Each year Jacksonville State alumni and fans are given the opportunity to closely follow the Gamecocks whenever they are in action. The 2022-23 athletic campaign will be no different! The JSU Sports Network will cover most of Alabama and northwest Georgia.

The JSU Sports Network during basketball season is comprised of two stations, WLJS and WVOK, reaching four frequencies on the FM dial. To listen to WLJS in Jacksonville, tune to 91.9 FM, 98.1 FM or 102.1 FM. To listen to WVOK in Oxford, tune to 97.9 FM. For live online audio streaming, both stations can be accessed using the TuneIn app. Both stations can also be streamed live by visiting their web sites at jsu.edu/radio and 979wvok.com.

The radio affiliates of the JSU Sports Network allow the Gamecocks to be heard in four southeastern states via the radio air waves and worldwide via the web. Online broadcast links can

be found on the men's baseball schedule page at JaxStateSports.com.

The "Voice of the Gamecocks" is Mike Parris. This year, Parris is celebrating his 41st anniversary at the microphone with Jacksonville State sports. During his tenure, he has called some of the most memorable games in Jacksonville State athletics history. He has called four Jacksonville State national title games - football (1992), basketball (1985) and baseball (1990, 1991), plus other noteworthy contests.

MIKE PARRIS NAMED ALABAMA'S TOP BROADCASTER FOR 2022

WINSTON-SALEM, N.C. – Jacksonville State's Mike Parris is simply the best in the state of Alabama.

The "Voice of the Gamecocks" has been named the Alabama Sportscaster of the Year by the National Sports Media Association and will be honored at the organization's awards banquet in June.

Parris, a 2020-21 JSU Athletics Hall of Fame inductee, has called JSU sports in five different decades. The "Voice of the Gamecocks" for the past 40 years, Parris called his first JSU contest in 1983 and the 2022 football season marked the beginning of his 40th year of serving as the lead announcer of Jacksonville State sports. He's handled all the play-by-play duties of the Jacksonville State radio broadcasts.

Over his 40-plus years of broadcasting, Parris has called some of the most historic and memorable games in Jacksonville State athletics history. He has called five Jacksonville State national title championships – football (1992), basketball (1985) and baseball (1990, 1991), plus three other national title games in football (1989, 1991 and 2015).

"Not sure that I'm deserving, but truly honored to receive this award," Parris said. "There are so many people to thank, so instead of trying to call names and leaving someone out let me say 'Thank you to all the people who I've worked with and that have put up with me through the years, coaches who gave me their time and made my job so easy,

my fellow broadcasters and my family for being so understanding of the demands of the job.

"The people who also share in this are the fans. Whether listening for just a moment, jumping in and out or being there for an entire broadcast, I can't thank each of them enough. They all get a piece of this award!"

Parris has seen many of his calls broadcast across the nation, including Jacksonville State's 49-48 double overtime road win at Ole Miss in the 2010 football season opener and the Gamecocks' Hail Mary winner at Florida State in 2021. Both calls were featured on ESPN's SportsCenter and shared with sports fans across the globe.

He's called multiple NCAA Basketball Tournaments, including every play of the 1985 Division II National Championship run and two appearances in March Madness. Parris has been on the mic for numerous conference championships and NCAA Regional appearances in several sports, including the historic 2009 NCAA Knoxville Softball Regional championship and the 2009 Tuscaloosa Super Regional.

"What a great honor it is for Mike Parris to be named the Alabama Sportscaster of the Year," JSU Athletics Director Greg Seitz said. "He has done a great job of bringing so many memorable moments in JSU history into the homes of our fans over an incredible 40-year, Hall of Fame career. We're proud that he is being recognized with

an honor that all Jax State fans feel he could've received in each of his 40 seasons behind our microphone."

The National Sports Media Association, Inc. is a 501(c)(3) nonprofit organization, which seeks to develop educational opportunities for those who are interested in pursuing a career in sports media, through networking, interning, mentoring, and scholarship programs.

The NSMA also honors, preserves, and celebrates the diverse legacy of sports media in the United States. Founded in 1959 as the National Sportscasters and Sportswriters Association in Salisbury, N.C., the NSSA added its Hall of Fame in 1962, with Grantland Rice as its first member. The organization rebranded to the National Sports Media Association in 2016.

***THE
GAMECOCK
COACHES***

HEAD COACH STEVE BIESER

1ST SEASON SOUTHEAST MISSOURI, 1989

Steve Bieser became just Jacksonville State's third head baseball coach since 1970 and the man that will lead the Gamecocks into Conference USA after taking over the program in June.

The Gamecocks bring in a coach that has enjoyed a great deal of success as a head coach after a 13-year professional career as a player. Bieser replaces long-time head coach Jim Case, who announced his retirement after 22 seasons in charge of the Jax State program.

Bieser comes to the Gamecocks after seven seasons as the head coach at Missouri, which followed a four-year stint as the head coach at his alma mater of Southeast Missouri State that saw him win three-straight Ohio Valley Conference titles with the Redhawks. In 11 seasons as a Division I head coach he has posted a 326-252-1 record and was named the OVC Coach of the Year twice. He played 13 seasons for six different MLB organizations, including two seasons at the Major League level and more than eight in AAA.

His seven seasons at Missouri saw the Tigers enjoy unprecedented success. His teams posted a 188-155-1 record and made him the fastest coach in Missouri history to reach 100 wins. His first three seasons resulted in 104 wins, the most ever by a Mizzou head coach, and he finished with a winning record in six of his seven years.

The Tigers won 39 SEC games from 2017-19, the best three-year stretch since joining the league in 2013. They posted an impressive 119-39 (.753) record in out-of-conference games, including a 39-6 non-conference record in his last two seasons in Columbia.

