On November 30, 2020 we concluded our Fall 2020 programming. Dukes LEAD welcomed back four former student-athletes who are pursuing a career in various areas in the health industry. Over 100 student-athletes attended the workshop. Thank you to all of our guest speakers and panelists who made this semester successful.

Holiday Community Service

JMU SAAC organized an effort that raised over \$1,000 to put together cold weather gear and hygiene kits for the local homeless community through Open Doors Shelter. JMU Athletics teams and staff also participated in the annual Angel Tree Christmas Gift program for the Salvation Army. JMU Athletics was able to sponsor over 70 children through this initiative.
