SAFETY IS A TEAM EFFORT

Every person has a unique perspective of the COVID-19 pandemic. Some are fearless, others are cautious.

Our measures will be too restrictive for some and too lenient for others. All we ask is that you respect others, follow our guidelines and support the Cyclones.

We have initiated these measures for the basketball seasons to mitigate risks for our fans, but it's still critically important for everyone to individually do their part to fight the pandemic and keep everyone attending the games safe:

- ▶ Practice physical distancing when possible.
- ▶ Perform thorough hand hygiene.
- ▶ Wear a face covering *(must cover nose and mouth)* at all times.
- ▶ Exhibit patience and understanding as we implement these mitigation strategies to keep you safe.

Lastly, this information is subject to revision as circumstances change. We will continue to offer updates as needed.

Thanks for your cooperation, and Go Cyclones!
