CHARLES KELLY

Career: 10-7 (2nd) | AT Jax State: 10-7 (2nd)

Kelly was announced as the 30th head football coach in program history on December 21, 2024. The Ozark, Alabama, native, brought nearly 35 years of coaching experience with him to the Gamecocks, including five seasons at Jax State under Hall of Fame coach Bill Burgess.

Kelly spent time at some of the top programs in college football, including Alabama, Florida State, Auburn, Tennessee, and Georgia Tech. He has been part of two national championship teams and won numerous conference titles.

Immediately prior to returning to Jax State, Kelly served as the co-defensive coordinator and safeties coach at Auburn in 2023 and the defensive coordinator at Colorado in 2023. In recognition of his recruiting prowess, Kelly was named the 2023 247Sports National Recruiter of the Year.

In his debut season as a collegiate head coach, Kelly led Jax State to a 9-5 record with wins over Liberty, WKU and Kennesaw State during the regular season. The Gamecocks made a second-straight appearance in the CUSA championship game and earned a third consecutive bowl bid, where the Gamecocks "Whupped" rival Troy, 17-13, in the IS4S Salute to Veterans Bowl in Montgomery's Cramton Bowl.

CLAY HELTON

Career: 74-50 (11th) | AT GSU: 28-26 (5th)

Clay Helton, who led USC to a Rose Bowl title in 2016, was named GSU head coach on Nov. 2, 2021.

In his first year in Statesboro, the Eagles knocked off Nebraska on the road for the school's second Power 5 win, beat a ranked James Madison team at home, and beat rival App State in double overtime to secure a bid to the Camellia Bowl.

In 2023, Helton once again led the Eagles to a bowl game, as he has done each year since being hired. Helton went 46-24 (.657) as the head coach of the USC Trojans with 12 victories over AP Top 25 teams, including three in the Top 5 and four in the Top 10. He went 5-1 in a pandemic-shortened 2020 season .

Prior to USC, Helton spent 10 seasons as an assistant at Memphis (2000-2009). He got into coaching under his father at Houston in 1996. Helton began his career as a quaterback at Auburn, arriving in 1990 just after Charles Kelly graduated. He transferred to Houston after the 1992 season, just before Kelly returned to the Plains as a GA for the 1993 season.

FROM THE DESK OF THE PRESIDENT

Welcome to Burgess-Snow Field at AmFirst Stadium, home of the Jax State Gamecocks!

It is great to have you with us on the Friendliest Campus in the South as we begin another season of Gamecock Football.

The 2025 season gave us plenty to celebrate. In Coach Charles Kelly's first year leading his alma mater, the Gamecocks won nine games, returned to the Conference USA Championship Game and capped the season with a victory over in-state rival Troy in the Salute to Veterans Bowl. It was our third consecutive bowl appearance since making the transition to the Football Bowl Subdivision and another important step forward for our program.

Our fans were a big part of that success. Last November, a record crowd of 24,166 packed AmFirst Stadium for our win over Kennesaw State, creating an atmosphere that showcased the passion of Gamecock Nation. As we enter our fourth season in Conference USA, we look forward to building on that momentum and once again competing for championships.

Those who have been part of Jax State for many years know just how far this program has come. Today, our student-athletes train and prepare in the Loring and Debbie White Football Performance Center, while AmFirst Stadium continues to provide one of the best college football environments in the region. But while the facilities and level of competition have changed, the pride and tradition surrounding Gamecock Football remain as strong as ever.

And no Jax State game day would be complete without the Marching Southerners. Our world-renowned band has represented Jacksonville State with excellence for generations, and this season carries even more excitement as the Southerners prepare to represent Jax State on one of the world's biggest stages — the 138th Rose Parade in Pasadena, California, on New Year's Day 2027. We are incredibly proud of these students and look forward to sharing the Southerners with millions of people around the world.

Thank you for joining us today and for being part of the Gamecock game day experience. Whether you have been coming to Burgess-Snow Field for decades or this is your first visit, we hope you enjoy your time at Jax State and experience what makes the Friendliest Campus in the South such a special place.

Go Gamecocks and Blow Southerners!

WEEKLY AWARDS

OFFENSIVE PLAYER OF THE WEEK
JJ Kohl, FIU – Jr. – QB – Ankeny, Iowa
Kohl delivered a standout performance in the Panthers' (1-1) 33-20 victory over Buffalo, passing for 367 yards and three touchdowns while completing passes to nine different receivers. He also made history with a 19-yard touchdown reception, becoming the first quarterback in FIU history to catch a touchdown. Kohl connected on two touchdown passes and amassed 224 yards just in the first half. He finished 5-7 for 130 yards on third downs in the win.

