- Jacksonville State has ranked in the Top 12 nationally among FCS teams in attendance over the last 12 years, when the Gamecocks have averaged more than 17,000 fans at Burgess-Snow Field. Jax State was fifth in 2022 with an average of 18,161 fans watching the Gamecocks play at Burgess-Snow Field. In its last year in FCS in 2022, Jax State averaged more fans than 32 FBS programs.

- Jax State posted a 111-30 (.787) record against OVC schools during its tenure in the league from 2003-20. JSU holds the longest conference win streak in OVC history and the second longest in FCS history with 36-straight OVC wins from 2013-18.

- The Gamecocks have drawn over 70,000 fans in each of the last 10 years in which capacity wasn't limited by the COVID-19 Pandemic. They surpassed 100,000 fans six times in the last nine seasons (110,695 in 2013, 164,781 in 2015, 123,030 in 2016, 110,328 in 2017, 101,421 in 2018 and 117,800 in 2019).

- JSU hosted numerous NCAA playoff games over the years, including 11 since the 2010 season. There was at least one home playoff game at Burgess-Snow Field in seven of JSU's last nine FCS Playoff-eligible seasons.

- Jacksonville State has set over 100 school records, 20 Ohio Valley Conference records and six NCAA records in the last 10 years.

CHAMPIONSHIP TRADITION

CONFERENCE USA

The next era of Jacksonville State Athletics got underway on July 1, when the Gamecocks' officially became members of Conference USA.

Jax State accepted CUSA's invitation to join the league in November of 2021 and immediately got to work on its application for the league and specifically Football's Bowl Subdivision. The Gamecocks saw that work come to fruition on Saturday, when they joined eight other programs to make up the new-look conference that has been a force in Division I athletics since 1995.

Joining Jax State as new members in CUSA are Liberty, New Mexico State and Sam Houston. They team up with FIU, Louisiana Tech, Middle Tennessee, UTEP and Western Kentucky to make up the nine-school membership for the 2023-24 academic year. Kennesaw State will join as the conference's 10th team in 2024.

CUSA is Jax State's third Division I conference home after spending 18 years in the Ohio Valley Conference and 10 total years in the ASUN, which was the Gamecocks' first Div. I conference home from 1995-03 and again from 2021-23.

The Gamecocks have had tremendous success in their previous Div. I leagues, winning more than 80 total conference titles since making the move from Div. II in 1993. Jax State Football has seen a great deal of that success at the FCS level, where it won 10 conference titles in the past 20 years, including the first ASUN Football Championship in 2022.

Jax State's move to FBS and CUSA has already paid off, with the league announcing a new multimedia rights deal with CBS Sports and ESPN that will begin with the 2023-24 academic year. The multi-year agreement positions CBS Sports Network with tier one selection status for C-USA football (18 games annually) and men's basketball (18 games annually) over the length of the partnership, while also televising the football championship, men's basketball semifinal and championship games, the women's basketball championship game, and baseball and softball championship games.

The Gamecocks will play at least six football games on national television in 2023, with the possibility of up to four more being picked up during the season. CUSA will be able to stand alone in front of its national television audience in October, when all league games will be played on weeknights and on linear networks.

Jax State will begin competition as a member of CUSA this fall, when the Gamecock soccer team begins its season on Aug. 17. Jax State Volleyball will open its campaign on Aug. 25. Football will play the first-ever CUSA game for Jax State on Aug. 26, when the Gamecocks host UTEP to open the 2023 season at Burgess-Snow Field.

In conjunction with its new membership coming on board for July 1, CUSA unveiled a new brand identity that included a new logo and refreshed identity to celebrate the league's 29th year.

2023 MEDIA INFORMATION

The 2023 edition of the Jacksonville State University football media guide is a source of information for the news media covering the Gamecocks. News releases, photographs/slides/JPEGS, clips and film footage and other additional information will also be available to accredited members of the media upon request.

Your hosts for Gamecock football are Associate Athletics Director Josh Underwood and Assistant SID Daniel Porter. Should you need any information, feel free to call any time, day or night. Josh Underwood can be reached at (256) 782-5915 (work) or (256) 453-0545 (cell). Please take a moment to familiarize yourself with Jacksonville State's media policies.

WEEKLY PRESS LUNCHEON— A press luncheon will be held game week during the season and the dates will change depending on the day of the week in which the Gamecocks play that week. A short press conference with Coach Rodriguez and select players will kick off the day at 11:30 a.m. in a location that is still to be determined. If a specific player is needed, contact the sports information staff by Sunday to make arrangements for the interview. Lunch will follow the press conference each week. If Social distancing guidelines cannot be met, the weekly press conference will be held virtually and that information will be shared at a later date.

IN-SEASON INTERVIEW POLICY— All of JSU's football players and coaches will be available to the media throughout the 2022 season. Interviews should be arranged through the JSU Sports Information office. It is requested that player and staff interviews be conducted Monday, Tuesday or Wednesday afternoons of game week. The players and staff will be unavailable for interviews after Wednesday afternoon. In-person interviews will be conducted in either the Coxwell Room or on the practice field prior to the beginning of practice.

PRACTICE ATTENDANCE— Practice times for the 2022 season will be approximately 3:30-5:30 p.m. Please notify the Jacksonville State Sports Information office if you plan to attend practices this season. Television stations and photographers may shoot the first 30 minutes of practice. Interviews at practice will be conducted following the completion of practice. No pre-practice interviews will be allowed without prior approval.

THE PRESS BOX—The Jacksonville State University Press Box is for the working press only. No cheerleading for either team will be allowed. The Press Box is located on the south side of Burgess-Snow Field on the sixth floor. Please take any of the four elevators to the sixth floor to access the press area, coaches booths, radio booths and television booth. The JSU Sports Information office will provide food and beverage approximately one-and-a-half hours prior to kickoff to all working media.

PRESS BOX SERVICES—JSU's Press Box is equipped with wireless and hard-wired internet throughout the sixth floor of the press area. A student assistant will be available to answer questions and handle any faxing necessary. Jacksonville State University uses "NCAA Live Stats" for football computerized statistics. Media members can access live up-to-date statistics through "Stat Broadcast" at jsu.statbroadcast.com.

SID Office Location—JSU's Office of Sports Information is located on the third floor of Pete Mathews Coliseum, located on Rudy Abbott Highway.

CREDENTIALS— Press credentials for working media and photographers for Jax State's home football games will be handled by Josh Underwood, Associate Athletics Director for Media Relations.

Jacksonville State University follows the guidelines set forth by the NCAA governing the issuance of credentials. Press Box passes will be issued to accredited sports writers of daily and weekly newspapers. Similarly, photo and sideline passes will be issued only to accredited members of the photo media working for newspapers and television stations. Press requests should be made to the Jacksonville State Sports Information office by Friday morning of game week and will be carefully screened to ensure a professional working atmosphere.

All credentials and press parking requests should come from sports editors, directors or anchors. Press credentials and parking passes will be given to writers in attendance of Monday press luncheons or mailed if the request is received on Monday morning.

Spouses, dates and minors will not be permitted in the Press Box or the sidelines of Burgess-Snow Field at JSU Stadium. Any unauthorized use of credentials will result in revocation of credentials issued by Jacksonville State University and credential requests will not be honored for future JSU athletic events.

SIDELINE CONTROL—Jacksonville State University follows guidelines set forth by the NCAA in sideline control. The NCAA has established a sideline control policy to keep those areas free from congestion. Only those photographers on assignment will be given sideline passes. The sideline control policy is as follows: (1) Only those photographers on assignment, including student and freelance photojournalists, are given credentials. In addition, each student publication will be issued one press and/or sideline photo pass. (2) Photographers must display their sideline photo passes at all times. If not, they may be asked to leave the stadium. (3) University personnel will be deployed on the sideline to ensure no abuses of these privileges. (4) Photographers are urged to shoot from the end zone to the 15-yard line on either side of the field and from either end zone. (5) Photographers and media should not linger in the bench area (between the 15-yard lines) at any time during the game. (6) Absolutely no player or coach interviews will be conducted during the game.

RADIO RIGHTS—Jacksonville State University will provide one phone line free of charge to opponents wishing to broadcast. However, it is the responsibility of the visiting radio stations to have its flagship station call direct to the event location to establish the broadcast line. JSU will not permit outgoing telephone calls. Teams planning to broadcast should notify JSU Sports Information Director Josh Underwood of their intent no less than two days before the actual broadcast. The visiting radio phone number is available upon request.

MEDIA PARKING—Media parking at Burgess-Snow Field at JSU Stadium is available on a limited basis. Media parking is located in the PURPLE Lot, which is located on the east side of JSU Stadium, adjacent to the BLUE lot. A press credential does not guarantee parking.

MEDIA WILL CALL—Media or photo credentials which have not been mailed can be obtained at the Media Will Call window, located in the main lobby of Stadium Tower at Burgess-Snow Field. Media Will Call opens two hours prior to kick-off.

POST-GAME INTERVIEWS— Jacksonville State's post-game press conference with head coach Rich Rodriguez and selected players will take place in the interview area designated by the JSU Sports Information Office, following a 10-minute cooling off period. A member of the JSU Sports Information Office will be on hand to help coordinate player and coach interviews. No children are permitted in the post-game interview room. The visiting team's post-game press conference will take place outside the team's locker room, which is located in the northeast corner of Burgess-Snow Field.

JSU ON THE INTERNET—Jacksonville State University's Official Web Site can be found at the following address:

http://jaxstatesports.com

he web site is updated daily and information on all 18 sports is readily available. Complete schedule, results, coaches and player information and conference information is accessible via the World Wide Web.

JSU SPORTS NETWORK

Mike Parris

The Jacksonville State Football Network continues to provide Gamecock fans the best coverage of JSU Football throughout the southeast.

The anchors of the Gamecock Football Network are K-98 (WVOK-FM) in Oxford, Ala., and the Jacksonville State University campus station WLJS-FM 91.9. WKXX-FM 102.9 FM, will once again cover northeast Alabama from Gadsden and WRBZ 95.5 FM will cover the Montgomery-Wetumpka area, while WFAZ 90.9 FM God's Country Radio and sister station WJHO 89.7 FM The Classic will broadcast the Gamecocks in Clay County.

In addition, the JSU Sports Network affiliates will allow Gamecock football to be heard in four Southeastern states and can reach a worldwide audience on the Internet at www.JSUGamecockSports.com.

The Jacksonville State broadcast team will be led by one of the most experienced play-by-play voices in the nation.

The "Voice of the Gamecocks" is Mike Parris, who called his first JSU contest in 1983, and is entering his 41st year as the lead announcer of Jacksonville State sports. He handles all the play-by-play duties of Jacksonville State athletics radio broadcasts.

During his tenure he has called some of the most historic and memorable games in Jacksonville Sate athletics history. He has called the four Jacksonville State national titles – football (1992), basketball (1985) and baseball (1990, 1991), plus other noteworthy contests.

Parris retired as the Assistant Athletic Director for Broadcasting at Jacksonville State University. He was named the 2022 Alabama Sportscaster of the Year by the National Sports Media Association.

Former Gamecock football player Ray Hammett rejoined the Jacksonville State radio football broadcast team for the 2021 season after missing the 2020 season and will be back in 2022.

Ray Hammett

Hammett spent 11 years as color analyst on the Gamecock Football Network from 1992-2002, and served as color analyst on the Gamecock home television broadcasts from 2005-11. He spent the 2012-2019 seasons alongside Parris in the booth.

Hammett played linebacker for the Gamecocks from 1974-76, and helped Jax State post 20 wins over three years, including back-to-back seven-win seasons in 1974 and 1975, and the 1974 Gulf South Conference Championship.

After graduating from Jax State, Hammett joined the prep ranks as a long-time high school football coach, and served as head coach at Lineville High School, Saks High School and Jacksonville High School.

Following his coaching career, Hammett moved into school administration and served as principal before retiring from Jacksonville High School. He has served in many administrative roles in West Georgia since his retirement from the state of Alabama.

Mike Parris receiving the 2022 Alabama Sportscaster of the Year Award from Ian Eagle.

BURGESS-SNOW FIELD AT JSU STADIUM

The Jacksonville State University Board of Trustees approved the naming of its football facility Burgess-Snow Field at JSU Stadium in the summer of 2010 and the Gamecocks will play their 78th season there this year.

The football playing facility was called Paul Snow Stadium starting with the 1961 season, but now also honors former coach Bill Burgess, who led the Gamecocks to the 1992 NCAA Division II National Championship.

Long ago, in the days when Jacksonville State University went by Jacksonville State Teachers College and the athletic teams were nicknamed the "Eagle Owls," football was played in a field next to John Forney National Guard Armory.

In 1946 as JSU began to change, enrollment began to rise and so did the popularity of football. Seeing the need for a new facility, the school built a stadium in the present location and it was dedicated in front of an overflow crowd at the 1947 Homecoming game against Pembroke. The Gamecocks went on to win that game and posted a perfect 9-0 season, including a 7-0 win over Florida State.

The "College Bowl" as it was called, was renamed in 1961 to honor longtime JSU supporter Paul Snow. Then in July of 2010, the stadium was renamed Burgess-Snow Field at JSU Stadium.

The stadium got a facelift in 1965 when seating was expanded from 5,000 to 8,500 and a new press box was installed on the north side of the facility. Under the supervision of long-time Athletic Director Jerry N. Cole, the field house was constructed in 1977 and the expansion of the stadium was complete in time for the 1978 season when the student section was added to bring the capacity to 15,000.

Since opening in 1946, Jacksonville State has posted an incredible 298-107-8 record at home. JSU played its 400th game at Burgess-Snow Field on March 21, 2021, a 21-3 win over Southeast Missouri in the spring OVC schedule that was pushed back due to the COVID-19 Pandemic.

JSU Stadium completed a $47 million expansion just in time for the 2010 season. The new facility consists of seven stories, with the bottom four floors dedicated to nearly 400 dorm beds. The top three floors includes 33 luxury skyboxes, a new press area, coaches booths, radio and television broadcast facilities, and a game management booth. The stadium was also expanded and now includes 24,000 seats.

The natural playing surface was replaced during the summer of 2005 with an artificial playing turf. It was the first major renovation to the stadium since the 1978 season. It took three months to install at a cost of just over $700,000 and was completed in time to hold summer graduation on the new playing field. That field was replaced before the 2016 season with another ProGrass surface.

Prior to the 2017 season, the standard definition video board that was installed in 2007 was replaced by a new board that includes a full high definition display that measures 12 feet in height and 80 feet in width.

Construction is currently underway on a new Field Hous in the West end zone of the stadium that will provide a first-class football complex that will include a new dressing room, player's lounge, training room, hydro-therapy recovery, meeting rooms, coaches' offices, equipment and laundry area, theatre-style team meeting space and game day recruiting area.

Jacksonville State's first win in renovated Burgess-Snow Field at JSU Stadium came the hard way, in 2010, but it is one Gamecock fans remember well.

After a lightning delay that pushed kickoff back 86 minutes, the 22,186 in attendance saw the fifth-ranked Jacksonville State football team score 21 unanswered points to pull off its second fourth-quarter come-from-behind win of the season, a 21-17 thriller over Chattanooga.

One week after the second-largest crowd to ever watch JSU play saw the Gamecocks rally for a double-overtime win over Ole Miss, the largest home crowd in Gamecock history saw junior Marques Ivory find junior James Shaw for a 72-yard touchdown strike with 1:16 remaining as the Gamecocks claimed the win in the renovated stadium.

The record for a single-game crowd for a football game at Burgess-Snow Field at JSU Stadium was set in the season opener in 2017 versus Liberty when 23,944 fans witnessed the Gamecocks claim a 37-10 win over the Flames.

Why We Are The Gamecocks

"Go Eagle Owls!" would be the resounding cry from Paul Snow Stadium today if ardent fans hadn't decided 50 years ago that the school mascot should be a bird of a different feather.

Jacksonville State University's first football team was fielded in the late 1800's and nicknamed in honor of a rare predatory bird found near the Arctic circle.

The exact details are lost to history, but a group of fans decided it was hard for the school's image to soar like an eagle if the team's name was something of a turkey. People like E.C. Wilson, Bruce Chase and Charles Sprayberry felt a more collegiate-sounding moniker would be more appropriate.

The supporters looked to Southern culture rather than the north pole to symbolize the school's tough spirit. Tongue firmly planted in beak, Gamecock supporters crowed the loudest, and the University found itself with a new identity: a mascot familiar to everyone, including the farm boys who comprised most of the student body back then.

For nearly a half-century – up until 1946 – the fledgling Eagle Owls hooted with pride from the scanty facilities adjacent to the field at John Forney National Guard Armory.

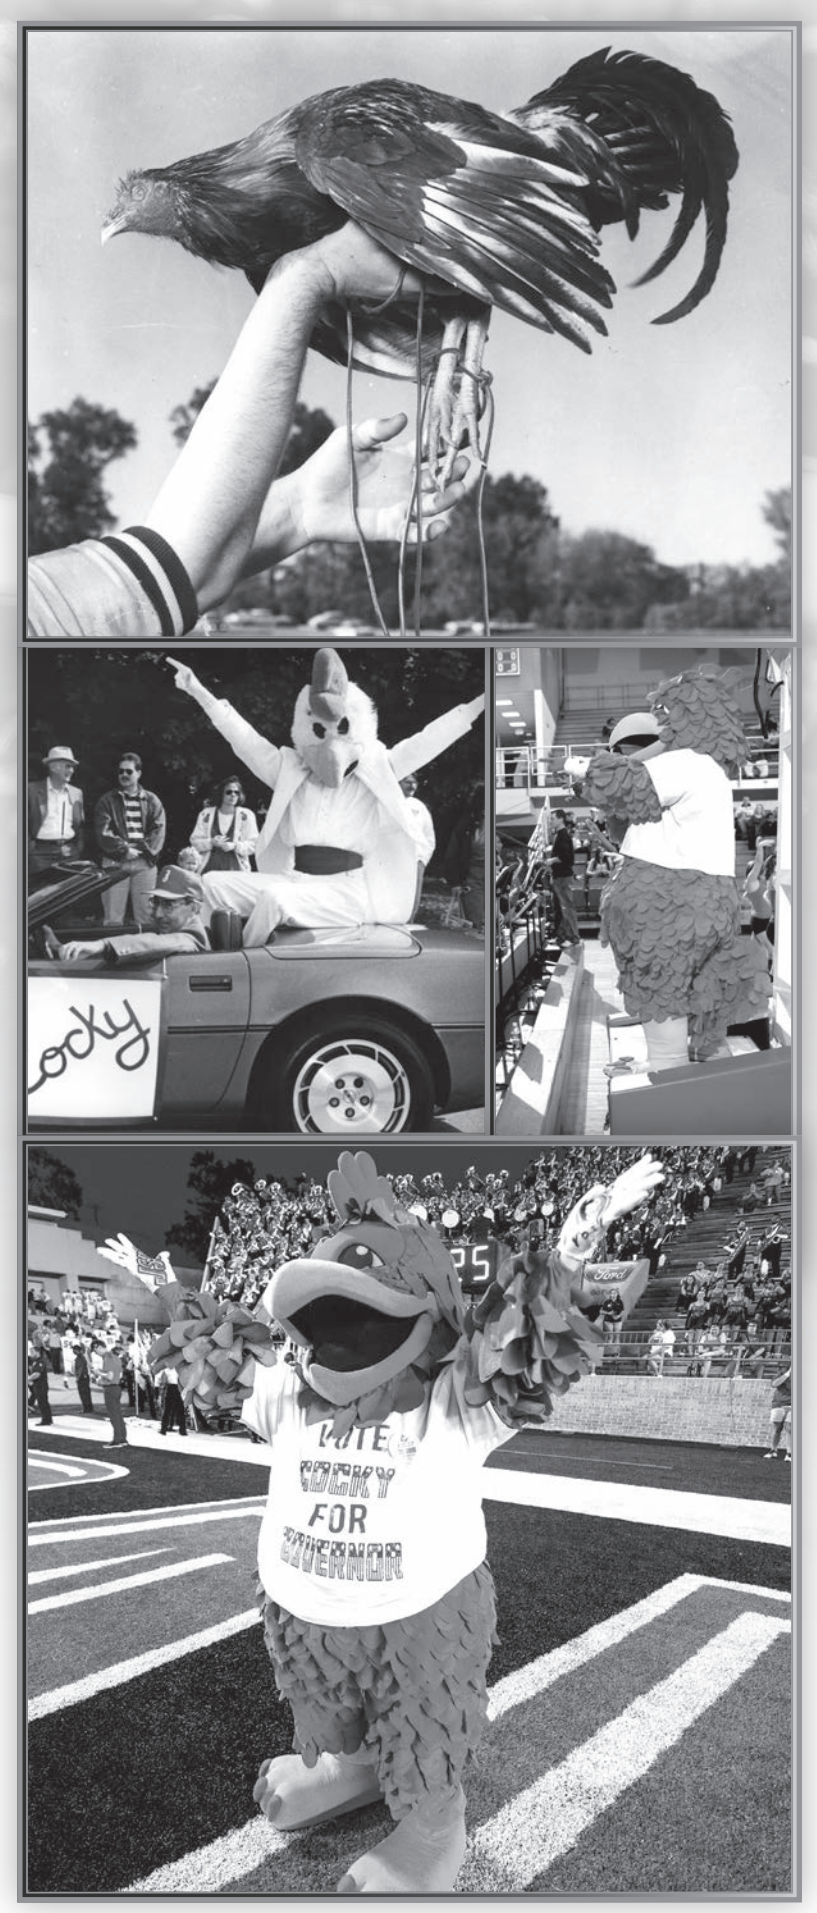
The State Normal School (SNS) team was sparse by today's standards, but the gridiron action was competitive from the start. Present day rivalries such as Samford (Howard College) and Troy State were rooted in those early games.

The team had only 23 players when SNS was renamed Jacksonville Teachers College in 1946, with Head Coach Don Salls beginning his first season, but there was a "big school" atmosphere developing in the foothills.

Along with the new name came new colors. The blue and gold were tossed out in favor of the familiar red and white worn by the area high school players.

The story goes that there were two camps - those who wanted to keep the Eagle Owl nickname and those who wanted new colors. Legend has it that a compromise was worked out; new colors for a new mascot.

It was all worked out by 1947 when the Fighting Gamecocks took to the field for the first time. And, as is true to the nature of the warlike bird itself, the football team and other athletes fought their way to respectability in intercollegiate ranks - eventually bringing home a national championship in every major sport.



JAX STATE

Meet the Coaches

HEAD COACH
RICH RODRIGUEZ

SECOND SEASON AT JSU: 9-2 • 26TH SEASON OVERALL: 172-121-2

In looking for a head coach that will lead the Jacksonville State football program to Football's Bowl Subdivision, the Gamecocks found an experienced winner from the game's highest level in Rich Rodriguez.

Athletics Director Greg Seitz formally introduced Rodriguez as the program's 28th head coach in November of 2021 at a press conference on the fifth floor of JSU Stadium, and his first season was one to remember.

The Gamecocks posted a 9-2 record and a perfect 5-0 mark in ASUN Conference play en route to the conference title to wrap up the school's FCS Era. Rodriguez's immediate results once arriving in Jacksonville prepared Jax State for the jump to Conference USA for the 2023 season.

Rodriguez has a 172-121-2 overall record as a head coach and has been named conference coach of the year five times in three different leagues. He begins the 2023 season ranked eighth among active FBS head coaches in career wins and 13th among all active Division I head coaches.

The author of one of college football's most prolific offensive schemes, Rodriguez has over 30 years of collegiate coaching experience and 25 as a head coach, experience necessary to lead Jacksonville State as it transitions into FBS for the 2023 season.

Jacksonville State is Rodriguez's fourth FBS head coaching job after stints at West Virginia (2001-07), Michigan (2008-10) and Arizona (2012-17). He led WVU to three 10-win seasons and was named the Pac-12 Coach of the Year in 2014 after leading the Wildcats to their first 10-win season in over 15 years.

His most previous stop was as the associate head coach, offensive coordinator and quarterbacks Coach at the University of Louisiana Monroe, where Rodriguez was new head coach Terry Bowden's choice to lead the Warhawks' offense in rebuilding after ULM suffered a winless campaign in 2020. The Warhawks improved in every offensive category in 2021. He was the offensive coordinator at Ole Miss in 2019.

In his six seasons at Arizona, Rodriguez led the Wildcats to a 43-35 record and to five bowl games. They won the 2014 Pac-12 South Division title and advanced to the Fiesta Bowl, finishing the season with a 10-4 record, one of just three 10-win seasons in the program's history. He was named the Pac-12 Coach of the Year at season's end.

His first four seasons at Arizona saw 33 wins by the Wildcats, the most in school history over a four-year period. The Wildcats also defeated a Top-10 team and advanced to a bowl game in each of those four seasons, the only time either of those feats have happened in school history, as well.

Rodriguez helped establish the Wildcats as one of the most explosive offensive programs in the Pac-12. During his tenure, Arizona tied or set more than 100 offensive school records and all-time leaders were set for career rushing and all-purpose yardage.

Before going to Arizona, Rodriguez spent three seasons at Michigan, where he tutored a young quarterback in Denard Robinson. As a sophomore in 2010, Robinson set the single-season Division I FBS record for rushing yards by a quarterback and became the first player in NCAA history to both pass and rush for 1,500 yards on his way to earning first-team All-America honors.

