WTHI Radio to Air ISU

Indiana State University football and men's basketball broadcasts have returned to WTHI Radio this season, renewing a relationship

that saw WTHI Radio carry Sycamore athletics for nearly 40 years prior to the 1988 football campaign.

Veteran broadcaster Steve Smith will also return as the "Voice of the Sycamores", entering his fifth season behind the mike. Smith will be joined by Sports Information Director Eric Ruden as the color commentator.

The entire football schedule will be aired on WTHI-AM 1480. The men's basketball games can be heard on HI-99, WTHI-FM. Plans for a weekly coaches talk show will be announced prior to the start of the season.

The announcement of the two-year agreement had an immediate impact on ISU athletics. "We are extremely pleased to be returning to WTHI Radio," said Athletic Director Brian Faison. "They have an excellent presence in the market, and one that will give great exposure to our athletic teams. We will work together as a team to bring the excitement of ISU athletics to our loyal fans."

"WTHI Radio is very happy to be again associated with the quality athletic programs at ISU. We are looking forward to a long relationship with the coaches and staff in the athletic department at ISU," said David Liston, Vice President and General Manager of WTHI Radio. "The addition of ISU sports helps us continue to position ourselves as the complete radio station for the Wabash Valley."

MEDIA INFORMATION

CREDENTIALS

Requests for working press credentials at Indiana State home games should be made on company letterhead to Eric Ruden in the ISU Sports Information Office. Credentials will be mailed if at all possible. Otherwise, they will be left at the Will Call Booth, which is located directly east of the main archway entrance. Credentials must be made visible at all times for proper identification by Indiana State security personnel. Photographers are asked to wear armbands when working the sideline. Armbands may be picked up in the press box approximately one hour before kickoff. Because of the demand for credentials and the limited space available, media agencies covering the visiting school on a regular basis receive top priority. All other credentials for print media are issued on a basis of circulation. Only local radio stations with a full-time sports director conducting a daily sports show receive consideration for credentials unless special arrangements are made.

PRESS PARKING

Press parking at Memorial Stadium is located next to the Stadium Golf Course pro shop on Wabash Ave. Your media credential will allow you to park there.

PRESS BOX SERVICES

Programs, flip cards, statistics and notes will be provided before each game. A play-by-play will be distributed at the conclusion of each quarter. Halftime statistics will also be available. Complete team and individual statistics, a scoring summary and coaches' quotes will be provided after the game.

A snack will be served before each game and at halftime behind the main working press area. Soft drinks will be available throughout the game.

POST-GAME INTERVIEWS

All post-game interviews will be held in the 200 Club Room located beneath the press box. Coach Dennis Raetz and requested players will be made available at this time to the media. The visiting coach and requested players will also be asked to participate in this media session.

RADIO

Radio contract requests and information should be directed to the Indiana State Sports Information Office. Stations designated as "official" by visiting opponents

will be provided a courtesy telephone line in a designated press box booth. All other stations requesting broadcast space must pay a fee of \$50 to Indiana State University and will be accommodated on the roof of the press box.

PLAYER INTERVIEW POLICY

All requests for player interviews must be made through the Sports Information Office. Players have been instructed to conduct no interviews unless they have been set up in this manner. The interviews will generally be conducted before or after practice at the Stadium. Requests for telephone interviews will be handled by players returning phone calls to the media. No home numbers for players will be given out.

INTERVIEWS WITH COACH DENNIS RAETZ

Interviews with Coach Dennis Raetz can be set up through the Sports Information Office or by calling his office directly at 812/237-4074. The best time to reach Coach Raetz is between 11 a.m. and noon Monday thru Thursday. Meetings are conducted during the morning, but he can return a phone call if he's not available.

The Gateway Football Conference

Although the Gateway enters its eighth season of NCAA I-AA football competition in 1992, the league has begun a new era as it competes for the first time under the banner "Gateway Football Conference."

The original Gateway Conference was founded as a women's athletic organization in August, 1982, following the dissolution of the Association of Intercollegiate Athletics for Women. In September of that year, Patty Viverito was named the first commissioner of the newly founded conference, a position she maintains today. Before moving to its permanent headquarters in St. Louis, the Gateway spent three organizational months on the campus of Eastern Illinois University. Eastern Illinois was the original president institution of the league.

In July of 1992, the 10-team Gateway Conference disbanded as its women's programs realigned with their men's teams in their respective conferences. The league assumed its new name on July 1, 1992,

becoming the Gateway Football Conference, an NCAA I-AA football league comprised of seven Midwest schools.

The Gateway football conference football division was born on August 21, 1985, when the Gateway Conference President's Council voted to add a I-AA football division

for six of its members to the previously all-women's athletics organization. Founding members of the football division were Eastern Illinois University, Illinois State University, the University of Northern Iowa,

Southern Illinois University, Southwest Missouri State University and Western Illinois University. The creation of the Gateway football division marked the first time in college annals that football was added to a women's conference. In June of 1986, Indiana State University became the seventh member of the Gateway.

Gateway football quickly became a national force on the I-AA scene. The strength of the new league was confirmed in July of 1986 when the NCAA I-AA Football Committee voted to waive the league's two-year waiting period and grant the Gateway an automatic bid to the national playoffs after just one season of play.

The seven seasons of Gateway football have been marked by continual successes. Northern Iowa advanced to the NCAA I-AA semifinals in 1985 and 1987. Eastern Illinois and Southwest Missouri have advanced to the quarterfinal round. Last season, the league posted a 24-12-2 non-conference record, tops among I-AA leagues.

TRAVEL PLANS

The Sycamores will generally bus to the away site on Friday and make plans for possible workout or walk-through upon arrival. Bus transportation will be via Turner Coach. Here are the tentative travel plans with road headquarters listed. Please check with the sports information office during game week for an exact itinerary.

OKLAHOMA STATE--The Sycamores will bus to Springfield, MO on Thursday and on to Stillwater, OK on Friday where they will most likely work out.

WESTERN KENTUCKY--The Sycamores will bus to Bowling Green, KY on Friday and a possible workout.

EASTERN ILLINOIS--The Sycamores will bus to Charleston, IL on Saturday morning.

WESTERN ILLINOIS--The Sycamores will bus to Macomb, IL on Friday and a possible work out.

SOUTHERN ILLINOIS--The Sycamores will bus to Carbondale, IL on Saturday.

Sycamores

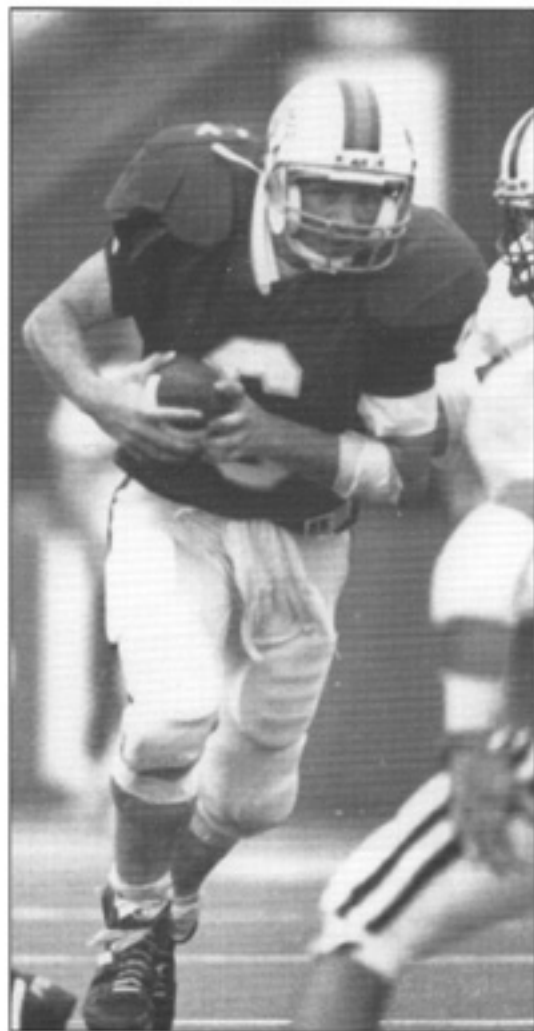

Outlook

Sycamores

ISU FOOTBALL--COMIN' ON STRONG

The key to any good football team starts with execution and Coach Dennis Raetz knows that having a returning starter at quarterback in Kip Hennelly puts the Sycamores one leg up on the competition entering the 1992 season. Hennelly is the first returning starter at the QB spot for the Sycamores since 1989.

"You can't underestimate the value of having experience at the quarterback position," says the mentor of the Sycamore program entering his 13th season as the head man of the ISU football fortunes.

Hennelly is just one of 11 returning starters plus All-America candidate punter place-kicker Steve Krieger who will look to improve upon last year's 5-6 mark. The bulk of the starters return on the offensive side of the ball with just nose guard Dyrrah Christon and safety Kenneth Mullen returning defensively.

One the bigger questions early will be how to replace All-American tailback Derrick Franklin who rushed for 1,505 yards last season and was named the Gateway Conference's Offensive Player of the Year. Raetz has moved All-

Conference safety Von Ganaway to tailback, a position the junior played in high school and showed promise there in spring drills.

OFFENSE

"We have a chance to be better offensively because we are more versatile in some positions. Kip Hennelly is the kind of quarterback that can pull the trigger and be more explosive and Von Ganaway adds some things offensively that we didn't have last season," says Raetz.

Junior quarterback Kip Hennelly is back to guide the versatile Sycamore offense in 1992. He set a school record last season for rushing yards by a QB with 463.

Eight starters return

We have a chance to be better offensively because we are more versatile in some positions. Kip Hennelly is the kind of quarterback that can pull the trigger and be more explosive."

Coach Dennis Raetz

offensively, and more importantly, for the first time in three years, the Sycamores enter the fall with a returning starter at quarterback. Kip Hennelly earned the starting job in the sixth game last season and improved game-by-game. He finished the season with 1,362 yards in total offense and set a school record for rushing by a quarterback with 463 yards. He threw for 899 yards, with 512 of them coming in the season's final two games. Hennelly will have his favorite target back in Demetrius Dowler who made 26 catches for 479 yards and six touchdowns. Dowler earned All-Missouri Valley Conference honors as a designated hitter and outfielder on the nationally-ranked Sycamore baseball team. He will be joined in the receiving corps by tight end Kirk Christensen (six catches for 50 yards), flanker Bernard Redmond (2 for 24), and Scott Crenshaw (2 for 31).

"Dowler has proven that he is a productive receiver. Crenshaw and Redmond made good strides last spring," says Raetz.

"In order to be successful against the kind of schedule that we play, you have to be able to throw the football. Kip showed he could do that last year. In our receiving corps, we don't have an athlete like Charles Swann, but we do have several athletes in that

position," adds Raetz.

The Sycamore running attack will miss All-American tailback Derrick Franklin who ran for a school record 1,505 yards and 12 touchdowns on 318 carries. Full-back David Nicol returns after running for 70 yards on 15 carries in 1991. Raetz will look to Von Ganaway as his tailback entering spring drills. The two-year starter at defensive back will be making the switch from safety, but is not unfamiliar with the ball in his hands as he rushed for 1,271 yards and 16 TDs as a prep senior.

