3, including a 31-14 win over Bluebonnet Bowl bound Houston. The Golden Hurricane have won or been co-champion of the MVC 17 times since 1935.

Basketball has long been a strong point of the Missouri Valley. The conference has produced four national championship teams and its champions have finished in the top four in the nation on 13 occasions during the past 25 years. The 1974-75 past season saw four MVC teams involved in post-season competition. Drake University won the National Commissioners' Invitational Tournament, Southern Illinois University participated in the National Invitational Tournament in New York and Louisville and New Mexico State were selected to play in the National Collegiate Athletic Association tournament with Louisville finishing third in the nation. Wichita State was in the 1976 NCAA tournament.

The Missouri Valley Conference is also highly respected for its baseball program, with Southern Illinois and Tulsa making five trips to the College Baseball World Series in the past six years.

I.S.U. FOOTBALL STAFF

**TOM HARP
HEAD FOOTBALL COACH**

Tom Harp is in his 19th season as a head coach, and fourth at the helm of the Indiana State University gridiron program.

A former head coach at Cornell (1961-65) and at Duke (1966-70), Harp's three teams at ISU have recorded 14 victories in 31 games.

Harp, 48, came to Indiana State after serving as assistant coach at Navy under Rick Forzano in 1972. He also was an assistant to Army's Red Blaik from 1956 through '60.

Harp, who played football for Sid Gillman at Miami of Ohio for one season (1945), was graduated cum laude from Muskingum (Ohio) College in 1951. While there, he played for coach Ed Sherman and quarterbacked the school to a pair of Ohio Conference titles (1949 and 1950).

His coaching experience dates back to 1951 when he became head coach at Carrollton (Ohio) High School. After three seasons, he moved to a similar post at prestigious Massillon (Ohio) High School. In two seasons there he won the Ohio prep championship in 1954 and was state runnerup in 1955.

He moved to the collegiate coaching ranks the following season, becoming backfield coach and chief scout for Earl (Red) Blaik at Army. During his five seasons at West Point, Army's 1958 club was unbeaten, ranked third nationally and produced Heisman Trophy winner Pete Dawkins.

Tapped as Cornell mentor in '61, Harp's Big Red teams produced three Ivy League rushing leaders in five years. Appointed head coach at Duke in '66, he led the Blue Devils to a 5-5 season and a 41-25 victory over arch-rival North Carolina in his first year. His last squad at the Durham school finished second in the ACC.

The Barnesville, Ohio, native was out of coaching for a year between Duke and the Naval Academy. He sold insurance and reported sports on a Durham, N.C., television station in 1971.

An avid golfer, Harp has an overall head coaching record of 93-76-6 and a winning percentage of .548 in 18 years.

Harp has three daughters, Marcey, Peggy and Molly. His wife, Barbara, has a daughter Betsy, and a son, Cam.

**BOB PYCHINKA
DEFENSE COACH**

In his seventh year as a member of the Sycamore staff, Bob Pychinka is in his first season as ISU defensive coordinator.

Pychinka, who basically works with linebackers and defensive ends, is one of the best athletes ever to attend the University.

The '68 graduate won three letters in football, starring at linebacker, and twice was an Indiana

Collegiate Conference all-star. He also was an outstanding wrestler, winning three ICC mat titles.

"Chico"--defensive line coach for four years--was frosh mentor in '70 and '71. Prior to that he served as assistant football and wrestling coach at Calumet High School, and in 1969 his freshman team there was 5-2-1.

The 31-year-old Allentown, Pa., native is single.

**BOB WARREN
DEFENSIVE BACK COACH**

Bob Warren, defensive line coach, is in his fourth year as a member of the ISU staff.

The 43-year-old coach came here in 1973 from Heidelberg College at Tiffin, Ohio, where he had been defensive coordinator since 1969.

While at Heidelberg--his alma mater ('54)--the Student Princes won their last 13 games, including an 11-0 1972 season and a victorious appearance in the Stagg Bowl.