The Tigers produced five All-Americans under Bieser's guidance and had 22 players selected in the MLB Draft, three in the first round.

Bieser took over the Mizzou program in 2017 after the Tigers had posted just two winning seasons in the previous six years. He would lead them to winning records in six of his seven seasons at the helm. His first season saw 35 wins, the most by a Missouri club in eight seasons and the most in its SEC history.

Mizzou hired Bieser from SEMO, where he spent the previous seven seasons and the last four as the

Redhawks' head coach. In those four seasons, SEMO posted a 138-95 record and an 80-41 mark in OVC play with regular-season titles in each of his last three years.

Each of those seasons resulted in at least 36 wins, including a school-record 39 victories in 2016. That 2016 team went on to win the OVC Tournament and advance to the NCAA Starkville Regional, while Bieser earned his second OVC Coach of the Year honor. The Redhawks boasted the No. 1 scoring offense in Div. I baseball from 2014-16.

While in Cape Girardeau, Bieser coached three OVC Pitchers of the Year and one OVC Player of the Year, while placing 17 players on the OVC's All-Conference teams. Seven Redhawks earned All-America honors, led by First-Team All-America pitcher Joey Lucchesi in 2016. Nine SEMO players were selected in the MLB Draft during Bieser's tenure.

ASSISTANT
COACH

AARON
EVERETT

1ST SEASON
UT MARTIN, 2012

Aaron Everett is in his first season as the new pitching coach for the Gamecocks and was one of the first additions to Steve Bieser's first staff at Jax State.

Everett joins the Jax State program after serving as Auburn's director of player development for the last two seasons. He worked extensively with the Tigers' pitching staff and helped lead Auburn to a College World Series appearance in 2022. While on The Plains, the Tigers hosted back-to-back NCAA Regionals, including an NCAA Super Regional en route to a trip to Omaha, Nebraska.

The addition of Everett gives the new Gamecock staff a knowledge of the state of Alabama as he served as head coach at Southern Union Community College for two seasons prior to joining Butch Thompson's staff at AU. He led the Bison to a 44-31 overall record during his time at the helm. Prior to being appointed the head coach, he spent the 2019 fall semester as an assistant coach for the program.

Everett also previously held assistant coaching positions at the Alabama-Huntsville (2019), Albany State (2018) and Tennessee Wesleyan (2017).

Prior to breaking into the college coaching ranks, Everett spent three seasons as the head coach at Loudon High School, where he was named the 2015 TBCA Sectional and District 5-AA Coach of the Year, and two seasons as an assistant coach at Altha High School.

Everett was a three-year reliever at Tennessee, logging an 8-2 record and 3.23 ERA in 49 career appearances from 2006-08. He went 4-0 with a 2.82 ERA in 21 appearances in 2007 and went on to be named the SEC Community Service Player of the Year.

Following an injury, Everett spent one season at Lee University in 2010 and went on to be named All-SSAC and the Lee University Relief Pitcher of the Year while leading the team to a NAIA World Series runner-up finish.

Everett signed with the San Diego Padres following his collegiate career and spent one season with the Eugene Emeralds, going 5-2 with a 2.76 ERA in 25 relief appearances.

A native of Loudon, Tennessee, Everett is a 2012 graduate of the University of Tennessee at Martin. He is married to his college sweetheart, Joanna Stewart Everett. They have three children, Rackley, Marion and Lila.

Upon graduating from the university with a bachelor's degree in geography in 1999 and a master's degree in counseling in 2001, the former Student Government Association president worked for more than a year as a consultant for American College Testing, Inc., the provider of the ACT college entrance exam.

