Long Beach State has a rich history of participation at the World University Games and USA Volleyball's success at those games is directly linked to the Beach. In four tournaments where the U.S. team has won a medal, at least three LBSU players or coaches have been on the roster.

Back in 1991, players Alan Knipe, Matt Lyles and Brett Winslow competed on the U.S. Team which captured the silver medal in Sheffield, England. It was the first medal ever by a USA men's team at a World University Games.

In 2001, David McKenzie, Chris Seiffert and Jim Polster helped lead the U.S. to the gold medal as Team USA defeated France (26-28, 25-19, 25-18, 25-21) in Beijing, China. The gold medal was the first for USA Men's Volleyball team at a World University Games.

In 2003, Tyler Hildebrand, David Lee and Scott Touzinsky won the bronze medal in Daegu, Korea. In 2005 Hildebrand once again made the U.S. squad, along with Paul Munoz and Robert Tarr.

In 2007, Paul Lotman, Robert Tarr and head coach Alan Knipe helped lead the U.S. team to the bronze medal in Bangkok, Thailand.

Hilliard led the Beach to the program's first-ever NCAA title in 1991, and he was also instrumental in LBSU's national runner-up finish as a freshman in 1990. He was named to the NCAA All-Tournament Team both years. Hilliard, a three-time first-team All-American, was tabbed the 1992 National Player of the Year by the AVCA and Volleyball Magazine. He was also a four-time all-conference selection, earning first-team honors from 1991-93. Hilliard's 3,034 career kills, along with his 821 kills during the 1991 season, still rank first in the LBSU and NCAA record books. In addition, he is the 49er career leader in kills per set (7.12) and total attempts (5,678). Hilliard went on to play for the U.S. Men's National Team, winning a Bronze Medal as a member of the 1992 Olympic Team. He is currently the associate head coach of the women's volleyball team at the University of San Diego.

Winslow is arguably the greatest all-around middle blocker to ever don a 49er uniform. His 111 solo blocks and 529 total blocks still stand as all-era career records, while he also ranks third in kills (1,813) and hitting percentage (.442), fifth in block assists (418) and seventh in digs (708). Winslow is the only middle blocker featured among LBSU's all-time top-10 dig leaders. Winslow was a four-time All-American, four-time all-conference selection and three-time NCAA hitting percentage leader at Long Beach State. As a senior and team captain in 1991, he led the Beach to the program's first-ever national championship. Winslow had 22 kills in the title match against USC and was named to the All-NCAA Final Four Team. He went on to play professionally overseas, while he was also a member of the U.S. Men's National Team, ultimately representing the United States at the 1996 Olympic Games in Atlanta.

Dodge Parker

1970-71, 1973

Dodge Parker was a standout on both the 1970 and 1973 Long Beach State Men's Volleyball Final Four teams. A two-time All-American for the 49ers, he went on to play for the U.S. National Team, and was inducted into the LBSU Hall of Fame in 1986.

Parker, who was considered one of the best volleyball players in the world during his time, was also a star in the International Volleyball Association (IVA) where he was a four-time All-IVA selection. He was named the league's Most Valuable Player in 1976 and the Coach of the Year in 1977. Parker passed away from a heart attack at the age of 29.

In 2001, Long Beach State men's volleyball created the "Dodge Parker Award" in his memory. The award recognizes the player(s) who went above and beyond what is required to be an ironman.

LONG BEACH CENTURY CLUB

The Long Beach State men's volleyball program would like to thank the Long Beach Century Club for its gracious support. The Century Club, a Long Beach institution, provides support to amateur athletes of all ages to assist them in competing locally, nationally, and internationally. Over the years, many athletes that the Century Club has assisted were able to return with awards from all corners of the world, including Olympic Medals. The Long Beach Century Club strongly promotes the middle school programs and high school sports programs, along with support to Long Beach City College and Long Beach State. The Long Beach Century Club was formed in 1957 by a group of prominent Long Beach sports enthusiasts as a non-profit corporation dedicated to the promotion of amateur athletics in the city. The Century Club has funded over one million dollars in over 40 years of operation to deserving athletes in the city of Long Beach.
