

## History of the Dot Martin Scholarship Classic

In 1990, Dorothy "Dot" Martin became a Kennesaw State Athletics donor and played an important role in the Owls' growing history. Dot contributed greatly to the rise of the Department of Athletics, including co-founding the KSU Scholarship Classic in April of 1995. Mrs. Martin was such a special member of the Owls family, that after her passing in January of 1999, Kennesaw State Athletics decided to rename the annual tournament, the Dot Martin Scholarship Golf Classic, in her memory.

2019 marks the 20th anniversary of Dot's recognition while celebrating 25 years of benefiting student-athlete scholarships.

## Tournament Format

The tournament is a four-person scramble. Mulligan cards and survival kits will be available for purchase. Those signing up as individuals will be grouped into teams based on their handicap.
