Head Coach **Scott Williams** enters his eighth season at the helm of the IUPUI men and women's cross country programs. While at IUPUI, Williams' has raised the bar for both programs athletically, academically and within the community.

In his seven years with the IUPUI program, Williams has seen both his men's and women's squad be named All-Academic Teams. In 2005, his women's team was honored by the Women's Intercollegiate Cross Country Coaches Association (WICCCA) as an All-Academic Team 'with distinction'. It marked the sixth straight season his women's team had been recognized.

Athletically, in building his teams around marquee talent from the state of Indiana, Williams has coached six All Mid-Continent Conference student-athletes. In 2004, he guided the men's team to a second-place finish at the Mid-Con meet, while he was at the helm in 2000 when the women ran to a third-place finish.

Williams has been instrumental in developing IUPUI's premier running talent, including former women's standout Lyndsey Emerson and current men's star Brad Wheeler. Under Williams, Emerson ran her way to Mid-Con Newcomer of the Year honors and four straight All-Conference berths. She still holds the school records in both the 5K (18:05) and 6K (22:14.80).

Wheeler has improved by leaps and bounds since signing with the Jaguars, earning three First Team All-Conference appearances. In two seasons, Wheeler has already established school records in the 8K (25:08.47) and 10K (32:00.0). During the non-traditional track season, Wheeler has also emerged as a potent runner at both the 5,000m and 10,000m runs. Williams also helped mold three-time All-Conference runner Brandon Cole and has built the men's program into a perennial Summit League contender.

Williams also teaches full-time at Ben Davis High School on the West side of Indianapolis. He spent nine years coaching cross country and six years as an assistant coach in track at BDHS before joining the IUPUI staff.

While at Ben Davis, Williams was named the 1995 Indiana Association of Track and Cross Country Coaches 'Coach of the Year' and the 1997 National Federation Coach of the Year.

He was nominated for the IATCCC State Coach of the Year seven different times.

Over his nine seasons, Williams coached a state championship team (1995) a state runner-up (1996) and five teams that finished in the Top 10. In 1996, his team featured the top two runners at the state meet, while his 1991 squad boasted the individual state runner-up. He coached 14 all-state athletes in cross country and 9 all-staters in track including the '98 state 3200m champion.

In 1984, Williams was the state cross country champion, while winning the 1600m in 1985 at Ben Davis. He was named an All-American coming out of high school before joining the Hoosiers.

While at IU, Williams was a four-time NCAA Meet Qualifier and a six-time All-Big Ten selection in track and cross country. In 1987, Williams was the Big Ten Cross Country Champion and an NCAA All-American.

The next year, Williams qualified for the Olympic Trials in the 5000m.

He earned his B.S. in Education from Indiana in 1990, and his M.S. in Education from IUPUI in 1998.

In 1991, he was named to the State of Indiana Track and Cross Country Hall of Fame.

VICKERY-SWALLEY

Experience: 3rd season
Alma Mater: IUPUI, '05

Former IUPUI runner **Erin Vickery-Swalley** enters her third season assisting with both the men's and women's cross country programs. The four-year letterwinner ranks among the most consistent runners in Jaguars' history.

During her four seasons, Swalley ran in 28 events and emerged as IUPUI's No. 2 runner her senior season. She was a three-time Academic All Mid-Continent Conference selection and the Jags were honored as an All-Academic Team by the WICCCA all four of her years.

As a senior, she was recognized among IUPUI's Top 100 students. She was listed on the Academic Advisor's List all eight semesters during her athletic career.

She has continued to grow as a runner since her graduation, placing 193rd of nearly 30,000 entries at this past year's OneAmerica 500 Festival Mini-Marathon. She turned in a time of 1:24:10, running a 6:26 mile pace. She was the 12th female, of over 15,000, to cross the finish line and was the fourth fastest from the Hoosier State.

On the course, she ran a career-best 18:55 5K at the Bradley Invitational, marking the 14th fastest time in school history. She capped her career with a career-best 23:17.4 6K at the NCAA Great Lakes Regional on Nov. 13, 2004. That time was the 13th fastest 6K in IUPUI history.