Rodriguez was 60-26 in seven seasons at West Virginia, where he won the Big East Conference championship four times (2003, 2004, 2005 and 2007) and was named the Big East's Coach of the Year in 2003 and 2005. The Mountaineers made two appearances in the Bowl Championship Series - the 2005 Sugar Bowl with a victory over Georgia for an 11-1 record and a victory over Oklahoma in the 2007 Fiesta Bowl to finish 10-2 shortly after Rodriguez had left for Michigan.

Before accepting the position at West Virginia, Rodriguez was Tommy Bowden's offensive coordinator and associate head coach at Clemson in 1999 and 2000, when the Tigers recorded a 15-9 record over two seasons. He went to Clemson from Tulane, where he was Bowden's

offensive coordinator and quarterbacks coach in 1997 and 1998. He led the Green Wave to a 19-4 mark, including an undefeated 12-0 season, Conference USA Championship and Liberty Bowl victory in 1998.

Bowden hired Rodriguez at Tulane after a seven-year stint as the head coach at NAIA Glenville State in Glenville, West Virginia. His Glenville State teams won or shared four consecutive West Virginia Intercollegiate Athletic Conference titles and he was named WVIAC Coach of the Year in 1993 and 1994, as well as the NAIA Coach of the Year after leading his team to a national runner-up finish.

His head coaching career started earlier than most in 1998, when Salem College made the 24-year-old Rodriguez the youngest head coach in college football after he'd served the previous two seasons as an assistant at the school.

A 1986 graduate of West Virginia and native of Grant Town, West Virginia, Rodriguez started at defensive back as a walk-on in 1981 and became a three-year letterwinner as a defensive back for the Mountaineers from 1982-84.

Rodriguez and his wife Rita have two children, Raquel and Rhett.

Zac Alley

Defensive Coordinator – Linebackers

Second Season at Jax State

Zac Alley enters his second season as Jax State's Defensive Coordinator and Linebackers coach after a very successful first season on the job and gives the Gamecocks one of the top young minds in collegiate coaching.

Alley took over the Gamecocks' defense in 2022 after serving as the defensive coordinator and linebackers coach at ULM in 2021. In that first season, Alley guided a stingy Jax State defense that led the Gamecocks to a 9-2 record and a perfect 5-0 conference mark en route to the ASUN Conference Championship. Led by linebackers Stevonte Tullis and Markail Benton, the 2022 Gamecock defense led the nation with 15 fumbles recovered and boasted the 11th-ranked red zone defense in the nation.

Alley was the youngest defensive coordinator in the NCAA's Football Bowl Subdivision when he took over at ULM in 2021 at the age of 28. A member of 247Sports' "30 Under 30" list, Alley joined the Warhawks after a winless season in 2020 and helped lead them to four wins and back into contention in the Sun Belt Conference.

He turned what was the 125th-ranked rushing defense in FBS in 2020 into the 69th-ranked rush defense in 2021 and saw the Warhawks improve in the national rankings in 11 of the 14 defensive categories from 2020 to 2021.

Prior to ULM, Alley was Bryan Harsin's co-special teams coordinator and outside linebackers coach at Boise State. In two seasons, he led the Broncos to a 17-4 record and a 13-game win streak in Mountain West Conference play. In 2020, FootballScoop.com named Alley one of its Special Teams Coordinators of the Year.

He previously worked for four years (2015-18) under Dabo Swinney as a graduate assistant at Clemson, his alma mater. Alley spent his entire postgraduate career on the defensive side of the football, where he worked primarily with the defensive tackles and linebackers. During his tenure, Clemson won two National Championships, four Atlantic Coast Conference titles and compiled a combined record of 55-4 (.932).

Alley also had a defensive coaching internship with the National Football League's Carolina Panthers.

He started working as a student assistant in the Clemson Football Office as a freshman in 2011 and spent four years in that capacity while earning his bachelor's degree in business management in December 2014. Alley completed his master's in human resource development from Clemson in August 2017.

Alley graduated from Charlotte (N.C.) Country Day School, where he played linebacker and offensive line.

Rod Smith

Offensive Coordinator - Quarterbacks

Second Season at Jax State

Rod Smith, whose relationship with head coach Rich Rodriguez goes back many years, enters his second season as the Offensive Coordinator and Quarterbacks Coach at Jacksonville State in 2023.

Rodriguez announced the hiring of longtime coach Smith as his new offensive coordinator and quarterbacks coach on June 12, 2022, returning Smith to the sidelines with Rodriguez, who he played for in college and has worked with at four previous stops. He brings over 25 years of coaching experience to Jax State, over 20 of those years at the FBS level, and has coached in 11 bowl games.

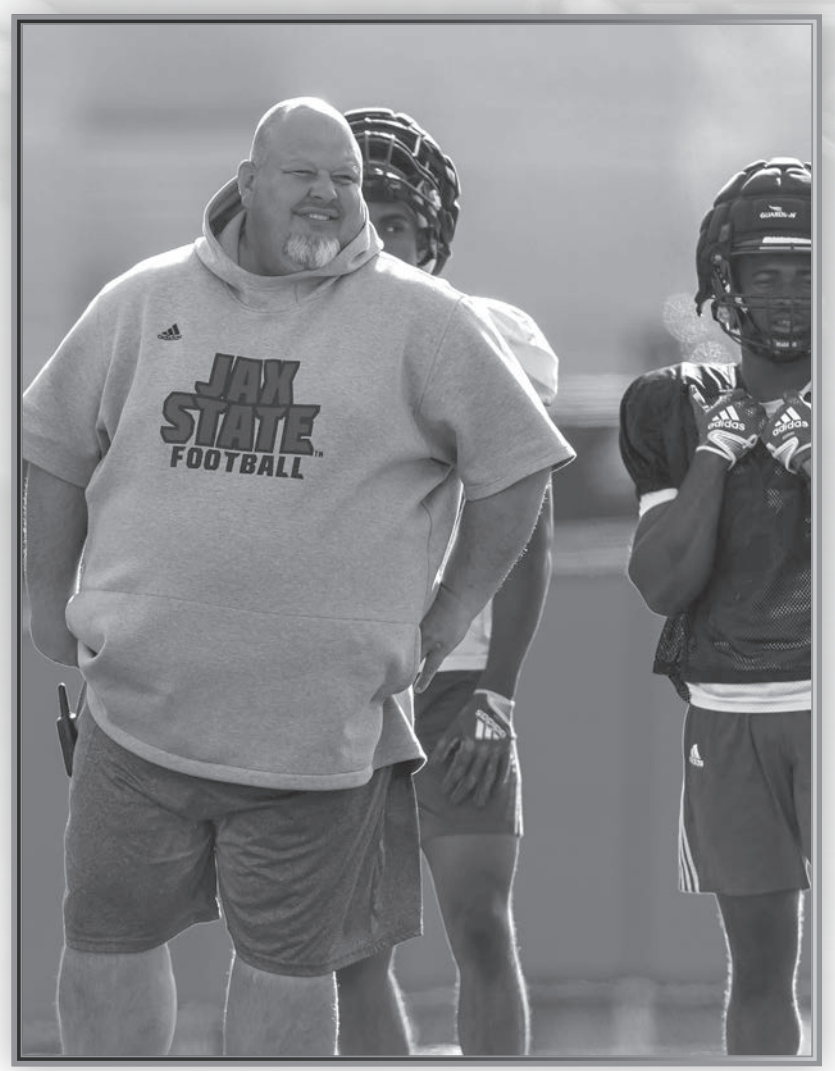
His first season at Jax State was a successful one that saw Smith's offense put up big numbers behind veteran quarterback Zion Webb. The Gamecocks went 9-2 and a perfect 5-0 in conference play en route to the ASUN Championship. The Gamecocks posted the fifth-best rushing offense and the No. 10 scoring offense in the nation, resulting in Smith being named the 2022 Graphite Award Winner for the ASUN, honoring the top play callers in each Division I conference.

He played quarterback for Rodriguez at Glenville State from 1993-96 before starting his coaching career in 1997. Smith would later work for Rodriguez as the quarterbacks coach at West Virginia in 2007, the quarterbacks coach at Michigan from 2008-10 and as the co-offensive coordinator and quarterbacks coach at Arizona from 2012-17.

From Arizona, he went to Illinois and was the Illini's offensive coordinator and quarterbacks coach from 2018-2020 and served as their acting head coach at the end of that 2020 campaign. His was an analyst at Virginia in 2021 and comes to the Gamecocks from Penn State, where has most recently served as an analyst.

While at Illinois, Smith led the Illini to the 2019 RedBox Bowl, their first in five seasons, after leading an impressive turnaround with the offense in his first season at UI in 2018. That 2018 team made the biggest improvement in the nation in rushing, averaging over 137 yards more per game than the year before in 2017. The Illini averaged 243 yards rushing per game in 2018, second in the Big Ten.

While with Rodriguez at Arizona, Smith helped establish one of the nation's best offenses and set several single-game and single-season records. In 2017, the Wildcats averaged over 41 pointer per game (5th nationally), 309 rushing yards, 180 passing yards and 489 total yards (12th nationally).



While with Rodriguez at Michigan and West Virginia, he helped develop two of the top quarterbacks to ever hold the reigns in Rodriguez' offense. Denard Robinson was the 2010 Big Ten Offensive Player of the Year after Pat White won his second-straight Big East Offensive Player of the Year Award in 2017.

Smith, a 1997 graduate of Glenville State, was an All-American and team captain for Rodriguez. The Franklin, W.Va., native would later earn his master's degree from Urbana University in Ohio in 2000.

Pat Kirkland

Special Teams Coordinator - Bandits

Second Season at Jax State

Pat Kirkland enters his second season as head coach Rich Rodriguez's Special Teams Coordinator and Bandits coach in 2023. He joined the Gamecocks in 2022, bringing a wealth of experience from all aspects of collegiate coaching.

His move to Jacksonville translated into immediate success, helping the Gamecocks to a 9-2 record, including a perfect 5-0 conference record and the 2022 ASUN Conference Championship. His Bandits room was led by J-Rock Swain, who earned First Team All-ASUN honors and helped the Gamecocks lead the country in fumbles recovered and to the 12th-best Red Zone Defense in the nation.

His Special Teams units were also difference makers for Jax State in 2022, ranking fourth nationally in net punting, 10th in kickoff returns and seventh in blocked punts. Alen Karajic broke the school records for scoring in a game by a kicker and for consecutive field goals made during the year, as well.

Kirkland's prior experience includes 10 years of head coaching experience at the University of Charleston in Charleston, W.Va., where he coached the Golden Eagles to a 70-41 record and was the runner-up in the Mountain East Conference six times. His 2021 team went 8-2.

In his time at Charleston, he coached 42 First-Team All-Conference players, as well as numerous all-region and All-America selections. He had players earn Mountain East Conference Player of the Year honors on both offense and defense, with the latest one coming in 2021 when running back Tyreik McAllister was named the MEC's Offensive Player of the Yar.

His 2015 team at Charleston finished 10-1 and No. 15 in the nation after earning a spot in the NCAA Division II Playoffs. That team was also second nationally in total defense leading to Kirkland earning the West Virginia Intercollegiate Athletic Conference Coach of the Year Award at season's end.

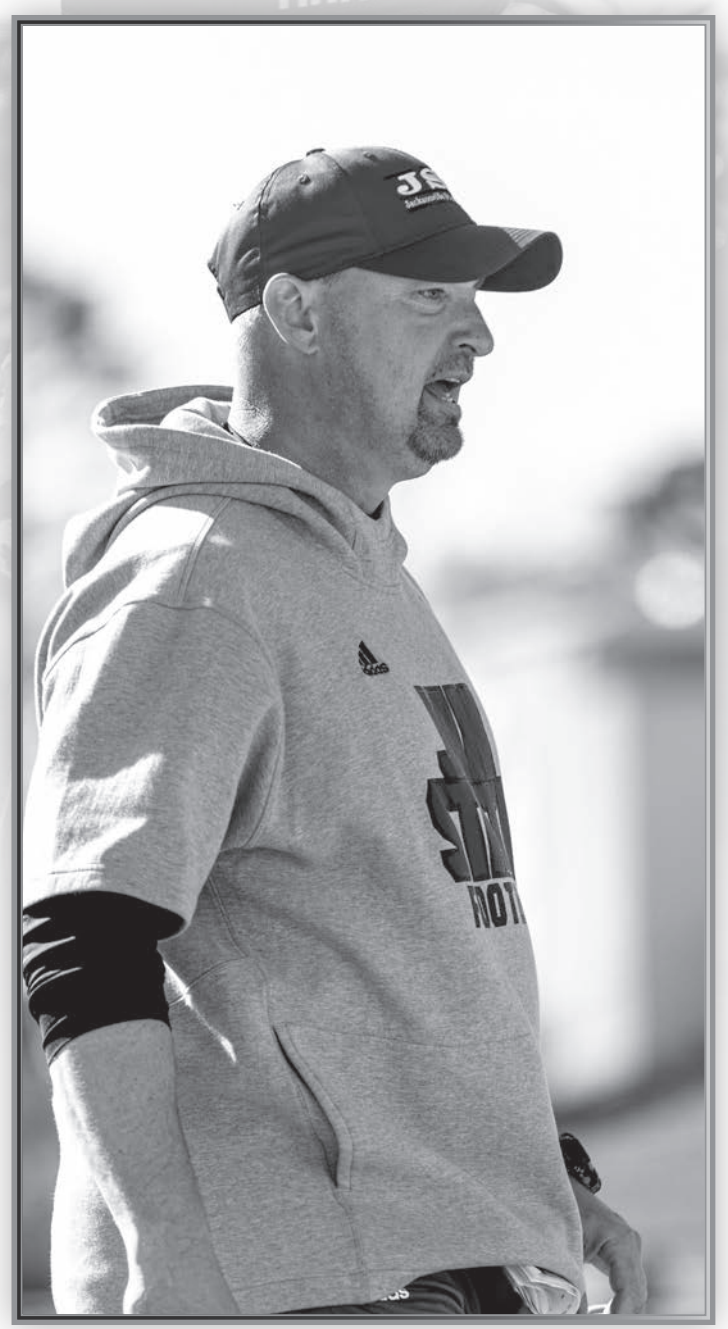
Kirkland spent five seasons at West Virginia, where he worked under Rodriguez. He spent time on both sides of the ball, with the majority coming on defense. He led the Mountaineers to a win over Oklahoma in the Fiesta Bowl as the defensive secondary coach and led WVU to the Gator Bowl as the fullbacks and tight ends coach.

He also spent time as WVU's Director of Recruiting.

Before his time at WVU, Kirkland was the Assistant Head Coach and Defensive Coordinator at Glenville State, where his defense was consistently one of the best in the nation.

A native of Akron, Ohio, Kirkland also spent two years as the secondary coach at Muskingum University in which he had four all-conference players in the secondary.

He received his bachelor's and master's degrees in education from Muskingum College where he was a first-team all-conference defensive back after leading the conference in interceptions.



Ryan Garrett

Wide Receivers

Second Season at Jax State

Ryan Garrett enters his second season as head coach Rich Rodriguez's wide receivers coach at Jax State in 2023. He was one of the Gamecocks' head coach's first hires at Jax State, coming with Rodriguez from ULM, where he served as a graduate assistant for the 2021 season.

Garrett's first season at Jax State in 2022 was one with a great deal of results. He helped guide the Gamecocks to a 9-2 record that included a perfect 5-0 mark in conference play and the 2022 ASUN Conference title.

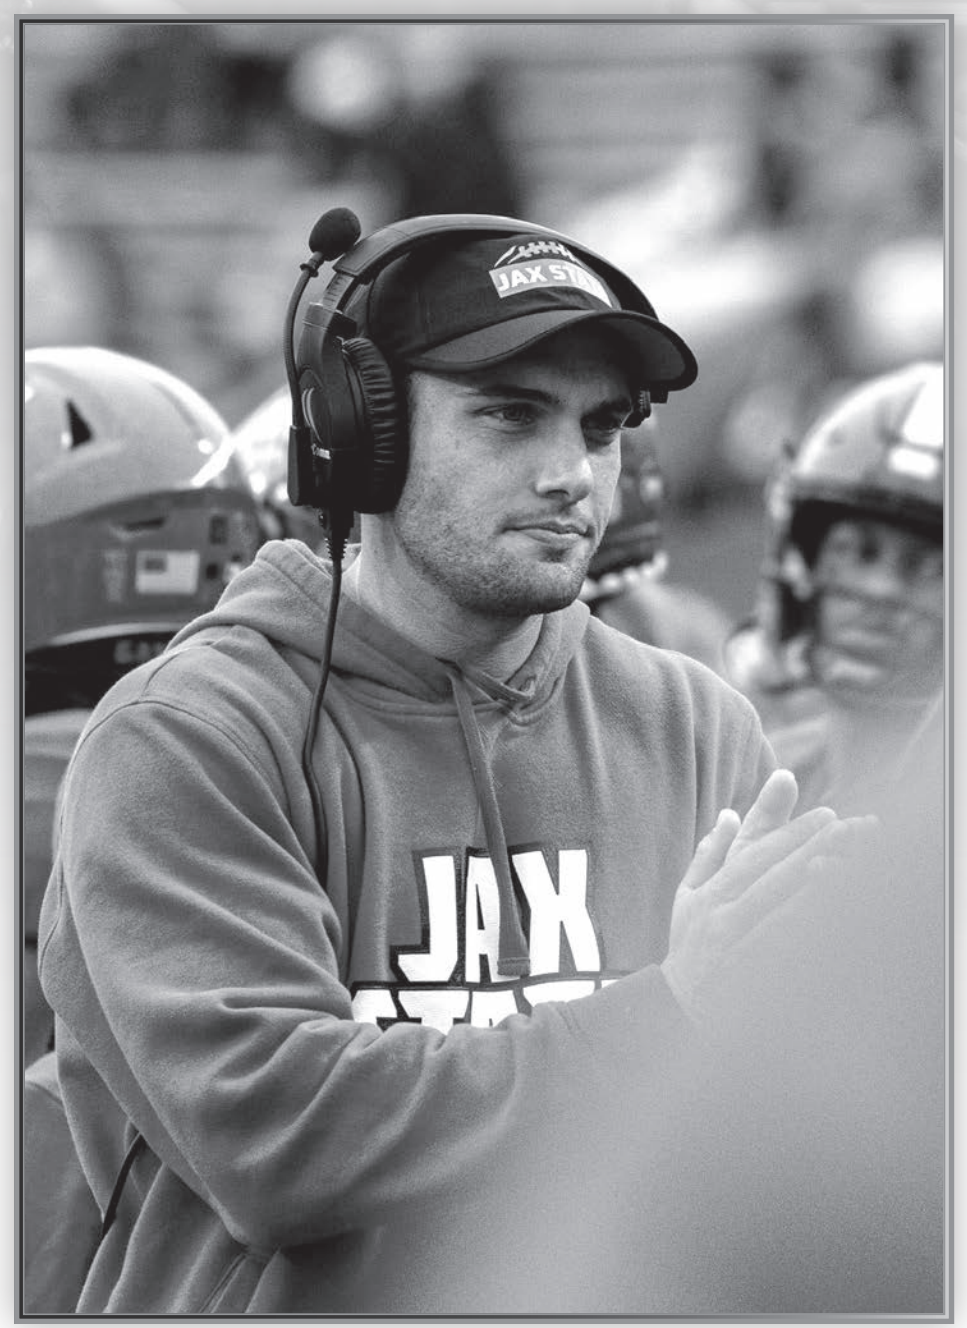
The Gamecocks boasted one of the most efficient offenses in the nation and ranked fifth in the country in yards per reception and 10th nationally in scoring offense. Fourteen different Gamecocks caught at least one pass in 2022, while nine of those found the endzone at least once.

At ULM, Garrett helped the Warhawks and head coach Terry Bowden lay the foundation for a turnaround of their program after they took over a team that had gone winless the season before. ULM turned the tables in 2021, improving by four games and returning to the mix in the Sun Belt Conference.

Prior to joining the Warhawks, Garrett spent the 2020 season as the pass game coordinator and wide receivers coach at West Virginia State. His one season at WVSU was cut short due to COVID-19.

He started his coaching career at Ole Miss, where he began as a student assistant and eventually served as an offensive graduate assistant that worked with the Rebels' quarterbacks under Rodriguez in 2019. That season, the Rebels ranked third in Total Offense in the SEC behind only Alabama and LSU with 445.3 yards per game.

Garrett graduated from North Henderson High School (Hendersonville, N.C.) where he was selected captain of the football team and was named All-Conference at the wide receiver position. He played college football at Emory & Henry College (Emory, Va.) for one year before transferring to Ole Miss and switching over to coaching.



William Green

Defensive Line

Second/Sixth Seasons at Jax State

William Green begins his second season as Rich Rodriguez's Defensive Line Coach at Jacksonville State and his sixth overall with the Gamecocks after a four-year stop earlier in his career.

Rodriguez brought a familiar face to him and to Jax State on staff when he hired former Gamecock assistant William Green, who also coached with him at ULM.

His return to Jax State saw immediate success, as the Gamecocks posted a 9-2 record in 2022 that included a perfect 5-0 record in ASUN play and a conference championship. His defensive line played a huge role in the nation's 12th-best Red Zone Defense, as well as a stingy unit that led the nation with 15 fumble recoveries.

Green returned to Jax State after helping current Defensive Coordinator Zac Alley guide the ULM defense in 2020, when his defensive line unit set the tone for a rushing defense that improved 56 spots in the FBS national rankings from 2020 before he joined the staff. His unit was also strong when it counted, holding opposing offenses to a .353 success rate on fourth downs, the eighth-best mark in the nation.

Prior to going to ULM, Green coached the Gamecocks' defensive line and was also their run game coordinator. In four seasons, JSU went 28-13 (.683), including an 18-6 record (.750) in Ohio Valley Conference games, won back-to-back league titles in 2017-18 and advanced to the second round of the NCAA Football Championship Subdivision those same two seasons.

Prior to being hired as JSU's defensive line coach in 2017, Green was a graduate assistant for his alma mater, Florida, in 2016 after serving as a graduate assistant the Gamecocks under Todd Bates, who is now the co-defensive coordinator at Oklahoma, in 2014 and 2015.

Green's first season saw the Gamecock defense dominate the opposition as one of the best units in the nation. The 2017 unit ranked second nationally in total defense, third in run defense, sixth in scoring defense and fifth in pass efficiency defense. The front line played in its opponent's backfield for much of the year, leading the OVC and ranking eighth nationally in tackles for loss.

Randy Robinson grabbed All-OVC honors on the defensive line in Green's first season, one that saw his defense lead JSU to a 10-2 record and the No. 3 national seed in the FCS Playoffs. It was the third-straight year that JSU had earned a top three seed in the playoffs, while the Gamecocks' 8-0 record in OVC play led to their fourth-straight league title and extended the longest active conference win streak in Division I football to 32 games.

Green's second season saw similar success, with Robinson grabbing All-America honors and All-OVC honors once more. He wasn't alone, as fellow tackle Connor Christian also grabbed All-OVC accolades up front. JSU

led the OVC and ranked seventh nationally in tackles for loss and was 15th in FCS in total defense. The defensive front set the tone for a unit that ranked second nationally in third-down conversion defense and led the Gamecocks to their OVC-record fifth-straight conference title.

Green played for the Gators from 2008-11, seeing action in 53 games. He recorded 53 tackles, 11 for a loss, 2.5 sacks and a career-best 21 tackles in his senior season. He was a member of Florida's National Championship team as a freshman in 2008.

Green prepped at Spain Park High School in Hoover, where he was an All-American linebacker and defensive end for John Grass and the Jaguars in 2007.

Green was also a first team all-state selection and named to the Alabama Sports Writers Association's Super 12 Team in a senior season that saw him register 114 tackles, four sacks and a fumble recovery in SPHS's AHSAA Class 6A runner-up season before signing with Florida.

Following his playing days at Florida, Green went to training camp with the Cleveland Browns and then played in the Arena Football League.

Terry Jefferson

Cornerbacks

First Season at Jax State

Terry Jefferson begins his first season on Head Coach Rich Rodriguez's staff at Jacksonville State and will coach the Gamecocks' Cornerbacks in 2023.

Jefferson joined the Gamecocks in the Spring of 2023 after serving over three years at the University of Miami. He worked with the Hurricane's defensive backs in 2022 after two seasons helping Miami's recruiting and personnel efforts. He also assisted with Miami's Football Operations.

During his time in Miami, the Hurricanes enjoyed early success. They posted an 803 record in 2020 that included a 7-2 mark in ACC play and earned an appearance in the Cheez-It Bowl.

Jefferson played his college football at Florida A&M in Tallahassee, where he was a team captain and a three-time All-MEAC selection and an All-American for the Rattlers. He earned third-team honors in 2016 and 2018 before earning his way onto the All-MEAC First Team in 2019, when he was also a BOXTOROW All-American.

He amassed 217 tackles over his career at FAMU and led the Rattlers in interceptions in 2016 and 2017.

The Miami native earned his degree in Exercise Science from Florida A&M in 2018 and then earned his Master's in Sport Management from FAMU in 2019.

Jefferson also had a storied prep career, starting for four years for Booker T Washington High School in Miami, who he helped guide to a No. 1 national ranking during his career.

