WHY MASTODONS?

It all started about 10,000 years ago...

That's when mastodons roamed the southern Great Lakes region of North America. These stocky versions of modern elephants reached heights of about ten feet at the shoulder, with tusks that curved upward that were six feet or more in length. Mastodons were browsers who fed mostly on leaves and twigs from small trees and shrubs. One such mastodon found its final resting place about two miles south of Angola, Indiana, on land that would eventually become part of Orsie Routsong's farm. In the fall of 1968, Routsong decided to expand a small pond on his property. An excavator was hired and instructed to pile the excavated material around the edge of the pond. Several days after the excavation was finished a heavy rain storm pounded the piles of dirt.

The next day, a young neighbor boy of Routsong's discovered a large bone in one of the dirt piles. Routsong knew it was something out of the ordinary, so he called Jack Sunderman, chair of the Geology Department, to identify the bone, and to ask for advice on what to do with it. Sunderman says his first question was, "How big is the bone?" with Routsong's answer being "pretty big, maybe 3 or 4 feet long."

When Sunderman got to the farm, he identified the bone as a leg bone of a mastodon. He told Routsong a skeleton like this would have scientific and instructional value if a large portion of it could be located. Routsong agreed, and also agreed to have the Geology Department do the excavation. Sunderman got two more faculty members, Geoffrey Matthews and Bernd Erdtmann, and several geology students to help in the project.

After all the mastodon bones were collected, cleaned and preserved, Routsong agreed to have the adult mastodon skeleton placed on permanent display at Purdue Fort Wayne; the skull of a nearby baby mastodon is now on loan to Science Central.

In the spring of 1970, The Communicator (student newspaper) began a drive to come up with a mascot for Purdue Fort Wayne (then IPFW). Some of the suggested choices included the Boiler-Hoosiers, Warhawks, Marauders, Frontiersmen, Pioneers, Elves and Hobbits. Those names and others came from student suggestions. Steve Pettyjohn, who served as the student body president in 1968-69, wrote a letter to the editor about the school mascot. In his letter, Pettyjohn extolled the virtues of choosing the mastodon as IPFW's mascot: "It sounds different, strange - that's exactly why. It's different and yes, even strange. For God's Sakes, let's have the courage to be a little different."

In the meantime, former Indiana Congressman Mark Souder, who served as student body president in 1969-70, recalls being lobbied by the Geology Club to choose the mastodon.

According to Nusbaumer, "Souder appointed a committee in student government to select a name although he was lobbying hard for the mastodon." After some discussion on the subject, Souder says a vote was taken by the committee and the mastodon came out the winner. Souder finished his recollection with these thoughts. "History shows that the advocacy of the geology club was correct. The fast, decisive action of the elected student government—though it did not please everyone and was not a precedent that the University desired to see—has also been upheld by history as Purdue Fort Wayne regularly scores high in any list of unique university nicknames; even in this era when everybody strives to be different. We did it decades ago."

PURDUE FORT WAYNE REFERENCES

As a part of university changes on July 1, 2018, we respectfully ask to refer to any athletic-related subjects as "Purdue Fort Wayne" or the "Purdue Fort Wayne Mastodons." PLEASE DO NOT IN ANY CONTEXT refer to any team as "IPFW" or "Indiana University - Purdue University Fort Wayne" as it no longer exists. Please DO NOT use "Lady 'Dons" when referring to women's teams. Although we are officially the Mastodons, using 'Dons on second reference is also acceptable.

FAST FACTS FOR THE WEEK

3-POINT THREATS

Through one game, the Mastodons have the best 3-point shooting percentage (.333) in the Horizon League.

TURN... TURN... TURN!

The Mastodons have the best turnover margin (20.0) in the Horizon League.

LET'S TALK GOSHEN

In Purdue Fort Wayne's win over Goshen, Amellia Bromenschenkel had a career-high 22 points on 9-of-14 shooting. She also had a team-high six rebounds. Three other Mastodons scored in double figures: Destinee Marshall (11), Shayla Sellers (10) and Audra Emmerson (10).

SELLERS THE ALL-LEAGUE PLAYER

Shayla Sellers earned All-Horizon League Third Team honors last season. She was the first Mastodon to be named to an All-League team since 2014-15. This regular season, Sellers averaged 10.6 points and 4.9 rebounds per game while shooting 40.2 percent from the floor, 36.7 percent from 3-point range and 88.6 percent from the charity stripe. She scored in double-figures in nine Horizon League games, which included a career-high 25 points at UIC.

