CREDENTIALS: Space for the working press, radio, TV and scouts will be allocated by the Sports Information Office. All requests for working credentials should be directed to this office in writing at least one week in advance of the game. The Indiana State press box is located on the south side of Memorial Stadium with elevator service from the ground to the press level. All media representatives and scouts should enter through the south gate directly behind the elevator.

POLICIES: Working press will be admitted to the press deck where approximately 25 seats are available. Credentials will be issued according to the following criteria: a) local newspapers, wire services, national publications, newspapers from opponent's area, and student newspapers from ISU and opponent's school; b) other daily newspapers with preferences to those which regularly cover ISU; c) radio and television personnel not actually broadcasting but considered reporting; d) scouts.

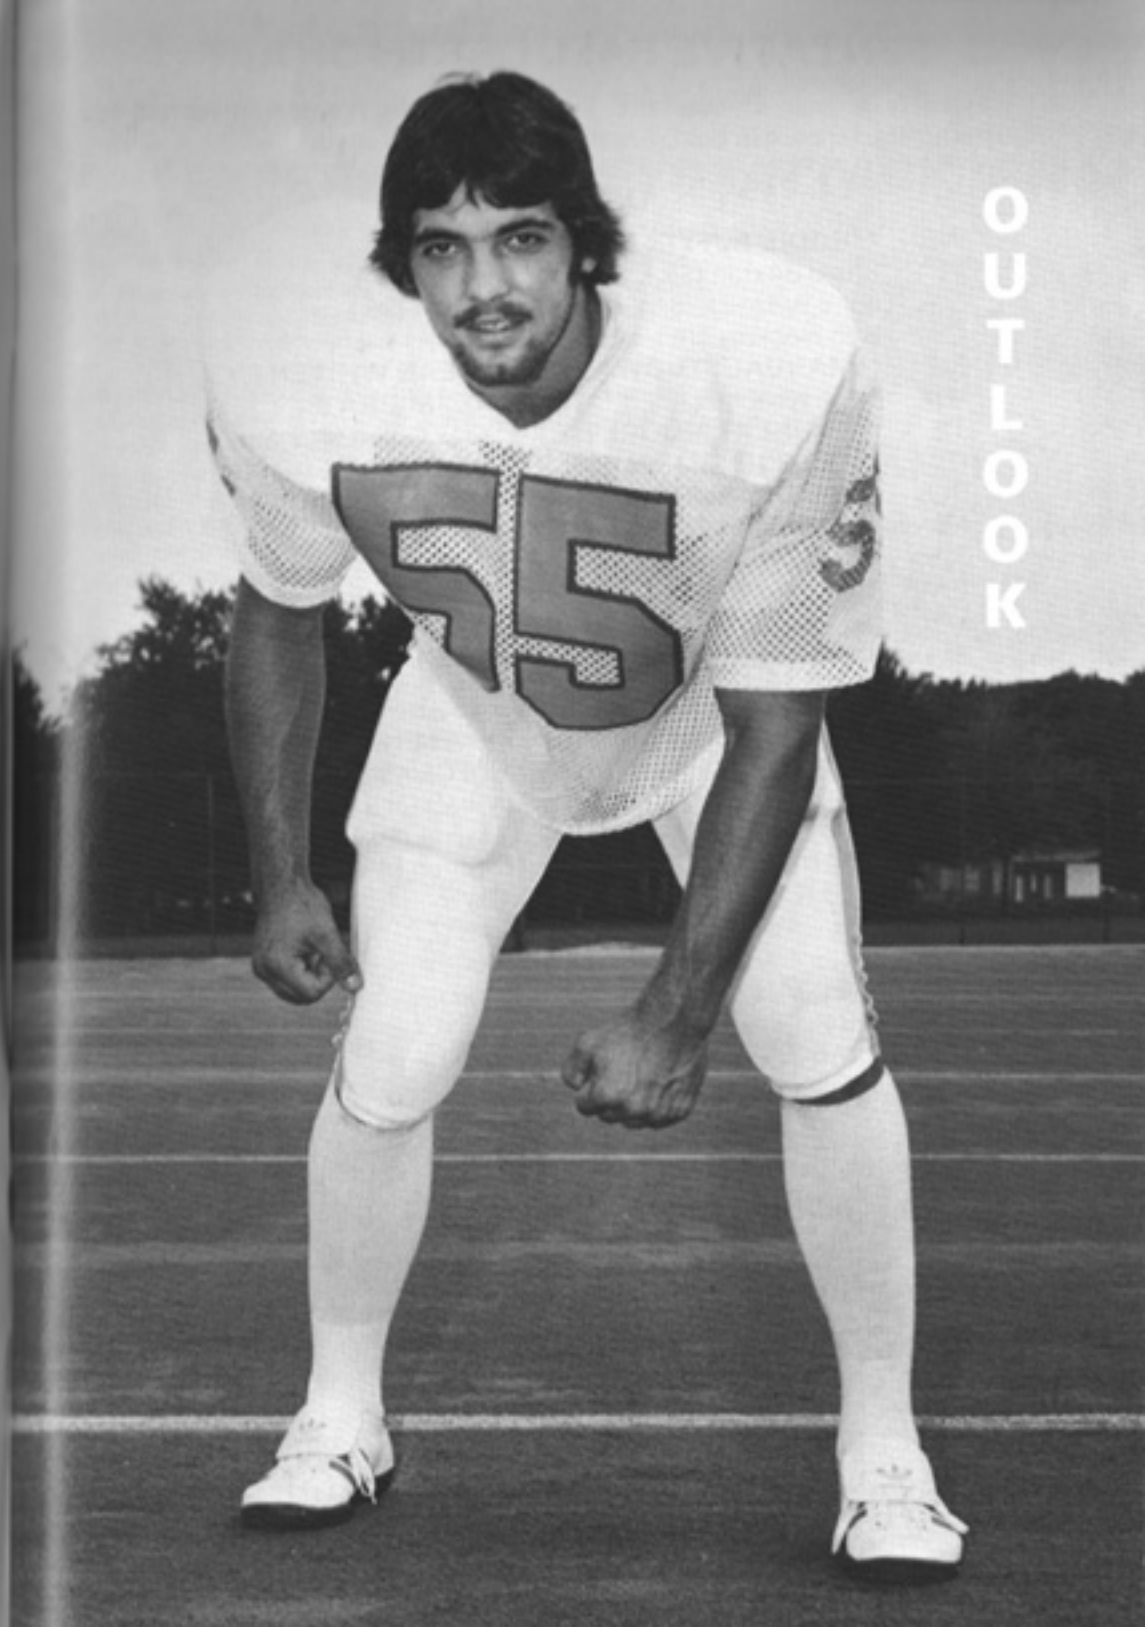

RADIO-TV: The press deck has been designated for use by radio and television broadcasting crews, home and visiting coaches, and stadium operations. Each booth is fully enclosed and sound-proof.

PHOTOGRAPHERS: Only accredited photographers will be issued credentials.

SERVICES: Play-by-play, halftime and complete statistics will be provided. When possible post-game comments from the coaches and players will be made available. Refreshments are available on the press deck.

TELECOPIER: Four telephones and one telecopier are available for media use on a first-come, first-serve basis. If you plan to use your own phone and telecopier please inform the Sports Information Office in advance.

TELEPHONE: Telephone service should be secured directly through the General Telephone Company of Indiana in Terre Haute (812/238-5444). Have them contact the Sports Information Office for location. The best time to call Coach Raetz is between 1:00 and 2:00 p.m.

37 Lettermen Return

EXPERIENCE KEYS ATTACK

The return of 37 lettermen, including 17 starters, plus seven all-Missouri Valley Conference performers lends credence to the fact that Indiana State football can continue the momentum toward the success begun recently with the first back-to-back winning seasons achieved by a Sycamore team in a decade.