DEFENSIVE PLAYER OF THE WEEK
Elisha Baldridge, FIU – Jr. – DL – Big Prairie, Ohio
Baldridge turned in a dominant performance on Saturday, recording 2.0 sacks, six tackles, four solo stops and a quarterback hurry. He stripped the ball loose on both of his sacks, with one recovered by FIU. His disruptive effort earned him the distinction of being the top-rated EDGE among all CUSA defenders in Week Two, according to PFF.

SPECIAL TEAMS PLAYER OF THE WEEK
Dominic Bourgeois, MTSU – Sr. – K – Baltimore, Md.
Bourgeois connected on two field goals and hit all three of his extra points in MTSU's (1-1) hotly contested game at Marshall. His second quarter field goal went for 52 yards to set a new personal record and match the fifth longest in Blue Raider history. It was also the longest hit for an MTSU player since 2010. The senior would later add a 35-yard field goal to pull MTSU within one point at the half on the road. In four years of collegiate football, Bourgeois has only missed one field goal try.

FRESHMAN OF THE WEEK
Felix Visser, FIU – Fr. – P – Perth, Australia
Visser booted three punts for an average of 42.7 yards, including a long punt of 49 yards, in Saturday's win. He had two punts downed inside the 20-yard line, and Buffalo's average starting field position on his three kicks was just shy of its own 16-yard line.

OFFENSIVE LINEMAN OF THE WEEK
Zaire Flournoy, FIU – Sr. – OL – Douglasville, Ga.
Flournoy anchored an offensive line that didn't allow a sack on 41 dropbacks in the victory over Buffalo and helped pave the way for 540 yards of total offense, averaging 7.1 yards per play. He played all 77 snaps at right guard without getting flagged and while allowing just two pressures.

JAX STATE

HEAD COACH CHARLES KELLY

SECOND SEASON

Jacksonville State Vice President for Athletics Greg Seitz announced the hiring of Charles Kelly as the 30th head football coach in program history on December 21, 2024.

By that date in 2025, Kelly had guided Jax State to a 9-5 season in his opening campaign and won the Salute to Veterans Bowl in Montgomery over historic rival Troy.

Kelly, a native of Ozark, Alabama, brought nearly 35 years of coaching experience to the Gamecocks, including five seasons at Jax State after being hired by Hall of Fame coach Bill Burgess.

Kelly has spent time at some of the top programs in college football, including Alabama, Florida State, Auburn, Tennessee, and Georgia Tech. He has been part of teams that have won two national championships and numerous conference titles.

"First of all, it's an unbelievable honor to have the opportunity to be the head football coach at Jacksonville State University," said Kelly at the time he was hired. "The standard of excellence at this university and in its athletic programs is second to none, and I am proud to return and build on that incredible tradition."

Most recently, Kelly served as the co-defensive coordinator and safeties coach at Auburn, his alma mater. Under his guidance, the Tigers' defense ranked among the SEC leaders in several categories, including scoring defense and rushing defense. Individually, freshmen Demarcus Riddick and Jay Crawford earned spots on the Freshman All-SEC Team.

Before his time at Auburn, Kelly was the defensive coordinator at Colorado in 2023, where he played a pivotal role in helping turn around the Buffaloes program under head coach Deion Sanders. His players included 2024 Heisman Trophy winner Travis Hunter and All-Pac-12 safety Shiloh Sanders.

Kelly also spent four seasons at Alabama with Nick Saban as the associate defensive coordinator and safeties coach. During his tenure, the Crimson Tide achieved a 47-6 record and won the 2020 national championship.

In recognition of his recruiting prowess, Kelly was named the 2023 247Sports National Recruiter of the Year and consistently ranked among the top recruiters in the country.

Kelly's coaching journey also includes stints at Tennessee, Florida State, Georgia Tech, and Nicholls State.

He served as defensive coordinator for four seasons at Florida State, where he helped lead the Seminoles to the first College Football Playoff and mentored several future NFL stars.

Earlier in his career, Kelly held roles at Eufaula High School, Henderson State, and Phenix City High School.

Kelly earned his first victory as a collegiate head coach on Sept. 6, 2025 in his Jax State home debut against CUSA rival Liberty. Behind the nation's leading rusher in Cam Cook and one of the best defenses in CUSA, the Gamecocks finished the regular season undefeated at home with wins over Delaware, Kennesaw State and Western Kentucky. Jax State completed Kelly's first year with the second FBS bowl win in program history, defeating Troy in the first matchup in a quarter-century between the two longtime rivals.

