TRANSFERS

FACTS:

PSA is a 2-4 transfer signing with your institution. She will not graduate from the two-year college but was a Qualifier.

QUESTION:

Does the PSA have to graduate from the two-year college for the NLI to remain binding?

TRANSFERS

ANSWER:

The PSA would need to graduate from a two-year college under two circumstances:

- If the PSA has to graduate to fulfill NCAA 2-4 transfer requirements.
- If the PSA has a previously signed NLI that is still binding. In this case, the previous NLI is declared null and void if the PSA graduates from the two-year college.
