OWLS LOOK FOR THIRD STRAIGHT WIN OVER PANTHERS...

- ◆ Kennesaw State is in the midst of a three-game homestand, but this is the game that was circled from the start of the season as its time for the annual contest against Atlanta Metro rival Georgia State, as the teams will square off for the third straight year on Saturday afternoon in VyStar Arena. The series restarted two years ago after a 35-year break, and the Owls have claimed the past two meetings, including last season's come-from-behind 81-77 victory.
- ◆ KSU is looking for its fourth home victory of the season, while Georgia State is looking for its first road win as it concludes a six-game road swing.
- ◆ KSU has always been a fast paced team under Pettway, and that's not changing in his third year at the helm of the Owls. KSU ranked in the top five in the nation in adjusted tempo in his first year, and currently is 11th at 73.6 (possessions per 40 minutes).
- ◆ The Owls are also scoring at high rate, currently seventh in the nation at 94.9 points per game, which easily leads Conference USA. Senior guard Simeon Cottle meanwhile paces the league in scoring at 21.4 points per game, 12th in the nation.
- ◆ KSU is having another strong year in the boards as well, ranking second in total rebounds per game (47.4 rpg) and 13th in rebound margin (+11.8) in the nation.
- ◆ Following Saturday's game, the Owls will play their last home game of the month with a rare Monday afternoon contest, as they will tip at 12 pm start against Southern Wesleyan.

THE PETTWAY FILE

COACHING HIGHLIGHTS

- ◆ Coached the Owls to their first-ever win over a Top-25 team with a 79-73 victory over #23 Rutgers on Nov. 24, 2024 in Kennesaw. That was also the second-ever win over a Power Four team in program history.
- ◆ Guided KSU to a 19-14 record and a 10-8 mark in its first-year in Conference USA after being picked to finish in last place. The 19 wins is the second-most wins in school history (D1 era).
- ◆ Recruited and coached Adrian Wooley, the first Owl to ever earn Freshman All-American honors while he was also the Conference USA Freshman of the Year.
- ◆ The Owls claimed their first-ever Quad 1 victory with an 85-80 road win at Liberty on its Senior Day on March 2, 2025.
- ◆ Named the Owls' eighth head coach in the history of the program in April of 2023.
- ◆ His first recruiting class at KSU was ranked 61st in the nation, highest in school history, pulled together in just his first three months at the school.

Antoine Pettway was named as the eighth head coach in Kennesaw State men's basketball history on April 8, 2023, and he took no time in making his impact on the program after leading the Owls to their second and third winningest D1 seasons ever. He stands atop the record list for best winning percentage (D1 era) by a KSU coach at 53.1%.

In his second season with the Black and Gold, Pettway guided the Owls to numerous firsts, including the first-ever win over a ranked opponent (79-77 over No. 24 Rutgers on Nov. 24), as well as the first-ever Quad victory with a road win at Liberty. Picked to finish in a tie for last in the team's first year in Conference USA, Pettway guided KSU to a fourth-place finish at 10-8, and came up just short of an appearance in the CUSA championship game, falling to top-seed Liberty 81-79 in the tournament semifinals. KSU's 19-14 record in 2024-25 was the second-most wins ever in the D1 era.

Pettway's excellence on the recruiting trail was a huge factor in the team's success in 2024-25. After bringing in the top non-Power Four class in the nation (No. 32), the Owl freshman class would finish the season ranked in the top five in the nation for most points by a freshman class,

◆ He crushed that with his second freshman recruiting class, as the Owls' six-man class was ranked 32nd in the nation, which was also the top non-power conference class in the nation.

◆ Known as one of the top recruiters in the nation while an assistant coach at Alabama, where he brought in the third-ranked class in the nation in 2022 that included two five-star and two four-star recruits, highlighted by 2023 NBA Draft No. 2 selection and National Freshman of the Year Brandon Miller.

◆ Has recruited and developed over 40 professional athletes. That includes eight NBA players over the past four years including Collin Sexton, Kira Lewis, Herb Jones, Mark Szears, JD Davison and Noah Clowney.

◆ As an assistant coach, was part of three NCAA tournament appearances while Alabama spent several weeks at the top of the national polls in his final season in Tuscaloosa.