OFFENSE: No less than five all-conference players will anchor a solid attack. The strength appears to lie in the passing game with all-league performers Eddie Ruffin (split end), Hubert Moore (tight end), Kirk Wilson (wide receiver), and quarterback Reggie Allen. Ruffin led the conference in receiving last season while Moore ranked ninth. Despite injuries that sidelined him for three complete games and parts of others, Wilson still managed 22 receptions, including a couple of spectacular touchdown catches. Allen, who was the MVC offensive-player-of-the-year two seasons ago, sustained a badly bruised clavicle in the season opener which limited his effectiveness for the remainder of the year. However, he still managed to rank second in the conference in total offense and fifth in passing. If opposing defenses concentrate on the Sycamore passing game, junior tailback Eric Robinson will be there to pick up the slack. An honorable mention choice for league honors in '80, Robinson ranked seventh in the MVC in rushing and fifth in all-purpose running. His seven touchdowns led the Sycamores. Replacements in the middle of the line must be found at center and both guard slots. Starters Manual Studway and Terry Dzimiera return at tackle, while last year's center, Sean Whiten, has been switched to guard.

DEFENSE: While it was the offense in '79 that grabbed all the headlines, the fact remains the success of last year's team was due to a stronger defense. The catalyst for that

Craig Shaffer (55) takes aim on the West Texas St. quarterback during a 37-18 Indiana State victory.

improvement was linebacker Craig Shaffer. A first-team all-MVC choice by both A.P., and U.P.I., and honorable mention all-American by A.P., Shaffer led by example. Twice he tied the school record for solo tackles in a game and was honored by the conference as one of its defensive players-of-the-week. Fellow linebacker Dan Maher complements Shaffer, and the duo gives the Sycamores what many observers feel is the best linebacking tandem in the conference. They will back up an experienced line that includes returning starters Dwight Tripp and Kevin Lynch at end, tackles Fred Bell and Mark Frastak, and nose guard Walter Seaphus.

The secondary lost three starters. Replacements must be found at both corners and weak safety to join the lone returning regular Alvin Reynolds.

SPECIALISTS: The Sycamores must rebuild half of their kicking game. Punter Mike Johannes returns, but a placekicker must be found to replace the graduated Joe Stallern. Stallern led ISU in scoring last season and tied a conference mark with four field goals in one game. The heir apparent to his chores is sophomore Tom Chapman, who although did not see any game action last season enjoyed an outstanding spring. Johannes has continued to improve since walking on to the team two years ago. He averaged 36.8-yards per kick in '80 with a long of 60-yards. A left-footed kicker, the junior gets excellent hang time in each of his punts.