"Ganaway is a good football player who I have said many times is the best athlete on the team. He can run with it and catch it out of the backfield," added Raetz.

The offensive line will be led by tackle Robert Egidi, a two-year starter. Starting offensive guards David Sharbaugh and Shawn Moore are back, and will be joined by tackle Tim Herrin, a part-time starter in '91. This area should receive a boost from Navy transfer Tim Giebels.

DEFENSE

The Sycamores were hit by graduation the most on the defensive side of the ball as just two starters return. The defensive line will be anchored by last year's third leading tackler Dyrrah Christon. He record 80 stops, four sacks, and nine tackles for loss while earning honorable mention all-conference honors. "Dyrrah certainly has to be a key for us," says Raetz. "He's played well in the league in the past and depending on the circumstances, we would like to move him around a little bit."

Redshirt freshman Rahsaan Baskerville established himself as a force at one of the tackle spots in spring ball. The 300-pound tackle

exhibits quickness and good athletic ability combined with his awesome size. Joe Stankowski and Pete Macri enter spring drills as the odds on favorites for the other tackle.

Seniors Bruce Bridgewater and Sam Whipple will have a chance to step into starting roles at the outside linebacking slots. Senior Jim Juillerat makes a position switch from tight end to outside linebacker, while Byron Porter will switch from safety to this spot as well.

The inside linebacker slots are open with the graduation of the team's top two leading tacklers in Eric Christensen and Clint Davis. Matt Egloff and Mike Nelson will vie for the starting spots along with Doug Puryear and Mark Hughes.

Kenneth Mullen is the only returning starter in the secondary, but cornerback Michael Wilson saw considerable playing time last season, while strong safety candidate Jack Hendershot and corner Wesley Wilson starred on the special teams. Mullen missed spring drills due to off-season shoulder surgery.

"We need to have some young kids come through for us in the

secondary and defensive line where we are a little thin," says Raetz. "We have to develop some more depth defensively and hold our first group together."

KICKING GAME

Indiana State will boast one of the most potent kicking games in Division 1-AA, thanks to the leg of senior-to-be Steve Krieger. He earned second team all-league honors last season at punter with a 38.5-yard average, but more impressively placed ten balls inside the opposition's ten-yard line. He hit on seven of 13 field goal attempts, including a career high 47-yarder against Eastern Illinois, and made good on 22 of 25 PAT attempts, while handling kickoff chores as well.

Junior Von Ganaway makes the switch from safety to tailback this fall.

Sycamores

"If Krieger can duplicate what he did for us last season, he has a chance to play beyond college," explains Raetz. "I see no reason why we can't be improved in the kicking game and be a good team on special teams, largely based on what Krieger can do for us."

SCHEDULE

The Sycamores will face nine Division I-AA foes, including defending national champion Youngstown State, defending Gateway champ Northern Iowa, and playoff participant Western Illinois. ISU will open on the road against Big Eight foe Oklahoma State. State has six home games

and five road tilts with Homecoming pitting the Sycamores against Northern Iowa on Oct. 31.

"Our schedule will always be tough. That is a given," adds Raetz.

THE GATEWAY CONFERENCE

"Northern Iowa is definitely the favorite. They are even talking about a possible national championship up there. After that, it's a coin-flip. This league is always extremely competitive with any team having a chance to win on any given Saturday," explains Raetz.

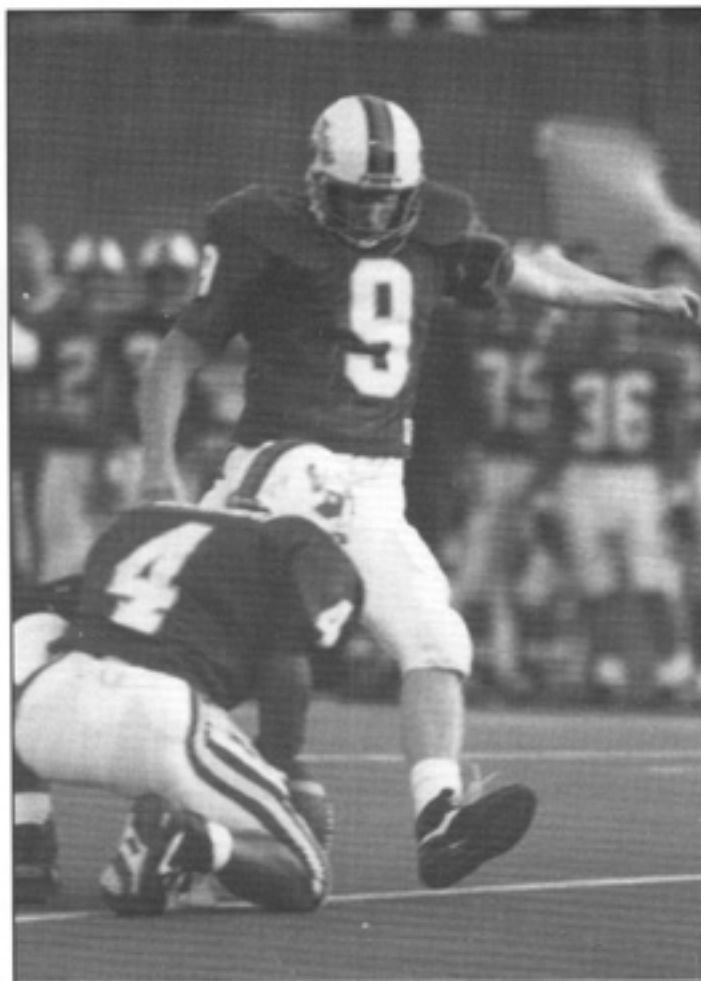

COACHING CHANGES

The Sycamores have added Steve Brickey and Craig Bundy to the 1992 coaching staff. Brickey will serve as offensive coordinator and Bundy as running backs coach. Marty Fine has switched from running backs to offensive line. Brickey served on Raetz' staff in the early '80s before working at Texas Tech and Texas. Bundy was a volunteer coach on last year's staff before receiving his promotion.

"Steve has been here before so that is a plus. If you are going to make a change, this one is about as smooth as possible," says Raetz. "Craig was with us last year and is very familiar with our program. They will both be valued additions to the program," adds Raetz.

OVERALL

"Last year we lost some close games and won some close games. Most of those games were decided by offensive execution or lack of it. I feel we will be better in that area this season, largely due to having a returning starter at quarterback. Special teams are also very important and that should be one of our strengths. Defense is the question mark and we will have to count on some younger players to come through for us there," comments Raetz.

Senior punter-placekicker Steve Krieger is looking to test his leg in 1992. He hit for a career best 47 yards last season against Eastern Illinois.

Staff

HEAD COACH DENNIS RAETZ

The winningest coach in Indiana State history, Dennis Raetz, will return to the gridiron this season for his 13th at the helm of the Sycamore program. Raetz surpassed Wally Marks last season to become the winningest coach in school history with his 63rd victory and finished the season with a record of 64-69-1.

The "Dean of the Gateway Conference" coaches has guided the ISU program to its greatest heights including a No. 1 national ranking during most of the 1984 season and two trips to the NCAA I-AA playoffs. Raetz was named the Missouri Valley Conference Coach of the Year in 1984 while also garnering Kodak I-AA District Coach of the Year honors.

Raetz has been a fixture at ISU since 1978 when he came to Terre Haute to serve on Dick Jamieson's staff as defensive coordinator and linebacker coach. He remained in that position for two seasons before taking over the top job on February 25, 1980.

A native of North Platte, Nebraska, Raetz attended the University of Nebraska on a football scholarship, but his playing career was cut short by a severe knee injury. Following his college graduation in 1968, he was an assistant coach at North Kansas City High School in Missouri for five seasons before accepting head coaching responsibilities at J.C. Harmon High School in Kansas City, Kansas. In four seasons at Harmon where he coached former Denver Bronco All-Pro cornerback Mark Haynes, Raetz guided his clubs to two conference championships and a 24-13 record.

In 1977, Raetz joined the University of Missouri coaching staff where he worked with the defensive ends in addition to his

duties as the junior varsity head coach. It was at Mizzou that he began a working friendship with Jamieson who one year later became the head coach at Indiana State.

Raetz followed Jamieson to ISU and, after the 1979 season, became the school's 15th head coach when Jamieson became an assistant with the NFL's St. Louis Cardinals.

Raetz quickly put his stamp on Indiana State football with a stiff defense and efficient offense. After posting 6-5, 5-5-1, and 5-6 marks in his first three campaigns, Raetz broke through in 1983. The Sycamores got out of the gates quickly with two wins to open the season before making a trip to national power Florida. ISU battled the mighty Gators down to the wire only to fall, 17-13. Raetz' crew finished with a flourish in winning

the last three regular season games and earned a Division I-AA playoff berth for the first time in school history. The Sycamores defeated Eastern Illinois in the first round and fell to Southern Illinois in the quarterfinals.

State took that momentum gained from the 1983 season and rattled off nine straight victories to start the 1984 campaign and earn a No. 1 national ranking in the I-AA polls. The Sycamore season came to an end in the NCAA playoffs for the second consecutive season, this time dropping a 42-41 decision to Middle Tennessee State in overtime.

Raetz has led the Sycamore football program to two of its three nine-win seasons, the highest victory total in school history.

Since taking over the reins of the ISU program, Raetz has been instrumental in the development of

several standout players including Missouri Valley Conference Defensive Players of the Year Gerry Gluscic (1979), Craig Shaffer (1981), Wayne Davis (1984), and Vencie Glenn (1985); and MVC Offensive Players of the Year Reggie Allen (1979) and Jeff Miller (1984). The Sycamores' 1992 class included Gateway Offensive Player of the Year and All-American Derrick Franklin along with All-American Charles Swann.

Several of the above mentioned players have gone on to NFL careers. In all, 34 Sycamores have signed NFL contracts under Raetz' tutelage.

The veteran coach has also been extremely successful at turning out top notch coaches. Former Raetz assistants include Dave McGinnis of the NFL's Chicago Bears, Pete Hoener at Texas Christian University, Pat Henderson at Purdue, Trent Miles at Northern Illinois, Kevin Ramsey at Northwestern, and Bobby Boyce at Southwest Missouri State.

CHATting WITH COACH DENNIS RAETZ

Dennis Raetz begins his 13th season at the helm of the Indiana State football program. In the last 12 years, he has had the opportunity to see many changes in the college football game. The following are some of his thoughts on the current state of college football.

How does the intercollegiate athletic experience prepare a student-athlete for a career and life beyond college?

"Any time you compete in intercollegiate athletics you ultimately help increase your pool of contacts through a large circle of friendships you encounter. You have the opportunity to get ahead through increased exposure to different places, different people, and several different interpersonal relationships.

Intercollegiate athletics teaches you how to prepare, whether it be self-discipline, physically, or mentally. You have to learn how to budget your time. If you can accomplish these things, you can take that and do potentially whatever you want in later life. These qualities are not only by-products of what you can get at ISU, but athletics in general."

How has the game of college football changed in the last 12 years?

"Everything goes in cycles. Now you are seeing much more one-back offenses with the concept of spreading defenses out and using multiple formations on both sides of the ball being stressed.

As far as recruiting goes, Proposition (Bylaw 5-1j) has had an impact. That and other legislation

has changed the face of college athletics. The ascent of women's athletics has changed things with regard to men's athletics."