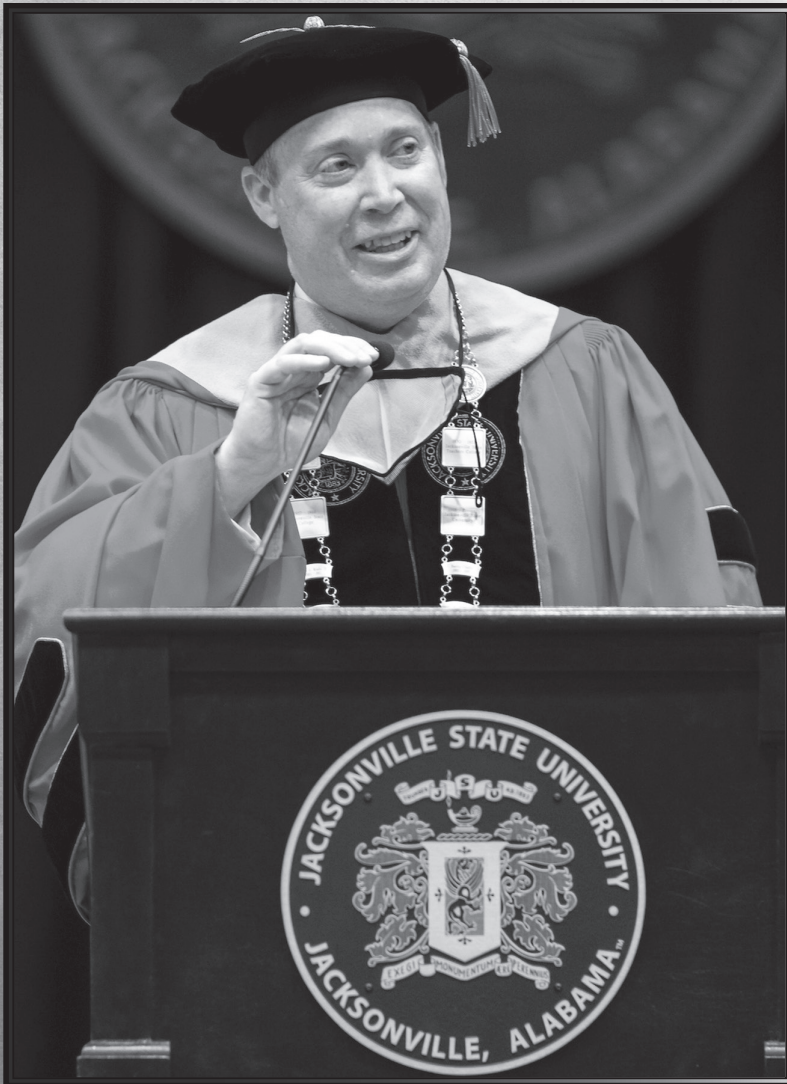

He returned to his alma mater in 2002 to support student success as coordinator of Academic Advisement. Soon after, he was named director of Government Relations by former university president and personal mentor Dr. William Meehan. He was later promoted to chief external affairs officer. He received his doctorate in higher education administration from the University of Alabama in 2016.

Throughout his career at JSU, Dr. Killingsworth has been passionate about Student Success, and as president, he aims to make Student Success a central goal for the university. As acting president, in January 2020, he created the Division of Student Success to assist all JSU students in attaining their educational goals.

A native of Alexander City, Alabama, Dr. Killingsworth is married to JSU alumna Kristi Killingsworth. They have two children and enjoy living in the historic President's House on campus.

GREG SEITZ

ATHLETIC DIRECTOR

Greg Seitz was named Director of Athletics at Jacksonville State on February 26, 2016 after more than two decades of service to the University.

Seitz, who is in his 31st year in the athletic department at JSU, served as interim

Athletic Director for 14 months, marking his third term as the interim Athletic Director for the Gamecock athletic department.

In Seitz's seven-plus years at the helm, the Gamecocks have seen unprecedented success on the field and in the classroom. The 2015-16 season saw JSU's highest ever finish in the men's Capital One Cup at No. 18, ranking the Gamecocks in the top 20 athletic departments among 347 NCAA Division I athletic programs. The 2016-17 season also saw JSU finish in the top 40 at No. 39, tied with Louisville, Harvard and South Carolina and 35 spots ahead of the next Ohio Valley Conference program.

The 2015 football season saw the football team post its first-ever No. 1 ranking in school history, and earn the No. 1 National seed in the FCS Playoffs before advancing to JSU's first Division I National Championship Game appearance. The Gamecocks set more than 50 school records and ranked in the top three in attendance at the FCS level after hosting three-straight home playoff games.

The Gamecocks won a JSU and Ohio Valley Conference-record five consecutive league titles and won a league-record 36-straight OVC games from 2014 to 2018, the second-longest conference win streak in FCS history. The Gamecocks were the only Division I program to win its conference title outright during those five seasons.

In the classroom, the Gamecock student-athletes posted a record 3.31 GPA for the 2019-20 academic year, the highest cumulative GPA in school history. The Spring 2020 semester guided the year to its record-breaking mark with an impressive 3.47 GPA for the term. It marked the eighth-straight year the student-athletes achieved at least a 3.0 cumulative GPA. Additionally, all 17 sports at Jax State posted a team grade point average higher than a 3.0. Prior to 2019-20, a 3.26 cumulative grade-point

average in 2017-18 and a 3.20 in 2018-19 were the two highest cumulative GPAs in program history.

Seitz has been with JSU since 1993, when he began working as assistant sports information director. In 1999, he became Sports Information Director and was promoted to Associate Athletic Director in 2002, before being promoted to Senior Associate Athletic Director in 2011.

During his term as interim and Athletic Director, Seitz has been instrumental in many of the facility upgrades at Jacksonville State, including renovations at Rudy Abbott Field at Jim Case Stadium, Pete Mathews Coliseum, the Riley Green Athletic Sports Performance Center. Seitz was involved in the design and addition to the football stadium in 2010, and is now guiding the stadium's second major renovation, which will include a new football operations center, locker room and additional suites on the north side of the field.

in Burgess-Snow Field, Rudy Abbott Field and University Field, while also placing new scoreboards at the JSU Soccer Field and the JSU Tennis Courts. That project went one step further in 2019, when a pair of video boards were installed inside Pete Mathews Coliseum.

The videoboard additions at The Pete was just one part of a major coliseum renovation project following the 2018 EF-3 tornado that hit campus and the surrounding Jacksonville community. Seitz brought the athletic department's administrative home to Pete Mathews Coliseum as part of the renovation, creating new office space throughout the third floor of the facility. The transition paved the way for a new main athletic ticket office in the coliseum lobby, updated basketball, soccer and volleyball locker rooms, and the installation of a full-size practice court on the east end of the building.

Under his guidance, JSU athletics transitioned into the ASUN Conference in 2021, to better align with the evolving college landscape, and has since accepted an invitation to join Conference USA beginning in 2023. The move will take the Gamecocks' football program up to the highest level of college football.

Among his notable hires since taking over as AD, Seitz landed Rich Rodriguez to lead JSU's efforts into FBS and Conference USA. One of his first hires was men's basketball's Ray Harper, who has since led the Gamecocks to their first two Div. I NCAA Tournaments.

Seitz has served on the NCAA Men's Final Four Media Coordinator team for the last 11 years and is currently a member of the NCAA

Championships Financial Working Group that was formed in 2019. He was named to the NCAA FCS Football Committee in 2016 and served as the chair of that committee in 2019. In addition, he served as a member of the NCAA Football Oversight Committee in 2019-20 and is as a site representative for the NCAA during the Division I Baseball Regionals and Super Regionals.