Rod McDowell

Running Backs

Second Season at Jax State

Rod McDowell begins his second season as Jacksonville State's Running Backs Coach under Head Coach Rich Rodriguez and looks to continue the success his unit enjoyed in his first season in 2022.

That first season saw McDowell's running backs help the Gamecocks post a 9-2 record, a perfect 5-0 mark in ASUN Conference play and the conference's title. The Gamecock running game was a huge part of that success, ranking fifth nationally in rushing yards per game and 10th in the country in scoring offense.

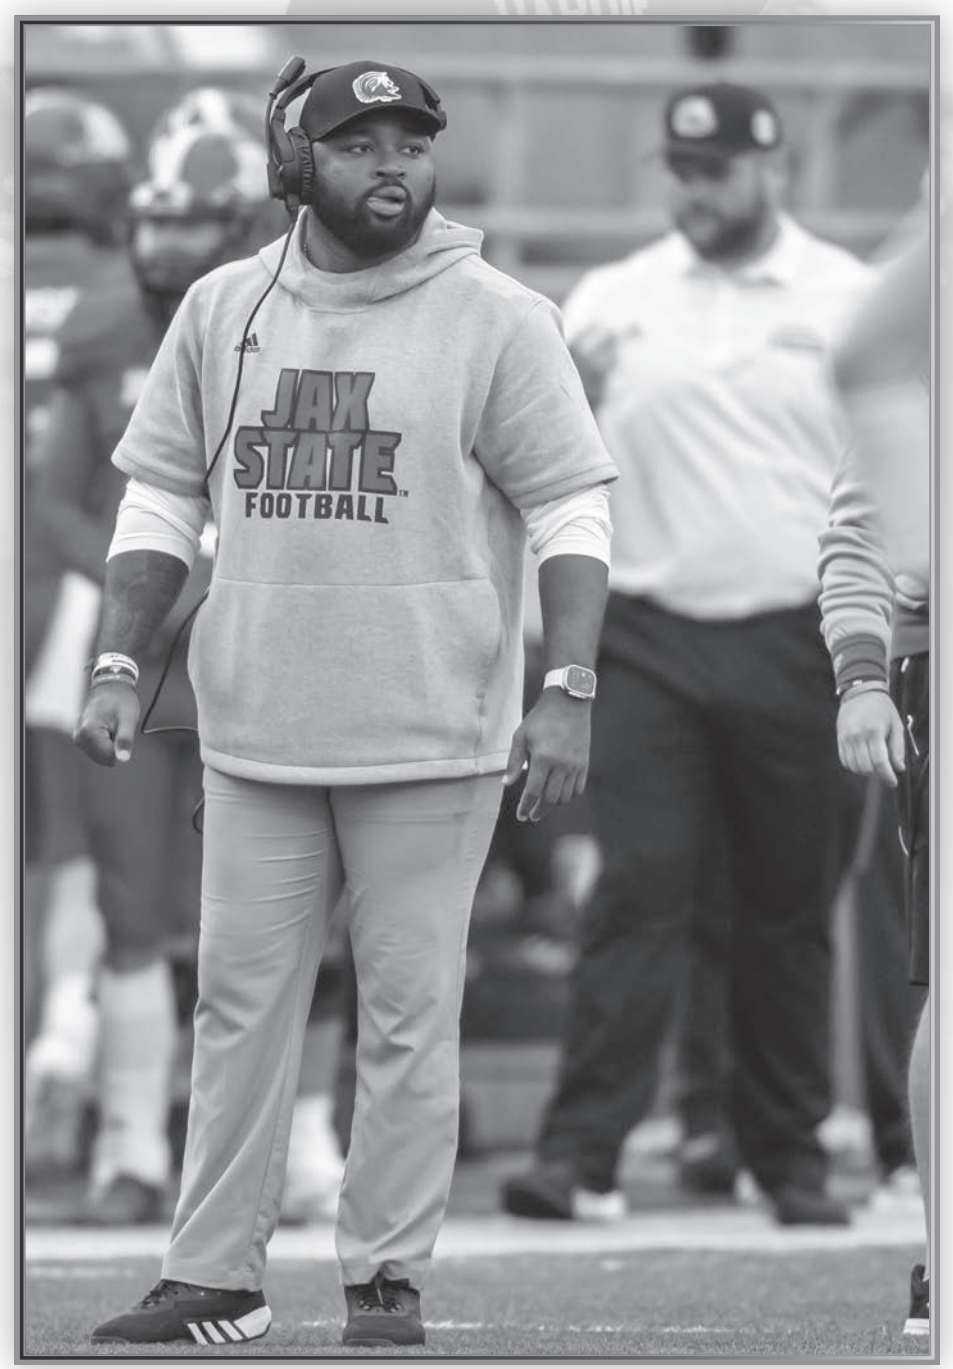
McDowell's three top backs shared the load for Jax State in 2022, with newcomer Anwar Lewis racking up a team-high 818 yards with eight scores. Returners Matt LaRoche and Ron Wiggins ran for 627 and 461 yards, respectively, while Lewis (7.1) and Wiggins (7.7) averaged over seven yards per rush.

McDowell joined Rodriguez's staff as the running backs coach in 2022 after serving in the same role at ULM during the 2021 season. At ULM, he took over a running backs unit that averaged less than 80 yards per game the season before he arrived and added over 50 yards per game to that average in his first season in 2021.

McDowell went to ULM in 2021 from his alma mater Clemson, where he spent the 2019 season as an offensive graduate assistant before serving in an offensive player development role in 2020. In his two years on the Clemson staff, he led the Tigers to a combined record of 24-3 (.889), including a 16-1 record (.941) in Atlantic Coast Conference games, back-to-back ACC Championships, consecutive trips to the College Football Playoff and No. 2 and No. 3 rankings in the final polls, respectively.

A four-year letterman from 2010-13, McDowell accounted for 1,983 career all-purpose yards and 14 touchdowns. As a senior in 2013, he rushed for 1,023 yards and five TDs while earning All-ACC Third-Team honors.

A native of Sumter, South Carolina, McDowell graduated from Clemson with a bachelor's degree in sociology in 2013.



Michael Nysewander

Tight Ends & Inside Receivers

First Season at Jax State

Michael Nysewander is in his first season as the Tight Ends and Inside Receivers Coach on Rich Rodriguez's staff at Jax State.

Nysewander joined the Gamecocks after the Spring of 2023 and looks to make in immediate impression after bringing experience from all levels of the game to Jacksonville with him.

He joined the Gamecocks after spending three seasons at Ole Miss, where he served as head coach Lane Kiffin's Senior Analyst. During those three seasons, the Rebels went to three bowl games, including the Sugar Bowl and a 10-win campaign in 2021.

A native of Brimingham, Alabama, Nysewander is a 2015 graduate of the University of Alabama and received his degree in communication studies. While with the Crimson Tide, he was an H-Back/Tight End and helped head coach Nick Saban's program to three National Championships and SEC Championships. Kiffin was his offensive coordinator at Alabama from 2014-16.

Wearing the number 46 on his Alabama jersey, he earned the nickname "Highway 46" for his knack to open lanes for running backs like Heisman Trophy winner Derrick Henry during his time in Tuscaloosa.

Following his playing career, Nysewander signed with the Kansas City Chiefs as a rookie free agent.

He started his coaching career at Samford, where he was the Bulldogs' running backs coach before joining Kiffin's support staff at Florida Atlantic in 2017. He would later follow Kiffin to Ole Miss.

Kelvin Sigler

Safeties

Sixth Season at Jax State

Kelvin Sigler is entering his sixth season on staff at Jacksonville State and the second as the Safeties Coach under head coach Rich Rodriguez.

As Rodriguez was filling his first staff at Jax State prior to the 2022 season, he announced that he would be re-hiring Sigler as a defensive assistant with the Gamecocks. Sigler spent the previous four seasons as the Gamecocks' Associate Head Coach and coaching their safeties. He served as the team's Defensive Coordinator for the final three years of that stint.

His first season under Rodriguez was a successful one, as he helped lead the Gamecocks to a 9-2 record that included a perfect 5-0 record in conference play and the 2022 ASUN Conference Championship. His safeties group helped a defensive unit that was 15th in the nation in takeaways and first nationally in fumbles recovered.

When Sigler joined the JSU staff in the spring of 2018, he brought years of experience from multiple levels with him and that has carried over into a successful tenure with the Gamecocks.

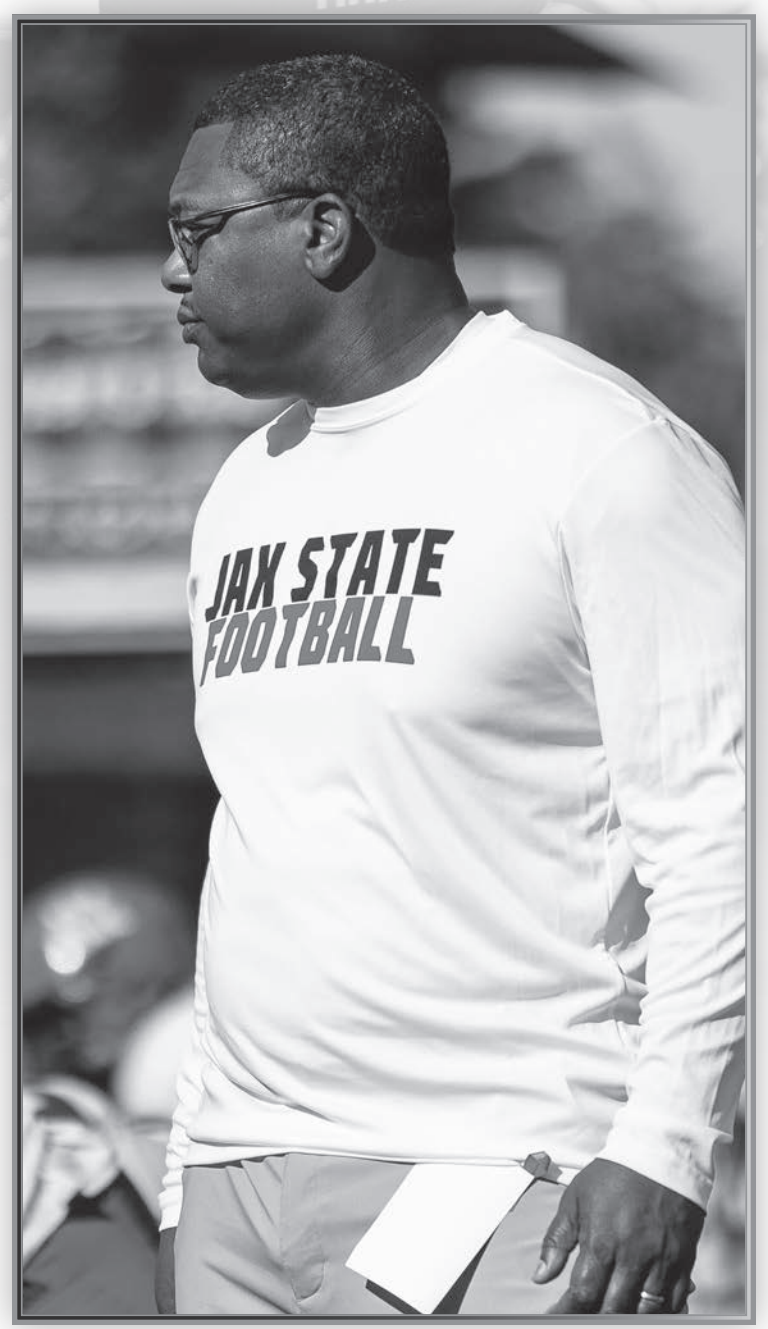
His first season in 2018 was an impressive one, with both of his starting safeties grabbing All-Ohio Valley Conference honors and the Gamecocks winning an OVC-record fifth-straight conference title. In his second season, Bridges again earned All-America honors, while safety Traco Williams, linebacker Zack Woodard and defensive end DJ Coleman joined Bridges on the All-OVC defense.

His third season with the Gamecocks, his defense led the OVC in Total Defense and Rushing Defense and was a driving force in JSU winning its sixth OVC title in seven years and earning the No. 4 National Seed in the FCS Playoffs. The Gamecocks held a school-record nine-straight opponents under 100 yards rushing at one point during the season. His 2021 defense was second nationally with defensive touchdowns, second only to Montana's six.

Sigler came from South Alabama, where he spent two seasons as the Jaguars' cornerbacks coach after a three-year stint at Northern Illinois. Prior to NIU, Sigler was on the 2012 defensive staff at Alabama, where he helped the Crimson Tide to a 13-1 record and a 42-14 win over Notre Dame in the BCS National Championship Game.

He went to Alabama after serving four seasons as the head coach at Blount High School in Prichard, Ala., where he led the Leopards to four-straight playoff appearances and the school's first 10-win season since 1998 in 2011. He also served as a high school coach at Bob Jones and Greensboro High Schools.

Sigler lettered for four years at Alabama from 1995-98. During his career, Sigler intercepted six passes, led the team in tackles as a junior and was one of five permanent team captains his senior year.



Rick Trickett

Offensive Line

Second Season at Jax State

Rick Trickett begins his second season as the Gamecocks' Offensive Line Coach, continuing a longstanding relationship with Jax State Head Coach Rich Rodriguez.

One of the most decorated coaches in his profession, Trickett has been developing offensive linemen for success in college football and preparing them for the next level for over 45 years. When Rodriguez was putting together his first staff at Jax State in 2022, Trickett was an easy decision to lead the Gamecocks' offensive front.

His debut season in charge of the Gamecock offensive line produced immediate results. The Gamecocks put together a 9-2 record that included a perfect 5-0 mark in ASUN Conference play and the conference title at seasons end.

The Gamecock offense was a big reason for that success, and the offensive front paved the way for the fifth-best rushing offense and the 10th-best scoring offense in the nation. Center Treylen Brown was a First-Team All-ASUN Conference selection after moving from guard in the first game and anchoring the line the rest of the season

Trickett was an addition to Rodriguez's staff that brings decades of experience with some of college football's top programs. Trickett has been coaching collegiately since 1976, when he started his career as an assistant at West Virginia. He Coached the Mountaineers offensive line until 1979, when he went to Southern Illinois for the next two seasons. Over the past 46 years, Trickett has also coached the offensive lines at Southern Miss (1982-84), New Mexico (1985), Memphis (1986-88), Mississippi State (1989-92), Auburn (1993-98), LSU (2000), West Virginia (2001-06), Florida State (2007-17) and his alma mater Glenville State (1999, 2019-21).

He has served as the Assistant Head Coach at LSU, WVU, FSU and Glenville State, and during his career, more than 35 of his linemen have gone on to play in the NFL and more than 40 have earned all-conference honors. Twice he had all five of his starting linemen earn all-conference honors – at Florida State in 2012 and 2013, while he placed four on all-conference squads at West Virginia in 2005 and again in 2006.

His unit established FSU as one of the top offensive programs in the nation and paved the way for the most prolific offense in the nation in 2013, when FSU set school and ACC records for single-season total offense, points per game, and yards per play as well as the national record for points while leading the nation in touchdowns. The Seminoles ended that season with a 14-0 record and captured the BCS National Championship.

Blake McCall

Head Strength & Conditioning Coach

Second Season at Jax State

Blake McCall is in his second season as the Gamecocks' Head Strength and Conditioning Coach and has made an immediate impact on Head Coach Rich Rodriguez's program.

McCall was one of the first hires made by Rodriguez when he was hired in late 2021 and took the Gamecocks to a 9-2 record in 2022 that included a perfect 5-0 mark in ASUN Conference play and the conference title.

McCall has integrated the newest technologies in the weight room and on the field to help Jax State's student-athletes prepare themselves for the year-round requirements of college football.

McCall came to the Gamecocks from LSU, where he was an assistant strength and conditioning coach that worked with the Tigers' football, beach volleyball and swimming and diving programs.

McCall joined the LSU strength and conditioning staff prior to the 2019 season and helped the Tigers to a perfect 15-0 record, a Southeastern Conference title and the National Championship. The Tigers broke several records on both sides of the ball and outscored their opponents by almost 400 points.

McCall played offensive line for one season at Jackson State University and was a preseason all-conference pick before transferring to West Florida, where he finished his career with the Argonauts.

As a senior in 2017, McCall led the Argonauts to the NCAA Div. II National Championship Game and a No. 2 National ranking in just the second season for the upstart program.

A native of Century, Fla., McCall played at Northview High School. He received his bachelor's degree in physical education from UWF in 2017.

DR. DON C. KILLINGSWORTH, JR.
PRESIDENT

Dr. Don C. Killingsworth, Jr., has dedicated most of his professional career to Jacksonville State University. Upon graduating from the university with a bachelor's degree in geography in 1999 and a master's degree in counseling in 2001, the former Student Government Association president worked for more than a year as a consultant for American College Testing, Inc., the provider of the ACT college entrance exam.

He returned to his alma mater in 2002 to support student success as coordinator of Academic Advisement. Soon after, he was named director of Government Relations by former university president and personal mentor Dr. William Meehan. He was later promoted to chief external affairs officer. He received his doctorate in higher education administration from the University of Alabama in 2016.

Throughout his career at JSU, Dr. Killingsworth has been passionate about Student Success, and as president, he aims to make Student Success a central goal for the university. As acting president, in January 2020, he created the Division of Student Success to assist all JSU students in attaining their educational goals.

Dr. Killingsworth is active in the community, serving as the president of the Calhoun County Area Chamber and Visitors Center Board of Directors. He also serves on the City of Jacksonville Industrial Development Board and President's Council of the ASUN Conference and Conference USA. He is a member of Jacksonville First United Methodist Church, Jacksonville Exchange Club and the Rotary Club of Calhoun County.

A native of Alexander City, Alabama, Dr. Killingsworth is married to JSU alumna Kristi Killingsworth. They have two children and enjoy living in the historic President's House on campus.

GREG SEITZ
ATHLETIC DIRECTOR

Greg Seitz was named Director of Athletics at Jacksonville State on February 26, 2016 after more than two decades of service to the University.

Seitz, who is in his 31st year in the athletic department at JSU, served as interim Athletic Director for 14 months, marking his third term as the interim Athletic Director for the Gamecock athletic department.

In Seitz's seven-plus years at the helm, the Gamecocks have seen unprecedented success on the field and in the classroom. The 2015-16 season saw JSU's highest ever finish in the men's Capital One Cup at No. 18, ranking the Gamecocks in the top 20 athletic departments among 347 NCAA Division I athletic programs. The 2016-17 season also saw JSU finish in the top 40 at No. 39, tied with Louisville, Harvard and South Carolina and 35 spots ahead of the next Ohio Valley Conference program.

The 2015 football season saw the football team post it's first-ever No. 1 ranking in school history, and earn the No. 1 National seed in the FCS Playoffs before advancing to JSU's first Division I National Championship Game appearance. The Gamecocks set more than 50 school records and ranked in the top three in attendance at the FCS level after hosting three-straight home playoff games.

The Gamecocks won a JSU and Ohio Valley Conference-record five consecutive league titles and won a league-record 36-straight OVC games from 2014 to 2018, the second-longest conference win streak in FCS history. The Gamecocks were the only Division I program to win its conference title outright during those five seasons.

In the classroom, the Gamecock student-athletes posted a record 3.31 GPA for the 2019-20 academic year, the highest cumulative GPA in school history. The Spring 2020 semester guided the year to its record-breaking mark with an impressive 3.47 GPA for the term. It marked the eighth-straight year the student-athletes achieved at least a 3.0 cumulative GPA. Additionally, all 17 sports at Jax State posted a team grade point average higher than a 3.0. Prior to 2019-20, a 3.26 cumulative grade-point average in 2017-18 and a 3.20 in 2018-19 were the two highest cumulative GPAs in program history.

Seitz has been with JSU since 1993, when he began working as assistant sports information director. In 1999, he became Sports Information Director and was promoted to Associate Athletic Director in 2002, before being promoted to Senior Associate Athletic Director in 2011.

During his term as interim and Athletic Director, Seitz has been instrumental in many of the facility upgrades at Jacksonville State, including renovations at Rudy Abbott Field at Jim Case Stadium, Pete Mathews Coliseum, the Riley Green Athletic Sports Performance Center. Seitz was involved in the design and addition to the football stadium in 2010, and is now guiding the stadium's second major renovation, which will include a new football operations center, locker room and additional suites on the north side of the field.

In the summer of 2016, Seitz unveiled plans for a $7.5 million renovation to JSU's Baseball Stadium, Rudy Abbott Field at Jim Case Stadium. The project was completed in time for the 2019 season and includes a 1,000-seat spectator grand stand with a shade canopy, an elevated, shaded entertainment or hospitality deck and service amenities, a new state-of-the-art press box and a game operations center.

In 2017, Seitz announced an extension of a 14-year partnership between JSU Athletics and Adidas, securing the Portland, Ore., based company as the Gamecocks' official athletic apparel and footwear brand.

Also during 2017, Seitz and the Board of Trustees announced plans to install new state-of-the-art high definition video boards in Burgess-Snow Field, Rudy Abbott Field and University Field, while also placing new scoreboards at the JSU Soccer Field and the JSU Tennis Courts. That project went one step further in 2019, when a pair of video boards were installed inside Pete Mathews Coliseum.

The videoboard additions at The Pete was just one part of a major coliseum renovation project following the 2018 EF-3 tornado that hit campus and the surrounding Jacksonville community. Seitz brought the athletic department's administrative home to Pete Mathews Coliseum as part of the renovation, creating new office space throughout the third floor of the facility. The transition paved the way for a new main athletic ticket office in the coliseum lobby, updated basketball, soccer and volleyball locker rooms, and the installation of a full-size practice court on the east end of the building.

Under his guidance, JSU athletics transitioned into the ASUN Conference in 2021, to better align with the evolving college landscape, and has since accepted an invitation to join Conference USA beginning in 2023. The move will take the Gamecocks' football program up to the highest level of college football.

Among his notable hires since taking over as AD, Seitz landed Rich Rodriguez to lead JSU's efforts into FBS and Conference USA. One of his first hires was men's basketball's Ray Harper, who has since led the Gamecocks to their first two Div. I NCAA Tournaments.

Seitz has served on the NCAA Men's Final Four Media Coordinator team for the last 11 years and is currently a member of the NCAA Championships Financial Working Group that was formed in 2019. He was named to the NCAA FCS Football Committee in 2016 and served as the chair of that committee in 2019. In addition, he served as a member of the NCAA Football Oversight Committee in 2019-20 and is as a site representative for the NCAA during the Division I Baseball Regionals and Super Regionals.

FRIENDLIEST CAMPUS IN THE SOUTH

From modest beginnings, Jacksonville State University has evolved into the educational center of Northeast Alabama. The Alabama Legislature in the 1882-83 session created a state normal school when Governor Edward O'Neal signed into law a bill creating the school on February 22, 1883. Jacksonville State Normal School acquired the facilities and equipment of Calhoun College, consisting of 12 acres of land and a two-story brick building. The Board of Directors elected James G. Ryals, Jr., as the first president. The school opened with three instructors: W. J. Borden, Mathematics; Eliza A. Bowen, English; and Ida J. Woodward, primary department. As stipulated in the establishing act, the Normal School administered a preparatory school for children of the town and surrounding areas. At the end of the first year, on August 15, 1884, William Mark Hames, President of the Board of Directors, reported that funds totaling $4,751.25 had been received, including $2,500 from the state; that 25 students were enrolled in the normal school; and that 222 were in the preparatory school.

The Normal School remained in operation until 1930, when it became Jacksonville State Teachers College. Five years later, the College earned regional accreditation from the Southern Association of Colleges and Schools. The name again changed to Jacksonville State College in 1957 when the first graduate program—the master's degree in elementary education—was created. On August 2, 1966, the Legislature authorized the State Board of Education to elevate the College to university status. On August 17, 1967, the Legislature established an independent Board of Trustees for the University and divested jurisdiction from the State Board of Education.

Jacksonville State University has been served by 13 presidents: James G. Ryals, Jr. (1883-85), J. Harris Chappell (1885-86), Carleton Bartlett Gibson (1886-92), J. B. Jarrett (1892-93), Jacob Forney IV (1893-99), Clarence William Daugette (1899-1942), Houston Cole (1942-71), Ernest Stone (1971-81), Theron E. Montgomery (1981-86), Harold J. McGee (1986-99), William A. Meehan (1999-2015), John M. Beehler (2015-2019) and Don C. Killingsworth, Jr.

Jacksonville State University has developed into a modern regional university serving Northeast Alabama on a 392-acre campus with 63 buildings. In addition, the University operates an off-campus center in Gadsden and videoconferencing sites throughout Alabama and Northwest Georgia. Through its programs of teaching, research, and service, Jacksonville State University has served the region and state for more than 100 years.

Academic Affairs

JSU seeks to be recognized as the premier regional, comprehensive institution of higher learning in the Southeast. We aspire to be noted primarily for our focus on students, the provision of selected academic and professional programs recognized for their excellence, and a geographic and culturally diverse faculty and student body. Our educational programs are designed to prepare students for the marketplace of the future and citizenship in a world economy.

Fight Song

Fight on, fight on for ole Jax State
We're proud that we're from Alabama
Fight on, now don't you hesitate,
Courage, pride, and honor
will lead you on to victory, so
Fight on, fight for the red and white,
We're gonna howl tonight,
Come on! You Gamecocks,
Fight and see,
That we will win the victory!