What has remained the same?

"Not very much but, kids are still kids. I still get the same joy on the practice field and on game-day. The joy from the interpersonal relationships with the kids is something I continue to treasure."

What is the future of Division I-AA football as we know it?

"I-AA football is at a very critical time. Television monies have been reduced, the rise of gender equity, rising costs, and the shrinking pool of money have all put I-AA at a crossroads. I don't think anyone can see what is going to happen."

What are your thoughts on the Gateway Football Conference?

"It is the best I-AA conference in the country. We (Gateway) play as tough a non-conference schedule as anyone and our record bears that out. Last year we had the best non-conference record among I-AA leagues."

In your 12 years at ISU, you have posted a great record in home games (46-17-1/.727 winning percentage), but your teams have had their troubles on the road. What do you attribute that to?

"Playing at home is always a big advantage. There is a lot involved. It is a fine line between reasons and excuses. The bottom line is we have to find a way to play better on the road."

Through the years, you have had a large amount of success in recruiting high school coaches' sons and doing well with them. What is so special about them?

"There are many intangible and innumerable things. They have a better understanding of the ups and downs, the urgency, their exposure is greater. These things all contribute to what they have been exposed to over the last 12-14 years from being at practices with their fathers since they could walk. They make fewer mistakes and realize the importance of academics."

Steve Brickey

**Missouri 1976
Offensive
Coordinator/
Quarterbacks-
Receivers**

Former Indiana State University quarterback and receivers coach Steve Brickey has returned to Terre Haute to take over the duties as the Sycamores' offensive coordinator this season.

Brickey, 38, had been an assistant coach at the University of Texas for the past four seasons, where he worked as the quarterbacks for two seasons (1987-88) and was the Longhorns' running back coach the last two years, where he worked with Southwest Conference "Offensive Newcomer of the Year" Butch Hadnot.

In addition to his coaching duties at Texas, Brickey also served one season as the quarterback coach at Texas Tech University (1986).

The St. Louis, Mo., native began his coaching career as a graduate assistant coach (1976-77) at the University of Missouri under former Tigers coach Al Onofrio, and was an assistant coach at ISU for nine seasons (1977-85).

During his earlier stint at Indiana State, Brickey helped to develop Missouri Valley Conference "Offensive Players of the Year" Reggie Allen (1979) and Jeff Miller (1984-85).

A former quarterback in college, Brickey earned his B.S. in physical education from the University of Missouri in 1976.

Steve and his wife, Patti, are the parents of three sons -- Chris (19), a sophomore at ISU, John (7), and Mike (4).

Craig Bundy

**Millikin 1978
Running Backs**

Craig Bundy begins his first season as a full-time member of the Sycamore coaching staff as its running backs coach. Bundy, who was a volunteer coach at ISU last season, and was previously a high school head coach at Momence H.S. in Illinois and at Decatur St. Teresa. He is a native of Decatur, IL and a 1978 graduate of Millikin University where he led the team in interceptions for two seasons. He also served as a graduate assistant at Illinois under Coach Mike White where he earned a Master's Degree.

Bundy led his Momence teams to a 28-6 record in three seasons, including consecutive undefeated regular seasons and a No. 1 state ranking in his final season.

Bundy also played baseball at Millikin and currently stars as a flame-throwing pitcher in the Terre Haute Senior Baseball League. He and his wife Karen reside in Terre Haute.

STAFF

Marty Fine enters his second campaign on Coach Dennis Raetz' coaching staff as the offensive line coach. Fine was the running backs coach in his first season with the Sycamores. He has also taken on the task of recruiting coordinator this season.

Fine came to Terre Haute from the U.S. Naval Academy Prep School where he served as head football coach and athletic director for two seasons. Fine coached current Sycamores Fred Hunt and Scott Crenshaw at the Academy.

Fine attended Western New Mexico University and later served as an assistant there in 1984. He has coached at Sleepy Hollow High School (1979-81) in Tarrytown, NY, Westchester Community College (1982-83), and served as defensive coordinator at Sonoma State University in California (1985-86). He was later head coach at Sonoma in 1987 and 1988.

He is single and resides in Terre Haute where he intensely follows his beloved New York Yankees.

Alvin Reynolds is in his tenth season as a member of the Indiana State staff where he serves as Assistant Head Coach and Defensive Backs Coach.

The New Orleans, La. native played four seasons at ISU as a strong safety. Reynolds was the subject of a student sponsored write-in campaign for for the Heisman Trophy during his senior season. He received national attention from the New York Times and The Sporting News in the process. The campaign slogan was "Vote for Our Pal Al," and he did receive votes from a few Heisman voters.

Since taking over as the Sycamores' defensive backfield coach, Reynolds has been instrumental in the development of two All-American selections and NFL players Wayne Davis and Vencie Glenn.

Following his playing career, Reynolds served as a graduate assistant at ISU for one season before being elevated to a full-time position. Reynolds current position as assistant head coach have him working as the liaison between the admissions office and the football office as well as handling all academic affairs of the football players.

Reynolds holds a B.S. in business management and a Master's in political science from ISU. He has one son, Alvin Jr. (7).

Dan Ritter

**Wichita State 1973
Defensive
Coordinator/
Defensive Line**

Dan Ritter enters his seventh season on Dennis Raetz' ISU coaching staff and fourth season as defensive coordinator. He also serves as defensive line coach and strength and conditioning coach.

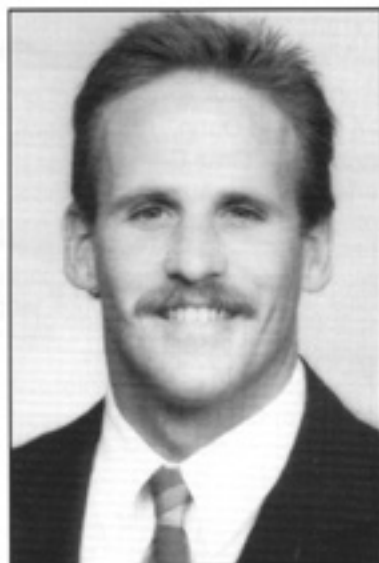

Since arriving in Terre Haute, Ritter has developed several All-Conference defensive linemen including last year's all-league pick Doug Dutton who signed a free agent contract with the Phoenix Cardinals.

Ritter and Dennis Raetz have been long-time associates. The relationship began in the early 1970s when Ritter served on Raetz' Kansas City Harmon H.S. coaching staff. Since then Ritter has been assistant at Turner H.S. in Kansas City, Kan., head coach at Miami H.S. in Arizona, head coach at University H.S. in San Diego, CA, and as an assistant at the University of San Diego.

Ritter competed in football was a shot putter on the Wichita State track and field team while earning a B.A. in education.

Ritter and his wife, Jan, have three sons, Danny (15), Richard (13), and Ryan (12).

Mark Smith

**Purdue 1979
Linebackers/
Special Teams**

Mark Smith begins his fifth season on the Sycamore coaching staff as the linebackers coach. Smith also handles the special teams and team travel. He previously served as defensive coordinator at Rose-Hulman before coming to ISU.

Smith worked at Bowling Green for three seasons as defensive line and linebacker coach. The Falcons went a perfect 11-0 and won the MAC crown in Smith's final season at BGSU.

The Richmond, IN native also spent three seasons as a physical education instructor and defensive backfield coach at Defiance H.S. in Defiance, OH. Smith is a veteran instructor at several summer football camps, including the Jack Lambert Linebacker Camp and the University of Michigan Camp.

He holds a B.S. in physical education from Purdue and a M.S. in secondary physical education and athletic administration from Bowling Green. Smith and his wife Kim are the parents of one daughter, Heather (5), and one son Eric (2).

GRAD ASSISTANTS AND SUPPORT STAFF

David Dunn

Entering his first season as a graduate assistant on Coach Dennis Raetz' staff is David Dunn. Dunn spent last year as the head coach of the Graz Giants in Austria and guided to the team to the Austrian National Championship. He also served as a defensive line coach at his alma mater, the University of San Diego, for two seasons. Dunn starred for the Toreros as a three-year starter at nose guard under the tutelage of current ISU defensive coordinator Dan Ritter. He garnered Division III All-America honors as a senior. Dunn is originally from Stamford, CT where he attended Stamford Catholic High School.

Dunn will work with the defensive line, assisting Coach Dan Ritter.

Jeff Fryar

Former Indiana University offensive tackle Jeff Fryar will begin his first season as a graduate assistant on the ISU staff. Fryar coached the offensive line at the University of Indianapolis last season and assisted his alma mater, Lawrence North High School in 1989 & 1990.

He has spent time in professional training camps with the New York Giants, Pittsburgh Steelers, and London Monarchs. Fryar was a first team All-State selection at Lawrence North as a kicker and lettered for four seasons at IU as an offensive lineman. He received a Bachelor's Degree from Indiana University. While at Indiana, Fryar had the distinction of blocking for Terre Haute native and All-American tailback Anthony Thompson.

Fryar will assist Coach Marty Fine with the offensive line.

Bob Elson

Bob Elson joined the Indiana State equipment room staff in August 1975 as an assistant equipment manager and was promoted to head equipment manager in July 1984.

A native of Brazil, Ind., Bob graduated from Indiana State in 1973. He served two years in Germany with the United States Army.

Elson is assisted in his duties by equipment room attendants Terry Kelsheimer and Jack Varner.

Paul Schiess

Paul Schiess is in his second year as the head football trainer at Indiana State University.

Schiess, formerly an athletic trainer at Utah State, originally came to ISU in 1990 as a graduate assistant working with the Sycamore baseball program.

PRESIDENT JOHN W. MOORE

JOHN W. MOORE IS ISU'S 9TH PRESIDENT

Indiana State University welcomed Dr. John W. Moore as its ninth president August 1.

Moore served as president of California State University, Stanislaus, from 1985-92.

"I am delighted to be a member of this outstanding academic community, and my family and I look forward to being a part of Indiana State," Moore said at his first campus press conference. "I am looking forward to a very exciting, satisfying and productive experience not only as your president and colleague but also as your friend."

He and his wife, Nancy, are the parents of Matthew, 20; Sarah, 17; and David, 13.

Of the role he sees for ISU, Moore says, "The University has an impressive history of contributions to the State of Indiana, and I have every reason to believe that the future will be even more promising because of our distinguished past. The University's broad array of liberal arts and professional programs is most impressive. The faculty is outstanding. I have been impressed with the excitement and energy of the students I have met, and there is every indication that the alumni of this University are very

loyal and proud of this institution."

A professor of educational administration, Dr. Moore plans to take an aggressive role as a strong public advocate for ISU. "I want to be certain that ISU is well-recognized, understood, and valued in all quarters of the state," he said.

In spreading the word about ISU, he will talk "to citizens and alumni" and "get to know state legislators, the governor and his staff and higher education officials -- in fact, everyone interested in higher education."

"My task is to persuade them to be as supportive of our University as they can be," he said. "If we're going to be successfully looking after the interests of ISU, I had better be on the ball -- working hard and advocating vigorously for ISU."

Regarding ISU's role in Terre Haute and the Wabash Valley, Moore said, "The University should be reaching out to our fellow citizens. We should be part of the life of the region and the state. Our ultimate goal is to make important contributions to the quality of life in Indiana. That's what it's all about."