Jax State also had the No. 3 rushing defense ,No. 3 red zone defense, and No. 3 scoring defense in the league.

Williams spent the previous three seasons as the defensive coordinator at Maryland and worked with the Terrapins' defensive line since 2020 and was the outside linebackers coach during the 2019 season.

During the 2023 season, Williams' defense posted its best points allowed per game average since 2010. He's coached six All-Big Ten selections during his time at Maryland. In 2021, Williams was honored by 247Sports as the top recruiter in the Big Ten during that cycle, helping Maryland land the No. 18 class nationally.

Williams spent three seasons at UAB as the linebackers coach, helping the Blazers reach the Conference USA Championship game and an 11-win season.

The Miami native got his start in coaching as a defensive analyst at Florida State in 2013, helping the Seminole defense that led the ACC in pass defense, ranked second in total defense, and third in rushing defense.

MAX THURMOND

SPECIAL TEAMS COORDINATOR / RUNNING BACKS

2nd Season

A familiar face to Gamecock fans, Max Thurmond returned to the sidelines in 2025 for his third stint with the Red and White.

In his first season back at AmFirst Stadium, Thurmond coached a pair of First-Team All-Conference USA selections. Running back Cam Cook was named the Conference USA Player of the Year and the Michael L. Slive Conference USA Male Athlete of the Year after leading the nation in rushing with 1,659 and 16 touchdowns. On special teams, Garrison Rippa earned all-league honors after connecting on 21 field goals which included four of 50+ yards.

Thurmond most recently served as the senior offensive analyst at Tennessee from 2022-2024. With the Volunteers, he helped Tennessee to it best run of the 21st century with two bowl wins, including the 2023 Orange Bowl, and the program's first CFP playoff berth in 2024.

A former Gamecock himself, Thurmond started his coaching career at his alma mater as a graduate assistant under Jack Crowe and later served as an assistant from 2001-2012.

He began his coaching career on defense, where he spent seven years with the outside linebackers and two years coaching cornerbacks, and helped establish the Gamecocks as one of the most dominating defenses in the Ohio Valley Conference.

The Gamecocks won three OVC titles and advanced to the FCS Playoffs in 2003, 2004 and 2010.

Thurmond spent a single season at Reinhardt University in 2013 before a two-year stint at West Alabama for 2014-15 where he oversaw linebackers and special teams and coached eventual Super Bowl champion, Tyreek Hill.

In the stop before his first return to Jax State, Thurmond served as special teams coordinator and linebackers coach for Will Healy at Charlotte in 2019.

In his season with the 49ers, UNCC set school records for wins (7), Conference USA wins (5), and winning streak (5) and advanced to the program's first bowl game.

Thurmond was previously the linebackers coach and special teams coordinator for Healy at Austin Peay for 2016-17. He inherited a team that went 0-11 the season prior. After a winless 2016 season, Thurmond helped the Govs snap their 29-game losing streak – the longest losing streak in NCAA football at the time – and finish an outstanding 8-4 in just his second season.

After serving as the special teams coordinator and linebackers coach at Charlotte, Thurmond returned to Jacksonville to coach special teams and linebackers under John Grass.

The return was a successful one as his outside linebackers unit helped lead a Gamecock defense that was one of the top run defenses in the nation and in Gamecock history. All-American and First Team All-OVC selection DJ Coleman, Freshman All-American J-Rock Swain and All-OVC performer Umstead Sanders paced a defense that held a school-record nine-straight opponents under 100 yards rushing.

In Thurmond's first season taking over the Jax State special teams in the 2020-21 season, the Gamecocks enjoyed one of the OVC's greatest turnarounds in that phase of the game. Freshman Michael Pettway was a First Team All-OVC selection as a kickoff returner, while freshman kicker Alen Karajic led the league in touchbacks, while also ranking third in the OVC in scoring among kickers.

Thurmond picked up another OVC championship in 2020, and later served as interim head coach for two games at the end of the 2021 season.

Thurmond holds a degree in Exercise Science. A native of Sylvester, Ga. where he attended Worth County High, Thurmond and his wife, Gresha have two children: Maxwell Jr. and Asha.

MARCHING SOUTHERNERS

CHANGING LIVES ONE SHOW AT A TIME

GEM OF THE HILLS

In 2026, the Marching Southerners celebrate 70 years of sharing excellence and tradition with audiences across the country and around the world. It's an institution that has truly stood the test of time… and is still going strong. Like a faithful friend, it doesn't fade away. It never leaves. It lasts.

A family like this doesn't happen by accident. Year after year, generation to generation, it's cared for with the love of those who call it their own. A love born and bred deep in the tranquil foothills of the Appalachian Mountains… the Gem of the Hills.

