### Game Preview

After dropping their first two contests of the season on the road, Jacksonville returns home to Swisher Gymnasium for the first of four straight at home. The Dolphins will look to get their offense rolling in the friendly confines of Swisher, as they have struggled in the early going from beyond the arc and from the free throw line, shooting 17.6% and 45.6% respectively.

Freshman Ashley Malone has led the way offensively along with newcomer DeShari Graham and senior Alexis Pierce. Combined, the trio are responsible for 64% of the 'Phins' scoring output and all rank in the top 15 of the ASUN in scoring average. Jada Perry leads the way in the early going on the glass in the ASUN, averaging 7.5 per game and is followed closely by Graham's 7.0 RPG, a mark which is tied for third in the ASUN.

Last season, the Dolphins hosted FIU and picked up a 77-52 victory. Perry had one of her best rebounding games of the season, pulling down a game-high 12 while chipping in six points.

## LAST TIME OUT

Saturday the Dolphins took on American Conference Preseason #1 USF at the Yuengling Center. JU battled for 40 minutes but the depth available for USF was too much for Jacksonville to overcome. Jada Perry was the high scorer for the day, recording her 10th career game with at least with 10 points, while DeShari Graham had a team-best six boards. Shekinah Rachel had a career day with nine points, including a pair of triples, while Ashley Malone followed up her big debut Wednesday with seven points in her first collegiate start.

## WELCOME TO COLLEGE HOOPS

Freshman guard Ashley Malone made her prescence felt in Wednesday's opener at Miami. In just 19 minutes off the bench, Malone posted some career numbers with 17 points on 6-13 shooting, including two of the team's three baskets from deep. Her 17 points are believed to be the second-most scored by a freshman in their JU debut in program history, joining Sherranda Reddick (26 points, 11/8/13 at Florida A&M) on a very exclusive list.

## JADA PERRY

Fresh off being named to the ASUN All-Conference Preseason team, Perry is poised for a big season. After a quiet day in the season opener at Miami (FL), she posted her first 10-point game of the season and pulled down five rebounds. Through two games, she is tied for the ASUN lead with 7.5 per game while also averaging 7.5 points per game.

## JUCO BUILT

Jacksonville welcomes a pair of newcomers by way of the Junior College Circuit to Duval this season. DeShari Graham joins the Pod by way of St. Petersburg College, where she averaged 13.4 PPG in two seasons. After a 14 and 8 day at Miami, she had seven points and six rebounds Saturday against USF. One of the main contributors on offense so far, Graham is averaging 10.5 PPG.

Shanese Miller comes to JU after spending two seasons at ASA College Brooklyn and is still waiting to make her Dolphin debut. As a sophomore, Miller scored 12.7 PPG and reigned in 7.1 RPG. She turned in a season-best 20 point effort against Cecil College and also had a huge 15 rebound game against Five Towns College. She scored in double-figures 14 times and recorded four double-doubles last season.

## GREEN LIGHT

It wasn't quite an 11th-hour decision, but on November 20 it was announced that Hawai'i transfer MaKayla Edwards had been granted an immediate eligibility waiver by the NCAA and will be able to suit up for the Dolphins this season. The California product appeared in 17 games last season for the Hawai'i, and averaged 1.6 PPG and 1.2 RPG while posting a pair of eight-point performances. She started her first game in a JU uniform Wednesday at Miami and scored four points to go with three rebounds.

## #RELENTLESS

More than just a motto for the Dolphins, #RELENTLESS describes the intensity and effort on the floor. In Wednesday's game against Miami, JU forced 18 Hurricane turnovers, including 10 steals. Last season, JU ranked in the top five of the ASUN in opponent points allowed per game, opponent field goal percentage and opponent three-point field goal percentage, while ranking near the top of the ASUN in several offensive categories, including a league-best 40.8 rebounds per game.

## 2019-20 RECAP

The 2019-20 Dolphins posted an 18-12 record overall and a 10-6 mark in the second season of the Darnell Haney era and made their 15th consecutive ASUN Tournament appearance. JU saw win improvements both overall (+4) and in ASUN play (+3) thanks to a deep and experienced team. The 'Phins trailed only FGCU in points per game last year, averaging 70.8 per night while also ranking in the top five of the ASUN in both field goal percentage and three-point field goal percentage. Four different players won ASUN Player of the Week honors during the year and senior Shakayla Nevitt was named Second Team All-ASUN and to the ASUN All-Acadmic squad at season's end.

**SWISHER GYMNASIUM, HOME OF THE DOLPHINS**

Since opening in 1953, Swisher Gymnasium has undergone multiple restorations and renovations in order to provide the best gameday experience for every fan that walks through the doors and for every student athlete that suits up to take the floor.