While he sees ISU's first responsibility as educating students, "... we have enormous intellectual resources here... that should be brought to bear on the needs and opportunities in the State and nation. I expect that we will be very active in basic and applied research, in providing technical assistance, and in consulting on the practical problems before the Hoosier State."

In this regard, Moore believes in dynamic and expansive continuing education and public service programs. He will encourage partnerships with government, business and industry, the schools and other colleges, the professions, health care providers and the artistic community.

"Dealing with fiscal constraints, yet keeping college affordable, will be a major issue in the years to come," he said.

"I think there will be a trend nationally for students to be expected to assume a higher proportion of the cost of their education through increased fees. But if that's the case, public and private students who are most in need of financial assistance. We certainly do not want to allow increased tuition and fees to become a barrier to attendance, if that can be

avoided."

"We will give high priority to the instructional program of the institution. We must ensure that the students who come here get a first-rate education regardless of the financial constraints we face," Moore said.

The author of numerous papers, publications and presentation on topics related to higher education and administration, Dr. Moore has had leadership experience at Old Dominion University as vice president for policy and planning, vice president for educational services, and executive vice president and professor of education. He also served in several capacities at the University of Vermont, including associate vice president for academic affairs.

Moore received a bachelor's degree from Rutgers University and earned a doctoral degree from Pennsylvania State University. He was awarded a master's degree by Indiana University. He attended the Higher Education Management Institute, Claremont Graduate School, and has done post-graduate work on the campuses of Dartmouth College, Princeton University and Stanford University.

He is past president of the Society for College and University Planning and a member of the American Association of Higher Education, American Educational Research Association, Association for Institutional Research and the National Association of College and University Research Administrators. He is a member of the NCAA Presidents Commission and the ACE National Commission on Women.

Among the awards, Moore has received the Distinguished Service Award to the Black community from the Norfolk (Va.) Commission of Education; the Distinguished Service to the Hispanic Community Award from the Hispanic Chamber of Commerce; the Distinguished Service Award from the United Way of Stanislaus County and a Special Recognition Award from the Private Industry Council of Stanislaus County.

He is a member of Phi Kappa Phi Honor Society and recently was named an Alumni Fellow by Penn State, the University's most prestigious alumni award.

ATHLETIC DIRECTOR BRIAN FAISON

ISU Athletic Director Brian Faison has led a busy and productive three years for the Sycamore Athletics program. Faison has thrown immense energies into overseeing facilities improvements, orchestrating major growth in fundraising, and reorganizing the athletic department to insure effective management to move ISU to its goal of success in the Gateway and Missouri Valley Conferences.

Several major facility projects have been initiated and completed during Faison's tenure, including an All-Pro artificial turf at Memorial Stadium, an Omni Turf artificial infield at Sycamore Field, and a new portable wooden basketball floor at the Hulman Center.

Contributions have continued to increase dramatically with the Sycamore Varsity Fund setting a third straight year of record athletic annual giving. In addition, new designated giving programs have also been put into place for men's basketball (Larry Bird's Inner Circle), women's basketball (HoopstHERS), softball (RBI Club)

and a baseball billboard advertising program.

Along with supervising the day-to-day operations of the athletic department, Faison has focused upon reorganization of the department to provide better service for our student-athletes, coaches and supporters.

Faison is active in numerous community fundraising activities. He serves on the Executive Board of the Wabash Valley Council of the Boy Scouts of America, chairs the Council's National Eagle Scout Association, is a member of the Terre Haute Rotary Club and the Aero Club, and serves on the Sports Advisory Committee of the Terre Haute Convention and Visitors Bureau.

On the conference level, Faison has served the Missouri Valley Conference as Chair of the Directors of Athletics Committee and the Basketball Officiating Committee. For the Gateway Conference, Faison has chaired the Promotions Committee.

Faison came to Indiana State from the University of Louisville where he was Assistant Athletic Director for Development and Executive Director of the Cardinal Athletic Fund (1984-88). During his four years at Louisville, annual giving increased from \$560,000 to over \$2.9 million, thirty-four endowed scholarships were established, and special designated giving programs were developed for the non-revenue sports. Among his other duties, he

served as tournament director for the 1986 and 1987 Metro Conference Basketball Tournaments and the 1987 NCAA Regional Basketball Tournament.

Previously, he served five years as assistant athletic director at Illinois State and had several capacities in the athletic and alumni departments at the University of Missouri, his alma mater.

Brian and his wife, Donna, have three sons, Jonathan (11), Matthew (8), and Bradley (5), and reside in Terre Haute.

ATHLETIC ADMINISTRATIVE STAFF

ANDI MYERS ASSOC. ATHLETIC DIRECTOR

Andi Myers enters her fourth year as associate athletic director/women's senior administrator at Indiana State. Myers is primarily responsible for the day to day operation of all sports and serves as the University NCAA compliance officer.

Myers moved into her administrative capacity in April, 1989, after a successful seven-year tenure as Indiana State's women's basketball coach. An Indiana State graduate, Myers led the Sycamores to 40 wins in her final two seasons, including a school-best 22-6 mark in 1988. In that same year, Myers was named Gateway Conference Coach of the Year after ISU posted a 14-4 league mark, also a school-best.

Prior to accepting the head coaching post at ISU, Myers guided the Vincennes Lady Trailblazers to an impressive 15-year record of 209-85 and several appearances in the NJCAA postseason tournament. She was twice selected the NJCAA Region 12 Coach of the Year and led VU to two national third-place finishes.

A native of Dana, Indiana, Myers earned both her bachelor's and master's in physical education from Indiana State.

TURK ROMAN ATHLETIC DEVELOPMENT DIR.

A longtime member of the Indiana State administrative scene, "Turk" Roman is in his fifth year as ISU's Director of Athletic Development.

A former high school and college coach, Turk has worked as a director of University/High School Relations as well as being an associate director of admissions and a director in the office of transfer and international students during his 25-plus years at ISU. The 1961 Indiana State graduate also worked in the ISU Foundation Office prior to assuming his current position.

The Chicago, Ill., native, who

attended high school in Whiting, Ind., is also the athletic department's liaison with the University's alumni office as he strives to keep former Sycamore student-athletes up-to-date with day-to-day goings-on at Indiana State. He works closely with ISU Athletic Director Brian Faison in the coordination of various fund raising ventures throughout the year and is a director of the Sycamore Varsity Fund.

KAREN MCDEVITT ATHLETIC MARKETING DIR.

Former associate sports information director Karen McDevitt is in her third season as ISU's director of athletic marketing and promotions.

A former administrative assistant for marketing for the Cincinnati Reds, McDevitt came to ISU in September 1989 after serving three seasons with the Chicago White Sox as manager of promotions and special events. Karen also worked with the CBA Evansville Thunder basketball club as well as the Iowa Cubs minor league baseball team in various promotional and ticket managing capacities. She was named to her current post in July 1990.

A native of Robinson, Ill., Karen earned her bachelor's degree from the University of Evansville in 1982 and received a master's from Western Illinois' sports administration program in 1984.

BETTY RADCLIFFE BUSINESS MANAGER

A member of the Indiana State athletic family since January of 1974, Betty is in her ninth year as the University's athletic business manager.

A native of Aurora, Missouri, Betty was an administrative secretary in the ISU Athletic Department prior to being named to her current position by former athletic director Beanie Cooper.

In addition to her duties as business manager, Betty also coordinates game program sales for football and men's basketball.

Sycamores

ISU ATHLETICS--THE TOTAL PROGRAM

The Indiana State athletic program continues to reach new heights in the 1990s. The Sycamores are coming off one of their most successful seasons in the all-sports competition of both the Missouri Valley and Gateway Conferences.

The ISU athletic program consists of football, volleyball, men's and women's cross country, men's and women's basketball, baseball, softball, men's and women's tennis, and men's and women's indoor & outdoor track and field. All Indiana State athletic teams compete on the NCAA Division I level with the exception of football which is Division I-AA. The football program is a member of the Gateway Football Conference and the other programs all compete in the Missouri Valley Conference for both men's and women's sports.

The Sycamores claimed two conference titles last year with the women's cross country team and women's outdoor track and field squad taking home Gateway Conference titles. Those championships spurred the women's program to a fifth place finish in the all-sports standings, the highest finish ever for ISU.

Several Sycamores earned Academic All-Conference selections while Eric Christensen of the football team and Kyle Hobbs of the cross country team earned Academic All-America honors.

The improvement of the Sycamore athletic facilities continues. The most noticeable change last season was the installation of lights for night baseball at Sycamore Field. The Terre Haute community quickly showed its approval by attending games at a record rate. More additions to Sycamore Field are in store for the coming years.

Many of the improvements in facilities and elsewhere would not be possible without the corporate support given ISU by the Terre Haute community. ISU corporate sponsors play a big hand in several different promotions and game-day giveaways. They also lend their support through the three Sycamore summer golf outings.

The combination of support both internally and externally for Sycamore Athletics goes a long way in making ISU Athletics, a total program. ISU continues to climb the ladder of success on the playing field and in the classroom as a school to watch in the '90s.

The highlight of the ISU year on the women's side was the performance of sophomore sprinter Holli Hyche. The Indianapolis native placed fifth in the 200m dash at the NCAA Indoor championships to earn All-American honors. She participated in the Olympic Trials last summer in New Orleans, LA.

Although the men failed to win a league crown in 1991-92, the Sycamores had several individuals claim All-American honors. Tailback Derrick Franklin and wide receiver Charles Swann both earned All-American plaudits in football. Matt was named to the All-American outdoor track team in the hammer throw. John LaMar was an All-American outfielder for the Sycamores and teammate Casey Whitten took part in the Olympic Trials as a pitcher.

SYCAMORE VARSITY FUND

The Sycamore Varsity Fund provides deserving student-athletes with the opportunity to attend Indiana State and receive a quality education while participating in a competitive intercollegiate athletic program. The major part of funds contributed to the SVF are used for scholarship support. Contributors to the SVF receive numerous privileges in accordance with membership contribution levels. The privileges include ticket priority, parking privileges, donor recognition, and invitations to special events. The greater benefit, however, is the personal satisfaction of aiding a deserving student-athlete, sharing their success, and helping them achieve their academic and athletic goals.

You can be an important part of the "Thrill of Victory" for ISU student athletes by becoming a contributor to the Sycamore Varsity Fund and joining the "team behind the teams".

The Thrill of Victory for ISU student-athletes can happen both on and off the court. For Jeff Miller (ISU quarterback, 1982-85), success on the field meant being named the Missouri Valley Conference Offensive Player of the Year and twice guiding the Sycamores to Division I-AA playoff appearances. In the classroom, it meant receiving his degree in computer science in addition to receiving an NCAA postgraduate scholarship and recognition as an Academic All-American.

"The total educational experience I received from Indiana State goes far beyond textbooks" says Jeff Miller, now a Systems Development Leader with Lincoln National Corporation. "Participating in a first-class football program built many valuable lessons that I still draw upon today. Thanks to my athletic scholarship, ISU afforded me the opportunity to obtain a career in the highly competitive field of computer science."