GAME 1

JAX STATE – 42
#10 STEPHEN F. AUSTIN – 17

AUGUST 27, 2022 – MONTGOMERY, AL / FCS KICKOFF

MONTGOMERY – Toss aside a couple of early turnovers and a lengthy weather delay and head coach Rich Rodriguez's debut at Jacksonville State at the FCS Kickoff was a rousing success.

Senior Zion Webb rushed for a career-best three touchdowns as the Gamecocks erased a 10-point deficit and routed No. 10 Stephen F. Austin 42-17 at Cramton Bowl to give Rodriguez his first victory as a Gamecock. The contest was officially halted by lightning and rain with 13:18 remaining in the fourth quarter.

"I'm really proud of our guys because we didn't start out well and had some adversity," Rodriguez said. "There were a lot of reasons for our guys to hang their heads, but they didn't. They came back and had a great attitude in the second half."

Jax State scored 35 unanswered points after Stephen F. Austin staked a 17-7 lead in the first half.

Webb started at quarterback and accounted for 219 scrimmage yards (160 passing, 59 rushing). Anwar Lewis rushed for 100 yards in his JSU debut and Matt LaRoche added another 92 on the ground.

The Gamecocks finished with 484 total yards.

The ASUN Conference issued a post-game statement regarding the decision to end the game after a 1-hour, 46-minute delay:

After suspending play because of lightning with 13:18 in the fourth quarter with Jacksonville State leading 42-17 over Stephen F. Austin, it was determined that the game could not be resumed without significant risk to the health and safety of the student athletes. Per NCAA rules 3-3-3c(2) and with both institutions in complete agreement, the game was ended with the final score 42-17.

The Gamecocks recorded their most yardage in a half since Nov. 9, 2019, against Eastern Kentucky while building a 21-17 lead at intermission. Jax State overcame two first-quarter miscues in their own territory and had a 21-yard field goal attempt blocked by Stephen F. Austin's Edward Bobino.

Jacksonville State rolled up 360 scrimmage yards through the first 30 minutes as LaRoche gained 89 yards (averaging 11.1 yards per run) and Webb contributed another 54. Webb also passed for 118 yards in the first half, including a career-long 73-yard strike to Sterling Galban that set up JSU's second score.

The Lumberjacks scored first when they picked off Webb and returned the interception deep into JSU territory. SFA got on the scoreboard on a 1-yard touchdown pass on fourth down for a 7-0 lead with 6:33 to go in the first quarter.

Jax State responded in impressive fashion with a 75-yard, 13-play drive to tie it.

Pat Jackson ran in from the 1 and Brenton King kicked the extra point to draw the Gamecocks even at 7-7 at the 5:03 mark in the first.

Stephen F. Austin scored via a 50-yard touchdown pass and a 36-yard field to take a 17-7 lead midway through the second quarter. Not much went right for the Lumberjacks of the Western Athletic Conference after that.

Jax State scored twice in the final 1:56 before the half for a 21-17 cushion at the break.

Webb connected with the speedy Galban for 73 yards deep into Stephen F. Austin territory and LaRoche scored from the SFA 8 on the next play. King added the extra point to trim the Lumberjacks' lead to 17-14.

Jax State's defense forced a punt on SFA's next possession, and the Gamecocks quickly drove 49 yards in five plays for their first lead. Webb's first touchdown run – a 4-yarder – and King's PAT put JSU in front with 16 seconds left before half.

Jax State out-gained the visitors from Texas 360-150 in the first half while limiting Stephen F. Austin to seven first downs.

Webb scored touchdowns on a pair of 2-yard runs as Jax State dominated the third quarter. The special teams got in on the scoring onslaught when Cole Fuller pounced on an SFA fumble in the end zone for the Gamecocks' third touchdown in a five-minute span.

"We felt good where we were at in the second half, running the football and making some stops," Rodriguez said. "It was good have a win where you have 1) had some adversity and 2) the heat and the conditioning and all the things we talked about for the last several months helped us and was a factor."

Sophomore Deco Wilson was Jax State's top tackler with eight stops. He also returned an interception 22 yards in the third quarter.

GAME 2

DAVIDSON – 17
JAX STATE – 35

SEPTEMBER 3, 2022 – JACKSONVILLE, AL

JACKSONVILLE – Davidson's second trip to Burgess-Snow Field in 17 months ended just like its first – with a resounding Jacksonville State victory.

Quarterback Zion Webb accounted for all five touchdowns and Jax State's defense forced three turnovers as the Gamecocks improved to 2-0 with a 35-17 win before a Band Day crowd of 18,462 at Burgess-Snow Field. The victory was JSU's 17th straight in a home opener.

Webb, coming off a three-touchdown performance in the season opener vs. Stephen F. Austin, had a hand in all four touchdowns – two rushing and two through the air – as Jax State raced to a 28-10 halftime lead. He scored on runs of three and seven yards and threw touchdown passes to Sterling Galban (31 yards) and Pat Jackson (21 yards).

"As I told the team, I thought we got out-coached in certain areas, I thought we got out-physicaled in certain areas. But I don't want to apologize for a win," said Jacksonville State head coach Rich Rodriguez. "Our guys did what they had to do.

"You worry about option teams and how many possessions you're going to have and are they going to eat the clock up. But there was no panic. I think we learned a few things today."

The Wildcats (0-1), a Pioneer Football League member, were their own worst enemy during the first half, coughing up three fumbles and giving the Gamecocks excellent field position.

Four of Jax State's first five drives started inside Davidson's 30 as Stevonte Tullis recovered a pair of fumbles and J-Rock Swain also came up with a loose ball. Tullis, a senior linebacker, became the 14th JSU defender in school history with multiple fumble recoveries in a game and the first since Pierre Warren in 2011.

The Gamecocks broke a 7-7 deadlock by scoring three touchdowns in a tick over six minutes during the second quarter.

Michael Pettway's 71-yard kickoff return deep into Davidson territory set up the Gamecocks' go-ahead score. Webb finished the six-play, 19-yard drive with a three-yard run to the end zone and Brenton King added the extra point for a 14-7 lead on the first play of the second quarter.

Webb's seven-yard TD run capped off an 86-yard scoring drive to extend his team's lead to 21-7. Moments later, JSU's Chuck Taylor forced a fumble and Tullis came up with his second recovery of the afternoon at the Wildcats 26.

Webb hit Jackson with a swing pass for a 21-yard touchdown pass and another PAT from King made it 28-10 with 8:54 left in the half.

Davidson held a 23:16 to 6:44 advantage in time of possession through the first two quarters.

Webb salted away the win in the fourth with a 20-yard touchdown sprint with 9:32 remaining in the game to complete a 75-yard JSU drive that took eight plays.

The Wildcats ran 77 plays and held possession for more than 42 minutes but were limited to only 57 yards passing. Jacksonville State rolled up 316 yards despite only having the football for 18 minutes.

Webb has now rushed for six touchdowns in JSU's first two games.

Tullis finished with a career-high 14 tackles along with his two recoveries. Markail Benton contributed 10 stops.

GAME 3
JAX STATE – 34
MURRAY STATE – 3
SEPTEMBER 10, 2022 – MURRAY, KY

MURRAY, Ky. - Anwar Lewis rushed for 184 yards and three touchdowns as Jacksonville State improved to 3-0 for the first time since 2013 with a 34-3 win over ex-Ohio Valley Conference rival Murray State at Roy Stewart Stadium.

The Gamecocks defeated the Racers (0-2) for the eighth straight time despite committing a season-high four turnovers. Lewis paced Jax State's punishing rushing attack with 184 yards and scored on runs of one, 46 and 64 yards.

Jacksonville product Ron Wiggins added a career-long 83-yard run late in the fourth quarter for the Gamecocks' final points – his third career rushing touchdown coming on Jax State's longest run from scrimmage this year and tied for the second-longest ever in JSU's Division I history.

The Gamecocks generated a season-high 568 total yards while limiting the hosts to only 267 and 13 first downs.

"We moved the ball at times, but we had some untimely turnovers," said Jacksonville State head coach Rich Rodriguez. "We had some mental mistakes and it was very frustrating at times for everybody, coaches and players.

"I think we'll have moments like that but we've got to learn from our mistakes and try to get better."

Zion Webb connected on his first four passes to four different receivers as Jax State established an early 7-0 lead. The Gamecocks covered 85 yards in 11 plays with Lewis finishing off the four-minute drive by walking in from the Murray 1.

Kicker Alen Karajic's first extra point of the season made it 7-0 with 7:24 to go in the first quarter.

There weren't many offensive highlights for the rest of the opening half by either team until Jax State tacked on a field goal in the final seconds before halftime.

Karajic nailed a 42-yard field goal on the last play of the half as the Gamecocks carried a 10-3 lead to the locker room at intermission. Karajic's kick finished off a much-needed 12-play, 50-yard drive in the last two minutes of the second quarter.

The Gamecocks outgained Murray State 224 to 119 as seven JSU players caught passes from Webb, who threw for 112 yards in the first half.

The Racers' only points came on Aaron Baum's 45-yard field goal.

Webb completed 18 of 28 passes for 167 yards but was intercepted twice before yielding to backup Aaron McLaughlin in the third quarter. Webb also ran nine times.

Murray State turned to trickery in the third when punter Lewis Halton completed a 37-yard pass to Dylan Appleton – their longest play of the game – on fourth down from its 22. Appleton, however, had the ball knocked loose by Jax State's T.J. Lockley and Jett Smith recovered at JSU's 41.

With McLaughlin at the helm, the Gamecocks needed only three plays to find the end zone after the Racers' turnover. Lewis broke loose for a 46-yard TD run and Karajic tacked on another extra point as Jax State reeled off 24 unanswered points in the second half. Karajic later kicked a 26-yard field goal as JSU built its lead to 20-3 through three quarters.

McLaughlin ran seven times for 50 yards and completed two passes in his first significant playing time with the Gamecocks. P.J. Wells and Lewis contributed a team-high five receptions each.

Murray State completed only six passes for 92 yards. Markail Benton led Jax State with eight tackles, including 1.5 stops for losses, and also had a sack.

GAME 4
JAX STATE – 17
TULSA – 54
SEPTEMBER 17, 2022 – TULSA, OK

TULSA, Okla. – Tulsa lived up to its ranking as one of the most potent offenses among the 131 Football Bowl Subdivision programs.

Jacksonville State (3-1) struggled to slow one of the nation's leading passing units, falling behind early in a 54-17 loss to the Golden Hurricane, a member of the FBS American Athletic Conference, at historic H.A. Chapman Stadium.

"Tulsa's a good team, and we weren't close to them judging by the way we played tonight. We have a lot of work to do," said Jacksonville State head coach Rich Rodriguez.

Tulsa quarterback Davis Brin, the national leader for FBS passing yards per game, threw for 424 yards and four touchdowns while receiver Keylon Stokes, ranked second nationally in yards per game, recorded his third straight 100-yard effort with 153 yards as the Golden Hurricane improved to 2-1 overall.

Quarterback Zion Webb rushed for a three-yard touchdown in the third quarter and remains the FCS leader in that category with seven TDs. Webb was injured on a running play early in the fourth quarter but was able to walk off the field with assistance.

Alen Karajic provided Jax State's first points with a 46-yard field goal late in the second quarter.

Freshman quarterback Te'Sean Smoot, in his first collegiate action, ran for a 16-yard touchdown with 5½ minutes remaining. Smoot rushed five times for 22 yards and completed 1-of-2 passes for eight yards.

Tulsa started the game with a 14-play, 75-yard touchdown drive in which Brin converted first downs on third-and-10 and later on third-and-15. Steven Anderson finished it off with a four-yard touchdown run at the 8:27 mark in the first quarter.

Tulsa added a safety for a 9-0 lead later in the first when a JSU snap sailed over the head of punter Jack Dawson and out of the end zone.

Quarterback Aaron McLaughlin made his first JSU start and threw for 47 yards, including a 29-yard completion to Sterling Galban for the Gamecocks' longest play from scrimmage. He also ran it seven times.

The Jax State offense – which entered the game averaging 456.0 yards per game – was limited to 295 by the Golden Hurricane.

Markail Benton led the Gamecocks in tackles with eight and Deco Wilson contributed seven.

GAME 5
JAX STATE – 52
NICHOLLS – 21
SEPTEMBER 24, 2022 – THIBODAUX, LA

THIBODAUX, La. – Jacksonville State's defense, exploited a week earlier in a loss at Tulsa, redeemed itself in a major way against Nicholls as the offense regained its explosiveness Saturday afternoon.

Jax State (4-1) raced to a 21-point halftime lead and crushed the Colonels 52-21 at John. L. Guidry Stadium. Interceptions by Kobi Fuqua and Jamari Jemison in the first half led to touchdowns as the Gamecocks closed out the September portion of the schedule with their highest-scoring total in a half since 2018.

Quarterback Zion Webb threw touchdown passes of 76 and 71 yards and rushed for two more scores as Jax State rolled up 518 scrimmage yards and punted just three times, all in the fourth quarter after the outcome was decided. Webb threw for 252 yards, the second-most of his career, and added to his FCS-leading total for rushing TDs with scoring runs of 13 and 28 yards before yielding to the backups.

"Every time Zion was in, we scored, so he was seeing the field well," said Jacksonville State head coach Rich Rodriguez. "The execution was key for us offensively."

Fuqua intercepted a Colonels pass at midfield on the game's seventh play and returned it 25 yards into Nicholls territory. Pat Jackson – one of four Gamecocks to run for a touchdown in the first half – scored on a three-yard run and Alen Karajic kicked the first of his seven extra points for a 7-0 lead with 11:01 left in the first quarter.

Matt LaRoche made it 14-7 at the 2:28 mark in the first with a season-long 46-yard run to cap a three-play, 75-yard drive. Things went downhill rapidly for the Colonels from that point on.

Webb found a wide-open Sean Brown for a 76-yard touchdown pass, Anwar Lewis scored on a three-yard run and Webb tacked on 13-yard run to the end zone as the Gamecocks extended their lead to 35-14 by halftime.

Webb stayed hot by connecting with Sterling Galban on a 71-yard touchdown just 38 seconds into the third quarter.

Webb later added a 28-yard TD run and Karajic tacked on a 46-yard field goal as Jax State built its lead to 52-14 entering the fourth.

GAME 6
KENNESAW STATE – 28
JAX STATE – 35 (OT)
OCTOBER 1, 2022 – JACKSONVILLE, AL

JACKSONVILLE – Jacksonville State dug itself an early hole with costly mistakes against preseason ASUN Conference favorite and perennial FCS power Kennesaw State.

Jax State committed four first-half turnovers – and five total – and fell behind by double digits to the Owls in the conference opener for both teams before a raucous crowd of 19,654 at Burgess-Snow Field at JSU Stadium.

But the Gamecocks (5-1, 1-0 in the ASUN) persevered and prevailed 35-28 in overtime, the winning score coming on receiver Sterling Galban's acrobatic, diving 11-yard touchdown catch from Zion Webb. Jax State's defense then delivered the knockout blow when Jackson Luttrell sacked KSU quarterback Jonathan Murphy for a loss and J-Rock Swain fell on Murphy's fumble to seal the win, setting off a wild on-field celebration.

"I don't know that I've ever had that many turnovers and won," Jacksonville State head coach Rich Rodriguez said as he savored a ceremonial victory cigar. "But our guys kept playing hard. They played with a lot of heart and it was meaningful to them.

"The crowd was fantastic, the weather was super. It was a great day to be a Jacksonville State Gamecock."

JSU's first victory in four tries against Kennesaw State didn't come easy.

The Gamecocks stormed out of the locker room after halftime and scored 18 straight points to build a 28-21 lead entering the fourth quarter. Jax State's defense held the Owls without a first down in the third quarter while the offense got a 1-yard touchdown run from Anwar Lewis, a 21-yard field goal by Alen Karajic and a 42-yard touchdown toss from Webb to Keishoen Jarrett, followed by a two-point conversion.

Kennesaw State drew even late in the fourth following Jax State's second muffed punt of the afternoon. Murphy ran for his third touchdown and Nathan Robertson's PAT made it 3:14 with remaining.

Robertson had a chance to send the Owls home as winners with a 45-yard field goal attempt at the end of regulation, but his kick sailed wide right to force overtime.

Kennesaw State (1-3, 0-1) converted two Jax State turnovers into touchdowns and built a 21-10 lead at halftime.

The Owls knocked the football loose from Webb on the game's first play and recovered at JSU's 43. Kennesaw State found the end zone first in five plays, as Murphy pushed in from the 1 and Robertson added the extra point for a 7-0 lead just three minutes into the game.

Jax State avoided falling further behind after turning it over again on its second series. Swain forced an Owls fumble and Jeremiah Harris pounced on it to set up the Gamecocks' first points.

Karajic finished off the ensuing drive with a 45-yard field goal as JSU drew to within 7-3.

Jacksonville State took its first lead thanks to a special teams score.

Cole Fuller blocked a Kennesaw State punt late in the first quarter and Amon Scarbrough scooped it up in stride and raced 11 yards to the end zone. Karajic's extra point put Jax State in front 10-7 at the 3:24 mark in the first – the last time the Gamecocks led until late in the third quarter.

Kennesaw State scored two touchdowns in a span of 4½ minutes to build an 11-point lead at the half.

Murphy scored on a 2-yard run midway through the second quarter and a muffed JSU punt – the first of two special team turnovers by the Gamecocks – set up a Preston Daniels 8-yard touchdown run with 1:53 remaining before intermission.

"It was almost as if we were pressing or trying too hard," Rodriguez said. "You can see on the sideline that they were just pressing a little bit. I didn't want them to think we were out of the game."

GAME 7
JAX STATE – 47
NORTH ALABAMA – 31
OCTOBER 15, 2022 – MADISON, AL / TOYOTA FIELD

MADISON – Jacksonville State and North Alabama traveled almost 1,000 yards in one direction, but the Gamecocks' opportunistic defense forced four key turnovers at Toyota Field that proved to the difference in the milestone 50th football meeting of the rivalry.

Jax State (6-1, 2-0 in the ASUN) held off its longtime rival 47-31 before an announced crowd of 10,124 in the first football game played in the multi-use facility and home of the Rocket City Trash Pandas, Double-A affiliate of the Los Angeles Angels of Anaheim.

Due to safety protocols, all offensive plays were run toward the west end zone (first base dugout), which had the required 10 yards available beyond the back of the end zone. The east end zone (leftfield wall) was regulation depth and defensive touchdowns, safeties and punt returns could occur in that direction. After every change of possession, the ball was repositioned.

It was, according to Jax State head coach Rich Rodriguez, a unique experience.

"I really thought it was a neat environment," Rodriguez said. "I was a little leery going into it because I've never played on a baseball field, but it worked out fine."

Anwar Lewis rushed for 165 yards and two touchdowns and Zion Webb threw for one touchdown and ran for another as JSU defeated the Lions for the sixth consecutive time.

JSU finished with 511 total yards while the Lions recorded 448 yards.

Jax State led 31-14 at halftime as it rolled up 293 total yards through the first two quarters.

JSU's defense forced a UNA turnover that led to the Gamecocks' first points. Markail Benton pounced on a fumble by UNA quarterback Noah Walters at the Lions' 18 and it took JSU just two plays to convert, with Anwar Lewis scoring on a 9-yard run with less than five minutes elapsed in the first quarter.

Webb had completions of 38 yards to Sterling Galban and 23 yards to Perry Carter as Jax State stretched the lead to 14-0. Matt LaRoche capped off the seven-play, 80-yard drive with by crashing into the end zone from 10 yards out and Alen Karajic added the extra point at the 5:52 mark in the first.

The JSU lead grew to 21-0 following Fred Perry's interception of a Walters pass late in the first quarter.

Webb found Ron Wiggins on a 17-yard completion to the UNA 25 and two players later the duo hooked up again for 25-yard scoring pass. Wiggins' first career TD reception and another Karajic PAT gave Jax State a 21-point cushion late in the first quarter.

Karajic kicked a 24-yarder at the 6:10 mark in the second quarter for a 24-7 JSU lead. The Gamecocks carried a 31-14 lead to the locker room at halftime as the teams traded touchdowns inside the final two minutes.

Webb had a 20-yard touchdown run, his 10th of the season, at the 1:51 mark. But the Lions (1-5, 0-2) responded by driving 75 yards in six plays and found the end zone with 27 seconds to go to trim the Gamecocks' lead to 17 at the break.

UNA stormed out to start the third quarter and posted two quick touchdowns to cut JSU's lead to 31-28.

Karajic, however, had second-half field goals of 32, 38 and 29 yards and Lewis added his second rushing touchdown, this one covering 60 yards, as the turned back the UNA threat.

This was the first NCAA Division I game to feature "one-directional" football since Northwestern and Illinois played at Wrigley Field in 2010 and game organizers believe it was the first in history involving two FCS programs.

GAME 8
SOUTHEASTERN LOUISIANA – 31
JAX STATE – 14

OCTOBER 22, 2022 – JACKSONVILLE, AL

JACKSONVILLE – Southeastern Louisiana scored 18 unanswered second-half points to defeat Jacksonville State 31-14 in a non-conference matchup at Burgess-Snow Field at JSU Stadium Saturday afternoon.

A Homecoming crowd of 18,654 saw the Gamecocks (6-2) take a 14-13 lead at halftime. The Lions of the Southland Conference controlled the tempo through the third and fourth quarters, however, putting the finishing touches on their road victory with a short scoring run with 15 seconds on the clock.

"Obviously we looked poorly prepared at times; that's on me," said Jacksonville State head coach Rich Rodriguez. "We were outcoached. We've got to get our guys to play at a higher performance."

Anwar Lewis gained 125 yards on 15 carries and had a 10-yard reception, accounting for 135 of JSU's total. Ahmad Edwards grabbed two passes for 72 yards while Sterling Galban had a team-high three catches for 20 yards.

After a scoreless first 15 minutes, both offenses found their rhythm in the second quarter.

Southeastern Louisiana – which ran 50 plays during the first half, twice as many as Jax State – got on the scoreboard first with a 6-yard touchdown pass that finished off a 12-play, 80-yard drive.

Riley Callaghan's extra point gave the Lions a 7-0 lead at the 11:54 mark in the second.

Lewis broke free for a 53-yard touchdown run to draw the Gamecocks even. Lewis' eighth TD of the season and Alen Karajic's extra point made it 7-7 at the 10:11 mark.

The first of two Callaghan field goals in the last two minutes, this one a 31-yarder, put the Lions in front 10-7. Jax State quickly responded, however, when Zion Webb found Edwards behind the Southeastern Louisiana secondary for a 64-yard touchdown. Edwards' 10th career TD reception was the longest of his career and first of the season.

Karajic's PAT with 1:07 remaining gave the Gamecocks a 14-10 edge, its first lead of the afternoon.

Southeastern Louisiana (4-3) reverted to a bit of trickery to trim the deficit to one point at halftime.

Bauer Sharp ran 55 yards deep into JSU territory on a fake punt, but the Gamecocks defense stiffened and forced the Lions' Callaghan to kick a 23-yard field goal on the final play of the half.

"In the first half I thought we had some missed opportunities," Rodriguez said. "But I felt OK because our guys were playing hard.

"They didn't do anything differently in the second half than in the first half. It's just the execution wasn't there. We've got to take this as a learning opportunity for coaches and players, be mad about it for 24 hours, then learn from it and get ready for the next one."

The Lions took the lead for good on the first play of the fourth quarter, added another Callaghan field goal with five minutes left, and put the contest out of reach with a 2-yard touchdown run in the waning seconds.

GAME 9
JAX STATE – 40
AUSTIN PEAY – 16

OCTOBER 29, 2022 – CLARKSVILLE, TN

CLARKSVILLE, Tenn. - The first of three rugged ASUN Conference games to conclude the 2022 season saw Jacksonville State halt Austin Peay's two-game series streak to remain atop the league standings.

Quarterback Zion Webb passed for a touchdown and caught the first scoring pass of his Jax State career on a version of the "Philly Special" as the Gamecocks routed Austin Peay 40-16 at Fortera Stadium on Saturday. Jax State (7-2, 3-0) broke loose in the second half with 24 unanswered points, including the first blocked field goal return for a touchdown since 2008.

"I thought in the second half in all three phases we played solid, and that was the difference," said Jacksonville State head coach Rich Rodriguez, who earned his 170th career victory. "Our guys hung in there.

"We wanted to give them a different wrinkle in the second half and we changed up some formations and ran some stuff we just put in a few days ago. We had to reach into our bag of tricks, so to speak, in the second half."

Webb accounted for 261 scrimmage yards (186 passing, 75 rushing) and the Gamecocks, who entered the day ranked 122nd out of 123 FCS programs in time of possession, held a 31:55 to 28:05 lead in that category against Austin Peay.

Pat Jackson got the second-half onslaught started with a 3-yard run with seven minutes left in the third quarter.

Rodriguez' "bag of tricks" featured a double-reverse from Webb to Jackson to Galban, who pulled up as he rolled right and tossed a 5-yard TD pass to the quarterback, who was uncovered in the end zone.

Webb's touchdown catch concluded a 14-play scoring drive, JSU's longest of the year, and extended Jax State's lead to 30-16.

The backbreaker for Austin Peay came with 10½ minutes left and the Gamecocks leading by 17.

