

JACKSONVILLE

MEN'S SOCCER

2024 RECORD BOOK

JACKSONVILLE UNIVERSITY

Jacksonville University is a premier private institution in one of the fastest growing cities in the U.S. (Forbes). Founded in 1934 and named one of "America's Best Colleges" in the South for 10 consecutive years (U.S. News and World Report), Jacksonville offers more than 100 majors, minors, and programs that challenge, inspire and cultivate tomorrow's leaders and world changers.

While JU offers degrees in a wide range of traditional fields such as Business, Marine Science, Engineering, Physics, and Nursing, this established university is intensely focused on defining the next generation of education and creating an engaging learning environment. The school's core curriculum combines a strong liberal arts foundation with pre-professional programs, undergraduate research, and leadership opportunities -- all in a supportive but challenging atmosphere that encourages students to make a meaningful impact on their world.

In 2018, JU launched an innovative academic initiative called BOLD Beyond Ordinary Learning Design -- a collaborative project that aims to adapt educational programs to the rapidly changing landscape of careers and emerging fields. As part of the BOLD initiative, this spring JU announced the newly developed Pathways of Distinction, which allows students to create their own distinct programs of study by bundling a variety of majors, minors and areas of focus.

Reaching beyond its 240-acre riverfront campus shaded by mossy oaks, JU focuses on positively impacting the surrounding community and building strong partnerships with local, national and global businesses. This outside-in approach has positioned the school as a catalyst for growth in one of Jacksonville's oldest neighborhoods and has unlocked a season of exciting new opportunities that bridge the divide between education and career -- between learning and doing.

In 2018, JU celebrated the successful completion of its ASPIRE Campaign, the largest, boldest fundraising initiative in the history of Jacksonville University. Thousands of investors believed so much in the university's work and collective potential that the contributions surpassed the original \$85 million goal by more than \$36 million -- and two years ahead of schedule. This unprecedented achievement launched JU into a thrilling new chapter in the school's history. With the help of ASPIRE, JU established the Brooks Rehabilitation College of Healthcare Sciences; completed the 8,600 sq. ft. Jacksonville Lacrosse Center and broke ground on the 11,750 sq. ft. Frisch Welcome Center; introduced more than \$12 million in new scholarships that connect students with donors who support and encourage them; and enhanced students' residential experience by revitalizing living areas to create more collaborative and engaging spaces on campus.

The Jacksonville University Athletic Department is home to 17 Division I sports making nearly one in four JU students a competitor in an intercollegiate sport. The mission of the Athletic Department is to foster a relationship-driven, student-athlete centered, culture of development for academic, athletic, and social growth. As ambassadors for the University, the department rises collectively and competitively to enhance and elevate the profile of the institution.

The rich history of the JU Athletic Department has close ties to the NCAA Tournament, where its men's basketball program made its mark on a national stage. The 1969-70 men's basketball team, led by 1971 National Player of the Year and future National Basketball Hall of Fame inductee Artis Gilmore, became one of the first Cinderella stories in Tournament history when it advanced to the National Championship game. That team achieved a national ranking as high as No. 4 and set the standard for Jacksonville athletics for years to come.

Since then, the school has forged its own path to success, attracting some of the best and brightest young coaches in the nation, who challenge convention and push forward in the pursuit of excellence. The last two academic years alone have been full of impressive team accomplishments, including seven NCAA Tournament or Championship appearances, five conference championship titles, and three conference regular season titles, all while achieving unprecedented academic success in 2017-18. More than 80 percent of JU student-athletes achieved a 3.0 GPA or better for the 2017-18 academic year -- an ASUN-conference best. Jacksonville was honored with the ASUN Presidents' Academic Trophy for the first time in the 26-year history of the award.

HEAD COACH ALI SIMMONS

Ali Simmons was named the 12th head men's soccer coach at Jacksonville University in December of 2022. He heads into his third year leading the Dolphins as his team gears up for the 2025 season.

Since his arrival, Simmons has accelerated the Dolphins' return to national relevance, highlighted by a standout 3-0 road victory over top-10 Dayton in 2024. Simmons has been characterized as a leader of men, someone who builds character on and off the field. Simmons brings a proven winning pedigree, including NCAA Tournament experience and championship success at four different programs.

Immediately prior to JU, he served two seasons as Associate Head Coach at Elon University, where the Phoenix won 20 games, captured the Colonial Athletic Association regular-season title, reached the CAA Tournament final, and earned an at-large NCAA Tournament berth; the program's first since 2015.

COACHING EXPERIENCE

Jacksonville - Head Coach, 2022-Present
Elon University - Associate Head Coach-2021-2022
Seton Hall - Assistant Coach, 2019-2021
Barry University, Assistant Coach, 2018
University of Charleston WV - Assistant Coach, 2017

EDUCATION

Bachelor's in Sports Science, Brunel University, London
NSCAA National Diploma
NSCAA Goalkeeping Level 1
UEFA B License & A Preparation Course

Under his tutelage, 12 players earned All-CAA honors over his two years with the program, including the league's Defensive Player of the Year honor this past season. The 2022 season also ended with five Atlantic All-Region team selections and five Academic All-District team picks and an Academic All-American.

Prior to his time at Elon, he was an assistant coach at Seton Hall for two seasons, where he helped lead the Pirates to the 2020 Big East title and advanced to the quarterfinal round of the NCAA Tournament.

He also has Florida ties, having coached at Barry University and won a Division II National Championship in 2018, following a championship pedigree as an assistant coach at the University of Charleston in West Virginia, where they won the Division II National Championship in 2017.

"I have had the incredible opportunity to work with four incredible head coaches who have helped shape me as a coach and as a person and I will be forever grateful for the opportunity each of them gave me in preparing me for this moment," Simmons continued. "I'm excited to go to work, Go Dolphins."

His coaching career began at his alma mater, Brunel University in London. After ascending to head coach of the men's first-team, he was named Coach of the Year for the 2016-17 season.

Outside of coaching, he has served as an analyst at Football Radar, helping to develop a world-leading scouting software there.

He was a senior lecturer and lead coach at ProFootball Academies, the director of coaching at Seashore Youth Soccer Leagues and the youth technical director at the United States Sports Academy in North Carolina.

He holds an NSCAA National Diploma and an NSCAA Goalkeeping Level 1. He is also certified by UEFA with a B License and A Preparation Course.

Simmons is a 2010 graduate of Brunel with a degree in sport sciences.

He becomes the 12th head coach for one of the oldest programs on campus and one that won a conference championship and earned an NCAA berth most-recently in the 2021 spring season

What they're saying about Ali Simmons:

"Ali will bring a level of professionalism and detail to the program that will no doubt elevate and bring success to the university"
- Tony Annan, Head Coach – South Carolina

"Ali is one of the best people I know. His coaching resume is one of the best around and it is not a coincidence that every team he has coached has won. I cannot wait to see where he takes the Jacksonville U Men's Soccer Program."
Andres Lindberg, Head Coach – Seton Hall

"Elon Men's Soccer is extremely thankful to Ali for all he has done for our program, and we wish him the very best of success. Jacksonville is getting an incredible person and an amazing coach that has been a vital part to many successful seasons at various programs. Coach Simmons will lead by example on a daily basis with his positive approach and will get the very most from his players. I believe his personality, coaching style, tactical knowledge and preparation for games will mean players will enjoy their experience and be set up for success both on and off the field."
Marc Reeves, Head Coach – Elon