PLAYER HIGHLIGHTS

◆ Joined Alabama as a walk-on and earned a scholarship for his sophomore season, before leading the Crimson Tide to the NCAA's his final three seasons, including the Elite Eight in 2003-04.

most points per game, and highest percentage of points. That was highlighted by the performance of Adrian Wooley, who became the first Owl to claim Freshman All-American honors, while he also claimed CUSA Freshman of the Year and First-Team All-CUSA accolades. Braedan Lue joined Wooley on the CUSA All-Freshman team as well.

He quickly made his impact on the program, as he envisioned turning the Owls into one of the fastest playing teams in the nation. After just one year at the helm of the Black and Gold, Pettway did exactly that, as KSU shattered almost every single Division I scoring record while ranking among the nation's leaders in several offensive categories. The Owls ranked sixth in the nation in fast break points (15.35 ppg) while playing at the fourth fastest pace in the nation (according to KenPom).

The Owls also finished their first year under Pettway with a 15-16 mark, with the 15 total season victories marking as the third-highest ever in the program's Division I era.

Among the school records set in 2023-24 in the first year of the Pettway era were most points

per game at 82.8 ppg (previous record was 75.0 ppg) which also ranked as the 14th-highest scoring offense in the nation. The Owls also set new KSU D1 era marks for most three-pointers made with 292 (previous record was 286).

KSU started out the 2023-24 season with a 4-1 record and a 9-3 mark after 12 games, both new record starts (D1 level). That run included wins over in-state rivals Georgia Southern and Georgia State, as well as an impressive overtime victory over UNC Asheville, a NCAA participant from the previous year. The Owls also began their last year in the Atlantic Sun with a 3-0 start, and claimed a season sweep over FGCU as one of the highlights of the year.

Pettway came to the Black and Gold after a stellar 15 years on the Alabama coaching staff, which culminated in the Crimson Tide spending several weeks as the nation's No. 1 ranked team this past season. Known as one of the top recruiters in the nation, he brought in the third-ranked class in the nation in 2022 that included two five-star and two four-star recruits, highlighted by potential NBA Draft Top 3 pick and 2022-23 National Freshman of the Year Brandon Miller.

Alabama ranked in the top 20 in the nation in scoring for the past four years under Pettway as the team's offensive coordinator. That included this past season in which the team averaged 81.8 points per game, seventh-best in the nation. Over the past three years, the Crimson Tide posted four SEC championship titles and a pair of Sweet 16 appearances and set the school record for single season wins with a 31-6 record this past year. Alabama made five NCAA

tournaments and six NIT appearances during his time in Tuscaloosa.

Pettway has recruited and developed over 40 professional athletes. That included eight NBA players over the last four years, highlighted by Collin Sexton, Kira Lewis, Herb Jones, Mark Sears, JD Davison, and projected 2023 NBA first round pick Noah Clowney.

Before joining the Alabama staff in the summer of 2008, he spent two years as an assistant coach at Jacksonville State, after one season as a graduate assistant coach at Alabama. Pettway served as assistant coach at Alabama from 2008-10, then spent three seasons as the team's director of operations before moving back into

an assistant coach role for the 2013-14 season.

A notable example of Pettway's work ethic was his playing career at Alabama, as he joined the Crimson Tide as a walk-on with an academic scholarship before earning a scholarship for his sophomore season. Starting with that sophomore season, Alabama made the NCAA Tournament his final three seasons, including the Elite Eight in the 2003-04 season. Pettway was an integral part of that run in 2004, starting every game that season at point guard. After his collegiate playing career, he spent the next year playing for the NBA Development League (Huntsville Flight) and the World Basketball Association (Kentucky Reach), where he was named the WBA Rookie of the Year.

10

The Owls have been picked to finish 2nd this season in the CUSA preseason rankings.

76

KSU set a new school record for largest win margin in the 105-29 victory over Paine on in the season opener.

202

KSU's 102-100 overtime win at FGCU tied for the most combined points in a game in KSU history.

PLAYERS TO WATCH...

There's no hesitation when listing what players are the key to focus on from Kennesaw State with a pair of Preseason All-Conference USA members on the roster in senior guard **Simeon Cottle** and sophomore forward **Braedan Lue**.

One of the top scorers in the nation a season ago, Cottle has continued to pour in the baskets this year. He currently leads CUSA with 21.4 points per game, and is one of the top three-point shooters in the nation as well, ranking 14th in the nation in with 3.50 per game.

Lue turned in an outstanding freshmen season for the Black and Gold. Slowed by an injury in the preseason, he's putting up highest numbers each time out, currently registering 10.0 points and 5.9 rebounds per game while shooting 49.1% from the floor. He also ranks in the top five in CUSA in blocks per game after recording 12 in the first eight contests.