Larry Worth broke through the line and blocked a Trujillo field goal try, which was scooped up by Jamari Jemison, who raced 69 yards for a touchdown and a 40-16 lead. It was the Gamecocks' first score via a blocked field goal in 14 years.

A rollercoaster first half featuring five leads changes ended tied at 16 as Austin Peay's Maddux Trujillo kicked a 55-yard field goal into the wind, the third longest in FCS this season, as time expired.

The Gamecocks' first two offensive series ended in three-and-outs and produced only one net yard.

Punt returner Galban gave JSU its best field position with a 19-yard return to its 49. Facing third-and-7 at the Governors' 48, Perry Carter Jr. hauled in a 48-yard touchdown toss from Webb as Jax State got on the scoreboard first at the 3:36 mark in the first quarter.

It was Carter's first career TD reception as Gamecock.

Austin Peay (5-3, 1-2) answered to take its first lead following a 10-play, 75-yard drive. C.J. Evans Jr. finished it with a 4-yard run on the final play and the Govs converted their extra point to ahead 7-6.

The Gamecocks retook the lead when Karajic kicked a 40-yard field goal with 7:35 remaining in the second. The scoring drive was set up by Zion Webb's 30-yard completion to PJ Wells, whose acrobatic catch along the sideline gave JSU possession at Austin Peay's 28.

The lead changed twice in the last 6:13 of the half.

First, the Govs scored on a 23-yard touchdown pass to cap off a 75-yard drive that was aided by a pass interference penalty against the Gamecocks. Trujillo's extra point put his team back in front, 13-9.

Jax State responded with a methodical eight-play, 76-yard march to the end zone. Matt LaRoche took a speed option pitch from Webb and went the last two yards with 25 seconds to go before intermission, his fourth rushing touchdown of the season.

Karajic's PAT gave Jax State the lead again at 16-13.

The Govs received the ensuing kickoff and moved quickly to JSU's 33. Following a false start penalty that moved it back five yards, Trujillo came on to kick a 55-yard field goal into a 15 mph breeze that sent the teams to their respective dressing rooms deadlocked.

GAME 10
#24 EASTERN KENTUCKY – 17
JAX STATE – 42
NOVEMBER 12, 2022 – JACKSONVILLE, AL

JACKSONVILLE - Jacksonville State went out a winner in its final game at Burgess-Snow Field as an FCS program.

The Gamecocks, who are moving to FBS Conference USA in 2023, knocked off Eastern Kentucky 42-17 as quarterback Zion Webb – one of 11 upperclassmen honored in a Senior Day pregame ceremony – and Pat Jackson each rushed for two touchdowns.

Jax State improved to 8-2, 4-0 in the ASUN Conference, and can stake their claim to the league title outright with a win at Central Arkansas in next week's season finale.

"I'm really proud of our guys – they played hard and all three phases contributed in some way," said Jacksonville State head coach Rich Rodriguez. "I think our guys were really focused for those seniors. It was a really good win."

Webb had touchdown runs of four and six yards in the first half as Jax State opened a 21-7 lead at the break.

The senior quarterback finished with a career-best 104 yards on the ground in his 39th appearance in a JSU uniform, his previous high of 100 yards coming against the Colonels four years earlier. He also threw for 155 yards, completing 10 of 16 passes.

Jackson scored Jax State's first and last touchdowns, both on 1-yard runs in the first and fourth quarters, respectively. Ron Wiggins ran for 139 yards on 13 carries and scored on a 26-yard touchdown jaunt in the third quarter.

Matt LaRoche contributed a 5-yard touchdown run late in the third quarter en route to 82 yards on 14 rushes.

Eastern Kentucky (6-4, 2-2), which entered the day averaging 36.1 points per game, was held to a season-low 17 points.

The Gamecocks will hit the road for their final game next Saturday at Central Arkansas. It will be Jax State's first visit to Estes Stadium, which features a purple and gray striped artificial surface.

"For our guys, they've got at least a share of (the ASUN title), so this is a huge week for us coming up because we don't want a share of it. We want to try to win it outright," said Rodriguez.

GAME 11
JAX STATE – 40
CENTRAL ARKANSAS – 17
NOVEMBER 19, 2022 – CONWAY, ARK.

CONWAY - Newly hired Rich Rodriguez stood before assembled media members and Jacksonville State supporters 356 days ago and declared, "I know you're looking forward as I am to what's going to happen here over the next 12 months."

On Estes Stadium's purple & gray striped turf Saturday, Year 1 of the Rodriguez era as Gamecocks' head football coach wrapped up with a resounding 40-17 victory over Central Arkansas.

Picked to finish fourth out of six teams in the ASUN Conference preseason poll, Jax State proved those prognosticators wrong and earned the 2022 league championship, winning all five of its ASUN games by an average of 19 points and finishing 9-2 overall.

"I'm just really so proud. I don't know that I've ever won a championship in my first year," Rodriguez said as his players and staff celebrated. "That's a true credit to these players – the way they've bought in, the way they've worked and all the changes they went through.

"I'm just so proud of them. They deserve this."

As a program transitioning to the Football Bowl Subdivision level, Jacksonville State is ineligible for this year's FCS playoffs, per NCAA rules. The ASUN issued a statement in September stating that the Gamecocks also were not eligible to win the league's football crown, even though their games counted in the standings.

Jacksonville State Athletics officials, however, intend to ignore the asterisk and will honor the team as ASUN champions and present the squad with champion-

ship rings and commemorative T-shirts.

Ron Wiggins scored on a pair of touchdown runs and Zion Webb rushed for a career-high 132 yards and a touchdown as the Gamecocks ended the season on a three-game win streak, outscoring its final three league opponents 122-50 in its FCS swansong.

Webb accounted for almost 300 scrimmage yards, and it was JSU's defense and special teams that played decisive roles. Jax State recovered four fumbles – second-most in a single game in school history – and limited the Bears to 78 yards on the ground, more than 100 below their average.

"Zion really battled," said Rodriguez. "I played with a lot of heart. He was kind of banged up a little bit. We blocked on the perimeter and we've got unselfish wideouts, so it was a great win for."

A chaotic first half saw the Gamecocks recover four fumbles, including back-to-back recoveries on successive kickoffs, roll up 284 total yards while surrendering 285, and score their first safety since 2017.

JSU received the opening kickoff and quickly drove 75 yards in five plays. Ron Wiggins ran 48 yards to deep in UCA territory on the game's first play and crashed in from 14 yards out with 10:30 remaining in the first quarter.

Yessman Green broke through to block a Bears' punt out the back of the end zone for a 9-0 Jax State lead. The safety was the first recorded by JSU's defense since Nov. 16, 2017, against Tennessee State.

Wiggins scored his second touchdown of the game on a 1-yard at the 1:08 mark in the first quarter to complete an 80-yard drive.

A bizarre second quarter saw Jax State drive to Central Arkansas' 2 following a 58-yard run by Webb. But the Gamecocks were forced to settle for Alen Karajic's 25-yard field goal for a 19-7 lead with 8:59 to go in the half.

Jett Smith recovered the ensuing kickoff at UCA's 25 and the Gamecocks offense needed just one play to find the end zone again as Webb found Anwar Lewis on a perfectly executed wheel route for 25-yard touchdown and a 26-7 lead.

Leeshoen Jarrett was in the right place at the right time on the kickoff following Lewis' touchdown catch. The fumble recovery, which was forced by Larry Worth, gave Jax State the football at the UCA 16, but the Gamecocks failed to capitalize when Karajic appeared to slip while attempting a 32-yard field goal.

A fumble recovery by the offense resulted in Jax State's first points after halftime.

Michael Pettway pounced on a Webb fumble in the end zone with 11:22 left in the third as JSU built its largest lead at 33-10. Webb's 2-yard dive into the end zone capped off the Gamecocks' sixth game with at least 40 points this year.

Central Arkansas (5-6), Austin Peay (7-4) and Eastern Kentucky (7-4) finished in a three-way tie for second place in the ASUN standings at 3-2.

Ed Lett

Ray Vinson with Coach Jim Blevins

BLACKIE HEATH - 1946

Blackie Heath was the first football player to grab All-America honors at Jacksonville State under Coach Don Salls, and he set the precedent for many to follow. Known for his blazing speed, Heath played tailback on the 1946 team and led the team in rushing and total offense.

JOHN WILLIAMS - 1947

Fullback John Williams, a tough 185-pound bulldozer of a runner, ripped his way for 997 yards to set a new standard in modern times for yards gained at Jacksonville State. The mark stood for seven years until another Gamecock All-America came along to clip the mark. During the 1947 campaign, the Gamecocks knocked off nine-straight foes, blanking five, and it was the fine running and leadership of one John Williams who led the way. John went on to become a Lt. Commander in the U.S. Navy.

JODIE CONNELL - 1953

When fans gather at Homecoming or whenever Gamecock football is the subject, the name of Jodie Connell always pops up in the conversation. Jodie, playing with only one arm, mastered everyone who dared line up in front in the 1953 season. He was a first-team Associated Press selection at the guard position

AL WOODHAM - 1954

Perhaps the fastest halfback to ever carry football at Jacksonville State, Al Woodham erased John Williams' rushing record of 997 yards with a total of 1,024 yards in 1954. For his efforts, Woodham was chosen for All-American honors and earned the school's first trip to the Blue-Gray Game in Montgomery, Ala.

BILLY HICKS - 1955

One of the really outstanding runners in Gamecock football history is All-American Billy Hicks. His finest hour came in the 1955 Refrigerator Bowl in Evansville, Ind., when he helped Jax State whip Rhode Island, 12-10, to give the Gamecocks a 10-1 record. Hicks, a giant of a man (6-2, 245), played a couple of seasons in the Canadian Football League after his career at Jacksonville State.

JIM GLASGOW - 1957

At 6-5 and 235 pounds, Glasgow was one of the largest, toughest and fastest tackles in the country, and his fine play earned him All-America honors. Glasgow became the second JSU player to play in the Blue-Gray Game in Montgomery, Ala., joining Al Woodham.

BILL NICHOLS - 1958

Bill Nichols, a fellow who didn't resemble a football player until he got the ball because of his size, outran everyone during the 1958 season to earn All-America honors. Nichols became just the second player in JSU history to rush for more than 1,000 yards after gaining 1,051 yards in 1958.

AL CARTER - 1961

Arland "Al" Carter picked up his All-American honor in 1961 after leading JSU to a 6-2-1 record. Carter led the Alabama Collegiate Conference in total offense and was named the most valuable back in the ACC. Carter played tailback in the Gamecocks' single-wing formation.

RAY VINSON - 1966

Ray Vinson earned Associated Press All-America honors in 1966 and was one of the most talented players to ever put on a Gamecock uniform. Vinson led Jax State in every offensive department as a freshman and broke records on defense as a senior. He intercepted 13 passes his senior year and, although he wasn't drafted in the pro draft, he was signed by the San Diego Chargers. The Oxford, Ala., native finished with a total of 15 interceptions at Jacksonville State and his pass interception marks, season and career (16), will probably never be broken.

TERRY HARRIS - 1967

Terry Harris, like Ray Vinson, was a versatile player who excelled on both offense and defense, but defense was where he shined the brightest. Harris' defensive efforts earned him Little All-America recognition from the National Association of Intercollegiate Athletics (NAIA). Terry signed with the San Diego Chargers. Terry holds the record for most yards pass receiving (career) and had 13 interceptions in two seasons. It was Harris' leadership on defense in 1967 that helped Jax State intercept 23 passes in 10 games.

JIMMY CHAMPION - 1970

Jimmy Champion, Jacksonville State's "champion" blocker at center in 1970 when the Gamecocks went 10-0-0 and won the Orange Blossom Classic, will be ranked as one of the all-time great linemen in JSU history. He was the first player to ever make first-team AP and NAIA All-America at Jacksonville State. His blocking helped the Gamecocks score 35 points per game and average close to 400 yards total offense per game. He was a four-year starter at Jacksonville State.

BRUCE NICHOLS - 1971

Bruce Nichols was deserving of Little All-America honors in two seasons but made the selection only once, his senior year. He asked not to be considered his junior year so that several outstanding seniors that year could receive more consideration. A four-year starter, Bruce signed with the Dallas Cowboys following the 1971 season. He was also a two-time all-conference pick. His blocking allowed the Gamecocks to average 34 points per game for two years.

ALAN PASEUR - 1972

Alan Paseur's climb to fame at Jacksonville State University is an example of what hard work and dedication can achieve. Not blessed with outstanding ability and seemingly beset with hard luck, Paseur overcame both on his way to Little All-America honors at JSU. Paseur overcame two serious knee operations and worked to support a family of two on his way to LAA honors. Not bad for a guy who weighed 170 pounds in high school and the person whose services were only wanted by the military recruiter. Paseur was named to the NAIA postseason squad.

BOYCE CALLAHAN - 1973

Boyce Callahan became Jacksonville State's second Little All-American to make both the Associated Press and NAIA teams. Jimmy Champion (1970) was the other. Callahan, in his four-year career, broke every rushing and scoring record in JSU history. He gained 4,228 yards and scored 40 touchdowns, totaling 240 points. In addition, he set the season rushing record with 1,293 yards and the single-game mark with 275 yards against Florence State.

CALVIN WORD - 1974 • 1975

Calvin Word became the only Jacksonville State football player to earn Little All-America honors twice when he made NAIA and Associated Press teams in 1974 and 1975. The 215-pound offensive tackle signed with the Dallas Cowboys following graduation. He won most valuable offensive lineman at Jax State and was voted team captain. JSU's 1974 team won the Gulf South Conference title.

GARY WAGNER - 1976

Gary Wagner played linebacker well enough to make all-conference as a junior, but he really came into his own as a middle guard during his senior season. Wagner, note for his quickness and ability to block punts, field goals and extra-point attempts (17 in two years), won NAIN Little All-America honors at this position. In addition, the former Huntsville prep star was voted all-district and all-conference during the 1976 season, when Jax State did not allow a rushing touchdown in the first eight games.

JESSE BAKER - 1977 • 1978

He finished his Gamecock career with 3,376 yards rushing to move into third place on JSU's all-time list and also finished with 34 rushing touchdowns, the fourth most in school history.

DARIUS JACKSON - 2016 • 2017

Darius Jackson was as dominant a player that JSU's defense had ever seen in his four-year career in a Gamecock uniform. The Bessemer, Ala., native was a First Team All-American by the Associated Press and Walter Camp Football Foundation in 2016 and then was a consensus First Team All-American in his senior season. Jackson was a first-team pick on all six FCS All-America teams in 2017 and then went on to become the first player in JSU and OVC history to win the Buck Buchanan Award – given annually by STATS to the top defensive player in the FCS. He was named the OVC Defensive Player of the Year in 2016 and 2017, only the fifth player in league history to win the award in back-to-back seasons and the first in 28 years. He helped JSU to four-straight OVC titles and went 31-0 in OVC

play during his career. He led a dominant JSU defense in his last two seasons, one that ranked fourth nationally in total defense in 2016 and second in 2017. In 2017, he broke the school record for tackles for a loss in a season with 20.5, beating his own record set in 2015. His 1.7 tackles for loss per game ranked fourth nationally, and he had seven sacks on the season and 23 quarterback hurries. His four-year career saw him demolish the JSU career records for sacks (27.5), tackles for loss (60.5) and yards from tackles for a loss (277).

JAYLEN HILL - 2016

Jaylen Hill was one of the top pass defenders in the FCS in 2016 and saw his efforts rewarded when the Associated Press named him to its All-America Team. The native of Marietta, Ga., grabbed his first All-America mention after leading the OVC with six interceptions. The Marietta, Ga., native had 13 pass break-ups and was fourth national with 19 passes defended, while returning his six picks a school-record 181 yards. He also totaled 32 tackles, 23 solo, with one sack and four tackles for a loss. A First Team All-OVC performer in 2016, Hill led a JSU secondary that sixth in the nation with 18 interceptions. The Gamecocks ranked fourth in total defense, first in third down conversion defense and 17th in turnovers gained. He wrapped up his JSU career with 13 interceptions, the most in JSU's Division I history and tied for the second-most in a career in school history and then signed a free agent contract with the Baltimore Ravens.

MARLON BRIDGES-2016•2017•2018•2019

The first four-time All-American in JSU history, Marlon Bridges was one of the top defenders in the nation the moment he stepped onto the field in 2016 when he was named an All-American by STATS and a Freshman All-American by HERO Sports. Bridges stormed onto the scene as a freshman for the Gamecocks and earned OVC Freshman of the Year honors in the process. The Lanett, Ala., native then earned All-America honors in each season in a JSU uniform. As a sophomore in 2017, as he was named a First Team All-American by Walter Camp, a second-team pick by the AP, Phil Steele and HERO, and a third-team selection by STATS. His junior season saw him earn First Team All-America honors from the AFCA, while picking up Second Team honors from the AP and Third Team honors from Phil Steele. As a senior in 2019, he was a Second-Team All-American by HERO Sports. The safety was a First Team All-OVC selection in each of his four years and was named the OVC's Preseason Defensive Player of the Year in 2018. As a freshman, Bridges led the nation with five forced fumbles and was third among all freshmen with four interceptions. His nine takeaways led the OVC. Bridges was one of JSU's top tacklers and finished his career with a school-record four interception returns for a touchdown, 296 tackles and seven forced fumbles, booth third-most in school history.

RANDY ROBINSON - 2016 • 2018

As a senior in 2018, defensive lineman Randy Robinson wrapped up a record-breaking career in a JSU uniform by earning his second All-America honor as a Gamecock. His first honor came in 2016, when he was named to HERO Sports first-ever Sophomore All-America Team. As a senior in 2018, HERO Sports named the Riverdale, Ga., native a Second Team All-American after a career season that included wreaking havoc on opposing backfields and blocking kicks on special teams. He recorded 38 tackles in the middle of the line, 8.0 for a loss and 3.0 sacks, while leading the team with 10 quarterback hurries. On special teams, he blocked a school-record five kicks in 2018, giving him a school-record eight in his JSU career. At the conclusion of a stellar four-year career that saw him earn All-OVC honors in each of his last three seasons, Robinson held the school record for career blocked kicks with eight and ranked in JSU's career top 10 in tackles for loss, sacks and quarterback hurries. Robinson led the Gamecocks to four OVC titles in four years as a starter on the defensive front.

TRAE BARRY - 2017 • 2018 • 2020

Tight end Trae Barry was a three-time All-American at Jacksonville State and finished his four-year career as the Gamecocks' all-time leading receiver among tight ends after hauling in 100 catches for 1,610 yards and six touchdowns. The Summerdale, Ala., native burst onto the scene in 2017, when he was a Freshman All-American by HERO Sports. He then kept that going in year two, earning Sophomore All-America honors from the national outlet. After recovering from a knee injury in his junior season, he returned to form in 2020, when he was named a First Team All-American by Stats Perform, HERO Sports and Athlon, while grabbing second-team honors from the Associated Press. Also after the 2020 season, which was stretched over the fall and spring due to COVID-19, the FCS Athletic Directors Association named Barry the top player in FCS at his position. He was a three-time All-OVC honoree, grabbing second-team honors as a freshman and first-team honors as a sophomore and senior and led the Gamecocks to three OVC titles in his four seasons on the team. He was a scoring threat in his first season catching three touchdowns on 10 total receptions. In all, his 10 catches went for 243 yards. He had a knack for making big plays, grabbing four catches for more than 20 yards, including touchdown receptions of 80 and 65 yards. His sophomore season saw him haul in 32 catches for 503 yards and a touchdown, leading the Gamecocks to an unprecedented fifth-straight OVC title. As a senior in the 2020-21 season, he led the Gamecocks in receiving with 33 catches for 534 yards and a score, averaging 53.4 yards per game.

DYLAN CLINE - 2017

Dylan Cline was a constant for the Gamecocks offensive line in his four-year career and received All-America honors for his efforts in his senior season. The native of McCalla, Ala., was a Third Team All-American by HERO Sports after guiding the Gamecocks to their fourth-straight OVC title and a 31-0 record in OVC games in his career. In 2017, Cline grabbed All-America honors for the first time after his second-straight All-Ohio Valley Conference campaign. He was a First Team All-OVC performer in 2017 after starting every game at right tackle in his senior season. He started the last 23 games of his career in a Gamecock uniform and played in 36 games over his tenure. He was a Second-Team All-OVC pick as a junior in 2016 before climbing to the First Team this season. Cline's senior season saw him play over 700 snaps and grade out a 90 percent, tied with Lea for tops on the team.

SIRAN NEAL - 2017

Siran Neal played three different positions over his final three years at JSU and had great success at all three. However, it was his final position – cornerback - that earned him the most accolades, including First Team All-America honors by the AFCA in 2017. Neal received his first career All-America honor after another dominant performance on the JSU defense. The senior from Eufaula, Ala., grabbed his second-straight First Team All-Ohio Valley Conference mention in 2017 despite changing positions before his senior campaign. An All-OVC linebacker at the nickel position in 2016, his move to corner in 2017 saw the same success. He notched a team-best 11 pass break-ups to go along with 33 tackles and interception, despite seeing a limited number of passes thrown to his side of the field in 2017. Neal gained the attention of many professional scouts and parlayed that into an invitation to the prestigious Reese's Senior Bowl. He was just the fourth JSU player to ever play in the nation's top college all-star showcase and used his performance in Mobile to get drafted by the Buffalo Bills in the fifth round of the NFL Draft. He was JSU's first pick in five years and the highest since Eric Davis went in the second round 28 years prior.

TYLER SCOZZARO - 2017

Tyler Scozzaro saw his hard work and perseverance pay off in 2017, when he was a First Team All-America selection by the Walter Camp Football Foundation. After injuries sidelined the Bessemer, Ala., native early in his career, Scozzaro grabbed All-America honors for the first time in his career after taking over the starting center position in 2017. He started every game in the middle of the Gamecocks' offensive line, earning First Team All-Ohio Valley Conference honors in the process. Scozzaro snapped the ball over 700 times for one of the top run games in the nation and graded out at over 85 percent on the year. He was one of four First-Team All-OVC Offensive lineman fro the Gamecocks roster, one that was the first team in OVC history to place all five offensive linemen on the All-OVC Team in back-to-back seasons.

ROC THOMAS - 2017

Roc Thomas had the best year of his JSU career in 2017, one that saw him grab All-America honors from five of the six FCS outlets. The native of Oxford, Ala., was a First Team All-American by Phil Steele, while grabbing second-team honors from the AP, AFCA and HERO Sports. STATS selected Thomas to its third team. Thomas grabbed the All-America mentions after carrying the load for JSU in 2017. He was the OVC's Offensive Player of the Year, a First Team All-OVC selection and a finalist for the Walter Payton Award after leading the Gamecocks and the OVC with 1,065 yards on 178 carries. He led the OVC and ranked 11th nationally with 5.98 yards per carry. His 109.08 all-purpose yards per game was second in the OVC and meant he was responsible for 30 percent of the Gamecocks' 368.7 yards of total offense per game in his senior season. Thomas was named the OVC Offensive Player of the Week five times this season and was the FCS National Player of the Week on Sept. 3.

BJ AUTRY – 2018

After a dominating senior campaign in 2018, offensive lineman BJ Autry was named to five different All-America squads for his efforts in leading a JSU offensive front. Autry was a First-Team All-American by the Associated Press, STATS, Walter Camp and Phil Steele, while HERO Sports made him a Third Team selection. Autry's naming to the HERO Sports Third Team brings him his fourth-career All-America nod, paring with First Team mentions from AP, STATS and from Walter Camp. Autry, a senior from Eight Mile, Ala., is a two-time All-OVC performer, named to the first team following the

regular season. He paved the way for a JSU offense that rushed for more than 2,600 yards during the season. Three Gamecock running backs each rushed for more than 400 yards. He also provided a pocket for All-OVC quarterback Zerrick Cooper who threw for nearly 3,500 yards with 32 touchdown passes and six rushing touchdowns. At season's end, Autry was the fifth player in school history to be selected to participate in the Reese's Senior Bowl and later signed as an undrafted free agent with the Seattle Seahawks.

JOSH BRADY – 2018 • 2019

Josh Brady became the first long snapper in JSU history to earn All-America honors in his junior season and then repeated the feat as a senior in 2019. He was named a Second Team All-American by HERO Sports following a 2018 season that also saw him earn Preseason All-America honors before the start of the campaign. In 2019, HERO honored him again, this time naming him its First-Team Selection at long snapper on the All-America Team. A dependable option for JSU at a position in which it is required, the Chattanooga, Tenn., native was a key part in the Gamecock special teams in 2018, snapping every punt, PAT and field goal try in a season that saw the Gamecocks score 520 points, the third-most in a season in school history. He was perfect in his role again in 2019. Also a standout in the classroom and the community, Brady was named JSU's Male Eagle Owl Award winner in 2019 and was also selected to the National Football Foundation's Hampshire Honor Society after his playing career came to an end.

ZERRICK COOPER – 2018

Quarterback Zerrick Cooper made an immediate impact on the Gamecock offense after transferring from Clemson prior to the 2018 season. In his first season with the Gamecocks, he continued the tradition started by JSU quarterbacks before him, earning First Team All-OVC honors, the fifth-straight season a JSU signal caller earned that honor. He was a Sophomore All-American by HERO Sports after a record-setting season leading one of the nation's top offenses to what was JSU's record-setting fifth-straight OVC title. Cooper had the best passing season in school history in 2018, setting new school records with 3,416 yards, 32 touchdown passes and 251 completions. His 290.9 yards of total offense per game are also a new school record. The Jonesboro, Ga., native ranked third nationally in touchdown passes and fourth in passing yards in 2018, while also finishing among the national leaders in passing efficiency (13th– 147.6) and total offense (15th– 290.9). With just one season under his belt at JSU, he already ranked seventh in school history in career touchdown passes and 10th in career passing yards.