In the summer of 2016, Seitz unveiled plans for a \$7.5 million renovation to JSU's Baseball Stadium, Rudy Abbott Field at Jim Case Stadium. The project was completed in time for the 2019 season and includes a 1,000-seat spectator grand stand with a shade canopy, an elevated, shaded entertainment or hospitality deck and service amenities, a new state-of-the-art press box and a game operations center.

In 2017, Seitz announced an extension of a 14-year partnership between JSU Athletics and Adidas, securing the Portland, Ore., based company as the Gamecocks' official athletic apparel and footwear brand.

Also during 2017, Seitz and the Board of Trustees announced plans to install new state-of-the-art high definition video boards

THE RILEY GREEN ATHLETIC SPORTS PERFORMANCE CENTER

The Riley Green Athletic Sports Performance Center at Stephenson Hall opened in spring 2020.

The renovated 12,000 square foot space, once home to the Gamecock basketball program in its formative years, serves all 17 of Jacksonville State's intercollegiate teams. Renovations to the Stephenson gym began in January 2020 and was completed at the end of March 2020.

The weight room features 14 custom Hammer Strength racks, wall-to-wall rubber flooring and a 35-yard artificial turf area that stretches hashmark to hashmark.

Additional upgrades include a state-of-the-art surround sound and speaker system, more than 100 barbell sets, over 300 Hammer Strength olympic weights and two corner projectors and 12-foot video screens.

The open area and 14 double-sided racks translate into 28 working stations, allowing for multiple teams to use the facility at once without overcrowding.