In this spirit, the 2026 Marching Southerners honor the people, the land, the culture, and the music of the place they call home. Seasons come and go, but the soul of the Southerners remains the same: forged in the fires of love, honor, and pride. With steel in their veins and a song in their hearts, the Marching Southerners are proud to present their 2026 production: Gem of the Hills.

featuring:

"Appalachian Morning" by Paul Winter

"Appalachian Spring" by Aaron Copland

"River Deep, Mountain High" by Céline Dion

"Landslide" by Fleetwood Mac

"Steel in Our Veins" by Hans Zimmer

"Test Drive" by John Powell

This is who we are.

This is where we're from.

This is the soundtrack to our…Gem of the Hills.

The Marching Southerners have been invited to march in the 138th Rose Parade presented by Honda on January 1, 2027 in Pasadena, California. If you would like to donate to help offset some traveling expenses, please scan the QR code below.

BOWL SYNOPSIS

CUSA BOWL OVERVIEW

Conference USA will continue its established bowl affiliations for the 2026 postseason, as Bowl Season announced the extension of existing conference bowl agreements with the FBS conferences. The league is guaranteed seven bowl appearances, providing its members with a broad range of postseason opportunities across the country.

CUSA will once again send a team to the New Orleans Bowl against a Sun Belt Conference school. The league has a longstanding history with the event, having placed a team in the bowl 21 times since its inception in 2001. CUSA teams have won each of the last four New Orleans Bowl games.

The conference's remaining guaranteed selections in the cycle will come from 14 games which are owned and operated by ESPN Events. The bowl lineup offers Conference USA institutions and student-athletes postseason destinations throughout the nation while continuing the league's commitment to providing quality postseason opportunities and experiences.

Greg Seitz is in his 34th year in the athletic department at Jacksonville State University. He has served as Director of Athletics since being officially named to the role on February 26, 2016.

Seitz served as interim Athletic Director for 14 months leading up to his full-time appointment, marking his third term as the interim Athletic Director for the Gamecocks.

In Seitz's decade at the helm, the Gamecocks have experienced unprecedented success on the field and in the classroom. The architect of Jax State's move from NCAA's Football Championship Subdivision (FCS) to the Football Bowl Subdivision (FBS) and Conference USA, Seitz has navigated the athletic department through the recovery of the 2018 EF-3 tornado, the 2020 pandemic and a series of three conference changes over a four-year span.

During his tenure, the Gamecocks have shined in the classroom. Jax State student-athletes have earned a 3.20-or-better department GPA in each of the last seven years, including the department's highest combined GPA of 3.361 set during the most recent 2025-26 academic year.

Since taking the reins full-time in 2016, Seitz has hired an impressive list of head coaches that have produced Jax State's first two trips to March Madness and the NCAA Men's Basketball Tournament (Ray Harper), first FBS bowl appearance, bowl victory and FBS Conference Championship (Rich Rodriguez) and the school's first Division I national championship in women's bowling (Shannon O'Keefe). The Gamecocks have claimed multiple softball and volleyball conference crowns, while also regularly placing individuals in NCAA postseason competition in golf, tennis and track and field. In 2019, Jax State baseball won its first NCAA Tournament games eliminating Illinois and Clemson en route to the Oxford Regional Final.

This past spring, baseball and softball each swept the regular season and tournament titles in Conference USA and advance to NCAA Regionals. Jax State was the only Division I school in the nation to sweep those four titles in 2026. The 2025-26 year also featured a third consecutive FBS bowl game for the Gamecocks - now alongside Marshall as the only FCS-to-FBS team to make a bowl in its first three seasons. The Gamecocks beat historic rival Troy, 17-13, in the Salute to Veterans Bowl in Montgomery. Jax State later returned to the national spotlight winning the NCAA National Championship in bowling, the second title in three seasons.

In the school's second season as a full-fledged FBS and Conference USA member in 2024-25, the Gamecocks reached the championship game/round and finished first or second in the league in six sports (football, men's basketball, bowling, women's golf, softball and baseball). A feat made more impressive by the fact that CUSA ranked Top 10 in conference RPI in four of those sports (Bowling, Men's Basketball, Softball, Baseball) The Gamecocks hosted and won the 2024 CUSA Football Championship with a dominant 52-12 win over Western Kentucky at AmFirst Stadium to win the program's first FBS conference title. Later that season, Jax State made its debut in the men's basketball National Invitation Tournament (NIT), where the Gamecocks made another national television splash with an 81-64 Opening Round win at Georgia Tech for the program's first Power Four win in the last 50 years.