AGNEW

Experience: 7th season
Alma Mater: IUPUI, '01

Assistant Coach **Julien Agnew** enters his eleventh season of involvement with the IUPUI cross country program. He was a member of the inaugural IUPUI squad in 1997-98, and was one of the Metros top two runners in every meet that season.

He was a member of two teams that earned Academic All-America honors. He was named Academic All-Conference two times in his career as well.

Prior to coming to IUPUI, Agnew starred in both track and cross country at Arsenal Tech High School in Indianapolis. He was awarded honorable mention Academic All-State as a senior and helped Tech to city championship as a sophomore on the track.

Agnew has worked in the Compliance Office for IUPUI, serving as an Academic Advisor and helped oversee the Student-Athlete Mentoring Program. He received his B.A. in Economics and his M.S. in Education (Student Affairs Administration). He later attended law school on the IUPUI campus while completing an internship with the NCAA in membership services.

IUPUI CROSS COUNTRY • 2007

IUPUI Athletics History

The birth of the intercollegiate athletics program at IUPUI occurred January 14, 1971, when the Faculty Council approved a recommendation from its Athletics Affairs Committee that "IUPUI engage in intercollegiate sports and become a regular member of the NCAA as soon as possible."

In making its recommendations, the committee said it felt that "intercollegiate sports were necessary to complete the University's relationship to the community at large and to its alumni." The committee went on to say that it felt that an intercollegiate program would be "a positive morale factor for students and would help develop an identification with the institution."

The IUPUI intercollegiate athletics program officially began competition during the 1972-73 academic year with the introduction of men's basketball as the university's first varsity sport. The men's program expanded during the 1974-75 season with the addition of golf and tennis to varsity status, and then again in the 1987-88 academic year when soccer gained varsity status. Baseball replaced golf as a varsity sport during the 1979-80 campaign. Men's golf was reintroduced to the intercollegiate lineup in 1994-95.

Intercollegiate athletics at IUPUI expanded to include women's sports in 1975-76, with the introduction of basketball, softball and volleyball as varsity sports. Women's tennis was added in 1989-90.

IUPUI received national acclaim in the sports world in 1987 when the Pan American Games were hosted in Indianapolis and on the downtown campus. With the hosting of the event, world class facilities for swimming, track, soccer and softball were built across the south end of campus.

With the addition of men's and women's cross country and women's swimming and diving in the fall of 1997, the IUPUI intercollegiate athletic program was represented by 12 intercollegiate teams that completed at the NCAA Division II level.

In the beginning, the intercollegiate program was unaffiliated except for an associate membership in the NCAA. In 1978, IUPUI joined the National Association of Intercollegiate Athletics (NAIA), and in January of 1993, the institution's application for membership in Division II of the NCAA was approved.

While affiliated with the NAIA, IUPUI teams won 32 state and regional championships. IUPUI reached the Sweet Sixteen in men's basketball (1989-90), the Final Four in women's basketball (1990-91) and finished second nationally in women's volleyball (1991-92). Beginning in 1983, the IUPUI softball team made nine consecutive appearances in the NAIA National Tournament, finishing as high as third on three occasions.

Intercollegiate athletics at IUPUI made its way to the National Collegiate Athletic Association Division I level as the Trustees of Indiana University approved the move at their Oct. 30, 1997 meeting in New Albany. That opened the door for IUPUI to join a new level of competition in the NCAA.

IUPUI then was admitted into the Summit League (formerly Mid-Continent

Conference), announced Nov. 11, 1997 at a press conference on the campus of IUPUI. Upon entrance to the Mid-Con, IUPUI was involved in scheduling and competition for championships beginning in the 1998-99 academic year. The addition of men's swimming and diving and women's soccer in the fall of 1998 brought IUPUI's total to 14 sports. The total was bumped to 15 on Oct. 20, 1999, when the university announced that women's golf would become a varsity sport starting in 2000. The total dropped back to 14 when the university announced on May 18, 2001, the discontinuation of the baseball program.

