## Head Coach Andrew Tank

The Iowa State men's golf program has made a resurgence on the national scene in head coach Andrew Tank's tenure with the Cyclones.

Under Tank's tutelage, the Cyclones have had a team or an individual qualify for NCAA Regional competition in the last five seasons (Team- 2012, 2014, 2015; Individual- 2013, 2016).

Since Tank began his tenure at Iowa State in 2010, the Cyclones have won four tournament titles, finished runner-up 12 times, had 11 individual medalists and produced five All-Big 12 performers a total of eight times.

Tank has also coached three of the top players in school history in Nate McCoy, Scott Fernandez and Nick Voke. Both McCoy and Fernandez earned All-America honors and were recipients of Iowa State's Male Athlete of the Year award. Voke has earned all-tournament honors at the Big 12 Championship a school-record three times.

In his fourth season as the Cyclone mentor in 2013-14, the Cyclones posted one of their best seasons in school history. Five runner-up finishes, an appearance in the national rankings and a fourth-place finish at the Big 12 Championship, the school's best finish at the Big 12 meet since 1997, highlighted the regular season.

Tank and his Cyclones then put an exclamation mark on the outstanding 2013-14 campaign by earning a spot in the NCAA Championship, ISU's first appearance at the national tournament since 1953. The Cyclones made it to the Big Dance by tying for fourth at the NCAA Columbia Regional behind a school-record 270 in the final round.

McCoy and Fernandez have earned All-American honors and All-Big 12 First Team selections under Tank's watch. In 2012, McCoy became the first Cyclone individual to qualify for the NCAA Championship since 1980. Fernandez ended his career as one of the most decorated golfers in school history, earning Ping Second-Team All-America honors (2013) and a spot on European's Palmer Cup squad (2013).

In the last five seasons, Tank has coached two All-Americans (McCoy, Fernandez) and five players who have earned All-Big 12 recognition (McCoy, Fernandez, Sam Daley, Voke, Ruben Sondjaja). Daley was the runner-up medalist at the 2014 Big 12 Championship, the best finish by a Cyclone in a conference meet since 1953. Voke was named to the All-Big 12 team in 2016 and became just the 11th player in Big 12 history to place in the top-10 at the Big 12 Championship three times.

Tank prepped at Dowling High School in West Des Moines, helping the Maroons to four state tournament appearances, including two Class 4A state titles in 1994 and 1995. A former Des Moines City Junior champion, Tank has played in numerous amateur events and American Junior Golf Association (AJGA) tournaments.

### Assistant Coach Chad Keohane

Chad Keohane enters his third season as an assistant coach for the men's golf program.

The Cyclones qualified for an NCAA Regional as a team in 2015 and had an individual (Nick Voke) secure a postseason berth in 2016.

In his first season in 2014-15, the Cyclones ended the year ranked in the nation's top-40, placed fourth at the Big 12 Championship, tying for their second-best finish in school history, and advanced to NCAA Regional competition.

In Keohane's first two seasons, a pair of Cyclones- Scott Fernandez and Voke -- were All-Big 12 selections and combined for five tournament titles. He's also helped the Cyclones win three tournaments, including a victory at the 2016 Desert Shootout where ISU shattered its 54-hole school record with an 823.

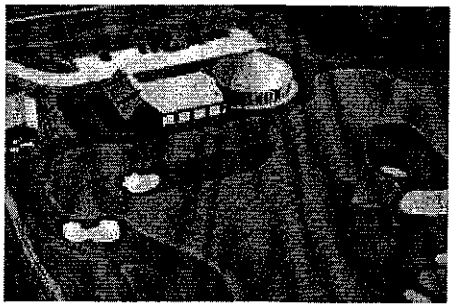

Keohane graduated from the University of Texas El Paso in 2009 where he was a member of the golf team. He was a Second Team All-C-USA pick in 2006.

## Cyclone Golf Performance Center

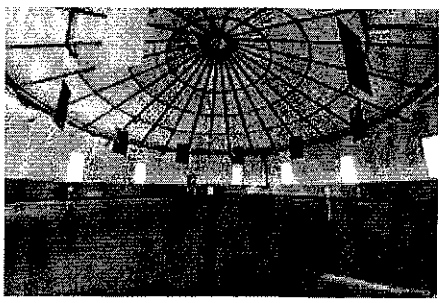

The Cyclone Golf Performance Center has been home to Iowa State men's and women's golf since 2013. The facility is one of the finest of its kind nationally, sitting on 16 acres just three miles from campus. It was designed by world-renowned architect Keith Foster, who has also provided renovations to Augusta National, Southern Hills Country Club and Colonial Country Club.

**Indoor Features:** 400-square foot short game area, four hitting bays heated for year round use, simulator with video analysis and other learning technology, locker room and club repair area, lounge, kitchen and study area.

**Outdoor Features:** Practice range (780 yards long and 200 yards wide), 360-degree tee stations for all wind directions, two fairways and multiple bunkers with different types of sand, 11 different green complexes inspired by five different architects, wedge area with three target greens.