The Mt. Cory, Ohio, native spent eight years at Arcadia, Clyde and Paulding High Schools before moving to Bluffton College as assistant coach. He was head coach there from 1967-69, then went to Heidelberg.

Also track coach at Heidelberg, Warren and his wife, Joan, have four children--Jean, 18, twins Carol and Cathy, 16, and Richie, 11.

BILL DOLE
OFFENSIVE LINE COACH

Bill Dole is in his fourth season as offensive line coach at ISU. He came here in 1973 from North Carolina, where he had been a graduate assistant for two years and in 1972 served as an assistant coach.

A 1964 graduate of Davidson, where he was an outstanding offensive and defensive tackle, Dole received a military commission following college and spent six years as a captain in the U.S. Army before being released from active duty in July, 1970.

The 34-year-old Dole, who holds a master's degree in communication, is a product of a coaching family. His late father, Bill Sr., was head grid coach at East Carolina and Davidson.

Dole is married to the former Kathy Cole, who also is employed by the university.

BOB TURNER
DEFENSIVE BACK COACH

Bob Turner, who starred in Indiana State's defensive backfield for three seasons, is in his second year as a Sycamore coach—and first working with the defensive secondary.

A '72 grad who worked last fall with offensive backs, Turner tied a Sycamore record by intercepting nine passes during his sophomore year, and picked off a total of 16 aerials for 219 yards in three campaigns. He also returned 22

punts for 250 yards and a TD during his career.

Before joining the staff at his alma mater, Turner was assistant football and basketball coach at Kokomo Haworth for three years ('73-75).

The 27-year-old East Chicago Washington product is married to the former Sheryl Oliver.

CAROL PURICHIA
OFFENSIVE BACK COACH

Carol Purichia is in his second go-around as a member of the ISU football coaching staff.

Purichia, here the first time for four seasons ('69-72), spent the last three campaigns at Western Illinois. It'll be his first year under Tom Harp, since the Sycamores' previous coach was Jerry Huntsman.

The 37-year-old Indianapolis native came to I-State the first time from Chatard High in Indy, where he had been football and wrestling coach for five years. There his teams won two city titles and three conference crowns.

Previous to that he was reserve grid coach at Cathedral High, where his teams won all 30 of its games.

"Rico," earned his degrees from Indiana Central ('61) and Butler ('66), quarterbacked the Greyhounds for four years, then played a year for Indianapolis in the Continental Football League.

Purichia and his wife, Donna, have one daughter, Angela, 7.

GRID GRAD ASSISTANTS

Coach Tom Harp and his staff will have additional coaching assistance in 1976 because of the efforts of these graduates:

—Tim Campana of Kent, Ohio, a '76 graduate of Ohio Wesleyan;

—Rich Denny of Loudonville, N.Y., a '74 graduate of Syracuse University;

—Rod Harter of Bloomsburg, Pa., a '76 graduate of East Stroudsburg State College;

—Richard Heritage of Mickleton, N.J., a '76 graduate of Western Maryland College,

—and Dale Widolff of Guilford, Ind., a '75 graduate of Indiana Central University.

**MEL BLICKENSTAFF
SUPERVISOR OF TRAINERS
ATHLETIC TRAINER**

It was in 1962 that Mel Blickenstaff joined the Indiana State staff as an athletic trainer, and what a plus he has been to the University!

"Blick," one of only eight trainers selected for the 1976 U.S. Olympic team medical squad, also served last fall with U. S. Pan American team at Mexico City.

Before joining ISU 14 years ago, he gained various experience: nine years as a coach in northern Indiana, three years as a physical reconditioning instructor in the Air Force during World War II, and 11 years as athletic trainer at Columbus (Ind.) High School.

Blickenstaff earned his B.S. degree at Manchester ('38), gained his master's from Indiana ('47) and has specialized instructions in P.E. and athletic training (IU '51). He and his wife, Mary, have three grown sons.