Another sophomore making an impact this year is wing **Ramone Seals**. He's led the Owls in scoring several times this year, including a career-high 25 in the win over Rice, and currently is second in scoring for the season with 11.8 ppg while grabbing 6.0 boards per contest.

SCOUTING THE PANTHERS...

Georgia State will be looking to snap a five-game losing streak, as the Panthers have just one win on the season, a 90-56 victory over Fort Valley State on Nov. 13 in Atlanta. That was the last time the Panthers played on their home court, and Saturday concludes their road swing which most recently saw the team fall in Macon to Mercer by a 78-67 score on Tuesday night.

The team's leading scorer is Jelani Hamilton (16.3 ppg), but he has missed the past five games with an injury. The next leading scorers are Micah Tucker at 11.7 ppg and Jakai Newton (10.2 ppg). Joah Chappelle meanwhile is the top rebounder with 7.8 rpg.

As a team, the Panthers are posting just 63.6 points per game, and is shooting 35.1% from the floor. GSU has also struggled from three-point range, making 28.4% while averaging 7.9 threes per game. They are strong at the free throw line, hitting at a 75.6% clip.

PLAYER OF THE WEEK? NO QUESTION ABOUT IT...

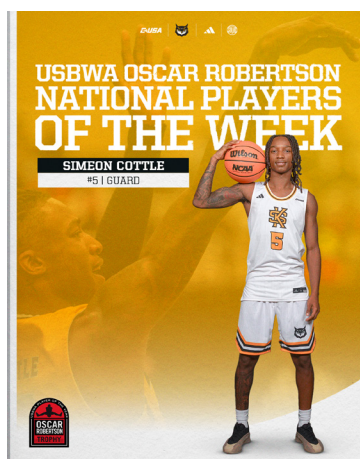

To no one's surprise, Simeon Cottle took home Conference USA Player of the Week honors on Dec. 1 after leading the Owls to the GEICO Coconut Hoops title. In the championship game, he set a new career-high with 33 points, and was perfect at the line hitting 14-of-14, including 8-of-8 in the road win at FGCU. He averaged 24.3 points per game for the three games.

He also became the first Owl to earn national weekly honors, as he was selected to the USWBA Oscar Robertson National Players of the Week squad for the week ending Nov. 30.

TRIPLE DIGITS AGAIN? OWLS' OFFENSE IS UNSTOPPABLE...

The Owls have been scoring at a record-setting pace this season. KSU has totaled 671 points so far, the second most by any CUSA team through seven games of a season all-time, behind FIU in 2018-19 (694).

KSU has also reached the 100+ point mark three times in the first seven games. That's already tied for the most 100+ point games in a season in school history, as the 2015-16 squad also reached the century mark three times.

GAME NOTES VS GEORGIA STATE | SATURDAY, DECEMBER 6 | VYSTAR ARENA

KENNESAW STATE	79
UNIVERSITY OF GEORGIA	70
MERCER UNIVERSITY	66

GEORGIA SOUTHERN	61
GEORGIA STATE	57

TOPS IN THE PEACH STATE...

Kennesaw State has been the most successful men's basketball program in the state over the past three seasons (since the start of the 2021-22), and the Owls' combined 78 wins over that stretch easily leads the Peach State's six Division I men's programs.

State of Georgia in '25-26 (as of Dec. 5)

Rank	Wins
1. Georgia	8
2. Kennesaw State	6
Mercer	6
4. Georgia Tech	5
Georgia Southern	5
*West Georgia	5
7. Georgia State	1

* - West Georgia is in its second year as a Division I program.

FOUR STRAIGHT WINS AGAINST IN-STATE RIVALS...

The Owls are riding a four-game win streak against in-state opponents Division I rivals, following a pair of wins over Georgia Southern and Georgia State in 2023-24, along with a road win at Mercer in the 2022-23 season and last year's 81-77 road win at Georgia State on Dec. 6, 2024.

Prior to the win at Mercer, the Owls had lost 15 straight to Division I teams in the state of Georgia, dating back to the 2012-13 season.

OWLS THRIVING IN BONUS BASKETBALL UNDER PETTWAY...

KSU has been stellar once the game's gone into extra time under Coach Pettway. In his three years with the Owls, the Black and Gold has played six games, and with a pair of wins in the GEICO Coconut Hoops (over Rice and FGCU), they are 5-1 in those games, including having won the last four straight.

