The primary goal of this meet is also to accommodate athletes who cannot get into Bryan Clay Invite sections and want to run at night, or who don't meet the BC entry standards.

Entries must be made online through Direct Athletics. Entries will close at 1pm on Tuesday, April 9th, 2024. Late entries will be allowed **until 12pm on Friday April 12th**, and on a case by case basis after that. [Entries are public on Direct Athletics \(click View All Entries\)](#). We will consider speculative marks and entry notes provided, but priority will be given to verified marks run in the event being contested.

We are hoping to provide opportunities for athletes pursuing times that are regionally/nationally competitive in D2/D3 (mid-low 14s, mid-low 29s, low 17s/sub 17, mid-low 35s/sub 35). We are going to try to arrange pacers accordingly for the fast sections of each event. Please send pacing requests to Jamie Norton jnorton2@laverne.edu. **Please let us know if you know people who can pace.**

We do not have an entry standard!! We will run as many open sections as needed to accommodate whatever athletes you want to bring, but please note that due to our city-imposed lighting restrictions slower sections *may* need to take place before sunset. See very tentative schedule below.

The SCIAC multi-dual on Saturday April 13th is a CLOSED meet, no athletes from non-invited teams will be added to these events under ANY circumstances.