Jax State made a head-first dive into Conference USA and FBS football for 2023-24. The Gamecocks earned the school's first FBS bowl appearance and bowl victory in the New Orleans Bowl, while the upstart

bowling program claimed the 2024 NCAA national championship. It led to what was one of the school's best finishes in the year-end LEARFIELD Director's Cup standings with Jax State scoring 145 points to rank 123rd among all 350+ Division I institutions. That mark was beat during the previous 2025-26 campaign that saw Jax State score 220 points and rank 95th nationally.

From Seitz earliest days leading the Gamecocks, the Jax State football team won a JSU and Ohio Valley Conference-record five consecutive league titles and won a league-record 36-straight OVC games from 2014 to 2018, the second-longest conference win streak in FCS history. The Gamecocks were the only Division I program to win its conference title outright during those five seasons. The 2015 season saw the football team post it's first-ever No. 1 ranking in school history, and earn the No. 1 National seed in the FCS Playoffs before advancing to Jax State's first Division I National Championship Game appearance in Frisco, Texas. The Gamecocks set more than 50 school records and ranked in the top three in attendance at the FCS level after hosting three-straight home playoff games.

In 2017, Jax State reached the Division I NCAA Men's Basketball Tournament for the first time under first-year head coach Ray Harper. The Gamecocks made their second all-time appearance in March Madness in 2022, winning the ASUN Conference in their first year. The transition to the ASUN saw immediate success on the hardwood as the women's basketball program also took part in its first Div. I postseason with a bid to the WNIT.

Seitz has been with Jax State since 1993, when he began working as assistant sports information director. In 1999, he became Sports Information Director and was promoted to Associate Athletic Director in 2002, before being promoted to Senior Associate Athletic Director in 2011.

During his term as interim and Athletic Director, Seitz has been instrumental in many of the facility upgrades at Jacksonville State, including renovations at Rudy Abbott Field at Jim Case Stadium, Pete Mathews Coliseum, the Loring and Debbie White Football Complex and the Riley Green Athletic Sports Performance Center.

In 2017, Seitz announced an extension of a 14-year partnership between Jax State Athletics and Adidas, securing the Portland, Ore., based company as the Gamecocks' official athletic apparel and footwear brand.

Also during 2017, Seitz and the Board of Trustees announced plans to install new state-of-the-art high definition video boards at football, baseball and softball, while also placing new scoreboards at the Jax State Soccer Field and the Jax State Tennis Courts. That project went one step further in 2019, when a pair of video boards were installed inside Pete Mathews Coliseum as part of the reconstruction process following the 2018 EF-3 tornado that struck campus.

As part of the campus rebuild following the tornado, Seitz brought the athletic department's administrative home to Pete Mathews Coliseum creating new office space throughout the third floor of the facility. The transition paved the way for a new main athletic ticket office in the coliseum lobby, updated basketball, soccer and volleyball locker rooms, and the installation of a full-size practice court on the east end of the building.

Under his guidance, Jax State athletics transitioned into the ASUN Conference in 2021, to better align with the evolving college landscape, and soon after accepted an invitation to join Conference USA beginning in 2023. The move elevated the Gamecocks' football program to the highest level of college football. Among his notable hires since taking over as AD, Seitz landed Rich Rodriguez to lead Jax State's efforts into FBS and Conference USA. The move proved successful from the start as Rodriguez and the Gamecocks won the ASUN Conference in his first season in 2022 during Jax State's final FCS season. The momentum continued into Jax State's debut FBS season in 2023 when Rodriguez and the Gamecocks became just the fifth team to play in a bowl during the program's first full season of FBS competition. Jax State then became the first and only team to win a bowl in its first FBS campaign with a thrilling 34-31 overtime victory over Louisiana in the R+L Carrier's New Orleans Bowl.

Seitz has served on the NCAA Men's Final Four Media Coordinator team for the last 14 years and was just named to the NCAA Division I baseball committee, serving a four-year term through 2028. He also serves as a site representative for the NCAA for the Division I Baseball Regionals and Super Regionals, and has worked the College World Series for the past six years. Seitz served a four-year term on the NCAA FCS Football Committee, serving as Chair in 2019, and has been a site representative for the last 11 years. In addition, he served as a member of the NCAA Football Oversight Committee in 2019-20 and was a member of the NCAA Championships Financial Working Group that was formed in 2019.

He has worked numerous NCAA Championships and Alabama High School Athletic Association events over the last 30-plus years. In 2002, he became the first SID elected as President of the Alabama Sports Writers Association and currently serves as the organization's secretary and treasurer.