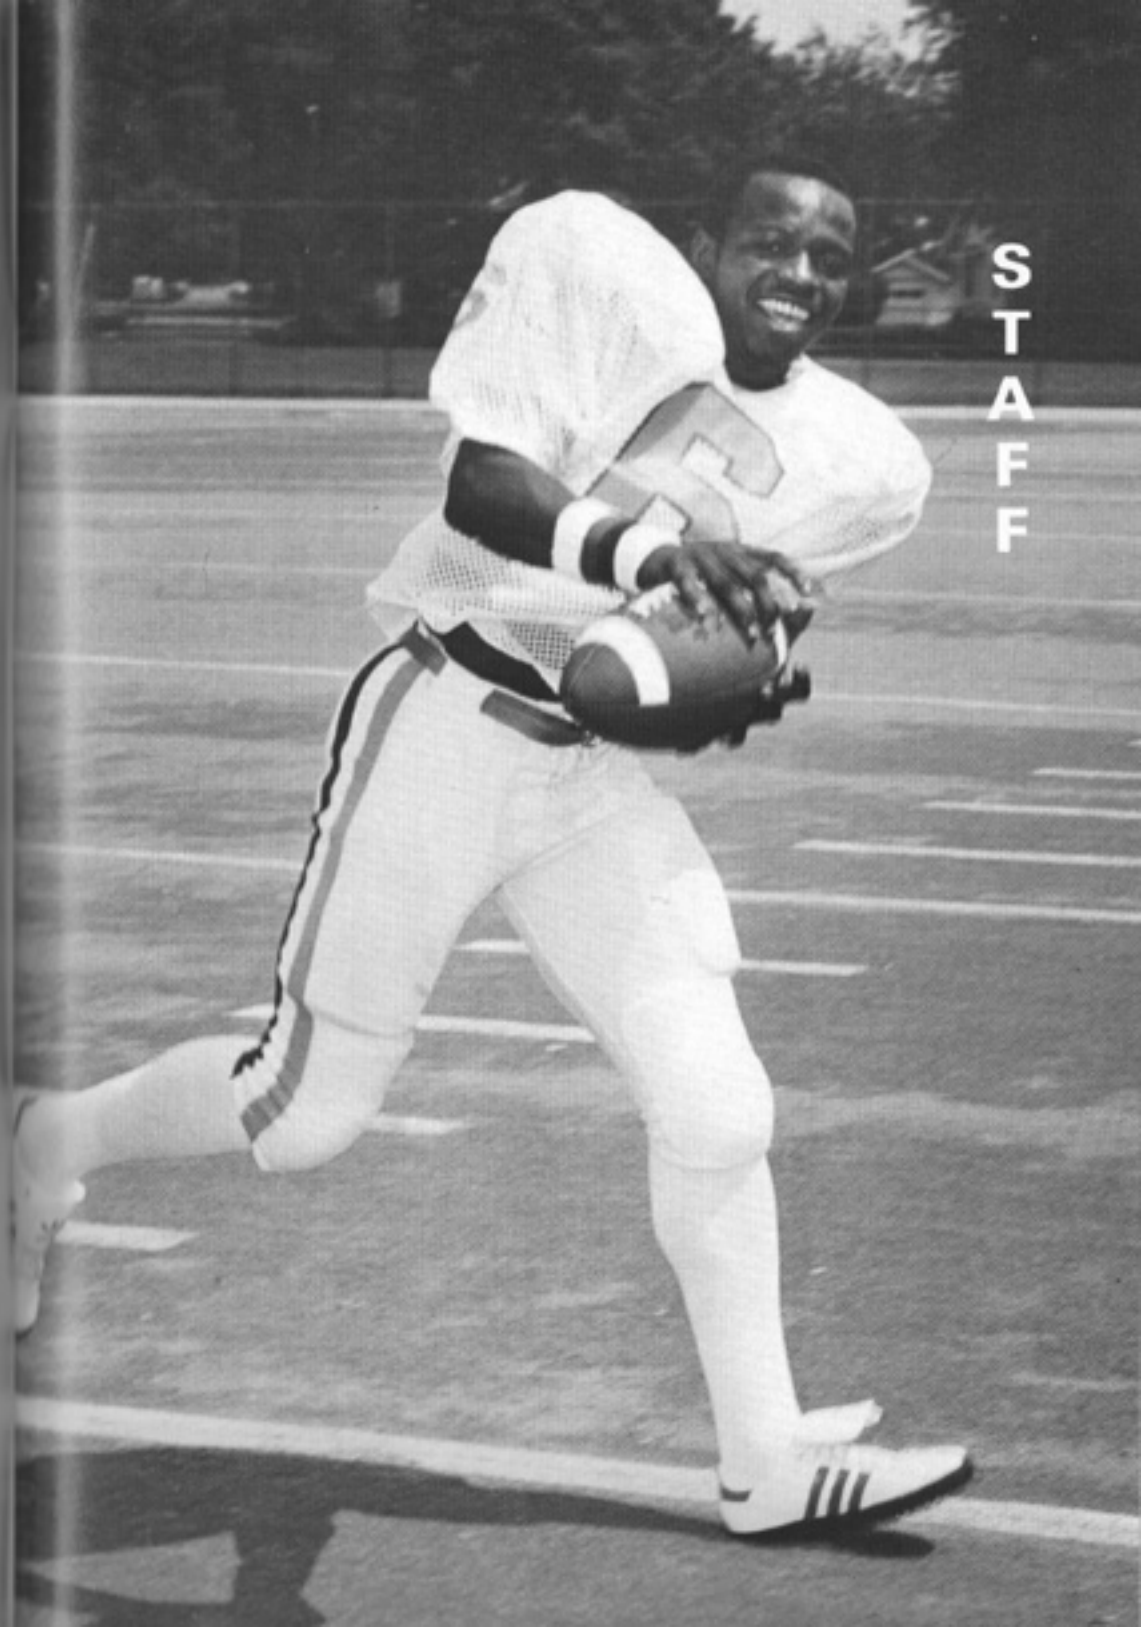

SUMMARY: Experienced, and quality personnel at key positions, plus the prospect of improved depth has Sycamore fans excited about the upcoming season. Strengths appear to lie at the skill positions on offense (receiver, quarterback, running back), and in the line and linebacking on defense (all returning starters). Replacements must be found at center and both guards in the offensive line and in the secondary on defense. The coaching staff is also concerned about finding depth at tailback, wide receiver, and in the offensive line.

BIGGEST DIFFERENCE BETWEEN '80 AND '81 TEAM: I really do not see a significant difference between this year's team and last season's. Going into 1980 we knew how well our offense could play and we hoped that our defense would be improved. Last year we played excellent defense. We now feel very confident in the play of both our offensive and defensive units. We feel much better about our depth situation as we approach the '81 season. Many of our younger players have made great strides during the past year and we have been able to bring them along slowly and help them develop. We have to develop some sort of consistency throughout an 11-game schedule. I would have to say that's one of our top goals for the '81 season.

MVC RACE: I know it sounds like a broken record, but I feel the conference race will be very balanced again in 1981. Every year Tulsa has been eligible for the title they have won it, and I see no reason why they should not be considered a strong favorite again this year. Wichita State made great strides last season and I look for them to continue that improvement. West Texas State and New Mexico State always play excellent football, as do Drake, Southern Illinois and Illinois State. As for us, I would hope everyone picks us to finish last. The past couple of years it seems the team that is supposed to finish at the bottom of the conference has ended up doing extremely well!

RECRUITS: The best spots for our recruits to come in and play for us immediately is in the defensive secondary and wide receiver. We must rebuild three-fourths of the secondary and we are looking for depth at receiver, running back, and in the offensive line. We are approaching the stage where we are not forced to use first-year players in starting roles.

STRENGTHS AND WEAKNESSES: Our strength is in our numbers. We have 37 lettermen returning that includes 17 starters. Many of those starters will be doing so for the fourth consecutive year. We have some excellent skill people in Reggie Allen, Eddie Ruffin, Kirk Wilson, Eric Robinson, Craig Shaffer, and others. We feel very good about our defensive front, with all five starters returning. Our major concerns are that we must replace three-fourths of the defensive secondary, the middle of the offensive line (center and both guards), and developing depth in those areas I mentioned previously.

DENNIS RAETZ

Head Football Coach of the Sycamores

DENNIS RAETZ (pronounced RATES) made his first year at the helm of the Indiana State football program a successful one as the 35-year old native of North Platte, Neb., guided the Sycamores to a 6-5 record in 1980 and a third place finish in the tough Missouri Valley Conference with a 4-2 mark.

That 6-5 record, along with the Sycamores' 8-3 finish in 1979, allowed ISU to put together the first back-to-back winning season since 1968-69 and made Raetz the winningest first-year coach in the history of Indiana State.

Raetz, a 1968 graduate of the University of Nebraska, had served two seasons as the Sycamores' defensive coordinator before being elevated to the top spot. He was also responsible for the coaching of defensive ends and linebackers.

Before arriving on the Indiana State campus, Raetz served as an assistant football coach at North Kansas City (Mo.) HS while earning a master's degree in physical education at Central Missouri State in 1971. From 1973-76, he was head coach at J.C. Harmon HS in Kansas City, Kansas where his teams were a combined 24-13 that included two league titles.

In 1977, Raetz moved on to the University of Missouri where he coached the Tiger's defensive ends as well as serving as head coach of the junior varsity team.

The second-year head coach is married (Betty) and has two children: a daughter Jaime (6½), and a son Mark (3).

STEVE BRICKEY

Beginning his fourth season on the staff is 26-year old Steve Brickey. Brickey's responsibilities will include working with the quarterbacks and receivers, as well as serving as the recruiting coordinator.

Brickey came to Indiana State in 1978 along with former Head Coach Dick Jamieson. A 1976 graduate of the University of Missouri, he served one year as a graduate assistant with the tigers. A knee injury forced Brickey to end his playing career and begin his coaching career.

A native of St. Louis, Brickey graduated from Afton High School in 1972, where he was an outstanding prep quarterback and was named to the first team All-Metro Conference by the St. Louis Post Dispatch.

Brickey is single and enjoys participating in all sports.

PETE HOENER

Assuming the duties of offensive coordinator, in addition to working with the offensive line is 29-year old Pete Hoener (pronounced HAY-nur). Hoener is beginning his fourth season on the Sycamore staff.

Hoener came to Indiana State from Illinois State where he had served on the Redbirds staff during the 1977 season. Prior to that time, he had spent two years (1975-76) as a graduate assistant at the University of Missouri.

A native of Peoria, Illinois, Hoener was a three-year starter at tight end for Bradley University from 1970-72. After graduating in 1973, Hoener coached one year at Peoria Spalding High School and one season at Belvidere (Illinois) High School.

A five-year veteran of semi-pro hockey, Hoener and his wife Marianne have two children; Jennifer (3) and Kathleen (1).

DAVID MCGINNIS

David McGinnis is beginning his second year as the defensive secondary coach of the Sycamores. He also coached at Indiana State in 1978 before entering private business for a year.

A 1973 graduate of Texas Christian University, where he was a three-year letterman, McGinnis also coached the defensive backfield in his previous stint with the Sycamores.

A native of Snyder, Texas, McGinnis signed a professional contract with the Houston Oilers of the National Football League following graduation from TCU. He returned to his alma mater in 1974 to serve as a graduate

assistant before moving to the University of Missouri in the following year to serve in a similar capacity on the Tiger staff.

In 1976, McGinnis was named the head junior varsity coach at Missouri and was elevated to the defensive secondary coach's job in 1977.

STUDENT ASSISTANTS

Assisting the football program this year is graduate assistant **Tim Fitzgerald**, a 1980 graduate of Mt. Union College in Alliance, Ohio. A three-year starter as a defensive end and linebacker, he served as a student assistant last year with ISU, working with the defensive secondary. This season he will help with the defensive ends and linebackers.

Working as a student assistant is **Dale Harvel**, who was a four-year letterman for the Sycamores from 1977-80. Harvel will assist with the defensive line.

MAX PAYNE

Beginning his second year on the Sycamore staff is 40-year old Max Payne, who will be responsible for coaching the defensive interior line.

A native of Jasper, Missouri, Payne had served as head coach of Wyandotte High School in Kansas City, Kansas before joining the Sycamore staff. During that time his teams won three league championships.

A 1962 graduate of William Jewell College where he played running back, Payne has also been an assistant coach for seven years (1968-74) at North Kansas City (Missouri) High School, and six years (1962-67) as head coach at Bethel (Missouri) High School.

Payne, who earned a master's degree in education from Central Missouri State in 1974, is married, and he and his wife have two children; Doug (19) and Andrea (15).

