OVERTIME RULE CHANGE FOR 2022

- During the offseason, the NCAA Playing Rules Oversight Panel (PROP) approved changes to overtime rules for the regular season and postseason beginning in 2022.
- For the regular season, overtime has been eliminated, meaning if a match is tied after the regulation 90 minutes, it will end in a tie. Previously, teams played two 10-minute overtime periods in a sudden-victory (golden goal) format, and if neither team scored, the game ended in a tie.
- In conference tournaments and NCAA postseason games, the sudden-victory component has been eliminated, and teams will play two 10-minute overtime periods instead. Also, when a substitution is made by the winning team in the last five minutes of the second overtime, the game clock will stop. If the game remains tied, a penalty-kick shootout will be held to determine the winner.