**RAY BAGGETT
ATHLETIC TRAINER**

Ray Baggett is in his tenth year as trainer at Indiana State and has some 19 years of experience behind him. He works with Mel Blickenstaff in the Athletic Training curriculum, serves as trainer for football and assists with training in all other sports.

He came to ISU in 1967 after serving as trainer at the U.S. Military

Academy at West Point, N.Y., for three years. Before that, he was a trainer at Indiana University for seven years.

Baggett gained a bachelor of science degree from Troy (Ala.) State University in 1957, a master of science degree from Indiana in 1958 and a Director of Health degree, with specialization in health education from IU in 1966.

Ray and his wife, Shanda, have a four-year-old daughter, Sharae.

Harold Garvin

**HAROLD GARVIN
EQUIPMENT MANAGER**

Harold Garvin, who joined the athletic department staff as equipment manager in October, 1973, is in his 11th year as an ISU employee.

Before moving to athletics, Garvin was assistant supervisor in maintenance at Tirey Memorial Union Building.

A Terre Haute native, Garvin is a graduate of Garfield High School and spent three years (1943-46) in the U.S. Army.

Harold and his wife, Freda, have two children, Norman and JoEtta, both ISU graduates.

Garvin is aided—quite ably—by a pair of Brazil (Ind.) residents, **Russ Branum** and **Bob Elson**.

Branum, in his seventh year at ISU, is married and the father of two sons.

Elson, a second-season equipment staffer, is single.

**STEVE STEINWAY
SENIOR STUDENT MANAGER**

A vital cog in the ISU football program is senior student manager Steve Steinway, who has been with the team for the past two and a half years.

Steinway, a former music major (and member of the Marching Sycamores Band) who changed his course of study to physical education, also is a husband (Debra) and father (Jeremy).

The 20-year-old product of Decatur Central High in suburban Indianapolis is assisted by sophomores **Tom James** of Terre Haute North and **Jim Lawler** of Peoria, Ill. Both are most eligible bachelors.

Steve Steinway

DR. JOHN HETHERINGTON & DR. R. S. ROGERS

TEAM PHYSICIANS

Again this season, ISU's football team will receive medical attention from Drs. John Hetherington and R.S. Rogers.

Rogers is in his 10th campaign as an athletic and ISU staff physician. He was in private practice in West Terre Haute from 1954 through 1966 before joining the University staff.

"Doc" attended Franklin College and Mississippi before being graduated from the Medical University of South Carolina in 1942.

He and his wife, Virginia, have five children.

Hetherington, director of the student health center—as well as a staff physician there since 1975, joined ISU's football medical staff last fall.

An accomplished neuro-surgeon for 25 years (1950-75), the Indianapolis native gained his bachelor's and medical degrees from Indiana, as well as a master's degree from Minnesota—while working at Mayo Clinic (1947-50) in Rochester, Minn.

Hetherington and his wife, Joanne, have six children.

HOW WE BECAME THE SYCAMORES...

The name "Sycamores" was adopted by a student body general election in 1921. A contest was started that year for a school name to be selected on Blue and White Day, a forerunner to Homecoming. The names were to be submitted to a committee of four, with that group's top three choices being placed before the student body in a campus-wide election. The name Sycamores was among the three submitted. Although it was roundly booed when placed on the ballot the students, in an apparent joke, gave the name a one-sided victory in the election. The winner of the contest received \$3 as first prize for his entry. The name was first used January 3, 1922, in the Normal Advance, predecessor of The Statesman, present campus newspaper.

INDIANA STATE FOOTBALL '76 OUTLOOK

It's been a productive off-season for Indiana State University, which has gained NCAA Division I status—effective this fall—in football, as well as membership in the Missouri Valley Conference.

Coach Tom Harp, happy with those off-the-field developments, is optimistic regarding ISU's initial season as a gridiron major entry.

