POST-GAME QUOTES FROM COACH ALEX WOOD

JAMES MADISON AT MARYLAND • SEPT. 5, 1998 • BYRD STADIUM

"We committed too many penalties throughout the football game and that ended up costing us. We didn't protect the ball especially well, like we had planned to coming into this ball game. The turnovers were really a key, and just non-productivity in the first half."

"I thought we played well defensively. I don't know what the stats are, but our effort was good and we were flying around. We didn't get as many turnovers, I don't know who got any. But still, I felt our defense played very valiantly, and we are proud of that."

"It's our first game. We have to take this and learn from it and look at it, at how we can get better."

"If I could get that one fourth down called back I'd probably do something a little bit differently. At that time, I think you have to give your kids a chance to get some momentum going, so we went for it. We will live with that one. It's a little bit too late. We should have been able to put a couple of those drives together in the first half, and if we do that, it's obviously a different ball game."

"I commend our kids for not giving up and still hanging in there, driving the ball and still playing defense, playing defense hard, and trying. So the effort was there. We just have to take this, build from it and get going."

POST-GAME QUOTES FROM COACH RON VANDERLINDEN

JAMES MADISON AT MARYLAND • SEPT. 5, 1998 • BYRD STADIUM

"We made a lot of first game mistakes today. All those technical mistakes. You say to yourself 'We've worked against this, we've talked about it, we've practiced these scenarios. It really hurt us. Clipping after a 10-yard gain. Holding on third and five. Down in there, we had plenty of opportunities in James Madison's territory."

"James Madison, I have to give them some credit... They played lights out like I knew they would. They had nothing to lose. They packed it on in there, and we were a little bit stubborn to get our running game going."

"We were running into some heavy defenses, and didn't execute as well as we could have. But, we also made some mistakes by taking too many sacks. If it's not there we just have to learn to throw the ball away and not eat that yardage up."

"And there was a couple of times when we didn't check to the right play. Our offense is somewhat complicated, so that we're not trying to run a bad play against a defense we can't block."

"So we made some of those first-time mistakes. But overall, this young football team needed a win, and we came and we got a win. I told our team coming out, expect this to go right down to the wire."

"I thought our defense the first three quarters was sensational. Nothing short of sensational. Our defense dominated the line of scrimmage play after play. And then we messed up a coverage, where we didn't rotate a safety back into the middle and they popped one up the gut on us, and that takes them right down to the goal line."

"When we get beneath our starters on both sides of the ball, we're playing a lot of inexperienced, not-ready-for-prime-time players. And that took its toll on us. We have to continue to develop that depth and keep bringing these young guys along."

"Harold (Westley) I thought, did well. We were running into some nine-man fronts, and we weren't blocking them. We were trying to run the ball where there wasn't a lot of room."

"Lynde (Washington) is a battler, a very competitive young man. He went through some hard times a year ago. And to come up with two interceptions, one for a score, I thought it was great for him to start out like that. He got beat on that one fade route, which is a difficult route to defend. They came back the next series and tried to do the same thing, and he was right on top of it." So I was very pleased with the way Lynde played. I thought he was much better than we saw from him a year ago."

"You gain more from these types of wins. It was good for us to take it down to the wire."
