

FOR IMMEDIATE RELEASE: June 17, 2025

College Sports Communicators Academic All-District® Women's At-Large Teams Released

The 2025 Academic All-District® Women's At-Large teams, selected by College Sports Communicators, recognize the nation's top student-athletes for their combined performances in competition and in the classroom. The CSC Academic All-America® program separately recognizes at-large honorees in four divisions — NCAA Division I, NCAA Division II, NCAA Division III and NAIA.

The CSC Academic All-District® teams include the student-athletes listed on the following pages. *Reminder that in the At-Large sports category, schools from one division might compete in another division in a particular sport, so student-athletes are listed in the DIVISION of their sport, not necessarily in their institution's NCAA division.*

Academic All-District® honorees were considered for advancement to the CSC Academic All-America® ballot. **Student-athletes selected as CSC Academic All-America® finalists are denoted with an asterisk and will advance to the national ballot to be voted on by CSC members.**

NCAA and NAIA Women's At-Large Academic All-America® First-, second- and third-team honorees will be announced on Tuesday, July 8, 2025. (The Men's At-Large Teams will be announced on Wednesday, July 9.)

The Division II and III CSC Academic All-America® programs are partially financially supported by the NCAA Division II and III national governance structures to assist CSC with handling the awards fulfillment aspects for the Divisions II and III Academic All-America® programs. The NAIA CSC Academic All-America® program is partially financially supported through the NAIA governance structure.

For more information about CSC Academic All-District® and Academic All-America® Teams program, visit AcademicAllAmerica.com.