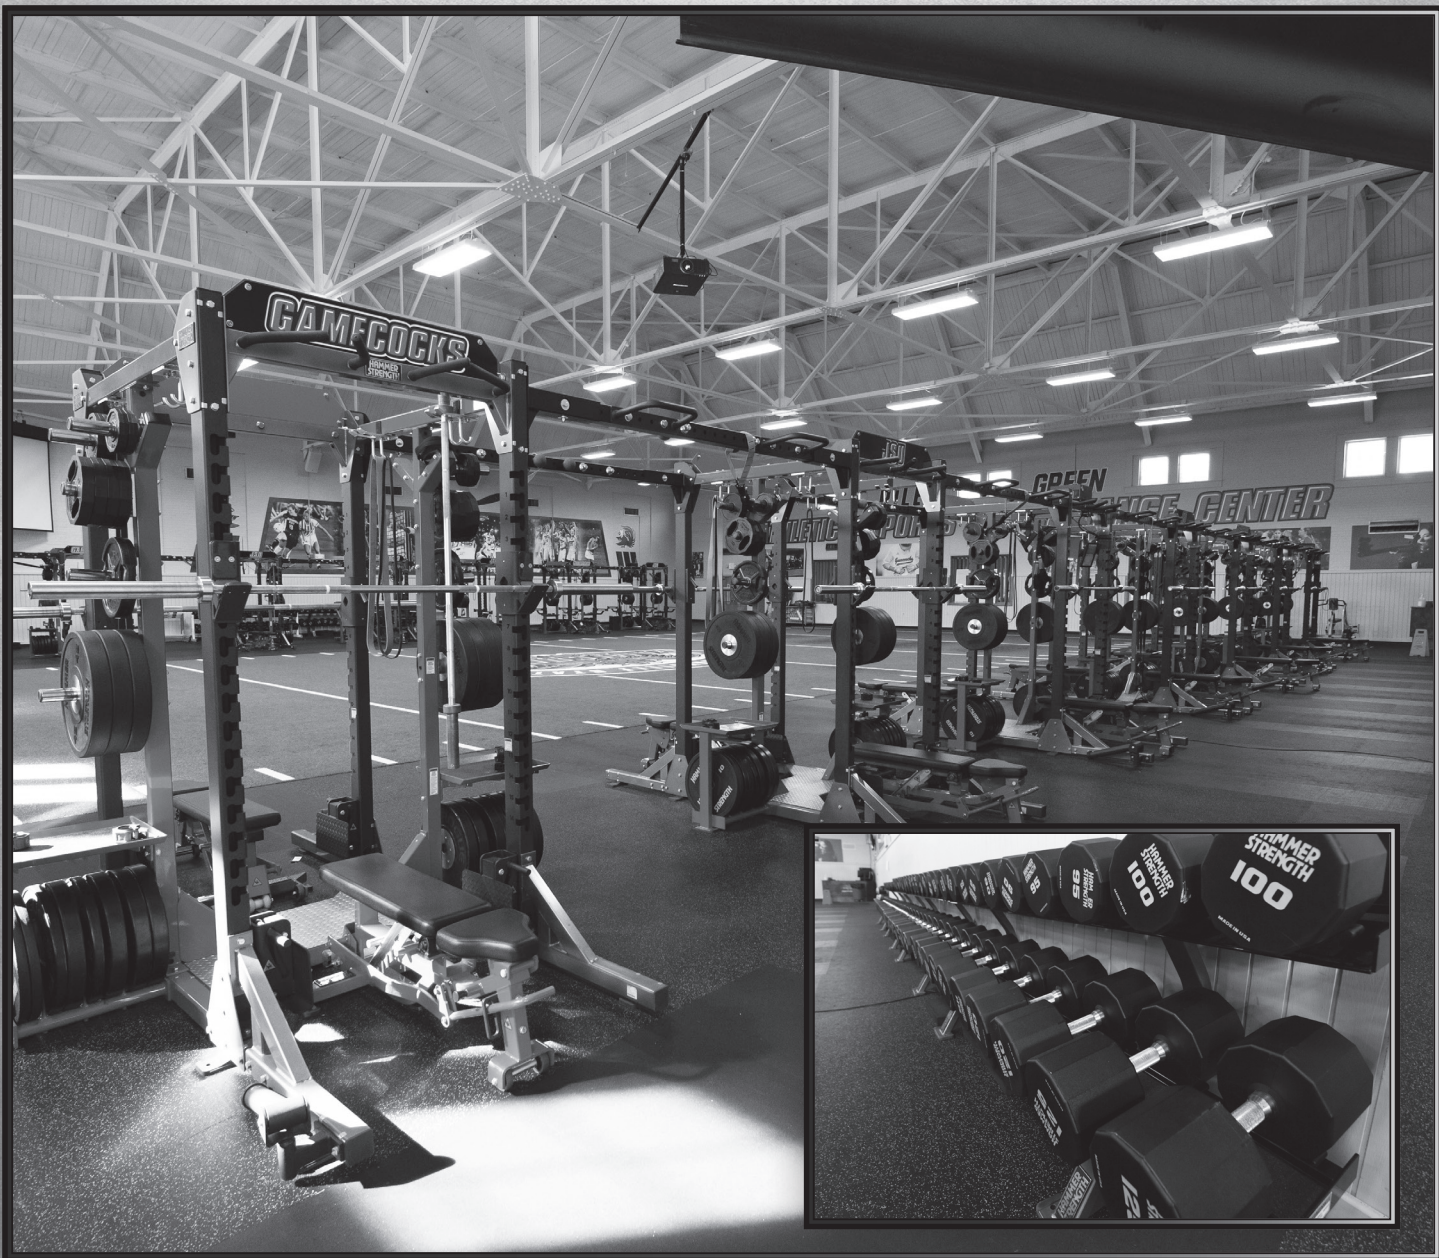

QUICK FACTS

- **Opened March 2020**
- **Located at Stephenson Hall**
- **12,000 sq./ft.**
- **4,200 sq./ft. turf area**
- **28 Hammer Strength weight stations**
- **More than 100 barbell sets and 300 Olympic weights**
- **Two corner projectors and 12-foot video screens**
- **Additional 5,000 sq./ft. recovery center**
- **Surround sound speaker system**

The turf serves as a warm-up area prior to workout sessions while doubling as a space for super sets during lifts. The turf is rated to withstand heavy drills such as sled pulls and tire flips.

Also, JSU is putting the finishing touches on an additional 5,000 square foot room located adjacent to the main workout area, formally the home of the University Recreation Fitness Center, into a rehabilitation and recovery center for injured student-athletes that require individual training. Both facilities will combine to provide more than 17,000 square feet of training space for Gamecock athletes.

The athletic performance facility previously presided inside Kennamer Hall. Total floor space of the former weight room was 5,000 square feet with 10 racks and a two-speaker sound system.

SPORTS MEDICINE FACILITIES AND STAFF

PMC TRAINING ROOM

In addition to the football training room at Burgess-Snow Field, Gamecock student-athletes enjoy a spacious training room at Pete Mathews Coliseum. The PMC Training Room features six training tables, four taping tables, two whirlpools and ice, along with stationary bikes and treadmills. The training room is open to all JSU student-athletes and is home to the training staff's offices.

The football team's main training room is located inside Gamecock Field House. Following a remodel of the facility, the team's training room doubled in square footage and houses state-of-the-art features.

Under the direction of six full-time certified athletic trainers, three certified assistant athletic trainers and numerous student trainers, the staff oversees all the medical needs for all 17 Gamecock teams. In the summer of 2016, Jacksonville State and Andrews Sports Medicine and Orthopaedic Center announced a partnership that made the Birmingham-based practice JSU's primary provider for orthopedic care.

CRYO CHAMBER

Purchased and installed in spring 2020, Jacksonville State is now a cryo certified location and is home to the only cryo chamber between Birmingham and Atlanta. The Cryo Innovations Model XR can be used in lieu of ice baths following practice and competition to treat muscle pain, sprains and soft tissue damage in seconds.

From modest beginnings, Jacksonville State University has evolved into the educational center of Northeast Alabama. The Alabama Legislature in the 1882-83 session created a state normal school when Governor Edward O'Neal signed into law a bill creating the school on February 22, 1883. Jacksonville State Normal School acquired the facilities and equipment of Calhoun College, consisting of 12 acres of land and a two-story brick building. The Board of Directors elected James G. Ryals, Jr., as the first president. The school opened with three instructors: W. J. Borden, Mathematics; Eliza A. Bowen, English; and Ida J. Woodward, primary department. As stipulated in the establishing act, the Normal School administered a preparatory school for children of the town and surrounding areas. At the end of the first year, on August 15, 1884, William Mark Hames, President of the Board of Directors, reported that funds totaling \$4,751.25 had been received, including \$2,500 from the state; that 25 students were enrolled in the normal school; and that 222 were in the preparatory school.

