The 200m is not seeded. Athletes will need to declare their intent at the hip number table in order to compete. Those who do not declare by the allotted time will be scratched and not allowed to run. This will help us cut down the number of heats and allow us to keep those heats as full as possible. Should you declare and then later decide to scratch please let the hip table know. Calls will be made on when declarations open and close. Do NOT go to the hip number table before that time.