BOB TURNER

The senior member of the Sycamore staff is 32-year old Bob Turner. Coach Turner is responsible for working with the Sycamore offensive backs and coordinates the special teams.

A former standout at Indiana State, Turner was a three-year letterman in ISU's defensive secondary from 1969-72. During his career he intercepted 16 passes, including a school record-tying nine his sophomore season. Turner also served as a punt returner, running back 22 punts for a total of 250 yards and one touchdown.

A 1972 graduate of Indiana State, Turner served as an assistant football and basketball coach at Kokomo Haworth High School from 1973-75 before joining the Sycamore staff.

Turner, who hails from East Chicago and who attended Washington High School, is married to the former Sheryl Oliver.

PAT HENDERSON

Pat Henderson enters his second season with the Sycamores and will coach the linebackers, and defensive ends this year.

The 29-year old Henderson coached two seasons at the University of Nebraska-Omaha before coming to Indiana State, where he directed the defensive secondary. Previously he coached three years at Coffeyville (Kansas) Junior College, including the 1975 season when they won the national junior college title.

A 1975 graduate of Kansas University, Pat and his wife, Mary, have three children: Brian, 6; Kelli, 3, and Jeffrey, 1.

RAY BAGGETT

Ray Baggett is in his 15th year as a trainer at Indiana State, while having more than 23 years of athletic training experience behind him.

Baggett came to ISU in 1967 after serving as trainer at the U.S. Military Academy at West Point, New York, for three years. Prior to that he had served as trainer at Indiana University for seven years.

A 1957 graduate of Troy (Alabama) State, he earned a master's degree from Indiana in 1958. He also earned a Director of Health degree with specialization in health education from IU in 1966.

MEMORIAL STADIUM

Indiana State plays their home football games at MEMORIAL STADIUM, which is located on the eastern outskirts of Terre Haute.

The stadium was acquired by the University in 1967 and at that time was used for both football and baseball. Since the installation of the synthetic playing surface, however, the field has been used for football, soccer and field hockey.

The first university in the world to own and make outdoor application of Astroturf was Indiana State and the Sycamores put the new field to good use in September of 1967 as ISU hosted Eastern Illinois.

The Astroturf in use at Indiana State is similar to that used in Houston's famed Astrodome. Plus factors in the use of the synthetic surface include durability (some 25 college and high school football games are played on the field each year; and in addition the ISU football team conducts all weekly practices on the field) and a constant surface which will provide sure footing regardless of weather.

Each blade of grass is 3/8 inches long and is attached to a sponge-rubber pad 1/4 inches thick. This sponge pad is then set upon a fiber pad 1/2 inches thick. Both the sponge pad and the fiber pad are set on a two-inch layer of asphalt.

HISTORY OF MEMORIAL STADIUM—Memorial Stadium was open to the public for the first time May 5, 1925 as the local minor league baseball team, the Terre Haute Tots, played the Peoria (Ill.) Tractors with an estimated attendance of 9,000 on hand for the event.

Among the honored guests at the game were major league baseball Commissioner Judge Kennesaw Landis and Charles Barnard, a representative of the Cleveland Indians.

The first use of the playing field was in the fall of 1924 as local high schools Wiley and Garfield played their traditional Thanksgiving Day game.

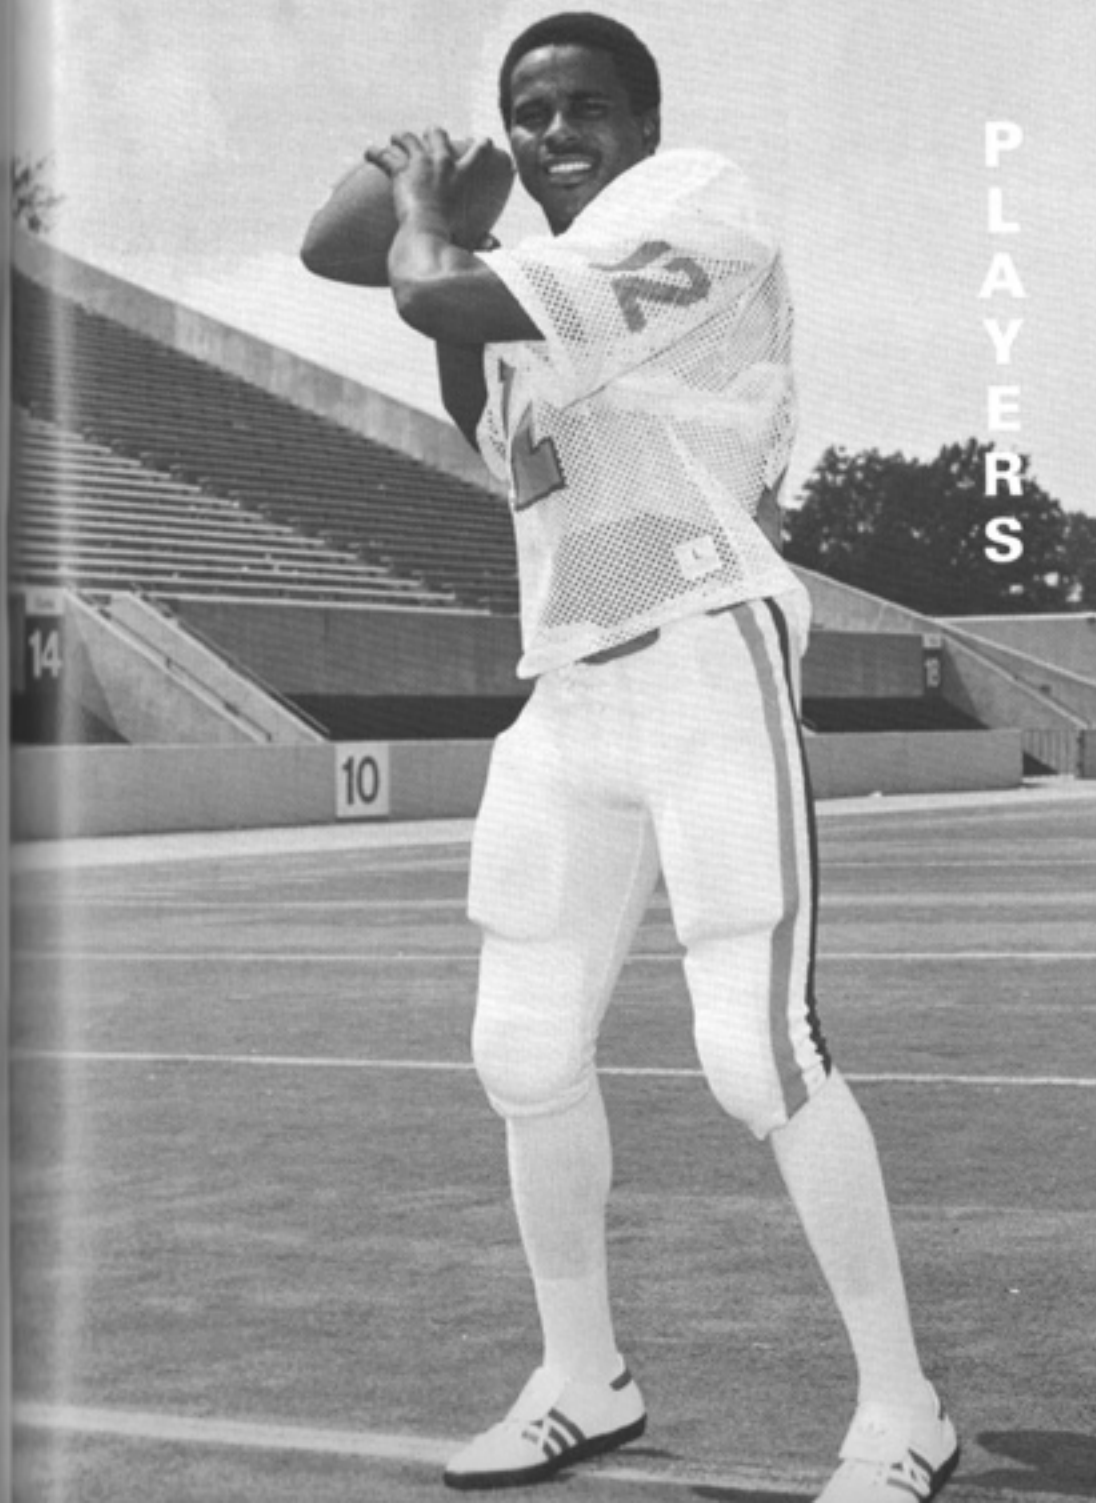

Work on Memorial Stadium was begun in 1922 for a cost of \$450,000.