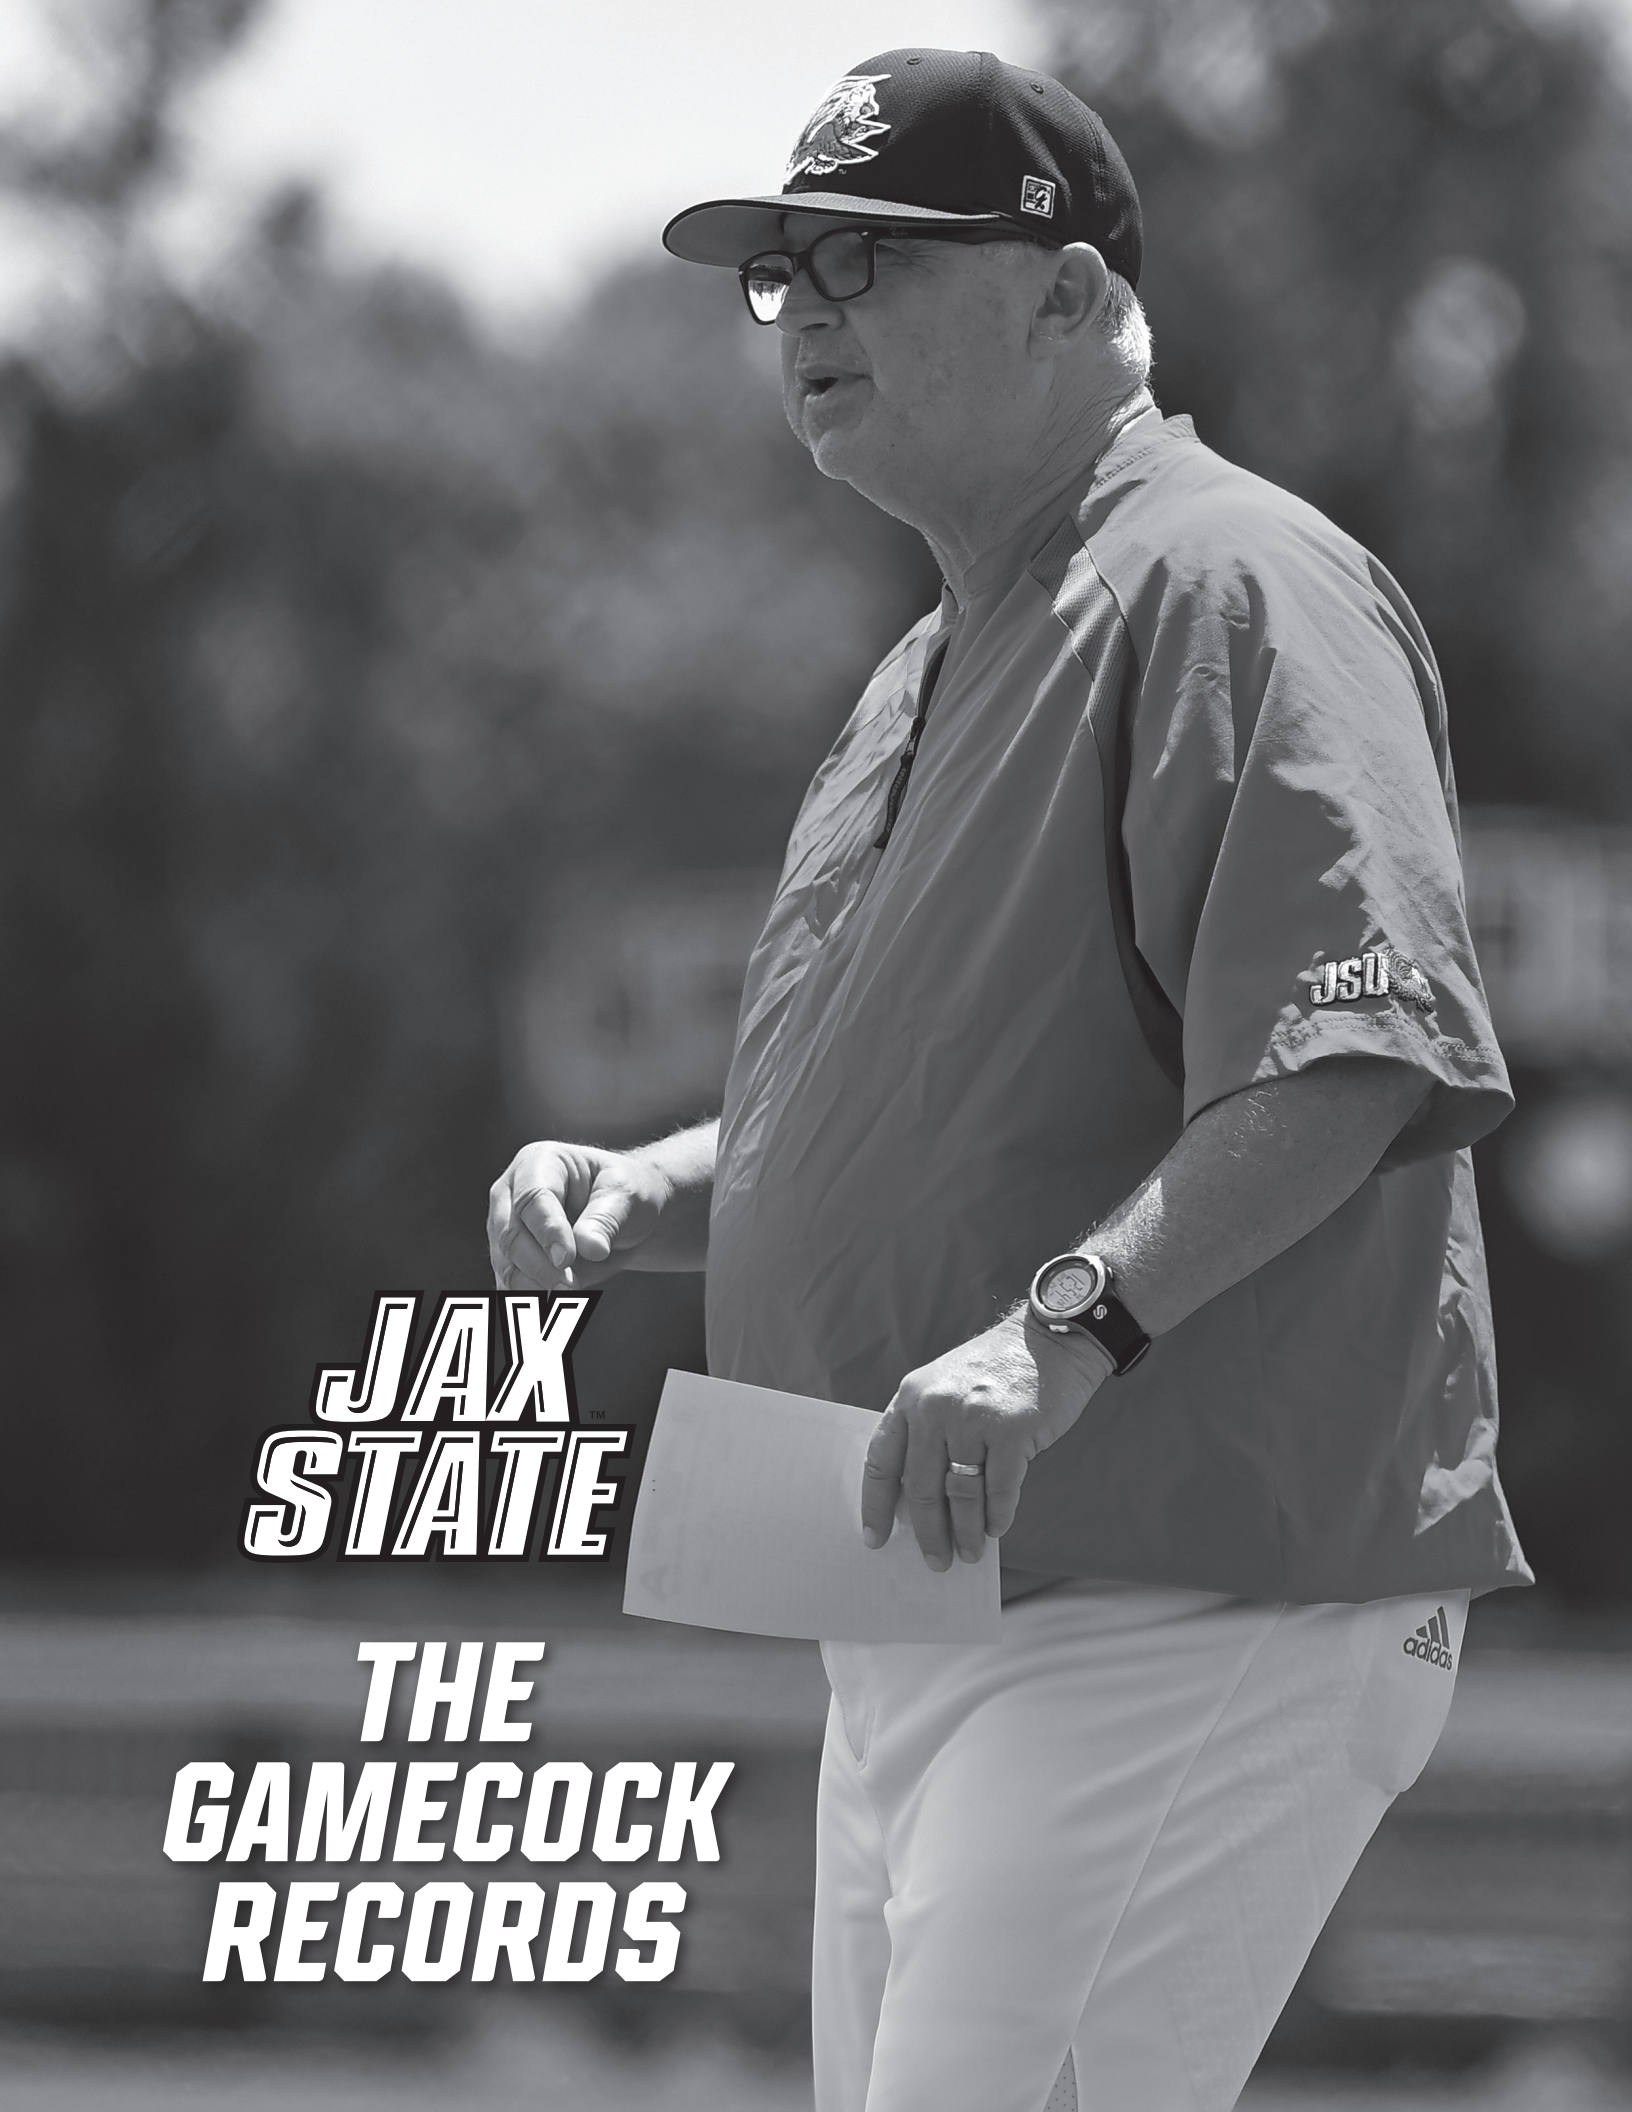

The Normal School remained in operation until 1930, when it became Jacksonville State Teachers College. Five years later, the College earned regional accreditation from the Southern Association of Colleges and Schools. The name again changed to Jacksonville State College in 1957 when the first graduate program—the master's degree in elementary education—was created. On August 2, 1966, the Legislature authorized the State Board of Education to elevate the College to university status. On August 17, 1967, the Legislature established an independent Board of Trustees for the University and divested jurisdiction from the State Board of Education.

Jacksonville State University has been served by 11 presidents: James G. Ryals, Jr. (1883-85), J. Harris Chappell (1885-86), Carleton Bartlett Gibson (1886-92), J. B. Jarrett (1892-93), Jacob Forney IV (1893-99), Clarence William Dugette (1899-1942), Houston Cole (1942-71), Ernest Stone (1971-81), Theron E. Montgomery (1981-86), Harold J. McGee (1986-99), and William A. Meehan (1999-present).