IUPUI has enjoyed considerable success in its first nine years as a Division I school, not only athletically, but academically.

The Jaguars have earned NCAA Tournament bids in men's soccer, men's golf, men's basketball and women's tennis as well as Mid-Con Championships in volleyball and men's tennis. IUPUI student-athletes have been recognized as Mid-Con Athletes of the Year nine times, with coaches earning numerous Coach of the Year honors.

IUPUI's athletic teams have also excelled in the classroom. The women's tennis team has been chosen as an All-Academic Team by the Intercollegiate Tennis Association for four consecutive years. The men's cross country team has been recognized by the United States Cross Country Coaches Association as Academic All-American the past four seasons, while the women's team earned the same honor from the Women's Intercollegiate Cross Country Coaches Association six times. In 2001-02, the women's basketball team was selected by the Women's Basketball Coaches Association to its Top 25 Honor Roll. In the fall of 2002, the athletic department as a whole was honored by The USA Today and the NCAA for having the highest improvement in graduation rate in the country for its category. In 2003, The USA Today and NCAA recognized IUPUI again - this time for graduating more than the previously counted cohort.

Individually, IUPUI has had two student-athletes earn First Team Academic All-America honors, while making a percent of ranking among the conference leaders in academic honorees.

IUPUI has also established a pattern of commitment to serving their community. The Jaguars have averaged over nearly 1,100 hours of community service the past four years, taking part in youth clinics, hosting a Canned Food Drive and Adopt-A-Family programs and participating in several charity walk-a-thons.

IUPUI Athletics began with a men's basketball team in 1972. It has since grown into a 14-sport NCAA Division I program that competes in The Summit League.

Brent Musburger (above) and then Chancellor Gerald Bepko chat in the CBS Studios as Indianapolis and the IUPUI campus was the site for the 1987 Pan Am Games.

Former women's basketball player Tiffany Kyser (below) was named First Team Academic All-America and was a finalist for the 2003 NCAA Woman of the Year Award.

Volleyball standout Devika Bellamy took time to pose for a picture in downtown Indianapolis. The IUPUI campus is just west of downtown, a moving city of over 1.5 million in the metropolitan area.

The Summit League

Now in its 26th year as an NCAA Division I athletics conference, The Summit League is in its first year under that name. In May 2007, the Presidents Council embraced the Summit Plan, a strategic plan that places a renewed emphasis on improving the academic and athletic performances of all its student-athletes. Included in the plan was the creation of a new image of the conference and the unveiling of a new name. The Summit League is the third name the conference has held as an NCAA sanctioned league.

The Summit League's current member schools are Centenary College of Louisiana, IPFW (Indiana University-Purdue University-Fort Wayne), IUPUI (Indiana University-Purdue University Indianapolis), UMKC (University of Missouri-Kansas City), North Dakota State University, Oakland University, Oral Roberts University, South Dakota State University, Southern Utah University and Western Illinois University. The member schools pride themselves on providing quality athletic, academic and social experiences for their student-athletes.

The Summit League sponsors 19 championship sports, which include: baseball, men's and women's basketball, men's and women's cross country, men's and women's golf, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's indoor track & field, men's and women's outdoor track & field, men's and women's tennis, and volleyball.

Jaguars Athletics Club

The Jaguars Athletics Club's primary purpose is to raise scholarship funds to build, support and maintain a competitive first-class Division I athletics program for student-athletes in 14 intercollegiate sports (men's basketball, tennis, soccer, cross country, swimming and diving and golf, and women's basketball, tennis, soccer, cross country, swimming and diving, golf, softball and volleyball).

Supporting intercollegiate athletics invests in our future by providing scholarship aid to student-athletes. In addition, intercollegiate athletics offers the student-athlete an opportunity to develop leadership, discipline and initiative, while pursuing academic goals.

Over the course of a year, the JAC hosts numerous special events to help spur on the effort. The events allow IUPUI student-athletes, coaches and administrators the opportunity to foster positive relationships with influential members of the Indianapolis-community. The events also help build a connection with IUPUI alumni and current student-athletes.