ALL-FRESHMAN OTT

Ryin Ott was named to the Horizon League's All-Freshman team last season after being named Freshman of the Week twice. Ott averaged 8.4 points and 3.5 rebounds per game while shooting 39.8 percent from the floor, 31.3 percent from beyond the arc and 80.0 percent from the free throw line. She was the first Mastodon to be named to an All-Freshman/Newcomer team since her sister Riley was named to the Summit League All-Newcomer Team in 2019-20.

FREE FOR A REASON

Purdue Fort Wayne's season free throw percentage of 81.9 percent in 2021-22 was the second-best in the country. Only Iowa finished with a better free throw shooting percentage. This was also the best free throw percentage in program history.

I KNOW THEM!

Three Mastodons played in all 28 games last season: Aubrey Stupp, Amellia Bromenschenkel and Audra Emmerson.

DONATING TO CHARITY

Purdue Fort Wayne was a perfect 10-of-10 from the charity stripe against Detroit Mercy on February 17, 2022. The Mastodons have had eight other games in program history where they have made at least 10 free throws without a miss. The 2022 Mastodons join this elite group.

COACHING STAFF

Lauren Macer was hired as an assistant coach under head coach Maria Marchesano on April 30, 2021.

Macer came to Purdue Fort Wayne from Division II Notre Dame College in Cleveland, Ohio where she served as the head coach for the Falcons. She was the head coach at Notre Dame from 2017-2021, taking over a team that went 15-13 in 2016-17 and leading the Falcons to a 78-32 (.709) record over four seasons. In 2020, Macer led her squad to the NCAA Division II Tournament before it was canceled due to the COVID-19 pandemic. Macer was named the Mountain East Conference Coach of the Year in 2020. Notre Dame won the MEC regular season and tournament titles in 2020 and made the conference tournament championship in 2018. This past season, Macer led the Falcons to a 14-4 record.

Prior to being named the head coach at Notre Dame, she played for the Falcons, where she was a 1,000-point scorer. After finishing her career as the best free throw shooter in program history, she joined the staff as a volunteer assistant, then transitioned to graduate assistant, and was promoted to assistant coach for the 2016-17 season.

Steven Asher was hired as an assistant coach under head coach Maria Marchesano on April 30, 2021.

Prior to coming to Purdue Fort Wayne, Asher was fresh off a Women's National Invitational Tournament championship with Division I Rice University. In Asher's one season with the Owls, he helped lead the team to a 23-4, 12-2 Conference USA record. The Owls defeated Arizona State, Fresno State, California Baptist, Delaware and Ole Miss in their road to the WNIT championship.

Prior to his time at Rice, Asher spent four years as an assistant coach for the men's basketball program at NCAA Division II Catawba College. Asher and the Indians advanced to the NCAA Tournament in both 2019 and 2020 while winning the South Atlantic Conference in 2020. He also helped lead NCAA Division III Lycoming College to an NCAA Tournament appearance and conference title in 2016. Asher was a member of the University of Maryland's men's basketball staff for three years, two as a graduate assistant and one as an intern. While with Maryland, the Terrapins advanced to the semifinal of the Big Ten Tournament and the Round of 32 in the 2015 NCAA Tournament.

Jazmyne Geist was hired as a graduate assistant coach under head coach Maria Marchesano on April 30, 2021. She was promoted to a full-time assistant role prior to the 2022-23 season.

She returned to Fort Wayne after spending four seasons as a player at fellow Horizon League member Northern Kentucky. A Homestead High School graduate, Geist was a role player on her first two Norse teams before having her career cut short with injuries. At Homestead, Geist led the team to an IHSAA Class 4A state title as a senior. She made the state semifinals in each of her three years on varsity.

Quincy Cunningham was named the graduate assistant coach for the Purdue Fort Wayne women's basketball team on June 27, 2022.

Cunningham spent the 2021-22 season as a Player Development Assistant for the University of Maryland women's basketball program. While Cunningham was working with Maryland, the Terrapins went 23-9 and went to the Sweet 16. The Terps also had five wins over AP Top 25 teams. Cunningham assisted in individual player and team on-court workouts, served as a practice player, and assisted in film breakdowns. Maryland spent the entire season in the AP Top 25, climbing as high as No. 2.