YUL GOWDY – 2018

His redshirt freshman campaign was an impressive one for cornerback Yul Gowdy, who earned OVC All-Newcomer honors before being named a Freshman All-American by HERO Sports and by Phil Steele. After an injury ended his 2017 season early, he received a medical redshirt and made the most of it in the 2018 season. The native of Birmingham and poduct of Minor High School recorded 41 tackles, 31 solo, and also intercepting a pass that he returned 15 yards for a score in the Tennessee State game. He also broke up 10 passes on the year. He had a career-high nine stops against Eastern Illinois on Oct. 13 and had six in the Gamecocks' win over East Tennessee State in the First Round of the FCS Playoffs. He was a key member of a JSU defensive backfield that was second in the nation in third-down defense and seventh in defensive touchdowns. The Gamecocks ranked 10th in the nation in pass efficiency defense and were in the top 20 in interceptions, passing yards allowed and total defense. JSU won its OVC-record fifth-straight conference title in 2018.

JOSH PEARSON – 2018 • 2019

Record-breaking junior and senior seasons landed wide receiver Josh Pearson on several All-America teams and throughout the Gamecocks record book. The native of Decatur, Ala., was a First Team All-America selection by STATS, the Associated Press and Phil Steele, while grabbing Second Team honors from HERO Sports in 2018, thanks to a season that saw him catch 67 passes for 1,123 yards and school-record 17 touchdowns. The 17 scoring catches led all Division I players and were the second-most in a season by an OVC player in league history. His 1,123 yards and 67 catches were both second-most in JSU history. He had three touchdown catches in a game twice in 2018, a feat that had only been accomplished four times in school history prior to that season. As a senior in 2019, he was a Second-Team All-American by HERO Sports after hauling in 13 touchdown catches to rank among the FCS leaders again. His 30 career touchdown catches destroyed the school record and ranked him seventh among all-time OVC players in that category. Pearson also had a school-record nine 100-yard receiving games in his career. In 2019, he was awarded the OVC Steve Hamilton Sportsmanship Award, given annually to one OVC student-athlete for their efforts in athletics performance along with good sportsmanship and citizenship. Pearson spent several hours each week giving back to his communities, from helping at schools, churches and his local Boys and Girls Club, also earning him a spot on the prestigious AllState Good Works Team.

NICARIO HARPER – 2020

Safety Nicario Harper made an immediate impact on the Jacksonville State football team in the 2020 season, being named a Consensus First Team All-American after transferring to the Gamecocks from Southern Miss. The Atlanta native was the most dominant player on a dominant defense in the season that was stretched over the fall and spring semesters due to the COVID-19 pandemic. He was named a First Team All-American by every outlet at the end of the season, including Stats Perform, AFCA, Associated Press, HERO Sports, Athlon and the FCS Athletic Directors Association, who named him the top defensive back among all FCS players. He led the OVC's Top defense with 92 tackles and with four takeaways, thanks to three interceptions and a fumble that he returned 64 yards for a touchdown. He was voted the Ohio Valley Conference Defensive Player of the Year by the coaches of the league, making him just the fourth Gamecock to earn that honor. The First Team All-OVC and OVC All-Newcomer selection was the first JSU defensive back to win the OVC Defensive Player of the Year award and the first defensive back from any school to win it in 13 years. Harper led a JSU defense that stymied opposing offenses all season, especially in the run game. JSU held a school-record nine-straight opponents under 100 yards rushing at one point during the season and didn't allow a single OVC team to run for 100 yards. JSU won the OVC title and advanced to the Quarterfinals of the FCS Playoffs for the first time in six seasons.

DJ COLEMAN – 2020

Defensive end DJ Coleman grabbed All-America honors as a junior in the 2020-21 season after wreaking havoc on opposing quarterbacks during the campaign that was stretched over the fall and spring semesters due to the COVID-19 pandemic. Coleman, a native of Atlanta, was a Second Team All-American by Stats Perform and a First Team All-Ohio Valley Conference defensive end after playing a key role on the league's top defense and serving as one of the OVC's top defensive players. He guided a defense that was atop the OVC in yards allowed and pressuring opposing quarterbacks. Coleman had 55 tackles with 12 for a loss and a team-high nine sacks. He was first in the OVC in sacks per game and second in the nation with 12.0 total sacks. He had 14 quarterback hurries, three pass breakups, forced a fumble and recovered a fumble. He led a JSU defense that stymied opposing offenses all season, especially in the run game. JSU held a school-record nine-straight opponents under 100 yards rushing at one point during the season and didn't allow a single OVC team to run for 100 yards. JSU won the OVC title and advanced to the Quarterfinals of the FCS Playoffs for the first time in six seasons.

TYLAN GRABLE – 2020

Offensive Lineman Tylan Grable earned a pair of All-America honors in his sophomore season after taking a non-traditional route to being one of the nation's top offensive linemen. Grable, a native of Gordon, Ga., started his career as a tight end at JSU before moving inside to the offensive line. He went from 240 pounds as a freshman to a 6-foot-7, 290-pound redshirt sophomore in the 2020-21 season that was stretched over the fall and spring semesters due to the COVID-19 pandemic. He then earned First Team All-OVC honors before receiving Second Team All-America honors from Stats Perform and the AFCA. He was a Sophomore All-American by HERO Sports. He graded out at a team-high 88 percent and recorded 32 knockdowns on the season. Grable helped pave the way for a JSU offense that was as balanced as any in the FCS, averaging 189 yards per game on the ground and 195 yards through the air. JSU won the OVC title and advanced to the Quarterfinals of the FCS Playoffs for the first time in six seasons.

JAYLEN SWAIN – 2020

Defensive end and outside linebacker Jaylen Swain made his mark on the field for the Jacksonville State football team as a true freshman, earning Freshman All-America honors by HERO Sports for the 2020-21 season that was stretched across the fall and spring semesters due to the COVID-19 pandemic. A native of Oxford, Swain was a First Team All-Ohio Valley Conference selection and member of the OVC's All-Newcomer Team before earning the Freshman All-America honor in a season that saw him lead a dominant JSU defense that limited a school-record nine opponents to less than 100 yards rushing. He was second on the Gamecocks with 11.5 tackles for a loss for a second-best 59 yards and also added three sacks and 12 quarterback hurries. Swain tied for the team lead with two forced fumbles and also blocked a punt. JSU won the OVC title and advanced to the Quarterfinals of the FCS Playoffs for the first time in six seasons.

JAX STATE

Gamecock Glossary

The ACC

No, it's not the Atlantic Coast Conference. At least not for this reference. It was the Alabama Collegiate Conference, which the Gamecocks competed in during the 1960's. The four state supported colleges - Jacksonville State, Troy State, Florence State (now UNA), and Livingston (now West Alabama) - formed the ACC in 1960. The Gamecocks shared the conference football crown with Florence State in 1962 and 1963 and then won the next three football championships in 1964, 1965 and1966. The Gamecocks produced numerous All-ACC players throughout the 1960's, but those records are incomplete. In 1969, JSU placed Bubba Long (RB) and Gary Godfrey (LB) on the All-Conference squad.

Academic Accolades

Josh Cain, who was a walk-on player as a freshman and was an All-OVC performer by his senior season in 2009, became the most decorated academic performer in Gamecock football history. The Wetumpka, Ala., native became the first player in JSU history and OVC history to earn the Football Championship Subdivision Athletic Directors Scholar-Athlete of the Year $5,000 graduate scholarship. The defensive back also became just the second player in JSU history to earn ESPN The Magazine Academic All-American first-team honors and only the 16th in OVC history. Cain was also named the 2009 OVC Scholar-Athlete, to the Allstate AFCA Good Works Team, Georgia Peach of an Athlete and the 2009 JSU Eagle-Owl Award Winner. In 2015 wide receiver Dalton Screws also received the OVC Scholar-Athlete Award and was then named the Doris and Eddie Robinson FCS Scholar-Athlete of the Year for his efforts in the classroom and on the field. Outside of JSU, Screws served as a missionary in Tanzania, efforts that earned him a spot on the AllState Good Works Team. 2017 saw Justin Lea claim the OVC Scholar-Athlete Award after becoming the first JSU or OVC Player named to the National Football Foundation's Scholar-Athlete Team and a finalist for the William V. Campbell Trophy, also called the Academic Heisman. Lea was one of 13 players from all divisions of college football honored on the team at the College Football Hall of Fame Banquet in New York.

All-Americans

The Gamecocks have had a total of 100 players selected All-America since the modern day records begin in 1946. The school's first All-American was halfback Blackie Heath in 1946 and the next year, John Williams earned the honor. Offensive tackle Calvin Word was the first JSU player to be named All-American twice (1974 and 1975). Butch Barker and Jesse Baker each earned the honor in 1977 and 1978, while Ed Lett (QB) was a repeat All-American in 1981 and 1982. Offensive lineman Joe Billingsley was named to the squad in 1986 and 1988 and Danny Lee (Return Specialist) repeated in 1991 and 1992. Linebacker Ja'Karl Barnett was a selection in 1992 and 1993. JSU's first All-America at the Division I level was defensive back Darron Edwards in 1995 and Eric Mims in 1996. The Gamecocks placed three members on the 1998 All-America team when Mark Word (DE), Montressa Kirby (QB) and Eurosius Parker (Return Specialist) each earned the honor. Delvin Hughley (DB) was named to the 2000 All-American squad. In 2001, senior offensive lineman Jeremy Sullivan was named second team and freshman punter Richie Rhodes earned third-team honors. Rhodes was named second-team All-American in 2002 and third-team in 2003. During JSU's second OVC Championship, John Pettus and Oscar Bonds both earned second-team All-American honors, while Craig Agee was a third-team All-American after leading the nation in punt returns as a sophomore. In 2005, senior offensive lineman Rod Olds earned third-team honors, while junior runningback Clay Green also earned third-team All-America accolades. In 2007, junior kicker Gavin Hallford was named third-team All-America by The Associated Press, while Carnell Clark earned Associated Press All-America honors in 2008. Jax State had three players named All-America in 2009, including T.J. Heath (DB), Tylor Chambers (OL) and OVC Player of Year Ryan Perrilloux (QB). Senior Curt Porter (OL) earned All-America honors in 2010 as JSU went 9-3 and into the second round of the NCAA playoffs. In JSU's most successful season in Division I in 2013, Griffin Thomas (PK), DaMarcus James (RB) Max Holcombe (C), Eli Jenkins (QB) and Josh Barge (WR) all five earned All-America honors after leading the Gamecocks to an 11-4 record and into the quarterfinals of the FCS playoffs. In 2014, Max Holcombe (C), Jermaine Hough (CB), Devaunte Sigler (DL), and Justin Lea (OL) earned All-America mentions after a 10-2 season and OVC title. The historic 2015 season saw five All-Americans in a Gamecock uniform. Eli Jenkins (QB), Casey Dunn (C), Troymaine Pope (RB), Jermaine Hough (CB) and Chris Landrum (DE) were honored by multiple All-America outlets at seasons end. In 2016, JSU had six All-Americans after going 10-2 and claiming its third-straight OVC title. Eli Jenkins (QB), Casey Dunn (C), Justin Lea (OL), Darius Jackson (DE), Jaylen Hill (CB) and Marlon Bridges (SAF) were all named All-Americans at seasons end. The 2017 season saw seven Gamecocks named to All-America teams after going 10-2 and winning a fourth-straight OVC crown. Darius Jackson (DE), Justin Lea (OL), Roc Thomas (RB), Marlon Bridges (SAF), Siran Neal (CB), Dylan Cline (OL) and Trae Barry (TE) were each named to at least one All-America squad. Jacksonville State extended its OVC championship streak to five in 2018 with a 9-4 mark. B.J. Autry (OL), Trae Barry (TE), Josh Brady (LS), Marlon Bridges (SAF), Zerrick Cooper (QB), Yul Gowdy (CB), Josh Pearson (WR) and Randy Robinson (DL) were each selected to at least one All-America team. In 2019, Josh Bradey (LS), Marlon Bridges (SAF) and Josh Pearson (WR) were named All-Americans. The 2020-21 season that was extended over the spring due to COVID-19 saw five JSU All-Americans: Barry (TE), Nicario Harper (SAF), Tylan Grable (OL), DJ Coleman (DE) and Freshman All-American Jaylen Swain (OLB).

All-Star Games

Twelve different Gamecock football players have participated in post-season all-star games. Halfback Al Woodham was the first JSU player to play in the Blue-Gray Classic in 1955. Four years later, Jim Glasgow (OT) played in the Classic, which is held in the City of Montgomery on Christmas Day each year. JSU's first player to participate in the Blue-Gray Classic since moving to Division I in 1993 was defensive end Mark Word in 1998. JSU has had four players to play in the Senior Bowl, with record setting quarterback Dieter Brock playing in 1974. Defensive lineman Jesse Baker was selected to play in 1979 and running back Sean Richardson played in 1994. JSU didn't have a representative in the game again until 2018, when cornerback Siran Neal played. Baker also played in the East-West Shine game in 1979. Delvin Hughley (DB) participated in the 2000 Blue-Gray game in Montgomery. Quarterback Ryan Perrilloux was the first Gamecock selected to play in the Texas versus the Nation All-Star game following the 2009 season. Curt Porter also played in the Texas versus the Nation All-Star game in 2010, while Rodney Garrott played in the 2011 FCS Senior Scout Bowl. The 2017 season saw three total Gamecocks compete in all-star games, when Neal played in the Senior Bowl and defensive end Darius Jackson and offensive lineman Justin Lea participated in the NFLPA Collegiate Bowl in the Rose Bowl in Pasadena, Calif. Offensive lineman B.J. Autry accepted an invitation to the 2019 Reese's Senior Bowl following his final campaign in 2018. Josh Pearson competed in the NFLPA Collegiate Bowl in 2020.

ASUN Football and the AQ7

In January of 2021, Jacksonville State announced it would move all of its sports back to the ASUN Conference after 18 years in the Ohio Valley Conference. The return to JSU's first Division I conference home brought football to the conference for the first time. JSU, Eastern Kentucky, Central Arkansas, Kennesaw State and North Alabama are the charter members of ASUN Football, which officially begins competition in the 2022 season.

For the 2021 season, JSU, EKU and UCA teamed up with four schools transitioning to the Western Athletic Conference – Sam Houston, Stephen F Austin, Lamar and Abilene Christian – to compete for an automatic bid to the FCS Playoffs through what was called the AQ7 or the ASUN-WAC Challenge.

Battle for 'Ole School Bell

At every level of play in football, there are historic rivalry games between teams. There is that certain game circled on every fans calendar and for Gamecock fans, that used to be the Troy State game. The rivalry dates back to 1924 and the two teams have met a total of 62 times, with Jax State holding a 33-28-2 lead in the series. JSU owns the longest win streak in the series, winning 13-straight in the series from 1954-66. The two have not met since 2001 after Troy moved up to FBS.

Bowl Games

The Gamecocks have played in eight bowl games, dating back to the 1948 season. JSU has an all-time record of 6-2 in bowl games. Jax State first played in the 1948 Paper Bowl and defeated Troy State, 19-0. JSU returned to the Paper Bowl and defeated Livingston (now West Alabama), 12-7 in 1949. Jax State suffered its first loss in a bowl game after losing 7-6 to the Pensacola Cards Navy team in 1950. JSU whipped Rhode Island, 12-10, in the Refrigerator Bowl in Evansville, Ind., in 1955. In 1966, the Gamecocks defeated Arkansas A&M, 41-30, in the 1966 Space City Classic. JSU's 21-7 victory over Florida A&M in the 1970 Orange Blossom Classic in Miami's Orange Bowl, is one of the top victories in Gamecock history. JSU defeated North Dakota State , 31-7, in front of more than10,000 and an ABC-TV regional television audience in the Grantland Rice Bowl to advance to the NCAA Division II National Championship in 1977. The following week, the Gamecocks suffered just their second bowl loss after Lehigh claimed a 33-0 win over JSU in the Gamecocks' first ever nationally televised football game in the Pioneer Bowl.

With JSU's transition into the Football Bowl Subdivision in 2023, the Gamecocks will be eligible to begin participating the season-ending bowl games once again. Conference USA's current bowl game ties are with the Bahamas Bowl, Cure Bowl, Frisco Bowl, New Mexico Bowl and New Orleans Bowl.

Buck Buchanan Award Winner

In 2017, senior defensive end Darius Jackson not only became the first JSU or Ohio Valley Conference player named a finalist for the Buck Buchanan Award, but the Bessemer, Ala., native won the honor given by STATS to the nation's top defensive player in FCS. Jackson received the award at the annual STATS FCS Awards Banquet in Frisco, Texas on the eve of the National Championship Game. The honor is voted on by a panel of media members and FCS Sports Information Directors.

Jackson, a 6-foot-3 native of Bessemer, Ala., and the two-time reigning OVC Defensive Player of the Year, becomes the first Gamecock to be named to the final three for either of the FCS' top two awards, the Buchanan Award and the Walter Payton Award.

At the end of the regular season, Jackson became the fifth player to repeat as OVC Defensive Player of the Year and the first since Eastern Kentucky's George Floyd in 1980 and 1981. He was later a finalist for the Buck Buchanan Award and then later on named to the final three.

He led a defense that was dominant for the Gamecocks in 2017. The Gamecocks currently hold the No. 2 ranked defense in the nation, allowing just over 239 yards per game. Their 75.6 yards per game allowed on the ground sixth-best in the nation, while JSU also ranks in the top 10 nationally in pass efficiency defense, tackles for loss and third-down conversion defense.

Jackson made it one step further in the Buchanan voting than in 2016, when he finished fourth in the voting. After an All-America season in 2016, his numbers were even better in 2017. He broke the school record for tackles for a loss in a season with 20.5, beating his own record set in 2015. His 1.7 tackles for loss per game rank fourth nationally. He had seven sacks on the season and 23 quarterback hurries.

His four-year career has seen him demolish the JSU career records for sacks (27.5), tackles for loss (60.5) and yards from tackles for a loss (277). He ranks third among all active FCS players in career tackles for loss and yards from those stops.

Darius Jackson

Burgess-Snow Field at JSU Stadium

Since JSU Stadium opened in 1946, Jacksonville State has posted an incredible 294-107-8 record at home.

The stadium completed a $47 million expansion and is one of the top facilities in the country. The new facility consists of seven stories, with the bottom four floors dedicated to nearly 400 dorm beds. The top three floors include 33 luxury skyboxes, a new press area, coaches booths, radio and television broadcast facilities, and a game management booth. The stadium included additional seats that push the capacity of Paul Snow Stadium to 24,000.

The stadium underwent renovations in 1976 with the addition of the east end zone and south sideline seats. The fieldhouse also also constructed at the west end zone to enclose the stadium and then in the summer of 2005, the natural playing surface was replaced with Pro-Grass synthetic surface.

Prior to the 2017 season, the standard definition video board that was installed in 2007 was replaced by a new board that includes a full high definition display that measures 12 feet in height and 80 feet in width. On the Gamecock Field House, a new scoreboard was installed in 2007, making Burgess-Snow Field the only school in the OVC with two scoreboards.

Jacksonville State's first win in renovated Burgess-Snow Field at JSU Stadium came the hard way, in 2010, but it is one Gamecock fans remember well. After a lightning delay that pushed kickoff back 86 minutes, the 22,186 in attendance saw the fifth-ranked Jacksonville State football team score 21 unanswered points to pull of its second fourth-quarter come-from-behind win, a 21-17 thriller over Chattanooga.

One week after the second-largest crowd to ever watch JSU play saw the Gamecocks rally for a double-overtime win over Ole Miss, the largest home crowd in Gamecock history saw junior Marques Ivory find junior James Shaw for a 72-yard touchdown strike with 1:16 remaining and hand the Mocs (0-2) their second heartbreaking loss in as many weeks.

In the summer of 2021, the JSU Board of Trustees approved an $80 million project that would add more dorm rooms, a campus dining hall and retail space around a new football facility that will house new offices, a locker room and team meeting facilities. Construction is currently underway.

The Catch

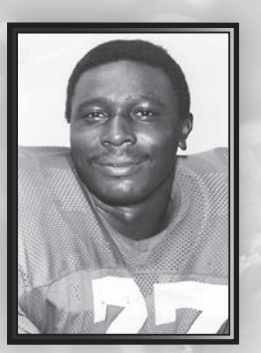
One of the single most memorable plays in JSU football history came on November 11, 1996, JSU was facing Western Illinois in front of a Homecoming crowd. The Gamecocks had just :03 seconds left in the game trailing 27-26 and had the ball on the Western Illinois 42-yard line. Freshman quarterback JeDarius Issac took the snap and lobbed a "hail mary" pass on the game's final play that somehow ended up in the hands of wide receiver Patrick Plott in the end zone as the Gamecocks grabbed victory from the jaws of defeat. JSU seemingly had the game well in hand, leading 26-13 with 10:09 to play, but the Leathernecks came storming back. A touchdown run with 4:46 remaining in the game cut the lead to 26-20, and with just 50 seconds showing on the clock, a 22-yard fourth-down scoring pass and the ensuing extra point had given WIU a 27-26 lead. But Issac calmly directed the Gamecocks 71 yards in 50 seconds, capping it off with the 42-yard pass to Plott for the game-winner.

Centennial Team

As part of the celebration of "100 Years of Gamecock Football" in 2003, 43 individuals were named to the Jacksonville State University Centennial Football team by the Football J-Club. Among those selected included seven former coaches, including J.W. Stephenson, Don Salls, Jim Blevins, Charley Pell, Clarkie Myfield, Jim Fuller and Bill Burgess. The list includes 15 former All-Americans, 19 professional football signees, eight JSU Hall of Fame Players and five Hall of Fame coaches. It includes JSU's all-time leading rusher (Boyce Callahan), passer (Ed Lett), punter (Gregg Lowery) and receiver (Joey Hamilton). The complete team includes: Offense - Rusty Fuller, Butch Barker, Terry Owens, Calvin Word, Bruce Nichols, Tom Langston, Joe Billingsley, Jodie Connell, Jim Glasgow, Keith Henderson, Dieter Brock, Ed Lett, David Gulledge, Donald Young, Joey Hamilton, Bubba Long, Boyce Callahan, John Williams, Billy Hicks. Defense - Jesse Baker, David Radford, Ray Burgess, Sam Johnson, Keith Martin, Alvin Wright, Gary Godfrey, Ja'Karl Barnett, Eric Mims, Greg Robinson, Eric Davis, Ray Vinson, Terry Harris, Terry "Shaky" Hodges. Special Teams - Gregg Lowery, Chris Hobbs, Danny Lee.

Chevrolet Scholarships

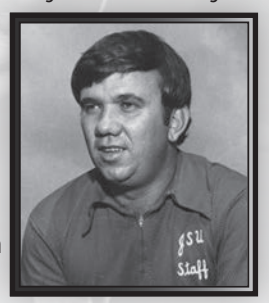
Jacksonville State has been the recipient of four Chevrolet scholarships Awards. Two came in 1977 during JSU appearance in the Grantland Rice Bowl, regionally televised by ABC. The game, held in Anniston, Ala., was won by the Gamecocks 31-7 over North Dakota State. The win sent Jacksonville State to its first-ever appearance in the Division II National Championship Game. Jesse Baker and Bobby Ray Green were named Chevrolet Players-of-the-Game. Baker earned the honor on defense and Green was named for the offensive Player-of-the-Game. JSU's Joe Hartsfield earned the honor in JSU's 24-14 win over Alabama State on Oct. 27, 1980. The Gamecocks' last player to earn the award was Simon Shephard on December 4, 1982, when JSU lost 19-14 to Southwest Texas State in the NCAA Division II playoffs.



Jesse Baker

Clarkie Mayfield

Coach Mayfield, 35, died in a tragic fire accident in Southgate, Ky., on May 28, 1977. He lost his life trying to help others out of a burning club where he had gone to attend a retirement party for his mother, a school teacher retiring after 42 years. Coach Mayfield joined the JSU staff in 1969 as defensive coordinator, but moved to the offense in 1970. He became JSU's head coach in 1974, winning the Gulf South Conference title his first season. He posted a 20-11-0 record during his three seasons as head coach. The Mayfield Room, which was named in is honor in 1978, is located in the Gamecock Field House.



Conference USA

On Nov. 5, 2021, Jacksonville State University announced it had accepted an invitation to join Conference USA in all sports to start at the 2023-24 academic year. The move lifts JSU's football program from FCS to FBS Division I status.

Conference USA is an NCAA Division I athletic conference based in Dallas, Texas. Now in its third decade, C-USA has adapted to the ever-changing landscape of collegiate athletics with an unwavering commitment to excellence, integrity and leadership in competition, academics and community.

JSU will join the league along with Liberty, New Mexico State and Sam Houston. They will join existing members Florida Intenational, Louisiana Tech, Middle Tennessee, Western Kentucky and UTEP.