Harp, beginning his 14th campaign as a college head coach and fourth at the helm of the Sycamores, has 29 lettermen returning from last year's 5-5 club, which dropped late-season decisions to powerful Tulsa and Delaware after being stung by no less than eight major injuries to key personnel.

Harp anticipates a competitive grid season in 1976. A big reason for his optimism is a returning offensive backfield that rolled up the second highest amount of rushing yardage in Division II football (3,243 yards) last year via the wishbone attack.

Gaining nearly a third of it (1,022 yards) was AP first team All-America Vincent Allen (Richmond), who has totalled 3,309 yards rushing and more than 4,300 yards in total offense as a multi-purpose ball carrier the past three years.

Allen, a gifted 5-8, 170-pound senior, underwent knee surgery in early summer to have torn cartilage removed, but is expected to be ready for the Sycamores' opening night game with Arkansas State.

Complimenting him in the backfield are senior quarterback Mike Sotak (Coraopolis, Pa.), who engineers a solid attack, and senior fullback O.B. Barnett (Indianapolis Shortridge) who averaged 6.2 yards per carry (624 yards in 100 carries) and scored six TDs in 1975.

Other offensive returnees being counted on are soph and junior quarterbacks Pete McCoy (St. Louis, Mo.) and Dave Pearre (Lake Forest, Ill.), backs Tom Johnson (Markham, Ill.) and Harry Turner (Cincinnati, Ohio), both juniors, and soph Kevin Weatherby (Indianapolis Washington).

In front of them on the offensive line are six veterans: senior center Ron Carpenter (Springfield, Ill.), senior tackles Matt Blane (Indianapolis Washington), Larry Fitzgerald (Chicago, Ill.) and Doug Miller (South Bend LaSalle), junior guard Tony Suriano (Chicago, Ill.) and senior tight end Dennis Wilkerson (Donora, Pa.).

Despite a potent ground attack, Harp hopes to improve his club's passing attack, and to develop some young linemen for backup strength in the trenches. But the Barnesville, Ohio, native's number one priority has been to rebuild and to speed up the Sycamore defensive unit.

"We needed more team speed, defensively, so we revamped our defensive backfield because of graduation losses," Harp admitted.

Leading defensive returnees include junior linebacker Marty Murray (Warren, Ohio), last fall's leading ISU tackler with 137; senior defensive tackle Bob Radzis (Elk Grove Village, Ill.), who earned AP All-America honorable mention in '75; junior nose guard Dave Lowe (Terre Haute South); senior defensive end Jim Novakovich (Monessen, Pa.) and junior linebacker Mark Kupets (Republic, Pa.)

Two other players, junior safety Greg Washington (Oviedo, Fla.) and junior monster Bruce Montagner (Mertztown, Pa.), moved from quarterback and halfback, respectively, since Harp felt they were among the best athletes on the squad.

The kicking game will be unchanged with a pair of sophs returning after excellent yearling seasons. Punter Bill Edwards (Terre Haute South) tied for 15th nationally as a freshman, averaging 39.8 yards per kick. Placekicker Dave Vandercook (Ellettsville Edgewood)—ISU's second leading scorer with 42 points—broke several Sycamore records in his rookie season, including two 50-yard field goals in one game.

Meanwhile, ISU faces the most difficult schedule in its grid history in '76. Nine of 10 foes are majors, including Wichita State and Southern Illinois of the Missouri Valley, Ball State and Central Michigan of the Mid-American Conference, and Arkansas State of the Southland Conference.

"Our young men don't stand head and shoulders above any opponent, but I think we have the caliber of athlete that will do a good job for us," asserted Harp, whose club was rated ninth nationally among "most improved teams" at the close of '75 by *Football News*.

COACH TOM HARP (middle) welcomes back two of last year's four All-America Sycamore gridgers. Returning are halfback Vincent Allen (standing, right) and defensive tackle Bob Radzis (kneeling, left). Departed seniors are defensive back Larry Brumfield (standing, left) and offensive lineman Chris Hicks.