After the University gained control of the stadium in 1967, a three-part renovation project was started, which included the reorientation of the playing field from a north-south direction to a east-west line; installation of Astroturf; and the building of some 4,500 bleacher seats on the north side of the field as well as rebuilding of seats on the south side of the field.

Capacity of Memorial Stadium is now 20,500.

BOB FORBES

“VOICE OF THE SYCAMORES”

For the 34th consecutive year, fans around the Wabash Valley will be tuning in to hear the excitement of Indiana State football and basketball on WTHI AM-FM radio with the original “Voice of the Sycamores”, Bob Forbes.

Forbes, a 1947 ISU graduate, teams with former Sycamore coach and present associate athletic director Jerry Huntsman to give Indiana State one of the top play-by-play tandems in the country.

As sports director of television station WTHI, Forbes anchors the sports desk each weekday during the six p.m. newscast as well as working as a reporter for the Indianapolis Motor Speedway Network each Memorial Day.

Indiana State's 'big-play' offense started out the 1980 season in spectacular fashion as the Sycamores scored on the first play of scrimmage against a good Drake ballclub, but were forced to hold on in the latter stages of the Missouri Valley Conference contest for a 13-10 decision over the Bulldogs.

With quarterback Reggie Allen picking up where he left off in 1979, the Sycamores tallied first on a 75-yard bomb to fleet wide receiver Kirk Wilson with more than 14:44 left in the initial stanza.

After a Talmadge Tanks one-yard scamper knotted the tally at 7-7, backup signal caller Scott Bartel scored what proved to be the game winner at the 8:19 mark of the third quarter on a 55-yard dash to paydirt.

Bartel was pressed into service when Allen injured his left shoulder early in the first quarter and was forced to sit out the remainder of the game. All the junior quarterback from Metamora (Ill.) did was to rush for a game-high 110-yards on 10 carries while hitting on 5 of 19 passes for 89-yards.

An aroused Indiana State defense proved to be the difference against Eastern Illinois in the Sycamores second game of the 1981 season as ISU blanked a good Panther offensive unit 14-0.

The strong play of the Sycamore defensive corps played havoc with Eastern's vaunted pass offense as Indiana State's secondary intercepted a school record five aerials on the evening, led by cornerback Kirk French's three thefts.

With the largest home opening crowd in the school's history on hand, Indiana State struck first as senior running back Donnie Warner bounded into the end zone from one yard out with 11:26 remaining in the third quarter.

Both clubs had battled to a 0-0 tie in the first half of play with fine defense being exhibited by each team. Quarterback Reggie Allen, still feeling the effects of a painful shoulder injury suffered two weeks before against Drake, led the Sycamore charge in the second half.

The big play in the first scoring drive was a 20 yard run off the option that gave Indiana State a first down at the EIU 22. Five plays later Warner scored the TD.

Sophomore running back Eric Robinson closed out the scoring in the tightly played contest with a eight yard touchdown run with 11:02 remaining in the game.

A two-pronged attack of an aggressive defense and an awakening offense paced Indiana State to their third consecutive win of the season, this time a 27-9 decision over the Akron Zips.

The Sycamore defense held tough once again by not allowing a touchdown for the second straight week as the Zips' offense consisted of three Andy Graham field goals.

After Akron had taken an early 6-0 advantage in the first quarter, the Sycamores fought back to take a 7-6 lead into the locker room at halftime as sophomore tailback Eric Robinson smashed across the goal line from one yard out.

Robinson later added another one yard scoring jaunt while Sycamore placekicker Joe Stellern booted two field goals, one from 31 yards out. Indiana State's final touchdown came with 3:24 left in the game as quarterback Reggie Allen flipped a two yard pass to tight end Hubert Moore.

The bubble finally burst for the Indiana State football team as the surging (3-0) Sycamores met head on with a fired-up Shocker squad in a battle of Missouri Valley Conference frontrunners.

With a regional television audience tuning in, courtesy of ABC-TV, the Sycamores fumbled the ball away early and were forced to play catch-up with the Shockers. Indiana State had defeated WSU twice in previous years (42-18 in 1978 and 28-9 in 1979) and this fact played a large part in the game's outcome.

Coach Willie Jefferies' WSU team took charge early as Doug Schroder connected on a 48-yard field goal and all-conference running back Mickey Collins slipped down the sidelines for a 10-yard touchdown run, all in the first quarter of play.

Before the first half of play was history, the Shockers had taken on insurmountable 39-6 lead as the Sycamores fumbled the football and made several other costly mistakes.

The second half was played for pride by Indiana State and the visitors actually outscored their hosts 14-7 in the second half of play. But by then it was too little too late.

It was a day of records set and tied as Indiana State got back on the winning trail with an important 19-6 win over Missouri Valley Conference rival Southern Illinois.

With the victory, the Sycamores were able to get into the thick of the conference race with a 2-1 mark and trailed MVC leader Wichita State by just one game.

Senior placekicker Joe Stellern notched his name into the Sycamore record books by booting four three-pointers through the uprights, the longest from 43 yards out. Quarterback Reggie Allen also added to his many records by completing his 170th career pass, breaking the old mark which had been set by Ron Overton during the 1966, 1967 and 1968 seasons.

Junior linebacker Craig Shaffer didn't want to be left out the festivities and came up with 14 solo tackles, which tied an Indiana State record. The Homecoming crowd of 18,293 is the largest home attendance in the history of Indiana State.

After two Stellern field goals had gotten the Sycamores off to a 6-0 in the first quarter, Allen fired a 54 yard scoring strike to a wide open Eddie Ruffin to give the hosts a 13-0 lead late in the second quarter.

The Salukis' lone touchdown was scored by Jeff Ware with 1:43 remaining in the first half. Stellern chipped in with his third field goal of the afternoon and the Sycamores led 16-0 at halftime.

A potent ball-control offense exhibited by the Louisville Cardinals in the second half spelled trouble for Indiana State as the Sycamores lost their second game of the year to a physical UL squad 27-17.

The Sycamores had played tough in the first half as the visitors matched their hosts point for point. Eric Robinson scored from one yard out to nullify a Donald Craft TD earlier in the period and Donnie Warner vaulted into the end zone with time running out in the first half as both clubs were knotted 17-17 at the intermission.

A 72 yard drive by Louisville at the beginning of the third quarter gave the Cardinals a 20-17 advantage and a four yard scamper by Craft gave the Red Rage all the points it needed to secure a 27-17 victory.

Quarterback Reggie Allen completed 19 of 32 passes for the day for 205 yards, five of those tosses going to junior split end Eddie Ruffin. Kirk Wilson, long a mainstay in the Sycamore offense but injured for the past few weeks, returned to form to snag five Allen aeriels for 64 yards.