Female Kicker

Junior placekicker Ashley Martin made NCAA history by becoming the first female to play and score a point in a NCAA college football game on August 30, 2001. With the Gamecocks scoring their second touchdown of the game, Martin trotted on the field and kicked the extra point as the Gamecocks built a 14-0 lead at the 8:31 mark of the first quarter over Cumberland University. Martin, a native of Sharpsburg, Ga., went on to finish the game 3-for-3. She was named the Southland Football League Special Teams Player-of-the-Week and made national television appearances on Good Morning America, Live with Regis and Kelly, Pure Oxygen, CNN, ESPN and numerous local stations across the country. She was also featured in USA Today, the Boston Globe, the Washington Post, the Atlanta-Journal Constitution and several magazines including ESPN The Magazine, People, Newsweek, The Sporting News and several other periodicals. Martin, a two-sport player, led the soccer team in scoring in 2001.

Gulf South Conference

If there was ever a dominating team in the Gulf South Conference, Jacksonville State would lay claim to it. The GSC was born in the summer of 1970 when representative from six institutions -- Delta State, Florence State (now UNA), Livingston (now West Alabama), Tennessee-Martin, Troy State and Jacksonville State -- convened in Birmingham to form the Mid-South Conference, the forerunner to the GSC. Scheduling problems in the first year permitted competition only in football, with JSU winning the league's first championship in 1971. Southeastern Louisiana and Nicholls State joined the conference, bringing the membership to eight and the league also changed its name to the Gulf South Conference. On June 1, 1992, JSU officially withdrew its membership from the GSC. During the 22 years the Gamecocks competed in the GSC, JSU won 37 regular season titles, six NCAA Division II National Championships and more All-Sports Trophies than any school in league history, including an unprecedented four consecutive for both the men's and women's programs from 1990-93. In fact, JSU won more GSC championships in football (9), men's basketball (7), and baseball (5, three-way tie) than any school, past or present. More than 100 Jax State football players were named to the All-Gulf South Conference football team. Six more were selected as the "Players of the Year" at the conclusion of the season.

Florida State Stunner

Just over a decade after sending shock waves through the SEC and beyond with its double-overtime upset at Ole Miss, JSU stunned another college football icon on Sept. 11, 2021, when senior quarterback Zerrick Cooper, down to the final play against Florida State, connected with Damond Philyaw-Johnson for a miraculous 59-yard touchdown with no time remaining to lift the Gamecocks to a stunning 20-17 victory at Doak Campbell Stadium.

Prior to the winning Hail Mary, Cooper connected with Ahmad Edwards for a 23-yard score with 4:45 remaining in the game to pull within 17-14, and the Gamecock defense stood tall in the closing minutes to hand the ball back to the offense for a handful of plays.

Florida State entered the game 26-0 against FCS teams since the FBS/FCS split in 1978.

Hall of Fame

The Jacksonville State University Athletic Hall of Fame inducted its first members of J.W. Stephenson, Barto Hughes and Ray Wedgeworth in 1972. Over 80 former Gamecocks are currently in the Hall of Fame, with four more former Gamecocks inducted every other year. The Athletic Hall of Fame is on permanent display in the Club Level of the Press Box at JSU Stadium.

Eight former Jacksonville State members have been inducted into the Alabama Sports Hall of Fame. Former JSU great Dieter Brock and former coach Don Salls became the first

Jax State inductees in 1992. Former All-American Jodie Connell was inducted in 1996, while former baseball coach and sports information director Rudy Abbott was elected in 2005. Former coach Charley Pell was inducted during the summer of 2011, while former NFL All-Pro Eric Davis was elected in 2013. Former Basketball coach Bill Jones was inducted in 2018, and former football coach Bill Burgess was inducted in 2019. Located in Birmingham, ASHOF honors the state's sports legends.

Ice Bowl

Jacksonville State vs Mississippi College in the 1989 NCAA Division II National Championship Game in Florence, Ala. On December 9, 1989, a winter storm came across the Tennessee Valley and dumped more than two inches of ice and snow the night before the Gamecocks faced GSC foe Mississippi College for the National Title on ESPN. Jax State had beaten the Choctaws 23-3 soundly earlier in the season, but Shane Stewart's 19-yard field goal with 6:13 remaining in the third was enough to give MC the win. It was the third time in as many games that JSU had not allowed the Chocs a single TD. Snow, which fell continuously from the morning hours, turned the field into a slick maze of ice; making footing treacherous. JSU, stymied by the conditions and the 31 degree temperature, managed just 126 yards rushing. The title was vacated by the NCAA in 1992 after Mississippi College was found in violation of numerous NCAA violations.

Kickoff Return

JSU's school record for longest kickoff return in school history is held by Ray Vinson, from Oxford. Vinson's 103-yard kickoff return gave the Gamecocks' the spark they need to stop highly-rated Troy State 27-6. It gave the Gamecocks its 19th straight homecoming victory. Returns from the end zone now count just 100 yards. JSU's Joey Hamilton was the last player to return a kickoff for 100 yards, vs Samford, on October 2, 1999.

Marching Southerners

The JSU Gamecocks are backed by the Marching Southerners and Ballerinas. From JSU home football games, to the 1996 Macy's Thanksgiving Day Parade, to Alabama Governors inaugural festivities and dozens appearances at band competitions, festivals and parades last season alone, the Marching Southerners have entertained thousands since their debut in 1956. The Marching Southerners was the featured Marching Band and led the 2012 New Years Day Parade in London, England, for Queen Elizabeth. They performed in Hawaii at the 75th Anniversary of the attack on Pearl Harbor in 2016, and led the Rome New Year's Day Parade in Rome, Italy while appearing in the Pope's World Day of Peace in 2018. The 2022 season marks the 29th season of current director, Dr. Kenneth G. Bodiford.

Matador

During the 1967 season, "Matador" was a live rooster that was kept in a cage and lived on campus. "Matador" attended all the football games during the season and would perch on a student's arm during the games.

National Championships

The Gamecock football program has had the chance to play 17 times in the NCAA playoffs and won its first in 1992 with a dramatic 17-13 win over Pittsburg State in the Championship Game in Florence, Alabama. Jax State has played in the championship game five times (1992, 1991, 1989, 1977, 2015). The JSU baseball team won the Division II National Championship in 1990 and in 1991, while the Gamecock Basketball team claimed the title in 1985. Jacksonville State and Florida are the only two schools in the nation to lay claim to NCAA national titles in football, men's basketball and baseball at the Division I or Division II levels.

National Scholar-Athlete

Justin Lea was not only a four-time All-OVC offensive lineman and a three-time All-American on the field, he was also a highly decorated student-athlete. The native of Henagar, Ala., was one of 13 players from all divisions of college football named to the National Football Foundation's National Scholar-Athlete Class and a finalist for the William V. Campbell Trophy, also known as the Academic Heisman. He was honored at the 60th NFF Awards Dinner on Dec. 5, 2017 in New York City alongside the 2017 Class of the College Football Hall of Fame. He was the first Gamecock and the first player from the Ohio Valley Conference ever named to the team.

Lea received an $18,000 postgraduate scholarship for being named to the team. He started a school- and OVC-record 51 consecutive games in his career and also won the OVC Scholar-Athlete Award and the Scholar-Athlete of the Year Award by the Alabama Sports Hall of Fame. He was also a finalist for the Doris Robinson Scholar-Athlete Award.

One Arm Bandit

Playing football with just one arm didn't slow down this Gamecock All-American. Jodie Connell was a four-year starter for the Gamecocks from 1950-52. As a ten-year old boy, Connell suffered an accident on a tire swing which resulted in his left arm being amputated just below the elbow. Connell played baseball and ran track at Gadsden High School, but it was his accomplishments on the gridiron that are best remembered. A two-time All-State selection, Connell came to JSU in 1950 and played both football and baseball. As a freshman, Connell beat out five returning lettermen for a starting position at guard, a spot that he held all four years at JSU. Connell, who rushed for several touchdowns on a guard-

around play, was a threat to drop back and pass, and even on one occasion snagged an interception. His senior year, he was named co-captain of the team and earned All-America honors. He went on to play for the St. Louis Knights for three years, and made the All-League team as an offensive guard. He also played defensive end. He was inducted into the JSU Athletic Hall of Fame in 1984, the Etowah County Sports Hall of Fame in 1995 and the Alabama Sports Hall of Fame in 1996.

Ohio Valley Conference

The Gamecocks competed in the Ohio Valley Conference from 2003-20, and their presence was felt immediately. Jacksonville State claimed a total of 81 conference championships in just 18 years in the league, including nine football titles; 2003, 2004, 2011, 2014, 2015, 2016, 2017, 2018 and 2020. The Gamecocks During that 18-year span, JSU also had 54 All-Americans and 197 All-OVC honors. The Gamecocks had four OVC Coach of the Year Award winners (Jack Crowe in 2004 and John Grass in 2014, 15 and 16), four OVC Offensive Players of the Year (Ryan Perrilloux – 09, Eli Jenkins – 15 and 16, Roc Thomas – 17), four OVC defensive Players of the Year (Devaunte Sigler – 14, Darius Jackson – 16 and 17, Nicario Harper – 20), and three OVC Freshen of the Year (Coty Blanchard – 10, Justin Lea – 14, Marlon Bridges – 16).

Ole Miss Shocker

One of the biggest wins in the school's 112-year football history happened in 2010 in Oxford, Miss., as the Gamecocks rallied from a 21-point half time deficit to claim the school's first-ever win over a Southeastern Conference opponent with a thrilling 49-48 double-over time win over the Rebels. Ole Miss jumped out to a 31-10 halftime advantage and was trying to add to a 31-13 lead near the end of the third quarter before JSU's Keginald Harris intercepted a Jeremiah Masoli pass and returned it 24 yards. True freshman Coty Blanchard drove the Gamecocks 59 yards in eight plays to cut the lead to 11 points. When Ole Miss tried to deliver another knockout punch on the ensuing drive, JSU delivered a stop on four-and-6 from the Gamecocks' 33-yard line. Blanchard then directd a 67-yard drive, cutting the margin to 31-26. Starting quarterback Marques Ivory returned to lead the game-tying drive, hitting Alan Bonner on a 19-yard scoring pass with 18 seconds left and a strike to La'Ray Williams for the 2-point conversion. Ivory also directed JSU's first score in overtime, but Blanchard connected on a 30-yard touchdown pass on fourth down in the second overtime to Kevyn Cooper to pull JSU within 49-48. Blanchard then tossed the game-winning two-point conversion to Calvin Middleton just inside the endzone to send shockwaves through the 55,768 fans at Vaught-Hemmingway Stadium and through the college football world on the opening weekend of 2010.

OVC Athlete of the Year

Eli Jenkins became the first Jacksonville State Student-Athlete to win the OVC's Male Athlete of the Year Award in 2015, the Gamecocks' 13th year in the league. Jenkins, also the OVC Offensive Player of the Year, a First Team All-American and the FCS ADA National Quarterback of the Year, guided the Gamecocks to its first ever No. 1 national ranking (becoming the first OVC team to reach that ranking since 1999) and the highest final poll finish (No. 2) in the program's Division I history.

Jenkins repeated in 2016, becoming the first student-athlete to win back-to-back since 2009 and only the fifth student-athlete in OVC history to receive the honor in back-to-back seasons. Jenkins concluded his career with a 36-0 record as a starting quarterback against non-Football Bowl Subdivision (FBS) opponents in the regular season (he was 25-0 against OVC opponents).

Overtime Games

Jacksonville State has played 16 overtime games in its football history, and six have been multiple overtimes. The Gamecocks are 8-8 in the extra period. They claimed a 17-10 win over Tennessee Tech in 2006, won 49-48 in double-overtime at Ole Miss in 2010 and topped Georgia State 34-27 on the road in 2010. JSU won the first two of three consecutive overtime games in 2013, beating North Alabama and Georgia State before losing to Murray State a week later. Most recently, the Gamecocks fell 60-52 in a five-overtime thriller against Kennesaw State at the Atlanta Braves' SunTrust Park in 2018.

The Gamecocks played the first overtime game in school history on November 16, 1996, against Northeast Louisiana (now UL Monroe) at Indian Stadium in Monroe, La. Each team scored a touchdown on its first possession, forcing a second overtime with the score tied at 28-28. In the second extra period, JSU's Montressa Kirby threw his second interception of the night. That allowed NLU kicker Cory Babineaux to kick his first field goal attempt of the game, booting a 29-yarder to win the game and end the Gamecocks' 1996 season.

In 1999, JSU played its second overtime game in school history vs McNeese State on October 16. JSU held a 19-6 lead at the half, but McNeese stormed back when Shonz LaFrenz kicked a 39-yard field as time expired in regulation to tie the score at 26-26. Both teams scored a touchdown on their first possession of overtime. JSU's Brad Hopkins kicked a 40-yard field to give the Gamecocks a 36-33 lead in the second overtime. McNeese State took over and fumbled on second down and JSU tried to pick up the ball and a MSU lineman was able to recover the fumble for the Cowboys. On the next play, Slade Nagle tossed a 12-yard touchdown pass to Jimmy Redmond to give the Cowboys a 39-36 SFL win.

Jax State played its third overtime game in school history in Nacogdoches, Texas, vs Stephen F. Austin on October 13, 2001. SFA held a 17-16 lead at the half, but the Gamecocks battled back with 14 points in the third quarter to build a 30-17 lead entering the fourth quarter. The Lumberjacks tied the game at 30-30, after going 95 yards in 10 plays in the final three minutes to force overtime. Both teams scored touchdowns on their first possession of overtime. The 'Jacks then took a 44-37 lead after scoring on a 4th and goal play from the eight yard line, a pass from Wes Pate to Courtney Garcia. The Gamecocks then took over, but was unable to score as Reggie Stancil's pass fell incompete in the endzone on 4th down.

In 2003, JSU's first season in the Ohio Valley Conference, the Gamecocks led for more than 59 minutes, but Murray State rallied from a 17-10 fourth quarter deficit and marched 71 yards in seven plays and tied the game with just :24 remaining in the game. In the game, senior kicked Steven Lee set a school record by kicking a 52-yard field goal during the second quarter, the Citronelle, Ala., native finished the game with three field goals. In the overtime period, the Gamecocks took possession and failed to gain a first down. Lee's 39-yard field goal sailed wide right, so Murray State took over. On the second play, Ulysses ran 20 yards up the middle to score a touchdown as the Racers handed JSU its only OVC loss during the 2003 championship season.

The Gamecocks picked up their first-ever over-time win in 2006 with a 17-10 road win at Tennessee Tech. Junior quarterback Matt Hardin connected on a 17-yard pass to Taurean Rhetta for the JSU win. TTU tied the game at 10-10 with 4:31 left in the fourth after Derek White scored on a six-yard run and Nate Johnson kicked the point after. The Gamecocks took the ensuing kickoff and drove to the TTU 26-yard line and Gavin Hallford attempted a 43-yard field goal into a strong and gusty wind, but his attempt was just short as time expired. JSU went on offense first and Hardin completed a 12-yard pass to Rhetta down to the TTU 13. Clay Green then was hit for a four-yard loss back to the 17 before Hardin connected with Rhetta for the game winning score. The Gamecock defense then answered the call and JSU's Devin Phillips stopped TTU's Brent McNeal on fourth down to seal the win.

One of the biggest wins in school history came in the season opener of 2010 when

the Gamecocks claimed a thrilling 49-48 double-overtime road win at Ole Miss. The Gamecocks rallied from a 21-point halftime deficit and Marques Ivory brought JSU back with a 19-yard touchdown pass to Alan Bonner with 18 seconds left in regulation and a strike to La'Ray Williams for the 2-point conversion forced the Gamecocks into overtime with Ole Miss. In the first OT, Ivory tossed a 7-yard pass to Alan Bonner and James Esco kicked the point after to give JSU a 41-34 lead. The Rebels' Brandon Bolden scored on a 2-yard run and Bryson Rose kicked the point after to tie the game at 41-41. Ole Miss then took the lead in the second OT after Enrique Davis scored on a 2-yard run and Rose added the point after. JSU then took over and was faced with 4th-and-30 in the second overtime before Coty Blanchard connected with Kevyn Cooper in the back of the endzone to cut the Rebels lead to 48-47. Blanchard then scrambled right and was under heavy pressure before dumping off a short pass to Calvin Middleton in the endzone for the 2-point conversion to give the Gamecocks the upset of the 2010 football season.

Two weeks after pulling off a thrilling 49-48 double-overtime win at Ole Miss, the Gamecocks scored a 34-27 win over Georgia State in the Georgia Dome to improve to 3-0 on the season. The two teams swapped leads throughout the entire game, with neither team leading by more than a touchdown and with the two teams tied at 27-27 at the end of regulation, JSU had the ball first in OT. Jamal Young had runs of 6 and 14 to give JSU first and goal at the 5-yard line. Alphone Freeney rushed for three yards, before junior quarterback Marques Ivory scored on a two-yard run and James Esco kicked the point after to give the Gamecocks a 34-27 lead. The Red Bandit defense then held the Panthers after GSU had it first and goal from the 8-yard line. After a pair of incomplete passes, the Panthers drove to the JSU two-yard line and was faced with fourth and goal. Kelton Hill's pass to Elijia Ogbuehl was was incomplete in the back of the endzone as the Gamecocks held on for the win.

For the first time in Jacksonville State's history, the Gamecocks played a quintuple overtime game against No. 2 Kennesaw State on Nov. 17, 2018. In the first-ever football game ever played at SunTrust Park in Atlanta, the Owls defeated JSU 60-52 in the final game of the regular season. On a cold night in front of 17,124 fans, Zerrick Cooper accounted for 423 total yards and completed the most passes (32) ever by a Jacksonville State quarterback in what was easily the longest game in JSU history. Cooper had four touchdown passes and Leander Burrowes rushed for a pair of scores as the Gamecocks outgained the Owls 519-425. In the end, KSU scored a touchdown and converted the two-point attempt, while the JSU offense was unable to find the end zone on its final drive. The Owls forced Jacksonville State's first overtime game since 2015 with a 72-yard march late in the fourth quarter. Chandler Burks' one-yard run and the ensuing extra point tied it at 24-24 as regulation ended.

In its most recent overtime contest, Jax State beat rival Kennesaw State in 2022 on an 11-yard touchdown pass from Zion Webb to Sterling Galban that was followed by a J-Rock Swain strip-sack that sealed the game.

Playoffs

Jacksonville State has been to 20 NCAA football playoffs (1977, 1978, 1980, 1981, 1982, 1988, 1989, 1990, 1991, 1992, 2003, 2004, 2010, 2013, 2014, 2015, 2016, 2017, 2018, 2020) and has a 22-19 record in postseason action. JSU advanced all the way to the NCAA Division II Championship Game at the Pioneer Bowl in Wichita Falls, Tex, in 1977. The Gamecocks also played in the title game in 1989 and 1991 before winning the schools first football championship in 1992. JSU has a 17-5 record in home playoff games and is 5-14 in road playoff games.

Professional Football

The Gamecocks have had numerous players drafted and signed by professional teams in the National Football League, the World Football League, the United State Football League, the Arena Football Leagues and the Canadian Football League. The most prominent have been Dieter Brock, who led the Winnapeg Blue Bombers to the CFL title and earned MVP honors, Keith McKeller, who played in four consecutive Super Bowls with the Buffalo Bills, Terry Owens, who signed with the San Diego Chargers in 1965 and played offensive line for many, many years and Eric Davis, who earned All-Pro honors as a defensive back with the San Fransico '49ers and the Carolina Panthers. He was the first JSU player to earn a Super Bowl ring. Montressa Kirby helped the Hamilton Tiger Cats to the 1999 Grey Cup Championship of the CFL and Delvin Hughley was a member of the Colorado Crush in 2005 that won the AFL Championship. Quarterback Ryan Perrilloux was a member of the defending World Champion New York Giants during the 2011 season.

Boyce Callahan

After helping Buffalo reach the 2021 AFC Championship Game, the Bills resigned former Gamecock cornerback Siran Neal to a 3yr/$9 million extension during the 2022 offseason.

Retired Numbers

In the history of Jacksonville State football, only two numbers have been retired - No. 33 and No. 66. Boyce Callahan (33), an Anniston native, was a Little All-American. Callahan rewrote the record books in his four years at Jacksonville. He gained 1,293 yards as a freshman, which was the standard for a single season until 2003. He is the all-time career rushing leader with 4,327 yards and has the second-best single-gamer performance after rushing for 275 yards against North Alabama in 1970. Johnny Newman (66), a guard from Hartselle, Ala., died during spring training for the 1969 season. Newman played for the Gamecocks in 1967 and 1968 before his death. The 1969 Media Guide and season was dedicated to his memory.

Statistical Champions

Jax State has had six individual NCAA national statistical champions. John Williams led the country in rushing in 1947 after gaining 931 yards on 150 carries. In 1981, punter Gregg Lowery led the nation with a 43.5 punting average on 64 punts. In 1992, All-American Danny Lee finished the season with a 39.4 yard average per kick return on 12 returns. In the 2004 season, All-American Craig Agee led the nation in punt returns as a sophomore, finishing with 18 returns for a 20.5 yard average and two touchdowns. In 2007, junior kicker Gavin Hallford tied the OVC record for field goals in a season (22) and led the NCAA with 2.00 field goals per game. In 2015, senior Troymaine Pope led the nation in average yards per rush with 8.2, carrying him to a school- and OVC record 1,788 rushing yards in the historic season.

Television

The Gamecocks have made numerous appearances on regional and national television over the years. Gamecock football games have been telecast nationally by ABC, ESPN and ESPN2, and regionally by FOX SportsNet and Comcast/Charter Sports. The Gamecocks are scheduled to appear worldwide all season long on ESPN+ with select games picked up by ESPN3.

The Road to Frisco

The 2015 season was an historic one for JSU Football, which put together an unprecedented run to the school's first appearance in the NCAA Division I Football Championship Game in Frisco, Texas. The Gamecocks lost just one regular season game, a 27-20 overtime loss at No. 6 Auburn that was the first time an FCS school had taken a ranked FBS foe into overtime. They then won their next 12 games, including a perfect 8-0 OVC record and three FCS Playoff wins at home that propelled them into the title game. North Dakota State won the title game to claim its fifth-straight FCS title, but not before JSU grabbed the nation's attention by breaking attendance records three times in home playoff games. The Gamecocks led all of the FCS in Playoff attendance, averaging 22,647 fans in the three home games at Burgess-Snow Field.

True Sportsman

On top of the national acclaim the 2015 Gamecocks earned on the field, they were also recognized for their efforts away from the field. Junior wide receiver Dalton Screws earned several honors in 2015, starting with the OVC Scholar-Athlete Award, the highest honor an OVC student-athlete can receive. Screws was an Academic All-District player for JSU and was also named to the AllState Good Works Team for his work in the mission fields in Tanzania. At the conclusion of the season, Screws was presented the Doris and Eddie Robinson FCS Scholar-Athlete of the Year Award at the annual STATS Awards Banquet. Lastly, Screws became the first Gamecock to win the OVC's prestigious Steve Hamilton Sportsmanship Award in the summer of 2016, naming him the conference's top sportsman for the 2015-16 year among all sports.

Undefeated Seasons

There has been a total of three in more than 110 years that Jax State has played football. The 1917 squad finished 9-0-1 and allowed just two points the entire season (JSU defeated Alabama Presbyterian, 6-2). The team posted seven shutouts. In 1947, the Gamecocks went 9-0, including a 7-0 win over Florida State. JSU was the only undefeated and untied team that season and posted five shut-outs. Charley Pell and the Gamecocks finished the 1970 season with a perfect 10-0 record, including a 21-7 win over Florida A&M in the Orange Blossom Classic played in Miami's Orange Bowl.

"WHUP TROY!"

This famous slogan is heard around the Jax State campus all year, especially during the Troy State game week. The phrase is credited to former JSU head football coach Charley Pell. The Gamecocks lost the 1969 game 37-6 to the Trojans and following the game, Coach Pell told his players in the dressing room that next season, the Gamecocks would "Whup Troy". The following year, the Gamecocks did just that, taking the Trojans to the woodshed with a 55-10 JSU win enroute to a perfect 10-0 record and a victory in the Orange Blossom Classic.

1977

Grantland Rice Bowl

Jacksonville State University enjoyed one of its finest moments in the school's athletic history, when the Gamecocks defeated North Dakota State, 31-7, before a capacity crowd in the Grantland Rice Bowl.

The game, played in Anniston and on ABC regional television, belonged to the Gamecocks from the opening whistle. Jax State advanced to the finals of the NCAA Division II playoffs with the victory.

Jacksonville State rolled up 223 yards rushing while holding North Dakota State to 148 and had 180 yards passing to the Bisons' 96 yards. Tailback Pat Clements gained 101 yards to pace the win.