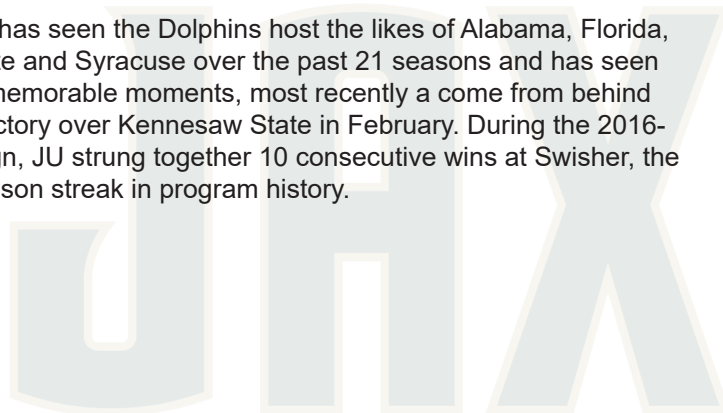

In 2016 the venue introduced two 18-foot videoboards, mounted on the walls at either end of the court as well as a 40-foot video scorer's table that sits at center court on the sideline. In 2018, with extensive damage having been done unto the building by Hurricane Irma, a brand-new roof and floor were installed.

With that came a new paint job of the basketball court that included the Athletic Department's new branding. The locker rooms housed in the building were completely re-done with new layouts, bathrooms, furniture and graphics during this time as well.

The venue currently seats 1,452 people for sporting events with one side being fixed seating and the other side retractable, creating space for multi-purpose events. In addition to sporting events, several concerts have been held at Swisher Gymnasium including appearances by Billy Joel in 1975 and K.C. and the Sunshine Band in 1979. Vice President Lyndon Baines Johnson addressed students there in 1963.

Swisher has been the home of the women's team since the program's inception in 1999-2000. Since then, the Dolphins has have posted seven seasons with 10 or more wins within the walls of Swisher, including a pair of 14-1 seasons in 2015-16 and 2016-17, along with a 13-1 mark in 2017-18. Overall, the Dolphins maintain 172-120 record at home all-time, good for a .589 winning percentage.

The venue has seen the Dolphins host the likes of Alabama, Florida, Florida State and Syracuse over the past 21 seasons and has seen countless memorable moments, most recently a come from behind overtime victory over Kennesaw State in February. During the 2016-17 campaign, JU strung together 10 consecutive wins at Swisher, the longest season streak in program history.

## JACKSONVILLE UNIVERSITY ANNOUNCES PLANS TO BUILD BASKETBALL PERFORMANCE CENTER

In the fall of 2019, Jacksonville University announced plans to construct a state-of-the-art Basketball Performance Center on campus to serve as the future home for the day-to-day operations for the Jacksonville basketball programs. Ground was broken in the fall of 2020 and the facility is expected to be ready in time for the 2021-22 season. Senior Vice President and Athletics Director Alex Ricker-Gilbert has prioritized facility upgrades for the intercollegiate programs and the construction of a basketball practice facility, which will house both the men's and women's basketball programs, has been at the top of that list.

"This project has been a top priority for our University and athletics department for several years," Ricker-Gilbert said. "Facilities matter, and in the sports of men's and women's basketball, the landscape is increasingly competitive. This facility is about our student-athletes and coaches. The Basketball Performance Center will provide a new home for our student-athletes, will enhance our ability to recruit quality individuals, and will allow them to be better prepared academically and athletically. This is a major component of a larger scale plan to chart our successful future in men's and women's basketball."

The 26,000 square foot practice facility will feature coaches offices, a weight room and training room, as well as a full court and a half of playing surface which will serve as the new practice venue for both programs. The building will be constructed immediately adjacent to Historic Swisher Gymnasium and will have direct access to the home game venue.

The department has focused fundraising efforts for several years in pursuit of a state-of-the-art venue, aimed at returning Jacksonville basketball to prominence. This brings Jacksonville basketball to a level more consistent with the direction of collegiate basketball in 2020 and allows it to pursue a recruiting base beyond its current pool.

"A new centrally-located facility will impact our programs' culture tremendously," women's basketball head coach Darnell Haney said. "A one-stop shop where we can train, build team camaraderie, and attract top recruits will help us compete at a high level and carry out the mission of our program to positively impact the lives of our student-athletes, the JU community, & the city of Jacksonville through winning basketball and quality education. This new facility will certainly allow us to do so."

## HEAD COACH DARNELL HANEY

Darnell Haney enters his third season at the helm of the Dolphins, and eighth season overall with the program. During his time in Duval County, Haney has been a part of the program's first ever ASUN Tournament Championship and NCAA Tournament appearance, as well as a pair of appearances in the WNIT. His time at Jacksonville began in 2013 as an assistant coach and ahead of the 2016 season, was elevated to associate head coach by his predecessor Yolett McPhee-McCuin. Since Haney has taken over, the program has continued its success and has defined itself by its "Relentless" personality, relying on length, team defense and athleticism to continue to make strides forward and remain one of the top teams in the ASUN.