The Hancock Stadium jinx played havoc with the Indiana State football team for the second time in three seasons as the Illinois State Redbirds knocked off a rather flat Sycamore team 9-0 on a cold, blustery day in Normal, Ill.

Indiana State had just come off an emotional 27-17 loss to Louisville the week before while the Redbirds entered the contest with a record of 2-7 and plenty fired up for the traditional game against one of its oldest rivals.

Starting from their own 28 yard line, the initial Sycamore drive moved the football down to the Redbird eight before running back Eric Robinson fumbled a pitch from quarterback Reggie Allen. Unfortunately, that was about as close as Indiana State could get to a touchdown for the remainder of the afternoon.

Illinois State placekicker Issac Camargo booted the first of three field goals with 1:45 left in the first quarter from 31 yards out. Other Redbird scoring came by way of a 24 yard boot by Camargo in the second quarter (11:02) and a 22 yard three-pointer with 11:30 left in the ballgame.

During the contest, Reggie Allen went over the 3,000 yard mark in passing yardage for a career but Coach Dennis Raetz' post game comments centered around the Sycamores' lack of enthusiasm during the game.

With defensive backs John Allman and Joe Angyus supplying the scoring punch, the Indiana State Sycamores got back on the winning track with a big 37-18 decision over conference for West Texas State.

Both teams were primed and ready for the crucial MoVal tilt but the Sycamores came up with the big plays when they were needed most and registered their fifth win of the season against three defeats.

After the Buffaloes had taken a 3-0 advantage in the first quarter on a 31 yard field goal by Rob Clark, ISU's Joe Stellern knotted the tally at 3-3 with a 29 yard field goal of his own at the 7:43 mark of the initial stanza.

A 41 yard scoring pass from Reggie Allen to split end Eddie Ruffin put ISU ahead to stay but the big play in the first half for the Sycamores came just moments later as Allman, a senior weak safety from St. Louis, picked off a Matt Patterson aerial and rambled 59 yards to put Indiana State in charge 17-3 early in the second quarter.

Another Allen to Ruffin scoring pass, this time 23 yards on the play, sent Indiana State into a 24-3 lead but Angyus decided to get his name into the scoring column as the fourth year cornerback from Kokomo blocked a Larry Martin punt and returned the football 21 yards as the Sycamore's lead ballooned to 31-3, still with 7:42 left in the second stanza.

During the ballgame, quarterback Reggie Allen broke his own school record for pass completions in a season with his 93rd, eclipsing his mark of 87 set the year before.

A big second half rally proved to be the difference in this key Missouri Valley Conference matchup as the always tough Tulsa Hurricane came up with 27 third and fourth quarter points to take a 30-7 decision from a game Indiana State squad.

Tulsa, long a power in the MVC football wars, had taken a 3-0 in the first quarter as record setting placekicker Stu Crum connected from 37 yards out.

But Indiana State recovered in time before time ran out in the first half as sophomore defensive end Kevin Lynch recovered a Golden Hurricane fumble in the end zone to stake the Sycamores a 7-3 advantage at the intermission.

The hosts erupted for 14 third stanza points and 13 fourth quarter tallies to pull off the win and the loss proved costly and 13 fourth quarter tallies to pull off the win and the loss proved costly for Indiana State as ace receiver Eddie Ruffin was sidelined with a knee injury.

Indiana State dropped to 5-4 for the year but will have a chance to stay in the conference race as the Sycamores host New Mexico State in one week.

The visiting New Mexico State Aggies jumped off to a quick 7-0 advantage in the first quarter of action but host Indiana State rallied for 24 first half points en route to a 33-28 MVC victory as the Sycamores closed out loop play with a 4-2 record.

After Aggie running back Rudy Rudison bolted over from one yard out, Indiana State clawed their way back into contention as Sycamore quarterback Reggie Allen tossed an 80 yard scoring bomb to a wide open Kirk Wilson and just 25 seconds later, Sycamore fullback Zack Washington bulled his way into the endzone from eight yards out.

NMS knotted the high scoring contest at 14-14 on their very next possession on a 70 yard run but Indiana State came up with some scoring of its own by way of a 42 yard Joe Stellern field goal and a two yard scoring aerial from Allen to tight end Hubert Moore.

During the game, Stellern set a season and career record for field goals with 12 and 22 respectively. Other highlights included the 80 yard pass from Allen to Wilson, which was the longest in the conference during the 1980 season; Washington rushed for 107 yards in 14 carries and tailback Eric Robinson wasn't far behind with 88 yards on 17 totes of the pigskin; Allen passed for 210 yards on eight of 15 sniping; and Wilson caught four aerials for 159 yards and one touchdown.

Indiana State closed out the 1980 season in much the same way as it started the long campaign: in a wild and exciting offensive showcase that displayed the passing proficiency of junior quarterback Reggie Allen and the receiving skills of flanker Kirk Wilson.

Unfortunately for the Sycamores, the host Ball State Cardinals exhibited some offensive firepower of their own as BSU slipped past their traditional rivals 28-21 and Indiana State ended the year with a 6-5-0 mark, their second winning season in a row.

Allen put the football in the air for a near record 41 times against the Cardinals, completing 20 for 171 yards while also rushing for 58 yards on numerous scrambles. Wilson, who had been injured for the better part of 1980, returned to form with three receptions for 34 yards while also running a reverse 15 yards for Indiana State's final touchdown of the day.

Sycamore running back Eric Robinson set a Sycamore record during the afternoon by being on the receiving end of eight Allen passes and also gained 67 yards on the ground for one touchdown.

The Missouri Valley Conference

Midwestern athletic history was made at the Midland Hotel in Kansas City, Mo. on January 12, 1907, when eight faculty members representing five universities gathered to form the Missouri Valley Conference, the first intercollegiate athletic organization west of the Mississippi River.

Attending the first organizational Meeting of the Missouri Valley Conference were:

- Prof. Clark W. Hetherington and Dr. M. J. Monilaw, University of Missouri
- Mark Catlin, University of Iowa
- Captain John G. Workizer, University of Nebraska
- Prof. C. M. Woodward, Washington University
- Prof. A. T. Walker, W. C. Landson and Dr. James Naismith, University of Kansas.

Five schools formally organized the conference at a second meeting at the Coates House in Kansas City on February 16, 1907. They were Washington University of St. Louis and the state universities of Iowa, Kansas, Missouri and Nebraska.

On March 15, 1908, Drake University and Iowa State College (now Iowa State University) were voted membership and admitted on April 1, at which time the conference's official name was adopted, the Missouri Valley Intercollegiate Athletic Association.

The MVC charter members are the University of Iowa, the University of Kansas, the University of Missouri, and Washington University of St. Louis. Added by election were the University of Nebraska, Iowa State College and Drake University.

Today the Missouri Valley Conference has ten members. They are Bradley University, Creighton University, Drake University, Illinois State University, Indiana State University, New Mexico State University, Southern Illinois University, the University of Tulsa, West Texas State University and Wichita State University.

MVC Briefs

BRADLEY—Located in Peoria, Illinois, Bradley is a school of about 5,000 students, and it participates in eight intercollegiate sports...Bradley joined the MVC in 1948 and has been a member for 29 years...It withdrew in 1952 but was readmitted in 1955...The Braves play their home basketball games in Robertson Fieldhouse, capacity 7,300...Bradley does not compete in football.

CREIGHTON—Located in Omaha, Nebraska, Creighton has an enrollment of approximately 4,700 students...Creighton was a member of the MVC from 1928-48 before withdrawing, and was readmitted in March, 1976, for a total tenure of 24 years...The Bluejays compete in four intercollegiate sports and play their home basketball games in the 10,000 seat Civic Auditorium...Creighton also does not compete in football.