ACADEMIC ADVISEMENT

Dr. Cathy Baker takes the Athletic Study Center into its sixth year of operation this fall where she and her staff supervise the academic progress of more than 400 Indiana State University student-athletes in the course of the school year. Baker's background includes a B.A. in English, an M.A. in English, a Ph.D. in Secondary Education, and eight years as a Reading Specialist with the ISU Study Skills Center.

Baker and her staff provide fundamental instruction in areas such as basic study skills, time management, drug education and testing, and media relations. The Athletic Study Center provides supervised study hall sessions, academic support for student-athletes who are learning disabled, and individual tutoring for those students who need in-depth help with a particular subject. Careful academic records are maintained for each student-athlete.

"I like to say that 'my team' wins when these students graduate."

--Dr. Cathy Baker, Director of Athletic Study Center

"For all student-athletes, 90 percent are in good academic standing with the University and 25 percent maintain a B average or better," notes Baker.

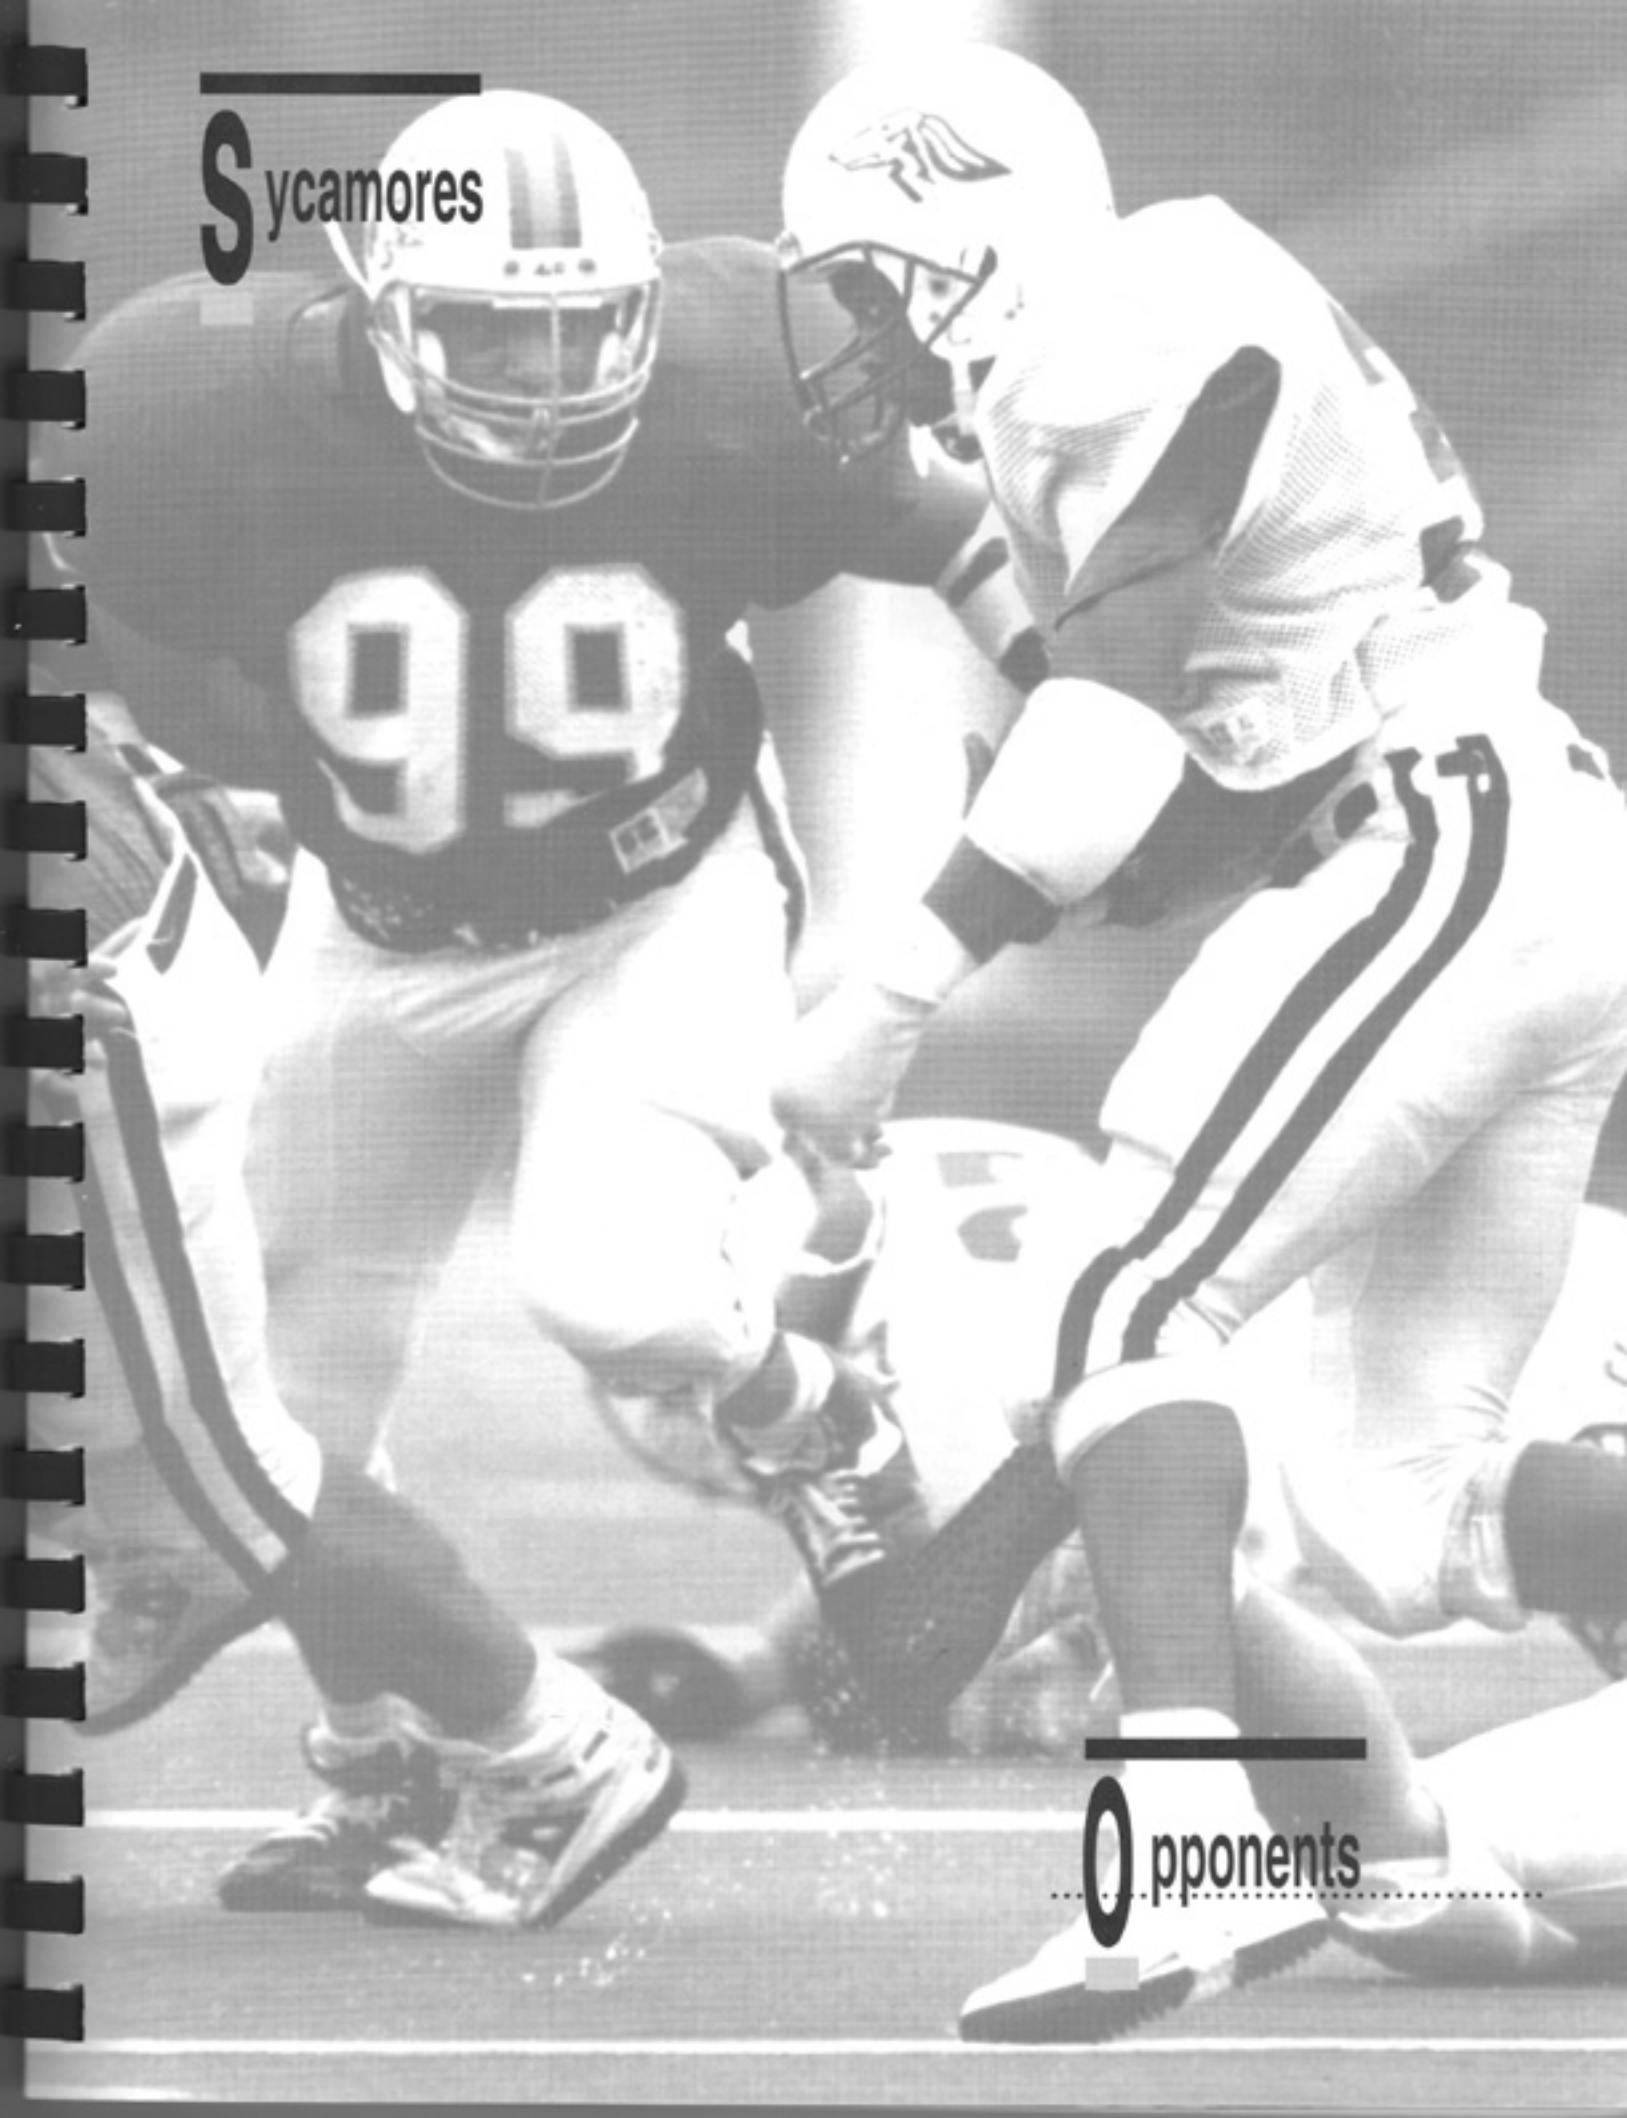

Dr. Baker's philosophy is simply this: "I like to say that 'my team' wins when these students graduate. Actually, there's a lot more I want for these students. I want them to learn something while they're here. I want them to be personally and professionally successful."

