## McMURRY TRACK & FIELD “POINTS of PRIDE”

\*In 2008, head coach BARBARA CROUSEN became the first female to ever lead a men’s team to an NCAA championship...in any sport and at any level of NCAA competition...when her team took the title Division III crown.  
(Crousen would lead McM to a second NCAA III title in 2012).

\*In 2008, McMurry got the most-out-of-the-least when it won the NCAA III men’s championship by scoring just 35 points (edging out Cortland State with 33). It is still the lowest point total ever amassed that led to the team championship and McM did so by sending just SEVEN competitors to the championship meet!  
HANN OLLISON accounted for 34 of the 35 points.

\*Former McM All-American JIM BOB BIZZELL earned three medals in the 2008 Paralympic Games in Beijing, China. Bizzell - who lost a portion of his left leg in a motorcycle accident after graduation - won gold in the 4x100 relay, and silver in both the 200 and 400...just 15 months after his accident!

\*Women’s track standout DARCELL EDWARDS won four-consecutive NCAA III outdoor triple jump titles from 2001-04. Edwards was also invited to the U.S. Olympic Trials, narrowly missing making the United States Olympic team.

\*Former McM head coach BRAD PARRIS not only won five NCAA pole vault titles during his record-setting career, but also graduated with a 4.0 grade point average. Brad still holds the McM school records for both the indoor and outdoor pole vault.

\*Brad’s father – RICKEY PARRIS – won four NAIA championships in the pole vault and was the first-ever NAIA competitor to clear 17 feet in the event. The elder Parris was enshrined in the NAIA Hall of Fame in 1979.

\*In 2012 – *en route* to the NCAA III team championship – senior KEVIN CUNNINGHAM accomplished something never done before, or since, in the NCAA track championships at any division: he won the NCAA title in both the open 400 meters and 400-meter hurdles during the same championship meet.