DRAKE—Drake, the school with the longest membership in the MVC of 69 years, is located in Des Moines, Iowa...The Bulldogs joined the conference in 1908...They compete in seven sports and have an enrollment of about 4,800...Drake Stadium, home of the prestigious Drake Relays, seats 18,000 for football, while Veterans Memorial Auditorium seats 12,000 for basketball.

ILLINOIS STATE—Illinois State is the newest member of the MVC, formally accepting invitation to the conference on June 19, 1980...Located in Normal, Ill., ISU has an enrollment of almost 8,000 students, and the Redbirds compete in 12 intercollegiate sports...Hancock Stadium seats 15,000 for football, while Horton Fieldhouse seats 8,000 for basketball.

INDIANA STATE—Indiana State was admitted to the MVC in 1976 along with Creighton...It is located in Terre Haute, Indiana, and the Sycamores compete in 12 sports...Enrollment is about 11,500...Hulman Center seats 10,220 for basketball, while Memorial Stadium seats 20,500 for football.

NEW MEXICO STATE—New Mexico State joined the MVC in 1970 and has been a member since...The Aggies compete in eight intercollegiate sports, and the school has an enrollment of about 12,500...New Aggie Memorial Stadium seats 30,000 for football, while the Pan American Center seats 13,222 for basketball.

SOUTHERN ILLINOIS—A relatively new member, SIU joined the MVC in 1974...It is the largest school in the conference with an enrollment of 22,635 and competes in 12 sports...McAndrew Stadium seats 20,000 for football, and SIU Arena seats 10,000 for basketball.

TULSA—The school with the second longest membership in the MVC of 46 years, is located in Tulsa, Oklahoma...A school of about 6,000 students, Tulsa joined the MVC in 1934, and competes in eight sports...Skelly Stadium, the largest in the conference, seats 40,235 for football, while the Tulsa Assembly Center seats 8,260 for basketball.

WEST TEXAS STATE—Located just outside Amarillo, Texas in Canyon, West Texas State University joined the MVC in 1970 and has been a member since...The Buffs compete in six sports...Enrollment is approximately 6,500...Kimbrough Memorial Stadium seats 20,000 for football, while the Amarillo Civic Center seats 5,000 for basketball.

WICHITA STATE—Wichita State has been an MVC member for 34 years having joined in 1945...Enrollment is about 14,500, and the Shockers compete in eight intercollegiate sports...Cessna Stadium, the MVC's second largest, seats 31,500 for football, while Henry Levitt Arena seats 10,235 for basketball.

David Price/Commissioner

David Price, 38, was named the 6th commissioner in the 72-year history of the MVC on July 1, 1979, succeeding Mickey Holmes.

Price came to the Missouri Valley Conference after spending seven years with the Pacific-10 Conference, first as Director of Public Relations then as Assistant Executive Director. He also has served as assistant sports information director at the University of Oklahoma, publications editor for the NCAA, and Director of Information for the Western Athletic Conference.

A 1966 graduate of the University of Oklahoma, Price is a member of the NCAA Public Relations Committee and the National Letter of Intent Steering Committee.

Price was born in Ponca City, Oklahoma, and graduated from Ponca City High School. He attended Northern Oklahoma Junior College in Tonkawa for one year before transferring to Oklahoma. He is married (Sharen) and is the father of two children: Kevin (11) and Kathy (9).

Jeff Hurd/Director of Public Relations

A 1972 graduate of the University of Missouri School of Journalism, Jeff Hurd became director of Public Relations for the MVC on Oct. 1, 1978 after serving as Sports Information Director at the University of Tulsa for two and one-half years.

The 30-year-old Hurd also is a former sports writer for the Tulsa Tribune, assistant sports editor of the Columbia Missourian and sports writer for the Tulsa Tribune, assistant sports editor of the Columbia Missourian and sports editor of the Hannibal (Mo.) Courier-Post. He is a member of the Football Writers Association, the Basketball Writers Association, Baseball Writers Association, and CoSIDA.

Hurd is married (Cheri) and has one daughter, Shannon Michelle (3). He was born in Minot, North Dakota, and attended high school at Columbia (Mo.) Hickman High School for two years before graduating from Parkway Central High School in St. Louis, Mo.