The foundation of the academic advisement program is set through the weekly study skills course which is required for all ISU athletes on scholarship. The course is centered around study skills, NCAA rules, media relations, and several

other facets of the athletic world at ISU.

Lessons learned through the academic advisement program have proved extremely valuable to several members of the ISU football program. Last year, Eric Christensen earned GTE/CoSIDA Academic All-American honors while fellow senior linebacker Scott Foster was named GTE/CoSIDA Academic All-District.

1991 SEASON IN REVIEW

FOOTBALL ENDS SEASON 5-6; SEVERAL INDIVIDUAL RECORDS SET

The 1991 edition of the Indiana State football team finished the campaign with a 5-6 overall record and was 2-4 in Gateway Conference play. But the season was not without plenty of highlights on both sides of the ball. The Sycamores' 5-6 record was not indicative of the team's play. ISU dropped games to Division I-A foes Kansas State and Ball State by narrow margins and was beaten by conference foes Illinois State and Southern Illinois on last-minute scores.

A different bounce of the ball here or there and the Sycamores could have notched a winning season. Instead, Raetz and Co. had to settle for their first five-win campaign since 1988.

The 1991 season saw Raetz become the all-time winningest coach in school history with his 63rd win as he surpassed Wally Marks. Raetz holds a 64-69-1 record in 12 seasons at the helm of the ISU program. Raetz was not the only member of the team to earn accolades in 1991.

Any recap of the 1991 season must start with senior tailback Derrick Franklin, the Gateway Conference's Offensive Player of the Year. The Walter Camp first team All-American picked up where he left off in 1990 by dashing for a school record 1,505 yards on 318 carries. He fell one short of the single season touchdown record with a team-high 12. He was a model of consistency with an 11-game run of consecutive 100+-yard games that saw him finish the season with 10 games over the century mark. Franklin was signed

as a free agent by the Indianapolis Colts last spring. Senior center George FitzSimmons anchored Franklin's offensive line and was honored by the league coaches with All-Conference honors.

Franklin was joined on offense by senior flanker Charles Swann, an All-Conference selection. Swann drew flocks of NFL scouts to Terre Haute and was ISU's "Mr. Excitement" on the field. The speedster finished the season with 30 catches for 517 yards and three touchdowns, despite the Sycamores' constant struggle to establish a passing game. Swann was among the nation's leaders in kickoff returns with 19 for 467 yards, including a long of 60 yards in the season-opener against Kansas State. He was a 12th round draft pick of the New York Giants. Demetrius Dowler emerged during the season as one of quarterback Kip Hennelly's favorite targets. Dowler tied a school and conference record with three TDs against Northern Iowa and ended the season with 26 grabs for 479 yards and six touchdowns.

Hennelly continued to improve during the season after earning the starting quarterback job in the team's sixth game. He finished the season with 1,362 yards in total

offense and set a school record for rushing by a quarterback with 463 yards. He threw for 899 yards, with 512 of them coming in the season's final two games.

The defensive unit was a veteran group that was plagued by injuries during most of the season. Senior linebacker Eric Christensen, an All-Conference selection, led the team in tackles for the third consecutive year with 104 tackles. He turned in his best performance of the season in a 7-6 upset win over nationally ranked Western Illinois when he made 13 tackles, an interception, and three pass break ups to earn national and conference player of the week honors. Senior linebacker Clint Davis posted a career high 92 stops. Defensive tackle Doug Dutton, noseguard Dyrrah Christon, and safety Von Ganaway were also tabbed for Gateway honors.

Junior place-kicker and punter Steve Krieger, a second team all-league pick, gave the Sycamores some of the most consistent play from those two positions in recent years. He punted for a 38.5-yard average, but more impressively placed 10 balls inside the opposition's ten-yard line. His booming kickoffs continually gave opponents poor field position as they averaged

just 16.3 yards per return. He hit on seven of 13 field attempts, including a career high 47-yarder against E. Illinois, and made good on 22 of 25 PAT attempts.

KANSAS STATE 26, INDIANA STATE 25

Sept. 7 KSU Stadium/Wagner Field, Manhattan, KS Att. -- 26,183
MANHATTAN, KS -- To say that Indiana State had Kansas State beat on this Saturday night is correct.

And to say that the Sycamores lost the game 26-25 on a fluke play would also be correct. The game, which matched the I-AA Sycamores against the Big Eight Conference foe, started late and ended with the Wildcats scoring on an intercepted two-point conversion pass to win.

"We played hard and deserved to win," admitted ISU Head Coach Dennis Raetz. "Things have a way of evening out and something's going to go right for us in a game like this someday."

Trailing 24-19 after third periods of play, the Sycamores dominated most of the final frame and took its second lead of the night 25-24 with 3:24 remaining in the game. Ray Allen, making his first career start at quarterback, engineered the 75-yard, 12-play drive while Derrick Franklin rushed for 30 yards and caught two passes for 17 yards to put the Sycamores in scoring position at the KSU 20.

Allen then hit wide receiver Charles Swann in the end zone for the TD that put the Sycamores ahead by a point. An attempt for a two-point conversion pass was the next obvious move, but Allen's pass was intercepted in the front corner of the end zone by Wildcat cornerback William Price, who ran it back 102 yards to give KSU two-points and the eventual come-from-behind victory.

But even after Price's long interception return, Indiana State still had a chance to pull out the win. Aided by a 15-yard delay-of-game penalty assessed against the Wildcats, ISU's Steve Krieger was in good position to attempt an on-side kickoff -- which was recovered by wide receiver Demetrius Dowler at the KSU 32-yard line.

Unfortunately, it just wasn't in the cards for the Sycamores as Allen fumbled the snap from center on first down and was sacked for a nine-yard loss on second down. A pass intended for Dowler then was intercepted by Price on third down. Game, set, match to KSU.

"I thought Ray (Allen) played his ears off," Raetz said later. "We deserved to win this game. They were fortunate to get out of here with a win."

INDIANA STATE 35, C. MISSOURI STATE 6

Sept. 14 Memorial Stadium, Terre Haute, IN • Att. -- 6,194

TERRE HAUTE, IN -- Derrick Franklin cruised for 138 yards and three touchdowns to lead Indiana State to a 35-6 win over Central Missouri State in the Sycamores' 1991 home opener.

Franklin played less than a half as ISU took control early, leading by a 35-0 count at halftime. Central Missouri State was held scoreless until the final minutes of the game.

The Sycamores scored the first five times they had the football, driving 80 yards in 12 plays on its opening possession of the contest. Franklin scored his second touchdown of the season on a 3-yard run midway through the first quarter. He added an 19-yard TD run just four minutes later.

"I thought we came out sharp and played well at the start of the game," Indiana State Head Coach Dennis Raetz praised. "We were able to play a lot of kids in the second half. I don't think that things ever got sloppy in the second half and that was important."

Seconds after going up 14-0, ISU safety Kenneth Mullen forced a CMSU fumble, which was recovered by teammate Von Ganaway. Five plays later, fullback David Nicol caught a 4-yard TD pass from quarterback Ray Allen. Franklin scored his final touchdown of the day on a 3-yard run.

Reserve quarterback Kip Hennelly and back-up tailback Chris Noone went the rest of the way for the Sycamores. Hennelly scored ISU's final touchdown on a 1-yard run with little more than four minutes left in the first half.

The Mules got on the scoreboard with 1:37 left in the contest as David White went 13 yards for the TD.

INDIANA STATE 39, CONCORD COLLEGE 8

Sept. 21 Memorial Stadium, Terre Haute, IN • Att. -- 6,043

TERRE HAUTE, IN -- Indiana State built a big lead and then withstood a flurry of penalty flags to give Concord College a 39-8 setback Saturday night at Memorial Stadium.

In handing Concord its first defeat of the season, the Sycamores improved to 2-1 for the young season. The Lions dropped to 2-1 for the year, with the loss.

ISU had a 27-0 lead at the intermission and had matters pretty well under control. But the two teams combined for 259 yards in penalties. Concord was whistled for 14 while the Sycamores set a school record with 15.

Derrick Franklin scored his fifth touchdown of the season and led the ground attack with 109 yards, while reserve running back Maurice Wilkins scored twice and rushed for 41 yards in his first extensive action of the season.

Indiana State's defensive unit came up with two quarterback sacks and a tackle for loss in Concord's first possession of the game to pretty much set the pace for the evening. The Sycamores scored on their initial possession as quarterback Ray Allen scampered in from a yard out to complete an eight-play, 43-yard drive.

After Franklin scored on a 3-yard run, Allen hooked up with Demetrius Dowler on a 17-yard scoring toss. Wilkins later added two short TD runs, while backup fullback Scott Wilson closed out the scoring for ISU with a 1-yard run in the fourth quarter.

Concord scored its lone touchdown in the third quarter as Chris Hairston bulled his way into the end zone from two-yards out.

BALL STATE 14, INDIANA STATE 10

Sept. 28 Memorial Stadium, Terre Haute, IN • Att. -- 8,102

TERRE HAUTE, IN -- Ball State quarterback Mike Neu scored the go-ahead touchdown on a 1-yard run and passed for another score as the Cardinals downed Indiana State 14-10 in what possibly was the final meeting between the two longtime in-state rivals.

Neu passed 11 yards to Travis Moore for Ball State's first touchdown with 5:40 remaining in the first quarter, and then scored what proved to be the game-winner with 1:25 left in the first half.

The Sycamores' lone touchdown came on a Ray Allen to Demetrius Dowler 12-yard pass with 1:46 left in the second quarter. After a scoreless third quarter, Indiana State took 7:25 and 14 plays to get within field goal range as Steve Krieger booted a 42-yarder with 14:50 left in the game.

ISU threatened again in the final minutes of the contest before the Cardinals came up with one of its five quarterback sacks to stop the Sycamores at the BSU 12 to preserve the victory. Prior to the final play, Indiana State had converted on five-of-five fourth-down conversion attempts.

After forcing Ball State to punt for the fourth time in the second half, ISU began its final drive at midfield. Neading four yards for a first down at the Cardinals 25, Allen completed a five-yard pass to Charles Swann. Three plays later, the Sycamores were at the BSU 12 and needed just a yard for the first down. ISU receiver Tony Brewer was open in the end zone, but Allen was sacked before he could get the football away.

"We gave ourselves a chance to win there at the end," admitted ISU Coach Dennis Raetz. "We just came up a little short."