The annual Basketball Tipoff Luncheon (above) attracts hundreds of IUPUI basketball fans and is held at the University Place Hotel ballroom. Fans get the opportunity to meet members of the men's and women's teams, while getting a season preview from head coaches Ron Hunter and Shann Hart.

The Senior Student-Athlete Brunch was created to honor IUPUI's graduating class, while giving each of the coaches the opportunity to honor the individual student-athletes. The event, created in 2003, has since blossomed into one of the favorite events among the department. ATHLETICS CLUB

■ Michael A. Carroll Golf Outing

It is difficult to overstate the importance of the late Michael A. Carroll to the birth and development of the athletics program at IUPUI. For more than a decade, he was its number one advocate, fund-raiser and cheerleader. In 1981, he organized what is now the Jaguars Athletics Club. A year later, he coordinated the IUPUI fund raising golf outing that now bears his name. Until his untimely death in a 1992 mid-air plane crash, this former Lilly Endowment executive nurtured, nudged and lassoed many Indianapolis business leaders to share his vision for a "big league" collegiate athletics program at IUPUI.

Although he carried other enormous responsibilities in a civic and political career that spanned 25 years, IUPUI's growth seemed to be Mike's most enthusiastic avocation. IUPUI's evolution into NCAA Division I status would have left him beaming. However, he would have been the first to remind us that IUPUI is still a masterpiece in progress, never a finished work of art.

■ Basketball Tipoff Luncheon

The drive to the men's and women's basketball NCAA tournament begins with the tipoff luncheon. This is your chance to meet the men's and women's basketball teams and hear a preview of the upcoming season from head coaches Ron Hunter and Shann Hart. Widely known as one of the department's marquee events, the day typically features cutting edge multimedia in an intimate atmosphere, leaving the audience asking for more.

■ Athletics Auction

The auction is an exciting event, but the underlying message is serious - IUPUI's successful athletics program needs your support. The kickoff party will jump start the auction experience, providing an opportunity for alumni, family and friends to take part in an event to help support our outstanding student-athletes.

■ Jaguars Jaunt

The goal of the IUPUI Athletics Department is to provide students with the opportunity to compete in athletics while at the same time, earn a degree from one of the top two academic programs in the country. One way to provide such opportunities is through this new fall event to raise funds for women's scholarships. With more scholarship dollars, more female students will have a chance at a higher education. By participating in the walk, you are giving a gift that will make a huge impact to the overall athletics program.

■ Senior Student-Athlete Brunch

The mission of the Senior Brunch is simple - to celebrate the distinguished playing careers of IUPUI's graduating student-athletes. In its fourth year of existence, the Senior Brunch also marks the day when the end-of-year major awards are given out, while allowing all 11 IUPUI head coaches the opportunity to speak about their respective senior classes.

Community Role Models

"As an urban campus located in the heart of Indiana's capital city and accessible to the largest range of students, IUPUI's core mission is providing quality educational opportunities," IUPUI Chancellor Charles Bantz said. "IUPUI will continue to enhance the resources of the city and region through teaching and learning, research and scholarship and civic engagement."

IUPUI earned the Mid-Continent Conference Sportsmanship Award in 2001, judged by its peers to be best in the league in demonstrating the ideals of sportsmanship.

IUPUI's student-athletes and coaches take responsibility to the community and academics as seriously as their commitment to their team. IUPUI men's basketball coach Ron Hunter was honored by the Black Coaches Association for "Images in Excellence", while the IUPUI softball, soccer, volleyball and cross country teams are easily among the most active community role models in the Central Indiana-area.

The IUPUI Athletics Department as a whole has been recognized by the NCAA and *The USA Today* twice in the past eight years for academic prowess.

As a group, IUPUI coaches, student-athletes and administrators put in nearly 1,800 hours during the 2006-07 year in community service activities. Since 2003, the department has averaged over 1,300 hours of community service activities per year. Student-athletes and coaches participated in clinics, speaking engagements and awareness programs, to name a few. Below is a listing of various activities in which the Jaguars have participated in the past few years:
