THE OHIO VALLEY CONFERENCE

Entering its 61st year, the Ohio Valley Conference continues to build on the success that has made it the nation's eighth-oldest NCAA Division I conference. In 2008, for only the second time in the past decade, the Conference expanded by adding Southern Illinois University Edwardsville as the league's 11th member. The move expanded the OVC's geographical footprint to the St. Louis market and marked the first change in membership since expanding to the state of Alabama (Jacksonville State, Samford) in 2003.

The OVC's proud past dates back to 1948, but seeds for the new league were actually planted in 1941. It was then that Roy Stewart, the athletics director at Murray State, Charles (Turkey) Hughes, the athletics director at Eastern Kentucky, and Kelly Thompson, the public relations director at Western Kentucky, first broached the idea of forming a new conference. Discussions were put on hold by World War II, but reemerged Feb. 27-28, 1948 at the Kentucky Hotel in Louisville as the three original institutions combined with Morehead State, Louisville and Evansville to form the OVC.

The vision of leadership demonstrated by the Founding Fathers in 1948 remains

alive today as the Ohio Valley Conference prepares for the future. One example is in regard to the current trend in collegiate athletics administration for increased involvement of university presidents in setting policies and making rules. The presidents of OVC institutions, however, have always governed the Conference, long before presidential governance became a national theme.

The Ohio Valley Conference sponsors the following sports: baseball, basketball, cross country, football, golf, tennis and track for men, and basketball, cross country, golf, soccer, softball, tennis, track and volleyball for women. In addition, the OVC also sponsors the combined men's and women's sport of rifle.

Now in its sixth decade of competition, the Ohio Valley Conference has grown significantly from its humble beginnings while increasing the number of athletics opportunities it provides for students. Current league representatives include charter members Eastern Kentucky University, Morehead State University and Murray State University, along with Austin Peay State University, Eastern Illinois University, Jacksonville State University, Southeast Missouri State University, Southern Illinois University

Edwardsville, Tennessee State University, Tennessee Technological University and the University of Tennessee at Martin.

Academic All-American-1999, 2000

Three players have earned All-American honors during their playing days at Jacksonville State, Tracy Linton, Dana Bright and Lisa Baswell.

Tracy Linton earned All-American honors for the 1992-93 season with one of the greatest seasons in school history. She hauled in a school record 27 rebounds in a single game and had five total games with 20 or more rebounds. She set the school record for rebounds in a season with 430 and led the Gamecocks to the 1993 GSC Tournament Championship.

Dana Bright was named All-American following the 1991 season where she set school records for free throws made and free throws attempted in a single season. She also had 639 points during the season, good for second all-time in school history and became the only JSU player to surpass 2,000 career points. Her 137 assists rank fourth all-time.

Lisa Baswell was a two-time Academic All-American during her time at JSU. She earned the honors in consecutive seasons in 1999 and 2000. While excelling in the classroom, Baswell twice set school records for free throw percentage and became the sixth member of the schools 1,000 point club. Her record of 28 games scoring in double figures still stands today.