ILLINOIS STATE 6, INDIANA STATE 3

Oct. 5 Hancock Stadium, Normal, IL • Att. -- 13,101

NORMAL, IL -- Cameron Bair kicked field goals of 30 and 33 yards for Illinois State in the fourth quarter -- the second one coming with 0:02 left in the game -- to give the Redbirds a 6-3 college football victory over Indiana State in the Sycamores' Gateway Conference season-opener.

The two 3-pointers by Bair offset a 43-yard field goal kicked by Indiana State's Steve Krieger in the third quarter. Krieger's punting and the Sycamore defense made those yards stand up until the final 5:19 of the contest when Bair connected on his first three-pointer of the contest.

For Indiana State, it was a case of coming close in defeat for the first time in five games. In different ways, two plays affected the outcome of the game.

The Redbirds took 8:51 and drove 68 yards to get their first field goal with 5:19 to play in the game. The key play came on the third-down play that preceded the kick. Adrian Wilson attempted a pass that Clarence Miller failed to catch at the Indiana State 3-yard line. The ball appeared to bounce off Miller's chest and was apparently snared by Solomon Emerson for an interception. But the pass was ruled incomplete, setting the stage for Bair's kick.

Indiana State started its final drive on the Illinois State 18-yard line before bogging down in a fourth-and-inches situation. Quarterback Ray Allen got nearly two yards to keep the drive alive, setting the stage for the game's second key play.

Derrick Franklin, who rushed for 150 yards on the day, broke loose for an 18-yard run to give the Sycamores a seemingly-safe field position. But holding was called on the play and the football was moved back to the 22. Franklin got 12 yards back but Indiana State couldn't manage another first down. Krieger -- who had three punts downed inside the Illinois State 10-yard line -- was called on for his eighth punt with 1:20 left on the scoreboard clock.

But the win wasn't in the cards for the Sycamores as the Redbirds came up with their best drive of the afternoon, setting the stage for Bair's game-winning kick. Indiana State lost the services of outside linebacker Bryan McGrone for the remainder of the year as he suffered a broken leg late in the contest.

INDIANA STATE 16, EASTERN ILLINOIS 15

Oct. 12 Memorial Stadium, Terre Haute, IN • Att. -- 4,472

TERRE HAUTE, IN -- Former Eastern Illinois quarterback Kip Hennelly made his first collegiate start a good one.

Hennelly, who had transferred to ISU from a Chicago-area junior college, originally began his college career at EIU. Starting in place of an injured Ray Allen, Hennelly completed 10-of-17 passes for 159 yards and ran for 66 more in leading the Sycamores to a 16-15 Gateway Conference victory.

The Sycamores controlled the first half and led 9-7 at the intermission, but ISU was forced to rally after the Panthers took a 15-9 lead on their first possession of the second half. EIU drove 76 yards in 14 plays with Edson Castillo getting the score on a 1-yard dive. Eastern Illinois quarterback Jeff Thorne then passed to Martin Ellens for the two-point conversion.

Two possessions later, Indiana State put the game-winner on the scoreboard as Derrick Franklin scored from the 12. ISU defense made that lead hold up, shutting down the Panthers' offense the rest of the way.

The Sycamores used three Steve Krieger field goals to assume the early lead, the first one on a career-long 47-yarder. Eastern Illinois' lone first-half touchdown came late in the second quarter as Thorne completed a 24-yard scoring pass to Mike Rummell.

Franklin had 103 yards rushing in the game to lead both teams. EIU's Jamie Jones had 80 yards on the ground.

SW MISSOURI STATE 68, INDIANA STATE 19

Oct. 19 Plaster Complex, Springfield, MO • Att. -- 14,323
SPRINGFIELD, MO -- Quarterbacks Paul Carney and Ken Whittaker scored two touchdowns apiece as host Southwest Missouri State handed Indiana State a 68-19 Homecoming loss in a Gateway Conference matchup.

Eight Bears scored touchdowns for Southwest Missouri State, which set records for points scored in a conference game. One of the few bright spots for ISU was the running of tailback Derrick Franklin, who carried the football 40 times for 203 yards.

Indiana State, which trailed 47-0 at the half, finally got on the scoreboard midway through the third quarter as quarterback Kip Hennelly scored on a 6-yard run. ISU contributed to its own demise by turning the football over on five of its first six possessions. Backup fullback Scott Wilson and Franklin added touchdowns for the Sycamores. Amazingly, ISU led in time of possession 32:14 to 27:46.

"The first half was about as bad as any we've ever had, but we never quit playing hard," said ISU Coach Dennis Raetz. "With Southwest Missouri State's speed and skill people, they're going to score. But we certainly helped them by turning the football over enough times."

SOUTHERN ILLINOIS 30, INDIANA STATE 23

Oct. 26 Memorial Stadium, Terre Haute, IN • Att. -- 5,396
TERRE HAUTE, IN -- Yonel Jourdain scored three touchdowns, including the game-winner with 3:57 remaining in the game, to help lift Southern Illinois to a 30-23 come-from-behind win at rainy Memorial Stadium.

Jourdain's final touchdown followed a costly Indiana State turnover in the fourth quarter, wiping out a 23-22 Sycamore lead and putting a damper on ISU's Homecoming celebration in the process.

Indiana State running back Derrick Franklin had an exceptional day, rushing for 237 yards and three touchdowns, while SIU's Anthony Perry had 204 yards in 31 carries.

A key play that benefited Southern Illinois occurred when Franklin fumbled the football after gaining eight yards on a run up the middle.

"I thought my elbow hit the turf and the play was dead, but that's not the way they called it," Franklin would say afterward.

The Salukis needed just five plays to push over the game-winning touchdown, with Jourdain's 1-yard run finishing the drive. Greg Brown's subsequent two-point conversion run gave SIU the seven-point lead.

After an exchange of fumbles, Indiana State got its final opportunity with the football with 1:07 left in the game. But the Sycamores saw its rally chances fall by the wayside as the Saluki defense forced another ISU turnover.

INDIANA STATE 7, WESTERN ILLINOIS 6

Nov. 2 Memorial Stadium, Terre Haute, IN • Att. -- 3,076

TERRE HAUTE, IN -- Indiana State scored just seven points, but it was just enough to come away with a 7-6 upset win over nationally-ranked Western Illinois in a key Gateway Conference clash at Memorial Stadium.

All of the scoring, but not all of the dramatics, came in the final four minutes of the contest as both team's defensive units ruled supreme. The Sycamores came up with two pass interceptions -- one by outside linebacker Scott Foster at the goal line to thwart one WIU scoring drive and another by inside linebacker Eric Christensen sealed the win in the waning moments -- in snapping a two-game losing streak.

Sophomore quarterback Kip Hennelly scored ISU's only touchdown and junior Steve Krieger booted the all-important extra-point with 3:50 remaining in the contest. Hennelly's bootleg keeper -- helped in part by a great fake into the line by tailback Derrick Franklin -- went down the right sidelines for 22 yards and the score.

Von Ganaway had helped to set up ISU's touchdown drive with a 27-yard punt return, which put the football at the Sycamores 48-yard line.

After Hennelly's TD run, Western Illinois put together a drive of its own, going 69 yards and ending when Leatherneck running back Chuck Fox hit receiver Demeris Johnson on a 19-yard halfback pass with 1:57 left in the game.

A two-point conversion pass that probably would have won the game for WIU was tipped at the line of scrimmage by Christensen and nose tackle Dyrrah Christon. Christensen was named as the Division I-AA National "Defensive Player of the Week" for his efforts.

NORTHERN IOWA 49, INDIANA STATE 21

Nov. 9 UNI-Dome, Cedar Falls, IA • Att. -- 15,429

CEDAR FALLS, IA -- Northern Iowa junior quarterback Jay Johnson passed for 361 yards and three touchdowns and junior halfback Tank Comer netted three touchdowns as the nationally-ranked Panthers netted a 49-21 Gateway Conference victory over Indiana State.

Johnson completed 22-of-31 passes for the Panthers, while Comer picked up 113 yards in 11 carries. A 21-point second quarter proved to be too much for the Sycamores to overcome.

Indiana State was paced by the performance of sophomore quarterback Kip Hennelly and sophomore wide receiver Demetrius Dowler, who hooked up seven times for 185 yards and three touchdowns. Senior wide receiver Charles Swann caught five passes for 67 yards.

Hennelly was on target all night, netting a career-high 295 yards on 15-of-23 passes. He had a pair of 1-yard scoring tosses as well as a 65-yard bomb to Dowler.

Derrick Franklin ran for 107 yards on 31 carries as he broke the ISU single-season rushing record, which he set in 1990.

INDIANA STATE 31, WESTERN KENTUCKY 14

Nov. 16 Memorial Stadium, Terre Haute, IN • Att. -- 2,701
TERRE HAUTE, IN -- Indiana State used a 17-point third quarter in defeating Western Kentucky 31-14 in the Sycamores' season-finale at Memorial Stadium.

Senior running back Derrick Franklin rushed for 202 yards and two touchdowns, while sophomore quarterback Kip Hennelly continued his rapid development as he completed 11 of 18 passes and two touchdowns.

The Sycamores jumped out to a 24-7 lead after three quarters as Hennelly hooked up with senior receiver Charles Swann on a 32-yard scoring pass in the first quarter. Junior placekicker Steve Krieger got into the act with a 29-yard field goal, and Hennelly ended the game with a flourish as he fired a 13-yard TD pass to sophomore Demetrius Dowler in the final minute of play.

Senior inside linebacker Eric Christensen closed his collegiate career with a 17-tackle performance, while junior nose tackle Dyrrah Christon added 16 tackles. Herb Davis scored both touchdowns for the Hilltoppers with runs of 18 and 5 yards.

SYCAMORE NCAA I-AA PLAYOFF GAMES

1983 FIRST ROUND

Indiana State 16, Eastern Illinois 13 (2 OT)

Memorial Stadium (Terre Haute, IN)

Record-setting kicker Scott Bridges booted a 25-yard field goal in the second overtime to give Indiana State a hard-fought win in its first-ever NCAA I-AA playoff game.

Linebacker Quintin Mikell intercepted a Sean Payton pass in the second OT to set up Bridges' heroics. Eastern Illinois tied the game at the end of regulation with 10 fourth quarter points for a 10-10 deadlock. The teams traded field goals on their first possession, leading to Mikell's interception and the winning ISU field goal in the second OT.

1983 QUARTERFINALS

Southern Illinois 23, Indiana State 7

McAndrew Stadium (Carbondale, IL)

The Sycamores scored early with a 56-yard, six-play drive on their first possession, but the Salukis stopped ISU the rest of the way enroute to a 23-7 NCAA Quarterfinal win.

Jeff Miller threw for a four-yard pass to Don Hitz for the ISU score and the early 7-0 lead in Carbondale, then the Salukis scored 23 unanswered points limiting the Sycamores to four total first downs on the day and only 55 total yards.

Indiana State closed the season with a school record nine victories and the Salukis went on to capture the 1983 NCAA I-AA Championship with easy wins in the semifinal and final games.

1984 QUARTERFINALS

Middle Tennessee State 42, Indiana State 41 (3 OT)

Memorial Stadium (Terre Haute, IN)

Indiana State came back from a 21-point first quarter deficit and tied the game at 21 all with a two-point conversion in the fourth quarter to end regulation knotted with the Blue Raiders.

