Meet your 2023 Lindenwood Field Hockey Team. With 28 members from 5 different countries and 9 US States, we have the best pride of Lions who call St. Charles, Missouri their home away from home. After 11 seasons at the NCAA DII level, we are in our second year competing at Division I, the top level in college field hockey. We are fundraising to help meet the needs that come with this exciting change. All proceeds directly benefit our field hockey student- athletes and make a tremendous impact on our team's experiences. Thank you and Go Lions!
