

**STATEMENT FROM IU VICE PRESIDENT AND DIRECTOR OF
INTERCOLLEGIATE ATHLETICS SCOTT DOLSON**

“Throughout this process the health and safety of our students, coaches, staff and fans has been our number one priority, and I want to thank Commissioner Warren for his leadership as we navigate these unprecedented and challenging times. I also appreciate the tremendous support and patience that our fans continue to display as we map out the best path to be able to move forward safely. Along with my fellow Big Ten athletic directors, we know that there remain many questions that still need to be answered, and we will work toward finding those answers in the coming weeks.”