The wild NCAA quarterfinal went to three overtimes with the two teams trading TDs in the first 2 OTs and in the third, ISU went for the win after its TD and attempted a two-point conversion try that failed.

The game ended an outstanding 1984 season which saw the Sycamores as the nation's No. 1 team for much of the campaign, ending with a school record-tying 9-3 record.

MEMORIAL STADIUM

Standing at its present site since 1924, and acquired by Indiana State University in 1967, Memorial Stadium is the home of Sycamore Football. The 20,000-seat structure is located at the corner of Wabash and Brown Avenues in Terre Haute.

The stadium has been kept in excellent shape through the years and its latest addition was a \$400,000 All-Pro Turf surface installed prior to the 1989 season.

Memorial Stadium is not new to synthetic surfaces though, as the stadium and ISU claim distinction as the world's first university to own and make outdoor application of Astroturf. Following the University's acquisition of the Stadium, ISU opened the 1967 season with a 41-6 win over Eastern Illinois in the first game played on the new surface. The Astroturf at Memorial Stadium was similar to the indoor turf at the Houston Astrodome which saw the first college game ever played on the artificial surface in 1966 between Houston and Washington State.

Advantages to using synthetic surfaces include durability (some 15 college and high school football games are played on the surface each year in addition to daily ISU practices), a constant surface, and sure footing regardless of weather. The All-Pro Turf is also designed to provide more cushion and reduce injuries.

Memorial Stadium was dedicated to the public for the first time on May 5, 1925 as the local minor league baseball team, the Terre Haute Tots, played the Peoria Tractors before an estimated crowd of 9,000. Among the honored guests were Major League Baseball Commissioner Judge Kennesaw Mountain Landis and Charles Barnard of the

Cleveland Indians front office.

The first use of the playing field was in the fall of 1924 when Wiley and Garfield High Schools played their traditional Thanksgiving Day game.

Original construction of Memorial Stadium was begun in 1922 at a cost of \$450,000. Upon the University gaining control in 1967, a three-part renovation project was started which included: the re-orientation of the playing field from a north-south direction to its present east-west configuration; the installation of Astroturf; and the construction of some 4,500 bleacher seats on the north side of the field as well as the rebuilding of seats on the south side.

INDIANA STATE UNIVERSITY

Indiana State University, home of the Sycamores, is located in Terre Haute, Indiana (population 60,000), in the heart of mid-America.

During the 1992-93 academic year, ISU celebrates the 127th anniversary of its founding while continuing to prepare for the changing demands of the future.

Indiana State Normal School was established on December 20, 1965, by an act of the Indiana General Assembly. The city of Terre Haute bid \$50,000 together with the site of the Vigo County Seminary, valued at \$25,000, to have the school located in its community.

On January 6, 1870, 21 students began their studies at the Indiana State Normal School.

Following a devastating fire in 1888, which destroyed the school, the city of Terre Haute once again pledged its support. The City Council appropriated \$50,000 to rebuild the school.

Enrollment continued to increase until World War I when more than 1,000 student saw active military service. Due to the drop in enrollment, the school decided to support a plan for establishing an extension campus in Muncie to attract additional students. The new campus was a success and later became a separated institution now known as Ball State University.

In 1929, the General Assembly changed the name from Indiana State Normal School to Indiana State Teachers College in recognition of the collegiate level coursework—including a master's program—the institution was offering.

World War II greatly affected the country's colleges and universities. ISU provided military training for the Navy V-5 and V-12 programs. After the war, enrollment increased and the campus continued to grow.

During the 1950s, hundreds of courses were added to the College's curriculum, including a program leading the advanced degree in education. In 1961, the institution became Indiana State College.

The curriculum continued to expand and by 1965 the institution had developed the Schools of Education, Graduate Studies, Nursing and Business and the College of Arts and Sciences. In 1965, the governor of Indiana signed a bill changing the name of the institution to Indiana State University.

Also in 1965, the University opened a branch campus in Evansville which, in 1985, became the University of Southern Indiana.

By 1967, the University had added two more schools—Health, Physical Education, and Recreation, and Technology.

Today, ISU offers over 11,000 students more than 190 programs through the College of Arts and Sciences and the Schools of Busi-

ness; Education; Technology; Graduate Studies; Nursing; and Health, Physical Education and Recreation. ISU degrees are awarded at associate, baccalaureate, master's and doctoral levels.

THE UNIVERSITY

Rich in academic and athletic traditions, ISU anticipates the 21st century with a Master Plan designed to enhance the usefulness of existing buildings and replace those no longer cost efficient. Put into place by President Richard Landini, the Master Plan is in full swing and will continue under the direction of ISU's ninth president, John Moore, who took over the reigns on August 1, 1992.

The first new building in the \$55

million plan--Root Hall--was completed in 1989. The handsome brick and limestone structure houses classrooms and office space for several departments of the College of Arts and Sciences, including English, Humanities, Foreign Languages, Philosophy, Psychology, and Mathematics and Computer Science.

The recently completed Hulman Memorial Student Union complex

serves as the heart of campus activity. Dede Plaza with a fountain as the centerpiece sets the tone for the renovated nine-story building with its new Dede Activity Center and The Commons.

The Commons, which houses a variety of food franchises, is a main attraction on campus. Since the retail mall has an elevated seating area that can double as a stage, the union features several entertainment options for the ISU community.

Food vendors located in the union include Burger King, Taco Bell, Pizza Hut, Subway, Blondie's Cookies, Mark Pi's and Generations, a Marriott-owned sit-down restaurant. For added convenience a bank with a 24-hour teller machine and a convenience store are also housed in the union.

The original union building--built in 1940--is currently undergoing changes to become part of the University's central computing and administrative services facility. The \$78 million project involves converting the former Tirey Cafeteria into offices for admissions and financial aid. The campus computer center will be located in the building's basement, and central administrative offices will be housed in a new wing.

To link areas where major campus functions take place, Sycamore Concourse, an attractive, lighted brick walkway, has been constructed.

THIS IS TERRE HAUTE

Terre Haute is the center of the United States. Literally! More than half the population of the United States live within a 500-mile radius of Terre Haute, and the city is circled by a number of metropolitan areas. Indianapolis is only 68 miles away; Louisville, 196 miles; and Chicago, St. Louis and Cincinnati are all within 180 miles.

Terre Haute is located along the western edge of Indiana and is supplied with an efficient network of highways, which have contributed to the city's official designation as the "Crossroads of America."

A town for all seasons, Terre Haute is a community with big-city advantages, a small-town touch and a distinct personality. It can be energetic or easy-going. You can dress up for dinner and the symphony or go casual for hot dogs on the grill. Densely forested hills and urban skylines along with gracious old neighborhoods and modern suburbs truly make Terre Haute a city of contrasts.

The Terre Haute and Vigo County parks and recreational facilities offer an array of activities such as swimming, hiking, fishing, boating, golfing, tennis and even ice skating. The city's newest 18-hole professional golf course has been rated by *Golf Digest* as one of the 75 best public courses in the United States. It has played host to such tournaments as the Men's and Women's Golf Association Championships.

Terre Haute has several points of interest, including historical landmarks and museums, plus a planetarium. Of particular interest are the Children's Science and Technology Museum, the Historical Museum of the Wabash Valley and the Allen Memorial Planetarium, along with the well-known Farrington's Grove Historical District.

In addition to Indiana State, Terre Haute is home to three other higher education institutions. The Indiana Vocational Technical College is one of 22 instructional centers in the state and the Rose-Hulman Institute of Technology is one of the oldest private engineering and science colleges in the United States. Now in its second sesquicentennial, St. Mary-of-the-Woods College offers more than 25 majors including journalism, biology, marketing and gerontology. The Woods was founded by French nuns in 1840.

The history of Terre Haute, like that of any other Indiana community, can be traced through its roads, waterways, people, and natural resources. The city is built on a high bluff on the east bank of the Wabash River. The 18th-century French maps called this location "terre haute," meaning "high land."

A variety of national figures have called Terre Haute their home, among them Eugene V. Debs, early labor leader and five-time presidential candidate; Paul Dresser, composer of the Indiana state song, "On the Banks of the Wabash;" his brother, Theodore

Dreiser, who wrote "An American Tragedy" and other early 20th-century novels; poet Max Ehrmann, best known for his work "Desiderata;" Edward James Royce, who became the fifth president of Liberia; and actor-musician Scatman Crothers. Tony Hulman, Jr., had a powerful impact on the Terre Haute community. Hulman, who owned and operated the Indianapolis Motor Speedway, became famous for the words, "Gentleman, start your engines," which opens the race each May.

Terre Haute has also seen its share of quality athletes and coaches, including basketball's Larry Bird, John Wooden, Clyde Lovellette and Bobby Leonard; baseball's "Three-Fingered" Mordacai Brown, Tommy John and Dizzy Trout; and Olympians Greg Bell (track), Kurt Thomas (gymnastics), and Bruce Baumgartner (wrestling).

ISU ATHLETIC TRADITION

The ISU Athletic Tradition is rich and full of spectacular moments from John Wooden's great basketball teams of the late 1940s to Bruce Baumgartner's Olympic wrestling heroics of the 1980s, and don't forget Larry Bird! These three names along with hundreds of others have helped form the memorable tradition of Sycamore Athletics.

The origins of the athletic department at ISU can be traced back to the turn of the century when the school was called Indiana State Normal School. Arthur Westphal (1912-17) and Birch E. Bayh (1917-23) have been given the majority of credit for establish-

ing the administrative framework for athletic programs at ISU to emerge competitively on the intercollegiate level. Arthur Strum was appointed head of the Men's Physical Training Department as well as "Coach" and Director of Athletics in 1923. His charge was to establish intercollegiate teams in football, basketball, baseball, and track. Men's tennis, golf and a women's varsity basketball program were introduced at this time as well.

From these modest beginnings, the athletic program has grown to what we know it as today—an NCAA Division I program offering programs in men's and women's basketball, football, baseball, softball, volleyball, men's and women's tennis, men's and women's cross country, and men's and women's indoor/outdoor track and field.

The success of

the ISU programs has been consistent, but perhaps the most memorable time period came about in the late 1970s and early 1980s when Sycamore athletics clearly reached its zenith. 1979 will always be a year talked about in Sycamore athletic lore. But that year offered more than Larry Bird's march to the Final Four and eventual runner-up finish in the NCAA basketball tournament. The Sycamores also boasted the leading hitter in Division I baseball, in Wally Johnson. The Sycamore football team posted an 8-3 record, and Kurt Thomas was ranked No. 1 in the world among male gymnasts. The early 1980s brought about heavyweight Bruce Baumgartner's reign as the No. 1 heavyweight wrestler in the country. The women's basketball team boasted the high-scoring efforts of Barbara Graves, later a finalist for the Harlem Globetrotters. Benita Edds made the U.S. Olympic Archery team during this era.

The Sycamore baseball program was also churning out pro prospects like Zane Smith, Dick Grapenthin, Bill Hayes, Tim Barrett, Brian Dorsett, and Greg Baker. The football program continued its success with back-to-back 9-4 and 9-3 seasons, consecutive trips to the NCAA Division I-AA playoffs, and a No. 1 regular season ranking in 1984.

The tradition is rich and deep-rooted as the Sycamores roll toward the 21st century.