Even more amazing, Pettway has more than half (five) of the Owls' all-time overtime victories (nine), dating back to the 2005-06 season (D1 era).

MOVING UP THE CHARTS...

Simeon Cottle became the 23rd Owl to score 1,000 career points at Kennesaw State after a 10-point game on Feb. 1, 2024 against FIU. Cottle will continue to move up the all-time chart under his current career scoring average.

	Career points	Points till 6th place	Career average	Last game

Kennesaw State's All-Time Scoring List

Rank	Player	Years	Total Points
5.	Columbus Ballard	1990-94	1,453
6.	Tyler Hooker	2016-20	1,414
7.	Simeon Cottle	2022-	1,378
8.	Delbert Love	2011-15	1,369

EAGLES DOWNED ONCE AGAIN...

No opponent dominated the Owls like FGCU did in the 2010s, at one point winning 15 straight games over KSU while the two were members of the Atlantic Sun. The Eagles won 21 of the first 28 contests as well. However, the tide started to turn in the 2020-21 season, as the Owls have now won six of the last seven meetings between the two teams. That includes a perfect 3-0 record under Coach Pettway, while Simeon Cottle has also never lost to the Eagles, as his record-setting performance ensured the Owls would prevail and move him to 4-0 all-time against FGCU.

FRESHMAN OF THE WEEK? YEAH WE DO THAT...

In its first year as members of Conference USA, Kennesaw State dominated the Freshman of the Week awards, taking the honor home in 13 of the 18 total weeks.

The Owls have carried that over to this season, as in the first week of 2025-26, Trey Simpson picked up Freshman of the Year honors after averaging 14 points and 7.5 points per game in wins over Paine and Florida A&M while also knocking down seven-of-14 from three-point range.

Talking about the new coaches challenge rule

Starting in the 2025-26 season, coaches can challenge certain plays by requesting an instant replay review—but only if their team has a timeout available.

Reviewable Situations Include:

- 1) Out-of-bounds calls
- 2) Goaltending/basket interference
- 3) Secondary defender inside the restricted-area arc

If the challenge is successful → The team keeps the timeout and earns one additional challenge for the rest of the game (including overtime).

If the challenge is unsuccessful → The team loses the timeout and can't challenge again for the rest of the game.

No timeout? No challenge.

LOVE WINS AND AMIR ABDUR-RAHIM...

In October of 2024, the college basketball world suffered a huge loss with the passing of Coach Amir Abdur-Rahim, who engineered one of the most impressive turnarounds in NCAA history, taking the Owls from a one-win season to the 2023 NCAA Tournament in just three years. He then led South Florida to the 2023-24 American regular season championship title, the first-ever conference title for the Bulls.

In honor of Coach Amir, KSU and USF have started a series to honor the legacy of Coach Amir. This year's contest was played on Sunday, Nov. 16 in Kennesaw, while next year's contest will be played in Tampa at USF.

ROCKET CITY CLASSIC...

In a matchup that was anticipated the day Coach Antoine Pettway was hired as the Owls' head coach, Kennesaw State will take on the Alabama Crimson Tide in the Rocket City Classic, a neutral contest on Sunday, Dec. 21 at VBC Prospt Arena, which is also the site of the Conference USA Basketball Championships.

Pettway is a Crimson Tide legend, having led the Tide to the Elite Eight in 2004, while he also played one year for the Huntsville Flight in the NBA Development League, who also played their games in Prospt Arena.

EXPERIENCE? WE GOT PLENTY...

This season it's about experience, as the Owls return the second-highest number of starts and minutes from last year in Conference USA. In fact, KSU is one of only two teams, along with Liberty, that brings back more than 50% of its total starts and minutes played from a year ago.

COTTLE WITH PRESEASON RECOGNITION...

Simeon Cottle is an almost unanimous choice by every service and predictions to be this year's Conference USA Preseason Player of the Year, while he was also named to the Field of 68's Mid-Major All-American Second Team. The senior guard will be closing in on numerous school records

The program started at the NAIA level in 1985-86 under Coach Phil Zenoni and went 146-143 in nine seasons with eight trips to the postseason before moving up to Division II in for the 1994-95 season. In their 11 years at the D2 level, the Owls went 198-124 and won the 2003-04 national championship. KSU joined D1 in 2005-06, and have one NCAA Tournament appearance as a D1 program (2022-23).
