

LEBANON ATHLETIC DEPARTMENT

Back-to-School Newsletter – August 2025

With fall sports in full swing and the school year right around the corner, excitement is high across Lebanon Athletics! Many of you have already received sport-specific updates from your coaches at preseason meetings. This newsletter serves as your one-stop shop for important **administrative reminders, event details, spirit wear information, and ways to get involved.** Please take a few minutes to review—these updates apply to all student-athletes and families.

Not in a Fall Sport?

If you're not currently playing a fall sport, now is the time to select your winter and spring sports in **FinalForms**. Doing so helps coaches know your interest and ensures you receive offseason communication as the year begins.

Academic Eligibility

OHSAA requires students to pass **5.0 credits each quarter**. Lebanon City Schools also requires a **minimum 1.5 GPA**.

Please make sure your child is scheduled for enough full-credit courses in the 1st quarter—it ends October 16th.

WE ALSO HAVE A GROWING TREND OF SENIORS WHO DROP CCP CLASSES AND DO NOT HAVE 5.0 TOTAL CLASSES/CREDITS. PLEASE DO NOT DROP ANY CCP CLASSES WITHOUT CONSULTING YOUR GUIDANCE COUNSELOR.

Spectator Conduct

We appreciate your continued support in making Warrior events a place of **respect, pride, and sportsmanship**.

- Unsportsmanlike conduct—verbal, physical, or non-verbal—toward officials, athletes, coaches, or fans will not be tolerated and may result in removal from the event.
- This year, we'll issue first warning letters more proactively to reinforce expectations early. If you see something concerning, please speak up. Together, we represent Lebanon with pride—before, during, and after competition.

Review the Student-Athlete Handbook

Signed during registration, this handbook outlines our **program philosophy, code of conduct, eligibility policies, and parent expectations.**