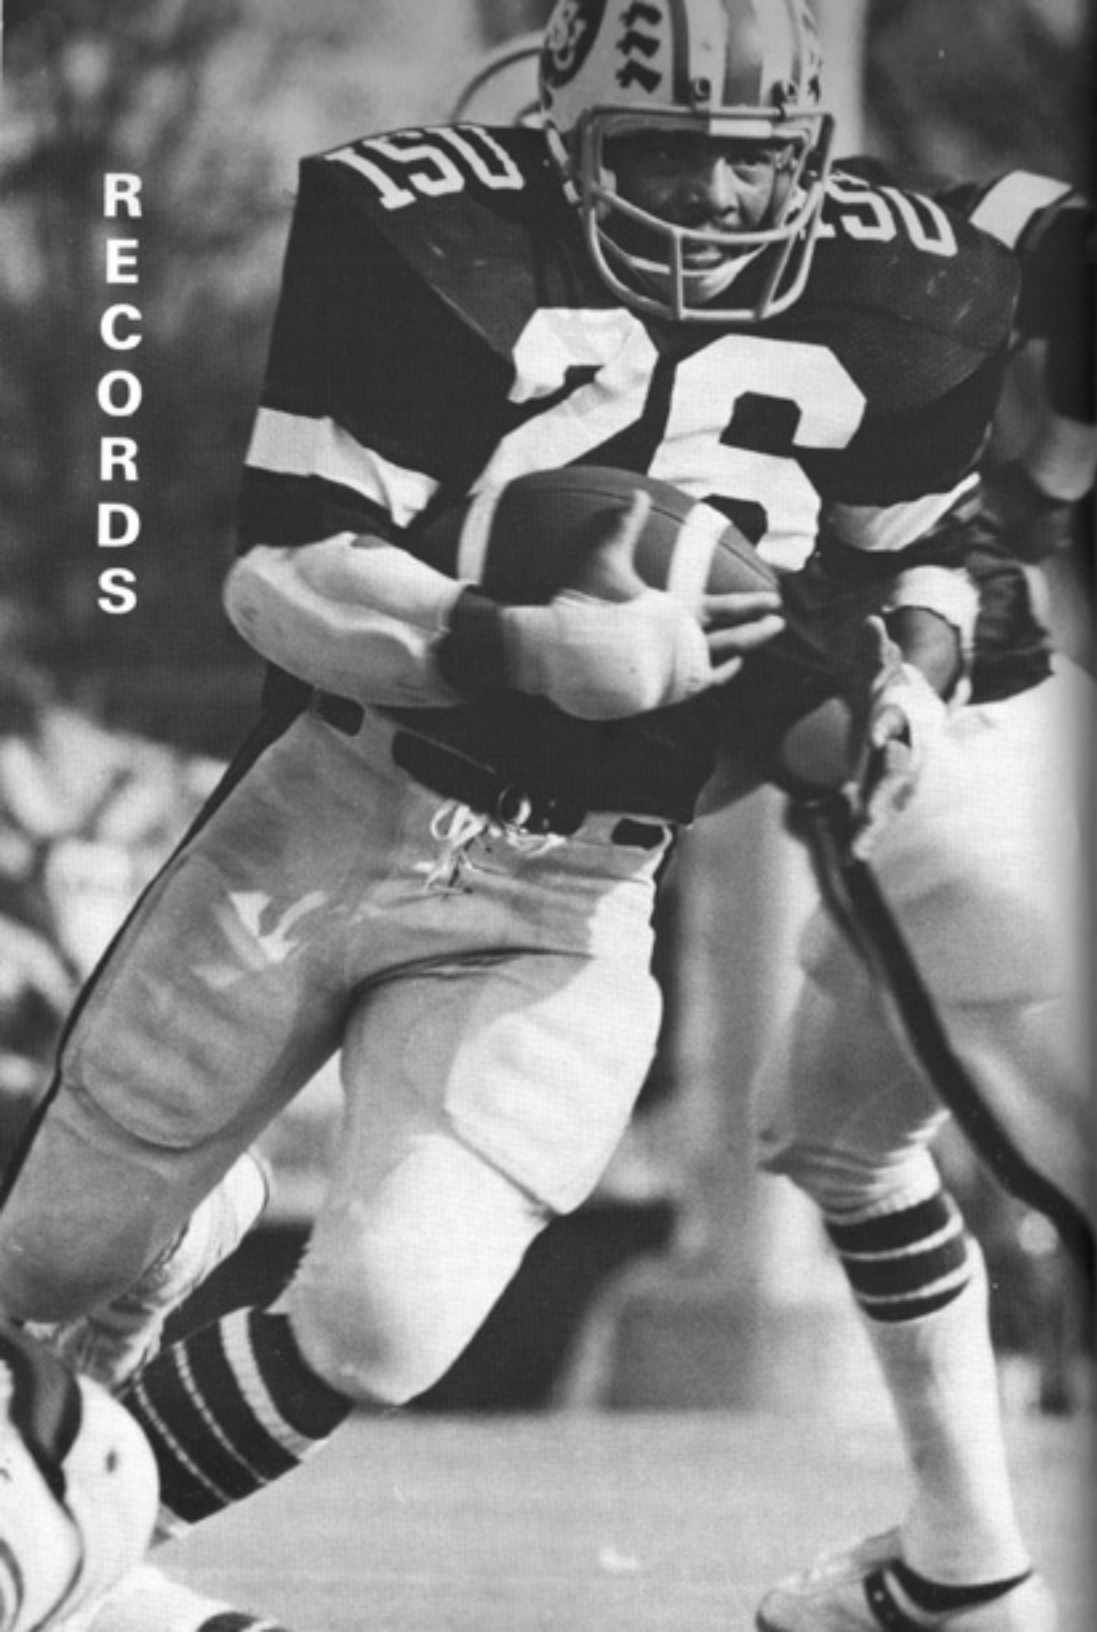

Johnny Overby/Supervisor of Officials

A 20-year veteran of collegiate officiating in the Missouri Valley, Big Eight and Western Athletic Conferences, Johnny Overby rejoined the MVC as Supervisor of Officials on July 1, 1978. He previously held that position from 1969-71.

During his officiating career, which also included a stint with the World Football League, Overby worked two Bluebonnet Bowl games (1964-65) and the NCAA Basketball Finals in 1969. In addition, he officiated in the first-ever football game played in the Houston Astrodome, between the University of Tulsa and the University of Houston.

Overby is a native of Wichita, Kansas, and is responsible for both the conference's football and basketball officials. He is married (Jean) and has four children: Connie (28), Jackie (27), Pat (25) and John (23).

THE UNIVERSITY

RICHARD G. LANDINI, President, INDIANA STATE UNIVERSITY

Presently in his 7th year as President, Dr. Landini is an enthusiastic supporter of athletic programs for men and women at Indiana State University. Working with representatives of the Athletic Department, he was a strong advocate of Indiana State University's membership in the Missouri Valley Conference.

He earned Bachelor of Arts (1954) and Master of Arts (1955) degrees in literature at the University of Miami and the Doctor of Philosophy degree (1959) at the University of Florida. He served on the faculty and administrative staff at Arizona State University for 11 years (1959-1970), earning his professorship there in 1968. In 1970, he was appointed Academic Vice-President and Professor of English at the University of Montana. He was appointed to the presidency of Indiana State University, succeeding Dr. Alan C. Rankin, in 1975.

Dr. Landini, his wife Phyllis and their children reside in Condit House on the University campus.

BERNARD "BEANIE" COOPER ATHLETIC DIRECTOR, INDIANA STATE UNIVERSITY

On March 13, 1981 Beanie Cooper was named athletic director at Indiana State University.

Cooper comes to the Terre Haute campus from the University of South Dakota where he had served as Chairman and Director of the Department of Health, Physical Education, Recreation and Athletics since July, 1975.

Cooper served as head football coach at South Dakota from 1974-79. His 1978 team captured the North Central Conference football championship.

His coaching career began at Algona, IA., in 1958 and in 16-years of high school coaching he recorded a win-loss mark of 92-38-2. He served six highly-successful years as head coach and athletic director at Heelan High School in Sioux City where his teams posted an overall record of 43-11.

A 1953 graduate of Morningside College, Cooper received his bachelor's degree in business administration. From 1953 through 1958, he worked as an accounting supervisor for the United States Air Force. It was during that time that he became interested in teaching and coaching so he completed the additional academic work necessary to get his teaching certification and became teacher-coach-athletic director at Garrigan High School in Algona, Iowa.

Coach Cooper was named Iowa Coach of the Year in 1971 and was Siouxland Coach of the Year in 1970.

He has served as president of the Iowa Football Coaches Association (1971) and was on the board of directors for the Iowa High School Athletic Directors Association. He was head coach of the winning North team in the 1974 Iowa North-South Shrine Bowl all-star game. Mr. Cooper served on the advisory board of the Iowa football playoff committee. He was inducted into the Iowa Coaches Hall of Fame in 1975.

Over 80 of the high school players Cooper coached went on to play college football and four eventually joined the professional ranks. Thirty-six of the players earned all-state honors, including an Iowa record of four off one team during the 1974 season.

A native of Sioux City, Cooper and his wife, Ruby, have nine children, five boys and four girls.

JERRY HUNTSMAN, Associate Athletic Director

Jerry Huntsman, who left the football coaching profession a winner (7-3), in 1972, is the associate athletic director.

Huntsman, whose seven-year record here was 43-24-1 (.639), is in his ninth campaign as an athletic administrator. Prior to coming to ISU as backfield coach in 1965, Jerry guided Earlham College to 29 victories in 32 games through four seasons. (His 1962 club was undefeated.) His prep coaching experience was gained at Waveland, Covington, Crawfordsville and Huntington and his final coaching mark was 105-39-4. (.723).

A native of Richmond, Indiana, and a 1952 graduate of Wabash College, Huntsman earned a master's degree from Purdue in 1958. As a quarterback at Wabash he was named an all-state small college gridder in 1951.

**ALPHA CLEARY, Associate Athletic Director**

Alpha Cleary, athletic director for the women's program since 1972, moved into the newly combined men's and women's athletic department as Associate Athletic Director.

Mrs. Cleary came to Indiana State in 1958 and coached women's basketball back in the infancy of intercollegiate athletics at Indiana State. A 1954 graduate of Indiana University, Mrs. Cleary also taught physical education at Connersville High School and Hanover College before coming to Indiana State.

During her tenure as Athletic Director, she has directed the women's program of thirteen sports from a meager start to a program with 128 grants-in-aid.

A native of Arcola, Illinois, Mrs. Cleary also has her Master's Degree from Indiana and has worked on her doctorate there.

Alpha is married to Bill Cleary, an accountant for Hulman Company.

**DR. JACK JESSELL, NCAA Faculty Athletic Representative**

Dr. John C. Jessell is in his ninth year as ISU's faculty athletic representative to the NCAA. A professor of education and director of the division of guidance and counseling in the graduate education department, Dr. Jessell joined ISU's staff in 1964.

A former college baseball player at New Haven (Connecticut) State (now Southern Connecticut), he gained a master's in education at Ohio University, and a doctoral degree at Wisconsin.