INDIANA STATE GAME-BY-GAME AWARDS

The Indiana State University football coaching staff presents a number of awards following each game, the purpose of the honors being to reward outstanding effort and to provide incentive for future effort.

After grading the game films, the coaches present awards to the **Offensive Back of the Week, Offensive Lineman of the Week, Defensive Back of the Week, Defensive Lineman of the Week and Linebacker of the Week**. These awards are determined by the film grades and reward the players in those categories who have the best efficiency percentages.

Hatchet Awards are presented weekly to back and lineman players, who in the opinion of the coaching staff, inflicted the most damage on the opponent. Winners may have had key fumble recoveries or interceptions, a long run at a crucial time, etc.

Mr. Boo Awards are presented in conjunction with the local night club of the same name. Two players are honored, usually (but not always) an offensive and a defensive player. The awards are made as a combination of the other two awards, and the players honored have their pictures posted in the night club the following week.

Individual awards are also presented weekly for big plays, such as a scoring run or pass, a key block on a scoring play, a tackle behind the line of scrimmage, etc. Winners of these awards receive decorations for their helmets that they wear the remainder of the season.

THE UNIVERSITY
AND ITS ATHLETIC STAFF

Bob King

**BOB KING
DIRECTOR OF ATHLETICS
BASKETBALL COACH**

Bob King is in his third year as director of athletics and second as basketball coach at Indiana State University.

Before moving here in the spring of 1974, King had been at the University of New Mexico for 12 years, the last two as associate athletic director.

His primary notoriety at UNM, though, came between 1962 and '72 when he served as Lobo basketball coach. His 10-year record was 175-89 (.663).

During that decade at New Mexico, four of his clubs went on to post-season activity—three NITs in New York and one NCAA playoff. (His club was NIT runnerup to Bradley in 1964.) He also shared and won one WAC title.

Among the players King produced at the Albuquerque institution were pros Mel Daniels (Memphis Sounds), Willie Long (Denver Rockets), Ira Harge (ABA veteran), Ron Nelson (The Floridians), Greg Howard (Phoenix Suns) and Ron Sanford (Dallas Chaps).

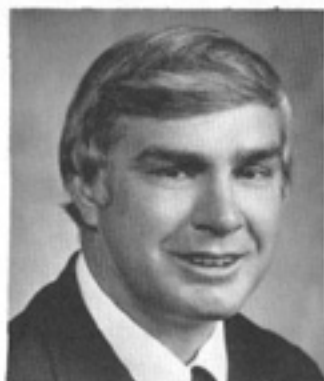

The 53-year-old Iowa native, who has never had a losing season in 25 years of collegiate and high school coaching, was graduated from Iowa in 1947 and 10 years later earned a master's degree in psychology from Drake University.

Previous to his stint at New Mexico King was head assistant cage coach at his alma mater for three years ('59-62), where he helped coach Don Nelson (Boston Celtics).

An officer in the U.S. Air Force from 1943-46, King started his coaching career at the prep level, spending 13 years at schools at Britt and Algona, Iowa, and Rockford, Ill. His high school record in three sports over that period was 363-124 (.745).

One of 55 applicants for the top Sycamore athletic post, King was the unanimous choice of ISU's 10-person search committee, a group that looked "from coast to coast for an experienced, enthusiastic and highly respected athletic administrator." He succeeded Gordon (Slim) Chalmers, who served as the school's AD for seven years.

King and his wife, Sharel, have six children: Chris, 28; Gary, 24; Larry, 23; Dianne, 6; Brad, 4; and Randy, 2.

**JERRY HUNTSMAN
ASSISTANT ATHLETIC DIRECTOR**

Jerry Huntsman, who left the football coaching profession a winner (7-3) in 1972, is assistant athletic director, and served as acting director of athletics prior to the arrival of Bob King.