Jacksonville State University has developed into a modern regional university serving Northeast Alabama on a 392-acre campus with 63 buildings. In addition, the University operates an off-campus center in Gadsden and video-conferencing sites throughout Alabama and Northwest Georgia. Through its programs of teaching, research, and service, Jacksonville State University has served the region and state for more than 100 years.

JAX STATE

The next era of Jacksonville State Athletics got underway on July 1, when the Gamecocks' officially became members of Conference USA.

Jax State accepted CUSA's invitation to join the league in November of 2021 and immediately got to work on its application for the league and specifically Football's Bowl Subdivision. The Gamecocks saw that work come to fruition on Saturday, when they joined eight other programs to make up the new-look conference that has been a force in Division I athletics since 1995.

Joining Jax State as new members in CUSA are Liberty, New Mexico State and Sam Houston. They team up with FIU, Louisiana Tech, Middle Tennessee, UTEP and Western Kentucky to make up the nine-school membership for the 2023-24 academic year. Kennesaw State will join as the conference's 10th team in 2024.

CUSA is Jax State's third Division I conference home after spending 18 years in the Ohio Valley Conference and 10 total years in the ASUN, which was the Gamecocks' first Div. I conference home from 1995-03 and again from 2021-23.

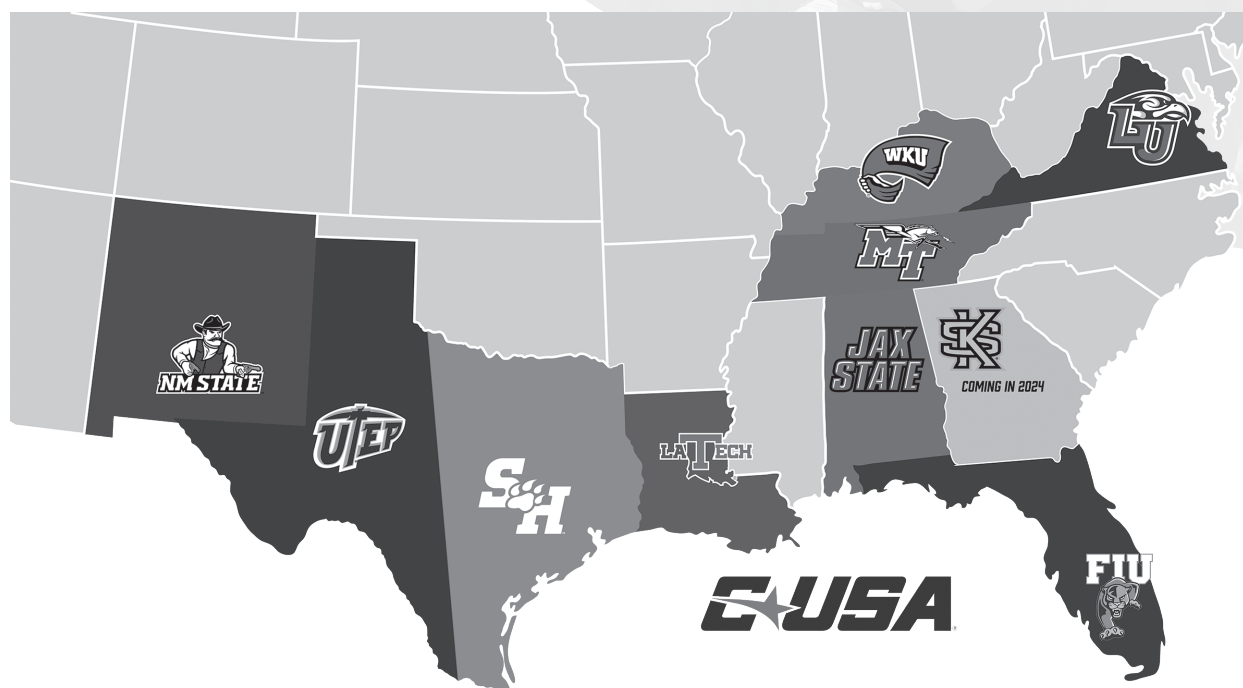

The Gamecocks have had tremendous success in their previous Div. I leagues, winning more than 80 total conference titles since making the move from Div. II in 1993. Jax State Football has seen a great deal of that success at the FCS level, where it won 10 conference titles in the past 20 years, including the first ASUN Football Championship in 2022.

Jax State's move to FBS and CUSA has already paid off, with the league announcing a new multimedia rights deal with CBS Sports and ESPN that will begin with the 2023-24 academic year. The multi-year agreement positions CBS Sports Network with tier one selection status for C-USA football (18 games annually) and men's basketball (18 games annually) over the length of the partnership, while also televising the football championship, men's basketball semifinal and championship games, the women's basketball championship game, and baseball and softball championship games.

The Gamecocks will play at least six football games on national television in 2023, with the possibility of up to four more being picked up during the season. CUSA will be able to stand alone in front of its national television audience in October, when all league games will be played on weeknights and on linear networks.

Jax State will begin competition as a member of CUSA this fall, when the Gamecock soccer team begins its season on Aug. 17. Jax State Volleyball will open its campaign on Aug. 25. Football will play the first-ever CUSA game for Jax State on Aug. 26, when the Gamecocks host UTEP to open the 2023 season at Burgess-Snow Field.

In conjunction with its new membership coming on board for July 1, CUSA unveiled a new brand identity that included a new logo and refreshed identity to celebrate the league's 29th year.
