Opening Tip

McKendree will return to non-conference play on Monday, Dec. 13 as they begin a two-game road trip in the state of Missouri with a 5:30 p.m. game

in Joplin, Mo., against Missouri Southern State University, who is a member of the MIAA.

The Bearcats come into Monday's sixth non-conference game of the season sporting a 1-7 overall record and they haven't played in nine days since suffering a 69-50 loss in its home GLVC opener on Dec. 4 against Lewis University.

The 1-7 start to the season is the first for the Bearcats since the 2014-15 campaign when McKendree opened the season by losing 13 of its first 14 games.

Missouri Southern State is sporting a 5-2 overall record and is 3-0 in the MIAA on the season following its 84-65 win on Saturday at Rogers (Okla.) State University.

The Lions have won five straight games since opening the season with back-to-back losses at home against Henderson State (81-74) and Harding (87-81).

Bearcat Notes

*- McKendree is eight games into its 49th season of women's basketball, including its 10th season in the GLVC. The Bearcats have posted an all-time record of 565-584, including a 44-126 record in GLVC games since joining the league in 2012-13.

*- In its lone win of the season at home against Blackburn, the Bearcats hit a season high 12 3-pointers and scored a season-high 90 points in earning a 90-71 victory over the Beavers.

*- The 90 points against Blackburn were the most points scored by the Bearcats in a game since tallying 104 points against Davis & Elkins on Dec. 21, 2013. The 90 points are the most points scored in a game in the Kari Kerkhoff era (2015-present).

*- Kari Kerkhoff is in her seventh season at the helm of the Bearcats women's basketball program and has compiled a 56-99 overall record. The 56 wins are third most on the school's all-time coaching win chart, while her seven seasons are tied with Ann DeBoe (1990-97) for the second longest tenure in program history.

*- In its last game against Lewis, the Bearcats shot 51.1 percent (23-for-45) from the field. That was the highest shooting percentage in a game for the Bearcats since shooting 53.8 percent (35-for-65) in an 87-84 loss last season at Maryville. Since the beginning of the 2020-21 season, the Bearcats have

shot 50 percent or better from the field in a game five times, including four times last season.

*- Fortune has had a hot hand offensively this season for the Bearcats as she has scored in double figures in four of the seven games she's played and 20 times in 28 career games as a Bearcat and tallied a career high 36 points at Blackburn, which is tied for fourth-most in a game in the program's history.

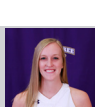

*- Along with her scoring, Fortune has now had eight or more rebounds in her last five games after picking up nine rebounds against Lewis. Along with nine boards against Lewis, she also had nine boards at Maryville, 10 boards each against UIS and Blackburn and eight boards against Ferris State.

*- Sydney Diekhoff recorded her 61st career game of scoring in double figures against UIS as she tallied a season high 16 points to push her career point total to 1,106 points. Diekhoff, who has now scored 1,011 career points, has tallied double digit points in 78.2 percent of her career games (61 times in 78 games).

*- Three players (Fortune, Breden and Golden) have each scored over 60 points this season as Fortune has tallied 98, while Breden has 85 and Golden 75.

*- The Bearcats rank in the middle of the GLVC in steals as they are averaging 7.4 per game and have had at least six steals in seven consecutive games.