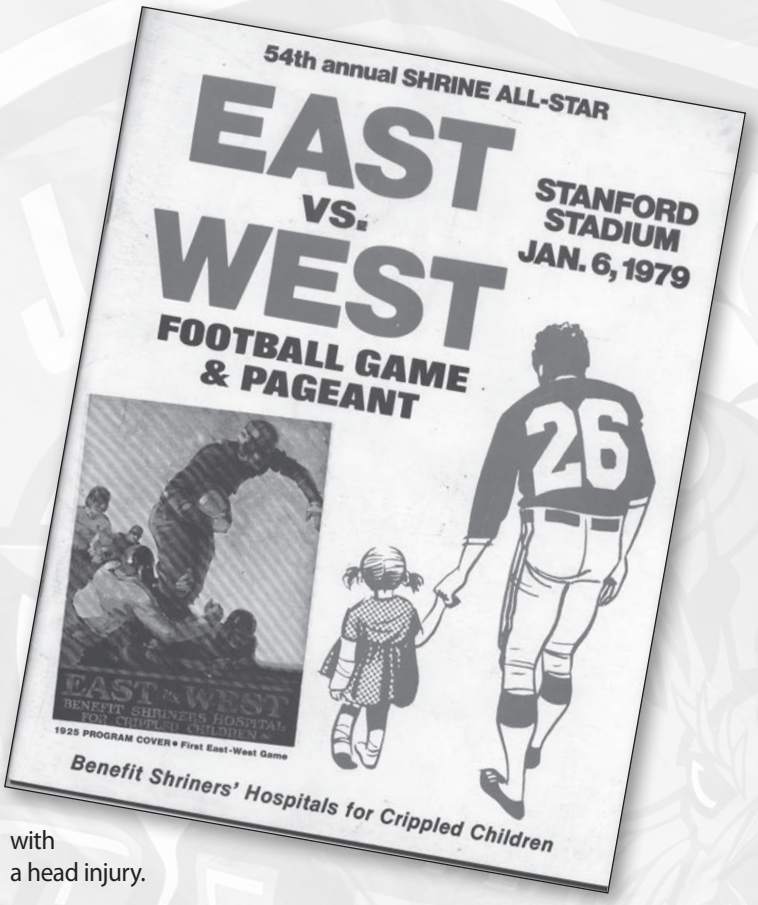
Defensive tackles Jesse Baker was named the top defensive player while Bobby Ray Green, JSU quarterback, was tabbed as the top offensive player. Each player was rewarded with a scholarship in their name by Chevrolet and ABC. Donald Young caught five passes for 92 yards to lead all receivers.

1977

Pioneer Bowl

Jacksonville State University fought Lehigh University on even terms for three quarters, but the powerful team from Pennsylvania finally wore down the smaller Gamecocks and went on to win 33-0 in the Pioneer Bowl Game in Wichita Falls, Texas.

The game, which decided the Division II national championship, was played in sub-zero weather. Jax State also played without its starting quarterback, Bobby Ray Green, the final three quarters as he left with a head injury.



Lehigh quarterback Mike Rieker, an All-American, showed why he made the All-American squad as he passed for two touchdowns and ran for another. He amassed 305 yards of total offense for the day. Lehigh's defense also played a fine game, forcing six turnovers.

Orange Blossom Classic

Jacksonville State University's 21-7 victory over Florida A&M in the Orange Blossom Classic in Miami, Fla., will go down in the history as one of the top victories in Gamecock football history.

The victory was not an upset. If fact, the Jaxmen were favored. But, the fact it was played before 35,000 fans on television and climaxed a perfect 10-0 season, made the victory especially sweet.

As expected, Boyce Callahan was the start of the show. The dazzling freshman won Most Valuable Player honors with a record-smashing 222 yards in 32 carries. It was not his best effort of the year, because he ran for 275 yards in the homecoming game earlier against North Alabama.

Jacksonville State jumped out to a 7-0 lead in the first half on a one-yard run in the first quarter, but had to rally in the final period to take the victory. Callahan, after a beau-

tiful 39-yard sprint to the three-yard line, scored on a short run to make the score 14-0 following Danny Kemp's second of three extra points.

Florida A&M came back to close the gap to 14-7 on a 19-yard pass from Steve Scruggs to Al Sykes, but Jax State wrapped it up minutes later on an eight-yard touchdown pass from Doc Lett to Terry Owens. Jax State only attempted 11 passes, completing four for the night.

The trip was very enjoyable for the Gamecocks as they took a short vacation following the game. The team was headquartered on Miami Beach.

1955

Refrigerator Bowl

Jacksonville State's fourth trip was probably it's finest. Jax State whipped Rhode Island, 12-10, in the Refrigerator Bowl in Evansville, Indiana.

The hero of the game had to be Billy Hicks. Jax State's 235-pound fullback. Jacksonville State had to come from behind twice to take the victory, 3-0 and 10-6. Hicks accounted for 58 of the 70 yards on the first Jax State touchdown scoring drive, scoring from the one, while reserve fullback Chester Skates crashed across from the one with three minutes left in the game to give the victory to the Alabama visitors.

Rhode Island went into the game heavily favored to take the game, but Coach Don Salls' charges had different ideas. Bill Clark's interception set up the final Jax State touchdown, which began at the Rams' nine-yard line.

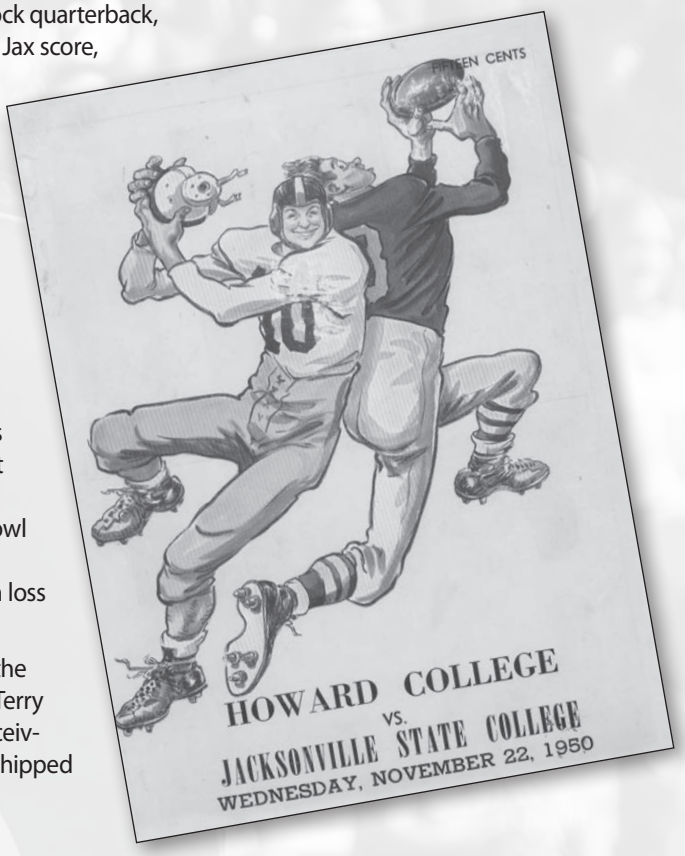
1950

Paper Bowl

Jacksonville State returned to the Paper Bowl for a third straight time in 1950, the final time as the bowl game was dropped later, but it wasn't as successful as the first two trips to Pensacola, Fla.

The Gamecocks, playing a fine Pensacola Cards Navy team, fell 7-6 as Jax State failed to convert its extra point attempt.

Charles Stough, Gamecock quarterback, ran 12 yards for the only Jax score, but the PAT attempt was short and in the end, it proved to be the difference in the game.

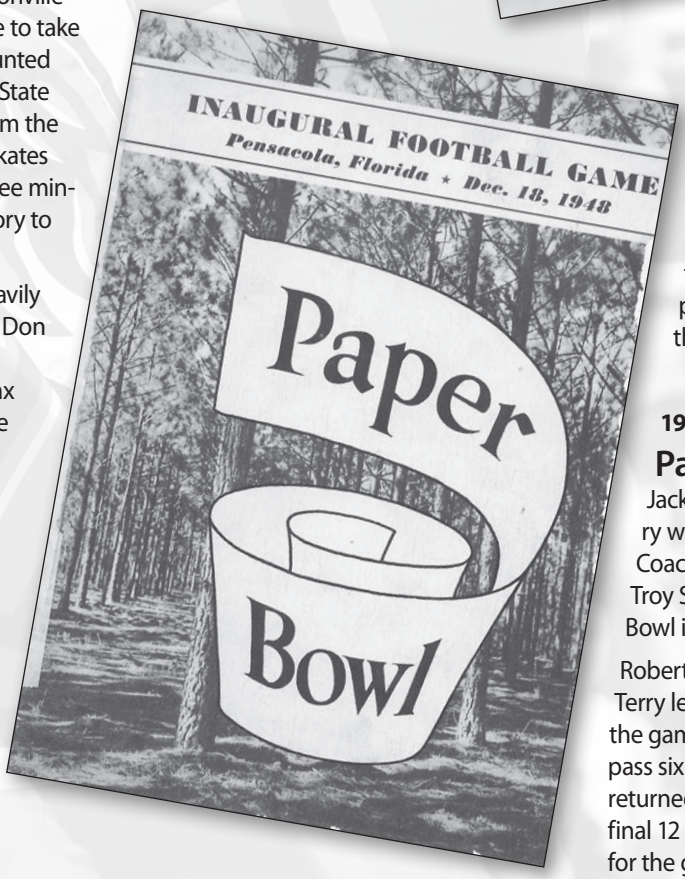


1949

Paper Bowl

A second trip to the Paper Bowl was extra sweet to the Gamecocks of Jacksonville State. Not only did the Gamecocks hang up their second bowl win, but in the process, avenged an early season loss to Livingston.

The Gamecocks, led by the running and passing of Terry Hodges and the pass receiving of John Meadows, whipped Livingston, 12-7.



Hodges rolled up 103 yards rushing on 13 trips and fired two touchdown passes to Meadows covering 38 and 35 yards. For the game, Jax State had 130 yards rushing and 120 passing as compared to Livingston's 97 rushing and 79 passing. Jacksonville State intercepted three passes.

1948

Paper Bowl

Jacksonville State's first bowl trip in history was a pleasant one for the Gamecocks. Coach Don Sall's charges whipped rival Troy State, 19-0, in the first annual Paper Bowl in Pensacola, Fla.

Robert Williams, Blackie Heath and Gordon Terry led the Gamecocks 77 yards early in the game for a quick 6-0 lead. Later, Heath pass six yards to L.C. Garner and John Smith returned an interception 25 yards for the final 12 points. A sellout crowd was on hand for the game.

NCAA DIVISION II NATIONAL CHAMPIONS

By Wayne Martin
The Birmingham News

FLORENCE ˜ The Braly Stadium scoreboard said fourth and six from the 22 with 29 seconds left for the defending NCAA Division II national champion Pittsburg State.

Chuck Robinson

But for Jacksonville State's defense it was fourth and forever. There could be no next year for the Gamecocks, no second chance. There could be no more rebuilding and coming back for another shot. Twenty-nine more ticks, and Jacksonville State football would be forever parted from Division II competition.

But Jacksonville State's Eric King stepped in front of Pitt State Quarterback Ron Hutchins' pass in the end zone, swatted it to the ground to preserve a 17-13 Gamecocks victory before 11,733 fans. The name Jacksonville State will now forever be inscribed as the 1992 Division II National Champion.

It's Jacksonville State's first title in football, soothing the anguish of the three previous futile visits to the championship game. Next season Pittsburg State, the 1991 champion from Kansas, can return, but Jacksonville cannot defend. The Gamecocks enter a compliance period on the way to reclassification to Division I-AA.

"If its all right with you," said Jacksonville State Coach Bill Burgess, "I'm not going to talk about moving up right now. I could care less."

Jacksonville State had spotted the Gorillas a touchdown lead on the opening kickoff as Harlon Hill Trophy winner Ronald Moore raced virtually untouched 99 yards to score. "Our staff had decided not to kick to him," Burgess said, "but to show how smart I am, I changed my mind just before kickoff."

But that was Moore's moment of glory. After that he butted heads with Jacksonville's defense, and was frustrated at every turn. His longest gain was just 12 yards, and he didn't score a rushing touchdown. The Gorillas' other one came on a 38-yard Hutchins to Ray Staten pass that gave Pitt a 13-3 lead with 9:14 left in the second quarter.

The Jacksonville State defense wasn't to be scored on again, however, and the offense did just enough to win. "Our win was a combination of things," Burgess said. "Our offense made first downs and ran time off the clock to keep their offense off the field. And our defense made the big plays."

At the end, Jacksonville State had posted 24 first downs, 23 of them rushing and one of them on a penalty. Three Jacksonville players, two of them fullbacks, had more yards than Pittsburg's Moore. Sean Richardson had 106 yards on 23 tries and Terence Bowens had 92 on 20. Quarterback Chuck Robinson added 110 yards on 15 carries and Jacksonville's offense had 390 yards on the ground to just 156 for Pitt as a team.

Jacksonville's Robinson only threw the ball four times and completed two for 5 yards. His last pass was an interception just before halftime.

"Their ability to run the ball inside was the key," said Pittsburg coach Chuck Broyels, "They just kept the ball away from our offense."

Moore never broke stride on the opening kickoff, and 13 seconds after the game started, Pitt led 6-0. The Gorillas decided to go for two, and that was crucial down the stretch. They missed, so on their final drive, they needed a touchdown, for a field goal wouldn't be good enough for a tie.

"We have the option of going for two if we outnumbered them on one side." Broyels, said, "We haven't done it since 1985, but it is the quarterback's call." This time the JSU defense dragged Moore down short and the comeback started. "Our players never slowed down," Burgess said, "never gave up."

NCAA DIVISION II NATIONAL CHAMPIONS

It was too early to panic so Jacksonville State chipped away. They drove to the Pitt 18, but two penalties stalled the drive and a Slade Stinnett field goal from 42 yards out cut the lead in half with 12:35 left in the second.

The Gamecocks chose to kick short this time, keeping the ball out of Moore's hands, but gave Pitt the Ball just 52 yards from the goal. Seven Plays later Hutchins hit a diving Staten and it was a 13-3 game.

It was Jacksonville State the rest of the way, heroes divided equally between offense and defense. The Gamecocks went on a 15 play, 78-yard drive the consumed 6:51on the clock and ended just 2:23 from halftime with Danny Lee rushing in from the 8. Stinnett kicked JSU to within 3 points at 13-10.

Then on the first possession of the second half the scoring ended. Jax State drove 71-yards on just 8 plays. Richardson went the final 5 and Stinnett kicked to make it 17-13. Stinnett could have provided a cushion, but just missed field goal tries from 36 yards out and again from 43. Pitt got its last show with 2:41 left when Jacksonville missed by two inches on fourth down at the Pitt 23, and the defense had it's back against forever.

Nine plays and 3 first downs later it was fourth down at the Jacksonville 22 with 29 seconds left. Shad Klinge went into the end zone, and Jacksonville's King went with him. "I was lucky to get to it," King said, "I saw him (Klinge) look up for the ball, and I looked up. The quarterback kind of floated it, and I was able to get a hand on it and knock it down."

So the frustration ended for Jacksonville State. In three previous championship games, dating to 1977, the Gamecocks had been shut out twice and had scored a grand total of six points in championship games.

They lost to Lehigh 33-0, to Mississippi College 3-0,and to Pittsburg State 23-6. This time the tears were tears of joy, and the hugs were celebration instead of consolation.

Jacksonville State was the first school in the nation to lay claim to NCAA national titles in football, men's basketball and baseball at the Division II level or higher. The Gamecocks were the only school to achieve the feat until 2017, when Florida added the Division I Baseball title to its Football and Men's Basketball titles. JSU and Florida are the only two schools to even play for all three at the Division II level or higher.

During its time in the Ohio Valley Conference from 2003-21, Jacksonville State solidified itself as the preeminent athletic program in the conference. The Gamecocks won 81 OVC Championships, more than any other program in the OVC during that same time period. JSU saw 10 of its 17 programs bring home various OVC titles and combine for 53 trips to NCAA postseason play. JSU will conclude its two-year stay in the ASUN this season and will move into Conference USA beginning with the 2023-24 season.

Gamecocks in the Pros

Jacksonville State has a star-studded NFL past to remember. Over the years, the Gamecocks have placed numerous players on NFL rosters. Just a few former Gamecock football alums in the NFL include Dieter Brock, Keith McKeller, Eric Davis. McKeller played in three straight Super Bowls from 1991-1994, while Eric Davis played in Super Bowl XXIX. The Gamecocks also have Championships in the CFL with Dieter Brock and Montressa Kirby both winning the Grey Cup. JSU has also been represented in the AFL after Delvin Hughley played for the title with the Colorado Crush in 2005.

HAIL MARY IN TALLAHASSEE

By Joe Medley
The Anniston Star

TALLAHASSEE, Fla. — Zerrick Cooper and Damond Philyaw-Johnson started their college football careers in the Atlantic Coast Conference. Changes of scenery made their destinies collide for one of Jacksonville State's most memorable plays, in one of the program's biggest victories and in an ACC stadium.

It also took a change of scenery for KeKe Philyaw to finally get to see her son play a college game.

Reminiscent of Coty Blanchard to Calvin Middleton at Ole Miss in 2010, Cooper and Philyaw-Johnson connected for a 59-yard touchdown pass as time expired in JSU's 20-17 victory over Florida State in Doak Campbell Stadium on Saturday, September 11, 2021.

The victory marks the FCS Gamecocks' second over FBS competition in 11 months. They beat Florida International 19-10 in 2020.

JSU's upset of Florida State arguably marks the Gamecocks' most celebrated victory over FBS competition since the Gamecocks beat SEC member Ole Miss 49-48 in double overtime in 2010, with an in-the-grasp Blanchard flipping over his head to Middleton for the game-ending two-point conversion.

Saturday's game came six days after Florida State lost in an nationally televised overtime classic to Notre Dame and 10 days after JSU suffered its first shutout since 2012, 31-0 against FBS member UAB.

"It's a great feeling," eighth-year JSU coach John Grass said. "Guys just hung in and played hard the whole game. They played four quarters and battled their way back into the game."

The dramatic finish was the game within the game.

JSU took possession on its 17-yard line with 1:32 to play and drove to a fourth-and-10 with six seconds to play at JSU's 41.

Cooper, who earlier broke Ed Lett's JSU career record with his 62nd touchdown pass, a 23-yarder to Ahmad Edwards to bring the Gamecocks within 17-14 with 4:45 to play, dropped back and fired deep to his right, just inside the JSU sideline.

Philyaw-Johnson broke behind Florida State defensive back Jarvis Brownlee and caught the ball as Brownlee tried to reach from behind him and knock it out. Philyaw-Johnson stopped to let Brownlee and Sidney Williams run by, cut back inside and used a block from Ahmad Edwards to cross the field and, eventually, the goal line.

JSU ran the same play call unsuccessfully on the play before the touchdown.

"That corner went out with a cramp about three plays before that," Grass said. "That's where we were going with the ball."

Cooper didn't see Philyaw-Johnson score.

"I got hit," Cooper said. "All I heard was the crowd say, 'Ahhhhhhhhh,' I could see him cut back, and he scored."

Philyaw-Johnson, a graduate transfer after 15 career catches at Duke, said the design of the play "was just to get open."

"Just do technique and all of the things we've been working on in practice," he said. "For a while, it was a struggle trying to get the ball, but at the end, we made it happen."

The dramatic finish completed a big night for Cooper. Besides breaking Lett's record for career touchdown passes, Cooper also passed Eli Jenkins for first on the school list for passing yards.

Cooper came into the game needing 76 yards and completed 17 of 38 passes for 242 yards and two touchdowns. He left Doak Campbell Stadium at 7,819 career passing yards over three-plus seasons with JSU.

The Clemson transfer also left with a victory over ACC competition in his second try. The Gamecocks lost at Florida State 41-24 a year ago.

"It means a lot," Cooper said. "It takes me back to my Clemson days. The Clemson-Florida State game was tough then.

"But that goes to my team. That shows how good we are, how well-put-together we are. We can play with anybody."

The moment carried special significance for Philyaw-Johnson, a Pensacola native who grew up an FSU fan. After he scored the game-ending touchdown, he found his mom, pointed to her and blew her a kiss.

They laughed, cried and hugged after the game.

"Being from the Panhandle, coming from a lower-income family, it was hard trying to get to a Duke game in North Carolina and fly or drive," he said. "I also have two younger siblings, so that was a challenge.

"Tonight, we were right down the road from Pensacola, Fla."

GOSH ALMIGHTY!

by Doug Segrest,
The Birmingham News

OXFORD, Miss. -- As Jacksonville State's players boogied with the marching band, and Ole Miss fans filed out of Vaught-Hemmingway Stadium in stunned silence, only one person understood both emotions.

Tears began welling in Jack Crowe's eyes. A flood followed in the locker room.

He felt the joy immediately. But the Jacksonville State coach also understood the agony of losing a game that can shake the faithful to the foundation.

Jacksonville State's 49-48, double-time victory against Ole Miss on Saturday is probably the program's biggest since moving to Division I-AA in 1995.

That was three years after Crowe learned how low a coach could go. As head man at Arkansas, he lost the 1992 season opener to I-AA The Citadel. By the start of the new week, Crowe was out of a job.

"I'm not sure this feels as good," Crowe said after Saturday's upset, "as that felt bad."

Jacksonville State erased a 31-10 deficit in the second half, turning a blowout into a win for the ages before a crowd of 55,768 fans.

While all the pregame attention was focused on Oregon transfer Jeremiah Masoli's debut at Ole Miss, the game was won on the arm of a lesser known quarterback playing for Jacksonville State.

Ever heard of Coty Blanchard? He came from Cherokee County High, where he was the state's Mr. Football a year ago.

The true freshman entered in the third series, stuck around a good bit after that, and delivered both a fourth-down, 30-yard touchdown pass in the second overtime and the game-winning two-point conversion toss to Calvin Middleton. The latter was a last-second ad-lib on what was supposed to be a shovel pass.

With the NCAA affirming Ole Miss' last-minute appeal to gain Masoli's eligibility, the Rebels dominated the first half, taking a 31-10 lead.

Both Masoli and starter Nathan Stanley were effective. But the biggest difference was a defensive front that seemed to manhandle Jax State's patchwork offensive line.

Crowe challenged his team to play better, or to report for a full-pads workout at the very next practice.

To be honest, Crowe admitted later, he was just trying to get a read on his team. "We hadn't been a team all fall. We hadn't looked like a team at a single practice."

Yet it came together in the second half.

Ole Miss was trying to add to a 31-13 lead near the end of the third quarter when Masoli overthrew a receiver. JSU's Keginald Harris pulled in the interception and returned it 24 yards.

Blanchard returned with the first-team offense and drove the Gamecocks 59 yards in eight plays, cutting the lead to 11 points.

When Ole Miss tried to deliver another knockout haymaker on the ensuing drive, JSU delivered a stop again on a fourth-and-6 from the Gamecocks' 33-yard line.

This time Blanchard directed a 67-yard drive, cutting the margin to 31-26.

Starting quarterback Marques Ivory returned to lead the game-tying drive, hitting Alan Bonner on a 19-yard scoring pass with 18 seconds left and a strike to La'Ray Williams for the 2-point conversion. He also directed the first score in overtime.

The rotating quarterbacks matched passing yards (126) and touchdowns (2), although Blanchard attempted 10 fewer passes.

Ivory will remain the starter for Jacksonville State's home opener next week against Chattanooga. Blanchard will again go in on the third series. And after that?

"Like I tell them all the time: What you do determines what I do," Crowe said.

Needless to say, the Ole Miss loss sent shockwaves through the stands, on Internet message boards and proved just as palpable in the locker room.

"This would have to be one of my toughest losses," said Ole Miss coach Houston Nutt, a Crowe assistant at Arkansas. "You do not want to get started off like this."

Crowe remembers how close Jacksonville State came to beating Florida State a year ago. More important, he's never forgotten what The Citadel upset meant to his own career.

And what it could mean to Nutt down the road.

"I don't think these circumstances could be repeated in 100 years," Crowe said. "I thought the same thing after The Citadel."

SPORTS MEDICINE FACILITIES AND STAFF

PMC TRAINING ROOM

In addition to the football training room at Burgess-Snow Field, Gamecock student-athletes enjoy a spacious training room at Pete Mathews Coliseum. The PMC Training Room features six training tables, four taping tables, two whirlpools and ice, along with stationary bikes and treadmills. The training room is open to all JSU student-athletes and is home to the training staff's offices.

The football team's main training room is located inside Gamecock Field House. Following a remodel of the facility, the team's training room doubled in square footage and houses state-of-the-art features.

Under the direction of six full-time certified athletic trainers, three certified assistant athletic trainers and numerous student trainers, the staff oversees all the medical needs for all 17 Gamecock teams. In the summer of 2016, Jacksonville State and Andrews Sports Medicine and Orthopedic Center announced a partnership that made the Birmingham-based practice JSU's primary provider for orthopedic care.

CRYO CHAMBER

Purchased and installed in spring 2020, Jacksonville State is now a cryo certified location and is home to the only cryo chamber between Birmingham and Atlanta. The Cryo Innovations Model XR can be used in lieu of ice baths following practice and competition to treat muscle pain, sprains and soft tissue damage in seconds.

HARRISON SPORTS CHIROPRACTIC

Harrison Sports Chiropractic provides chiropractic services for all JSU student-athletes at home games, but Pete Mathews Coliseum also serves as a third office for HSC. Located just off the training room and next-door to the physical therapy room, Harrison Sports Chiropractic is available to treat the Gamecocks for injuries and body pain, and offers routine adjustments.

NORTHEAST ORTHOPEDICS SPORTS CLINIC

2023-24 begins a new partnership between Jax State and Northeast Orthopedics Sports Clinic. A leader in full-service orthopedic care, Northeast Orthopedics has served Northeast Alabama since 1986 and has six offices in and around the Jacksonville area.