### 2019-20

In the Dolphins' second season under Haney, the team posted a four-win improvement overall and a three-win improvement in ASUN play. The 'Phins trailed only FGCU in points per game, averaging 70.8 per night while also ranking in the top five of the ASUN in both field goal percentage and three-point field goal percentage. JUCO transfer Jada Perry ranked in the top 10 in the league in rebounds while freshman Da'Nasia Shaw led the ASUN in three-point field goal percentage at 48%. Four different players won ASUN Player of the Week honors during the year and senior Shakayla Nevitt was named Second Team All-ASUN and also became the first player in program history to land a spot on the ASUN All-Academic team.

### 2018-19

In Haney's first season as head coach in Jacksonville, the 'Phins notched a 14-16 record. Led by senior Jasmyn Brown, who was named Second Team All-ASUN, the new-look Dolphins found their rhythm around the beginning of conference play, picking up big wins over FIU and Mercer to conclude non-conference play as part of a three-game winning streak, and rattled off wins over Liberty, Kennesaw State. JU swept the River City Rumble over crosstown rival UNF to extend the Dolphin's winning streak in the series to 14, the longest by either team in the series.

### 2017-18

In the 2017-18 season, Jacksonville won a program-best 24 games (24-9), eclipsing the previous record of 23 tied by the previous year's squad, en route to 16 new program records and a second WNIT trip. The team led the ASUN in 10 different statistical categories, including rebounds and blocked shots. The Dolphins ranked among the nation's best in offensive rebounds per game (7th), rebound margin (27th), and three-point field goal defense (28.4). Kayla Gordon claimed ASUN DPOY honors and was named All-ASUN First Team, while Jasmyn Brown claimed Second Team ASUN All-Conference honors.

### 2016-17

Ahead of the 2016-17 season, Haney was elevated to the position of associate head coach. The Dolphins followed up their NCAA Tournament season by posting, at the time, a program-best 23-9 mark and made the program's first ever trip to the WNIT. Sherranda Reddick and Christin Mercer earned spots on the All-ASUN First Team, while Brandi Buie claimed a spot on All-ASUN Second Team.

### 2015-16

In a historic 22-11 season, Haney helped lead the Dolphins to their program's first ASUN Tournament Championship and first-ever appearance in the NCAA Tournament. Led by ASUN Newcomer of the Year Christin Mercer and ASUN All-Freshman Team Honoree Jasmyn Brown, the Dolphins upset perennial powerhouse FGCU in the championship game and were ranked at or near the top of the league in numerous statistical categories. Sherranda Reddick was named to the All-ASUN First Team while Mercer joined Briona Brown on the All-ASUN Second Team.

### 2014-15

The 2014-15 season saw the Dolphins post a 12-17 mark and post two separate three-game winning streak and sweep the River City Rumble against UNF in addition to sweeping the season series with Kennesaw State. Kayla Gordon was named the top freshman in the ASUN and joined Brandi Buie on the ASUN All-Freshman Team. Sherranda Reddick was among the top scorers in the ASUN at 14 PPG while Gordon shot better than 50% from the field.

### 2013-14

In Haney's first season as an assistant coach under Yolett McPhee-McCuin, Jacksonville posted a 13-17 record and a 10-8 ledger in ASUN play. Reddick was among the ASUN leaders in three-point percentage (39.2%) while Alford ranked among the top scorers in the league at 13 PPG.

### Jones High School

Haney posted two stints at Jones High School in Orlando. During his most recent tenure from 2010-13, Haney turned Jones High School's girls' basketball into a powerhouse program in Florida as its head coach. A three-time FACA Coach of the Year, Haney developed several Division I players, while also leading the program to a pair of district titles and state Final Four appearances. From 2006-09, Haney served as an assistant varsity and head junior varsity coach to the legendary Jerry Howard, where he developed 11 eventual collegiate athletes, three of whom are now playing professionally.

### South Lake High School

In between his stints at Jones High, Haney was hired as the head coach for boys basketball at South Lake High School in Groveland, Fla. for the 2009-10 school year. That season he helped the Eagles post a 10-win season in the school's first year transitioning from Class 4A to Class 6A and facing some of the top prep competition in the state of Florida.

### Personal

A 2004 graduate of Florida Agricultural & Mechanical University where he earned his Bachelor of Science in Engineering Technology, Haney also holds a Master of Science in Athletic Administration from Nova Southeastern University (2010). He attended Miami Southridge Senior High School, where he was a three-year basketball letterman and team captain. He and his wife, Aaliyah, reside in Jacksonville with their three children, Imani, Caleb, and Avery.