Huntsman, whose seven-year record here was 43-24-1 (.639), is in his fourth campaign as an athletic administrator. Prior to coming to

ISU as backfield coach in 1965, Jerry guided Earlham College to 29 victories in 32 games through four seasons. (His 1962 club was undefeated.) His prep coaching experience was gained at Waveland, Covington, Crawfordsville and Huntington and his final coaching mark was 105-39-4 (.723).

A native of Richmond, Ind., and a 1952 graduate of Wabash College, Huntsman earned a master's degree from Purdue in 1958. As a quarterback at Wabash he was named an all-state small college gridder in 1951.

Jerry and his wife, Coralee, have three sons—Brent, 19, Jerry, 17, and Scott, 14.

**DR. JACK JESSELL
NCAA FACULTY ATHLETIC REPRESENTATIVE**

Dr. John C. Jessell is in his fourth year as ISU's faculty athletic representative to the NCAA. A professor of education and director of the division of guidance and counseling in the graduate education department, Dr. Jessell joined ISU's staff in 1964.

A former college baseball player at New Haven (Conn.) State (now Southern Connecticut), he gained a master's in education at Ohio U., and doctoral degree at Wisconsin.

The Waterbury, Conn., native is married to the former Audrey Goodblood. The couple has four children ranging in ages from 12 to five.

**ED McKEE
SPORTS INFORMATION
DIRECTOR**

Ed McKee, in his sixth year as SID at Indiana State, came to ISU in June, 1971, after working in Goodyear's public relations department in Akron, Ohio, for three years. He also was a part-time sportswriter for the Akron Beacon Journal in 1970-71.

A St. Louis native and graduate of Rockhurst College in Kansas City, Mo., he played two seasons of AAU basketball with the Akron Goodyears before settling down to his full-time PR post there.

The SID post at Terre Haute has been a homecoming of sorts for the 6-8 former center, who was selected by the Indiana Pacers in the ABA's first draft in 1967.

The 31-year-old SID, a member of CoSida, FWAA and USBWA, has received awards for his 1973 and '75 football pressbooks from the College Sports Information Directors of America.

ISU HISTORY

Indiana State University—formed Dec. 20, 1865—now is in its 107th year of operation. The University opened its doors to 21 students (13 women and eight men) on Jan. 6, 1870.

The announced purpose of forming the University at that time was an institution that would "be to teachers what law school is to lawyers and medical school is to doctors."

The school was known as Indiana State Normal School from 1870 until 1927, when the name was changed to Indiana State Teachers College. In 1961, the name again changed, this time to Indiana State College. The latest, and probably the final, name change came in the spring of 1965 when the Indiana Legislature renamed the school Indiana State University.

DR. RICHARD G. LANDINI PRESIDENT, INDIANA STATE UNIVERSITY

Dr. Richard G. Landini, now in his second year as President of Indiana State University, was a most important factor in the Sycamores' admission into the Missouri Valley Conference on March 9, 1976.

But that figures. He's a doer—not a passive spectator. (In fact, Landini is a former New York Yankee farmhand, having hurled for the Yanks' Class D club in the Coastal Plains League in the 1940s.)

Educationally, the 47-year-old Landini earned his bachelor of arts (1954) and a master of arts (1956) degrees as an English major at the University of Miami in Florida. In 1959 he gained a doctor of philosophy from the University of Florida.

Following those three years at Florida, Landini served on the Arizona State University staff for 11 years ('59-70)—the last two years as

assistant to the president of ASU. He then moved to the University of Montana in 1970 as academic vice-president and professor of English. After five years there he succeeded Dr. Alan C. Rankin here and became ISU's eighth president.

Landini, who resides on the ISU campus with his wife, Phyllis, is the proud father of four sons and one daughter: Richard, 21; Gregory, 20; Matthew, 18; Cynthia, 16, and Vincent, 11.
